

Special Soldier 102

Chapter 102: Mid game

With an order, everyone immediately rushed out, like cheetahs running through the jungle!

Leng Feng Yu Fei and others are all elite soldiers!

Everyone's physical fitness and comprehensive skills are nothing to say!

Otherwise, you are not eligible to enter Spike!

The group quickly found a sniper spot.

"Report the captain, the sniper is in place! You can attack at any time!"

"Report! The second sniper position is in place! You can attack at any time!"

Everyone reported their situation.

"OK! Brothers, start attacking as much as you want!"

Leng Feng made a gesture, and a smile appeared at the corner of his mouth.

without hesitation!

Leng Feng directly pulled the trigger.

Gunshots one after another!

But every time a bullet is shot out, almost one soldier falls down!

The efficiency of sniper killing is amazing!

Shao Bing led the first team to get the support of Leng Feng and others, and immediately became more excited. Everyone worked together and quickly eliminated all the people in a camp!

"Haha, success!"

Shao Bing showed an excited smile on his face.

Although Shi Qingsong didn't kill Shi Qingsong, he didn't even see him!

But being able to kill so many Blue Soldiers in one go is a great achievement!

"not good!"

suddenly!

In the communicator beside his ear, Leng Feng's exclaim suddenly came!

Shao Bing could not help but his face changed!

had a bad feeling in my heart!

follow closely!

The empty grass all around!

suddenly stood up hundreds of blue soldiers!

Shattered!

Shao Bing's face suddenly changed!

"In the round????"

Shao Bing is completely confused!

strayed into the trap at the beginning, Shao Bing naturally discovered it!

But fortunately, they used their own strength to break this trap, with the help of Leng Feng!

But now--

He is stunned!

In order to let them die more thoroughly, the Blues did not expect to have a midgame?

The trap in the trap!

actually used the lives of dozens of Blue Army soldiers as bait to lure them into fools!

Da da da!

DaDaDaDaDaDa!

A short hesitation!

Shao Bing shot directly!

He flies, looking for cover!

But at the same time he shot, the Blue Soldier also shot!

Not surprisingly!

Shao Bing and the first unit he led were wiped out!

Everyone was killed.

Shao Bing's face was iron fist, angrily speechless!

no way!

As a captain!

There was a problem with his judgment and command, which made him feel ashamed.

you could say so--

In order to covet this small victory, it is entirely his responsibility to ruin so many brothers' lives!

"Leng Feng, next, it's up to you! Come on, don't let me down!"

In the direction of Leng Feng, Shao Bing shouted at the communicator, and then turned off the communicator. The whole person was upset!

"Don't worry, Captain! I will do my best!"

Leng Feng watched as the people below grabbed Shao Bing and the others, a sharp look flashed in his cold eyes!

Shi Qingsong's troops!

is indeed the elite of the Southeast Military Region!

They face Shi Qingsong with wolf teeth, and they can't get any benefit!

This is simply a shame for special forces!

Losing to Qin Yuan is justified!

After all, the famous Thunder and Lightning Commando were all destroyed by Qin Yuan alone!

But you know, the Blue Army has almost never won in the exercise!

But now--

War Wolf is about to lose!

E and as a special force, lost to an ordinary force!

"Leng Feng, the Blues command is too strong! He doesn't play cards according to the routine! Such traps, such courage, in the past exercises, it is absolutely impossible! Who would have thought that there would be a midgame? Use the lives of dozens of Blue Army soldiers as bait? Just to kill a special squad?"

Yu Fei hates it too!

He angrily looked at the scene below, keeping an eye on the changes in the surroundings!

"On the real battlefield, there may indeed be some brutal and inhumane guys. Use your soldiers as bait!"

Leng Feng snorted, also angrily.

"This kind of tortoise son command! Let Lao Tzu be caught, and surely let him die!"

Banzhu is even more angry, even now I want to cramp Shi Qingsong!

glanced, there was a group of Blue Army soldiers searching in this direction, Leng Feng did not dare to delay any more, and quickly moved with Yu Fei Banzhu!

Looking for the real Shi Qingsong hiding place!

and on the other side——

"Well."

Stretched out comfortably, the sleepy-eyed Qin Yuan finally woke up!

"Sleeping is cool!"

At this moment, Qin Yuan only feels refreshed and unspeakably comfortable!

Solved a few wild wolves and upgraded his skills to the cosmic level, and Qin Yuan returned to the big tree again to replenish his energy.

smiled indifferently, Qin Yuan looked at his watch, it was already past 3 o'clock in the morning, wait another two hours, and it would dawn!

After dawn, the real crisis, I am afraid, will soon come!

"Lao Shi and Leng Feng, I believe they have already fought each other, right? I just don't know, what is the outcome?" Qin Yuan jumped off the tree!

bang!

fell heavily!

Suddenly play sex!

Qin Yuan smiled brilliantly, punched, and blasted at the stout tree in front of him!

At this moment, Qin Yuan's body strength exploded!

There are no other people around anyway!

Check your own strength. What's wrong? ? ?

As expected!

There was a loud explosion!

Like a thunderstorm on a sunny day!

The sturdy tree suddenly seemed to be struck by lightning, and the violent force directly broke the tree and broke it to pieces!

The sawdust was flying around, and many sharp sawdusts were like sharp blades, directly inserted into the ground or other trees, and the scene was in a mess!

"Fuck! This power is too strong!"

This is the first time Qin Yuan has exploded his strength!

after all.

Once his tens of thousands of catties explode!

The human body simply cannot withstand such force!

"Isn't the next time, find someone who is not pleasing to the eye, give him a punch, let him taste?"

Qin Yuan teased him, and then he moved his heart and activated his powerful night vision ability!

In an instant, everything within a radius of 1,000 meters can be seen!

"Huh? There seems to be a fierce battle here?"

Because there is only a mountain away!

The edge range of night vision ability, can "see" the place where Shao Bing and the others were arrested!

just now--

This place is already empty, leaving only bullet shells everywhere and traces of battles.

"Looks like I missed a good show!"

Qin Yuan smiled and looked into the distance: "But this battle should also be over! Shi Qingsong, Leng Feng, wait for the judgment of the gods!"

These people are called the Great God Qin Yuan every day, Qin Yuan's supreme!

Now Qin Yuan, subconsciously, also treats himself as a true god!

Then Qin Yuan swiftly rushed in the jungle, looking for traces of cold fronts or Shi Qingsong!
