Chapter 1081: Sent People to the MO Family

“You, a traitor of the Demon Heart Hall, don’t have to worry about my matters. Qian Liuguang, you should take care of yourself,” Qian Jiyun said as he looked at him coldly.

“Ha!” Qian Liuguang laughed.

He knew An Jiuyue would tell Qian Jiyun about his identity.

“So you do know! You dare to attack me even though you know who I am? Qian Jiyun, don’t forget that I’m your fath— Gasp!”

Before he could say “father”, Qian Jiyun slashed at him again.

‘Qian Jiyun, you’re courting death!’

Qian Liuguang was not to be trifled with either. He started fighting Qian Jiyun.

“What’s going on?”

An Jiuyue was speechless as she watched Qian Jiyun snatch the person she had intended to thrash until unrecognizable.

“Am I not part of this anymore? Time to lie back and win?”

In the space, Wei Na suddenly alerted her, “Master, something happened.”

“Shoot. ”

“I overheard that that Zhao woman has sent people to the MO family, ” Wei Na said.

“The MO family!” An Jiuyue’s eyes sharpened.

How did this matter involve the MO family? Apart from interactions with Qian Jiyun and a few other close individuals, MO Aotian always wore a mask, even when sleeping, didn’t he?

How did Zhao Xiaoli notice him?

“Where is Mn Antian?”

“In the corner up north. That’s where most of the people are,” Wei Na replied.

An Jiuyue took a deep breath. MO Aotian’s cultivation level was very high, and he was indispensable in this tough battle. Moreover, MO Aotian was a leader.

“Where is Gu Chi?” she asked.

“Gu Chi is in the northwest corner. There aren’t many people there,” Wei Na added.

She made up her mind to ignore Qian Jiyun and flew away to look for Gu Chi.

Meanwhile, the MO family was in chaos.

The defenseless MO family was caught off guard by the guards Zhao Xiaoli had sent to hide in the shadows. Although there were not many casualties, Master MO and Madam MO were captured.

More than a dozen direct descendants of the MO family were captured without exception.

By the time Gu Chi arrived with his men, it was already too late. He only saw Zhao Xiaoli and no one else.

“Zhao Xiaoli!” Gu Chi stared at the woman coldly.

Even he would not have expected Zhao Xiaoli to target the MO family.

While MO Aotian might not stand out in other aspects, he hid his identity very well. It could be said that no one knew about his dual identities.

It was obvious how Zhao Xiaoli found out. “Oh, you’re finally here!”

Upon seeing Gu Chi, Zhao Xiaoli looked smug.

“Gu Chi, are you going to surrender, or do you want me to kill your sweetheart’s family and use you to threaten the people from Jun Lin Hall?” she asked.

“You—” Gu Chi held the long sword in one hand and clenched his other fist tightly.

In terms of strength, he alone could deal with these people. It was not a big deal.

However, he could not gamble with the lives of so many people from the MO family. He could not afford to!

He took a deep breath and gritted his teeth. “Let the MO family go. I’ll be your hostage.”

“Heh, do you think I’m stupid?” Zhao Xiaoli covered her red lips and sneered..

Chapter 1082: An Ungrateful and Treacherous Wolf

He would probably decapitate her before she could even get her hands on him to take him hostage.

“Gu Chi, I can’t afford to have you as a hostage. Go back to where you came from.”

“Zhao Xiaoli, what are you trying to do?” Gu Chi asked as he looked at her coldly.

Was she after the Demon Heart’s possessions, like Master Ling? He felt that Zhao Xiaoli wanted more than that.

“I want the Life Stone, of course!” Zhao Xiaoli replied matter-of-factly.

Who would not want the Life Stone? She wanted it even more than Master Ling.

“I also know that it’s impossible for that idiot, Master Ling, to get the Life

Stone. Only a piece of trash like him would go head-on against Jun Lin Hall.

“Meanwhile, a smart person like me can get whatever I want with a little bit of effort!

“Look, I hold the fate of so many lives from the MO family. Why don’t you ask your Hall Master if all these lives are worth that Life Stone?”

“Good, very good!” Gu Chi closed his eyes and nodded. “I’ll ask, Zhao Xiaoli.”

“I’m glad you’re asking.”

Satisfied, Zhao Xiaoli waved at the people behind her.

