Chapter 831: Drunk Last Night

“You sure are capable, Lord Xue. You’re willing to give up even your biological sister to achieve your goals. Miss Xue is also an amazing person. She’s willing to sacrifice herself for her brother. This brother-sister relationship is truly extraordinary. ”

“What are you trying to say?” Xue Fangyang glared at Shang Ningyi and asked coldly.

Was Shang Ningyi implying that he had colluded with Xue Fangling to trick Shang Ningshen on purpose?

He must not have had anything better to do. Although he was a little disappointed in Shang Ningyi, Xue Fangling liked him, so he still hoped that she could marry him.

Meanwhile, he had never taken a fancy to Shang Ningshen!

“I don’t want someone like him as my brother-in-law, even if you give him to me. Do you think I’ll scheme against him?”

“Since you don’t want him, let’s pretend this never happened, ” Shang Ningyi immediately continued.

Of course, Shang Ningyi would not allow Shang Ningshen to marry a woman who did not like him and instead yearned for Shang Ningyi every day. How could they still live as brothers in the future?

“You—” Xue Fangyang did not expect Shang Ningyi to dare to answer him.

Despite his dislike for Shang Ningshen, what was done was done. Who else could his sister marry besides Shang Ningshen?

Yet Shang Ningyi was telling him to pretend that nothing had happened.

They all understood that unless Shang Ningshen died, Xue Fangling would be unable to marry Shang Ningyi in this lifetime.

However, given the current situation, he still needed Shang Ningyi, so Shang Ningshen had to be safe.

The two brothers made Xue Fangyang speechless. Meanwhile, outside the tent, Xue Fangling regretted it so much that she wished she could ram her head into a tree.

Why did she drink last night?

And even if she had drunk alcohol, she should not have done such a thing.

She would never do something like this to Shang Ningyi, let alone Shang Ningshen. Something like this would just widen the gap between them.

But now, not only were things impossible between her and Shang Ningyi, but even Shang Ningshen...

She did not like Shang Ningshen, and he hated her so much. It was impossible for them to live together.

Although it did not matter to them whether a woman divorced and remarried, she did not want to be like this. She still wanted to be with Shang Ningyi for the rest of her life.

She took a deep breath and exhaled heavily.

Then she lifted her arm, opened the tent curtain, and trudged in.

“Ningyi, Big Brother...”

“Sister Fangling, I heard from Ningshen that you drugged him last night? Why?”

Don't you like my big brother? Why did you drug Ningshen?"

Shang Ningluo did not give Xue Fangling a chance to explain herself and questioned her.

That was the first thing she said. She wanted to pin all the blame on Xue Fangling.

"I..." Xue Fangling opened her mouth and glanced at Shang Ningyi timidly. "Ningyi, I was drunk last night. I really didn't do it on purpose," she explained.

"Xue Fangling!"

Xue Fangyang was about to vomit blood from anger.

Must she admit it just because Shang Ningluo questioned her? Does she have to admit that it's her fault and make things difficult for me?

Chapter 832: Enslave Shang Ningyi and His Siblings

"Are you sure you're really the one who did it last night? Did no one force you?" he asked Xue Fangling meaningfully.

"What do you mean, Lord Xue? Are you trying to say that I forced myself on your sister?"

Shang Ningshen also realized what Xue Fangyang was implying. He was trying to push all the blame on him!

Even if he were an idiot, he would not take responsibility for Xue Fangling for no reason. Did Xue Fangyang truly believe he could distort the truth and criticize them as he pleased?

"Xue Fangling, you were the one who rushed into my tent last night, right?"

“1...”

“Before I couldn’t even ask you anything, you sprinkled some medicinal powder on me. That’s true, isn’t it?”

“And not only did you sprinkle the powder on me, but you also hit my mute acupoint, right?”

Xue Fangling took a step back subconsciously. She did not dare to speak and watched Xue Fangyang’s expression carefully.

She had done all this; she had to admit it.

