Chapter 2441: Man's Attack

Just when Qin Yuan's knees were about to touch the ground, a hint of cunning suddenly flashed in his eyes, and his slow kneeling movement instantly turned into a pounce!

The atmosphere in the warehouse froze instantly. He Chenguang and Wang Yanbing's eyes almost popped out of their eyes as they looked at the scene in front of them in disbelief. The charming smile on Su Qing's face became even bigger, as if she was enjoying a good show.

At this critical moment, Qin Yuan moved. He did not kneel down, but rushed forward with lightning speed, and at the same time kicked the gun out of Su Qing's hand.

"Bang!" The pistol fired, and the bullet hit the wall of the warehouse, stirring up a burst of dust.

"You bitch, you're kidding me!" Wang Yanbing yelled when he saw this.

"Haha, Qin Yuan, you really surprised me." Su Qing's eyes flashed with surprise, but she quickly regained her composure, clapped her hands, and a dozen strong men in black walked out of the shadows of the warehouse, Qin Yuan and three others surrounded him.

"You want to stop me just because of these trash?" Qin Yuan sneered, a cold light bursting out of his eyes.

"Huh, Qin Yuan, don't be too arrogant! I tell you, you can't fly today even if you have wings!" Su Qing said fiercely.

"Boss, fight them!" Wang Yanbing roared and was about to charge forward.

"Back off!" Qin Yuan grabbed Wang Yanbing, glanced at the dozen strong men in front of him, and raised a disdainful curve at the corner of his mouth, "You don't need to take action to deal with these little minions."

As soon as he finished speaking, Qin Yuan's figure turned into a bolt of lightning and rushed into the crowd instantly.

"Bang! Bang! Bang!"

There were dull crashing sounds in the warehouse, mixed with the sound of broken bones, which was horrifying.

He Chenguang and Wang Yanbing only saw an afterimage moving through the crowd, and every time they took action, there was a scream. In less than a minute, a dozen strong men fell to the ground, wailing.

"This..." He Chenguang and Wang Yanbing were dumbfounded. They knew Qin Yuan was very strong, but they didn't expect him to be so strong.

"You..." Su Qing was also startled by Qin Yuan's skills, and her face became a little ugly.

"Now, can we have a good talk?" Qin Yuan clapped his hands, walked up to Su Qing, looked at her condescendingly, his tone was as cold as if he came from the Nine Nether Hell.

Su Qing suppressed the fear in her heart and said calmly: "What do you want to talk about?"

"I want to know why you wanted to capture Wang Yanbing?"

"I..." Su Qing was about to speak, but was interrupted by Qin Yuan.

"to be honest!"

"I..." Su Qing gritted her teeth, a trace of resentment flashed in her eyes, "I hate you! I want to kill you!"

"Kill me? Just you?" Qin Yuan sneered as if he had heard some funny joke.

"Yes, just me!" Su Qing suddenly pulled out a dagger from her waist and stabbed Qin Yuan in the chest.

"Boss, be careful!" He Chenguang and Wang Yanbing exclaimed when they saw this.

However, Qin Yuan was faster. He turned slightly sideways and avoided Su Qing's attack. At the same time, he grabbed her wrist and twisted it hard.

"Ah!" Su Qing screamed, and the dagger in her hand fell to the ground.

Qin Yuan showed no mercy at all and kicked Su Qing on the knee, forcing her to kneel to the ground.

"Tell me, why do you want to arrest him?" Qin Yuan asked coldly, his tone full of murderous intent.

Su Qing raised her head and looked into Qin Yuan's cold eyes. Despair suddenly rose in her heart. She knew that she might not survive today.

"Want to know why? Haha..." Su Qing suddenly laughed, her laughter was sad and desperate, "Because... he is..."

Before Su Qing finished speaking, the door of the warehouse was suddenly kicked open, and a cold voice sounded at the door.

"stop!"

Qin Yuan and others looked back and saw a tall middle-aged man in police uniform standing at the door. Behind him, there were a group of armed policemen.

"dad?!"

Wang Yanbing and He Chenguang exclaimed when they saw the person coming.

The person coming was none other than Wang Yanbing's father, the current deputy chief of the Armed Police, Wang Qingshan!

The appearance of Wang Qingshan instantly solidified the tense atmosphere. Su Qing seemed to have grasped a life-saving straw, and rushed to Wang Qingshan's feet crying, "Wang Ju, help! Qin Yuan is going to kill me!"

Wang Qingshan frowned and scanned the scene with sharp eyes. The warehouse was in a mess. A dozen strong men lay on the ground in a mess and howled. However, Qin Yuan was unscathed, not even a wrinkle in his clothes.

"Dad, listen to me, it's Su Qing..." Wang Yanbing anxiously wanted to explain, but was interrupted by Wang Qingshan raising his hand.

"I will investigate clearly what happened." Wang Qingshan's tone was stern and left no room for doubt. He turned to look at Qin Yuan with complicated eyes, "Mr. Qin, I hope you can cooperate with our investigation."

"Okay." Qin Yuan replied calmly. He knew that Wang Qingshan was Wang Yanbing's father, so naturally he would not make it difficult for him.

Seeing Qin Yuan's cooperation, Wang Qingshan felt relieved, and then commanded the armed police behind him to control Su Qing and the injured strong men.

"Boss!" Wang Yanbing ran to Qin Yuan and asked worriedly, "Are you okay?"

"What can happen to me?" Qin Yuan patted Wang Yanbing's shoulder and said with a smile, "It's you, why didn't you say she was yours earlier..."

"Boss, stop talking!" Wang Yanbing quickly stopped Qin Yuan, looking a little embarrassed. He didn't want others to know about the bad things between him and Su Qing.

"Okay, let's go back first." He Chenguang came over and said softly, "Let Director Wang handle the things here."

Qin Yuan nodded and followed Wang Qingshan and others out of the warehouse.

The sirens gradually faded away, and the warehouse returned to silence. Su Qing was escorted by two female police officers. When she passed by Qin Yuan, she suddenly stopped, her eyes full of resentment and hatred.

"Qin Yuan, you wait for me, I won't let you go!" Su Qing gritted her teeth and said, her voice was like a venomous snake, which made people shudder.

Qin Yuan looked at Su Qing coldly, with a disdainful arc at the corner of his mouth, "I'll wait."

Back to the Langya Special Operations Brigade, Qin Yuan and the other two were immediately called to Fan Tianlei's office.

"Tell me, what happened?" Fan Tianlei sat at his desk, his face gloomy and his tone serious.

Wang Yanbing briefly recounted the incident. Of course, he concealed the fact that Su Qing was his ex-girlfriend, and just said that Su Qing kidnapped him because of personal grudges.

"Nonsense! It's just nonsense!" After listening to Wang Yanbing's story, Fan Tianlei slammed the table and roared, "You are soldiers, not gangsters, how can you act on your own?"

"Captain, we..."

"Okay, stop talking!" Fan Tianlei interrupted Wang Yanbing, "I will report this matter to the higher-ups, you three go back and reflect on it first!"

Qin Yuan and the other two were scolded by Fan Tianlei and walked out of the office in disgrace.

"Boss, what do you think Su Qing wants to do?" Wang Yanbing asked with a depressed look when he returned to the dormitory.

"Who knows? Women's hearts are like needles in the sea." He Chenguang shrugged, saying that he didn't know.

Qin Yuan sat on the bed and closed his eyes in thought. He always felt that Su Qing's kidnapping this time was not that simple, but why did she do this? What was her purpose?

Just then, Qin Yuan's mobile phone suddenly rang. He picked it up and saw that it was an unfamiliar number.

"Hello, who is this?"

"Qin Yuan, I know where Wang Yanbing is." A cold voice came from the other end of the phone, which made people shudder.

"Who are you?" Qin Yuan was startled, and a bad premonition came to his mind.

"It doesn't matter who I am, what matters is that I know your secret..."

The voice on the other end of the phone stopped abruptly, leaving only a creepy busy tone.

Qin Yuan held the phone with cold eyes, and his knuckles turned slightly white because of the force. The other party was obviously prepared. Not only did he know about Wang Yanbing, but he also knew the "secret" he was hiding.

"What do you want?" Qin Yuan's voice was low, with a hint of imperceptible anger.

A creepy sneer came from the other end of the phone, "What do I want? It's very simple. I want you to help me do something. If you do it well, Wang Yanbing will live, and you will live too. If you don't do it well..."

The other party didn't continue, but the threat was self-evident. Qin Yuan was silent for a moment, and he knew he had no choice.

"Tell me, what's the matter?"

"I want you to snatch a document. I'll let you know the time and place. Remember, don't call the police, don't tell anyone, otherwise..."

The phone was hung up again, and Qin Yuan slowly loosened his hand holding the phone, frowning. Who is the other party? Why did he ask him to snatch the document? And what exactly is the "secret" he mentioned?

A series of questions circled in Qin Yuan's mind, making him feel irritated. He got up and walked to the window, looking at the bustling city night scene outside the window, but his heart was cold.

"Boss, what's wrong with you?" Wang Yanbing noticed Qin Yuan's abnormality and asked with concern.

Qin Yuan turned around and looked at Wang Yanbing's worried eyes, and his heart was slightly warm. He suppressed his uneasiness and said with a smile: "It's okay, I just remembered something."

"Oh, that's good." Wang Yanbing did not doubt it. He scratched his head and said, "Boss, what do you think that crazy woman Su Qing wants to do? She doesn't really want to kill me, does she?"

"Don't worry, with the boss here, no one can hurt you." He Chenguang came over, patted Wang Yanbing on the shoulder and comforted him.

Qin Yuan looked at the two people, but his heart became heavier. He knew that this matter was definitely not that simple. He must find out the other party's identity and purpose as soon as possible, otherwise the consequences would be disastrous.

The next morning, Qin Yuan received a text message from an unfamiliar number with only an address and time on it. He knew that this was a test from the other party.

"Boss, where are you going?" Wang Yanbing asked curiously when he saw Qin Yuan preparing to go out.

"Oh, I'm going to do something and will be back soon." Qin Yuan perfunctorily said, and then hurriedly left the dormitory.

According to the address on the text message, Qin Yuan came to an abandoned factory. The factory was empty and filled with a pungent musty smell, which made people feel very depressed.

Qin Yuan walked into the factory and looked around. Suddenly, he heard a faint sound of footsteps coming from behind him. He turned around abruptly, only to find that a dark shadow quickly flashed behind a pillar.

"Who?!" Qin Yuan shouted sharply, and at the same time quickly pulled out his pistol and pointed it in the direction of the dark shadow.

"Haha, the reaction is quite fast." A cold voice came from behind the pillar, and then a tall man slowly walked out.

The man was wearing a black windbreaker and a pair of sunglasses on his face, making it difficult to see his expression. He held a shining dagger in his hand, with the tip of the knife pointing directly at Qin Yuan.

"Who are you? Why did you kidnap Wang Yanbing?" Qin Yuan asked coldly, his tone full of murderous intent.

"Haha, you are Qin Yuan? As expected." The man did not answer Qin Yuan's question, but looked him up and down, with a playful smile on his lips, "But, you may be disappointed today, because..."

The man paused, a cold light flashed in his eyes, then he suddenly raised the dagger, pointed it at Qin Yuan, and said word by word: "Because, I want you to die!"

Before he finished speaking, the man rushed towards Qin Yuan at lightning speed, and the dagger in his hand cut through the air, making a sharp whistling sound.

Qin Yuan saw this, his eyes were stern, he quickly dodged the man's attack, and at the same time pulled the trigger, a bullet with fire shot at the man.

However, the man seemed to have expected it. He slightly turned his body, and the bullet flew past his ear and hit the wall behind him, sparking a burst of sparks.

"Interesting." A trace of surprise flashed in the man's eyes, and then he sneered and attacked Qin Yuan again. This time, his attack was more fierce and fatal, leaving Qin Yuan no chance to breathe.

Qin Yuan dodged the man's attack while looking for an opportunity to counterattack. He knew that he could no longer be passive like this and had to get rid of this guy as soon as possible.

At this moment, Qin Yuan suddenly caught a glimpse of some discarded tires piled up in the corner of the factory. He was moved, and a plan formed in his mind instantly.

Qin Yuan deliberately sold a flaw to lure the man to attack him. The man was fooled, and a trace of pride flashed in his eyes. The dagger in his hand stabbed Qin Yuan's chest mercilessly.

"Go to hell!"

At the critical moment, Qin Yuan suddenly jumped to the side and kicked a tire on the ground with one foot, blocking himself and the man.

"Bang!"

The dagger pierced into the tire fiercely, making a muffled sound. Seeing that his first attack missed, the man was about to pull out his dagger to attack again, but Qin Yuan had already seized the opportunity.

He jumped up from the ground like a cheetah, and pulled the trigger of the pistol in his hand continuously.

"Bang! Bang! Bang!"

Three bullets whizzed out and hit the man's vital parts.

The man obviously did not expect Qin Yuan's counterattack to be so fast, and he could only dodge as much as possible in a hurry. However, he was still a step slower, and one bullet hit his shoulder and another bullet hit his thigh.

"Ah!" The man screamed and staggered backwards.

Chapter 2442 Rush in directly?

Qin Yuan did not pursue the victory. He looked at the man coldly without a trace of pity in his eyes.

"Tell me, who sent you?"

The man covered his wound, stared at Qin Yuan with resentment, and said with gritted teeth: "Kill me, I won't tell you!"

"Don't tell me?" Qin Yuan sneered, "I have plenty of ways to make you speak."

He walked forward, stepped on the man's wound, and crushed it hard.