“I’ll wait for your news at Moonwatch Lake at this time tomorrow. Only Qian Jiyun and An Jiuyue should come. I’ll kill all the MO family members if I find anyone else!”

With that, she turned around and prepared to leave.

Gu Chi could only watch them leave and take a deep breath.

“Young Master, are we just going to watch them leave?” the person beside him asked.

Gu Chi gritted his teeth and asked, “What can we do?”

The MO family was in Zhao Xiaoli’s hands. He had no choice but to agree to Zhao Xiaoli’s conditions first and discuss the rest with the Hall Master and Mistress.

“Let’s go back immediately.”

“What did you say?”

The chaos in Jun Lin Hall had been suppressed.

Most of the people sent by the aristocratic families to Qian Liuguang had been killed. Some managed to escape, but letting them return to the aristocratic families also acted as a deterrent.

MO Aotian did not say anything when Gu Chi returned and informed him about the MO family’s situation. Instead, Qian Liuguang, who was tied up and could not escape after depleting most of his demonic energy, was so shocked that he was speechless.

Zhao Xiaoli kidnapped the MO family? What was that supposed to mean?

Qian Liuguang observed their expressions, noticing that they did not look good. He wondered if the MO family was related to them.

He had visited the MO family before. That old man was a good friend of his for many years.

He had wanted to persuade Master MO to work with him, but he did not expect that old man to be so tactless as to cut ties with him.

He was so angry that he did not think about why the MO family would choose to cut ties with him and not go against Jun Lin Hall.

Was it possible that someone in Jun Lin Hall had already uncovered his initial plan?

“Damn it!”

MO Aotian clenched his fists and slammed them against the wall.

He was convinced that Chai Qingyu definitely had something to do with the MO family’s misfortune this time! And to think that his mother had taken great care of him! What an ungrateful and treacherous wolf!

Chapter 1083: Willing to Follow Your Lead

It had to be hard on his parents. They were already so old, but they still had to be hostages.

“Aotian, don’t panic.”

Qian Jiyun stepped forward and patted MO Aotian’s shoulder to comfort him.

An Jiuyue held her chin with one hand and remarked thoughtfully, “Zhao Xiaoli must have ulterior motives. Your family is safe for the time being.”

Suddenly, she turned to look at Qian Liuguang, who was tied up on the ground. She walked over and stepped on his chest.

“Ah!” Qian Liuguang screamed in pain. “What are you doing? The MO family’s capture has nothing to do with me!”

Speaking of which, Zhao Xiaoli was truly capable! She actually captured the MO family! From the looks of it, he guessed that the Third Hall Master of Jun Lin Hall was probably from the MO family.

Zhao Xiaoli even knew that.

An Jiuyue stepped on his chest and crouched down, staring at him coldly. “Qian Liuguang, what did you say to Zhao Xiaoli?”

“I didn’t say anything!”

Qian Liuguang naturally did not remember what he had said to Zhao Xiaoli, but he was not too confident in his reply either.

He had thought he had fooled Zhao Xiaoli, but it turned out that he was the one who had been fooled. Zhao Xiaoli was too cunning.

Bai Ze walked forward and said, “Sister-in-Law, I’m afraid he’s probably said everything he should and shouldn’t.”

Given Qian Liuguang’s cultivation level, he was no match for Zhao Xiaoli. That woman was extremely adept at concealing her abilities.

“Huff!” An Jiuyue exhaled heavily.

Qian Liuguang was from the Demon Heart Hall and knew a lot. It would be troublesome if he told Zhao Xiaoli everything.

She turned around and asked, "Gu Chi, what does Zhao Xiaoli want?"

Gu Chi glanced at Qian Jiyun and replied to her, "She only said she wants the

Life Stone, but I have a feeling she wants something more."

Apart from the Life Stone and Flame Fox, she had nothing else. What did Zhao Xiaoli want from her?

"What else?"

"She also said she wants you to go to Moonwatch Lake with Hall Master tomorrow night," Gu Chi said.

He still did not understand this. It was one thing for Zhao Xiaoli to invite Qian Jiyun, but why did she want him to bring An Jiuyue along? Did she think that with An Jiuyue around, Qian Jiyun would be restrained and would make mistakes easily?

However, from what he saw, An Jiuyue's demonic energy cultivation was not bad. She could fight Qian Liuguang without losing, couldn't she?

