## Chapter 2431 I, Long Xiaotian, will not kill nameless people!

...

The next day, the bustling city was bustling with traffic and people coming and going.

A nightclub called "Heaven and Earth" is one of the city's top gold-selling dens, with feasting and entertainment.

A black Rolls-Royce Phantom slowly parked at the door of the nightclub, and was immediately greeted warmly by a scantily clad receptionist.

The car door opened, and a tall man in a suit and leather shoes walked out, it was Qin Yuan.

"Hello, sir, how many of you are there?" the welcoming lady asked delicately, with undisguised charm in her eyes.

Qin Yuan ignored her and walked straight into the nightclub.

"Hey, sir..." The receptionist wanted to say something more, but was stopped by a security guard next to her.

"Don't cause trouble, that's a distinguished guest from the Longteng Gang." The security guard said in a low voice.

When the receptionist heard this, she didn't dare to say anything. She could only watch Qin Yuan disappear through the door of the nightclub.

Qin Yuan walked into the nightclub. The deafening music, flashing lights, and strong perfume made him frown slightly.

He walked straight to the bar, ordered a glass of whiskey, and tasted it slowly while scanning the surrounding environment with sharp eyes.

"Sir, are you alone?" A charming and charming woman walked over, her voice sweet and sweet.

The woman wore a black low-cut dress, revealing a large area of snow-white skin. Her plump figure was ready to show off. Her long wavy hair was spread over her shoulders. Her face was painted with exquisite makeup, and her red lips were flaming, making her charming.

"Get lost." Qin Yuan said coldly without even looking at her.

The smile on the woman's face suddenly froze, and a trace of anger flashed in her eyes. But when she saw Qin Yuan's cold eyes, she felt a little scared and could only leave angrily.

Qin Yuan continued to taste the whiskey in his hand, but his eyes became colder and colder.

He knew that the person he was looking for was right here...

Under the dim light, Qin Yuan's eyes were as sharp as a hawk, scanning the writhing crowd on the dance floor. The loud music seemed to be separated by a barrier in his ears, and it did not affect his concentration at all. He took a sip of the amber whiskey in the glass. The spicy liquid slid down his throat, but it could not dispel the cold murderous intention in his heart.

"Boss, this place is so smoky. Is the person we are looking for really here?" Wang Yanbing glanced impatiently at the scantily clad women and drunken men around him and asked in a low voice.

"Calm down." He Chenguang scolded in a low voice, but his eyes never left Qin Yuan. He knew that since Qin Yuan was here, he must have his reasons.

Li Erniu scratched his head and said honestly: "Chenguang, do you think the boss is here to have fun? I heard that this is a famous gold-selling cave in the world..."

Before he could finish his words, He Chenguang glared hard at him and swallowed back the rest of his words.

Qin Yuan ignored their conversation, and his eyes were fixed on a strong man with a short haircut and a black dragon tattooed on his neck in the center of the dance floor.

"The boss of the Longteng Gang, Zhao Long." Qin Yuan's lips curled up with a cold arc, "Found him."

He put down the wine glass in his hand, stood up and walked in the direction of Zhao Long. When He Chenguang and the other three saw this, they immediately followed.

"Boss Zhao, long time no see." Qin Yuan walked up to Zhao Long with a harmless smile on his face.

Zhao Long obviously did not recognize Qin Yuan. He looked Qin Yuan up and down, a look of contempt flashed in his eyes, and sneered: "Who are you, kid? How dare you get close to me?"

"It doesn't matter who I am. What's important is that I have a business I want to talk to you about." Qin Yuan didn't take it seriously and still kept smiling.

"Business? All I do is big business. Are you worthy of discussing business with me?" Zhao Long snorted disdainfully and turned to leave.

"Don't leave in a hurry, Boss Zhao." Qin Yuan grabbed Zhao Long's shoulders and said in a cold tone, "You will definitely be interested in this business."

Zhao Long felt a huge force coming from his shoulders, making him unable to move. His expression changed and he roared angrily: "Boy, you're looking for fucking death!"

As he spoke, he punched Qin Yuan in the face.

A cold light flashed in Qin Yuan's eyes, and he ducked sideways in an understatement. At the same time, he shot out like lightning, grabbed Zhao Long's throat, and lifted him up.

"You want to touch me?" Qin Yuan's voice sounded as cold as if it came from the Nine Nether Hell.

Zhao Long's face turned red and he struggled desperately, but he couldn't move Qin Yuan at all. Seeing this, the younger brothers he brought with him drew out their swords and sticks and surrounded Qin Yuan.

"Boss!" Upon seeing this, Wang Yanbing and the others immediately prepared to take action.

"Don't worry about me, go clean up everyone here." Qin Yuan said without looking back, with an unquestionable majesty in his tone.

"Yes!" He Chenguang and the three of them looked at each other, with a flash of excitement in their eyes.

The next moment, the three of them rushed into the crowd like tigers descending a mountain, fists and kicks falling like raindrops, screams, roars, and the sound of tables and chairs overturning mixed together, and the entire nightclub instantly turned into a chaotic battlefield.

Qin Yuan ignored the melee behind him. He stared at Zhao Long in his hand and asked in a cold tone: "I ask you, three years ago, when you sent people to destroy all my Qin family, did you ever think that it would happen?" Today?"

When Zhao Long heard this, his pupils shrank suddenly, and a look of panic flashed in his eyes, but he quickly concealed it. He forced himself to calm down and said: "Boy, what are you talking about? I don't know what you are talking about! "

"It seems that you won't give up until you reach the Yellow River." Qin Yuan sneered and put a little force on his hands. Zhao Long suddenly felt difficulty breathing and his face became paler.

"Ahem...you...who are you?" Zhao Long asked with difficulty.

"I am the remnant of the Qin family who was wiped out by you, Qin Yuan!"

Qin Yuan said word by word, with raging anger gushing out of his eyes, like the fire of vengeance from hell, trying to devour Zhao Long completely!

Zhao Long's face turned the color of pig liver. He never thought that there were still remnants of the Qin family that he had wiped out with his own hands. And I found it here!

Fear coiled around his heart like a poisonous snake. Zhao Long asked with a trembling voice: "What do you want?"

"What do I want?" Qin Yuan's lips curled up with a cruel arc, "Of course I'll let you pay for it with blood!"

"Don't... don't kill me! I... I will give you all my property! I just ask you to spare my life!" Zhao Long begged in horror.

"Do you think I'm short of money?" Qin Yuan's eyes flashed with disdain, "What I want is your life!"

"Boss, everyone outside has been dealt with." At this time, He Chenguang and the other three walked over. They were all covered in blood, like the gods of death who had walked out of hell.

Wang Yanbing walked to Qin Yuan and said with a smile: "Boss, these grandsons were quite resistant, but in the end they were all knocked down by me!"

"Good job." Qin Yuan nodded lightly, then looked at Zhao Long and said in a cold tone, "Tell me, how do you want to die?"

Zhao Long's face turned pale. He knew that he was doomed today, but he didn't want to die, let alone die in such a useless way!

"Qin Yuan, if you kill me, you won't survive! My boss is the leader of the Qinglong Gang. If you dare to touch me, he will definitely not let you go!" Zhao Long threatened with a serious look.

"Qinglong Gang?" Qin Yuan sneered disdainfully, "In my eyes, they are just a bunch of chickens and dogs!"

"You..." Zhao Long was so angry that he was shaking all over, but he was speechless because he knew that what Qin Yuan said was true.

"Okay, I won't talk nonsense to you anymore." Qin Yuan was a little impatient. He turned his wrist and a sharp dagger appeared in his hand.

"Wait!" At this moment, a clear female voice suddenly sounded.

Everyone looked around and saw a tall, beautiful woman walking out of the crowd.

The woman was wearing a long red dress, her long black hair was draped over her shoulders like a waterfall, her delicate facial features were as if they were carefully carved by God, especially her big watery eyes, which seemed to be able to speak, making people want to Get intoxicated.

"Who are you?" Qin Yuan frowned slightly, a look of doubt flashing in his eyes.

"My name is Tang Wanying, and I am the owner of this nightclub." The woman smiled slightly, her voice as sweet as an oriole, "Sir, can you give me some face and let him go?"

"Give you face?" Qin Yuan sneered, "Who do you think you are?"

Tang Wanying's face froze, and a flash of anger flashed in her eyes, but she quickly covered it up, still maintaining a charming smile, and said: "Sir, I know you are here to seek revenge, but when is the end of retribution? Why don't you give me some face and let this matter go? I promise that Zhao Long will never come to trouble you again."

"You promise?" Qin Yuan looked at Tang Wanying with a half-smile, "What guarantee do you have?"

Tang Wanying took a deep breath and said slowly: "I guarantee it with my life. If he dares to trouble you again in the future, you will kill me!"

Qin Yuan narrowed his eyes slightly and looked up and down at the woman who suddenly appeared in front of him. I have to say that this woman is very captivating. Her red dress makes her skin as white as snow, and her curved figure makes people even more imaginative. It's a pity that all he can think about now is Zhao Long's frightened face, and he is in no mood to deal with the beauty.

"Your life? How much is your life worth?" Qin Yuan's tone was cold, as if he was talking about an insignificant item.

Tang Wanying's face froze, obviously she didn't expect Qin Yuan to be so disrespectful to her. She bit her red lips, her eyes moving as if she was thinking about something.

"Sir, you misunderstood," Tang Wanying smiled sweetly, walked to Qin Yuan, stretched out her delicate jade fingers, and wanted to put her hands on his shoulders, "Of course I know that your life is much more valuable than mine. . It's just time to retaliate. How about..."

Before she finished speaking, Qin Yuan waved away her hand mercilessly, his eyes as sharp as blades, "Don't get close to me, I'm not interested in your story. No one can save him today!"

Tang Wanying's hands froze in mid-air, and her face turned red and white. When had she, the dignified nightclub owner, ever been humiliated like this? The people around who were watching the excitement also took a breath of cold air. Is this kid really so brave that he doesn't even give Boss Tang the face?

"Boy, I advise you not to drink wine as a penalty!" A strong man with a sinister face walked out of the crowd. He is Tang Wanying's bodyguard and one of the thugs of the Qinglong Gang. "Our boss Tang is Qinglong." As a gang leader, if you dare to touch a hair of Zhao Long, expect to be chopped into pieces!"

"Qinglong Gang? Haha, so powerful!" Qin Yuan sneered, his eyes full of mockery, "I'm going to say this today, not to mention the Qinglong Gang, even if the king of heaven comes, don't try to stop me from taking revenge!"

"You..." The strong man was frightened by Qin Yuan's momentum, and for a moment he didn't know what to say.

"What? Want to fight?" Qin Yuan hooked his finger and said provocatively, "Come on, let me see how capable you are!"

The strong man was so angry that his face turned green. He clenched his fists and was about to rush forward, but was stopped by Tang Wanying.

"Ah Hu, back off!" Tang Wanying took a deep breath and suppressed the anger in her heart. She knew that Qin Yuan was not a character that could be easily provoked, and a head-on confrontation would only lead to losses.

"Boss..." Ah Hu was a little unwilling.

"Back off!" Tang Wanying said firmly.

Ah Hu could only glare at Qin Yuan hatefully, and then back off.

Tang Wanying turned around and put on a charming smile again, but this time, her smile was a little more bitter and helpless, "Sir, are you really going to kill us all?"

"Kill us all?" Qin Yuan sneered, his eyes swept over Zhao Long coldly, "When he killed my whole family, why didn't he think of leaving me a way out?"

Tang Wanying's face changed, she knew that there was no room for maneuver in this matter.

Just then, there was a commotion outside the door, and then a cold voice sounded at the door of the nightclub: "Who dares to touch the people of my Qinglong Gang?"

The door of the nightclub was pushed open, and a burly man walked in with a dragon-like step. Behind him were a dozen strong men in black clothes, all of whom were ferocious and holding shining machetes in their hands, and they were murderous for a while.

"Boss!" Ah Hu, who was scared by Qin Yuan before and dared not speak, immediately became confident when he saw the person coming. He pointed at Qin Yuan's nose and cursed: "It's this kid who doesn't take you and the Qinglong Gang seriously!"

The person who came was the leader of the Qinglong Gang, Long Xiaotian, known as the "Crossing the River Dragon". He had a big bald head and a hideous scar on his left face extending from his forehead to his chin, making him look extremely fierce. Long Xiaotian glanced around and finally locked his eyes on Qin Yuan, with a cruel sneer on the corner of his mouth: "Boy, you are quite arrogant! You even dare to touch my Qinglong Gang?"

Qin Yuan looked at Long Xiaotian coldly, without any fear in his eyes, but full of disdain: "I say again, no one can save him today!"

"Good! Good! Good!" Long Xiaotian laughed in anger. He hadn't seen such an arrogant kid for a long time. He wanted to see what this kid relied on! "Boy, tell me your name. I, Long Xiaotian, don't kill nameless people!"

### Chapter 2432 Ye Qingtian's granddaughter

"Why should I tell you my name when I kill you?" Qin Yuan's tone was cold, as if he was pronouncing Long Xiaotian's death sentence.

Long Xiaotian's face darkened, this boy really didn't shed tears until he saw the coffin! He waved his hand behind him and roared: "Cut him!"

After receiving the order, a dozen strong men in black immediately rushed towards Qin Yuan, brandishing machetes.

"Qin Yuan, be careful!" Tang Wanying exclaimed. Although she didn't like Qin Yuan, she also knew that these people were desperadoes and were ruthless. If they really hurt Qin Yuan, it would be troublesome.

However, facing more than a dozen strong men holding machetes, Qin Yuan remained calm. He moved as fast as lightning. Before those strong men could see his movements clearly, they felt their eyes blur. Then, there was a burst of pain, the machete in his hand had been released, and his body was knocked away by a huge force.

"Bang! Bang! Bang!"

A series of dull crashes sounded, and a dozen strong men fell to the ground like pins hit by bowling balls, wailing.

The entire nightclub was silent for a moment, everyone stared at this scene in stunned silence. No one expected that this young man who seemed to be gentle and gentle could be so powerful, knocking down more than a dozen fierce and strong men to the ground in the blink of an eye.

Long Xiaotian was also stunned. He had been in the world for so many years and had seen many masters, but this was the first time he had seen a young man like Qin Yuan who was so ruthless and with such terrifying skills.

"You...who are you?" There was finally a tremor in Long Xiaotian's tone.

Qin Yuan ignored Long Xiaotian's questions. He walked towards Zhao Long step by step. With every step he took, the murderous aura in his body became stronger, and the surrounding temperature seemed to drop a few degrees.

Zhao Long sat paralyzed on the ground, his crotch already wet. He looked at Qin Yuan approaching step by step in horror, and said in a trembling voice: "You... what do you want to do? Let me tell you, my brother-in-law is..."

"Crack!"

Qin Yuan slapped Zhao Long on the face and slapped the rest of his words back into his stomach. Half of Zhao Long's face instantly swelled up, and a trace of blood flowed from the corner of his mouth.

"I say it again, no one can save you today!" Qin Yuan's tone was cold, his eyes full of murderous intent.

At this moment, a crisp voice suddenly sounded at the door of the nightclub: "Really? I want to see who dares to touch my brother today!"

Everyone looked around and saw a tall, heroic woman wearing a black leather coat standing at the door. Behind her, there were dozens of strong men in black holding machetes.

"Sister! Help me! Help me!" When Zhao Long saw the person coming, he seemed to have grabbed a life-saving straw and shouted for help.

The person who came was none other than Zhao Long's sister, the second-in-command of the Qinglong Gang, Zhao Qian, known as "Black Rose".

"Boy, you're dead!" Zhao Long felt confident when he saw his backer coming. He pointed at Qin Yuan and said viciously: "My sister is here, you're dead!"

Qin Yuan slowly turned around and looked at Zhao Qian with cold eyes, a disdainful sneer on his lips: "Really? I want to see how you let me die!"

The appearance of Zhao Qian made the originally silent nightclub noisy again. Dozens of strong men armed with machetes surrounded the entire nightclub. The strong smell of blood filled the air, making people shudder.

When Zhao Long saw his supporter coming, he immediately became energetic. He struggled to get up from the ground, pointed at Qin Yuan and yelled: "You brat, aren't you fucking crazy? Now that my sister is here, let me see How can you be so crazy!"