"Ah!!" The man screamed like a pig being slaughtered, and cold sweat ran down his forehead.

"Tell me or not?" Qin Yuan's voice was like a demon from hell, cold and piercing.

"I say, I say..." The man finally collapsed, and he said intermittently, "It's... it's a... it's a..."

Just then, a burst of hurried footsteps suddenly came from outside the factory gate, and then several figures rushed in.

"Boss!"

"Brother Qin!"

It was He Chenguang, Wang Yanbing and Li Erniu!

"Boss, are you okay?" Wang Yanbing was relieved to see Qin Yuan safe and sound.

Qin Yuan shook his head, indicating that he was fine, and then pointed at the man groaning in pain on the ground and said, "Catch him for me!"

"Yes!"

He Chenguang and Li Erniu rushed forward and tied the man up.

"Tell me, who sent you?" Qin Yuan asked again, his tone cold and unquestionable.

The man looked at Qin Yuan, and then looked at He Chenguang and others who were watching him covetously. He knew that he was doomed today, so he could only sigh helplessly and said, "It's... it's the Black Dragon Society..."

"Black Dragon Society?!" Wang Yanbing was furious when he heard it, "It's these bastards again! I'm going to fight them!"

He was about to rush up and beat the man, but was stopped by Qin Yuan.

"Wait," Qin Yuan asked, "Why did the Black Dragon Society kidnap you?"

The man hesitated and said, "They... they said... they said you ruined their big plan, and they want... to lure you out..."

"Ruined their big plan?" Qin Yuan frowned, feeling something was wrong in his heart.

Could it be that he was accidentally involved in some terrible incident?

Qin Yuan's eyebrows twisted into a "chuan" character. He was not unfamiliar with the name of the Black Dragon Society. This is a transnational criminal organization with tentacles all over Southeast Asia. It is powerful and ruthless. He had dealt with them when he was on a mission before, but he didn't expect that this time they would set their sights on him.

"They said I ruined their big plan? What exactly is it?" Qin Yuan asked, staring at the man with sharp eyes, as if to see through the secret deep in his heart.

The man's eyes flickered, and he stammered: "This... I really don't know... They just asked me to lead you to this place. I don't know anything else!"

Qin Yuan certainly wouldn't believe his words easily. Just as he was about to interrogate him, He Chenguang on the side suddenly spoke.

"Boss, this guy is lying at first glance. Don't waste your time talking to him. Just throw him into the sea to feed the fish!" He Chenguang said, and made a gesture of wiping his neck, with a hint of ruthlessness on his face.

Wang Yanbing also echoed: "Yes, boss, there is nothing to say to this kind of scum, just kill him!"

Although Li Erniu did not speak, he clenched his fists, his eyes full of anger.

The man was frightened by their ferocious appearance, and a foul smell came from his crotch. He struggled desperately and begged for mercy incoherently: "Don't kill me! Don't kill me! I'll say it! Isn't it enough for me to say it!"

Qin Yuan waved his hand, signaling He Chenguang and the others to retreat first.

"Can you say it now?" Qin Yuan asked coldly, with unquestionable majesty in his tone.

The man nodded tremblingly and said: "I said, I said... I heard... I heard that the Tiansha Gang is conducting a secret transaction recently, it seems... It seems to be related to some virus..."

"Virus?" Qin Yuan's heart moved, and a flash of inspiration suddenly flashed in his mind.

"Yes, yes, it's a virus! It seems to be a very powerful virus that can..." The man stopped suddenly here, and a look of horror appeared on his face.

"What can it be?" Qin Yuan asked, with a hint of urgency in his tone.

The man seemed to be suddenly strangled by the neck, his face was pale, his lips trembled, but he couldn't speak.

"Hurry up! What kind of virus is it!" Wang Yanbing couldn't help but step forward, grabbed the man's collar, and shouted loudly.

The man just widened his eyes in horror, his body twitched violently for a few times, and then he was completely silent.

"Hey! What's wrong with you? Speak!" Wang Yanbing shook the man's body vigorously, but found that he had no reaction.

"Don't shake it, he's dead." Qin Yuan walked forward, stretched out his hand to feel the man's breath, and then said lightly.

"Dead? How did he die?" Wang Yanbing was stunned for a moment, a little unbelievable.

"It's poisoning." He Chenguang checked the man's body and said in a deep voice, "He tasted bitter almonds in his mouth, he should be poisoned by cyanide."

"Cyanide?" Qin Yuan frowned, it seems that this man still has a lot of secrets.

"Boss, what should we do now?" He Chenguang asked.

Qin Yuan pondered for a moment and said, "It seems that we have stirred up a hornet's nest this time. The Tiansha Gang, the virus... This matter is becoming more and more complicated."

He raised his head and looked into the distance, a glimmer of light flashing in his eyes.

"It seems that we have to go meet this Tiansha Gang for a while!"

Qin Yuan frowned, the man's death was like a mist, shrouding them. Cyanide, Tiansha Gang, virus...these keywords kept rolling around in his mind, and the clues were fragmented and confusing.

"Boss, this kid's mouth is too tight. He won't even spit out his words until he dies." Wang Yanbing angrily kicked the stiff corpse, "How about we grab another tongue?"

He Chenguang shook his head, "We have cleaned up the area around here. The Tiansha Gang must have gotten the news and will not send anyone here again."

Li Erniu said angrily: "What should we do now? Can't we just let it go?"

Qin Yuan remained silent and glanced at the three of them with sharp eyes, "Chen Guang, you have strong analytical skills. Go back and check the details of this Tiansha Gang, especially the clues related to the virus."

"Yes!" He Chenguang stood at attention and saluted, his eyes firm.

"Yan Bing, come with me to the black market. There is a lot of information there. You might be able to find out something."

"Okay! I like visiting the black market the most!" Wang Yanbing rubbed his hands excitedly, as if he had foreseen the dazzling array of "good things" in the black market.

"Er Niu," Qin Yuan looked at Li Er Niu, "You are responsible for protecting the safety of our brothers. It's not peaceful recently, so please be vigilant."

"Don't worry, boss! I guarantee not a single fly will fly in!" Li Erniu promised, patting his chest.

After arranging everything, Qin Yuan and Wang Yanbing changed into casual clothes and drove to an underground black market on the edge of the city.

It is said to be a black market, but in fact it is more like a secret underground trading place, where fish and dragons are mixed, and all kinds of rare treasures and prohibited

items can be found here. Of course, the premise is that you have enough money and channels.

As soon as I stepped into the black market, a humid and hot atmosphere hit my face. Under the dim lights, various sounds of hawking and bargaining came one after another, making people feel like they were in another world.

Wang Yanbing was obviously familiar with the place. He skillfully led Qin Yuan through the crowded crowd, greeting some fierce-looking sellers from time to time.

"Boss, let me tell you, this black market is a good place. As long as you are willing to spend money, there is nothing you can't find!" Wang Yanbing lowered his voice and said mysteriously.

Qin Yuan observed the surrounding environment calmly and did not answer. The purpose of his trip was to collect as much information as possible about the Tiansha Gang and the virus.

"Hey, brother, I heard that you have been inquiring about the Tiansha Gang recently?" A man with a sharp mouth and monkey cheeks suddenly approached Wang Yanbing, with a flattering smile on his face.

Wang Yanbing glanced at him sideways, "Who are you? Do we know each other?"

The man chuckled, "My name is Shouhou, and I am very well-informed! As long as you can afford the price, there is no news that I can't find out!"

Qin Yuan noticed that when Shouhou spoke, his eyes flickered and his hands unconsciously put into his pockets, seeming to be hinting at something.

"Oh? Really?" Qin Yuan suddenly spoke, his voice low and magnetic, "I am very interested in the Tiansha Gang you mentioned, especially the news related to the virus."

The thin monkey's eyes lit up, as if he saw a fat sheep. He rubbed his hands and said greedily: "Hey, big brother, you really know your stuff! Let me tell you, the Tiansha Gang has been making big moves recently..."

Before he finished speaking, Qin Yuan suddenly struck like lightning and grabbed his wrist.

"Ah!" Thin Monkey exclaimed. Before he could realize what happened, a sharp pain came from his wrist. He felt like his bones were about to be crushed.

"You...what do you want to do?" Shouhou looked pale and looked at the expressionless man in front of him in horror.

"I don't want to do anything," Qin Yuan smiled coldly, "I just don't like others playing tricks on me."

He exerted a slight force on his wrist, and the thin monkey suddenly broke out in cold sweat from the pain, and begged for mercy: "Brother, please spare my life! I...I was wrong! I never dare to do it again!"

Qin Yuan let go of his hand, and Shouhou immediately held his wrist, grinning in pain.

"Now, can you speak properly?"

Qin Yuan's sharp eyes stared at the thin monkey like a hawk, as if he could see through all his disguises. The thin monkey was shivering, not even daring to take a breath.

"I said, I said! The Tiansha Gang recently conducted some kind of secret transaction in an abandoned factory in the west of the city. I heard it was related to a new type of virus! And..." Thin Monkey's voice became smaller and smaller, and finally almost became The mosquito grunted.

"And what?" Qin Yuan's tone was calm, but it gave people an invisible pressure.

Thin Monkey swallowed and said tremblingly: "And... I also heard that the target of this transaction seems... seems to be someone from some international organization..."

"International organization?" Wang Yanbing frowned, "What international organization?"

Thin Monkey shook his head, "I don't know about that. I'm just an errand boy. How can I know so much..."

Qin Yuan thought for a moment, then let go of Shouhou's wrist, "Get out of here."

The skinny monkey seemed to have been granted amnesty, crawling on the ground and disappearing into the crowd.

"Boss, can this boy's words be trusted?" Wang Yanbing asked, looking at the back of the thin monkey running away in embarrassment.

"I would rather believe that it exists than that it doesn't exist." A cold light flashed in Qin Yuan's eyes, "Let's go and have a look at the abandoned factory in the west of the city."

The two of them drove to the west of the city. Along the way, Qin Yuan remained silent and didn't know what he was thinking.

"Boss, what are you thinking about?" Wang Yanbing couldn't help but ask, "Do you think this is a bit strange?"

Qin Yuan nodded, "The Tiansha Gang, the new virus, international organizations...these clues are connected together, and the matter may be more complicated than we imagined."

"Then what should we do?"

"The soldiers will block it, and the water will cover it." Qin Yuan's eyes flashed with determination, "Since they want to play, let's have fun with them!"

After arriving near the abandoned factory in the west of the city, Qin Yuan and Wang Yanbing abandoned their cars and walked, approaching the target covertly.

As night fell, the lights in the abandoned factory were brightly lit, and some faint noises could still be heard.

"It seems we've come to the right place." Qin Yuan whispered, "Let's go in and take a look."

The two climbed over the factory wall and sneaked into the factory.

Under the cover of darkness, they cautiously groped forward, and soon came to a brightly lit warehouse.

There are several strong men with weapons patrolling back and forth at the entrance of the warehouse, and the security is tight.

"Boss, what should we do? Just rush in?" Wang Yanbing asked in a low voice, eager to give it a try.

Qin Yuan shook his head, "Let's take a look at the situation first."

He signaled Wang Yanbing to be silent, and then quietly approached the warehouse wall, trying to find a loophole through which he could eavesdrop.

However, at this moment, the warehouse door suddenly opened, and a tall foreign man in a suit and leather shoes walked out.

Behind the man were several foreigners in similar suits and ties, and...

"I'll go! Isn't that the leader of the Tiansha Gang, Zhao Sihai?" Wang Yanbing exclaimed in a low voice, almost screaming.

Qin Yuan also saw Zhao Sihai, and his brows wrinkled slightly.

I saw Zhao Sihai following the foreign man with a smile on his face, nodding and bowing, looking groveling, how could he still have any majesty of a gang boss?

"It seems that the Tiansha Gang only plays a small role in this transaction..." Qin Yuan whispered to himself.

At this moment, the foreign man suddenly stopped, turned around, and said in fluent Chinese: "Mr. Zhao, happy cooperation!"

As he spoke, he stretched out his hand and shook Zhao Sihai's hand.

After the foreign man exchanged a few words with Zhao Sihai, he turned around and left with his men. Zhao Sihai watched them leave, the smile on his face gradually disappeared, replaced by a hint of viciousness and greed.

"Boss, what is the background of this foreigner? He doesn't look like a good person!" Wang Yanbing hid in the dark and asked in a low voice.

"No matter what his background is, it's not a good thing if he dares to get involved with the Tiansha Gang." Qin Yuan said coldly, "Let's go and follow him to take a look."

The two quietly followed Zhao Sihai and his party to the depths of the warehouse. The warehouse was filled with containers, various machines roared, and the air was filled with a pungent smell of chemicals.

Zhao Sihai stopped in front of a huge metal door, took out a key, and opened the heavy metal door. (End of chapter)

One-click Recovery Since I was a Special Soldier

Chapter 2443 How is this possible? !

The metal door slowly opened, and a cold wind blew in. It turned out to be a huge cold storage room inside!

The cold storage room was brightly lit, and rows of shelves were filled with...

"Damn! This..." Wang Yanbing widened his eyes and couldn't help but swear.

The shelves were filled with "corpses"!

These "corpses" were all wearing uniform black uniforms and masks on their faces, so their faces couldn't be seen clearly, but from their strong bodies and the cold murderous aura emanating from them, these people were definitely not ordinary people!

"Boss, who are these people? Why are they like dead people?" Wang Yanbing asked in a low voice, with a faint feeling of uneasiness rising in his heart.

Qin Yuan didn't speak. His sharp eyes swept the cold storage room and finally landed on an operating table in the deepest part of the cold storage room.