However, she knew that her brother wanted to shift all the blame to Shang Ningshen to protect her. It would also give him more reasons to enslave Shang Ninevi and his siblings.

“I didn’t. 1—”

“You still want to deny it?” Shang Ningyi stared at Xue Fangling coldly and gritted his teeth.

“Xue Fangling, don’t tell me you think you can resolve this by pushing all the blame on Ningshen? Or do you think that given your Original Soul energy, Ningshen can still drag you to his tent without anyone noticing?”

Xue Fangling could deny her actions, but she could not lie to Shang Ningyi.

“Xue Fangling, what are you trying to do? Do you really think you can have anyone you want from my camp?” Shang Ningyi continued to question Xue Fangling coldly.

“If you want a man, I believe Lord Xue can find as many men as you want in Camp Xue Yang. But this is Camp Ning Se. You can’t do whatever you want here.”

Xue Fangling opened her mouth, but she did not know what to say.

Was she really as Shang Ningyi described? She was drunk last night and had no idea what she had done.

“I’m sorry. I really didn’t know. I didn’t want to...”

She looked at Shang Ningshen and then at Shang Ningyi. She finally realized what had gone wrong. Shang Ningyi and Shang Ningshen looked too similar. She was too drunk and mistook Shang Ningshen for Shang Ningyi.

She looked at Xue Fangyang pitifully and suggested, “Big Brother, let’s go. Let’s talk when we get back, okay?”

“Go where? We’re not going anywhere until this matter is resolved!” Xue Fangyang shouted at her.

If his younger sister left Camp Ning Se dejectedly after being bullied, how could he still face other people in the future? “Shang Ningyi, tell me how to resolve this matter.”

“What do you want me to say?”

Shang Ningyi would not back down in this matter concerning Shang Ningshen. After all, even he might be implicated.

He would have to be insane to have a sister-in-law who could drag him down at any moment.

“Lord Xue’s younger sister did something so despicable.. Are you trying to say that this is Ningshen’s fault? Or are you trying to say that it’s my fault?”

Chapter 833: She Could Do Without Him

Xue Fangyang was stunned and glared at Shang Ningyi.

“Then my sister was taken advantage of by that rotten brat for nothing?”

“Who took advantage of whom? Xue Fangyang, stop pointing fingers. Xue Fangling isn’t the one who got drugged. I’m the one who got drugged! I will never take responsibility for this!”

Shang Ningshen stomped his feet and accused Xue Fangyang and Xue Fangling.

What the hell? She drugged me and even hit my acupoint, but now they’re saying I took advantage of her? What can I even do with Xue Fangling’s looks?

I’ll feel like vomiting every time I remember what happened last night. I’ll probably have continuous nightmares after this! And what? I took advantage of

“Xue Fangling, don’t tell me you think I took advantage of you too?” he asked.

“1...”

Xue Fangling wanted to say that it was, of course, Shang Ningshen who had taken advantage of her.

She was a virgin, yet she had spent the entire night with Shang Ningshen. It was clear who had taken advantage of whom.

However, she could not bring herself to say that. She was the one who caused this last night.

“Big Brother, why don’t we... forget it and pretend nothing happened last night?” she suggested softly as she looked at Xue Fangyang.

“You—” Xue Fangyang glared at his sister.

How could he pretend that nothing had happened?

However, now that things had come to this, he knew his sister would not want to marry Shang Ningshen. Shang Ningyi would also not marry Xue Fangling on behalf of his younger brother.

He was definitely going to have to accept this silent humiliation.

“Good, very good!”

He took a big breath and shifted his gaze between Shang Ningyi and Shang Ningluo before flicking his sleeves and leaving.

“Big Brother... Ningyi, I’ll persuade Big Brother first.” Xue Fangling chased after Xue Fangyang.

“Pft.” Shang Ningluo looked at Xue Fangling’s back and sneered.

This woman is really thick-skinned! She can still look at Shang Ningyi after sleeping with Ningshen. If it were me, I would’ve rammed my head into a tree and killed myself. What’s the point of living in this world?

However...

