### Chapter 891: The Intention to Compete

“Oh, oh, I understand,” the guardian replied.

After they left, Qian Jiyun and the other three walked out. Shang Ningyi and his subordinate followed them, so they could not talk much.

“Second Brother, let’s send people to look for him too. I wonder where Lord Bai Ze went. So many people can’t find him.”

Since Shang Ningyi already knew about his relationship with Qian Jiyun, Fu Ming did not hide it anymore. He addressed Qian Jiyun as “Second Brother” in front of Shang Ningyi.

“Do you think he’s already left Huayan Peak?” he asked.

The lords walking nearby stopped in their tracks and looked at him.

Exactly. How did they not think of that? If Lord Bai Ze were to leave Huayan Peak, only individuals from their plane would have the chance to capture him.

“I don’t know.” Qian Jiyun shook his head.

Only he knew, deep down in his heart, whether he truly knew or not.

“I doubt so. Lord Bai Ze is seriously injured. He can’t leave Huayan Peak,” Yan Nuo said honestly.

Everyone here had to have some capabilities. They could forget about coming to Huayan Peak because the Five Elements Array Formation was no joke. People could die inside if they were not careful.

Many of them had seen Lord Bai Ze's injuries for themselves.

How could he leave Huayan Peak?

"Unless he has someone helping him leave Huayan Peak," he said.

However, as far as he knew, all of Lord Bai Ze's trusted aides had died in the demonic beast attack yesterday. How could anyone bring him out of Huayan Peak and back to their plane?

Hence, he should still be at Huayan Peak, but he did not know where he was hiding.

"No way!"

"What a pity," Fu Ming added in his heart.

If Lord Bai Ze returned to his plane, there would be one less conflict on Huayan Peak. Let a war break out in Lord Bai Ze's plane instead.

"Yan Nuo, you said that Lord Bai Ze is seriously injured? Then isn't the most important thing for him now to find a place to hide and recover from his injuries?"

In other words, it was impossible to find Lord Bai Ze soon.

Huayan Peak was enormous. Who knew where Lord Bai Ze was hiding?

Upon hearing Fu Ming's words, the expressions of the other lords turned sour. Even Shang Ningyi took a deep breath. It was obvious that he also had the intention to compete for the secret art.

“My Lord, we still have to send people to look for—”

“Shut up!”

Shang Ningyi’s guardian wanted to ask something.

How were they supposed to find Lord Bai Ze if he hid? It would be like searching for a needle in a haystack.

However, before he could finish speaking, Shang Ningyi’s dark gaze landed on him. He had no choice but to swallow his words. Shang Ningyi took a deep breath and sneered.

Could he not look for him?

Of course not! He had to find Lord Bai Ze. Even if he was not the first to find him, he had to.

At the very least, he would be able to say something or take a look at the so-called secret art after others found Lord Bai Ze. It would not be a complete loss.

However, if he did not even look for him, there would be no hope..

Chapter 892: Just Being Talkative

Who would not want a secret art, even if it were cruel? Would any of the lords present not want it?

“Let’s go.”

He continued walking. He did not want to stay in the same place as Qian Jiyun and Fu Ming anymore.

Their conversation was clearly intended to divert attention away from the search for Lord Bai Ze. The only explanation was that they wanted to monopolize the secret art.

Did they think he could not tell?

“Yes, my Lord,” the guardian replied and followed him.

“Lord Shang really looks like he’s determined to get it.” The lords smiled when they saw Shang Ningyi leave in a hurry with his subordinate. They could tell he was going to send someone to look for Lord Bai Ze.

Although they also wanted to find Lord Bai Ze and obtain the secret art, they were far from reaching a point where obtaining it was an absolute necessity.

After all, with so many people searching, anyone could find Lord Bai Ze. They might not be the ones to find him. The chances were slim.

“He’s always been eager to excel. Everyone knows that.”

“He’s making it sound like he’s the only one who can find Lord Bai Ze. Look at his face. It’s not like we owe him anything.”

The lords could not stand the way Shang Ningyi looked at them. He was not a high and mighty man. What was he doing? They were from different planes, but they were definitely more capable than Shang Ningyi.

Even if they were not much stronger, they were more or less evenly matched. Why was he looking at them with contempt?

“Why are you stooping to his level?”