"Huff!" An Jiuyue exhaled again and looked down at Qian Liuguang.

"Still insisting you didn't say anything? If you didn't say anything, how would

that woman know who the Demon Heart is? Qian Liuguang, you deserve to die!"

With that, she stepped on Qian Liuguang's chest harder, even grinding her foot a few times.

“Ah!” Qian Liuguang could not help but scream.

He broke out in a cold sweat when he heard Gu Chi’s words.

He thought he was the only one who knew that An Jiuyue was the Demon Heart. He did not expect Zhao Xiaoli to know about it long ago.

This meant she had been plotting against him early on. When did she discover the truth from him?

“High... High Priest, have mercy on me, please. Have mercy on me. I’m willing to follow your lead and never do anything to harm you or the Demon Heart

Hall again..”

Chapter 1084: Is There a Misunderstanding?

He knew that he had fallen into An Jiuyue’s hands, and there would be only one outcome.

However, he did not want to die so early, so he resorted to begging for mercy. “To hell with that! Do I look like I lack a servant like you?”

An Jiuyue lifted her foot and kicked him away. Qian Liuguang crashed into a pillar, bounced back, and coughed up a mouthful of blood.

“Yan Feng, drag him away and make him spit out everything he needs to,” Qian

Jiyun instructed Yan Feng.

“Yes, Hall Master,” Yan Feng replied.

He approached Qian Liuguang, picked him up by the collar, and dragged him away.

“What do you mean?”

MO Aotian looked at Qian Liuguang, then at An Jiuyue and Qian Jiyun. He could not help but point at An Jiuyue.

“Hall... Hall Master, she... she’s...

So their earlier assumption that the Hall Master was the Demon Heart was false! In reality, the Hall Mistress was the Demon Heart—the one who could shake up Wulong Mountain?

“Aotian, go and keep the Chai family under control,” Qian Jiyun instructed without explaining anything to him.

Chai Qingyu was the cause of everything that happened in the MO family, so they would capture him first. Tomorrow night, he would meet Zhao Xiaoli with An Jiuyue and find out what she wanted.

“Gu Chi, bring your men and search the northern region thoroughly. Don’t let go of a single inch of land. You must find the MO family.”

“Yes, Hall Master,” Gu Chi replied and left.

“I... I’ll go to the Chai family.”

MO Aotian turned around and watched Gu Chi leave. He opened his mouth, wanting to say that he would go too.

However, since he was part of the MO family and his family had gone missing, he would only cause trouble for Gu Chi if he went. Hence, he held back and decided to keep the Chai family under control first.

An Jiuyue looked at him seriously and promised, "Aotian, your family will return safely, no matter what. I promise you."

"The things I have are not worth much. They're worthless compared to your family's lives."

"I understand, Mistress."

Of course, MO Aotian I-mew.

But he considered that whatever Zhao Xiaoli was going to such lengths to obtain, even if it seemed worthless, had to be very useful. If he could prevent her from having it, he would.

"I hope Ah Chi can find my parents. I'll bring people to the Chai family first.'

"Bai Ze..."

"Brother, Sister-in-Law, don't worry. I'll follow him."

With that, Bai Ze followed MO Aotian. He was worried about leaving him alone.

Once they were alone in the room, An Jiuyue looked up at Qian Jiyun.

"I have a feeling Zhao Xiaoli isn't that simple. Jiyun, how can a young lady be so capable of fooling so many people? She must have some special skills, right?" "Young lady?" Qian Jiyun laughed.

"Jiuyue, is there a misunderstanding about that term? Zhao Xiaoli was already 23 years old when I saved her seven years ago."

"Uh." An Jiuyue was stunned.

Although Zhao Xiaoli looked like a young lady, she was already a 30-year-old woman?

“Let’s not bother with her age. Let’s find the MO family first. If we really can’t find them, the Life Stone isn’t that important either,” she said.

MO Aotian arrived at the Chai family with his people, but he, naturally, could not find Chai Qingyu..

Chapter 1085: What’s Going On?

The Chai family was stunned when they saw people from Jun Lin Hall surrounding them under MO Aotian’s lead. The family head stepped forward and spoke to MO Aotian.

“Aotian, what’s going on? How have I offended you to make you bring people from Jun Lin Hall to cause trouble for my family?”