She frowned when she recalled what had happened between Shang Ning and Xue Fangling last night.

She had assigned the guardian to complete the task. How could he mess up like this and make her brother suffer because of Xue Fangling?

No, she had to find out what had happened.

“Ningshen, I don’t think Xue Fangling will have anything to do with you anymore. Don’t worry. I’ll leave first.”

She comforted Shang Ningshen and left. She no longer greeted Shang Ningyi.

Why would she greet a brother who was willing to sell her out? She could do without him.

After Shang Ningluo left, Shang Ningshen looked at Shang Ningyi and asked, “Big Brother, what should we do now? Xue Fangyang won’t let this matter rest, right?”

He wore a worried expression on his face.

“That Xue Fangling is too shameless. I didn’t even have a chance to resist before she subdued me. A woman like her is too terrifying.”

“Shut up!” Shang Ningyi turned around and glared at him. “You can’t even restrain a woman? Is this all you’ve got?”

“I... How would I know? Besides, can you defeat Xue Fangling yourself?” Shang Ningshen felt aggrieved and retorted.

Even his brother was no match for Xue Fangling, let alone him..

Chapter 834: You Were Knocked Unconscious?

“Shut up!” Shang Ningyi shouted at Shang Ningshen again.

He was not actually angry with Shang Ningshen; it was just that he knew he was Xue Fangling’s real target last night. However, she ended up entering Shang Ningshen’s tent by mistake.

He secretly heaved a sigh of relief. Thankfully, this mistake had occurred; otherwise, the situation would have truly gotten out of hand.

Xue Fangling would rather die than marry Shang Ningshen, and she would not come to meet Shang Ningyi for the time being. She would only come after things had settled down.

After all, there were so many people watching. Xue Fangling would not abandon her dignity, right?

Shang Ningyi could also have some temporary peace.

“Go back first. Cultivate in the tent for the next few days. Don’t go anywhere. I’ll send someone to guard your tent.”

They both understood the necessity of having someone guard Shang Ningshen’s tent. They were afraid that Xue Fangyang, in a fit of anger, would send someone to cause trouble.

“I understand. I’ll go back first, Big Brother.”

Shang Ningshen pursed his lips and had no choice but to leave.

Forget it. I’ll just treat last night’s incident as a dog bite. If a dog bites me, can I really bite it back?

In another tent, Shang Ningluo summoned the guardian.

Lowering her voice, she questioned, “How did you handle things? How did you end up getting Xue Fangling involved with Ningshen?”

“Princess, this has nothing to do with me.”

The guardian was even more innocent. He did not get a chance to accomplish anything last night. He was not the one who sent the wine to Xue Fangling. She had already been drinking in her tent when he found her.

She was even babbling about how to rape Shang Ningyi as she drank.

He knew he could not defeat Xue Fangling, so he wanted to follow her. If she dared to attack their Lord, he would make a move and throw a random man at Xue Fangling.

He thought that even if their Lord discovered this, he would only praise him.

“Someone knocked me unconscious last night. When I woke up, it was already morning. Everything had already happened.”

When he awoke this morning, he was surprised to find himself in his tent. If not for what happened between Xue Fangling and Shang Ningshen, he would have thought he had a dream last night.

“You were knocked unconscious?” Shang Ningluo narrowed her eyes and stared at the guardian.

He did not seem to be lying. Someone must have attacked him.

But who could it be?

Shang Ningyi?

Impossible. Shang Ningyi did not know that Xue Fangling would be drunk and had designs on him. He could not have foreseen this and knocked out the guardian she had sent.

Then, could it be Xue Fangyang?

What was he trying to do? Was he trying to blow things up on purpose?

No, Xue Fangyang was not possible. If so, Shang Ningyi, not Ningshen, would have been the target.

But who else could it be?

Who would do such a thing in Camp Ning Se? A spy sent by another camp?

Which camp would it be?

Could it be...

Suddenly, her eyes lit up as she thought of something.