“Exactly. Isn’t he always like this? Who made him have a face that attracts women from higher planes? Xue Fangyang is not to be trifled with.”

Almost everyone knew what had happened between Shang Ningyi and Xue Fangling. They looked at him mockingly.

After all, which man would want his woman to be extremely ugly?

But Shang Ningyi could not get rid of Xue Fangling. She was said to be as capable as her brother. Shang Ningyi’s Original Soul energy was incomparable. “Forget it, forget it. Let’s not talk about it anymore. Let’s go back quickly.” “These people are really talkative,” Fu Ming muttered to himself when he saw everyone leave.

“What did you say?” Qian Jiyun glanced at him.

Of course, he had heard Fu Ming clearly. The lords had not gone far yet, but this guy dared to say that. Was he unafraid that they would hear him?

“No, nothing. I didn’t say anything.” Fu Ming shook his head immediately.

“Don’t you know what to say and what not to say, Fu Ming?” Qian Jiyun warned him coldly.

He had better not break any taboos. It was fine if he was strong, but Fu Ming had only recently arrived at Huayan Peak. He could face punishment if he broke any taboos.

“I understand. I understand.” Fu Ming nodded quickly.

Even if he did not want to understand, he could not. Qian Jiyun had glared at him, and he knew he was in the wrong.

“I’m just being talkative. Second Brother, don’t lower yourself to my level.” “If you know you’re talkative, shut up,” An Zhiyi snapped.

He knew he was talkative but did not exercise restraint. Why did he have to spout nonsense? Wouldn't it be better to pretend to be mute?

"Shut up!"

Fu Ming glared at him. An Zhiyi was adding insult to injury.. Besides, he never offended his younger brother, did he?

Chapter 893: Have a Deep Impression of Me

"Can't you say less?"

"It'd be great if you could say less," An Zhiyi said.

He had always been a man of few words. How could Fu Ming not know? He only spoke a little more with his sister. He did not even speak when he saw Qian Jiyun.

"You..." Fu Ming was furious.

"Alright, alright. Let's leave quickly. We can't even finish our own tasks. And now there's Lord Bai Ze. It's endless trouble."

With that, he walked forward. If not for the fact that he had no choice but to care about Lord Bai Ze, he would not have bothered. How lucky would he have to be to find him when so many people from different camps were looking for him?

He was just here to make up the numbers.

Inside the Medicine Spirit...

An Jiuyue refined another batch of medicinal pills before leaving the space to meet Shang Ningluo.

“Who tied you up? Why is he so skilled?”

Shang Ningluo was lying on the ground, tied up like a dumpling. With hemp ropes all around her body, she really looked like a dumpling. An Jiuyue thought she would probably suffocate if she was tied up like this.

In particular, Shang Ningluo’s mouth was gagged.

“And you’re gagged? Aren’t they afraid you’ll suffocate and die?”

“We didn’t gag her at first, but she was too noisy,” Shui Xian said to An Jiuyue as she followed her, glancing at Shang Ningluo.

They really did not gag her initially. However, this woman deserved a beating. If they did not gag her with a cloth, she would make such a racket that no one in the camp would have any peace.

It was difficult for the guardians to return and rest before heading back to the protected grounds to kill demonic beasts. How could they tolerate Shang Ningluo’s incessant screaming and shouting?

Hence, she found a rag and gagged her.

An Jiuyue chuckled and walked up to Shang Ningluo. She crouched down and reached out to pull the rag out of her mouth.

“An Jiuyue!”

She heard Shang Ningluo shout her name as soon as she was able to speak. “Tsk tsk, it seems like you have a deep impression of me, Miss Shang.”

An Jiuyue chuckled again. She looked at the woman in front of her. Even though she was already in this situation, she still did not know how to lower her voice. It would be good if she could at least act quiet.

Why was she so overbearing? It was as if An Jiuyue had bullied her.

But Shang Ningluo was clearly the one who wanted to kill her!

“Miss Shang, I just refined a batch of medicinal pills. Why don’t you help me test the medicinal properties? How about that?”

She took out a pill from her pocket and handed it to Shang Ningluo.

“You...’

Shang Ningluo trembled instinctively before she could see what medicinal pill it was.

She also knew that An Jiuyue was not going to stuff anything good into her mouth. Poison. It was definitely poison!

