

## Special Soldier 106

### Chapter 106: Kill

Everyone knows that the flare can't cause any fatal harm to people. Yu Fei is simply looking for death!

However, this is the mind of Yu Fei, the mind of Yan Guo soldiers!

Even if they are unarmed, they have to show their will to the enemy!

At this moment Leng Feng's eyes were about to split, he just wanted to rush out, but at this time a bullet came from the opposite side, Leng Feng had to lower his head to avoid!

But as soon as he lowered his head, Leng Feng heard a voice!

boom!

The flare exploded directly!

"Yu Fei!"

Leng Feng yelled, and at this time, the old cat heard Leng Feng's voice and just wanted to clean up Leng Feng, but at this time, he heard the voice of his teammates from the headset:

"Boss, Yan Guo's helicopter is here!"

"retreat!"

The old cat looked at Leng Feng, beamed a \*\*\*\*\* to Leng Feng, and left here directly!

"Assassin, the queen! Crazy cow, drive the car!"

Leng Feng glanced at the crooked nut and beat the ground fiercely. He knew that even if he caught up, it would be of no use, but the anger in his heart made Leng Feng almost explode!

But at this moment, Leng Feng just felt a shadow rushing past him!

"Qin Yuan?"

At this time, Leng Feng saw the figure clearly and directly yelled:

"Don't chase! Be careful that the opponent has a sniper!"

really! As soon as Leng Feng's voice fell, a gunshot sounded directly from the opposite forest!

Snapped!

Leng Feng panicked, but he saw that Qin Yuan didn't even start to fight, and he turned sideways and escaped the bullet!

"This....."

Leng Feng's eyes widened with fright at this time. Although he understood that a senior sniper could only fire another shot in two seconds, as long as the time difference was caught, there would be no problem!

But by doing this, you are simply putting your own life on a strand of hair. If you are not careful, you will be completely finished!

Why did Qin Yuan not hesitate at all!

At this moment, Qin Yuan saw a sneer on his face when he looked at the heat in the forest!

He actually attacked while he was going to draw away the blue soldiers, Qin Yuan had to let these people know what the real soldiers of the Yan Kingdom were!

At this time, the sniper assassin looked at Qin Yuan who was moving fast in his scope, but a layer of cold sweat broke out on his head involuntarily. At this time, his headset was filled with the voice of an old cat:

"Assassin, what are you doing? We are going to withdraw!"

"Boss, I let a ghost haunt me!"

"what?"

When the old cat heard this, he frowned. The boy scouts on the opposite side didn't even have a gun that could shoot bullets. Just like that, couldn't the assassin still deal with it?

"Stop playing, come back quickly!"

The assassin heard this and just wanted to reply, but at this moment, he was extremely horrified to find that Qin Yuan was no longer in his sight!

A chill filled the assassin's heart directly, and he felt that he was going to die!

At this moment, a voice suddenly came from behind the assassin:

"Hi, how are you!"

"Xiete! Don't come here!"

Bang!

The assassin hurriedly turned around and shot, the other hand hurriedly went to get the pistol!

But at this time, a blade of light flashed, and a severed hand holding a pistol flew out instantly, and before the assassin had time to scream, there was another blade of light, and a blood line appeared on the assassin's neck!

"Goo~ uh..."

At this time, the assassin covered his throat with a look of disbelief. Looking at the figure in front of him, he couldn't help kneeling on the ground, completely losing his breath!

One face, the assassin died!

Hearing the voice coming from the walkie-talkie, the old cat knew that the assassin was done.

At this time, a voice appeared from the walkie-talkie:

"Old cat, wash your neck and wait for death!"

At this time, Qin Yuan looked at the direction the old cat was running away, and crumpled the headset!

"Fak!"

The old cat yelled. He didn't expect that he would lose a general in just one meeting!

"People of Yan Country, you are just a group of boys who have never seen blood. I will let you know how good my old cat is!"

The old cat said grimly!

But at this time Qin Yuan didn't chase the old cat, but looked back at Yu Fei!

Yu Fei was just shocked to the heart by the powerful kinetic energy of the flare, there should be a rescue!

Qin Yuan moved quickly. He chased up to kill the assassin, and then returned. It only took three minutes, and at this time the guards of the company had just arrived here.

Leng Feng was kneeling on the ground at this time, looking at Yu Fei, who had no heartbeat, and he kept thinking about the care of his newcomer by the deputy captain in his mind!

Then Leng Feng took out the picture of the little girl from Yu Fei's hat and put it in Yu Fei's hands.

"I will avenge you!"

Leng Feng was like a lone wolf bitten at this time, but at this moment, a person appeared directly next to that Leng Feng, squeezing Leng Feng aside:

"What are you doing? Don't hurry to save people!"

Having said this, Qin Yuan immediately began to take off Yu Fei's equipment, but Leng Feng said to Qin Yuan with an ugly face:

"His heart has stopped and his internal organs have been shaken. It will take at least 15 minutes for the medical team to get here. There is no help!"

But after hearing such words, Qin Yuan directly smiled:

"In my hands, there is no one who cannot be cured!"

It's just damage to the internal organs. Eight needles against the sky are a stunt that can be severed and reborn, and can be stumped by this little injury!

Leng Feng's eyes widened when he saw Qin Yuan's confident look.

"You... do you really have a way to cure him?"

"Hurry up, if you delay it for a while, it may not be cured!"

Seeing Qin Yuan's appearance, the people in the surrounding Wolf Squadron were also instantly excited and started, forcibly tore off Yun Fei's equipment, and then looked at Qin Yuan with hope!

"Great God Qin If you can heal our deputy captain, you can let me do anything in the future!"

"Yes! I give you the position of captain of our Wolf Warriors team!"

"I will give you Long Xiaoyun!"

Qin Yuan yelled directly after hearing such words:

"Be quiet, remember not to let others disturb me!"

Qin Yuan directly took out a few silver needles from his pocket, and now he was in a hurry and couldn't control so much. Qin Yuan directly inserted the silver needles into Yu Fei's body!

Eight needles against the sky, apply needles!

Seeing Qin Yuan's actions at this time, the people around him suddenly became excited. Does Qin Yuan really have a way to cure Yu Fei!

After a while, when Qin Yuan pierced the last silver needle, Yu Fei trembled all over, and suddenly opened his eyes!