“No, no. He won’t do that. What good will it do him?” She thought of Qian Jiyun, but why would he do such a thing?

“Could Shang Ningyi and Xue Fangyang...”

Were they targeting Qian Jiyun?

If they were, it would not be strange if Qian Jiyun had sent people to Camp

Ning Se..

Chapter 835: Ruined Her Plan

“Are those two crazy? How dare they target whomever!”

She could not help but curse. When Shang Ningyi targeted Qian Jiyun in the past, it had only been for matters in their plane.

But now, he had even dragged Xue Fangyang into this. Did Shang Ningyi not know how ruthless that man was?

And now, even she had been dragged into this. Yet Shang Ningyi did not seem to regret it at all!

“Princess, what are you talking about?”

The guardian’s expression grew more unpleasant as he listened to Shang Ningluo mutter to herself.

Shang Ningluo glanced at him and remained silent.

She could not care less now. She had to leave with Xue Fangyang today. She did not know what fate awaited her.

She had thought that Xue Fangling would end up with a guardian in the camp. She believed that Xue Fangling would stay for Shang Ningyi’s sake.

Although Xue Fangling appeared gentle on the surface, she was as vicious as Xue Fangyang. She knew that very well.

Perhaps that guardian would meet his demise after a few months of being with Xue Fangling. Then she could openly be with Shang Ningyi in the camp.

However, Shang Ningluo never expected Shang Ningshen to be with Xue Fangling.

This really ruined her plan.

“Princess, are you really going to Camp Xue Yang?” the guardian asked when he saw that Shang Ningluo was silent.

“Yes. Why not?” Shang Ningluo chuckled.

She used to think that she would rather die than go. But so what if she did?

She could only deal with Xue Fangyang if she went to Camp Xue Yang. They wanted to use her as a chess piece, right? Then she would show them the terror of a chess piece biting back!

She instructed the guardian, “Stay here and pay attention to the camp. Wait for me to return.”

She would return one day, and Shang Ningyi would not be able to control her then!

“Yes, I understand,” the guardian replied, not saying anything else.

He had messed up and let her down. This time, he would listen to her and keep an eye on Camp Ning Se.

Smack!

A slap landed on Xue Fangling’s face.

In the tent, Xue Fangyang looked at Xue Fangling with bloodshot eyes. He wanted to tear a piece of flesh off her body.

“Are you stupid? Is this something you can do?”

Xue Fangling covered her face and opened her mouth, but she could not say anything to defend herself.

“What’s so good about Shang Ningyi that you’ll go crazy and do anything disgusting for him? Don’t forget who you are!”

Xue Fangyang glared at Xue Fangling and shouted in a low voice.

“Big Brother, I know I was wrong.”

Xue Fangling bit her red lips and apologized.

She knew she was in the wrong, but so what? It had already happened. She could not hide what had happened between her and Shang Ningshen. She was very worried and did not want to talk about this matter at all.

“You...”

Xue Fangyang was at a loss for words.

You know you’re in the wrong? What’s the use of that? Can it change the fact that you shared a bed with Shang Ningshen?

“What are your plans now? Do you really want to pretend this never happened?”

Chapter 836: When Can We Make a Move?

He took a deep breath and asked Xue Fangling.

As long as she said she wanted to stay in Camp Ning Se, he would definitely be able to convince Shang Ningyi to let Shang Ningshen marry Xue Fangling.

“What else can we do?”

If she did not act as though nothing had happened, could she still marry Shang Ningyi?

She would not marry Shang Ningshen, no matter what. Otherwise, it would be even more impossible for her to be with Shang Ningyi in the future.

“Brother, I’m going to marry Ningyi in the future. We can’t blow this matter up.”

“You—” Xue Fangyang felt his anger lodge in his throat, nearly killing him.

“You want to marry Shang Ningyi? Dream on! With Shang Ningshen around, Shang Ningyi will never marry you. Do you really think no one knows about this and that you can hide it?”

They were not the only ones who rushed into the tent. It was quite possible that the news had already circulated and that everyone in the camp was aware of it.