“How dare you, An Jiuyue! My brother won’t let you off if you dare to poison me!” she threatened An Jiuyue.

“Shang Ningyi?” An Jiuyue looked at her and smiled. “He won’t let me off?”

I’m the one who won’t let Shang Ningyi off! How dare he target me? How dare she say he won’t let me off?

“Miss Shang, aren’t you too confident in your brother? Believe it or not, even if

I were to kill you here and send your corpse back to Camp Ning Se, Shang

Ningyi wouldn't dare to touch me..”

Chapter 894: Refined a Pill Just for You

“You—”

Her words left Shang Ningluo stunned.

Although she wanted to deny it, she knew An Jiuyue was right.

Didn't Shang Ningyi give her to Xue Fangyang to cooperate with him and obtain something from An Jiuyue?

Although she did not know what they wanted, she was certain it was a treasure beyond her imagination. Otherwise, why would Shang Ningyi bear to part with her?

Shang Ningyi's love for her in the past was real.

“What do you have that Shang Ningyi would give so much to obtain?!” She could not help but be curious. What did An Jiuyue have?

No matter how she looked at An Jiuyue, she was just an ordinary woman. She could not even compare to a finger of hers.

An Jiuyue paused for a moment before saying, “Maybe... I'm prettier than you.” Shang Ningluo was speechless.

Prettier?! She and Shang Ningyi were biological siblings. No matter how muddle-headed Shang Ningyi was, he would not give up his biological sister for a woman.

“An Jiuyue, tell me, what do you have? What do you have?!” “How would I know?”

Of course, An Jiuyue did not answer Shang Ningluo’s question.

Was she supposed to tell her that Shang Ningyi thought she was the successor of the inter-plane travelers? After all, she was not. It was only Shang Ningyi and Xue Fangyang’s conjectures.

“I don’t know what I have that can make Shang Ningyi notice me, but I have something that can make you notice me. Do you want to know?”

“What is it?” Shang Ningluo asked instinctively.

She had noticed An Jiuyue because of Qian Jiyun. She really wanted to know how she was inferior to An Jiuyue to make Qian Jiyun look down on her.

If she knew, she would definitely change it until Qian Jiyun was satisfied!

“This is it! Didn’t I tell you before? I refined a pill just for you.” An Jiuyue turned to look at her hand.

The pill sat between her index finger and thumb, allowing Shang Ningluo to see it clearly.

“This is...”

Shang Ningluo could not recognize the strange pill, even though it was already in front of her. She was not capable of that.

After all, she was only an intermediate medicine refiner. How could she possibly know anything about rare, advanced medicinal pills? Moreover, the Mother-Child Reincarnation Pill was at the top of the list of rare, advanced medicinal pills.

“Mistress, is this the Mother-Child Reincarnation Pill?”

Shang Ningluo did not recognize the pill, but Shui Xian did. “You know about the Mother-Child Reincarnation Pill?”

An Jiuyue turned around in surprise and looked at Shui Xian.

“I’ve never seen the Mother-Child Reincarnation Pill, but I’ve read about it in books,” Shui Xian replied with a hint of embarrassment, blushing under An Jiuyue’s gaze.

She had never seen the prescription for the Mother-Child Reincarnation Pill. She had only read about it in books. She guessed instinctively when she saw the pill in An Jiuyue’s hand and did not expect to be correct.

“Mistress, is this really a Mother-Child Reincarnation Pill? This is an advanced medicinal pill. You...”

“Advanced medicinal pill!” Shang Ningluo screamed.

The hatred in her eyes intensified as she stared at An Jiuyue..

Chapter 895: Her Life Would Be Over

She had been wondering why Shang Ningyi had turned his attention to An Jiuyue. Meanwhile, Qian Jiyun held onto An Jiuyue tightly and even appeared affectionate.

So An Jiuyue was a genius at refining medicine?

She had only been at Huayan Peak for a few days. Or rather, Qian Jiyun had only found her for a few months. How could she refine advanced medicinal pills?

Those who could refine advanced medicinal pills were advanced medicine refiners.

She had been at Huayan Peak for so many years, but she had yet to reach the advanced level. However, An Jiuyue could already refine advanced pills.

What could be more shocking than this?

“An Jiuyue, you can refine advanced medicinal pills? You’re spouting nonsense.

You must have bought these pills somewhere, right?”