"Sister, kill him! I want his life to be worse than death!"

Zhao Qian glanced at her useless brother with disgust, and then turned her eyes to Qin Yuan, her eyes full of contempt and disdain.

"Boy, I don't care who you are or what your background is. If you dare to touch my brother, Zhao Qian, you won't be able to walk out of here alive today!" Zhao Qian's voice was bone-chilling, like a judgment from hell.

Facing Zhao Qian's threat, Qin Yuan showed no fear on his face. Instead, he showed a joking smile: "Black rose? Haha, I think it's nothing more than that. Today I will let you see what is the real strength!"

As soon as he finished speaking, Qin Yuan's figure flashed and appeared in front of Zhao Qian like a ghost.

Zhao Qian obviously didn't expect Qin Yuan to be so fast. Before she could react, Qin Yuan's fist was already in front of her.

"Bang!"

There was a muffled sound, and Zhao Qian felt as if her abdomen was hit by a high-speed truck. The severe pain made her vision go dark, and her body flew out uncontrollably.

"sister!"

"Sister!"

Seeing Zhao Qian being punched away by Qin Yuan, the strong men in black around them suddenly became confused, waving their machetes and rushing towards Qin Yuan.

"court death!"

Qin Yuan snorted coldly. His body was like lightning, and he shuttled freely among the crowd. Every time he made a move, he was accompanied by a scream. Those strong men in black could not even touch the corners of Qin Yuan's clothes and were knocked to the ground by him. .

In the blink of an eye, dozens of strong men in black fell to the ground, and wailing sounds echoed throughout the nightclub.

"Trash! They are all a bunch of trash!" Zhao Long turned pale with fright when he saw this scene. He never thought that these masters he invited would be so vulnerable in front of Qin Yuan.

Qin Yuan walked towards Zhao Long step by step. Every step he took seemed to step on Zhao Long's heart, making him feel extremely scared.

"You... don't come here! I'm warning you, my sister is the second-largest figure in the Qinglong Gang. If you dare to touch me, my sister will never let you go!" Zhao Long threatened with a deep heart.

"Qinglong Gang? Haha, in my eyes, they are just a bunch of rabble." Qin Yuan's tone was indifferent, as if he was talking about an insignificant thing.

"You..." Zhao Long wanted to say something more, but Qin Yuan grabbed his neck and lifted him up.

"Ahem... you... what are you going to do... kill... kill me... my sister... will definitely... never let you go..." Zhao Long was choked by Qin Yuan. He had difficulty breathing and his face turned red. Hong, started to speak intermittently.

"Noisy!"

Qin Yuan's eyes flashed with cold light, and his fingers exerted slight force.

"Crack!"

With a crisp sound, Zhao Long's neck was pinched and broken by Qin Yuan. His eyes widened and he refused to rest in silence!

Seeing this scene, Tang Wanying, who originally had a glimmer of hope, was so frightened that her face turned pale and she collapsed to the ground...

Qin Yuan's fingers were like iron pliers, ruthlessly taking away Zhao Long's life, and the fear of death filled the air. Tang Wanying sat paralyzed on the ground, her originally fair face was bloodless at the moment, only her eyes were shining with fear, and she was trembling like a frightened bird.

She had never seen such a horrific scene, and never thought she would be so close to death.

"You...you..." Tang Wanying looked at Qin Yuan in horror, her lips trembling, but she couldn't say a complete sentence.

Qin Yuan looked at Tang Wanying condescendingly, as if looking at a lamb waiting to be slaughtered, with a playful curve at the corner of his mouth: "What? Are you scared?"

"I...I..." Tang Wanying wanted to beg for mercy, but she knew that in the face of death, any words would be feeble.

"It's okay to be afraid." Qin Yuan knelt down, held Tang Wanying's chin, and forced her to look at him, "Remember, there are some people you can't mess with."

He let go of his hand, stood up, ignored Tang Wanying who was lying limply on the ground, turned and walked towards the outside of the nightclub.

"Wait!" Tang Wanying suddenly seemed to remember something, struggled to get up from the ground, and shouted to Qin Yuan's back, "What's your name?"

Qin Yuan stopped, turned around, and looked at her with a half-smile: "What? You want revenge?"

Tang Wanying's face stiffened, and then she returned to her pitiful look: "No, I just... just want to know who saved me..."

Qin Yuan chuckled, said nothing, turned and left, leaving only Tang Wanying with a chic back.

...

After leaving the nightclub, Qin Yuan was not in a hurry to go home. Instead, he found a barbecue stall on the roadside, ordered a few skewers of barbecue and beer, and ate leisurely.

"Boss, another bottle of beer!" Qin Yuan shouted to the owner of the barbecue stall.

"Okay!" The boss responded cheerfully and came over with a bottle of cold beer. "Young man, you look cool. Is this your first time here for barbecue?"

Qin Yuan took the beer and said with a smile: "Yes, boss, your barbecue tastes good. I will come back next time."

"Hahaha, easy to talk to!" The boss beamed with Qin Yuan's praise, "Young man, I don't think you are a local, are you here for tourism?"

"So be it." Qin Yuan responded casually, not wanting to reveal too much information about himself.

"Oh, then you have come to the right place!" The boss introduced enthusiastically, "Our place is a tourist resort with beautiful scenery and clouds of beauties!"

Qin Yuan smiled and did not answer. The boss saw that he was not interested and walked away wisely.

At this time, a black Mercedes-Benz sedan stopped in front of the barbecue stall, the door opened, and a strong man wearing a black suit and sunglasses walked out, walked straight to Qin Yuan, and said respectfully: "Mr. Qin, we The boss would like to invite you to come over and have a chat."

Qin Yuan raised his head, glanced at the strong man in front of him, and then at the Mercedes-Benz car, with a playful curve on his lips: "Your boss? Which boss?"

"Our boss's surname is Ye." The strong man replied respectfully.

"Ye?" Qin Yuan frowned slightly and quickly searched for information about the surname "Ye" in his mind, but did not find any useful clues.

"It seems that Boss Ye's identity is not simple..." Qin Yuan thought to himself.

"Mr. Qin, please." The strong man made a "please" gesture.

Qin Yuan pondered for a moment, then stood up, patted the dust on his body, and said lightly: "Lead the way."

...

The Mercedes-Benz car stopped at the entrance of a private club called "Shengshi Luomen". This club was luxuriously decorated and extraordinary. At first glance, it was not a place that ordinary people could afford.

Qin Yuan followed the strong man into the club, passed through the magnificent hall, and came to a box called "Purple Gold Pavilion".

The strong man knocked on the door gently and said respectfully: "Boss, Mr. Qin is here."

"Come in." A deep voice came from the box.

The strong man opened the door and Qin Yuan walked in. He saw an old man wearing a Tang suit with gray hair but energetic sitting on the sofa, drinking genuine tea.

Seeing Qin Yuan come in, the old man put down the tea cup in his hand, stood up, and showed a kind smile on his face: "You are Qin Yuan, right? It is true that a hero comes from a young boy!"

Qin Yuan frowned slightly. He was sure that he did not know the old man in front of him, but the other party was so enthusiastic towards him, which made him full of vigilance.

"Old man, do we know each other?" Qin Yuan asked straight to the point.

The old man smiled and said, "We don't know each other, but I have heard of you for a long time!"

"Oh?" Qin Yuan looked at the old man with interest, "Where did you hear about me?"

The old man pointed to the sofa, motioned Qin Yuan to sit down, and then slowly said, "My name is Ye Qingtian, the head of the Ye family..."

Hearing the word "Ye family", Qin Yuan's heart was shocked, and a person's name suddenly appeared in his mind-Ye Qingcheng!

Could it be...

"Do you know Qingcheng?" Qin Yuan stared at Ye Qingtian closely, with a complicated look in his eyes.

Ye Qingtian nodded, sighed, and said, "Qingcheng is my granddaughter..."

"Granddaughter?" Qin Yuan frowned, and a storm of waves rose in his heart.

If Ye Qingcheng is Ye Qingtian's granddaughter, then she is...

"I know what you are thinking." Ye Qingtian seemed to see through Qin Yuan's mind, and shook his head with a wry smile, "Qingcheng... she is my illegitimate daughter..."

"Granddaughter?" Qin Yuan repeated, his tone full of disbelief. He looked up and down at Ye Qingtian. Although the old man was energetic, he didn't look like a stud who could give birth to a beauty like Ye Qingcheng!

Ye Qingtian smiled bitterly, as if he had expected Qin Yuan's reaction. "I know it's a little unbelievable to say this, but this is the fact. The mother of Qingcheng's child... Alas, it's hard to say!"

Qin Yuan was even more curious, what kind of woman could give birth to a top-notch person like Ye Qingcheng? Seeing Ye Qingtian's hesitation, it was probably another bloody secret of a wealthy family.

"Mr. Ye, I'm not interested in your family affairs." Qin Yuan got straight to the point. He didn't want to get involved in these family feuds. "You asked me to come here today, it shouldn't be just to reminisce about the past, right?"

Ye Qingtian nodded, put away the reminiscence on his face, and said seriously: "Mr. Qin is a quick-witted person, so I will say it directly. I asked you to come here today to ask you to do me a favor."

"Help?" Qin Yuan raised his eyebrows, "Mr. Ye, you are the head of the Ye family. You can invite anyone. Do you still need my help?"

"Mr. Qin is joking. Although I am the head of the Ye family, some things cannot be solved by money alone." Ye Qingtian sighed, "I want you to help me... protect Qingcheng."

"Protect Ye Qingcheng?" Qin Yuan frowned, "She is the daughter of your Ye family. She has countless bodyguards around her. Do you still need my protection?"

Ye Qingtian shook his head, with a hint of bitterness on his face. "Mr. Qin, you don't know that Qingcheng...she has encountered some troubles recently, and those bodyguards can't protect her at all."

"What trouble?" Qin Yuan asked.

## One-click Recovery Since I was a Special Soldier

### Chapter 2433 Walking Beauty

"How can I get some money?" Qin Yuan thought as he walked.

Just then, his eyes were suddenly attracted by a game hall on the street.

"Game hall?" Qin Yuan's eyes lit up, and a bold idea came to his mind.

"Maybe, I can..."

Qin Yuan walked into the game hall, and the noisy sound and flashing lights made him a little uncomfortable. The sounds of various arcade games mixed together, as if to shatter people's eardrums. The air was filled with the smell of instant noodles, mixed with a faint smell of tobacco, which made him frown.

He looked around, and a group of students in school uniforms were surrounding a dance machine, twisting their bodies wildly to the music. Several young men with colorful hair, holding cigarettes, pointed at the fighting game screen, and occasionally burst out a few swear words.

Qin Yuan walked around the game hall, and his eyes finally fell on a game console called "King of Fighters 97". He used to play this game when he was in the army, and it can be said to be his forte.

"It's you." Qin Yuan raised a confident smile, took out the only remaining coin from his pocket, and threw it into the game console.

"Please choose your character!"

A familiar electronic sound sounded, and Qin Yuan chose the classic combination of Kyo Kusanagi, Iori Yagami and Chizuru Kagura without hesitation.

Soon, the game started. Qin Yuan skillfully controlled the joystick and buttons. Kyo Kusanagi's red flame, Iori Yagami's purple flame, and Chizuru Kagura's speed seemed to have turned into a killing weapon in his hands, beating the opponent without any chance to fight back.

"Beautiful!"

"Awesome, buddy!"

The people around were attracted by Qin Yuan's operation, and they gathered around to watch, exclaiming from time to time.

In less than ten minutes, Qin Yuan defeated challengers one after another with a record of three wins. Looking at the word "KO" displayed on the screen, Qin Yuan raised a faint smile at the corner of his mouth.

"Who else?" He looked around, his eyes full of provocation.

"I'll do it!" A burly bald man walked out of the crowd. He had a face full of flesh and a thick gold chain around his neck. He looked like a bad guy.

"Boy, you are so arrogant!" The bald man walked up to Qin Yuan and said viciously, "Do you dare to bet with me?"

"What bet?" Qin Yuan looked at him with interest.

"Just bet on this coin!" The bald man took out a stack of hundred-dollar bills from his pocket and slapped it heavily on the game console. "If you win, all the money is yours. But if you lose," he paused, a fierce look flashed in his eyes, "kneel down and call me grandpa!"

The people around were in an uproar. The bald man was obviously trying to make trouble.

Qin Yuan just smiled and said nonchalantly: "Okay, I'll bet with you."

"Boy, you have guts!" The bald man sneered and sat opposite Qin Yuan.

The game started, and the bald man also chose the combination of Kyo Kusanagi, Iori Yagami and Chizuru Kagura. It seems that he is also a master.

The two fought back and forth, and it was hard to tell who was better. Although Qin Yuan had been through many battles, he had not played this game for many years, so it was inevitable that he was a little unfamiliar with the operation. However, the bald man obviously played this game frequently, and his operation was very skilled, and his moves were ruthless, and every move put Qin Yuan to death.

Soon, Qin Yuan fell into a disadvantage.

"Haha, kid, just admit defeat!" The bald man laughed triumphantly.

"Don't be happy too early!" A cold light flashed in Qin Yuan's eyes, and he took a deep breath and forced himself to calm down.

At this moment, a flash of inspiration suddenly flashed in Qin Yuan's mind, and he remembered a fighting skill he had learned in the army...

At this moment, a flash of inspiration suddenly flashed in Qin Yuan's mind, and he remembered a fighting skill he had learned in the army - grappling hand!

Grappling is a fighting skill that focuses on controlling the opponent's joints. It emphasizes speed, accuracy, and ruthlessness. Once caught, it is difficult for the opponent to break free.

"Now!" Qin Yuan's eyes flashed, and he suddenly leaned forward, his five fingers like hooks, and grabbed the wrist of the bald man who controlled the joystick.

"Ah!" The bald man was caught off guard and screamed immediately.

"Boy, you are looking for death!" The bald man roared, and his other hand clenched his fist and hit Qin Yuan's face.

Qin Yuan was prepared. He dodged the attack of the bald man sideways and twisted his hand hard.

"Crack!"

With a crisp sound, the bald man's wrist was twisted by Qin Yuan.

"Ah!" The bald man screamed like a pig again, holding his broken wrist and rolling on the ground in pain.

Everyone around was stunned by this scene. They never thought that Qin Yuan, who looked gentle and refined, would have such a cruel method.

"Who else?" Qin Yuan looked around, his eyes were cold, like a Shura from hell.

Those who were watching the excitement were suddenly frightened and silent, and retreated one after another, fearing that they would get into trouble.

Qin Yuan ignored these people, he walked to the game machine, picked up the stack of hundred-dollar bills, turned around and left.

"Stop!"

At this moment, a cold voice suddenly sounded.

Qin Yuan stopped and looked back, only to see a man in a black suit and sunglasses, with several black-clad bodyguards, walking towards him.

"Sir, what are you doing?" Qin Yuan frowned slightly.

"Boy, you are so arrogant!" The man in black walked up to Qin Yuan, took off his sunglasses, revealing a pair of sinister eyes, "Do you know whose territory this is?"

"I don't care what your territory is." Qin Yuan smiled coldly, "I only know that if I win the money, I should take it."

"Haha, what a loud tone!" The man in black laughed angrily, "I want to see how capable you are, how dare you run wild on my territory!"

As he spoke, he waved his hand, and several bodyguards in black immediately gathered around him.

"What, you want to take action?" A disdainful sneer appeared at the corner of Qin Yuan's lips, "Only with these trash?"

"Boy, you are so arrogant!" The man in black was furious, "Fuck him and destroy him!"

After receiving the order, several bodyguards in black immediately waved their fists and rushed towards Qin Yuan.

"A bunch of rabble." Qin Yuan shook his head, a look of contempt flashed in his eyes.

He swayed, like a ghost, and instantly arrived in front of a bodyguard in black.

"Bang!"

Qin Yuan punched out, hitting the bodyguard in black right in the face.

"Crack!"

With a crisp sound, the bodyguard's nose in black was broken, and blood spurted out.

"Ah!" The bodyguard in black screamed, covering his face and falling to the ground.

"What?!"