“Why not? It’ll be fine as long as Shang Ningshen is no longer around,” Xue Fangling said nonchalantly.

So what if I’m a heartless person for Shang Ningyi? With Shang Ningshen around, it’s impossible for me and Shang Ningyi. But it’ll be fine if Shang Ningshen dies.

“Big Brother, help me. I want Shang Ningshen to disappear from Huayan Peak.” She reached out and grabbed Xue Fangyang’s arm.

Xue Fangyang was speechless.

Is my sister crazy? She even wants Shang Ningshen to die?

“If anything happens to Shang Ningshen now, you won’t be able to wash your hands of this. Do you really think that Shang Ningyi will still like you if something were to happen to Shang Ningshen?”

Xue Fangling pursed her lips.

Even if nothing happened to Shang Ningshen, Shang Ningyi would still dislike her. She knew it better than anyone.

She did not want much. She only wanted Shang Ningyi to spend the rest of his life with her. She had never forced him to like her, and she would not force him now either when something like this happened.

“I’m not asking for Shang Ningyi to like me. I’ll be fine with it as long as he can accompany me.”

“Xue Fangling!” Xue Fangyang glared at her and gritted his teeth.

She’s underestimating Shang Ningyi! Does she truly believe that she can have her way with him as she pleases?

Her high Original Son! pnrpv is nnlv fpm nrrrv F.vpn if shp enn kppn Shang

Ningyi under control now, what about in the future? Someone like Shang Ningyi won’t be suppressed by another for the rest of his life unless he’s dead. He’ll always retaliate.

“You’re stupid, but I’m not as stupid as you. Don’t say such things again.”

“Big Brother, I...”

“That’s enough.”

Xue Fangling wanted to say something, but Xue Fangyang stopped her.

'You must wait for things to settle down before doing anything. Attacking

Shang Ningshen now is out of the question!"

"Then let's attack a few days later?" Xue Fangling asked immediately.

Xue Fangyang did not reply and only looked at her indifferently.

Whether or not they would attack depended on when he obtained the artifact. As long as he had it, Shang Ningyi and the others would no longer be his match.

He could do whatever he wanted to them.

"Big Brother, say something. When can we make a move?" Xue Fangling asked again when he remained silent.

"Shut up!" Xue Fangyang stopped her again.

"Don't you find this troublesome enough? Do you want Shang Ningyi to hear that you want to attack his younger brother?"

Chapter 838: Stood Guard Outside as Usual

"That detestable Shang Ningshen! Why can't he even deal with a drunk woman like me? Did he do it on purpose?" she muttered to herself as she walked out.

Xue Fangyang, who was behind her, was shocked.

Drunk people were even more difficult to handle. Who could stop them from going crazy?

Besides, could Shang Ningshen even handle Xue Fangling with his meager abilities? He was impressed that she had the cheek to blame this on Shang Ningshen.

“Guards !”

A guardian walked in and looked at Xue Fangyang respectfully.

“My Lord, what can I do for you?”

“Find out who gave Miss Xue wine last night!” Xue Fangyang instructed coldly.

Xue Fangling could not figure out what had happened last night. But how could he have missed the fact that something had happened last night when it typically would not have? Someone must be behind this to cause friction between him and Shang Ningyi.

He could already tell who it was, but he could not attack that person.

Even if he and Shang Ningyi knew who was behind this, they could not get rid of the knot in their hearts. Xue Fangling and Shang Ningshen’s incident was already on their minds.

“Yes, my Lord. I’ll go now.” The guardian accepted his order and went out to investigate.

Meanwhile, Shang Ningyi had also sent his people to investigate. Unfortunately, they could not find anything.

Shang Ningluo was also afraid they would find out what she had done. She had sent her guardian out early in the morning to erase everything he could find. That way, she would have a better life in the coming days.

At Camp Zhan Yun...

After Fu Ming and An Zhiyi cultivated for a few days and absorbed the medicinal power of the Nine Suns Pill, their Original Soul energy finally broke through.

