

## Special Soldier 20

Chapter 20: Double the power!

Qin Yuan couldn't help smiling when he heard the words, and said, "Instructor, don't be kidding me. Strictly speaking, I can only count as a recruit."

Qin Yuan gave Gong Jian a wink.

Gong Jian immediately understood.

then smiled, and said no more.

So this Qin Yuan... likes to be low-key!

"Recruit? That's right! I'll just say, how can I put the soldier king in our cooking class?" Old Li said with a smile.

Qin Yuan also smiled and didn't say much.

immediately.

Gong Jian and Li Han made a few polite words before leaving.

Li Han smiled and looked at Qin Yuan, "Qin Yuan, from today, the cooking class is your home! We will be a family from now on! The cooking class welcomes you!"

"Ding Dong~ Congratulations to the host for completing the task and unlocking a new grid!"

The crisp system prompt sounded suddenly!

Qin Yuan couldn't help but smile brightly!

Another new grid, just got it?

"Comrade handsome Hu!"

After a brief introduction!

Li Han gave an order, and the commander Hu called over!

"What's the matter, monitor?"

Shuai Hu's white flour, he is making noodles, preparing to steam buns, he looks at Li Han with a look of doubt!

"Handsome Hu, today we have a new comrade from our cooking class!"

Li Han smiled, looked at Qin Yuan, and introduced: "This comrade recruit is a new comrade who has come to our cooking class. This morning, I will give you a big holiday to help comrade recruits clean up and salute, and become familiar with our cooking. Class environment."

"But the squad leader, my face hasn't been reconciled yet!" When Shuai Hu heard it, he touched his head, a little bit he couldn't turn around!

"Stupid! Your job will be replaced by someone else! Okay, don't waste time, take Qin Yuan to the dormitory to get familiar with it?" Li Han urged with a smile.

"Yes! Squad leader!" Shuai Hu suddenly respectfully salute!

immediately.

Shuaihu smiled and came to Qin Yuan, "Hello Qin Yuan, my name is Shuaihu, hehe, you can call me Shuaihu in the future, come, I will help you carry your luggage."

Shuai Hu greeted warmly.

Then he came to know himself and took the initiative to help Qin Yuan with his luggage.

Qin Yuan couldn't help but smile, this handsome Hu is quite enthusiastic.

"That's good! Squad leader, I will go to the dormitory to get familiar with it!"

Qin Yuan smiled and rushed to the dormitory with Shuai Hu!

I haven't been idle all morning!

and...

also ran a 30-kilometer cross-country!

Today's Qin Yuan really feels slightly fatigued mentally!

"By the way! Recycling Red Bull can get physical energy fluid! Physical energy fluid can not only replenish essential nutrients for the human body, but also improve the spirit! If you feel mental fatigue next time, why not choose a bottle of physical fluid?"

Qin Yuan suddenly had an idea, and he thought about it.

all the way.

Shuai Hu is enthusiastically introducing everything about the troops to Qin Yuan!

Including Shuai Hu's feelings about the army six months after he joined the army.

through simple chat contact.

Qin Yuan discovered that Shuai Hu is a very pragmatic and reliable guy!

It would be great if you could have a friend like Shuai Hu!

"Brother Qin Yuan, the upper bunk will be your bed in the future. I will sleep under you. If you have any questions, you can ask me!" After getting familiar with it, Shuai Hu's name for Qin Yuan also became Qin. Brother Yuan!

This makes Qin Yuan feel very kind.

From small to large.

are all alone!

The word brother...

Actually.

Qin Yuan is very sensitive!

"Haha, okay! Then if you have any problems after that, I will trouble handsome Hu brother."

Qin Yuan also smiled.

However——

at this time.

suddenly!

An emergency horn suddenly sounded outside!

Qin Yuan couldn't help but change his face, what's the situation?

This voice...

Why are you so familiar?

"It's not good! Something has happened! This...this is first level combat readiness!"

After a short hesitation, Shuaihu's expression changed!

He screamed suddenly!

no way!

This is the first level of combat readiness!

"It's not good, Brother Qin Yuan, we are going to fight!"

Shuai Hu looks panicked!

After a short thought!

Shuai Hu ran away directly!

"The first level of combat readiness? Isn't it? I just came to the cooking class and encountered that exercise?"

Qin Yuan is very familiar with the world where I am a special force!

He thought...

That large-scale exercise will take some time to start!

did not expect.....

I just arrived at the cooking class!

Next second.

encountered that large-scale military exercise?

"Wori... a thousand counts! I still haven't escaped Fan Tianlei's calculations! I also said how this old guy has such a good heart, why did I go to Iron Fist for a month? It turns out that all this... In the plan!"

"This exercise will end in two weeks at most!"

"If I perform well in the exercise! He will have an excuse to bring me into the Spikes Brigade justifiably!"

"What a terrible mind..."

Qin Yuan suddenly thought of pit god!

In an instant, I realized the horror of Fan Tianlei!

This old guy!

The mind is terrible!

"dingdong~"

at this time.

crisp system prompt.

also rang in time!

"Ding Dong~ Now release the system task: kill the enemy "No. 1" in a large-scale military exercise! Lead the Red Army to victory! Unlock 3 system grids!"

"Huh? System tasks? Three system grids? Isn't this reward too generous?"

Qin Yuan raised his eyebrows and couldn't help but lift his eyebrows!

This mission...

The difficulty is not too big!

It's too big!

The main thing!

is to reward 3 system grids!

This makes Qin Yuan very excited!

The sky and the earth are big, and the grid is the largest!

With a grid, there is everything!

"This large-scale military exercise is all mobilized! It will take at least one or two weeks before the end of the battle! I will join the battlefield later, it is not too late!"

glanced at the system space.

Today's Qin Yuan's grid has two free grids!

there are four choices!

"A total of 5 chances for the ants to choose, now only one chance is used up, there are still four times!"

"It's better to raise the power of ants to the limit first!"

Today's Qin Yuan already has a strength of 5600KG!

However...

This is just the power of world-class ants!

Behind , there are four more levels!

Manually clicked the system grid that stores 5 ants!

"Ding Dong~ Please choose!"

The crisp system prompt sounded, and three familiar options suddenly appeared in front of Qin Yuan!

"1, get the power of perfect ant!"

"2, get a world-class ant power pill!"

"3, get world-class formic acid!"

"Sure enough, it has changed! The power of ants has become perfect!"

Qin Yuan glanced at the options!

suddenly his eyes lit up!

As he imagined, the level of ant power has become a perfect level!

"I choose 1!"

without hesitation!

Qin Yuan made the choice directly!

"Ding Dong~ Congratulations to the host for your successful choice! Get the power of perfect ant!"

"The power of the perfect ant: It can be said that the host provides 160 times its own body weight! The host provides 70KG, congratulations to the host for gaining 11200KG of power!"

"Damn! It really doubled! The power of 5600KG became 11200KG!"

Qin Yuan couldn't help but surprise!