The other bodyguards in black were shocked when they saw this. They never expected that Qin Yuan's skills would be so terrifying.

"Come together and kill him!"

However, it's too late.

Qin Yuan's figure was like lightning, shuttling between several bodyguards in black. Every time he made a move, one of them would fall.

In less than a minute, all the bodyguards in black were lying on the ground, wailing.

"this....."

The man in black was completely dumbfounded. He never expected that Qin Yuan could be so powerful and easily eliminated all his bodyguards.

Qin Yuan clapped his hands and walked towards the man in black step by step.

"You, what do you want to do?" The man in black turned pale with fright and his voice trembled.

"I don't want to do anything." Qin Yuan walked up to the man in black and looked at him condescendingly, "I just want to tell you, don't provoke me again in the future."

"You, you dare to touch me?" The man in black said with a stern look, "Do you know who I am?"

"I don't care who you are." A cold light flashed in Qin Yuan's eyes, "If you dare to talk nonsense again, I will shut you up forever!"

The man in black was so frightened by Qin Yuan's eyes that he finally realized that he had kicked an iron plate this time.

"Okay, very good." The man in black took a deep breath and forced himself to calm down, "Boy, you have the guts, let's see!"

With that said, he turned around and left, not even paying attention to the wailing bodyguards on the ground.

Qin Yuan looked at the back of the man in black escaping in embarrassment, with a sneer on his lips.

"Want to leave? It's not that easy!"

Qin Yuan flashed and caught up with the man in black in an instant, grabbed his collar and lifted him up.

"Ah! What are you going to do?" The man in black struggled in fear, but his power was as useless as an ant in front of Qin Yuan.

"I changed my mind." A hint of joking flashed in Qin Yuan's eyes, "Don't you want to know who I am? I'll tell you now."

With that said, Qin Yuan suddenly tore open the suit of the man in black, revealing the tattoo on his chest.

It was a tattoo of a skull, hideous and terrifying.

"Black, Black Tiger Gang?!" The man in black opened his eyes in horror. He never thought that he would offend someone from the Black Tiger Gang!

The Black Tiger Gang is the largest gang in the city. They are powerful and do all kinds of evil. No one dares to provoke them.

"Now, do you still want to wait and see?" Qin Yuan smiled coldly, threw the man in black to the ground, turned and left.

The man in black lay on the ground, looking at Qin Yuan's retreating back, his eyes full of fear and resentment.

"Boy, just wait for me and I will definitely make you pay the price!"

...

After Qin Yuan left the game hall, he was not in a hurry to go home, but wandered aimlessly on the street.

He came to a park, found a bench and sat down, took out a cigarette from his pocket, lit it, and took a deep drag.

"call....."

Qin Yuan exhaled a puff of smoke, looked at the stars in the sky, and fell into deep thought.

"What's wrong with me?"

Qin Yuan felt like he had changed and was different from before.

In the past, he would never act like he does today if he disagrees with someone.

However, today he did not hesitate to teach the bald man and the man in black a lesson.

"Is it because I have lost my memory?"

Qin Yuan shook his head. He was not sure, but he knew that his life now had completely deviated from its original trajectory.

"Forget it, I don't want to anymore."

Qin Yuan threw the cigarette butt on the ground, stamped it out with his foot, then stood up and prepared to go home.

At this moment, his cell phone suddenly rang.

Qin Yuan took out his mobile phone and saw that it was an unfamiliar number.

"Hey, who's there?"

"Is it Mr. Qin?" A sweet voice came from the other end of the phone.

"I am, you are?"

"I am the secretary to the president of Lin Group, and my name is Lin Kexin."

"Lin Group?" Qin Yuan frowned slightly, "I don't know you, what do you want from me?"

"It's like this. We, Mr. Lin, would like to treat you to a meal. I wonder if you are free tomorrow night?"

"Dinner?" Qin Yuan was even more confused, "Why did your CEO Lin invite me to dinner?"

"This..." Lin Kexin's tone was a little embarrassed, "Mr. Qin, you will know when you come tomorrow."

"Okay, send me the time and place." Qin Yuan thought about it and agreed.

"Okay, thank you Mr. Qin, I will send you the time and place later."

After hanging up the phone, Qin Yuan frowned even more.

"Why did the Lin Group... invite me to dinner?"

Qin Yuan was full of doubts, but he felt that his peaceful life might be broken.

Qin Yuan looked at the address sent by Lin Kexin on his mobile phone, and a playful smile appeared at the corner of his mouth.

"Lin Group? Interesting, I want to see what they are up to."

The next night, Qin Yuan changed into casual clothes and took a taxi to the address sent by Lin Kexin.

This is a top private club called "Heaven on Earth". It is said that only members with assets of more than seven figures can enter.

As soon as Qin Yuan walked to the door, he saw Lin Kexin had been waiting at the door for a long time.

Today, Lin Kexin was wearing a black professional suit, which outlined her perfect figure to the fullest. With her delicate facial features and fair skin, she was simply a walking beauty.

"Mr. Qin, you are here."

Seeing Qin Yuan, Lin Kexin hurriedly came up with a professional smile on her face.

"Yeah."

Qin Yuan nodded, glanced at her, and a touch of appreciation flashed in his eyes.

It must be said that this Lin Kexin is indeed a rare beauty.

"Mr. Qin, our General Manager Lin is waiting for you inside, please follow me."

Lin Kexin said, and took Qin Yuan into the club.

The interior decoration of the club is extremely luxurious, magnificent, and beautiful, just like a palace.

Qin Yuan walked along and saw many well-dressed men and women, talking and laughing, toasting.

These people are all upper-class people in this city, either rich or noble.

Soon, Lin Kexin brought Qin Yuan to the door of a box.

"Mr. Qin, our President Lin is inside, please come in."

Lin Kexin said, and stretched out her hand to push open the door of the box.

Qin Yuan nodded and walked in.

In the box, a middle-aged man was sitting on the sofa, holding a glass of red wine in his hand, shaking it gently.

Hearing the sound of the door opening, the middle-aged man raised his head and looked at Qin Yuan, with a kind smile on his face.

"You are Qin Yuan, right? I am the chairman of the Lin Group, Lin Hai."

"Hello, President Lin."

Qin Yuan walked to the opposite side of Lin Hai and sat down, looking at him.

## One-click Recovery Since I was a Special Soldier

### Chapter 2434 How much do you want to pay back?

Lin Hai looks to be in his forties, wearing a black suit, his hair is meticulously combed, and he has a pair of gold-rimmed glasses on his face, giving him a shrewd and capable look.

"Mr. Qin, I heard from Kexin that you taught a few gangsters a lesson in the game arcade yesterday?"

Lin Hai put down the wine glass in his hand and said straight to the point.

"That's what happened."

Qin Yuan nodded and did not deny it.

"Haha, Mr. Qin is indeed a sweetheart."

Lin Hai smiled and said: "To be honest, I invited you here today because I want to ask you to do me a favor."

"help?"

Qin Yuan frowned slightly and asked, "What are you busy with?"

"That's it..."

Lin Hai paused and then said: "I have a daughter named Lin Ruoxue. She just returned from studying abroad this year. I would like to ask you to be her bodyguard."

"bodyguard?"

Qin Yuan was stunned for a moment, then shook his head and said with a smile: "Director Lin, are you kidding me? I have never been a bodyguard."

"Mr. Qin, I know you are very skilled, and you are different from those in the bodyguard company. I believe you."

Lin Hai looked at Qin Yuan and said seriously.

Qin Yuan was silent. To be honest, he had no interest in being a bodyguard. However, Lin Hai did not feel like the kind of person with evil intentions to him, and the conditions he proposed were also very tempting.

"Director Lin, can I ask, why do you offer me such a high price?"

Qin Yuan thought for a while and finally asked the doubts in his heart.

"Haha, Mr. Qin, you should know that my daughter grew up abroad and has a relatively simple personality. I am worried about what dangers she will encounter when she returns to China, so..."

After Lin Hai said this, he did not continue, but his meaning was already obvious.

He was worried that his daughter would be kidnapped!

Of course Qin Yuan understood what he meant, but he still hesitated.

"Director Lin, you also know that I have lost my memory now. I can't remember many things. I'm afraid..."

"Mr. Qin, don't worry, I won't let you risk it in vain. As long as you agree to be my daughter's bodyguard, I am willing to give you this number."

Lin Hai said, holding out a finger.

"Ten million?"

Qin Yuan raised his eyebrows. This price is indeed very tempting.

"No, it's 100 million!"

Lin Hai shook his head and said word by word.

"hiss....."

Hearing this number, Qin Yuan couldn't help but take a breath.

One hundred million!

This is not a small amount of money!

You know, his entire fortune now only amounts to tens of thousands of yuan.

"How about it? Mr. Qin, have you thought about it?"

Lin Hai looked at Qin Yuan with a flash of light in his eyes.

"Director Lin, let me think about it."

Qin Yuan took a deep breath and said.

"Okay, I'll give you time to think about it."

Lin Hai nodded and said, "However, I hope you can reply to me as soon as possible."

"Um."

Qin Yuan nodded, then stood up and prepared to leave.

"Mr. Qin, please stay."

At this moment, Lin Hai suddenly stopped him.

"What's wrong? Director Lin, is there anything else?"

Qin Yuan turned around and looked at him doubtfully.

"Mr. Qin, my daughter is in the box next door. Do you want to go see her?"

Lin Hai pointed to the box next door and said.

"Well....."

Qin Yuan was stunned for a moment, then smiled bitterly and said: "Director Lin, aren't you forcing things on others? I don't even remember who I am now, how can I see your daughter?"

"Haha, Mr. Qin, you don't have to worry, my daughter..."

When Lin Hai said this, he suddenly stopped. Then, he suddenly raised his head and looked in the direction of the door, with a cold light flashing in his eyes.

"who?!"

At the same time, Qin Yuan also felt a fierce murderous aura. He turned around suddenly and looked at the door.

I saw a man wearing black night clothes and a black mask on his face, standing at the door, holding a bright dagger in his hand, looking at them coldly.

"Who are you?!"

Qin Yuan's eyes flashed with murderous intent and he asked in a deep voice.

"The person who wants your life!"

The man in black sneered, then he suddenly waved his dagger and rushed towards Qin Yuan.

"court death!"

Qin Yuan snorted coldly and dodged the attack of the man in black in a flash.

"Bang!"

Qin Yuan kicked the man in black in the chest and kicked him away.

"puff!"

The man in black spit out a mouthful of blood, fell heavily to the ground, struggled for a few times, and then stopped moving.

"Hmph, you don't overestimate your capabilities!"

Qin Yuan clapped his hands and sneered.

"Mr. Qin, are you okay?"

At this time, Lin Hai also reacted and quickly ran over and asked.

"I'm fine."

Qin Yuan shook his head. Then, he walked to the man in black and reached out to take off his mask.

"Is it him?!"

When he saw the face of the man in black clearly, Qin Yuan was stunned.

"Is it him?!"

Seeing the face of the man in black clearly, Qin Yuan and Lin Hai exclaimed at the same time.

This person is none other than Lin Hai's driver, Lao Zhang!

Lao Zhang's face was pale, and there was a trace of blood hanging from the corner of his mouth. It was obvious that he had been seriously injured. He raised his head with difficulty and looked at Lin Hai, his eyes full of resentment and madness.

"Lao Zhang, you... why did you do this?" Lin Hai looked at him in disbelief, his voice trembling.

"Why? Haha, why?" Lao Zhang suddenly laughed maniacally, "I have worked hard for the Lin family for twenty years, with no merit but hard work, and yet you want to drive me

away because of an outsider? My daughter is still waiting in the hospital. I'm trying to save my life with money, but you said that the company's funds cannot be recycled and you won't lend me a penny!"

He roared, his voice full of despair and hatred, "Since you are unkind, don't blame me for being unjust! I will kill you, kill your daughter, and avenge my daughter!"

"Lao Zhang, calm down, things are not what you think!" Lin Hai hurriedly explained, "I didn't want to drive you away, I just..."

"Shut up!" Lao Zhang roared and interrupted him, "Now that things have happened, what else do you have to say? Go to hell!"

As he spoke, he struggled to get up, but Qin Yuan stepped on his chest, making him unable to move.

"You alone want to kill someone?" Qin Yuan looked at him condescendingly, his eyes full of ridicule.

"You... don't be proud, I still have accomplices!" Lao Zhang said through gritted teeth, "They will rush in soon. By then, none of you will survive!"

Qin Yuan frowned slightly and looked around, but found nothing unusual.

"Are you bluffing?" Qin Yuan sneered.

"Hmph, do you think I will tell you the truth?" Lao Zhang sneered, "Just wait to die!"

Qin Yuan's eyes turned cold, and he was about to press for questioning. Suddenly, the door of the box was kicked open, and a group of strong men holding machetes rushed in.

"Brother!"

Seeing Lao Zhang, the strong man at the head immediately shouted respectfully.

"Kill them!" Lao Zhang pointed at Qin Yuan and Lin Hai and shouted sternly.

"yes!"

The strong men agreed, brandished their machetes, and rushed towards Qin Yuan and Lin Hai.

"Hmph, looking for death!"

Qin Yuan sneered, and in a flash, he rushed into the crowd.

"Bang bang bang!"

Punches and kicks, every blow was powerful and heavy. Those strong men were no match for him at all. They were all knocked to the ground by him, wailing incessantly.

"This...how is this possible?!" Lao Zhang's eyes widened with disbelief on his face.

He never expected that Qin Yuan could be so powerful!

"You...who are you?" Lao Zhang looked at Qin Yuan in horror, his voice trembling.

"Kill your people!"

Qin Yuan snorted coldly and stepped on his chest. The sound of broken bones could be clearly heard.

"ah!"

Lao Zhang let out a scream and fainted immediately.

After dealing with these minions, Qin Yuan clapped his hands and turned to look at Lin Hai.

"Director Lin, are you okay?"

Lin Hai looked pale, obviously frightened by the scene just now.

"I...I'm fine..." He shook his head, and then looked at Qin Yuan gratefully, "Mr. Qin, it's all thanks to you this time. If it weren't for you, my daughter and I..."

"Dr. Lin, you're welcome. This is what I should do." Qin Yuan said calmly.

At this moment, there was a sudden commotion in the box next door.

"No, the lady has been kidnapped!"

came a panicked voice.

The commotion in the next box was getting louder and louder, mixed with women's screams and men's roars, like a pot of boiling water that might explode at any time. Qin Yuan frowned and said to Lin Hai: "Director Lin, you hide here for a while and I'll go take a look."

Before Lin Hai could answer, Qin Yuan stood up and walked to the box next door. Before I even reached the door, I heard a rough voice roaring: "You bitch, be honest! If you dare to run away, I'll break your legs!"

Qin Yuan kicked open the door of the box and saw seven or eight arrogant gangsters surrounding a young girl. The girl was wearing a white dress, her long hair was messy, and her face was full of tears. Her pitiful appearance was heart-wrenching. pity.

"What are you doing?!" Qin Yuan shouted angrily, like a thunder on the ground, making the ears of the people in the box buzz.

Several gangsters were startled by the sudden sound and turned to look at the door. They saw a young man with a tall figure and a face as sharp as a knife standing there, his eyes as sharp as knives, as if he could see through their hearts.

"Who the hell are you? Mind your own business!" A gangster with yellow hair pointed at Qin Yuan and cursed.

Qin Yuan sneered and walked toward them step by step. With every step he took, his aura became stronger, and the sense of oppression surged towards those gangsters like a tide.

"I don't want to say it a second time." Qin Yuan's tone was cold, with a murderous look in his eyes.

Although those gangsters were arrogant and domineering, they were not fools. They could see that the man in front of them was not someone they could afford to offend.

"Brother, let's..." A gangster whispered into Huang Mao's ear.

"Shut up!" Huang Mao pushed him away and glared at Qin Yuan fiercely, "Boy, do you know who we are? You dare to meddle in our business, are you impatient?!"

"I don't care who you are!" Qin Yuan swung out a punch, hitting Huang Mao's nose, and blood spurted out. Huang Mao screamed, covered his nose and fell to the ground.

"You dare to hit my brother?!" Seeing this, the other gangsters roared and rushed towards Qin Yuan.