There were several transparent containers on the operating table, filled with light blue liquid, and some strange biological tissues were soaked in the liquid, which looked very disgusting.

A man in a white coat, a mask and goggles was busy with something on the operating table with his back to them.

"Boss, look, that guy seems to be doing some experiment!" Wang Yanbing pointed at the white coat and said.

Qin Yuan nodded and motioned Wang Yanbing to follow. The two of them walked lightly and slowly approached the white coat.

"Boss Zhao, how is the product this time?" The white coat asked without turning his head, his voice sounded a little hoarse.

"Hehe, Dr. Li's products must be fine products!" Zhao Sihai smiled flatteringly, "Those foreigners are full of praise for your research results!"

"Humph, a group of short-sighted idiots!" The white coat snorted coldly, "What do they know? My research results will change the whole world!"

As he said, he turned around, took off his mask, and revealed a thin and crazy face.

"Boss, be careful!" Wang Yanbing exclaimed, and suddenly pounced on Qin Yuan and threw him to the ground.

Almost at the same time, a flash of cold light passed by, and a scalpel flew past Qin Yuan's scalp and nailed to the shelf behind him!

"Who is it?!" The white coat's face changed drastically and he shouted.

Qin Yuan and Wang Yanbing got up from the ground and stared at the white coat with cold eyes.

"It's your grandfather!" Wang Yanbing roared, raised his gun and shot.

"Bang! Bang! Bang!"

The gunshots echoed in the empty cold storage room, but the white coat was prepared and hid behind the operating table.

"Looking for death!" A trace of cruelty flashed in the white coat's eyes, and he reached out and pressed a red button on the operating table.

"Buzz--"

A shrill alarm sounded, and the lights in the cold storage room began to flicker.

"Not good!" Qin Yuan's heart trembled, and an ominous premonition came to his mind.

The shrill alarm sounded throughout the cold storage room, and the red and blue lights flickered alternately, reflecting the "corpses" on the shelves, adding a bit of weird atmosphere. Qin Yuan's heart was filled with alarm. This was not a good sign!

"Damn, what is this grandson trying to do?" Wang Yanbing spat, the muzzle of the gun in his hand still pointed at the white coat behind the operating table.

"Hey, you ants, just wait for the baptism of death!" The white coat looked crazy, with crazy light flashing in his eyes. He pulled down a joystick suddenly, and the temperature in the cold storage room dropped sharply, and the cold air was pressing.

"Boss, this temperature..." Wang Yanbing couldn't help shivering. This temperature was even colder than the winter outside!

Qin Yuan didn't say anything. He pulled Wang Yanbing over and hid behind a row of shelves. He knew that the real danger had just begun.

"Roar--"

A low roar came from the depths of the cold storage room, like the roar of a beast, and like the roar from hell, which was horrifying.

"What the hell is that?!" Wang Yanbing's face changed drastically, and the palm of his hand holding the gun began to sweat.

The "corpses" that were originally lying quietly on the shelves began to move! They struggled to get up from the shelves, ripped off their black uniforms, and revealed their bodies with bulging veins and knotted muscles.

"This... is this a fucking zombie?!" Wang Yanbing couldn't help but swear. Although he was careless, he had seen a lot of zombie movies. The scene in front of him was exactly the same as the zombies in the movie!

"Don't talk nonsense, get ready for battle!" Qin Yuan shouted in a low voice. Although these "zombies" seemed to be slow in movement, they were definitely not good people from the disgusting stench and bloodthirsty eyes they exuded.

"Bang! Bang! Bang!"

Wang Yanbing opened fire first, and the bullets accurately hit the heads of several "zombies", but these "zombies" seemed to feel no pain and still staggered towards them.

"Damn, are these guys immortal?!" Wang Yanbing couldn't help cursing while shooting.

"Don't waste bullets, these guys are already dead, shoot at the heart!" Qin Yuan reminded Wang Yanbing while calmly observing the weaknesses of the "zombies".

Hearing this, Wang Yanbing immediately adjusted the muzzle of the gun, aimed at the heart of a "zombie" and pulled the trigger.

"Puff!"

The bullet penetrated the heart of the "zombie", bringing out a puff of black blood mist, and the "zombie"'s movements suddenly stopped, and then fell to the ground with a bang.

"It really works!" Wang Yanbing was refreshed and pulled the trigger at the hearts of several other "zombies" one after another.

However, before they could breathe a sigh of relief, the heavy metal door in the depths of the cold storage room slowly opened again, and a tall figure slowly walked out...

The heavy metal door was like the jaws of a monster, opening slowly with a creaking sound, and a colder breath came over him, mixed with a disgusting stench, as if the entrance to hell was opened artificially.

"Fuck! What the hell is this?!" Wang Yanbing couldn't help but exclaimed, his eyes widened, and the rifle in his hand was almost unstable.

Walking out of the dark "jaws" was a monster of unimaginable size. It was rotten all over, and the exposed muscles were like pieces of rotten beef, emitting a disgusting stench. Its arms were particularly thick and dragged on the ground, leaving two long bloodstains.

"Mutant, be careful!" Qin Yuan's eyes were stern, and he had realized that the monster in front of him was by no means comparable to those slow-moving "zombies".

The mutant let out a deafening roar, full of anger and bloodthirsty desire. It rushed towards Qin Yuan and the others at an astonishing speed, completely beyond the agility of its huge body.

"Da Da Da!"

Wang Yanbing pulled the trigger without hesitation, and the bullets poured out, all hitting the mutant. However, these bullets hit the mutant's rotten muscles, but it was like hitting hard stones, just splashing a burst of blood, and it couldn't stop its footsteps at all.

"This thing has thick skin and flesh, and bullets are useless!" Wang Yanbing shouted anxiously while shooting.

"Don't panic, I'll deal with it!" Qin Yuan said, pulling Wang Yanbing behind him, then took a deep breath, sank his body slightly, and posed a fighting posture.

"Boss, be careful!" Wang Yanbing knew that Qin Yuan was extraordinary, but facing such a terrifying monster, he couldn't help but sweat for Qin Yuan in his heart.

The mutant roared and rushed to Qin Yuan, and the huge fist with a gust of evil wind hit Qin Yuan's head fiercely. Qin Yuan did not dodge or evade. At the moment when the mutant's fist was about to fall, he suddenly raised his right hand, opened his five fingers, and steadily caught the mutant's fist.

"Boom!"

With a loud noise, the whole cold storage room seemed to shake, and cracks appeared on the hard cement floor under Qin Yuan's feet.

"This power... is too terrifying!" Wang Yanbing was stunned. He could not imagine how much power Qin Yuan had used to take the mutant's powerful punch.

Qin Yuan's face did not change. He took a deep breath, and his arm muscles suddenly tightened. He actually pushed the mutant's fist back. The mutant staggered back under Qin Yuan's huge force, and a trace of human surprise flashed in his eyes.

"Roar!"

The mutant roared and pounced on Qin Yuan again. This time, it opened its bloody mouth, and its sharp fangs flashed with cold light, as if it wanted to swallow Qin Yuan in one bite.

Qin Yuan's eyes flashed with cold light, and he suddenly raised his right leg, and his knee hit the mutant's abdomen like a cannonball.

"Bang!"

With a muffled sound, the mutant's huge body was actually knocked up by Qin Yuan's knee and fell heavily to the ground a few meters away.

"Good opportunity!" Seeing this, Wang Yanbing immediately raised his rifle, aimed at the mutant's head, and prepared to give it a fatal blow.

However, at this moment, the lights in the cold storage room suddenly went out, and the entire space fell into a pitch-black darkness.

"What's going on?!" Wang Yanbing exclaimed, and an ominous premonition suddenly rose in his heart.

"Be careful!"

Qin Yuan's voice sounded in the darkness, and his tone was solemn.

The next second, Wang Yanbing felt a huge force coming from the side. He didn't even have time to react, and was knocked out by this huge force and fell heavily to the ground.

"Cough cough..." Wang Yanbing struggled to stand up, but felt a sharp pain in his chest and a fishy sweetness in his throat.

"Damn, this monster's power is too terrifying!" Wang Yanbing cursed in his heart. He knew that in such darkness, he was no match for the mutant.

"Boss! Where are you?!" Wang Yanbing endured the pain and shouted Qin Yuan's name.

However, in response to him, there was only a creepy silence...

The heavy metal door was like the giant jaws of a monster, slowly opening with a tooth-grinding "creaking" sound, and a more gloomy breath came to the face, mixed with a disgusting stench, as if the entrance to hell was opened artificially.

A tall figure walked out from behind the door, and every step seemed to step on everyone's heart, and a suffocating sense of oppression swept the entire cold storage room.

"What... what kind of monster is this?!" Wang Yanbing's voice trembled a little. He claimed to be fearless, but this thing was beyond his cognition.

The "monster" was two meters tall, with muscles all over his body, and his skin was a sickly gray-green color. The blood vessels were clearly visible, as if it would burst in the next second. Its arms were unusually strong, thicker than an average person's thighs, covered with sharp bone spurs, emitting a cold light.

"Roar——"

The "monster" let out a deafening roar, full of anger and bloodthirsty desire, as if it wanted to tear everything in front of it into pieces.

"Damn, this time it's really a big deal!" Wang Yanbing couldn't help but swear. This is not a zombie at all, it's clearly a humanoid Tyrannosaurus!

Qin Yuan did not speak, but the solemnity in his eyes showed his mood at the moment. The breath exuded by this "monster" was even stronger than those modified people he had met before. This was definitely a tough battle!

"Yan Bing, don't panic, leave this thing to me!" Qin Yuan said in a deep voice. He knew that at this time, someone must stand up, otherwise, they would all die here!

"Boss, are you crazy?!" Wang Yanbing was shocked, "This thing is invulnerable to swords and guns, how can you beat it?!"

Qin Yuan ignored Wang Yanbing's exclamation. He took a deep breath, flashed his figure, and rushed towards the "monster" like an arrow from a string!

"Roar--"

The "monster" seemed to feel the threat of Qin Yuan, roared, waved his huge fist, and smashed towards Qin Yuan!

"Bang!"

With a loud bang, Qin Yuan's fist collided fiercely with the "monster's" fist, and the huge force shook the entire cold storage room as if it trembled.

Wang Yanbing stared at this scene in amazement. He thought Qin Yuan would be smashed into a pulp by the "monster", but he didn't expect that Qin Yuan would take the punch!

"How... how is this possible?!" Wang Yanbing rubbed his eyes, wondering if he was hallucinating.

However, what shocked him even more was yet to come.

After Qin Yuan took the "monster's" punch, he did not take a step back, but instead used the force to turn his body, and kicked the "monster" hard in the waist!

"Bang!"

There was another loud noise, and the huge body of the "monster" was kicked by Qin Yuan and flew out, hitting a row of shelves heavily, smashing the shelves to pieces!

"Fuck! Boss is awesome!" Wang Yanbing couldn't help but cheer loudly, this was too refreshing!

However, Qin Yuan did not relax at all. He knew that the vitality of this "monster" was extremely tenacious and it was far from being so easy to deal with.

Sure enough, after being kicked away by Qin Yuan, the "monster" soon struggled to stand up, his eyes full of rage and murderous intent, and rushed towards Qin Yuan again!

"Come on!"

Qin Yuan's eyes flashed, and he rushed forward instead of retreating, rushing towards the "monster"!

A shocking battle began!

The "monster" was extremely powerful, and every attack was full of the momentum of destroying the world, while Qin Yuan, relying on superhuman speed and skills, resolved the "monster"'s attacks again and again, and waited for an opportunity to counterattack.

For a while, the entire cold storage room became their battlefield, the sound of shelves collapsing, the sound of metal colliding, and the roar, intertwined together, forming a symphony of death. (End of this chapter)

Chapter 2444 Can't bear to part with it?

Wang Yanbing was stunned watching from the side. He had never seen such a fierce battle. It seemed as if time had stopped. Only the two figures were constantly colliding, dodging, and attacking!

At this moment, Wang Yanbing suddenly noticed that there seemed to be a faint light spot on the chest of the "monster", which was flashing and particularly conspicuous.

"Boss, be careful! There is something on its chest!" Wang Yanbing hurriedly reminded loudly.

Qin Yuan heard the words and his eyes focused. Sure enough, he saw the faint light on the chest of the "monster".

"Could it be... that is its weakness?!"

Qin Yuan's heart moved, and a bold idea came to his mind.

He decided to take a gamble!

Qin Yuan's eyes were like lightning, and Wang Yanbing's words undoubtedly pointed him in a direction. This monster was invulnerable to swords and guns, and had amazing brute force. The only weakness might be the faint light that flickered on the chest.

"Yanbing, cover me!" Qin Yuan shouted, without any hesitation, kicked his feet, and the whole person turned into a residual shadow and pounced on the "monster".

The "monster" seemed to feel the threat as well. It roared deafeningly, waved its fist as big as a casserole, and smashed towards Qin Yuan with overwhelming momentum.

"Come on!" Qin Yuan did not dodge or avoid, with a burning desire in his eyes. He dodged the attack of the "monster" sideways, took advantage of the situation and bullied it, punching the "monster" in the chest with a heavy punch.

"Bang!"

The dull sound of the collision echoed in the cold storage room. Qin Yuan felt like he was hitting a hard steel plate, and there was a sharp pain in his fist.

"Damn, what is this thing made of?!" Qin Yuan cursed inwardly, and quickly retreated with the force of the recoil, pulling away from the "monster".

"Boss, this thing is too hard, my bullet hit it like a tickle!" Wang Yanbing shouted loudly while shooting, with a hint of anxiety in his tone.