An Zhiyi awoke from his cultivation and left the tent.

An Jiuyue and Qian Jiyun were playing with the two children in the open space outside. Only Gong Cheng stood guard outside Fu Ming's tent as usual.

His eyes lit up when he saw An Zhiyi. He rushed forward and asked anxiously, "Zhiyi, you're out! How is it? How far have you cultivated? Is the Nine Suns Pill very effective?"

An Zhiyi did not answer his questions, instead asking, "You don't need to cultivate?"

"Why would I cultivate? I didn't eat the Nine Suns Pill," Gong Cheng replied instinctively.

Qian Jiyun and An Jiuyue, who had just arrived after hearing the commotion, were shocked.

Was he saying that he would not cultivate because he had not consumed the Nine Suns Pill? They had never seen such a lazy guy!

"Uncle Gong, are you not going to cultivate if you don't eat the Nine Suns Pill?" Qian Yizheng and his brother ran over. They hugged An Zhiyi's thighs and looked up at Gong Cheng.

Gong Cheng was confused.

When did I say I wasn't cultivating anymore? I've just been in no mood to cultivate since I keep thinking about how Third Brother and Zhiyi ate the Nine Suns Pills.

I'll cultivate diligently after confirming how much their Original Soul energy increased! After all, I'll only have the opportunity to eat the Nine Suns Pill if I reach a higher cultivation level!

“Who said I’m not cultivating? I’ll cultivate after asking them, okay?” he said to Qian Yizheng angrily.

These two children are becoming more and more daring! They only know how to rebuke me every day.. Was I born to be their practice target for their verbal skills?

Chapter 839: Medicinal Effects That Strengthen the Body

Did he not care about his image?

He looked at An Zhiyi and continued asking, “Zhiyi, tell me quickly. How much has your Original Soul energy increased?”

“Not much. I should be an Original Soul Master now,” An Zhiyi replied calmly.

Gong Cheng’s eyes widened.

Was An Zhiyi an Original Soul Master now?

An Zhiyi had only been cultivating for a short time! He was originally an Original Soul Cultivator, but he became an Original Soul Master after eating a Nine Suns Pill?

Needless to say, he was probably not just a junior Original Soul Master either. He was probably at the advanced or intermediate level.

Gong Cheng knew that An Zhiyi was very talented, even more so than Fu Ming. He would never be comparable to him.

“You’re too... Forget it. Let’s not talk about this anymore. I’m going to cultivate.” He waved at them and got ready to leave to cultivate.

He would not be able to catch up to these people even if he worked hard. Hence, if he did not work hard, he would truly fall behind.

“Uncle Gong, you’re not going to wait for Uncle Fu?” Qian Yirong shouted from behind him.

“Not waiting!”

What was there to wait for?

Fu Ming was almost on par with An Zhiyi in terms of talent. He used to be slightly better than An Zhiyi previously, but they were probably about the same now.

There would only be one outcome anyway. He might as well hurry up and cultivate to the point where he could eat the Nine Suns Pill. He might even be able to catch up to these people with the Nine Suns Pill.

After a while, Fu Ming also came out. Just as Gong Cheng had expected, his Original Soul energy had increased in the same way that An Zhiyi’s did.

Everyone watched as he rotated his arm and walked out of the tent.

“Second Sister-in-Law, this Nine Suns Pill is really good. Not only has my Original Soul energy increased, but I also feel a level of comfort that my body has never known. How should I put it? It’s as if all the toxins that accumulated in my body have been removed. I feel so comfortable.” He smiled at An Jiuyue.

The Nine Suns Pill was indeed worthy of its reputation!

“It’s not accumulated toxins, but rather the pressure brought by the Original Soul energy to the body. Your body has adapted to it now,” An Zhiyi explained, casting a glance at him.

Their plane was an ordinary one, where the cultivation of Original Soul energy by the people was already defying the natural order.

Their bodies could not handle the strain of excessive Original Soul energy. Hence, their bodies always felt strained.