This nephew of mine is really impressive! He even managed to build a relationship with Jun Lin Hall and even brought so many people here! If I’m not wrong, that man beside him is Bai Ze from Jun Lin Hall, right?

That’s Hall Master Qian Jiyun’s sworn younger brother—they’re even closer than biological brothers.

“Where’s Chai Qingyu?” MO Aotian did not give him any face and asked directly.

What a joke. Chai Qingyu had taken his parents and brothers. If he showed any mercy to the Chai family, he would probably not be able to face himself.

“Qingyu?” Master Chai was stunned.

He glanced at the people from Jun Lin Hall behind MO Aotian, then at Bai Ze before looking at MO Aotian. "You brought these people here to look for Qing Yu?"

"Aotian, how can you do this?"

When Madam Chai heard him mention her son, she thought her son had gone to MO Aotian's parents again, snatching away the love MO Aotian deserved.

Of course, she was not bothered by this. She only felt that MO Aotian, a grown man, was too petty.

"Qingyu is younger than you. What's wrong with your parents doting on him?"

Now you're unhappy and even brought so many people... Ah!"

Before Madam Chai could finish speaking, MO Aotian shoved her aside with so much force that she fell to the ground.

"I'll ask you again, Chai. Where's your damn son?" He grabbed Master Chai by the collar and shouted.

"Uhm!"

MO Aotian yelled at Master Chai so loudly that he saw stars. He did not understand what was going on.

"Aotian, what happened to you? Has Qingyu offended you?"

Given how MO Aotian was acting, Master Chai reckoned his son would probably suffer if he were here. He dared not say where Chai Qingyu was and could only ask MO Aotian quietly.

"You're not going to tell me, right?"

MO Aotian threw Master Chai to the ground, allowing him to join Madam Chai.

“Since you don’t want to tell me, then you don’t have to. Guards! Hang all the direct descendants of the Chai family and serve up the torture devices! If nobody says anything about Chai Qingyu’s whereabouts, kill them!

Upon hearing that, Madam Chai gasped.

The Chai family had relied on the MO family to gain a foothold on Wulong Mountain. They never dared to resist the MO family’s pressure, let alone now that MO Aotian had brought people from Jun Lin Hall with him.

“MO Aotian, how dare you?! I’m your aunt! Aren’t you afraid of being struck by lightning?”

She struggled to get up, but some people were faster and dragged her off the ground.

They were the guards MO Aotian had brought. They imprisoned people from the Chai family and hung the direct descendants of the Chai family.

Bai Ze watched coldly as those people cried and begged MO Aotian to spare them. They talked about their family ties and called MO Aotian their cousin..

Chapter 1086: No Prior Knowledge Whatsoever!

He sneered.

They begged MO Aotian to let them off. But Chai Qingyu never thought of letting anyone from the MO family off when he attacked them.

MO Aotian was only giving them a taste of their own medicine.

“Aotian, let them go. If you want to attack, do it to me. Your cousins are innocent. They’re still young.”

Master Chai’s heart ached as he watched his sons scream under the lashings of the whip, so he begged MO Aotian.

“They’re still young?”

MO Aotian stood nearby and looked at Master Chai coldly.

“Uncle, I don’t care whether they’re young or not. If you want to blame someone, blame your wonderful son. He’s the one who caused all of your suffering this time.

“If they’re dead, don’t look for me. Look for Chai Qingyu.”

“What wrong did Qingyu do to make you retaliate so crazily? What did we do wrong?” Master Chai asked him in exasperation.

Regardless of the severity of Chai Qingyu’s mistake, it was his personal matter. What did this have to do with them?

However, the MO and Chai families were in-laws, right? What deep hatred did they have for each other that would lead matters to such extremes?

“You did nothing wrong, but what did my parents and brothers do wrong?” MO Aotian questioned them sternly.

“You... What do you mean?”

Master Chai widened his eyes and looked at him, roughly understanding what he meant.

Could it be that Chai Qingyu had the audacity to attack the MO family? Did he provoke MO Aotian into disregarding his family ties and attacking his uncle?

“What do I mean?”

MO Aotian placed one hand on his hip and pointed at Master Chai with the other.

“The Chai family has raised a wonderful son. He doesn’t do anything good, but he does everything bad systematically. Now, he even colluded with outsiders to slaughter my family and kidnap my parents.