Qin Yuan sneered, his body flashed like a ghost, and his fists and kicks fell on the gangsters like raindrops. Every punch and kick was powerful and heavy. The sound of broken bones was clearly audible, and those gangsters had no chance to fight back. Force, one by one was knocked to the ground, wailing.

In less than a minute, seven or eight gangsters were all lying on the ground, losing their fighting ability.

Qin Yuan clapped his hands, walked up to the frightened girl, and asked softly: "Are you okay?"

The girl raised her head and looked at the man in front of her who had saved her like a god from heaven. Her eyes were full of gratitude and admiration. She shook her head and her voice was trembling: "I...I'm fine..."

"It's fine." Qin Yuan smiled, then turned to look at the wailing gangsters on the ground, "Tell me, why did you kidnap her?"

"We...we didn't kidnap her..." a gangster said while holding back the pain, "It was her...she owed our boss money..."

"Ow money?" Qin Yuan frowned and looked at the girl, "Is what he said true?"

The girl lowered her head, bit her lip, and said nothing, but her expression said everything.

"What's going on?" Qin Yuan asked.

The girl hesitated for a moment, and finally plucked up the courage to say: "I...my name is Li Xiaoxiao. My father is ill and hospitalized. He needs a lot of money for surgery. I...I really have no choice, so...I borrowed their loan shark." ..."

"Loan sharking?" Qin Yuan's eyes flashed with a cold light, "How much did you borrow?"

"Five...fifty thousand..." Li Xiaoxiao said timidly.

"Fifty thousand?" Qin Yuan sneered, "How much do they want you to pay back?"

"Ten...hundred thousand..." Li Xiaoxiao's voice became smaller and smaller.

"How dare you charge a hundred thousand for a loan shark?" Qin Yuan's eyes burned with anger, "They are really brave!"

He grabbed the collar of the gangster who was talking, lifted him up, and asked coldly: "Tell me, who is your boss? Where is he?"

"I...I said, I said..." The gangster was frightened by Qin Yuan's momentum and said quickly, "Our boss is Black Tiger, in..."

Before he could finish his words, suddenly, the door of the box was kicked open again, and a burly man with a sinewy face rushed in with a dozen strong men holding machetes.

"Who the hell dares to touch my Black Tiger people?!"

As soon as Hei Hu came in, the air in the box seemed to freeze. The strong men he brought with him all had fierce looks and machetes in their hands, which made people tremble with fear. Li Xiaoxiao turned pale with fright and hid behind Qin Yuan, trembling.

"Brother Tiger, this is the kid! He ruined your good deeds!" The gangster who was held by Qin Yuan earlier saw Black Tiger coming, as if he had grabbed a life-saving straw, pointed at Qin Yuan and shouted loudly.

Black Tiger stared at Qin Yuan with a pair of bull's eyes, looked up and down, and sneered: "Boy, you are quite capable of fighting. Do you even dare to touch my Black Tiger's people?"

Qin Yuan smiled contemptuously, threw the gangster in his hand aside like garbage, clapped his hands, and said casually: "What, you want to avenge them?"

"Revenge? Just you?" Heihu seemed to have heard some big joke, and laughed uproariously, "I don't even ask, who in this land doesn't know how powerful I, Heihu, am! You kid fell into this trap today. In my hands, you are in trouble!"

# One-click Recovery Since I was a Special Soldier

## Chapter 2435 Automatic Rifle

"Really?" The corner of Qin Yuan's mouth raised a playful arc, "I want to see how you made me unlucky?"

"Go! Cut him down!" Black Tiger gave the order, and the strong men behind him rushed towards Qin Yuan, waving their machetes.

Qin Yuan stood motionless, as if he was stunned.

"This kid is scared!"

"Haha, just wait to die!"

When the gangsters saw this, they started shouting.

However, just when those machetes were about to fall on Qin Yuan, he moved.

I saw him flashing like a ghost, shuttling between the strong men. The strong men didn't even see his movements clearly, they felt a cold on their wrists, and the machete in their hands had already reached Qin Yuan's hand.

"What?!" When Black Tiger saw this, his pupils shrank suddenly, his eyes filled with disbelief.

This kid is so fast!

Before he could react, Qin Yuan had already thrown all the machetes in his hand on the ground, making a "ding-ding-ding-ding" sound.

"That's it?" Qin Yuan clapped his hands and looked at Black Tiger with disdain, "Is this what you rely on?"

Black Tiger's face was ashen. He didn't expect that he would actually kick the iron plate! This seemingly inconspicuous young man turned out to be a master!

"Boy, who are you?" Black Tiger suppressed the anger in his heart and asked in a deep voice.

"You don't deserve to know." Qin Yuan snorted coldly, turned to look at Li Xiaoxiao who was hiding behind him, and asked, "Are you afraid?"

Li Xiaoxiao shook his head and looked at Qin Yuan with eyes full of gratitude and admiration.

Qin Yuan smiled, reached out and touched her head, then turned to look at Heihu and said, "I don't have to pursue today's matter, but you must promise me one thing."

"What's going on?" Black Tiger's heart rang with alarm bells.

"I want you to get out of this city from now on!" Qin Yuan said word by word, his tone was cold and left no room for doubt.

"What?!" Hei Hu heard this and became furious, "Boy, don't bully others too much!"

He, Black Tiger, has been in this land for so many years, and no one has ever dared to talk to him like this!

"It seems that you are not going to agree?" A cold light flashed in Qin Yuan's eyes, and he slowly walked towards the black tiger. With every step he took, the aura on his body became stronger, and the pressure on him was like the top of Mount Tai. The black tiger attacks.

Hei Hu only felt that his breathing was stagnant, and his legs seemed to be filled with lead, unable to move. He was horrified to find that he could not even think of a single thought of resistance in front of this young man!

"I..." Black Tiger's face turned pale, and cold sweat broke out on his forehead.

At this moment, the door of the box was suddenly pushed open from the outside, and a young man wearing a military uniform and carrying the rank of major on his shoulders walked in.

"Brother! Why are you here?" Seeing the person coming, Black Tiger immediately shouted as if he had grasped a life-saving straw.

The person coming was none other than Heihu's brother, Wang Hai, the commander of a certain unit stationed outside the city!

As soon as Wang Hai entered the door, he saw that his younger brother was pale and looked like he was about to pee with fear. But standing opposite him, the young man who looked a little thin exuded a power that made him feel palpitations. momentum!

"Who are you? Why do you want to embarrass my brother?" Wang Hai stared at Qin Yuan with sharp eyes and asked in a deep voice.

"Brother, you have to make the decision for me! This kid..."

"Shut up!" Wang Hai roared, interrupting Hei Hu's words.

Black Tiger suddenly fell silent, not daring to say another word.

Wang Hai then turned to look at Qin Yuan, and his tone softened a little, "This little brother, I am Wang Hai. I don't know where my brother has offended you. Can you look at my face and let him go?" horse?"

Qin Yuan looked at Wang Hai, the corners of his mouth raised slightly, revealing a playful arc.

"You want me to let him go?"

Qin Yuan laughed, his laughter full of disdain and ridicule. "You want me to let him go? Who are you?"

When Wang Hai heard this, his face suddenly darkened. After all, he is also a big shot. Wherever he goes, he is not praised by others? When have you ever been looked down upon like this?

"Boy, don't be so shameless! Do you know who I am?" Wang Hai laughed angrily, with a cold light flashing in his eyes.

"I don't care who you are?" Qin Yuan sneered, "In my eyes, you are just a piece of trash who bullies others."

"You..." Wang Hai was so angry that his whole body was shaking, and his fingers pointing at Qin Yuan were trembling.

"Brother, stop talking nonsense to him! Kill him!" Black Tiger shouted from the side.

Wang Hai took a deep breath, suppressed the anger in his heart, turned to look at Qin Yuan, and said in a serious tone: "Boy, let me ask you one last time, will you let him go?"

"Don't let go." Qin Yuan answered simply and neatly.

"Okay! Very good!" Wang Hai laughed angrily, "If you don't eat the toast, you will be punished with wine! Since you are looking for death, don't blame me for being rude!"

After saying that, Wang Hai waved his hand suddenly, and a dozen soldiers with guns and ammunition behind him immediately stepped forward and surrounded Qin Yuan.

"Brother, kill him for me! I want him to die without a burial place!" Black Tiger roared hysterically from the side.

Wang Hai ignored Black Tiger, but stared at Qin Yuan with murderous intent in his eyes.

"Boy, I will give you one last chance. As long as you are willing to kneel down and kowtow to my brother and admit your mistake, I can consider sparing your life!" Wang Hai said in a cold tone.

When Qin Yuan heard this, he laughed as if he had heard some funny joke.

"Kneel down and admit your mistake? Is this worthy of trash like you?"

"court death!"

Wang Hai's eyes flashed with murderous intent, and he suddenly pulled out his pistol, pointed it at Qin Yuan's head and pulled the trigger.

"Bang!"

With a gunshot, the box was suddenly filled with the smell of gunpowder.

However, what shocked everyone was that Qin Yuan was standing there unscathed, and he had a bullet in his hand at some point!

"How... how is this possible?!" Wang Hai widened his eyes, his face full of disbelief.

He saw himself shooting with his own eyes! And he shot at Qin Yuan's head!

How could this kid catch his bullet unscathed?

"With just this little ability, you dare to learn to play with guns?" Qin Yuan played with the bullet in his hand, and a disdainful arc appeared at the corner of his mouth.

"Who... who are you?" Wang Hai looked at Qin Yuan in horror, his voice trembling a little.

Qin Yuan did not answer his question, but slowly raised his right hand, holding the bullet between his index and middle fingers, and flicked it lightly in the direction of Wang Hai.

"Swoosh!"

The bullet shot towards Wang Hai's forehead like lightning.

"Puff!"

With a slight sound, the bullet accurately shot into Wang Hai's forehead, leaving a bloody bullet hole.

Wang Hai's body shook, and then he fell straight to the ground, blood gushing out from his forehead, soon dyeing the ground red.

"Brother!"

Hei Hu was so frightened that he collapsed to the ground.

Qin Yuan ignored Hei Hu, but turned to look at Li Xiaoxiao and asked softly: "Are you okay?"

"I... I'm fine..." Li Xiaoxiao looked at Qin Yuan in shock, her eyes full of admiration and love.

"I'm glad you're okay." Qin Yuan smiled, then turned to look at the trembling dignitaries in the box, his eyes flashing with cold light.

"Now, it's your turn..."

The air in the box seemed to solidify, and you could hear a pin drop.

Wang Hai's body was lying there, blood was still flowing slowly, and the eyes that were once full of arrogance and viciousness were now staring at the ceiling blankly.

Those dignitaries who were usually high and mighty, now had pale faces and trembling bodies, like frightened quails, not daring to breathe.

They never thought that Qin Yuan would actually dare to shoot and kill people! And the one he killed was Wang Hai, the eldest son of the Wang family!

This is a big deal!

Qin Yuan's eyes slowly swept over the crowd, and a cold arc appeared at the corner of his mouth.

"What? Are you all mute?"

The cold voice, like the cold wind from the Nether Hell, instantly swept the entire box.

"No... it's none of our business..." A fat boss said tremblingly, "We didn't do anything..."

"Yes, yes..." Another middle-aged man in a suit, who could not hide his wretched temperament, quickly echoed, "We were all forced by Wang Hai, we are also victims..."

"Victims?" Qin Yuan sneered, "Are you worthy?"

"I..."

The middle-aged man wanted to say something, but was frightened by Qin Yuan's cold eyes and shrank his neck, and dared not speak again.

"What I hate most is others threatening me." Qin Yuan said in a grim tone, "Especially threatening people I care about."

As he said, Qin Yuan's eyes fell on Li Xiaoxiao.

Li Xiaoxiao was so scared that her face turned pale and her body trembled, but she did not dodge, but bravely met Qin Yuan's eyes.

When their eyes met, Li Xiaoxiao suddenly felt a strange feeling in her heart.

Although this man looked cold and ruthless, he gave her an unprecedented sense of security.

"You... don't mess around..." Li Xiaoxiao's voice trembled a little, but she still mustered up the courage to say, "They are all well-known people. If you touch them, it will really..."

"Really, what's the matter?" Qin Yuan raised a wicked arc at the corner of his mouth, "Are you worried about me?"

"I..." Li Xiaoxiao's pretty face blushed, and she subconsciously wanted to deny it, but in the end she didn't say anything.

"Don't worry, I know what I'm doing." Qin Yuan smiled, then turned his head to look at the trembling dignitaries, with a cold light flashing in his eyes.

"I don't like trouble." Qin Yuan said indifferently, "So, I'll give you a chance to choose."

"What... what choice?" A boss asked tremblingly.

"It's very simple." Qin Yuan stretched out a finger, "Take out all the money you have, and then get out."

"This..."

The dignitaries looked at each other, and their faces showed a look of pain.

They were all wealthy people with high net worth. Although they didn't have much cash on them, it was still hundreds of thousands or millions. How could they be willing to give it to Qin Yuan for free?

"Why? Not willing?" Qin Yuan raised his eyebrows, and a dangerous light flashed in his eyes.

"No... no..." A boss said hurriedly, "We... we are willing..."

"Yes, yes, yes... we are willing..."

Other bosses also echoed.

Life is at stake, what does money matter?

Soon, those bosses took out their wallets, took out all the cash inside, and piled them on the ground.

"Very good." Qin Yuan nodded with satisfaction, "Now, get out."

Those bosses rushed out of the box as if they had been pardoned.

In the blink of an eye, only Qin Yuan, Li Xiaoxiao, and the pile of colorful banknotes on the ground were left in the box.

Qin Yuan ignored the money, but walked straight to Li Xiaoxiao, stretched out his hand, and gently stroked her cheek.

"Are you okay?"

Li Xiaoxiao shook his head, looking at Qin Yuan with eyes full of complicated emotions.

"You...why did you do this?" Li Xiaoxiao asked.

"Because..." Qin Yuan paused, and the corner of his mouth curled up with an evil smile, "I like you."

When Li Xiaoxiao heard this, her delicate body trembled, and her pretty face turned red instantly.

"You...you're talking nonsense..."

Li Xiaoxiao wanted to dodge, but Qin Yuan grabbed his waist.

"You know whether I'm talking nonsense or not." Qin Yuan said, lowering his head and kissing her.

Li Xiaoxiao suddenly felt like the world was spinning, and his whole body fell limply into Qin Yuan's arms.

At this moment, the door of the box was suddenly kicked open.

"stop!"

An angry voice sounded.

Qin Yuan frowned and looked up, only to see a dashing woman in military uniform standing at the door, followed by several fully armed soldiers...

"stop!"

Lei Ting roared angrily, pointing the Type 95 automatic rifle in her hand directly at Qin Yuan's head. Behind her, several heavily armed SWAT members quickly dispersed, forming a tactical formation, surrounding Qin Yuan and Li Xiaoxiao.

Qin Yuan frowned slightly, slowly raised his head, and glanced coldly at Lei Ting and the SWAT team members behind her, with a hint of disdain at the corner of his mouth.

"Hey, isn't this Captain Lei? Why did you bring people to arrest me so quickly?" Qin Yuan let go of Li Xiaoxiao, stood up slowly, patted the dust on his body, his tone was full of ridicule.

Lei Ting gritted her teeth and looked at Qin Yuan, her eyes almost bursting with fire.

"Qin Yuan, you are so brave! You dared to take hostages and injured so many people in broad daylight. You are simply lawless!"

When Qin Yuan heard this, he looked up and laughed as if he had heard some funny joke.

"Hahaha...Captain Lei, you can eat whatever you want, but you can't talk nonsense. When did I take hostages? I was just in love with my girlfriend. As for these people..."

As Qin Yuan spoke, his eyes swept over the wailing dignitaries on the ground, and a playful smile appeared at the corner of his mouth.

"They are all my fans. When they saw me dating my girlfriend, they got excited and insisted on giving me money. What do you think I can do? I have to accept it, right? That would be a shame, don't you think? "

"You..." Lei Ting was so angry at Qin Yuan's shameless remarks, but she was speechless.

Although the dignitaries were beaten with bruises and bruises, they did not dare to refute Qin Yuan's words. They could only stare at Qin Yuan angrily but dare not speak, for fear of offending this evil star.