She refused to believe that An Jiuyue had refined this pill. She must have bought it outside. An Jiuyue must have spent a lot of money to coax Qian Jiyun.

She refused to believe it. She would never believe it.

Although Shang Ningluo did not believe it, Shui Xian did.

Ever since An Jiuyue arrived at Camp Zhan Yun, their lord had frequently been able to produce some medicinal pills, mostly intermediate ones, though there were also some advanced ones among them.

She previously thought he had asked for them from a friend. But it seemed like that was not the case at all. The Mistress had refined these medicinal pills herself.

Shui Xian was secretly speechless. An Jiuyue had only been at Huayan Peak for a month or so, but she could already refine advanced medicinal pills. As expected, people should avoid making comparisons—it would only drive them crazy!

“Mistress, isn’t this Mother-Child Reincarnation Pill used to save people? Are you going to give it to her?”

She snapped out of her daze and pointed a finger at Shang Ningluo, looking as if she were wasting a god’s gift. It would be a waste to use such a good pill on Shang Ningluo, right?

“That’s right. I plan to give her half a pill. As for the other half...”

An Jiuyue was still wondering if she should put the other half in Shang Ningshen’s mouth.

“Shang Ningluo, I heard Xue Fangyang wants to send you to Camp Zhan Yun, right?”

She had heard about this from Shang Ningluo, so it must be true. Xue

Fangyang was really vicious. He wanted to send a woman he had used to sow discord between her and Qian Jiyun.

She wanted to laugh.

Resting her chin on one hand, she asked calmly, “Do you think Xue Fangyang will still send you to Camp Zhan Yun if I give him the other half of the Mother-Child Reincarnation Pill? Hmm?”

Shang Ningluo’s pupils constricted.

If An Jiuyue really did that, her life would be over.

“No, you won’t do that. You won’t. Xue Fangyang won’t let you off if you do that. Absolutely not!” She shook her head repeatedly and looked at An Jiuyue.

Xue Fangyang would be returning to his plane soon. He would not let An Jiuyue off if she tied Shang Ningluo to him.

“Xue Fangyang will kill you! He’s almost at the Original Soul King level. Qian

Jiyun can’t defeat him at all. You’re doing this because you want Qian Jiyun to

die. You vicious woman, don’t you even care about your husband?

“I knew you weren’t sincere with Qian Jiyun. You’re a vicious woman.. You—I’

Chapter 896: Wanted to Confuse You

“Shut up!”

With a stern shout, the tent curtain was flung open forcefully. Following that, a man she was all too familiar with walked in.

“Brother Jiyun...”

Shang Ningluo looked at Qian Jiyun blankly. Even though his face was icy, she did not care.

“Why are you back so soon? Is Camp Bai Ze’s matter resolved?”

An Jiuyue did not expect Qian Jiyun to return so quickly and stood up immediately.

“Are you alright? Are you injured?”

Qian Jiyun strode up to her and looked her up and down.

Only the heavens knew how terrified he was when he heard that b\*tch, Shang Ningluo, had barged into Camp Zhan Yun to attack An Jiuyue.

He did not listen to what the guardian, who went to report to him, said next and rushed back immediately.

“What could possibly happen to me? She can’t hurt me,” An Jiuyue said quickly to reassure him.

“Good, as long as you’re okay. Good.”

Qian Jiyun heaved a sigh of relief and looked at Shang Ningluo.

“Brother Jiyun—”

“Shang Ningluo, do you have a death wish?”

Shang Ningluo wanted to speak, but Qian Jiyun interrupted her. He looked at her as if she were a corpse.

Shang Ningluo must be tired of living for daring to attack An Jiuyue.

He did not want to attack Shang Ningluo in the past because he did not want to cause a real conflict between Camp Zhan Yun and Camp Ning Se. He also did not want to give Shang Ningyi a chance to stir up trouble.

But this woman dared to attack An Jiuyue now!

“Brother Jiyun, no, I didn’t...” Shang Ningluo shook her head, wanting to say that she had never thought of taking An Jiuyue’s life.

However, it was true that she attacked An Jiuyue and wanted her dead. No one could say that she did not have such thoughts. Even she could not say it.

“Brother Jiyun, can’t you tell? This woman doesn’t like you at all. She only likes your power. She’s not worthy of your love. She doesn’t...”