“Uncle, you’re really something! Not only did you have no idea about what Chai Qingyu did, but you also have no prior knowledge whatsoever!”

“I...” Master Chai opened his mouth.

There was no way he did not know anything. He had heard that his son wanted to go against the MO family.

However, he thought that since his sister and brother-in-law had showered Chai Qingyu with so much affection, he would not torture them to death and would leave them a way out.

It would be fine as long as they were kept alive. He did not care about anything else.

He had allowed his son to go against the MO family because he wanted to take all of the MO family’s assets for the Chai family.

However, he did not know that MO Aotian had the backing of the people from Jun Lin Hall!

He had really miscalculated this time. He never expected Chai Qingyu to provoke Jun Lin Hall. If he had known, he would not have let him do those things.

“Aotian, Aotian, listen to me. I really didn’t know Qingyu would do such a thing. Can you let us go first so we can sit down and talk slowly?”

“Ha!” MO Aotian sneered, finding it ridiculous.

Master Chai wanted to sit down and talk to him slowly? That was very naive of him!

Bai Ze wanted to laugh too. Sit down and talk? MO Aotian was already forbearing enough not to hold a knife to Master Chai’s neck and force him to reveal Chai Qingyu’s whereabouts..

Chapter 1087: Extracted Every Piece of Information

Yet after hearing what Chai Qingyu had done, he did not reveal his whereabouts and even wanted to stall for time.

“I’ve finally seen it all today. Master Chai, you’ve really impressed me.”

He walked up to Master Chai and glanced at him before turning around and approaching the other members of the Chai family who were tied up.

“Don’t blame us if you die! If you want to blame someone, blame your biological father and your husband. He’s sacrificing all of you for his son.

“To be honest, having a father like him is more trouble than it’s worth. I have a suggestion. Why not end yourself and find some peace?”

“You—I’

All the men and women who were tied up were angry.

However, they blamed Master Chai even more. Their father and husband was willing to sacrifice so many of them for Chai Qingyu.

Just as Bai Ze had said, they did not believe that Master Chai did not know Chai Qingyu's whereabouts.

Master Chai clearly knew, but he refused to say anything. Did he think MO Aotian would spare their lives because they were relatives?

Chai Qingyu had already captured MO Aotian's parents and the others! Why would MO Aotian care about kinship? It was already good enough that he did not stab them immediately.

"Father, where is Big Brother? Tell Cousin clearly!"

"That's right, Father! Big Brother made a mistake. As long as he turns over a new leaf, Cousin will definitely not make things difficult for him. Hurry up and tell him where Big Brother is. We have to save Uncle and Auntie first!" Everyone took turns persuading Master Chai.

However, Master Chai was unmoved by persuasion and coercion. Chai Qingyu was his precious son, his only legitimate son. How could he give him up? He turned his head away and said dully, "I don't know where he is."

He could not expose his son, no matter what. MO Aotian would never let him off for what he had done. He would die if he was caught.

"In that case, Aotian, there's no need to waste your breath on him," Bai Ze walked to MO Aotian's side and said.

"People like him won't accept reality unless they suffer a little. Didn't Sister-in-Law give you the medicinal fog earlier? You can just use it. Let's hurry and catch Chai Qingyu. That's most important."

MO Aotian did not stand on ceremony anymore and took out the medicinal fog.

He told the guards to stay away first before he and Bai Ze consumed the antidote. Only then could they use the medicinal fog on Master Chai and Madam Chai.

Master Chai might have an inkling of Chai Qingyu's whereabouts, but Madam Chai undoubtedly knew. This woman doted on her son, Chai Qingyu, to the extreme.

She would support Chai Qingyu even if he wanted to do something lawless. This time was no exception.

As expected, after MO Aotian used the medicinal fog on Madam Chai, she revealed everything about Chai Qingyu. Although Gu Chi was not with them, Bai Ze extracted every piece of information he could from her.

Master Chai also spat out all the dirty things he had done to the MO family and MO Aotian over the years.

MO Aotian would never have known if he had not heard it. But now that he knew, it sent shivers down his spine.

Master Chai, who appeared as if he doted on MO Aotian, had secretly tried to kill him several times. MO Aotian was lucky enough to escape..

Chapter 1088: Did You Bring It?

Master Chai's schemes played a role in giving MO Aotian the chance to be saved by Qian Jiyun and become the Third Hall Master of Jun Lin Hall.