Qin Yuan frowned, he knew he couldn't drag it on any longer. The cold storage room is small, which is not conducive to their performance. Moreover, the strength and defense of the "monster" are beyond imagination. If this continues, they will be exhausted here sooner or later.

Thinking of this, Qin Yuan's eyes flashed with a fierce look.

"Yan Bing, you attract its attention, and I will find an opportunity to attack its weakness!" Qin Yuan shouted, his tone unquestionable.

"What? Boss, are you crazy?! This thing can beat you into a meat pie with one punch!" Wang Yanbing was immediately anxious. Isn't it obvious that he wants the boss to die?

"Stop talking nonsense! Execute the order!" Qin Yuan roared, his tone full of unquestionable majesty.

Wang Yanbing gritted his teeth. He knew that now was not the time to hesitate, and he could only choose to believe Qin Yuan.

"Okay! Boss, be careful!" Wang Yanbing roared, holding up the 95-type assault rifle in his hand, and madly fired at the "monster". The bullets poured out like raindrops, trying to attract the attention of the "monster".

The "monster" was attracted by Wang Yanbing's firepower, and let out a thunderous roar, and its huge body rushed towards Wang Yanbing.

"Now!" Qin Yuan's eyes flashed, and he seized the moment when the "monster" was attracted by Wang Yanbing, kicked his feet, and rushed towards the "monster" like an arrow from a string.

Although the "monster" was fast, Qin Yuan was even faster. He got behind the "monster" in a few flashes, and stared at the flickering light on its chest.

Qin Yuan's speed was as fast as lightning, and he got behind the "monster" in the blink of an eye. He was quick-eyed and quick-handed, and grabbed the flickering light ball on the "monster's" chest and pulled it hard.

"Roar--!"

The "monster" let out a shrill scream, and its huge body trembled violently, as if it was suffering great pain. It waved its arms frantically, trying to catch Qin Yuan, but Qin Yuan was well prepared and flexibly dodged its attack.

"Yan Bing, suppress with fire!" Qin Yuan roared, but his hands did not relax at all, instead he pulled the ball of light harder.

"Da Da Da Da!"

Wang Yanbing held the Type 95 assault rifle and fired a burst of bullets at the head of the "monster", trying to stop its crazy behavior.

Although the defense of the "monster" was amazing, the head seemed to be its weakness. The bullets hit it, splashing sparks, and it screamed in pain.

"Come out!" Qin Yuan roared, using all his strength to pull the ball of light out of the chest of the "monster".

"Roar--!!!"

The "monster" let out a deafening scream, and its huge body fell to the ground with a bang. It twitched a few times and then stopped moving.

Qin Yuan looked at the ball of light in his hand, and a hint of doubt flashed in his eyes. This ball of light was only the size of a fist, emitting a soft white light, warm to the touch, as if it had life, and it was beating slightly in his palm.

"What is this?" Wang Yanbing came over curiously and looked at the ball of light in Qin Yuan's hand carefully. "Could it be the energy core of this monster?"

"I don't know." Qin Yuan shook his head. He had never seen such a thing before. "Put it away first and talk about it when we get back."

After saying that, Qin Yuan put the ball of light into the tactical backpack, and then walked out of the cold storage room with Wang Yanbing.

As soon as the two walked out of the cold storage room, they saw He Chenguang and Li Erniu running over in a hurry.

"How is it? Are you okay?" He Chenguang asked anxiously, his face full of worry.

"It's okay, it's been solved." Qin Yuan said lightly, without any ripples in his tone.

"Solved? So fast?" Li Erniu's eyes widened with an expression of disbelief, "This monster is too vulnerable, isn't it?"

"You know shit!" Wang Yanbing rolled his eyes at Li Erniu unhappily, "This monster is invulnerable. If the boss hadn't found its weakness, we would all have to die here today!"

"What weakness?" Li Erniu asked curiously.

"This..." Wang Yanbing was about to explain, but was interrupted by Qin Yuan.

"Let's talk about it when we get back." Qin Yuan said lightly, then turned and walked outside.

Seeing this, He Chenguang and Wang Yanbing hurriedly followed. Li Erniu was confused, but he could only follow behind honestly.

The four returned to the command room and reported the situation in the cold storage room to their superiors. After hearing their report, the superiors were also shocked and quickly sent people to transport the body of the "monster" back for further research.

"Qin Yuan, thanks to you this time, if you hadn't discovered the weakness of the 'monster' in time, the consequences would be disastrous." The superior looked at Qin Yuan with admiration in his eyes.

"This is my duty." Qin Yuan said lightly.

"Good! Well said!" The superior laughed, "Don't worry, I will report the credit this time truthfully!"

Qin Yuan nodded and said nothing.

Qin Yuan's words made the other three people confused, but due to the majesty of their superiors, they had to swallow back their questions. After returning to the base, Li Erniu couldn't hold it in any longer, sat on the bed, and shouted: "Boss, what's going on? What is that thing? Why is it like a monster in a movie?"

Wang Yanbing also followed suit: "That's right, boss, don't keep us in suspense, just tell us!"

Qin Yuan glanced at them and said indifferently: "I don't know what it is. But I suspect it is related to the mission we performed before."

"Previous mission?" He Chenguang frowned and fell into deep thought.

"You mean, those missing cases?"

Qin Yuan nodded, his eyes became sharper: "Yes, do you remember the common points of those missing people? They are all veterans, and they all have strong individual combat capabilities."

"You mean, these missing people were captured and transformed into those monsters?" Wang Yanbing widened his eyes, his tone full of disbelief.

"It's almost certain." Qin Yuan said in a deep voice, "I suspect that there is a mysterious organization behind it, which is conducting some terrible experiments, and those missing people are their experimental subjects."

"This is too crazy!" Li Erniu's scalp numbed, "If it's really like what you said, then wouldn't we be in danger?"

"Dangerous?" Qin Yuan raised a cold arc at the corner of his mouth, "If they dare to target us, I will make them never come back!"

In the next few days, Qin Yuan and others have been investigating the missing cases, but they have no clues. Just when they were at a loss, a message came.

"What? You want to withdraw from the red blood cells?" Wang Yanbing looked at He Chenguang in front of him in disbelief, wondering if he had heard it wrong.

He Chenguang looked calm and said firmly: "Yes, I have submitted the application and will leave tomorrow."

"Why? Why do you want to leave suddenly?" Li Erniu was so anxious that he scratched his head.

"Yes, Chenguang, did something happen? Tell your brothers, and they will help you solve it!" Wang Yanbing also advised.

He Chenguang shook his head, said nothing, and just cast his eyes on Qin Yuan.

Qin Yuan looked at him and instantly understood what he meant.

"Since you have made up your mind, we will not force you to stay. However, you must remember that the red blood cells will always be your home, and the brothers will always be your backing!"

"Thank you." He Chenguang nodded gratefully.

The next morning, He Chenguang packed his bags and prepared to leave.

"Chenguang!"

A crisp voice sounded behind him. He Chenguang looked back and saw a girl in camouflage uniform running towards him.

"Tang Xinyi? Why are you here?" He Chenguang was a little surprised.

"I'm here to see you off." Tang Xinyi ran to him and smiled playfully, "Why, don't you welcome me?"

"Of course not." He Chenguang quickly denied it, but a trace of imperceptible panic flashed in his eyes.

"Have you really decided to leave?" The smile on Tang Xinyi's face gradually disappeared, and there was a hint of reluctance in her tone.

"Yeah." He Chenguang nodded, "I have decided."

"Is it because of me?" Tang Xinyi suddenly asked, her voice was very light, but it was like a thunder, exploding in He Chenguang's ears.

He Chenguang's heart was shocked, and he subconsciously wanted to deny it, but when the words came to his lips, he couldn't say it.

"You..."

"You..." He Chenguang opened his mouth, but didn't know what to say.

Tang Xinyi's tears fell like pearls from a broken string, "Don't you understand my feelings? Why do you force me to say it myself?"

He Chenguang panicked and tried to wipe her tears in a hurry, "Xinyi, don't cry, listen to my explanation..."

"I don't need your explanation!" Tang Xinyi slapped his hand away and cried, "Go away, I don't want to see you again!"

After that, she turned and ran away, leaving He Chenguang standing there alone, feeling confused.

Qin Yuan came over and patted his shoulder, with a hint of ridicule in his tone: "Why, you can't bear to leave?"

He Chenguang smiled bitterly and said nothing.

"Okay, don't think about it. She is just a little girl. You will forget about her after a while." Qin Yuan comforted, "Let's go, let's go back."

He Chenguang nodded, turned around and followed Qin Yuan away.

However, what he didn't know was that behind a big tree not far behind them, a pair of eyes were staring at them coldly.

After returning to the dormitory, Wang Yanbing and Li Erniu were very happy to see He Chenguang back, and they quickly surrounded him to ask about the situation.

"How is it? Did you say goodbye to the beautiful lady Tang?" Wang Yanbing asked with a gossipy face.

He Chenguang rolled his eyes at him and said unhappily: "What are you saying goodbye to? I'm leaving tomorrow."

"Leaving tomorrow?" Li Erniu said in surprise, "Why so suddenly?"

He Chenguang didn't answer, but just quietly packed his things.

Wang Yanbing wanted to ask again, but was stopped by Qin Yuan's eyes.

"Okay, stop asking. Chen Guang has his own plans." Qin Yuan said, "Let's think about what to do next."

"What else can we do? Of course, we should continue to investigate those missing cases." Wang Yanbing said, "I don't believe that we can't find out the reason with so many people!"

Qin Yuan nodded and said, "That's right, we must find out the truth and give an explanation to those missing comrades!"

Just then, Qin Yuan's cell phone suddenly rang.

He took out his cell phone and saw that it was an unfamiliar number.

"Hello, who is this?"

"Is this Qin Yuan?" A deep voice came from the other end of the phone.

"I am, who are you?"

"It doesn't matter who I am, what matters is that I know what you are investigating."

Qin Yuan's heart was shocked, and he asked in a deep voice: "Who are you? What do you want to do?"

"What do I want to do? It's very simple. I want to make a deal with you." The voice on the other end of the phone was a little playful, "I know what you want, I can help you get it, but you also have to do something for me."

"What deal? What is it?"

"Tomorrow night at 8 o'clock, I will wait for you at the abandoned factory on the outskirts of the city."

After that, the other party hung up the phone.

Qin Yuan held the phone with a frown.

He didn't know who the other party was, nor did he know what the other party's purpose was, but he knew that this matter was definitely not simple.

"Boss, what's wrong?" Wang Yanbing asked hurriedly when he saw that Qin Yuan's face was not right.

Qin Yuan took a deep breath and said, "Tomorrow night, I'm going to meet someone."

"Who?"

"A very dangerous person."

Chapter 2445 Not so good memories

Qin Yuan hung up the phone, frowning, with a fierce murderous look in his eyes.

"Boss, who is this? So mysterious, and meeting at an abandoned factory on the outskirts of the city, why does it sound like a gangster deal?" Wang Yanbing came over and asked curiously.

"Don't ask questions you shouldn't ask, just do your own thing." Qin Yuan glanced at him coldly, and Wang Yanbing immediately wilted like an eggplant hit by frost.

Li Erniu scratched his head and said honestly: "Boss, why don't we go? This is a remote place. What if the other party sets an ambush..."

"What are you afraid of! Can those crooked melons and jujubes hurt you?" Although Wang Yanbing said he was afraid, his body stood honestly beside Qin Yuan, "Boss, tell me, shall we go? If we go, I'll call those bastards and ask them to bring their weapons and surround that broken factory!"

Qin Yuan ignored Wang Yanbing's shouting. The deep voice on the phone and the meaningful words - "I know what you want" kept echoing in his mind.

He knew that the other party came prepared and might know some of his secrets, even his past that he didn't want to touch.

"Go, of course. I want to see who is playing tricks!" Qin Yuan's eyes flashed with a hint of ruthlessness. He was not afraid of the other party, but he was very uncomfortable with the feeling of being led by the nose.

At seven o'clock the next evening, the night fell, the lights came on, and the city gradually fell into a noisy night.

On the other side of the city, the abandoned factory in the suburbs was dead silent, with only a few crows echoing in the empty factory, which seemed particularly eerie and terrifying.

A black off-road vehicle rushed over and stopped at the factory gate.

Qin Yuan, He Chenguang, Wang Yanbing, and Li Erniu got out of the car, all with serious expressions, and looked around vigilantly.

"Boss, this place is too weird, gloomy, it won't be haunted, right?" Wang Yanbing couldn't help shivering. Although he was usually brave, he was still a little scared in the face of this unknown fear.

Li Erniu also followed Qin Yuan closely, holding a shovel tightly in his hand, as if it was his only source of security.

He Chenguang said nothing, and his sharp eyes scanned the surroundings, observing the surrounding environment, and any abnormality could not escape his eyes.

"Let's go." Qin Yuan was expressionless and took the lead to walk into the factory.

The interior of the factory was even darker, with abandoned machinery and equipment and scattered parts everywhere. The air was filled with a rotten smell, which was disgusting.

"Da, da, da..."

In the empty factory, a clear sound of footsteps suddenly sounded, coming from far away, steady and powerful.

Qin Yuan and the other four immediately raised their vigilance and looked in the direction of the sound.

The footsteps were getting closer and closer, echoing in the dim factory, like the footsteps of the god of death, knocking on everyone's heart. Wang Yanbing subconsciously clenched the gun in his hand, his palms full of sweat. He licked his lips and said in a low voice: "Boss, the person who comes is not kind, do you want to..."