She wanted to say that An Jiuyue was nothing, but she hesitated when she recalled the advanced medicinal pill An Jiuyue had produced.

Could An Jiuyue have really refined that pill herself?

She shook her head and told herself that it was not true. An Jiuyue must have taken out the pill on purpose to leave a good impression on Qian Jiyun.

This was merely the stupidest idea An Jiuyue came up with because she did not want to be replaced by another woman.

“Brother Jiyun, you don’t know how vicious this woman is. Her intentions are far from pure. She even bought an advanced medicinal pill from outside just now and wanted to confuse you.”

An Jiuyue, who allegedly wanted to confuse Qian Jiyun, was speechless.

She did not remember saying that to Shang Ningluo.

Did the few words she exchanged with Shang Ningluo cause her to have such a ridiculous dream?

Shui Xian looked at Shang Ningluo speechlessly. As a medicine refiner, even if she had never seen the Mother-Child Reincarnation Pill, she should have heard of it, right? How many people could refine such a precious pill at Huayan Peak?

No, there should not be any at all because Huayan Peak did not seem to have a

medicine refiner capable of refining the Mother-Child Reincarnation Pill. After all, not every advanced medicine refiner could refine the Mother-Child

Reincarnation Pill..

Chapter 897: Let the Siblings Live and Die Together

She looked at Shang Ningluo and explained, "Miss Shang, there's no need for our Mistress to put on an act in front of you. She refined this pill."

"I don't believe you!" Shang Ningluo shouted instinctively.

She even felt that An Jiuyue would not be able to refine advanced medicinal pills as long as she did not believe she could.

"Brother Jiyun, don't believe An Jiuyue. She's a liar. She's coaxing you into doing everything for her. She did it on purpose!"

Qian Jiyun was confused.

Could he admit that he did not understand Shang Ningluo at all?

He looked at An Jiuyue and asked, "What Mother-Child Reincarnation Pill?" "Here, this is it." An Jiuyue handed the pill to Qian Jiyun.

"The Mother-Child Reincarnation Pill is divided into two parts. Its main purpose is to save someone on the brink of death by using another person's lifespan, allowing two people to share the same lifespan and fate," she explained.

“You want to give it to her?”

Qian Jiyun immediately understood what An Jiuyue meant.

He glanced at Shang Ningluo and frowned unconsciously. Although it was a pity, Shang Ningluo had indeed offended him. How dare she attack An Jiuyue!

He looked at An Jiuyue again and asked, “What about the other half? Who are you giving it to?”

An Jiuyue pouted.

“Before refining the Mother-Child Reincarnation Pill, I’ve thought about sending the other half of the pill to Shang Ningshen to let the siblings live and die together.”

She looked at Shang Ningluo and spoke hesitantly.

“An Jiuyue!”

Shang Ningluo was truly frightened. While An Jiuyue might have been speaking casually, it would be a different story if Qian Jiyun heard what she said.

Given Qian Jiyun’s personality, he would likely... No, no, Qian Jiyun would definitely see it through.

“No, you can’t. Brother Jiyun, you can’t...”

“Tsk tsk.”

When Shang Ningluo addressed Qian Jiyun as “Brother,” An Jiuyue frowned and clicked her tongue.

“Shang Ningluo, you really haven’t learned your lesson. How dare you call Qian Jiyun that in front of me? I really want to ask you. Did Qian Jiyun even acknowledge you when you called him ‘Brother’?”

Qian Jiyun clearly treated her as if she were invisible. How could she be so good at flattering herself?

“Brother”? It would be fine if she just wanted to be Qian Jiyun’s younger sister. Unfortunately, Shang Ningluo only wanted to be Qian Jiyun’s lover.

“You...”

Shang Ningluo looked away from Qian Jiyun and at An Jiuyue.

Her pitiful expression gave way to a sinister stare, and she was filled with hostility. She looked like she wanted to skin An Jiuyue alive.

“Is my Mother-Child Reincarnation Pill not influential enough for you? Or is Qian Jiyun so attractive to you that you don’t even care about your life and your brother’s?” An Jiuyue continued when she saw that she could not speak.

“You...’

Shang Ningluo opened her mouth but could not say a word.

Of course, she was afraid of the Mother-Child Reincarnation Pill. An Jiuyue

even said she wanted to give the other half to Shang Ningshen.