## One-click Recovery Since I was a Special Soldier

"Qin Yuan, stop making excuses! Do you think I don't know what you did?" Lei Ting took a deep breath, suppressed the anger in her heart, and said coldly, "I'm warning you, you will be arrested immediately. I can consider giving you a lighter punishment, otherwise..."

"Otherwise what?" Qin Yuan interrupted Lei Ting impatiently, a cold light flashed in his eyes, "Otherwise you will shoot me? Come on, shoot me here!"

Qin Yuan said, pulling open his collar, revealing his strong chest, and curled his fingers at Lei Ting, his tone full of provocation.

Lei Ting's hand holding the gun trembled slightly. She wanted to kill this arrogant guy with one shot, but she held back in the end.

She knew very well that Qin Yuan's skills were very terrifying. Even if she fired, she might not be able to hit him. Instead, she might anger him and make him do even crazier things.

"Qin Yuan, don't force me!" Lei Ting said through gritted teeth.

"Forcing you? Haha... I'm just forcing you, what can you do to me?" Qin Yuan sneered and said, "Captain Lei, I advise you to get out of here and don't get in my way here, otherwise... .."

Qin Yuan said, with a flash of murderous intent in his eyes, and said in a cold tone: "I can't guarantee what I will do."

Feeling the killing intent emanating from Qin Yuan's body, Lei Ting's heart trembled and she subconsciously took half a step back.

She knew that Qin Yuan was not joking, he really dared to kill someone!

"Okay, very good!" Lei Ting took a deep breath and forced herself to calm down, "Qin Yuan, just wait for me, I will definitely bring you to justice!"

After speaking, Lei Ting waved her hand and turned around to leave with the SWAT team members behind her.

Looking at the backs of Lei Ting and others leaving, Qin Yuan's lips curved into a disdainful sneer.

"Lei Ting, Lei Ting, who do you really think you are? You still want to bring me to justice? How ridiculous!"

Qin Yuan said, turning to look at Li Xiaoxiao, a touch of tenderness flashed in his eyes.

"Xiaoxiao, are you okay?"

Li Xiaoxiao shook his head, looking at Qin Yuan with eyes full of complicated emotions.

"Qin Yuan, you...why did you do this?" Li Xiaoxiao asked.

"Because..." Qin Yuan paused, a cold light flashed in his eyes, "I want those who have hurt you to pay the price!"

When Li Xiaoxiao heard this, her delicate body trembled, and an ominous premonition suddenly surged in her heart.

"Qin Yuan, you...what do you want to do?"

Qin Yuan did not speak, but gently stroked Li Xiaoxiao's cheek, with a heart-stopping cold light flashing in his eyes.

"From today on, I will make the whole world tremble for you!"

Qin Yuan gently stroked Li Xiaoxiao's cheek, but his eyes were like a bottomless cold pool, which made people shudder. He opened his thin lips lightly, but his tone was as cold as frost: "Xiaoxiao, I will make them pay the price, I will make the whole world tremble for you!"

Li Xiaoxiao looked at the completely different Qin Yuan in front of him with mixed feelings in his heart. The once sunny and cheerful boy has now turned into a murderous

and decisive demon. She wanted to stop him, but she didn't know what to say. She could only watch helplessly as he walked step by step towards the abyss.

Qin Yuan ignored Li Xiaoxiao's complicated emotions. He turned to look at the trembling dignitaries with a cruel smile on his lips.

"Everyone, it's an honor to have dinner with you today, but I think there should be some misunderstandings between us that need to be resolved."

As Qin Yuan spoke, he took out a pistol from his waist and flexibly turned it on his fingertips. The black muzzle exuded a chilling aura of death.

When the dignitaries saw this, they were so frightened that they begged for mercy.

"Master Qin, please spare your life! We are all blind and blind. You, sir, have a lot, so just spare us this time!"

"Master Qin, we were wrong, we never dare again! Please, please let us live!"

"Master Qin, as long as you are willing to let us go, we will give you whatever you want! Money, women, power, you choose whatever you want!"

The pleadings of the powerful came one after another. In order to survive, they had completely given up their dignity, and like bereaved dogs, they humbly begged Qin Yuan for mercy.

However, Qin Yuan remained unmoved at all. He looked at these usually aloof dignitaries expressionlessly, with no pity in his eyes, only endless coldness and ridicule.

"Spare you? Haha... When you bullied Xiaoxiao, why didn't you think of sparing her?"

As Qin Yuan spoke, he pointed his gun at one of the fat and wealthy businessmen and said in a cold tone: "You, it's you. When your son molested Xiaoxiao, you also found someone to send her to the hospital. Have you forgotten? "

When the wealthy businessman heard this, his face turned pale with fright, and a foul smell suddenly came from his crotch.

"Master Qin, I was wrong, I was really wrong! My son is ignorant. I have sent him abroad. Please, for the sake of my old age and frailty, spare my old son. Take your life!"

"Spare you? Living like you is a waste of air!"

Qin Yuan said and pulled the trigger without hesitation.

"Bang!"

With a gunshot, the wealthy businessman's head exploded like a watermelon, splashing red and white all over the people around him.

This scene completely frightened the courage of the other dignitaries. They could no longer care about anything else and stood up one after another to escape.

"Want to run? It's too late!"

Qin Yuan sneered, and the gun in his hand was like the sickle of death, constantly harvesting fresh lives.

"Bang! Bang! Bang!"

Gunfire continued, blood stained the entire box red, and the air was filled with a strong smell of blood.

Li Xiaoxiao looked at the scene in front of her that was like purgatory on earth, and turned pale with fright. She wanted to stop Qin Yuan, but she couldn't say a word.

"Xiaoxiao, don't be afraid, I will make them pay the price!"

Qin Yuan said, walked up to Li Xiaoxiao, and gently held her in his arms, his eyes full of tenderness and love.

However, at this moment, the door of the box was suddenly kicked open, and a group of heavily armed SWAT team members rushed in, led by Lei Ting.

"Qin Yuan, you have been surrounded, put down your weapons immediately and be captured without mercy!"

Lei Ting raised her gun, pointed it at Qin Yuan's head, and said in a cold tone.

When Qin Yuan saw this, the corner of his mouth curled up with a cold arc. He lowered his head and whispered in Li Xiaoxiao's ear: "Xiaoxiao, wait for me to come back."

After saying that, Qin Yuan suddenly pushed Li Xiaoxiao away, then turned around and rushed towards the SWAT team members.

"Bang! Bang! Bang!"

The gunfire rang out again, and Qin Yuan was like a tiger descending the mountain, unstoppable. The SWAT team members were no match for him at all, and were knocked down by him in the blink of an eye.

When Lei Ting saw this, her expression changed drastically. She never expected that Qin Yuan's skills were so terrifying. This was simply not a power that humans could possess!

"Qin Yuan, don't force me to shoot!"

Lei Ting gritted her teeth and said that she didn't want to shoot, but she didn't want to see her comrades die in vain.

"Shoot? Haha... do you think you can kill me?"

Qin Yuan said, and in a flash, he came to Lei Ting in an instant, then grabbed her neck and lifted her up.

"you....."

Lei Ting felt it was difficult to breathe, and her vision went black. She never thought that she would be defeated by this man.

"Captain Lei, long time no see. What, do you want to kill me?"

Qin Yuan said, gradually exerting force on his hands. Lei Ting felt that she was about to suffocate. She struggled desperately, but to no avail.

"Qin Yuan, calm down, you will only make yourself miserable!"

Upon seeing this, He Chenguang and Wang Yanbing quickly pointed their guns at Qin Yuan and shouted loudly.

However, Qin Yuan was not moved at all. He looked at Lei Ting with a playful light flashing in his eyes.

"Impossible? Haha... I have nothing left, what else is there to be afraid of?"

As Qin Yuan spoke, he exerted force on his hands again. Lei Ting felt that her consciousness was gradually blurring...

Lei Ting felt that her consciousness was getting blurry, and the world in front of her began to turn blood red. She knew that if Qin Yuan didn't stop, she would really die.

"Qin Yuan! Stop!"

Just then, a roar came from the door. Immediately afterwards, a figure rushed in like a cannonball and hit Qin Yuan hard.

Qin Yuan groaned and was knocked back a few steps by the huge force, and then he released his grip on Lei Ting's neck.

Lei Ting collapsed weakly on the ground, breathing in fresh air. Severe pain came from her chest, making her cough uncontrollably.

"Cough cough cough..."

"Team Lei!" Seeing this, He Chenguang and Wang Yanbing quickly ran to Lei Ting and helped her up.

"I'm fine..." Lei Ting waved her hand and stared at the person standing opposite, her eyes full of shock and anger, "Li Erniu! Are you crazy?!"

That's right, it was Li Erniu who just knocked Qin Yuan away!

At this time, Li Erniu still has his usual honest and honest appearance? His eyes were red, and his whole body exuded a violent aura, like the same enraged beast.

"Why are you stopping me?!" Li Erniu ignored Lei Ting, but stared at Qin Yuan, asking hoarsely.

Qin Yuan frowned slightly when he saw this. He could naturally feel the hostility emanating from Li Erniu, but he didn't understand why Li Erniu would suddenly attack him?

"Er Niu, calm down, things are not what you think!" Seeing this, He Chenguang stepped forward quickly, trying to persuade Li Er Niu.

"Go away!" Li Erniu roared angrily, pushed He Chenguang away, pointed at Qin Yuan, and said through gritted teeth, "He has killed so many people, he is a murderer! I want to kill him for the sake of the people. Get rid of harm!"

"What did you say?!" Li Erniu's words shocked everyone present.

"Er Niu, what are you talking about?!" Wang Yanbing was also anxious. He grabbed Li Er Niu's arm and said loudly, "Do you know what you are talking about?!"

"I know!" Li Erniu suddenly shook off Wang Yanbing's hand, pointed at Qin Yuan, and said word by word, "He killed my childhood sweetheart, and I want him to pay for it with his life!"

Li Erniu's words were like thunder, exploding in everyone's ears.

"Childhood sweetheart?" Qin Yuan frowned even more when he heard this. He recalled it carefully, but found that he didn't know the "childhood sweetheart" Li Erniu mentioned at all.

"You have the wrong person. I don't know your childhood sweetheart." Qin Yuan looked at Li Erniu and said coldly.

"Impossible!" Li Erniu roared angrily, pointed at the corpses on the ground, and said loudly, "You killed these people, how dare you say you didn't kill anyone?!"

"These people deserve to die." Qin Yuan said calmly, without any fluctuation in his tone.

"Damn it? Why do you say they deserve to die?!" Li Erniu roared, "They are all living people. They have families and friends. If you kill them, what will happen to their families and friends?!"

"The weak eat the strong, this is the law of this world." Qin Yuan said coldly, "Since they have chosen to seek skin from the tiger, they should be prepared for the backlash."

"You..." Li Erniu was so angry that he was trembling with anger at Qin Yuan's words. He pointed at Qin Yuan and gritted his teeth and said, "You are simply a cold-blooded animal! You have no heart!"

"I have no heart?" Qin Yuan suddenly laughed when he heard this, and the laughter was full of ridicule and self-deprecation, "Yes, I have no heart, my heart is already dead!"

"You..." Li Erniu wanted to say something more, but was interrupted by Lei Ting on the side.

"That's enough!" Lei Ting shouted loudly, then looked at Li Erniu and said in a deep voice, "Erniu, I know you are sad, but you can't be impulsive now. Doing this will only make things worse!"

"Lei Dui, why don't you ask me not to be impulsive?!" Li Erniu looked at Lei Ting with red eyes and said loudly, "He killed my childhood sweetheart, and I want him to pay for it with his life! This is a blood feud, and I have to avenge it!"

"I know, I know..." Lei Ting looked at Li Erniu, her eyes full of sympathy and helplessness, "But you can't kill him."

"Why?!" Li Erniu asked puzzledly.

"Because..." Lei Ting took a deep breath, then looked at Li Erniu and said word by word, "He is our country's hero!"

Li Erniu was stunned when he heard this.

"Hero?" Li Erniu looked at Qin Yuan, his eyes full of doubts and confusion, "How can he be a hero? He is just a murderer!"

"Er Niu, please listen to my explanation..." Lei Ting wanted to explain the ins and outs of the matter to Li Er Niu, but Li Er Niu couldn't listen at all.

"I won't listen! I won't listen!" Li Erniu covered his ears and shouted loudly, "I only know that he killed my childhood sweetheart, and I want him to pay for it with his life!"

As he spoke, Li Erniu rushed towards Qin Yuan, raised his fist, and hit Qin Yuan's head hard.

"Er Niu, stop!" Upon seeing this, Lei Ting's face changed drastically, and she quickly tried to stop Li Er Niu, but it was too late...

Lei Ting's words were like a basin of cold water poured on Li Erniu's head, making him sober up from his rage. He stared at Qin Yuan blankly, the expression on his face changing unpredictably, and finally turned into a feeble whisper: "Hero? Him?"

Qin Yuan looked at Li Erniu coldly. He had no intention or disdain to explain his question. Everything he did was done with a clear conscience. As for what others thought of him, he didn't care at all.

"Er Niu, I know it's hard for you to accept it now, but Qin Yuan has really made great contributions to the country." Lei Ting walked to Li Er Niu, patted his shoulder, and said softly, "When this mission is over Finally, I will tell you everything."

Li Erniu was silent. He didn't know what to say or what to do. He just felt that his heart was in a mess, like a mess that he couldn't sort out and kept cutting.

## One-click Recovery Since I was a Special Soldier

### Chapter 2437 She even tried to turn me against me

"Okay, now is not the time to talk about this." He Chenguang came over and broke the silence, "Let's deal with this first."

The crowd then remembered that there were still more than a dozen bodies lying on the ground, and they were immediately in a panic.

After returning to the Langya Special Operations Brigade, Li Erniu was in a very low mood. He locked himself in the dormitory and did not see anyone. Lei Ting and He Chenguang took turns to talk to him, but to no avail.

"This kid is stuck in a dead end." He Chenguang looked at the closed dormitory door and shook his head helplessly.

"Hey, who made him feel uncomfortable." Lei Ting sighed, "He has always regarded that girl as his own sister, and now suddenly learned that she was dead, and was killed by Qin Yuan. No one can accept it."

"But, Captain Qin is also for the mission..." He Chenguang wanted to say something, but was interrupted by Lei Ting.

"I know, but Erniu doesn't know." Lei Ting said helplessly, "He is full of hatred now and won't listen to any explanation at all."

"What should we do? We can't let him go on like this, right?" He Chenguang asked.

"We can only wait until he figures it out." Lei Ting sighed, "All we can do is stay by his side and enlighten him."

A few days later, the Langya Special Operations Brigade received an order from its superiors to conduct a real-combat exercise. The exercise was held in a primeval forest not far from the border, and the participating troops included several special forces including the Langya Special Operations Brigade.

"This exercise is an important opportunity to test the results of our training." Fan Tianlei stood in front of the team and said seriously, "I hope everyone can take it seriously, show all their strength, and strive to achieve good results!"

"Yes!" Everyone responded in unison.

The exercise officially began, and Qin Yuan led a team consisting of He Chenguang, Wang Yanbing, Li Erniu and others, and quietly sneaked into the primeval forest.

"Our goal for this exercise is..." Qin Yuan was about to arrange the task, but was interrupted by Li Erniu.

"You don't have to tell me, I know." Li Erniu said coldly, "I'm going to kill you!"

"What?!" Everyone was shocked when they heard this.

"Erniu, are you crazy?!" He Chenguang grabbed Li Erniu's arm and shouted loudly.

"Let me go!" Li Erniu shook off He Chenguang's hand, pointed at Qin Yuan, and said with gritted teeth, "I want to avenge Xiaoyu!"

"You..." He Chenguang wanted to say something, but was stopped by Qin Yuan.

"This is a matter between us, don't interfere." Qin Yuan looked at Li Erniu coldly, a cold light flashed in his eyes, "If you want to kill me, then come on."

Li Erniu roared and pounced on Qin Yuan...

Li Erniu roared, the bloodshot in his eyes almost bursting through his eye sockets, he pounced on Qin Yuan like an angry bull.

"Bang!"