After eating the Nine Suns Pill, their various bodily functions were enhanced, and their ability to withstand pressure also improved. Naturally, their tolerance for Original Soul energy also increased.

“The Nine Suns Pill has improved our physique.”

“The Nine Suns Pill does have medicinal effects that strengthen the body. It is indeed valuable,” An Jiuyue added.

Unfortunately, she had limited medicinal plants at her disposal now, especially the Blood-colored Bodhi Fruit. Each use depleted them, and she was reluctant to use them unnecessarily.

Of course, she did not forget that the Blood-colored Bodhi she had planted had already germinated. There would be many more in the future.

However, that was not now. Even though she had planted the Blood-colored Bodhi Fruit in her space, it would still grow slowly. It would probably only bear fruit after three to four years.

She still had to wait to obtain new Blood-colored Bodhi Fruits. “What a pity. If we could consume this often...” Fu Ming said regretfully..

Chapter 840: Seriously Good at Eating!

“That will explode your body!” Qian Jiyun interrupted.

Fu Ming was rendered speechless

He genuinely had no idea that eating too many Nine Suns Pills would cause his body to explode and kill him.

“Since your Original Soul energy has increased, you should focus on hunting inner cores.” Qian Jiyun held An Jiuyue’s hand and left with the two little ones.

Fu Ming, who was left behind, was speechless.

Did he feed me the Nine Suns Pill to increase my cultivation level so that he could send me to hunt inner cores?

Sigh, I think this is my fate. I can’t rely on anyone else for the new camp. I can only work hard.

“Zhiyi, your brother-in-law doesn’t have time to care about us now. Why don’t we go to the protected grounds to play for a few days?”

An Zhiyi rolled his eyes at him and turned to leave.

He had never gone to the protected grounds to play—only to protect and cultivate.

In An Jiuyue’s space...

An Jiuyue stared at Wei Na in disbelief. There was also an inexplicable... evil fire in her eyes.

“It used up everything?”

“Yes, it used up everything. There’s not a single stalk left.” Wei Na nodded. An Jiuyue could not help but twitch her lips. She wanted to curse.

“Does... Does that thing grow by feeding on medicinal plants?”

Qian Jiyun had gathered so many medicinal plants from that small space, but they were all gone in a matter of days. Was there not even one remaining stalk?

Wei Na looked at his master in a daze. He wanted to agree that that thing truly grew by feeding on medicinal plants!

He had never seen a space separator that could eat so much. Of course, he had. However, that little thing was seriously good at eating!

“So what’s happening now?”

Wei Na’s initiative to look for her implied that the space separator needed something once more, right?

“It wants an inner core,” Wei Na said directly.

An Jiuyue opened her mouth and took a deep breath.

It stopped requesting medicinal plants and wanted inner cores again! She remembered that she had many inner cores in her space, which were obtained from selling things in her shop.

“If it wants an inner core, you can just give it to it,” she said unhappily.

“I did,” Wei Na said in a deep voice.

Then as if afraid he had not made himself clear enough, he added, “It’s not enough.”

“F*ck!” An Jiuyue almost vomited blood.

Wei Na implied that he had already given it all the inner cores she had earned in her space, right?

“There’s not a single one left?” she asked, gritting her teeth.

“I think.. so.” Wei Na nodded.

An Jiuyue lowered her head and cursed internally.

He’s given it all the inner cores I’ve earned in the past few days, and it’s still not enough? That little thing is now growing by feeding on inner cores instead, right?

“Alright, tell it to wait. I’ll get the inner cores.”

What else can I do? I’ll have to find the inner cores! Since that little thing belongs to Qian Jiyun, I should make his pockets bleed, right?

“Master,” Wei Na called out to An Jiuyue when he saw that she was about to leave the space.

He nearly frightened her.

“Is there anything else?”

She was really afraid that Wei Na would say that the little thing wanted something other than the inner cores. What if she could not fulfill its requests?

“What else did it say it wanted?” she asked.

“No, it’s not that.”

Wei Na finally shook his head..