She could not, under any circumstances, bear to hurt Shang Ningshen! He was her biological younger brother..

Chapter 898: It’s You!

She would never willingly sacrifice her family for her own gain, unlike Shang Ningyi.

“You won’t. Don’t think I don’t know that you won’t dare to do it. Shang Ningyi won’t let you off if you dare to hurt Ningshen!”

She could only bet that Qian Jiyun would not sacrifice the entire Camp Zhan Yun for An Jiuyue. If Shang Ningyi found out that An Jiuyue had attacked Shang Ningshen, he would definitely not let her off! “Why don’t we... give it a try?”

An Jiuyue looked at her and raised her eyebrows.

She would only know if she dared or not and whether Shang Ningyi would let her off if she tried.

“Why are you wasting your breath on her?”

Qian Jiyun took the Mother-Child Reincarnation Pill from An Jiuyue and split it into two. He picked up one half and handed it to Shui Xian.

“Feed it to her.”

“Yes, Master.” Shui Xian accepted his order and immediately took the pill.

She approached Shang Ningluo and crouched down. She pinched her chin with one hand and stuffed the pill into her mouth with the other, forcing her to eat it.

Shang Ningluo did not even have the chance to shake her head and object. She downed half the pill.

“You... You’re not human!”

She wanted to die. She never expected Qian Jiyun to be so ruthless toward her.

She thought Qian Jiyun should have some feelings for her, considering her years of admiration for him. How could he not hesitate and stuff poison into her mouth?

That was poison! A poison that could not be spat out after consumption. "Qian Jiyun, I must be blind to fall in love with you!"

She regretted it. She really regretted it. Why did she like Qian Jiyun, this cold-blooded and heartless man? If she had not fallen in love with Qian Jiyun, Xue Fangyang would not have targeted her, right?

And An Jiuyue was the culprit.

If An Jiuyue had not followed Qian Jiyun to Huayan Peak, none of this would have happened. Xue Fangyang would not have been able to plot against anyone.

An Jiuyue looked at her and asked, "Are you regretting it?"

Unfortunately, regrets were useless now.

"Shang Ningluo, I've always had a question. Can you answer it for me?"

Shang Ningluo glared at her hatefully, wishing she could kill her with her gaze. Why would she answer her question?

"Let me ask you something. How did Ming Fucheng know that I came to Huayan Peak with Qian Jiyun? Did a spy from Camp Yue Ming really spread the news?" An Jiuyue looked at her and asked calmly.

Shang Ningluo's pupils constricted subconsciously. She did not dare to look at An Jiuyue guiltily.

“It’s you!”

Qian Jiyun understood everything. He took a step forward and glared at Shang

Ningluo.

“No, it’s not me!”

Shang Ningluo denied it immediately.

Qian Jiyun would definitely kill her if she admitted it. He would not let her leave even if she ate the Mother-Child Reincarnation Pill.

“Someone from your camp spread the news. It has nothing to do with me.”

“Someone from Camp Zhan Yun did spread the news, but to whom? Ming

Fucheng? Or were there two different people? Ming Fucheng and... you?” An

Jiuyue asked again..

Chapter 899: Would You Like to Eat It?

Shang Ningluo opened her mouth but did not know what to say.

An Jiuyue was right. She had received the news that Qian Jiyun had brought a woman with him. Ming Fucheng had heard about this so quickly because she had sent someone to spread the word.

But so what?

“Even without me, Ming Fucheng will find out about your existence sooner or later. If you want to blame someone, blame Qian Jiyun for being detestable everywhere he goes. It has nothing to do with me.”

She sneered and said to An Jiuyue when she realized she could not deny it.

“Haha.” An Jiuyue chuckled.

She still wanted to sow discord between them at a time like this?

“Forget it, Jiyun. Let her go.”

“Let her go?”

Qian Jiyun was not the only one who looked at An Jiuyue with surprise. Even Shui Xian and the others did.

Was she letting her go just like that?

How could she? This woman had done too much! If they let her go, she might do something harmful to her again in the future.

“Jiuyue, she...’

“I know she deserves to die, but I don’t want her to die so easily.” An Jiuyue smiled at Shang Ningluo.