It was also because of him that MO Aotian had the fortune to meet Gu Chi, who was wandering outside and had no one to rely on. Hence, he gained another constant companion.

"Brother, I really don't know if it's a blessing or a tragedy for you to have an uncle like that." Bai Ze raised his hand and patted MO Aotian's shoulder with emotion.

“You talk too much.”

MO Aotian glanced at him and left without hesitation, leaving only a few people to guard the remaining members of the Chai family.

However, upon reaching the place that Madam Chai had mentioned, they discovered that it had been uninhabited for many days. MO Aotian knew at a glance and said to Bai Ze, “He’s not here.”

“He must be with Zhao Xiaoli,” Bai Ze remarked.

Chai Qingyu had to be with Zhao Xiaoli. Things would be easier if they could search the Long Residence.

“We can’t search the Long Residence, but we can get them to come here.” He suddenly remembered that although they could not search the Long Residence, it would be easy to get Eldest Young Master Long here, right? Aotian, let’s capture Eldest Young Master Long.”

“Okay.” MO Aotian nodded in agreement.

Although Bai Ze thought that capturing Eldest Young Master Long would be easy, it was actually not. After all, he was in the Long Residence. They would have to take their time capturing their eldest young master.

They waited outside the Long Residence for the entire day before they saw Eldest Young Master Long leave with a few bodyguards. He seemed to be looking for someone.

Without another word, they stuffed him into a sack.

Meanwhile, the sky was already dark when Qian Jiyun and An Jiuyue arrived at the Moonwatch Pavilion. Zhao Xiaoli was already waiting there.

“Miss Zhao, you’re quite impatient, aren’t you? Have you been waiting for a long time?” An Jiuyue took a seat across from her, while Qian Jiyun sat beside her.

“Not too long. I just arrived too.”

Zhao Xiaoli glanced at Qian Jiyun before looking at An Jiuyue.

Qian Jiyun was indeed, as people had described, inseparable from An Jiuyue. “High Priest Demon Heart, did you bring what I want?” she asked An Jiuyue.

“So you do know!” An Jiuyue curled her red lips, smiling.

“What’s so strange about me knowing this secret?” Zhao Xiaoli spread her hands and asked.

I didn’t follow Qian Liuguang for nothing. If I can’t get anything out of him, does she think I would’ve let him have his way with me? What is she thinking? “Haven’t you already investigated thoroughly? Then you should know who Master Ling is to me, right?”

“You know a lot.” Qian Jiyun glanced at her coldly.

“Where are the people?”

“What’s the hurry? I’ll let them go when I see what I want.” Zhao Xiaoli smiled.

An Jiuyue raised her eyebrows and asked, “So you’re saying that we have to give it to you and still not get to see them?”

“Miss Zhao, you’re rather scheming. Are you so sure that I would trade my possessions for someone else’s family members whom I’ve never even met?”

“Or do you think the people you’ve planted outside the Moonwatch Pavilion can capture Qian Jiyun and me?”

Chapter 1089: Two Fists Could Defeat Many Hands

“You—” Zhao Xiaoli’s expression darkened.

She did not understand. Her people were well-hidden. How did they discover them?

Just as she was about to deny it, An Jiuyue spoke again.

“I didn’t expect Miss Zhao to have so many people working for you. What a pity.”

“What’s the pity?” Zhao Xiaoli asked instinctively.

What was there to pity? Even if they all died, she merely acquired those people from others. They were not her own.

“An Jiuyue, stop spouting nonsense. Hand it over. If I can capture the MO family, I can also separate MO Aotian from your husband!”

She told herself not to be affected by An Jiuyue.

Everyone cultivated demonic energy, so it was expected that they would know that she had planted people nearby. There was nothing strange about that. More importantly, she had many subordinates, and An Jiuyue only had Qian Jiyun.

She refused to believe that Qian Jiyun’s two fists could defeat many hands.

“Tsk tsk.” An Jiuyue clicked her tongue and glanced at Qian Jiyun.

“This woman wants to separate MO Aotian from you. What do you think?” she asked.

Qian Jiyun simply raised his hand and rubbed her head gently. “You’d rather believe a woman who thinks she’s clever than me?”

“That’s true.” An Jiuyue blinked and turned to look at Zhao Xiaoli. “Miss Zhao, did you hear that?”