Before he finished speaking, he was stopped by Qin Yuan's eyes. Qin Yuan had a blank expression on his face, his eyes were as sharp as a falcon, and he stared at the direction where the footsteps came from, as if he could penetrate the darkness and see the face of the person coming.

A tall figure slowly walked out of the shadows. In the dim light, his face could not be seen clearly. He was wearing a black windbreaker, standing tall like a javelin, exuding a strong sense of oppression that could not be ignored.

"You are finally here." The low voice of the man in black echoed in the empty factory, and there was no joy or anger in his tone.

"Who are you? What do you want to see me for?" Qin Yuan asked coldly, with a hint of impatience in his tone.

The man in black did not answer, but slowly took off his hat, revealing a sharp face. It was a very handsome face, with sword eyebrows, star eyes, a high nose bridge, and lips of moderate thickness, but his eyes were extremely cold, like ten thousand years of ice, which made people shudder.

"Long time no see, Qin Yuan." The man in black raised a cold smile at the corner of his mouth, and said word by word, his tone full of teasing and ridicule.

Qin Yuan's pupils shrank suddenly, and he looked at the person in front of him in disbelief, as if he had seen a ghost, and exclaimed: "Why is it you?! You are not..."

"What am I not? Don't you think I'm dead?" The man in black interrupted Qin Yuan's words, with a hint of mockery in his tone.

"You...what do you want to do?" Qin Yuan took a deep breath and tried to calm himself down, but his clenched fist betrayed his inner restlessness at the moment.

"I came here to make a deal with you." The man in black said, taking out a black USB flash drive from his arms and gently tossing it between his fingertips, "There is something you want in it."

Qin Yuan stared at the USB flash drive, and a complex look flashed in his eyes, with desire, struggle, and deep fear.

"What deal?"

The man in black did not speak, but threw the USB flash drive in his hand to Qin Yuan. Qin Yuan subconsciously caught it, and it felt cold, as if he was holding a piece of thousand-year-old ice.

"I want you to help me kill someone." The man in black said in a cold tone, as if he was talking about something insignificant.

"Who?"

"Your... good brother."

Qin Yuan's breathing became rapid. He stared at the USB flash drive in his hand, as if there was some life-or-death secret engraved on it. The words of the man in black were like poisonous snakes, hissing in his ears, provoking his reason and emotions.

"Your... good brother." Qin Yuan repeated these words, his tone full of bitterness and disbelief. He raised his head suddenly, looked directly at the man in black with hawk-like eyes, and asked word by word: "What do you know?"

The man in black didn't answer directly. He just chuckled. The laughter was full of ridicule and disdain, as if he was mocking Qin Yuan's ignorance and naivety. He slowly took out a cigarette from his pocket, lit it, took a deep breath, and then exhaled a thick cloud of smoke, shrouding his face in a haze.

"Qin Yuan, Qin Yuan, you are still as easy to be led by others as before." The man in black's tone was full of joking, "Do you think your so-called brothers really regard you as a brother? They are just It's a group of wolves in sheep's clothing, using you, deceiving you, and betraying you!"

"You're talking nonsense!" Wang Yanbing roared angrily, pointing the gun in his hand at the man in black, "If you dare to talk nonsense again, I will kill you with one shot!"

"Oh? Really?" The man in black was unmoved at all. Instead, he took a step forward, letting the muzzle of the gun press against his head. The corner of his mouth raised a cold arc, "Why, I was right. , are you angry?"

"You..." Wang Yanbing was so angry that his face was livid, but he didn't know how to refute.

"That's enough!" Qin Yuan growled, stopping Wang Yanbing's impulse. He stared at the man in black, his tone as cold as a knife, "I don't care who you are or what your purpose is. I just want to know, Are these things you said true? "

The man in black didn't say anything, he just threw the USB flash drive in his hand into the air and caught it steadily. He looked at Qin Yuan and said word by word: "There is the truth you want to know in this."

Qin Yuan hesitated for a moment, and finally reached out and took the USB flash drive. He looked at the USB flash drive in his hand, filled with struggles and contradictions in his heart. He knew that once he opened the USB flash drive, his life would change dramatically, and the relationship between him and his brothers would be completely broken.

"Think about it carefully, Qin Yuan." The man in black said, turned and walked towards the darkness, "I hope you can give me a satisfactory answer when we meet next time."

The figure of the man in black disappeared into the darkness, leaving only Qin Yuan and the four of them standing there, and the atmosphere was oppressive and suffocating.

He Chenguang walked to Qin Yuan, patted his shoulder, and said in a deep voice: "Boss, don't listen to his nonsense, we are all your brothers and will never betray you!"

Li Erniu also said angrily: "Yes, boss, we are all your brothers. If you can't trust us, I...I will crash to death here!"

Although Wang Yanbing did not speak, he walked to Qin Yuan and expressed his position with actions.

Qin Yuan looked at the three brothers who had gone through life and death in front of him with mixed feelings in his heart. He didn't know who to trust or what to do. He could only hold the USB flash drive in his hand tightly, as if it was his only life-saving straw.

At this moment, a rush of footsteps came, breaking the silence in the factory. A figure stumbled out of the darkness, his body covered in blood, his face full of horror and despair.

"Boss...it's not good...something happened..."

Blood gurgled out from between his fingers, dyeing the ground red and Qin Yuan's heart red. He supported the visitor and asked anxiously: "Mouse! What happened? Speak slowly!"

"Yes...it's the Black Dragon Gang..." The person who came was none other than Mo Zi, who was in charge of perimeter security. He said intermittently with a look of horror on his face, "They...they came out of nowhere...many people...we... We can't stop it at all..."

"Black Dragon Gang?!" Wang Yanbing was furious when he heard this, "These bastards! I have long disliked them!"

He Chenguang frowned and asked in a deep voice: "How many people are there? What is their firepower?"

"There are... a lot of people..." Mouse coughed violently, blood spurting out from his mouth, "At least... there are hundreds of people... they... they have heavy weapons..."

"What?!" Li Erniu exclaimed, "How can we fight like this? Boss, let's retreat quickly!"

Qin Yuan didn't speak, he just held the U disk in his hand tightly, with a cold light shining in his eyes. Of course he knew about the Black Dragon Gang. It was the largest underground force in City A. It was notorious for its evil deeds.

He originally thought that he had washed his hands and said goodbye to the past completely. Unexpectedly, fate played a huge joke on him and pulled him back into this bloody whirlpool.

"Boss..." Moazi used his last bit of strength to grab the corner of Qin Yuan's clothes and begged, "Quick... hurry up... take revenge for the brothers..."

Before he finished speaking, Mouse's hand dropped weakly, his eyes were wide open, full of unwillingness and despair, but he also lost his look forever.

"Mouse!" Qin Yuan shouted in grief, gently placed the mouse's body on the ground, and stood up slowly. There was no sadness in his eyes, only endless coldness and murderous intent remained.

"Black Dragon Gang..." Qin Yuan said word by word, his voice seemed to come from the Nine Nether Hell, "You all must die!"

"Boss, how can we take revenge?" Wang Yanbing's eyes were red and he asked through gritted teeth.

"Kill! Kill them all!" Li Erniu waved his fist as big as a casserole and roared.

He Chenguang didn't say anything, but the cold light flashing in his eyes showed his mood at the moment.

"No, we won't kill them all." Qin Yuan shook his head slowly, and a cold arc appeared at the corner of his mouth. "We will make them live a life worse than death!"

Qin Yuan's eyes flashed with crazy light. He took out his mobile phone from his pocket and dialed a number.

"Hello, is this Falcon? I'm Vulture..."

"I want you to do something for me..."

"I want the Black Dragon Gang to disappear completely from City A..."

"Remember, I want to live..."

After hanging up the phone, Qin Yuan threw the phone to the ground fiercely, with a bloodthirsty light flashing in his eyes, as if he was a demon from hell, wanting to devour all the evils in the world.

"Boss, you..." He Chenguang looked at Qin Yuan with some worry. It was the first time he saw Qin Yuan's terrible expression.

"Don't worry, Chenguang." Qin Yuan patted He Chenguang's shoulder, his tone was terribly calm, "I'm fine, I just remembered some not-so-good memories..."

...

At the same time, in the most prosperous commercial district of City A, on the top floor of a magnificent building, a burly man with a face full of flesh was sitting on a leather sofa, smoking and enjoying the massage of a beautiful woman.

"Brother Long, there is a man named Qin Yuan outside who wants to see you." A man in a suit and sunglasses stood aside respectfully and said.

"Qin Yuan? Which Qin Yuan?" Brother Long frowned, as if he remembered something.

"That's it, that..." The man in the suit hesitated, as if he was a little afraid.

"That's what? Say it quickly!" Brother Long roared impatiently.

"That's it, that Qin Yuan, known as the 'King of Hell'..." The voice of the man in the suit became smaller and smaller, and at the end, it was almost inaudible.

"What?!" Hearing this, Brother Long stood up suddenly, and the cigar in his hand fell on the carpet, but he didn't notice it at all, his face was full of fear and disbelief, "He... he's still alive?!"

"King of Hell?! Qin Yuan?!!" Brother Long was so scared that he fell back on the sofa, and the cigar fell on the expensive carpet and burned a black mark, but he didn't care about it at all.

Five years ago, the name Qin Yuan was as terrifying as the god of death in the underworld of City A. He was born in the military camp, with great skills and decisive killing. At a young age, he led a group of brothers to build a kingdom and was called "King of Hell".

Later, Qin Yuan was tired of the life of licking blood on the edge of a knife, retired from the golden basin, and disappeared. Everyone thought he was dead, but unexpectedly, he was still alive and came to the door!

Chapter 2446: Burning with Fury

"Brother Long, do you want to... do you want to call the brothers..." The man in the suit asked tremblingly, but before he could finish his words, he was slapped to the ground by Brother Long.

"Call your mother! Do you have a pig brain?! Can you deal with Qin Yuan?!!" Brother Long roared hysterically, his eyes full of fear and panic.

He forced himself to calm down, his brain running fast, thinking about countermeasures. After a moment, he seemed to have made a decision, raised his head suddenly, and a fierce light flashed in his eyes.

"Go, invite the big and small ladies!"

...

At the same time, Qin Yuan was sitting in the shabby rental house where Haozi lived before his death, closing his eyes to rest.

"Boss, do you really want to cooperate with Falcon?" He Chenguang frowned and asked worriedly, "Falcon's gang is not a good guy, they..."

"I know." Qin Yuan slowly opened his eyes, with a cold light flashing in his eyes, "but we need their strength now."

The Black Dragon Gang has been entrenched in City A for many years and is deeply rooted. It is not easy to completely eradicate them. With only four of them, it is tantamount to hitting a rock with an egg.

"But..." He Chenguang wanted to say something, but was interrupted rudely by Wang Yanbing.

"Chenguang, don't be nagging! The boss knows it!" Wang Yanbing said carelessly, "The bastards of the Black Dragon Gang killed the rat, and I want them to pay with blood!"

"That's right!" Li Erniu said in a muffled voice, "Boss, give the order! Whatever you want us to do, we will never frown!"

Qin Yuan looked around, looking at these three brothers who had been through life and death, and a warm current surged in his heart.

"Good brothers!" Qin Yuan patted their shoulders and said in a deep voice, "This time, we will not only avenge Haozi, but also completely change the sky of City A!"

...

As night fell and the lights came on, the nightlife of City A had just begun.

In the luxurious office on the top floor of the "Longteng Building" where the Black Dragon Gang's headquarters is located, Brother Long was pacing back and forth anxiously. His face was no longer arrogant and domineering, but was replaced by deep fear and uneasiness.

"Haven't you come yet?" he asked irritably.

"Not yet, the eldest lady's phone can't be reached..." The man in the suit lowered his head and answered tremblingly.

"Damn it! This dead girl, she failed at the critical moment!" Brother Long cursed angrily.

At this moment, the door of the office was suddenly pushed open, and a tall and heroic young woman in a black leather jacket walked in. Her long black hair was casually draped over her shoulders, her delicate face was lightly made up, her eyes were piercing, and she exuded a cold and noble temperament that made people dare not look at her.

"Dad, you are looking for me?" The woman opened her red lips slightly, her tone was cold, as if she had no emotion.

"Daughter, you are finally here!" When Brother Long saw the woman, he immediately felt like he had grabbed a life-saving straw and hurried to meet her...

"Dad, what's wrong with you? Why did you suddenly remember to call me?" The woman walked into the room, her eyes swept around with contempt, and finally fell on Brother Long, her tone full of disdain.

Brother Long rubbed his hands awkwardly, his face full of flattery, without any of the mafia boss's majesty, "My dear daughter, my precious daughter, you are finally here, Dad... Dad missed you so much!"

"Don't give me that," the woman interrupted him mercilessly, walked straight to the sofa and sat down, crossed her legs, and sneered, "Tell me, what trouble did you cause this time? Do you need me to help you clean up your ass?"

"Hey, my dear daughter, no one knows a father better than a daughter!" Brother Long made a bitter face and told the woman everything about Qin Yuan's return.

"Qin Yuan?" When the woman heard this name, her originally careless expression finally changed a little. She squinted her eyes slightly, as if she was recalling something. After a moment, she raised a playful smile at the corner of her mouth, "It's interesting. It's been so many years, and there are still people who remember him."

"Daughter, do you know him?" Brother Long asked cautiously.

"More than knowing him, back then..." The woman stopped talking halfway and chuckled, "He's just a lost dog. Is it worth making such a fuss?"