She reached out and took the other half of the Mother-Child Reincarnation Pill from Qian Jiyun. She walked up to Shang Ningluo and placed the other half of the pill on the ground in front of her.

“Here is the other half of the Mother-Child Reincarnation Pill. I’ll give you the right to choose. You can give this pill to anyone.”

Shang Ningluo’s eyes lit up. Would she be fine if she ate the other half of the pill?

“What are you thinking about? Hmm?” An Jiuyue knew what she was thinking and chuckled.

“Would you like to eat it? That’s fine too. However, I have to remind you that while eating half a Mother-Child Reincarnation Pill has beneficial effects, eating the entire pill will cause you to age rapidly in 10 days.

“Tsk, tsk. Do you want to age visibly? Your splendid youth will fade away, and your hair will turn snowy white in a blink of an eye. Sounds exciting, right?”

“An Jiuyue!”

Shang Ningluo glared at her, her eyes almost popping out of their sockets.

How could this woman be so vicious? How could she have thought of such a thing? The right to choose? How was she supposed to decide? Who should she give the other half of the pill to?

An Jiuyue looked at her seriously and continued, “You value your life so much,

Miss Shang, so you probably won’t do that, right?”

“Of course, you can also keep this half of the medicinal pill and not give it to anyone. You’ll experience the same effects. You’ll die in about 10 days.”

“You—I’

Shang Ningluo was furious. An Jiuyue dismissed every solution she considered.

She could not understand why Qian Jiyun liked An Jiuyue when she was such a

vicious woman. Was it because she was an amazing medicine refiner?

“Actually, I’ve also thought of another solution for you, Miss Shang.”

Watching Shang Ningluo become so angry that she looked like her head was about to catch fire, An Jiuyue chuckled again and suggested, “You can also feed the Mother-Child Reincarnation Pill to someone random. After all, everyone can eat it. The Mother-Child Reincarnation Pill doesn’t have any restrictions on who can eat it, right?”

Shang Ningluo’s eyes lit up.

That’s right. An Jiuyue was right. She could simply find a random person and feed them the other half of the pill..

Chapter 900: You Won’t Even Look At Me

But would An Jiuyue be so kind as to remind her?

She gritted her teeth and asked, “What are you trying to say?”

She believed that the woman in front of her would not be so kind. She must be plotting something.

“What am I trying to say?”

An Jiuyue smiled and turned around. She glanced at Qian Jiyun before looking back at Shang Ningluo.

“I just want to remind you that people die every day at Huayan Peak. After all, demonic beasts will not show mercy to humans who want to kill them.

“Therefore, Miss Shang, you have to be careful when deciding who to give this medicinal pill to. Don’t find a short-lived person and lose your life.”

“You— Pfft!”

Shang Ningluo was so angry that she spat out a mouthful of blood.

“An Jiuyue, you’re too vicious!”

If she had not been tied up, she would have killed An Jiuyue. Even if there were people protecting An Jiuyue, she would still take the risk.

“How am I vicious?”

An Jiuyue widened her eyes and looked at her innocently, as if she had been bullied.

“Look, you’re the one who wanted to kill me. What’s wrong with me repaying you? Besides, I didn’t kill you. Although I poisoned you, I gave you the option to choose.”

She glanced at the other half of the Mother-Child Reincarnation Pill in front of Shang Ningluo and looked at her again.

“I gave you this medicinal pill and promised to let you go. What’s wrong with that? Isn’t that enough? You’re not hoping I’d give Jiyun to you, right?”

“Young lady, everyone can dream, but daydreaming isn’t a good idea. Didn’t your parents teach you not to fantasize about other men? That will bring you disaster.”

“You, you...”

Shang Ningluo’s mouth was agape, and her face was red. She could not finish her sentence.

Standing aside, Shui Xian touched her nose, wanting to say that Shang Ningluo’s mother probably never taught her not to snatch other people’s men. After all, Shang Ningluo was a princess, so her mother was the Emperor’s woman.

Of course, she was one of his women and definitely not the empress.

Wouldn’t a woman like her only want to snatch a man from another woman?

There was no place more competitive than the imperial harem. There was only one man there, but many women waited eagerly for him.

“Jiuyue, let’s go back.”

“Qian Jiyun, are you really so heartless that you won’t even look at me?” Shang Ningluo watched helplessly as Qian Jiyun left with An Jiuyue in front of her.