A gunshot broke the silence of the forest. Li Erniu looked at the muzzle of the gun that pierced his chest in disbelief. Warm liquid flowed out of the bullet hole, staining his camouflage uniform red.

"Erniu!" He Chenguang's eyes were red with anger. He never thought that Qin Yuan would really shoot, and he shot his comrade without hesitation!

Qin Yuan blew the muzzle of the gun expressionlessly, as if he had just done something insignificant. "I said, this is a matter between us." He glanced at everyone coldly, and his tone was unquestionable, "Anyone who dares to interfere will be the same as him!"

Wang Yanbing looked at Qin Yuan in disbelief. He always knew that Qin Yuan was decisive in killing, but he didn't expect that he would attack his comrade, and for a woman! "Captain Qin, are you fucking crazy? Do you know what you are doing?!"

Qin Yuan ignored Wang Yanbing's questioning, put away his pistol, turned around and walked towards Li Erniu who was lying in a pool of blood.

"Why... why..." Li Erniu's voice was intermittent, full of confusion and pain, "Xiaoyu... she..."

"She is just a mission target, that's all." Qin Yuan said coldly, "Do you think she is some pure little white flower? I tell you, she is a well-trained spy, her mission is to get close to you and get intelligence!"

"No... impossible..." Li Erniu shook his head hard, he couldn't accept this fact, how could the gentle and kind Xiaoyu be a spy?

"Why do you think I want to kill her? Because she threatens the security of the country!" Qin Yuan's voice was cold and ruthless, "A chess piece like her, if she dies, she dies, it's not worth mentioning at all!"

Li Erniu looked at Qin Yuan in disbelief, the severe pain in his chest made him almost unable to breathe, but what he couldn't accept even more was Qin Yuan's words, how could Xiaoyu, who brought him warmth and happiness, the girl who would smile at him, cook for him, and care about everything about him, be a spy?

"Impossible... you are lying to me..." Li Erniu's voice became weaker and weaker, and blood stained his camouflage uniform and Qin Yuan's military boots red.

Qin Yuan squatted down and looked into Li Erniu's eyes, his tone still cold: "Li Erniu, you are too naive. This world is not as simple as you think. The love you think is just a carefully planned scam."

"No... I don't believe it..." Li Erniu shook his head painfully. He would rather believe that all this is fake than believe that Xiaoyu would deceive him.

"You have to believe it even if you don't believe it!" Qin Yuan's voice suddenly rose, and he grabbed Li Erniu's collar, "Look at me clearly, this is reality! Why do you think I want to kill her? Because she deserves to die! She betrayed the country and betrayed you, and you actually want to kill me for her?!"

"I..." Li Erniu opened his mouth, but was unable to refute. In his mind, he kept replaying every moment with Xiao Yu. Those sweet memories turned into sharp blades, cutting him apart one by one. heart.

"That's enough! Qin Yuan!" He Chenguang finally couldn't bear it anymore. He rushed forward and pushed Qin Yuan away, "What on earth do you want to do? Erniu is already like this, what else do you want?!"

Wang Yanbing also stood up. Although he usually did not deal with Li Erniu, he could not stand Qin Yuan's ruthlessness at this moment: "Captain Qin, I know you feel uncomfortable, but you can't..."

"What do you know?!" Qin Yuan stood up suddenly, his eyes full of pain and struggle, "Do you know what it feels like to kill the woman I love with my own hands? Do you know what kind of mission I bear?!"

Everyone was silent. They had never seen Qin Yuan lose his composure like this before. Hidden under that cold mask was deep pain and helplessness.

"I knew Xiaoyu's identity from the beginning, but I still fell in love with her. I thought I could change her. I thought love could conquer everything..." Qin Yuan's voice was low and hoarse, "But I was wrong, I was too So naive, she was just using me from the beginning, she never loved me at all..."

"Then you can't kill her!" He Chenguang shouted with red eyes, "You should hand her over to the state and let her face legal trial!"

"Law?" Qin Yuan sneered, "If the law was useful, there would be no war in this world!"

"you....."

"That's enough!" Wang Yanbing, who had been silent all the time, suddenly spoke. He walked to Li Erniu and helped him up, "Erniu, let's go!"

"But....."

"Nothing to worry about!" Wang Yanbing interrupted Li Erniu, "You are already dead. Now you are a martyr. You must avenge your comrades!"

Li Erniu was stunned for a moment. He looked at Wang Yanbing's firm eyes and suddenly understood something. He struggled to stand up and saluted Qin Yuan: "Captain Qin, I was wrong. I shouldn't doubt you. You are Yes, I...I..."

Li Erniu's voice became lower and lower, and he finally fell to the ground. His eyes were still open, but they had lost focus.

"Er Niu!" He Chenguang rushed to Li Er Niu in grief. He never expected that this exercise would end like this.

Qin Yuan looked at Li Erniu who fell on the ground. A trace of pain flashed in his eyes, but he quickly concealed it. He turned around and ordered to everyone: "Everyone, return to the base immediately!"

After saying that, he walked into the depths of the forest without looking back, leaving only a lonely figure behind...

Three days later, in the conference room of the Langya Special Forces Brigade, Fan Tianlei sat in the main seat with a solemn expression. Opposite him sat Qin Yuan, He Chenguang and Wang Yanbing.

"You did a good job in this exercise, but it also exposed many problems." Fan Tianlei's voice was low, "Especially you, Qin Yuan, you are too impulsive!"

Qin Yuan was silent. He knew that he had gone too far this time, but he had no regrets.

"I know you feel bad, but you can't..."

"Report!"

Suddenly, the door of the conference room was pushed open and a figure walked in.

"Li Erniu?!" Everyone looked at Li Erniu who walked in in surprise. Wasn't he already...

"You kid, didn't I tell you to have a good rest? Why are you here?" Fan Tianlei looked at Li Erniu in surprise. He clearly remembered that Li Erniu was seriously injured, how could he recover so quickly?

Li Erniu ignored Fan Tianlei. He walked straight to Qin Yuan, stood at attention and saluted: "Report to captain, Li Erniu is back in the team!"

Qin Yuan looked at Li Erniu in front of him, with mixed feelings in his heart. He opened his mouth, but didn't know what to say.

"Welcome back, Erniu." Finally, He Chenguang broke the silence. He stepped forward and gave Li Erniu a hug.

"Okay, don't be stunned. Since Erniu is back, let's continue the meeting." Fan Tianlei cleared his throat, "About the summary of this exercise..."

Fan Tianlei looked at the living person in front of him, his eyes were as wide as copper bells, and his beard almost stood up, "You kid, do you really think you are Wolverine? Can you survive this?"

Li Erniu scratched his head and smiled honestly, "I don't know either. I remember that my vision went dark and I didn't know anything. When I woke up, I was in the hospital. The doctor said that I was destined to die, and the bullet was only one centimeter away. It hit the heart."

He Chenguang stepped forward and punched Li Erniu in the chest, "You Erniu, your life is so tough, who will dare to practice with you in the future!"

Wang Yanbing also smiled and agreed, "That's right, you will be our red blood cell's living treasure from now on."

Qin Yuan looked at the excitement in front of him with mixed feelings in his heart. Li Erniu's resurrection was the best news for him, but thinking of what happened in the forest that day, he still felt a heart-wrenching pain.

"Okay, stop making trouble," Fan Tianlei waved his hand, "Er Niu's body hasn't fully recovered yet, so go back to the dormitory to rest. Others, follow me for a meeting!"

The atmosphere in the conference room was extremely heavy. Fan Tianlei was sitting on the main seat, his face was ashen, and he tapped his fingers on the table, making a dull sound.

"This exercise has a big problem!" Fan Tianlei's voice was low, but full of oppression, "Qin Yuan, tell me, why did you disobey orders and act without authorization?"

Qin Yuan stood upright with no flinch in his eyes, "Report, I judged that Xiao Yu had posed a threat to national security. In order to avoid greater losses, I had to take action!"

"Threat? What threat?" Fan Tianlei slammed the table and roared, "She is an undercover agent. Her mission is to obtain intelligence. How can she pose a threat to national security?!"

"She has been exposed. She knows all our action plans. She even..." Qin Yuan paused and took a deep breath before continuing, "She even wanted to instigate me!"

"What?!" There were exclamations in the conference room, and everyone looked at Qin Yuan in disbelief.

"What nonsense are you talking about! How could Xiaoyu..." He Chenguang stood up excitedly, but was held back by Wang Yanbing.

"Calm down, Chen Guang." Wang Yanbing whispered, but the eyes he looked at Qin Yuan were also full of suspicion.

Qin Yuan ignored everyone's reactions. He took out a miniature voice recorder from his pocket and placed it on the table, "I found this in Xiaoyu's room. It contains evidence of her contact with foreign forces, and... "

Qin Yuan's voice became lower and lower. He closed his eyes, as if he didn't want to recall the contents of the recording pen.

Fan Tianlei picked up the recorder, put on his headphones, and listened carefully. His face became more and more ugly, and his brows became more and more wrinkled.

The contents of the voice recorder were shocking. Xiao Yu not only betrayed the action plan of the Langya Special Forces Brigade, but also leaked a lot of Jimmy. What's even more outrageous is that she actually planned to cause an accident during an important military exercise and blame it on the Langya Special Forces Brigade, in order to achieve the purpose of subverting the country's power!

After listening to the contents of the recorder, Fan Tianlei turned pale and said nothing. He slammed the recorder on the table, making a loud noise that startled everyone.

"Bastard! What a bastard!" Fan Tianlei roared, "I will never let this traitor go!"

There was silence in the conference room, everyone was shocked by the sudden news. They never imagined that the comrade who was usually gentle and kind and lived with them day and night would turn out to be such a vicious-hearted woman!

"Qin Yuan, you did the right thing this time." Fan Tianlei took a deep breath, suppressed the anger in his heart, and said in a deep voice, "If you hadn't discovered it in time, the consequences would have been disastrous!"

"But," Fan Tianlei changed the topic, "Your behavior was too impulsive. You should leave her to us instead of..."

"I won't let her have another chance to hurt my comrades!" Qin Yuan suddenly raised his head, with a firm light shining in his eyes, "I swear, I will personally bring her to justice!"

## Chapter 2438 What the hell are you talking about!

Fan Tianlei looked at Qin Yuan, opened his mouth, but said nothing in the end. He knew that this incident was a big blow to Qin Yuan, and what he needed now was time to calm down.

"Okay, let's stop here," Fan Tianlei waved his hand, "Qin Yuan, you should have a good rest during this period, and I will handle other things."

Qin Yuan did not speak, but saluted and turned to leave the meeting room.

After the meeting, He Chenguang and Wang Yanbing caught up with Qin Yuan.

"Captain Qin..." He Chenguang hesitated, he didn't know how to comfort Qin Yuan.

"I know what you want to say." Qin Yuan stopped and looked at them, "I am sorry for everyone in this matter."

"Captain Qin, you don't have to blame yourself, we all believe in you." Wang Yanbing patted Qin Yuan on the shoulder, "You will always be our captain!"

"Yes, Captain Qin, we are all your brothers, no matter what happens, we will stand by you!" He Chenguang also said.

Qin Yuan looked at the two brothers in front of him, and a warm current surged in his heart. He knew that no matter what happened, he was not fighting alone.

"Thank you." Qin Yuan patted their shoulders, "Let's go back and have a drink!"

As the sun set, three figures walked side by side on the way back, their backs were stretched out, as if they would never separate.

Qin Yuan drank the wine in the glass in one gulp, the spicy liquid slid down his throat, but it couldn't extinguish the surging anger in his heart. Xiaoyu's betrayal, like a thorn, deeply pierced his heart.

"Damn it! I treat her as my own sister, but she actually..." Wang Yanbing punched the table, shaking the bottle of wine.

He Chenguang frowned, and he, who was always calm, could not calm down at this moment. "Captain Qin, what are you going to do?"

"What else can we do?" Qin Yuan laughed at himself, "Fan Can has issued a gag order, Xiaoyu's matter should be treated as if it never happened."

"Are you going to swallow this breath?" Wang Yanbing widened his eyes and shouted in a rough voice, "I can't swallow this breath! Why did she stab us in the back when we went through life and death? If this matter gets out, how can we, Langya, survive in the army?"

Qin Yuan was silent. He knew that Wang Yanbing was right, but what could he do? Military orders were like mountains, and he could only obey.

"Brother Bing, don't say anything." He Chenguang pressed Wang Yanbing's shoulders and sighed, "Captain Qin is not feeling well either, let's not make things difficult for him anymore."

Wang Yanbing scratched his hair irritably, but he didn't say anything after all.

The three of them drank a few more glasses, and the atmosphere was still dull. At this time, Qin Yuan's mobile phone suddenly rang, and the caller ID showed an unfamiliar number.

"Hello?" Qin Yuan answered the phone with an impatient tone.

"Is that Qin Yuan, Captain Qin?" A low and hoarse voice came from the other end of the phone.

"Who are you?" Qin Yuan asked vigilantly.

"It doesn't matter who I am. What's important is that I know what you want to know." The voice was a little teasing, "Do you want to know who the real mastermind behind Xiaoyu is? Do you want to know why she betrayed you?"

Qin Yuan's pupils suddenly shrank, and a chill ran from the soles of his feet to the top of his head, "Who are you? What do you want to do?"

"Don't worry, Captain Qin, I will tell you everything slowly." The voice seemed to have some kind of magic, which made people shudder, "Tomorrow at 12 noon, at the abandoned factory on the outskirts of the city, I'll wait for you."

After speaking, the other party hung up the phone, leaving only the busy tone echoing in his ears.

"Who is it?" He Chenguang and Wang Yanbing heard the content of the call and asked in unison.

Qin Yuan held the phone, his knuckles turned white, and a dangerous light flashed in his eyes, "Tomorrow, I will know."

The next day at noon, Qin Yuan drove to the abandoned factory on the outskirts of the city alone. The factory had long been abandoned, surrounded by weeds and dead silence. Only the cries of crows echoed in the empty factory, which seemed particularly eerie and terrifying.

Qin Yuan pushed open the rusty iron door, and a smell of decay hit him. He looked around cautiously. There was no one in the empty factory. Only a faint light from a distance shone in from the broken window, casting mottled light and shadows on the ground.

"You are here."

A low voice suddenly sounded behind him. Qin Yuan turned around abruptly, but saw a man in a black windbreaker standing behind him at some point. He was wearing a silver mask on his face, and his face could not be seen clearly. There was only a pair of deep eyes, like the abyss, which made people shudder.

"Heh, you are just being mysterious." Qin Yuan sneered, his eyes were like torches, and he scanned the empty factory. He was not panicked by the sudden appearance of the man. He came today and did not intend to return empty-handed.

The man's deep laughter echoed in the empty factory, like the roar of some large beast, "You are worthy of being a soldier from Langya, you are very brave."

"Stop talking nonsense, who are you? Did you do something about Xiaoyu?" Qin Yuan interrupted him impatiently, his tone was cold, as if a layer of ice had formed.

"Xiaoyu? Are you talking about that beautiful female military doctor?" The man stretched out his voice, with a hint of playfulness, "She is very 'safe' now."

Qin Yuan's eyes were stern, and a burst of anger rushed to his forehead, "What did you do to her?"

The man did not answer, but slowly took off the mask on his face, revealing a sharp and handsome face. But his deep eyes were full of teasing and mockery, as if he was watching a good show.

"It's you?!" Qin Yuan's pupils suddenly shrank when he saw the man's face, and he uttered a name in disbelief, "Lei Zhan?!"

The man standing in front of him was the drug lord who was killed by their wolf teeth in a border operation a few years ago-Lei Zhan!

"Impossible! You are obviously dead!" Qin Yuan found it difficult to accept this fact. In that battle, he saw Lei Zhan being shot and killed with his own eyes. How could he still be alive?

"Hehe, Captain Qin, long time no see." Lei Zhan raised a wicked smile at the corner of his mouth, and said in a cold tone, "Are you surprised that I am still alive?"

Qin Yuan did not speak, but stared at him, his clenched fists made a "crackling" sound, and his veins bulged, as if he was going to attack in the next second.

"Do you want to know the answer?" Lei Zhan raised his eyebrows, took an elegant step, and walked towards Qin Yuan step by step, "I can tell you, but you have to agree to one condition of mine."