Brother Long was frightened by her words and broke into a cold sweat, "But... but he threatened to destroy our Black Dragon Gang..."

"Destroyed the Black Dragon Gang?" The woman laughed out loud as if she had heard a big joke, her laughter full of disdain and ridicule, "Just him? Is he worthy?"

"But... he has three helpers..." Brother Long said tremblingly.

"Three?" The woman raised her eyebrows, "Which three?"

"One is called He Chenguang, who is..."

Before Brother Long finished speaking, the woman stood up suddenly, her face changed suddenly, "What did you say? He Chenguang?!"

Brother Long was startled by her sudden change and stammered, "Yes... yes, what's wrong?"

"He... he's still alive?" The woman's voice trembled, her eyes full of disbelief.

Brother Long was stunned. He had never seen his daughter lose control like this before, and he suddenly had an ominous premonition in his heart.

"Daughter, are you...are you okay?" he asked tentatively.

The woman did not answer. She stumbled back a few steps, her face pale, as if she had suffered a huge blow.

"Impossible...this is impossible..." She muttered to herself, her eyes full of fear and despair, as if she had seen something terrible.

"How come he...how is he still alive..."

"He...how is he still alive..." The woman slumped on the sofa, her eyes empty, as if she had lost her soul.

Seeing this, Brother Long became even more flustered, "Daughter, please speak up, what's going on?"

The woman ignored him and just kept repeating the sentence, "How is he still alive...how is he still alive..."

Brother Long was so anxious that he turned around, but he didn't dare to urge her loudly. He could only look at her eagerly, hoping that she could recover from her lost state as soon as possible.

After a long time, the woman finally came to her senses. She took a deep breath and tried to calm herself down, "Dad, is what you said true? Is he really back?"

"It's true, daughter!" Brother Long nodded quickly, "Just this morning, he brought three people and rushed into our place directly, without saying a word..."

"Enough!" The woman slammed the table and interrupted him, "No need to say more, I know."

Brother Long was frightened by her sudden anger and dared not say anything.

"Qin Yuan..." The woman stood up, walked to the window, looked into the distance, and a complex look flashed in her eyes, "You are finally back... I will get back all the suffering and humiliation you suffered in the past! And... He Chenguang! What you owed me in the past, I will also make you pay it back a hundredfold!"

"Daughter, what should we do now?" Brother Long asked cautiously.

"What should we do?" The woman turned around and sneered, "Since they want to play, then we will play with them! Pass the order and gather all the brothers. I want to make the whole city shrouded in fear!"

"Yes!" Brother Long suddenly became energetic, straightened his back, and his eyes flashed with excitement.

...

At the same time, Qin Yuan and his group had arrived at the headquarters of the Black Dragon Gang-Longteng Building.

This building is located in the most prosperous area in the city center. It is 60 stories high and is one of the landmark buildings in the entire city.

"Boss, are we just going to kill it directly?" Wang Yanbing rubbed his hands and was eager to try.

"What else?" Qin Yuan asked, "Do we need to make an appointment with them?"

"That's not what I meant..." Wang Yanbing scratched his head, "I just think, shouldn't we make a plan first?"

"Plan?" Qin Yuan sneered, "What kind of plan do we need to deal with such a mob? Just go in and kill them without leaving a single piece of armor!"

"Boss is right!" Li Erniu said in a muffled voice, "To deal with these bad guys, we should fight violence with violence!"

He Chenguang didn't say anything, but just checked his equipment silently, with a cold light flashing in his eyes.

"Let's go." Qin Yuan waved his hand and walked towards the building first.

The four of them rushed into the building as if they were in an empty space.

Although the Black Dragon Gang is the largest gang in the city, it is just a mob after all. How can it be the opponent of Qin Yuan and others?

The sound of gunfire, screams, and explosions echoed in the building, like a purgatory on earth

Qin Yuan and his four men were like tigers entering a flock of sheep. Wherever they passed, there were broken limbs and arms, and the whole ground was stained red with blood.

"Kill!" Wang Yanbing shouted excitedly, and the assault rifle in his hand spewed flames, knocking down enemies one by one.

Although Li Erniu had no weapons, his strength was more terrifying than any weapon.

He was like a human tank, rushing around, and those gang members were like paper in front of him, vulnerable.

He Chenguang was like a ghost, always appearing in the most unexpected place of the enemy, and then harvesting lives with the sniper rifle in his hand.

Qin Yuan walked in the front, and no enemy could stand wherever he passed.

His speed was so fast that it was almost impossible to catch it with the naked eye.

Those gang members had their necks broken by him before they even had time to shoot.

Blood gushed out, staining Qin Yuan's clothes red, but he didn't care, and there was no mercy or sympathy in his eyes.

These people deserved to die!

At this moment, a burly man in a black suit walked out of the elevator.

When he saw the hellish scene in front of him, his face suddenly became extremely ugly.

"Who are you? How dare you come here to make trouble!" the man roared.

"Who are you?" Qin Yuan asked coldly.

"I am the leader of the Black Dragon Gang, Black Tiger!" the man gritted his teeth and said, "If you know what's good for you, get out of here quickly, otherwise..."

"What else?" Qin Yuan interrupted him, with a cold light in his eyes.

"Otherwise, don't blame me for being ruthless!" Black Tiger roared, pulled out a pistol from his waist, and pointed it at Qin Yuan.

However, before he could raise his gun, Qin Yuan had already turned into a residual image and appeared in front of him.

"Bang!"

With a muffled sound, Black Tiger's body flew out like a cannonball and hit the wall heavily.

"You..." Black Tiger struggled to stand up, but his body was completely out of control.

"I'll say it again, let your boss come out to see me!" Qin Yuan looked down at him, his tone was cold, like the death king from the Netherworld.

Hei Hu raised his head with difficulty, looking at the man in front of him who looked like a killing god, his eyes were filled with fear and despair...

Hei Hu got up from the ground with difficulty, wiped the blood from the corner of his mouth, and his eyes flickered. He knew that he had hit a wall today. The four guys in front of him were not ordinary people at all!

"I... I'll call the boss now..." Hei Hu took out his mobile phone with trembling hands. He knew that if he didn't serve this killing god well today, he probably wouldn't be able to leave this building.

Qin Yuan looked at him coldly, without saying anything, but his eyes flashed with cold light, which made Hei Hu feel scared.

The call was connected, and Hei Hu nodded and said: "Boss, I... I have some trouble here..."

"What trouble?" A low voice came from the other end of the phone, with a hint of impatience.

"There are a few guys... very powerful..." Hei Hu's voice trembled a little. He secretly glanced at Qin Yuan and found that the other party did not mean to stop him from calling, so he was relieved.

"Damn, trash! Who is so bold to act wild in my territory!" The voice on the other end of the phone suddenly rose eight degrees, obviously burning with anger.

"They...they said..." Hei Hu swallowed his saliva, his voice trembling, "They said that you, the boss... should come over in person..."

There was silence on the other end of the phone for a moment, and then there was a burst of laughter: "Hahaha! Good! Very good! It's been a long time since anyone dared to talk to me like this! Tell those little guys, I'll be there soon! Let's see who is so bold as to dare to make trouble!"

After hanging up the phone, Hei Hu looked at Qin Yuan tremblingly, and said carefully: "My boss said...he will be there soon..."

Qin Yuan sneered, did not speak, just walked straight to the sofa, sat down, crossed his legs, and looked leisurely.

Seeing this, He Chenguang, Wang Yanbing and Li Erniu also found a place to sit down, closed their eyes and rested, as if everything around them had nothing to do with them.

Seeing this, Hei Hu felt even more uneasy. He knew his boss's temper. He was a ruthless man who would kill people if he disagreed with them!

Time passed by minute by minute, and the atmosphere in the building was extremely depressing.

Cold sweat broke out on Hei Hu's forehead. He secretly glanced at Qin Yuan and found that he was still calm, as if he didn't care about the upcoming danger at all.

"Damn, who is this kid? He is so calm..." Hei Hu muttered in his heart. He felt that he might really fall today...

Suddenly, a burst of hurried footsteps came from outside the door, and then a group of big men in black rushed in. They were fierce and ferocious, holding machetes, steel pipes and other weapons in their hands. They were not good people at first glance.

The leader was a burly middle-aged man with a face full of flesh. He was wearing a black Tang suit, a thick gold chain around his neck, and two huge walnuts in his hands. He exuded the aura of a superior from head to toe.

Chapter 2447 Is it really you?

"Boss, it's them!" Black Tiger saw the people coming and quickly pointed at Qin Yuan and others and said, as if he saw a savior.

"Damn it, who dares to run wild on my territory?!" The man in Tang suit roared angrily, the sound was like a bell, making the whole room buzz.

He glanced around fiercely, and finally landed on Qin Yuan. His brows suddenly furrowed, and a look of doubt flashed in his eyes.

"Boy, who are you?" the man in Tang suit asked in a deep voice, with a hint of fear in his tone. He didn't know why, but he always felt that the young man in front of him was something special. He seemed to exude an aura that made him feel palpitated...

The man in Tang suit is named Zhao Ba, known as "Ba Ye" on the road, and he is a notoriously ruthless character in this film. In just a few years, he was able to develop his

small gang into a force that dominates the country today. He did not rely on simple fighting and killing.

He, Zhao Ba, has no other abilities, but his ability to observe people's emotions is top-notch. Although the young man in front of him looked young, his aura made him feel vaguely uneasy. Moreover, to be able to scare Black Tiger's hob meat to such an extent, the background behind this young man is probably not simple.

Thinking of this, Zhao Ba's original arrogance suddenly became a little lower, but in front of so many younger brothers, he was embarrassed to give in directly, so he said with a smile: "This little brother, I don't know What do you call it?"

Qin Yuan glanced at him sideways and said lightly: "You are not worthy of knowing my name."

As soon as these words came out, there was a gasp of cold air all around. Hei Hu was so frightened that he sat down on the ground. This boy was really not afraid of death. He actually dared to talk to Ba Ye like this!

Zhao Ba's face suddenly turned livid, and the younger brothers behind him also shouted:

"Boy, you're looking for fucking death!"

"How dare you talk to our overlord like that, I think you are tired of living!"

"Hurry up and kneel down and apologize to Master Ba, otherwise you won't be able to walk out of this door!"

Facing everyone's threats, Qin Yuan seemed not to hear them. He still maintained his previous posture, without even raising his eyelids.

"Boss, this kid is too arrogant. How about..." A strong man with a scar on his face came close to Zhao Ba's ear and wiped his neck.

A fierce look flashed in Zhao Ba's eyes, but he quickly suppressed it. After all, he is not a fool. He did not get to where he is today just by acting on impulse.

He asked in a deep voice: "Boy, let me ask you one last time, who are you?"

A disdainful sneer appeared at the corner of Qin Yuan's lips. He stood up slowly, glanced at Zhao Ba and his younger brothers with cold eyes, and said word by word: "You are not qualified to know who I am!"

After saying that, he kicked out suddenly and hit Zhao Ba right in the stomach!

"Bang!"

With a muffled sound, Zhao Ba flew backwards like a cannonball and hit the wall behind him heavily, letting out a scream.

There was silence all around. Everyone stared at this scene in stunned silence, as if they couldn't believe their eyes.

This was their ruthless overlord, and he was actually kicked away by a young man? !

Before anyone could react, Qin Yuan had turned into an afterimage and rushed into the crowd!

"Bang! Bang! Bang!"

The sounds of fists and feet continued to sound, and along with bursts of screams, the originally menacing men in black fell to the ground and wailed like wheat being cut down.

Qin Yuan never said a word throughout the whole process, but every move he made was full of violent aesthetics, which made people dazzled and frightened!

In just a few seconds, all the younger brothers brought by Zhao Ba were lying on the ground, all with bruises and swollen noses and swollen faces, and they were wailing.

Zhao Ba struggled to get up from the ground, looking at the scene in front of him that was like Shura hell, his eyes filled with horror.

"You...who are you..." he asked with a trembling voice, already thinking of retreating.

Qin Yuan walked up to him step by step, looked at him condescendingly, with a cold smile on his lips: "Now, I can tell you my name..."

At this moment, the door to the room was suddenly kicked open, and a heroic female officer in military uniform walked in, followed by a group of fully armed soldiers behind her.

"Stop!" the female officer shouted sternly.

Qin Yuan frowned slightly and turned to look at the person, a look of doubt flashing in his eyes.

"Who are you?" he asked.

The female officer looked at him coldly and said in a deep voice: "I am from the National Security Bureau. You are suspected of being involved in a major illegal case. Please come with us!"

Hearing this, Qin Yuan was stunned.

Illegal case? When did he get involved in illegal cases?

Qin Yuan frowned slightly and looked up and down at the woman who suddenly appeared in front of him. She was tall and tall, with a straight military uniform, and a dash of heroism in her heroic appearance. It was just the cold and arrogant look between her eyebrows that made him a little unhappy.

"National Security Agency? Illegal cases? Me?" Qin Yuan chuckled, his tone full of disdain, "Did you make a fucking mistake? I just came back from the army and didn't even have a hot meal. A lawbreaker?"

"Stop talking nonsense! If you have any problems, just come with us and we'll find out!" A soldier behind the female officer shouted sternly, while raising the gun in his hand and pointing it at Qin Yuan.

Qin Yuan's eyes instantly became sharp. He looked at the soldier coldly, with a dangerous curve on his lips: "What? Do you want to take action? I'm not afraid to tell you that when I was in the army, you guys with guns, I'll punch you one at a time!"

"You!" The soldier was speechless immediately, and the hand holding the gun trembled slightly.