“You...”

Zhao Xiaoli was furious.

She should have been the one arrogantly demanding An Jiuyue to do this and that because she had the MO family in her hands.

But it seemed like they had restrained her! How could things turn out like this? Did they think she was a pushover?

“An Jiuyue, don’t be smug. If you provoke me, I’ll make the MO family—” “Die with you?” An Jiuyue did not care what she wanted to say and interrupted

her.

Zhao Xiaoli paused and asked in confusion, “You... What do you mean?”

“It’s so obvious. Miss Zhao, don’t you understand?”

An Jiuyue smiled and looked at the person in front of her as if she were looking at a fool. She did not understand how the news of Zhao Xiaoli’s shrewdness came about. Her good looks were probably the reason for her confidence, right?

“Miss Zhao, it’s commendable that you’ve arranged many people around, but please think about it seriously. Where are you now? Hmm?”

Zhao Xiaoli opened her mouth to reply, but her face paled when she suddenly thought of something.

She had arranged for people to be nearby, ready to attack Qian Jiyun and An Jiuyue at any time. However, she had forgotten that she was sitting across from them.

If these two wanted to attack her, her people would not be able to save her in time.

She had always thought that everyone in Jun Lin Hall would be wary of her because she had the MO family in her hands. She never considered what would happen if she fell into Qian Jiyun and An Jiuyue’s hands.

At the thought of this, she stood up and wanted to fly away.

Unfortunately, Qian Jiyun would not give her the chance to do that. The moment she moved, she realized that she no longer had control of her body.

Qian Jiyun had used his demonic energy to restrain her body..

Chapter 1090: The Demon Suppression Cauldron

“If... if you dare to attack me, everyone in the MO family will die. An Jiuyue, if I don’t return in 10 hours, my people will kill everyone in the MO family.

“If everyone in the MO family dies, MO Aotian will definitely not let you off.”

“But you’d be the one who killed them. What does that have to do with us?” An Jiuyue looked at her indifferently and shrugged.

“I could get MO Aotian to bring the people from Jun Lin Hall to destroy the Zhao family. I’ve long disliked the Zhao family anyway. Actually, this kill-two-birds-with-one-stone plan is pretty good.

“Miss Zhao, what do you think?”

“The Zhao family would be destroyed because of you, and the Long family also offended me because of you. They would have to live with their tails between their legs. Meanwhile, Jun Lin Hall upholding justice for MO Aotian would make him more loyal to Jun Lin Hall.

“Tsk tsk, that’s not killing two birds with one stone. It won’t be an exaggeration to say that it’s killing three birds with one stone, right?”

“You... you...”

Zhao Xiaoli was furious.

She had fallen into An Jiuyue’s trap because she had not thought things through thoroughly. She had also overestimated the value of the MO family, thinking that An Jiuyue would surely concede if she had control over them. An Jiuyue was unexpectedly really ruthless! She abandoned the MO family as if they were weeds.

“Are you really going to abandon the MO family?” she asked indignantly.

“What does the MO family have to do with me?” An Jiuyue asked.

Aotian can’t do it himself, I’ll help him out so that he can stop worrying in the future.

“I think this is the right thing to do. You think it’s bad, Miss Zhao?”

“So what if those aiming for greatness don’t recognize family ties? Miss Zhao, you’re still not ruthless enough. Want me to teach you how it’s done? You should have done this. You should have remained unfazed when you heard that I was going to attack the Zhao family.

“It’s just a family. It’s fine if it’s destroyed. You’re so capable. You’ll definitely be able to create a bigger family in the future, right?”

“You—I’

Zhao Xiaoli felt her anger lodge in her throat.

An Jiuyue made it sound so simple. Just a family? Did she know what a family had to go through to make a name for themselves on Wulong Mountain?

Jun Lin Hall was built upon bloody footsteps. Why didn’t An Jiuyue ask Qian Jiyun how he had survived all these years?

“Let go... Let go of me!”

She wanted to struggle free from Qian Jiyun’s grip, but she could not.

“An Jiuyue, I just want the Life Stone. That thing is useless to you. It’s not a loss to trade it for the MO family. What else do you want?”

An Jiuyue looked at Zhao Xiaoli with a smile and said word by word, “I just want to see what exactly you want from me, Miss Zhao.”