"What condition?" Qin Yuan narrowed his eyes and spoke in a vigilant tone.

"It's very simple, join me." Lei Zhan stood in front of him, his tone was bewitching, "With your ability, if you join us, we will become the most powerful organization in the world. At that time, money, power, women, whatever you want, you will have it!"

"You are dreaming!" Qin Yuan refused without thinking, his tone full of disgust and disdain, "I will never betray my motherland and my comrades!"

"Betray?" Lei Zhan laughed wantonly as if he heard a funny joke, "Qin Yuan, do you know that your so-called motherland and so-called comrades have abandoned you long ago!"

"What do you mean?" Qin Yuan's heart was shocked, and a bad premonition came to his mind.

Lei Zhan restrained his smile, looked at him coldly, and said word by word: "Do you know why Xiaoyu betrayed you?"

Qin Yuan did not speak, but his intuition told him that what Lei Zhan was going to say next would completely defeat him.

"Because..." Lei Zhan deliberately prolonged his voice, observing Qin Yuan's expression. Seeing his increasingly solemn expression, he felt a perverted pleasure in his heart, "She was ordered to approach you!"

"What did you say?!" Qin Yuan was struck by lightning, and his mind went blank.

"The motherland you are loyal to and the comrades you trust have long suspected that you are a traitor and sent Xiaoyu to approach you to get information!" Lei Zhan pressed on

step by step, his tone full of malice, "How is it? Do you feel like a fool now, being played around by them?"

Qin Yuan staggered back, his face pale, as if all his strength had been taken away. He couldn't believe that everything he had fought to protect had deceived him!

"Impossible... This is impossible..." Qin Yuan muttered to himself, and the scene of being with Xiaoyu kept appearing in his mind.

They carried out missions together, and went through life and death together. Xiaoyu looked at him with admiration and love. Was it all fake?

"Qin Yuan, stop deceiving yourself!" Lei Zhan grabbed his collar and pulled him back from his thoughts, "Look at you now, like a lost dog! Do you think they will be grateful to you if you give everything for them? Wrong! They will only treat you as a chess piece, as a discarded piece!"

"Enough!" Qin Yuan waved Lei Zhan's hand away, staring at him with scarlet eyes, "What on earth do you want to do?!"

Lei Zhan was startled by the hatred in his eyes, and then regained his composure. He straightened his collar and said contemptuously, "I said, join me, I can give you everything you want, including... revenge!"

Qin Yuan was silent. Lei Zhan's words, like a sharp blade, pierced his heart fiercely. He closed his eyes, and Lei Zhan's words kept echoing in his mind.

Is it really necessary to give up everything and join Lei Zhan to avenge those who betrayed him?

At this moment, there was a roar of car engines outside the factory, and then several black off-road vehicles roared in and stopped at the door of the abandoned factory.

The car door opened, and a group of armed men wearing black combat uniforms and holding weapons jumped out of the car and quickly surrounded the entire factory.

Seeing this scene, Qin Yuan suddenly opened his eyes, and a cold light flashed in his eyes.

"It seems that someone has come to disturb our elegance." Lei Zhan sneered and clapped his hands indifferently, "Qin Yuan, what do you think? Do you choose to continue to be your loyal dog, or join me and trample the world under your feet?"

Qin Yuan did not answer, but just looked at him coldly, with a cold smile on his lips.

"I choose..."

Before he finished speaking, the door of the factory was suddenly kicked open by someone from the outside, and the dazzling sunlight shone in. A familiar voice sounded at the door:

"Captain Qin, we are late!"

Qin Yuan turned his head suddenly, and saw He Chenguang and Wang Yanbing leading the way, rushing in with a group of fully armed special police, and the black muzzles of the guns were all aimed at Lei Zhan!

"I told you not to come, but you came to die!" Lei Zhan's smile froze, but he soon returned to his cynical look, as if it was not him who was surrounded, but someone else.

"Stop talking nonsense, Lei Zhan, you can't escape!" Wang Yanbing shouted in a rough voice, holding the assault rifle tightly in his hand, as if ready to fire at any time.

"That's right, you have come to this day!" Li Erniu said in a muffled voice, his sturdy body like an iron tower, blocking Qin Yuan in front of him, his eyes vigilantly scanning the surrounding armed elements.

Qin Yuan did not speak, but looked at everything in front of him coldly, as if he was watching a farce. He had known for a long time that Lei Zhan would not let him go easily, so he arranged in advance for He Chenguang and the others to ambush outside, waiting to catch them all.

"Just them?" Lei Zhan seemed to have heard some funny joke. He glanced at He Chenguang and others with disdain and said in a contemptuous tone, "How dare a bunch of rabble come to die?"

"What the hell are you talking about!" Wang Yanbing was furious and was about to rush forward, but was held back by He Chenguang.

"Calm down, Yan Bing." He Chenguang whispered, staring at Lei Zhan sharply, "Don't forget our mission."

Wang Yanbing took a deep breath, suppressed the anger in his heart, and glared at Lei Zhan viciously.

"Qin Yuan, I will give you one last chance. As long as you nod, I can let these people go." Lei Zhan suddenly stopped smiling and looked at Qin Yuan with a stern look, with a hint of confusion in his tone, "With your ability and my power, we can definitely..."

"Shut up!" Qin Yuan interrupted him sternly, a trace of disgust flashed in his eyes, "Even if I, Qin Yuan, die, I will not collude with a scum like you!"

"If you don't eat the toast, you'll be fined!" Lei Zhan's face darkened, and he suddenly pulled out a pistol from his waist and pointed it at Qin Yuan's head, "Since you refused to eat the toast, don't blame me..."

"Bang!"

There was a gunshot, and the gun in Lei Zhan's hand was knocked away. He looked down at his bloody hand in disbelief, his eyes full of shock and anger.

"You..." He raised his head suddenly, stared at the figure standing at the door, and said through gritted teeth, "It's you!"

Standing at the door was a tall woman with short ear-length hair. She was wearing a black trench coat and a pair of sunglasses on her face. Her expression could not be seen clearly, but she exuded an icy aura that made people shudder.

"Long time no see, Lei Zhan." The woman slowly took off her sunglasses, revealing a pair of cold and sharp eyes, and a cold smile on her lips, "It seems that you haven't improved at all over the years."

"It's you...why are you here?!" Lei Zhan's face became very ugly, and a trace of fear flashed in his eyes.

"Why, aren't I welcome?" The woman sneered and walked into the factory with elegant steps. Her high heels clicked on the floor, making a crisp sound, as if hitting Lei Zhan's heart.

### Chapter 2439 Don't Dirty My Place

"You..." Lei Zhan opened his mouth, but didn't know what to say.

"Why, you don't recognize me anymore?" The woman walked up to him, stopped, and looked at him condescendingly, with a sarcastic smile on her lips, "It seems that you have been living a really cool life in these years."

"You...what do you want to do?!" Lei Zhan suppressed the fear in his heart and asked through gritted teeth.

"I'm here to take him away." The woman said, turning her eyes to Qin Yuan, with a trace of complicated emotions flashing in her eyes.

"You..." Qin Yuan looked at the woman in front of him, his heart full of doubts. He was sure that he had never seen this woman before, but for some reason, he always felt that this woman was very familiar, as if he had seen her somewhere.

The woman ignored him, just turned to look at the surrounded SWAT police, and said coldly: "If you don't want to die, get out of here!"

The special police officers looked at each other, not knowing what to do for a moment.

"Why, didn't you hear what I said?!" There was a hint of murderous intent in the woman's tone.

"Stop it!" At this time, a majestic voice sounded at the door.

Everyone followed the sound and saw a middle-aged man wearing a police uniform and carrying a general star on his shoulder walking in. Behind him was a group of heavily armed police officers.

"Brigadier!" He Chenguang shouted in surprise when he saw the person coming.

The person coming was none other than He Zhijun, the commander of the Langya Special Forces Brigade.

The appearance of He Zhijun instantly solidified the tense atmosphere. When Lei Zhan saw the person coming, a flash of panic flashed in his eyes, but he quickly calmed down, forced a smile on his face and said, "Brigadier, why are you here?"

He Zhijun ignored him, his sharp eyes scanned the entire audience, and finally landed on Qin Yuan, and asked in a deep voice: "What's going on?"

"Report to the brigade commander," He Chenguang stepped forward, gave a military salute, and loudly reported the report, "Lei Zhan colluded with foreign forces and trafficked family secrets. We were ordered to come and arrest him!"

"That's nonsense!" Lei Zhan's expression changed and he retorted sternly, "I was ordered to carry out a secret mission, you are framed!"

"Secret mission?" He Zhijun snorted coldly, his eyes full of ridicule, "Is your secret mission to collude with foreign forces to achieve family interests?"

"I..." Lei Zhan was speechless, a thin layer of sweat dripping down his forehead.

"Brigadier," at this moment, the silent woman suddenly spoke. She took off her sunglasses, revealing a delicate face with a faint smile on her lips, "What is the truth of the matter? I miss you. You should know better than me, right?"

He Zhijun looked at the woman in front of him, a complicated look flashed in his eyes. He naturally recognized this woman. Her name was Su Qing. She used to be a military doctor in the Langya Special Forces Brigade and one of his most proud students. However, due to certain circumstances, He left the army for a reason, and he didn't expect to meet again under such circumstances.

"Su Qing," He Zhijun took a deep breath and said in a deep voice, "You should know that this matter is not trivial. I hope you will not interfere."

"Brigadier," Su Qing's smile remained unchanged, but her tone became cold, "I came today just to take away my people. I don't want to care about other things, and I can't care about them."

"Your people?" He Zhijun frowned and asked in confusion, "Who are you talking about?"

Su Qing did not speak, but turned to look at Qin Yuan, with a meaningful smile on her lips.

Qin Yuan was so frightened by her sight that he couldn't help but ask: "Who are you? Why do you want to help me?"

Su Qing did not answer his question, but slowly walked up to him, stretched out her slender jade fingers, and gently touched his cheek. Her tone was so gentle that she could almost shed tears: "You don't need to know who I am, you just need to know who I am." You need to know that from today on, you are mine."

Qin Yuan trembled all over, and a strange feeling came to his heart. He wanted to escape, but found that his body seemed to be frozen and he could not move.

"You...what do you want to do?" Qin Yuan suppressed the uneasiness in his heart and asked through gritted teeth.

Su Qing didn't speak, she just leaned into his ear and whispered softly: "From today on, you are my toy."

Qin Yuan suddenly felt as if he had been struck by lightning, and his face instantly turned extremely pale.

Qin Yuan was stunned. Su Qing's words were like a bolt from the blue, exploding in his ears. He never thought that one day he would be so frivolous by a woman, and this woman was a stranger he had never met.

"You..." Qin Yuan wanted to retort, but found that he was unable to resist at all. The powerful aura exuding from Su Qing made him feel suffocated, as if a weak rabbit was being targeted by a giant python and could only be slaughtered.

Su Qing looked at the panic and anger in Qin Yuan's eyes, and the smile on her lips became thicker. She stretched out the tip of her tongue, gently licked Qin Yuan's earlobe, and said in an ambiguous tone: "What? Don't you want to? Don't forget, you are my prisoner now, I can do whatever I want to you. "

Qin Yuan felt a current running vertically from his ears to his whole body, making him shiver. He wanted to resist, but found that he could not move at all, and could only watch as Su Qing did whatever he wanted on him.

"You...what do you want to do?" Qin Yuan asked through gritted teeth, with a hint of trembling in his voice.

"What do I want to do?" Su Qing chuckled, letting go of Qin Yuan's hand, taking a step back, looking Qin Yuan up and down, her eyes full of playfulness, "Of course an excellent toy like you needs to be trained well. That's it."

Qin Yuan looked at Su Qing's eyes, and an ominous premonition suddenly arose in his heart. He suppressed the fear in his heart and asked coldly: "Who are you? Why do you want to involve me in this matter?"

"You don't need to know who I am." Su Qing said in a cold tone, "You just need to remember that from today on, you are mine and you must obey my orders unconditionally, otherwise..."

Su Qing didn't say any more, but the threat in her tone was self-evident.

Qin Yuan was silent. He knew that he had no choice now. This woman is too powerful and mysterious, and he is no match for her.

"Very good." Su Qing nodded with satisfaction, "From today on, you can follow me."

After saying that, Amelia Su turned around and walked out. Seeing this, Qin Yuan quickly followed him.

Walking out of the interrogation room, Qin Yuan found that there was a mess outside. He Zhijun, Lei Zhan and others were already fighting each other, and both sides were furious, with no regard for identity or emotion.

"Stop!" Su Qing shouted, and everyone stopped immediately and turned to look at her.

Su Qing ignored everyone, walked straight to He Zhijun, and said coldly: "Commander He, I hope you can give me an explanation why you want to arrest my... friend."

He Zhijun looked at Su Qing, a complicated look flashed in his eyes, and he said in a deep voice: "Su Qing, you shouldn't interfere in this matter. I hope you won't embarrass me."

"Embarrassing you?" Su Qing sneered, "Are you embarrassing me? You know that he was wronged, but you still want to arrest him. What are you worried about?"

"I..." He Zhijun was speechless for a moment and didn't know how to explain.

"What? You can't tell me?" Su Qing pressed forward, "He Zhijun, I originally thought you were an upright person, but I didn't expect you to do such a thing! I really misjudged you!"

"Su Qing, you..." He Zhijun's face was ashen, but he was unable to refute.

"That's enough!" Lei Zhan, who had been silent all this time, suddenly spoke. He pointed at Qin Yuan and roared, "Su Qing, you were deceived by him! He is not a good person at all, he..."

Before Lei Zhan finished speaking, he was interrupted by Su Qing: "Shut up! It's not your turn to speak here!"

Lei Zhan was intimidated by Su Qing's momentum and immediately did not dare to speak anymore.

"Su Qing, do you really want to become an enemy of our Langya Special Forces for this man?" He Zhijun asked in a deep voice.

When Su Qing heard this, a sneer appeared at the corner of her mouth: "An enemy? Just you? Are you worthy?"

As soon as Su Qing finished speaking, a powerful momentum burst out from her body and swept through the entire corridor. He Zhijun and others' expressions suddenly changed. They felt as if they were being pressed down by a big mountain. They had difficulty breathing and could not move.

"This...how is this possible?" He Zhijun's eyes were full of shock. He never imagined that Su Qing had such terrifying strength.

Su Qing ignored He Zhijun's shock. She turned to look at Qin Yuan and said softly: "Let's go."

Qin Yuan nodded and followed Su Qing out.

Behind the two of them, He Zhijun and others could only watch them leave, but no one dared to stop them.

...

After walking out of the military camp, Su Qing took Qin Yuan to a black car.

"Get in the car." Su Qing said.

Qin Yuan nodded, opened the car door and got in.

Su Qing started the car and drove away.

Looking at the scenery passing by outside the window, Qin Yuan's heart was filled with doubts and uneasiness.

Who is this Su Qing? Why help him? If she takes him away, where will she take him?

All of this was like a fog shrouding Qin Yuan's mind, making it difficult for him to see the direction.

Qin Yuan followed Su Qing out of the military camp, remaining silent all the way. Su Qing drove a low-key black car, which was fast but smooth. Like her owner, she exuded an unquestionable strength.

The car drove into the city and finally stopped in front of a high-end club. Qin Yuan looked at the splendid building and frowned slightly. Who is this woman?

"Get off the car." Su Qing's voice was still cold and without any emotion.

Qin Yuan followed Su Qing into the club and was immediately shocked by the sight in front of him. Luxurious crystal lamps, expensive mahogany furniture, scantily clad waiters... a world full of life, sensuality and sensuality, completely different from the world he was familiar with.

"Miss Su, you're here." A middle-aged man in a suit with oily hair and pink face came up to him, nodding and bowing in greeting, with a flattering smile on his face.

"Yes." Su Qing responded lightly, turned to look at Qin Yuan, "Take him to clean up."

"Yes, yes." The middle-aged man nodded quickly and stretched out his hand to signal Qin Yuan to follow him.

Qin Yuan hesitated for a moment, but still followed. He didn't know what medicine was sold in Su Qing's gourd, but he knew that he had no choice now.