Seeing this, the female officer quickly stretched out her hand to stop the soldier, turned to look at Qin Yuan, and softened her tone: "Sir, we are just doing this on a routine basis. Please cooperate."

"Cooperate?" Qin Yuan sneered, "How can I cooperate? Come back to drink tea with you? And then imprison me on any random charge?"

He is not a dazed young man who doesn't understand anything. He has been in the army for so many years, and he knows these things very well. Once you are taken away by these people, even if you can prove your innocence in the end, you will still have to shed your skin!

"You..." The female officer wanted to say something more, but was directly interrupted by Qin Yuan.

"I'll say it one last time, I haven't broken any laws, and I can't possibly follow you! If you are sensible, get out of here!" Qin Yuan's tone was cold, and his eyes were full of warning.

The female officer was choked by his words and was speechless. For a moment, the atmosphere in the room was tense and on the verge of breaking out.

At this moment, Zhao Ba, who had been hiding in the corner, suddenly spoke: "Sir, I know who he is! His name is Qin Yuan, he is..."

"Shut up!" Qin Yuan turned his head suddenly, his eyes shooting at Zhao Ba like sharp knives, frightening him into silence.

The female officer keenly captured the information in Zhao Ba's words. She frowned slightly, looked at Qin Yuan again, and asked tentatively: "Your name is Qin Yuan?"

"So what?" Qin Yuan replied coldly, his eyes full of vigilance.

The female officer ignored his attitude, but lowered her head and pondered for a moment, as if confirming some information. After a while, she raised her head, with a complicated expression on her face, and her tone became a little weird: "Do you... know He Chenguang?"

Hearing this name, Qin Yuan was obviously stunned for a moment, and a look of surprise flashed in his eyes.

"How do you know the morning light?"

"He Chenguang?" Qin Yuan repeated the name, a complex emotion flashing through his eyes, including surprise, doubt, and a trace of unnoticeable nostalgia.

"Do you know him?" the female officer asked, with a hint of imperceptible urgency in her tone.

Qin Yuan didn't answer, just stared at her silently, as if assessing something. He had been discharged from the army for less than a month. Apart from contacting a few comrades, he had no contact with the outside world at all. How could this woman who claimed to be from the National Security Agency know about his relationship with He Chenguang? Could it be...

"What do you want to know?" Qin Yuan asked, with a hint of vigilance in his tone.

"We suspect that you are related to a case that endangers national security, and we need your cooperation in the investigation." The female officer said, taking out a photo from her pocket and handing it to Qin Yuan, "Do you know this person?"

The photo showed a man with a stern face, sharp eyes, and a dangerous aura about him. Qin Yuan recognized it at a glance. The person in the photo was his archrival in the army - Lei Zhan!

"Lei Zhan?" Qin Yuan's pupils narrowed slightly, and a surge of anger instantly surged into his heart. How could this bastard have anything to do with national security?

"Do you know him?" When the female officer saw Qin Yuan's reaction, she felt happy. It seemed that she had found the right clue!

"He and I are irreconcilable!" Qin Yuan said through gritted teeth, clenching his fists.

"Why?" the female officer asked curiously.

"Because he deserves to die!" Qin Yuan replied coldly, and the scenes on the battlefield that year emerged in his mind.

Back then, he and Lei Zhan both belonged to the Langya Special Forces Brigade, but the two were incompatible rivals. Lei Zhan is cunning and cunning, and will do anything to achieve his goals, while Qin Yuan hates evil as much as he hates it, and cannot tolerate the slightest bit of sand in his eyes. The two fought openly and secretly on the training ground, refusing to give in to each other. Even during a mission, Lei Zhan almost killed Qin Yuan and his comrades in order to grab the credit!

"It seems that you have a deep grudge against him." The female officer said meaningfully.

"So what? What does this have to do with you?" Qin Yuan asked warily.

"Of course it does matter!" the female officer said in a serious tone, "We suspect Lei Zhan of treason and surrender to the enemy. Now he may have mastered several meters and is planning to carry out sabotage activities against the country! And you are the only one who can find him !"

"What?!" Qin Yuan was shocked when he heard this. He never thought that Lei Zhan, who was competitive with him back then, would turn out to be a traitor!

"Impossible! Lei Zhan, he..." Qin Yuan wanted to say something else, but was interrupted by the female officer.

"I know it's hard for you to accept, but the facts are right in front of you! Now is not the time to hesitate, the country needs your help!" the female officer said urgently, "You must find Lei Zhan and stop him! Otherwise, the consequences will be disastrous!"

Qin Yuan was silent. He knew that what the female officer said was true. If Lei Zhan really betrayed the country and surrendered to the enemy, the consequences would be disastrous!

"Why should I believe you?" Qin Yuan asked. It wasn't that he didn't believe in the country, but that he didn't believe in the woman in front of him.

The female officer took a deep breath and seemed to have made a major decision. She took out a black ID card from her pocket and handed it to Qin Yuan.

"This is my ID. My name is Lin Yu, and I am the director of the Special Operations Division of the National Security Bureau. This mission is top secret. Only a few people know about it. I hope you can..."

"Wait!" Qin Yuan suddenly interrupted her, staring at the certificate in her hand, "What's your name?"

"Lin Yu."

"Lin Yu..." Qin Yuan muttered to himself, and a vague figure suddenly appeared in his mind, a girl in a white dress running in the sun...

"Is it you?!" Qin Yuan raised his head suddenly, his eyes full of disbelief.

Qin Yuan stared at Lin Yu, or rather at this familiar face. Twenty years seemed to flow backwards at this moment, and the figure in the depths of his memory gradually overlapped with the person in front of him. The girl with a ponytail and a white dress running in the sun has now grown into a heroic female officer, but her clear eyes are still as familiar as in his memory.

"Xiaoyu, is it really you?" Qin Yuan's voice trembled a little. He wanted to rush up and hug the person in front of him, but reason told him that it was not the right time yet.

A trace of complex emotions flashed in Lin Yu's eyes, but she quickly covered it up. She nodded and said calmly: "It's me, Qin Yuan, long time no see."

"It's really you..." Qin Yuan muttered to himself, with mixed feelings in his heart. Back then, Lin Yu left without saying goodbye, leaving only a letter, and completely disappeared from his world. For twenty years, he has been looking for her whereabouts all the time, but there has been no news. Unexpectedly, when they met again, she appeared in front of him in this way.

"Where have you been all these years? Why..." Qin Yuan had a lot of questions to ask, but when the words came to his lips, he didn't know where to start.

Lin Yu was silent for a moment, as if organizing her words. In the end, she just said lightly: "Don't mention the past anymore. Now I have something more important to tell you."

"What is it?" Qin Yuan asked. He knew that since Lin Yu chose to appear at this time, and in the identity of the director of the Special Operations Department of the National Security Bureau, it means that this matter is definitely not trivial.

"You should have known about Lei Zhan." Lin Yu did not answer his question directly, but asked back.

"Yeah." Qin Yuan nodded, and Lei Zhan's disgusting face appeared in his mind again.

"He is very dangerous now. Not only has he mastered Ji Mi, but he has also colluded with foreign forces and attempted to subvert the national regime!" Lin Yu said in a serious tone.

"What?!" Qin Yuan was shocked when he heard this. He never thought that Lei Zhan would be so crazy!

"Where is he now? I want to kill him!" Qin Yuan gritted his teeth and said, a cold murderous intent emanated from him.

"Calm down first!" Lin Yu said hurriedly, "We don't know his exact location yet, but he will definitely take action in the near future. We must find him before he acts!"

One-click Recovery Since I was a Special Soldier

"How to find it?" Qin Yuan asked. Although he wanted to tear Lei Zhan into pieces, he was not an impulsive person. He knew that the most important thing now was to find Lei Zhan and stop him!

"According to the information we have, Lei Zhan's target this time is likely to be..." Lin Yu stopped suddenly and stared at Qin Yuan closely, "It's your sister, Qin Yao!"

"What?!" Qin Yuan was struck by lightning when he heard this, and his face turned pale instantly.

"Yaoyao!" Qin Yuan stood up suddenly, his eyes full of bloodshot. He grabbed Lin Yu's shoulders and asked with gritted teeth: "What does Lei Zhan want to do to Yaoyao?!"

Lin Yu was startled by his fierce appearance, but soon calmed down. She gently patted the back of Qin Yuan's hand, motioning him to calm down, and then slowly said: "Don't be excited. We can't be sure that his target is Qin Yao now, but according to the information we have, Lei Zhan has been investigating your background recently, and Qin Yao is your only relative, so she is likely to be Lei Zhan's target."

"Damn it!" Qin Yuan punched the table, and a crack suddenly appeared on the hard tabletop. "This beast, if he dares to touch Yaoyao, I will definitely make him live a life worse than death!"

"Qin Yuan, I know you are very angry now, but you have to calm down," Lin Yu looked at Qin Yuan, his eyes full of worry, "Lei Zhan is very cunning, we can't act rashly, otherwise it will only alert the enemy."

"Then what should we do?" Qin Yuan suppressed his anger. He knew that Lin Yu was right. The most important thing now is to find Lei Zhan and protect Qin Yao.

"I have sent people to protect Qin Yao secretly," Lin Yu said, "What you have to do now is to cooperate with us and find Lei Zhan's hiding place!"

"Okay, what should I do?" Qin Yuan agreed without hesitation. For Qin Yao, he can give everything!

"We have got some clues about Lei Zhan," Lin Yu said, handing a document to Qin Yuan, "This is all the information we have about Lei Zhan, take a look."

Qin Yuan took the document and flipped through it carefully. There was not much content on the document, but every sentence revealed a dangerous atmosphere, which made him feel a strong sense of uneasiness.

"How is it? Have you found anything?" Lin Yu asked.

Qin Yuan shook his head and frowned, "Lei Zhan is hiding very deeply. This information can only prove that he is still alive, but cannot determine his specific location."

"Well," Lin Yu nodded, "But it's not completely fruitless," she pointed to a photo on the document, "Look at this photo, do you know this person?"

The photo shows a tall foreign man with blond hair and blue eyes, a sinister look in his eyes, and a dangerous atmosphere all over his body.

"I don't know him," Qin Yuan shook his head, "Who is he?"

"He is a senior mercenary of the US Blackwater Company, codenamed 'Death'," Lin Yu explained, "According to the intelligence we have obtained, Lei Zhan once hired him at a high price to assassinate an important person, and succeeded," she paused and continued, "So, we suspect that Lei Zhan is likely to hire him to deal with you this time."

"Death..." Qin Yuan repeated the name in a low voice, with a cold light flashing in his eyes, "If he dares to come, I will definitely make him come without return!"

"Qin Yuan," Lin Yu looked at Qin Yuan and said in a serious tone, "I know you are very strong, but 'Death' is not an easy person to deal with, you must not be careless!"

"I know," Qin Yuan nodded. He knew that Lin Yu was concerned about him, but he was not afraid, "I will be careful."

"Well," Lin Yu nodded, "Be careful, and contact me at any time if there is any situation."

"Okay."

...

After leaving the National Security Bureau, Qin Yuan went directly back to his residence, which is a single-family villa located in the suburbs. He bought it specifically for the convenience of carrying out the mission.

Entering the villa, Qin Yuan went straight to the study, turned on the computer, and began to look up information about "Death".

"Death", whose real name is Jason Statham, is an ace mercenary of the US Blackwater Company. He is proficient in various weapons and fighting skills, has killed countless people, and is a well-known figure in the mercenary world.

Looking at the introduction of "Death" on the computer screen, Qin Yuan's face became more and more solemn. He knew that he had encountered an unprecedented strong enemy this time.

"Dinglingling..."

Suddenly, a rapid phone ring rang, interrupting Qin Yuan's thoughts.

Qin Yuan picked up the phone and looked at the caller ID. It was Qin Yao calling.

"Hello, Yaoyao, what's wrong?" Qin Yuan answered the phone and asked as gently as possible.

"Brother, where are you? Why haven't you come back yet?" Qin Yao's sweet voice came from the other end of the phone.

"I... I have something to do outside," Qin Yuan made up an excuse. He didn't want Qin Yao to know the danger he was facing. "Have you eaten?"

"Not yet. I'm waiting for you to come back and eat together," Qin Yao said coquettishly. "Brother, when will you come back? I'm starving!"

"I..." Qin Yuan was about to say that he might be back later, when suddenly, there was a noisy sound from the other end of the phone, followed by Qin Yao's exclamation: "Ah! Who are you? What are you doing?!"

"Yaoyao! Yaoyao!" Qin Yuan's face suddenly changed, and he shouted loudly into the phone, but there was no sound from the other end of the phone, only the busy tone of "beep beep..."

"Damn it!" Qin Yuan stood up suddenly, his eyes full of anger and worry. He grabbed his coat, rushed out the door, and ran towards the garage.

"boom!"

The silver sports car flew out like an arrow and disappeared into the night.

Qin Yuan stepped on the accelerator to the floor, and the silver sports car shuttled through the night like a bolt of lightning. The busy signal on the other end of the phone and Qin Yao's exclamation echoed in his ears, piercing his heart like red-hot sharp knives.

"Damn! Who is it?!" Qin Yuan punched the steering wheel, and the sports car roared angrily. He knew that anyone who dared to touch Qin Yao was definitely not simple.

He tried to calm down and quickly dialed Lin Yu's phone: "Lin Yu, my sister has been kidnapped!"

"What?!" Lin Yu on the other end of the phone was also shocked, "What's going on? Speak slowly!"

Qin Yuan told Lin Yu what happened in a concise and concise manner.

