

## Special Soldier 18

Chapter 18: Just won?

This time, Gong Jian took a different approach!

I want to test the stamina of three people!

after all.

As an excellent soldier!

In addition to excellent comprehensive skills!

Physical fitness is the foundation of a soldier!

There is no strong physical support!

Everything is in vain!

嗖嗖——

Wang Yanbing He Chenguang, like a sharp blade, swishes out!

The two are worthy of being the strongest recruits in the Sharpshooter Fourth Company!

The two swept everything as recruits!

In just half a year, he was able to stand firm in the four consecutive series of masters, such as clouds, to stand out, the strength is indeed a powerful one!

a standard load of 24 kg!

is carried on the two people, it is like a piece of cake!

The two have a brisk footstep!

From the very beginning, I separated from Qin Yuan!

"It's so light."

The whistle begins!

Qin Yuan did not move forward immediately!

Instead, I walked slowly, and at the same time I felt the load on my body carefully!

A 95 type!

Four magazines!

Four grenade!

Kettle, helmet, etc...

Add up all the loads!

For Qin Yuan...

is as easy as a feather on your back!

For Qin Yuan who has 5600KG and more than 10,000 catties of strength!

Not to mention it's a mere 24 kilograms!

is 240 kilograms!

is nothing!

"Want to win this game...It's not too easy!"

Qin Yuan couldn't help smiling brightly at the two people who were gradually increasing the distance in front of him.

rumbling.

There was a wild engine sound.

Gong Jian and Lao Hei drove to Qin Yuan, both of them looked puzzled, "Qin Yuan, why don't you accelerate? Such a slack game, this is disrespect for the opponent and yourself!"

Lao Hei said with a black face, slightly dissatisfied with Qin Yuan's performance.

Qin Yuan couldn't help but smiled, "Squad leader, this is my active muscles! Don't worry!"

finished!

The violent power in Qin Yuan's body burst out instantly!

Qin Yuan is carrying a load of 24 kilograms!

actually sprinted at a speed of 100 meters!

"I... this kid! Do you want to die?"

Old Hei was dumbfounded and dumbfounded!

I can't even speak up!

This guy.....

is a stunned boy!

is still stunned?

Generally speaking!

1000 meters long run!

It is necessary to strictly control the distribution of physical strength!

I didn't expect Qin Yuan, who was stunned, to carry out this 30X1000 meter cross-country!

actually tried to finish at the speed of 100 meters sprint?

Is this a joke, or what?

"Instructor, hurry up, follow up, I am worried that this stunned young wait will not be able to hold it."

Lao Hei quickly reminded him.

Actually.

Directly conduct a 30-kilometer armed cross-country assessment for several recruits!

This is already a very risky thing!

In case of death...

They act as direct superiors!

But be responsible!

"Okay! I will catch up!"

Gong Jian nodded when he heard it.

Training is training!

but.

Human life is vital!

Although the army will give several death indicators every year!

But that is only for large-scale exercises or some dangerous training!

I usually train if people die!

They really can't eat it!

ear!

The wind howls!

Qin Yuan now...

is like a super sports car with a V12 engine!

Just speed up a little!

The speed can be increased several levels immediately!

There is a huge power of ten thousand catties in his body!

Qin Yuan now!

is much stronger than the so-called V12 engine!

And the overall quality of Qin Yuan is much lighter than a car!

No matter how you calculate!

Qin Yuan just broke out!

can easily surpass the fastest car in the world!

and.

This is just a world-class ant power Qin Yuan!

A short moment!

Qin Yuan caught up with He Chenguang and Wang Yanbing who originally thought they would win this time!

嗖嗖——

Qin Yuan is like a sharp blade!

even one accidentally!

Qin Yuan is too fast!

there was an afterimage!

"Oh my God! Isn't it! The load is so heavy! Can you run so fast?"

"Does the \*\*\*\*\* descend to earth?"

"Horrible!"

"Horrible!"

.....

He Chenguang and Wang Yanbing, these two kings of recruits from the fourth company!

See the terrifying speed shown by Qin Yuan!

At this moment, the mentality burst instantly!

They can no longer calm down!

They broke out desperately!

trying to catch up!

But under the full burst!

They haven't run a few steps yet!

then felt that his legs were filled with lead water!

Very heavy!

Not only that!

The heart beats violently!

The whole person felt uncomfortable even breathing!

"Chenguang, I... did I have hallucinations? Just now, that kid was so fast just now?" Wang Yanbing gasped, only feeling out of breath!

Even speaking, I feel very difficult!

"Yan, Yan Bing...you, you have no hallucinations! Everything that just happened is true! That kid is terribly physically strong! With so much weight, he can even maintain the speed of 100 meters sprint!"

He Chenguang is also embarrassed and shocked!

"This time... we lost! We lost to such a good strong man! We are not wronged!"

He Chenguang shook his head very sorrowfully!

In the beginning...

They thought they could win easily!

did not expect!

The two of them came to the game arrogantly!

Then they discovered that they and Qin Yuan are not at the same level!

One place, one day!

is not comparable at all!

However, this moment...

It's not just the two of them!

Even Gong Jian and Lao Hei were completely shocked!

They thought that Qin Yuan would not be able to run a few steps!

did not expect.....

Qin Yuan was able to sprint for 3 minutes at such a terrifying speed!

Then, 6 minutes!

9 minutes!

12 minutes!

15 minutes.....

until the 56th minute!

Qin Yuan easily reached the end with a standard load!

this moment.

Gong Jian and Lao Hei looked at each other, the eyes that looked at Qin Yuan, as if looking at a god!

"Old Hei, have you seen such a terrifying soldier from birth to now?" Gong Jian's eyes widened, and he couldn't help swallowing his saliva. His voice... trembled uncontrollably!

"Not only I haven't seen it since I was born until now! I haven't even heard of it! The 30-kilometer armed cross-country was actually finished by him with a performance close to the world record??"

Lao Hei was also completely shocked!

"Is he a god?"

The old black looked at Qin Yuan who wiped his sweat, his face was incredible!

"Qin Yuan, congratulations, this competition...you won!"

Gong Jian was the first to react, smiling heartily and congratulations!

Lao Hei also quickly agreed with a smile!

no way!

Qin Yuan, this soldier!

The physical fitness is so strong that they can't imagine it!

The future of Qin Yuan!

is definitely limitless!

"Just won like that?"

Qin Yuan smiled indifferently, as for the result of this competition, there was no slightest surprise!