An hour later, Qin Yuan walked out of the bathroom. He put on a well-fitting black suit, his hair was combed meticulously, and his originally resolute face looked more angular and heroic against the background of the suit.

"Not bad." Su Qing looked Qin Yuan up and down and nodded with satisfaction.

Qin Yuan did not speak, but looked at Su Qing quietly, waiting for her explanation.

Su Qing walked up to Qin Yuan, looked directly into his eyes with a pair of beautiful eyes, and said slowly: "Qin Yuan, I know you are a soldier and you are used to obeying orders, but now, I hope you can make your own choice. "

"Choice?" Qin Yuan frowned slightly, "What choice?"

"Choose to stay with me, or go back to the place that treats you as a criminal." Su Qing's voice was still calm, but it carried an unquestionable majesty.

Qin Yuan was silent. Of course he didn't want to go back to that dark interrogation room, but he also didn't want to become Su Qing's puppet. He needed an explanation, a reason to convince himself.

"Why do you want to help me?" Qin Yuan finally asked.

Su Qing did not answer Qin Yuan's question, but asked: "Do you believe there is absolute justice in this world?"

Qin Yuan was stunned for a moment, then shook his head. He has been in the army for so many years and has seen too much darkness and filth. He has long understood that justice is never absolute.

"In that case, what do you still care about?" A sneer appeared at the corner of Su Qing's mouth, "This world is about the survival of the fittest and the law of the jungle. You have great strength, but you are willing to be bound by those rotten rules. Don't you think it's ridiculous? "

Qin Yuan was silent. Su Qing's words were like a sharp blade, piercing the softest place deep in his heart. The belief he had always adhered to seemed to be shaken at this moment.

"Follow me, and I will give you everything you want." Su Qing's voice was full of temptation, "Power, wealth, women... whatever you want, I can give it to you."

Qin Yuan looked at the beautiful and dangerous woman in front of him, and his heart was filled with struggle. He knew that Amelia Su's words were like a glass of poisonous wine. Once contaminated, there would be no turning back.

"How do you think about it?" Seeing that Qin Yuan was silent, Su Qing asked again.

Just when Qin Yuan was hesitating, the door of the box was suddenly kicked open.

"Su Qing! You stinky bitch! How dare you secretly meet a man behind my back!"

A man with a beer belly and a sinewy face rushed in menacingly, followed by several burly bodyguards.

"Mr. Wang, you misunderstood. This is..." Upon seeing this, the middle-aged man quickly stepped forward to explain.

"I misunderstood your mother!" Mr. Wang slapped the middle-aged man in the face, pointed at Qin Yuan and roared, "I ask you, who is this pretty boy?!"

Su Qing looked at Mr. Wang coldly, a trace of disgust flashed in her eyes, and said coldly: "Get out, don't dirty my place."

## One-click Recovery Since I was a Special Soldier

"Hey, you stinky bitch, you dare to put on airs with me?" Mr. Wang was immediately furious, pointing at Su Qing's nose and cursing, "Don't think I don't know, you hooked up with this pretty boy behind my back, and you want to take all my money away! I tell you, no way!"

"Pah!"

Su Qing slapped Mr. Wang in the face with a backhand, and the force was so great that he fell to the ground.

"You..." Mr. Wang covered his face, his eyes full of disbelief, he could never have imagined that Su Qing dared to hit him in front of so many people.

"Hit me! Beat him to death!" Mr. Wang got up from the ground, pointed at Su Qing and Qin Yuan, and shouted hysterically.

Several bodyguards received the order and immediately waved their fists and rushed towards Qin Yuan and Su Qing.

Qin Yuan saw this, a cold light flashed in his eyes. He didn't want to cause trouble, but since the other party was aggressive, he could only accompany him to the end.

Qin Yuan flashed and appeared in front of a bodyguard in an instant. He punched the bodyguard in the chest.

"Bang!"

With a muffled sound, the bodyguard flew backwards like a kite with a broken string, fell heavily to the ground, spitting blood, and was obviously dead.

"What?!"

The remaining bodyguards were shocked when they saw this. They were all masters hired by Mr. Wang at a high price, but they didn't expect that they couldn't even take the opponent's move.

"Let's go together! Kill him!"

The bodyguards looked at each other, a trace of cruelty flashed in their eyes, and they rushed towards Qin Yuan at the same time.

Qin Yuan sneered, his eyes full of contempt. Although these bodyguards were numerous, in his eyes, they were like chickens and dogs, vulnerable.

Qin Yuan's figure was like lightning, shuttling freely between several bodyguards, and every time he made a move, he hit the opponent's vital points with great accuracy.

"Bang! Bang! Bang!"

After a series of muffled sounds, several bodyguards all fell to the ground, wailing.

Seeing this, Mr. Wang was frightened and his face turned pale, his legs became weak, and he sat on the ground with a foul smell coming from his crotch.

Su Qing looked at the scene in front of her, a trace of appreciation flashed in her eyes, and the corners of her mouth slightly raised.

"It seems that I underestimated you." Su Qing walked in front of Qin Yuan and said softly.

Qin Yuan did not speak, but just looked at Su Qing quietly, waiting for her explanation. He knew that the real contest had just begun!

"Explanation? What explanation do you want to hear?" Su Qing chuckled, walked to Qin Yuan, put one hand on his shoulder, and said in an ambiguous tone, "Why, do you feel sorry for me?"

Qin Yuan frowned, quietly avoided Su Qing's hand, and said coldly: "I just don't like to cause trouble."

The smile on Su Qing's face froze, and then returned to normal. She looked at Qin Yuan with interest. This was the first time that a man dared to refuse her kindness.

"Interesting, really interesting." Su Qing whispered to herself. She walked to Mr. Wang, who was slumped on the ground, and looked down at him with cold eyes. "Mr. Wang, tell me, how do you want to solve this matter today?"

Mr. Wang was so scared at this time that his soul was gone. There was an unpleasant smell of urine in his crotch. He said tremblingly: "Su... Mr. Su, I was wrong. I... I was blinded by lard. Please forgive me this time!"

"Forgive you?" Su Qing sneered, stepped on Mr. Wang's face and crushed it hard. "Who do you think you are? Do you deserve me to forgive you?"

Mr. Wang's face was deformed by Su Qing's high heels, but he didn't even dare to say a word, and could only beg for mercy in a low voice.

"Boss Su, please let me go. I won't dare to do it again!"

"Let you go?" A cold light flashed in Su Qing's eyes. "Why didn't you think of letting me go when you touched me?"

After that, Su Qing raised her foot and kicked Boss Wang in the stomach.

"Ah!" Boss Wang screamed, and the whole person bent into a ball, rolling on the ground in pain.

Su Qing didn't even look at Boss Wang, turned around and said to the bodyguard behind him: "Throw him out!"

"Yes, Boss Su."

Two bodyguards stepped forward, held Boss Wang, and dragged him out of the box like a dead dog.

Su Qing clapped her hands, as if she had done something insignificant. She walked in front of Qin Yuan and said with a smile: "Okay, now it's quiet, shall we continue to talk?"

Qin Yuan looked at Su Qing, and a trace of disgust flashed in his eyes. This woman was cruel and vicious, and she was not a good person at all.

"I have something else to do, so I'll leave first." Qin Yuan said, and turned and left.

"Wait!" Su Qing called Qin Yuan, with a playful smile on her face, "Don't you want to know why I help you?"

Qin Yuan stopped, turned around, and looked at Su Qing coldly.

"Why?"

Su Qing walked in front of Qin Yuan, leaned close to his ear, and whispered: "Because I like you."

Qin Yuan's eyes flashed with disgust. He took a step back, distanced himself from Su Qing, and said coldly: "I don't like your type."

Su Qing's smile froze, and then returned to normal. She chuckled and said: "It doesn't matter, love grows over time, I believe you will like me."

Qin Yuan didn't say anything, turned around and walked out of the box.

Su Qing looked at Qin Yuan's back, and a meaningful smile appeared at the corner of her mouth.

"Qin Yuan, you are mine, no one can take you away!"

...

Qin Yuan walked out of the hotel and took a deep breath. What happened tonight made him feel irritated.

"Damn, how did I encounter such a thing!"

Qin Yuan cursed in a low voice and was about to hail a taxi to leave. Suddenly, a rapid ringtone rang on his cell phone.

Qin Yuan took out his mobile phone, glanced at the caller ID, and frowned slightly.

It was He Chenguang calling.

"Hey, Chen Guang, what's going on?"

"Boss, something happened, Wang Yanbing was captured!"

"Boss, something happened, Wang Yanbing was captured!"

On the other end of the phone, He Chenguang's voice was anxious, with a hint of disbelief in his tone. Qin Yuan frowned. He knew Wang Yanbing's skills. Looking at the entire Langya Special Forces Brigade, there were only a handful of people who could take him down quietly. What's more, Wang Yanbing should be performing an undercover mission now. How could he be discovered? ?

"What's going on? Speak slowly!"

"Boss, we were following Wang Yanbing to see who he had been in contact with recently, but..." He Chenguang paused and seemed to be organizing his words, "but we lost track. When we found Wang Yanbing, he had already He was knocked unconscious and put into a car, and we chased him all the way to an abandoned factory in the suburbs, but..."

"What's the result?" Qin Yuan asked, with a hint of impatience in his tone.

"As a result, we were ambushed. Li Erniu retreated in order to cover me, and now we are still trapped inside!" He Chenguang's voice was full of self-blame and worry.

"Trash!" Qin Yuan scolded angrily. These two guys usually boast a lot, but at the critical moment, they lose their control. "Send me the address and I'll be there right away!"

After hanging up the phone, Qin Yuan stopped a taxi and went straight to the address sent by He Chenguang.

Along the way, the figures of Wang Yanbing and Li Erniu flashed through Qin Yuan's mind. One of them is his life and death brother, and the other is his best partner. Now they are in danger because of his negligence. How can he not be anxious.

"Master, drive faster!"

The taxi driver glanced at Qin Yuan with a gloomy expression in the rearview mirror, and secretly complained in his heart, these days, do people in taxis still have people urging them to die?

However, due to the evil spirit emanating from Qin Yuan's body, the driver still bit the bullet and stepped on the accelerator to the bottom, and the taxi sped out like an arrow.

...

In the abandoned factory, Li Erniu hid behind a pile of scrap metal, and his heavy breathing sounded particularly clear in the silent factory. There were several holes in the camouflage uniform on his body, revealing the strong muscles inside. There was also a hideous wound on his arm, which was oozing blood.

"Er Niu, how are you?"

He Chenguang's anxious voice came from the earphones, and Li Erniu grinned, showing his white teeth.

"It's okay, Chen Guang, don't worry, kid, it's just a small injury, I can still hit you ten more times!"

"It's been so long and you're still bragging!" He Chenguang said angrily, "I've already informed the boss and he'll be here soon. Just hold on a little longer!"

"Boss? Haha, when the boss comes, these bastards will be dead!" Li Erniu laughed, with a flash of fierceness in his eyes.

Although he looks honest and honest, he is a ruthless character if he really takes action. When he was in the army, he was known as a "humanoid beast", and even Wang Yanbing did not dare to provoke him easily.

"Da da da..."

There was a rush of footsteps, Li Erniu's expression changed, and he whispered: "They are coming!"

"Er Niu, hold on, I've already seen the boss!" He Chenguang's excited voice came from the earphones.

Hearing this, Li Erniu took a deep breath, clenched the dagger in his hand, and was ready to fight to the death.

...

When Qin Yuan rushed to the abandoned factory, he happened to see several men in black holding guns and walking towards the direction where Li Erniu was hiding. His eyes were cold, and without any hesitation, he sprang out like a cheetah and was behind a man in black in an instant.

"Crack!"

There was a crisp sound, and before the man in black even realized what happened, his neck was twisted by Qin Yuan and he fell limply to the ground.

When several other men in black heard the noise, they turned around and pointed their guns at Qin Yuan.

"Who?"

"The person who wants your life!"

Qin Yuan sneered, and disappeared in a flash.

"Bang bang bang..."

The gunshots rang out, but they all fell into the air. Before the people in black could react, their eyes blurred, and then there was a burst of severe pain, and they fell to the ground one after another.

"Boss, you are finally here!"

He Chenguang ran over from a distance and looked at Qin Yuan excitedly, as if he had seen a savior.

"Where are the others?" Qin Yuan glanced around and did not find Wang Yanbing.

He Chenguang's expression changed, and he pointed to a warehouse deep in the factory and said, "Wang Yanbing is being held there, and I don't dare to act rashly."

Qin Yuan nodded, patted He Chenguang on the shoulder, and motioned for him to follow him.

The two of them hunched over and cautiously approached the warehouse. The door of the warehouse was ajar, and there was a faint sound of conversation coming from inside.

"Miss Su, we have already obtained the things. Look..."

"Very well, you did a good job this time. This is your reward, take it."

"Thank you, Miss Su!"

Hearing this, Qin Yuan and He Chenguang looked at each other, with a trace of doubt flashing in their eyes, Miss Su? Could it be that the person who captured Wang Yanbing was Su Qing?

Qin Yuan's heart moved, and he gently pushed open the warehouse door. In the center of the warehouse, a tall, beautiful woman in a red evening dress was facing away from them, holding a pistol in her hand, pointing the muzzle at a figure tied to a chair.

"Wang Yanbing!"

He Chenguang exclaimed, and was about to rush out, but was pulled back by Qin Yuan.

"Don't be impulsive!"

Qin Yuan shook his head at He Chenguang, signaling him to calm down.

"Su Qing, what do you mean?"

Qin Yuan walked slowly into the warehouse and asked in a cold tone.

Su Qing heard Qin Yuan's voice, slowly turned around, and a charming smile appeared on her delicate face.

"Qin Yuan, I thought you were not coming."

Su Qing slowly turned around, and a charming smile appeared on her delicate face, and her eyes were flowing, with a bit of evil charm. She opened her red lips slightly, with a hint of teasing in her tone: "Qin Yuan, I thought you were not coming."

Qin Yuan did not speak, but just looked at her coldly, his deep eyes seemed to hide a bottomless abyss, making it impossible for people to see through his mind.

"Why, you don't say a word when you meet an old friend?" Su Qing smiled, stretched out her hand to touch the hair by her ear, charming.

"What do you want to do by taking Wang Yanbing away?" He Chenguang couldn't help asking, with a hint of anger in his tone.

Su Qing glanced at him, a trace of disdain flashed in her eyes, and sneered: "Who are you, and you are worthy of talking to me?"

"You..." He Chenguang was speechless, clenched his fists, and was about to rush forward.

"Back off!" Qin Yuan shouted coldly, stopping He Chenguang.

Although He Chenguang was dissatisfied in his heart, he still obediently retreated behind Qin Yuan. He knew that Qin Yuan had his reasons for doing so.

"Su Qing, what happened between you and me has nothing to do with them. Let them go and I'll go with you." Qin Yuan said calmly, as if he was talking about an insignificant matter.

"Haha, Qin Yuan, do you think you are still the powerful soldier king? Now you are just a small security captain. What qualifications do you have to negotiate with me?" Su Qing laughed as if she had heard a funny joke.

"What do you want?" Qin Yuan frowned slightly, and a trace of impatience flashed in his eyes.

"It's very simple. Kneel down and beg me, and I will let them go." Su Qing pointed at Wang Yanbing who was tied to the chair and said arrogantly.

"Don't even think about it!" He Chenguang roared. Although he didn't know what grudges there were between Qin Yuan and Su Qing, he would never allow Qin Yuan to kneel down to this woman for them!

"Boss, don't listen to her. Even if we die, we won't..."

"Shut up!" Qin Yuan interrupted Wang Yanbing coldly, looking directly at Su Qing, with a cold light flashing in his deep eyes.

The atmosphere in the warehouse suddenly solidified, and the air was filled with a strong smell of gunpowder, as if it would explode in the next second.

"Why, have you thought about it? My patience is limited." Su Qing played with the pistol, with a hint of teasing in her tone.

Qin Yuan did not speak, but slowly bent his knees.

"Boss!"

"Boss, don't!"

Seeing this, He Chenguang and Wang Yanbing suddenly burst into tears and shouted heartbreakingly.