"I understand. Calm down first. I'll send someone to look for her right away!" Lin Yu made a quick decision, with a hint of solemnity in his tone. "When was the last time your sister spoke to you? Where was she?"

Qin Yuan quickly reported the time and address, then hung up the phone, turned the car around, and sped towards the place where Qin Yao last appeared.

Along the way, various horrific scenes flashed through his mind, and the fingers holding the steering wheel turned slightly white from excessive exertion. He has never hated his powerlessness as much as he does now. If something happens to Qin Yao, he will never forgive himself in this life!

...

At the same time, in an abandoned factory on the outskirts of the city, Qin Yao was tied to a chair by two tall and thick men. Her mouth was sealed with tape and she could only make whining sounds.

"Brother, this girl is so pretty!" One of the strong men looked at Qin Yao with a lustful look in his eyes.

"Don't mess around! Brother Lei said, just keep an eye on her, and we'll talk about other things when he comes!" Although another strong man was also a little distraught, he still suppressed the desire in his heart and warned.

"Tch, coward!" The first strong man curled his lips in disdain, but he didn't dare to do anything extraordinary. After all, they had seen Brother Lei's methods before.

"Wooooooo..." Qin Yao struggled desperately, but to no avail, she could only watch the two strong men approaching step by step.

At this moment, a rush of footsteps came from outside the door, and then a cold voice sounded in the empty factory: "Who told you to touch her?!"

When the two strong men heard this voice, they were frightened. They turned around quickly, nodded and bowed and shouted: "Brother Lei!"

The person who came was none other than Lei Zhan. He was wearing a black trench coat, his face was terrifyingly gloomy, and his eyes shone with a chilling cold light.

"Brother Lei, we..." One of the strong men was about to explain when he was kicked to the ground by Lei Zhan.

"Trash!" Lei Zhan glanced at them coldly, "Who told you to touch her?!"

"Brother Lei, we just..." The other strong man was trembling with fear and couldn't finish a sentence.

"I warned you not to act rashly!" Lei Zhan's eyes flashed with murderous intent, "It seems you don't take me seriously anymore!"

"Brother Lei, have mercy on me! Brother Lei, have mercy on me!" The two strong men knelt on the ground, kowtowing desperately and begging for mercy.

"It's too late to beg for mercy now!" Lei Zhan snorted coldly, with even more murderous intent in his eyes.

At this moment, the roar of an engine came from far away, and a silver sports car rushed into the factory like an arrow. It braked suddenly and stopped in front of Lei Zhan, raising a cloud of dust.

The car door opened, and Qin Yuan jumped out of the car. With blazing anger in his eyes, he stared at Lei Zhan and said word by word: "Lei Zhan, let her go!"

Qin Yuan's cold gaze pierced Lei Zhan like a sharp blade, and the air seemed to be filled with the smell of gunpowder. Lei Zhan met Qin Yuan's gaze with a playful smile on his lips, showing no fear at all.

"Who do I think you are? It turns out that you are the loser!" Lei Zhan smiled contemptuously and turned his eyes to the sports car behind Qin Yuan, "Why, which rich woman did you get together with and drive such a good car?"

Qin Yuan ignored Lei Zhan's provocation and just said coldly: "Lei Zhan, I say it again, let her go!"

"Let her go?" Lei Zhan seemed to have heard some funny joke and laughed loudly, "Qin Yuan, Qin Yuan, who do you think you are? What qualifications do you have to order me?!"

Lei Zhan's laughter stopped abruptly. He waved his hand suddenly, pointed at Qin Yao who was tied to the chair, and said viciously: "Your sister's life is in my hands now! If you are sensible, just kneel down. Maybe if I'm in a good mood, I can leave her intact!"

Qin Yuan's face suddenly became frighteningly gloomy. He clenched his fists and his knuckles turned white from excessive exertion. He knew that Lei Zhan could do what he said, and if he acted rashly, Qin Yao's life might be in danger.

"What do you want?" Qin Yuan suppressed the anger in his heart and asked coldly.

"What do I want?" Lei Zhan sneered, "It's very simple, I want you to die!"

As soon as he finished speaking, the two strong men behind Lei Zhan rushed towards Qin Yuan fiercely. These two strong men are both Lei Zhan's capable men and are not weak in skill, but to Qin Yuan, they are as vulnerable as a chicken or a dog.

Qin Yuan was seen dodging the attacks of the two men in a flash, and then, with lightning speed, he kicked the two men hard on their chests.

"Bang!" "Bang!"

After two muffled sounds, the two strong men flew out like a kite with a broken string, fell heavily to the ground, spitting blood, and were obviously seriously injured.

"Waste!" Lei Zhan cursed angrily, and a trace of viciousness flashed in his eyes. He knew that he might have met a tough guy today.

"Who are you?" Lei Zhan looked at Qin Yuan and asked in a deep voice.

"You don't need to know!" Qin Yuan said coldly, "You just need to know that you are dead today!"

As soon as Qin Yuan finished speaking, his figure disappeared from the spot like a ghost. The next second, he appeared in front of Lei Zhan, with five fingers forming claws, and fiercely grabbed Lei Zhan's throat.

Lei Zhan was shocked and wanted to dodge, but it was too late.

"Stop!"

At this critical moment, a crisp voice suddenly sounded at the door of the factory.

Everyone looked in the direction of the sound and saw a man in camouflage uniform, standing at the door, holding a sniper rifle in his hand, with the muzzle facing Qin Yuan's head.

"He Chenguang?!" Qin Yuan looked at the newcomer, frowning slightly, with a hint of doubt in his eyes.

"He Chenguang?! How come you are here!" Wang Yanbing exclaimed, he never expected to meet their former comrade here.

He Chenguang ignored Wang Yanbing, his deep eyes were always locked on Qin Yuan, his tone was cold: "Qin Yuan, let go of Lei Zhan, otherwise, I don't mind giving you a bullet!"

It was not pleasant to be targeted by a sniper rifle, Qin Yuan narrowed his eyes, he could feel the murderous aura emanating from He Chenguang, that was definitely not a joke.

"Chenguang, are you crazy?! Do you know what you are doing?!" Lei Zhan, who was restrained by Qin Yuan, shouted hoarsely, his eyes full of disbelief.

"Shut up!" He Chenguang glanced at Lei Zhan coldly, his tone unquestionable, "You should know my marksmanship very well."

Lei Zhan was silent immediately. He did not doubt the truth of He Chenguang's words. This god-like sniper had the legend of "bullet turning"!

"Good, very good." Qin Yuan suddenly laughed out loud, but the laughter was full of sadness and anger, "Lei Zhan, Lei Zhan, I didn't expect you to have this day, it's really retribution!"

After that, Qin Yuan pushed Lei Zhan away, then slowly stood up, staring at He Chenguang with burning eyes: "You want to kill me? Then come on!"

Chapter 2449 has been resolved

There was no fear in Qin Yuan's words, but a hint of provocation. He wanted to see if this former comrade really had the courage to shoot him!

The air seemed to be frozen, and the atmosphere was extremely tense. Wang Yanbing and Li Erniu didn't dare to breathe. They didn't know how things could develop to this point. They could only watch the tense scene in front of them.

Qin Yao, who was caught in the middle, turned pale with fright. She tried desperately to struggle, but to no avail. She could only cry in despair: "Brother! Brother Chen Guang! Don't fight! Please!"

However, her voice seemed extremely small in the empty factory building and could not reach the ears of the two people at all.

"Chen Guang, what are you still hesitating about?!" Lei Zhan got up from the ground, covered his neck and coughed violently several times, then pointed at Qin Yuan and said viciously: "If he dares to attack you today, he will dare to kill you tomorrow. Your whole family! Kill him! Kill him!"

He Chenguang did not speak, but silently raised the sniper rifle in his hand, with the muzzle still pointing at Qin Yuan's head. His eyes were complicated, showing struggle and pain, but more importantly, determination!

At this moment, Qin Yuan's cell phone rang suddenly, breaking the suffocating silence.

Qin Yuan frowned slightly. He didn't want to pay attention to it, but the ringtone of his cell phone rang over and over again like a reminder, making him upset.

In the end, Qin Yuan took out his mobile phone and glanced at the caller ID, his face suddenly became extremely ugly.

"mom....."

Qin Yuan's voice was trembling, and his eyes were full of pain and struggle.

"Take it." He Chenguang's voice echoed in the empty factory building, "Some things cannot be escaped."

Qin Yuan took a deep breath and finally pressed the answer button.

"Xiaoyuan, where are you? Why haven't you come back yet? Mom made your favorite braised pork..."

A kind and familiar voice came from the other end of the phone, but at this moment, the voice made Qin Yuan feel extremely harsh, like a needle pricking him, making him miserable.

"Mom, I..."

Qin Yuan just said a word, and the voice on the other end of the phone suddenly changed and became frightened: "Who are you?! Let me go! Help!..."

"Du...du...du..."

The phone was hung up, leaving only a creepy busy signal.

"No--!!"

Qin Yuan let out a heart-rending roar, his eyes were red, like a wounded beast, exuding a chilling murderous aura.

"Who is it?! Who is it?!"

Qin Yuan turned his head suddenly, stared at Lei Zhan, and asked through gritted teeth, his voice filled with endless anger and murderous intent.

Lei Zhan looked at Qin Yuan who looked like a madman, with a cold arc at the corner of his mouth, and said slowly: "Want to know who it is? Then beg me, maybe I am in a good mood and will tell you..."

However, before Lei Zhan could finish his words, he was kicked out by Qin Yuan, hit the wall heavily, and let out a shrill scream.

"Say! Who is it?!"

Qin Yuan was like a mad lion, approaching Lei Zhan step by step, his eyes full of crazy killing intent.

"I...I said...I said..."

Lei Zhan was frightened out of his wits by Qin Yuan's eyes. He had no doubt that if he didn't say anything, he would be torn into pieces by Qin Yuan in the next second!

"Yes...yes..."

Lei Zhan's voice was trembling and intermittent, as if he might die at any moment.

"Who is it?! Say it quickly!"

Qin Yuan roared angrily, grabbed Lei Zhan's neck, and lifted him up, with murderous intent in his eyes!

"Yes...yes..."

Lei Zhan's face turned red, he had difficulty breathing, and his eyes were full of fear and despair.

"boom--"

At this moment, the door of the factory was suddenly knocked open by a huge force, and a burly man in a black suit walked in, followed by a group of black bodyguards.

"stop!"

The man roared, his voice like thunder, resounding throughout the factory!

...

The man turned around slowly. There was no emotion or anger on his knife-like face, only a pair of falcon-like eyes flashed with danger. He just stood there casually, but he exuded a powerful pressure that made the air in the entire factory seem to freeze.

"Lei Zhan, is this a small trouble that you said can be easily solved?" The man said coldly, his voice low and magnetic, but with an unquestionable majesty.

"Long...Brother Long..." Lei Zhan struggled to get up from the ground, his face full of fear and panic, "I...I didn't expect...he would..."

"Trash!" The man known as Brother Long roared and kicked Lei Zhan away. "If you can't handle such a small thing, what do I need from you?!"

Lei Zhan was kicked and rolled around on the ground several times, with a trace of blood spilling from the corner of his mouth, but he did not dare to complain, so he could only say in a low voice: "Brother Long, calm down, I will... I will deal with him right now!"

Brother Long ignored Lei Zhan and turned his gaze to Qin Yuan, with a playful look in his eyes. He looked Qin Yuan up and down, with a hint of contempt at the corner of his mouth.

"Are you Qin Yuan? You don't look very good either." Brother Long's tone was frivolous and full of disdain, "How dare you run wild on my Thunder Dragon's territory?"

Qin Yuan did not speak, but looked at Thunder Dragon coldly, with burning anger in his eyes. He clenched his fists so tightly that his knuckles turned white, as if he wanted to tear the Brontosaurus into pieces.

"What? Not convinced?" Lei Long looked at Qin Yuan's expression and felt even more disdainful, "Want to avenge your poor mother? Hahaha, just you?"

Thunder Dragon's words stung Qin Yuan's heart as usual. He raised his head suddenly, his eyes were red, and roared: "Shut up!"

"What? Did I say something wrong?" Thunder Dragon sneered and said, "Your mother should be shivering in a dark corner right now, right? Hahaha, maybe..."

"Enough!" Qin Yuan could no longer bear the humiliation of Thunder Dragon. He roared and rushed towards Thunder Dragon like an arrow from a string.

"Don't overestimate your own capabilities!" A cold light flashed in Lei Long's eyes. He dodged Qin Yuan's attack easily, and then punched Qin Yuan in the chest.

Qin Yuan was unable to dodge and was hit by Thunder Dragon's punch. He flew backwards and fell heavily to the ground, with a mouthful of blood spurting out.

"With this little strength, you dare to attack me?" Thunder Dragon approached Qin Yuan step by step, his eyes full of ridicule and disdain, "Today I will let you know what despair is!"

At this moment, He Chenguang, who had been silent until now, suddenly moved. He dodged and stood in front of Qin Yuan. The sniper rifle in his hand was already aimed at Thunder Dragon's eyebrows.

"Stop!" He Chenguang said coldly, his voice full of murderous intent, "Otherwise, I don't mind sending you to see the King of Hell!"

"Oh?" Thunder Dragon looked at He Chenguang, a trace of surprise flashed in his eyes, but then he regained his composure, "Who are you? Dare to meddle in my business?"

"My name is He Chenguang, and I am a sniper of the red blood cell team of the Langya Special Forces Brigade." He Chenguang said with a cold tone, "Now, I order you to let him go immediately!"

"Spike?" When Thunder Dragon heard the name, a trace of fear flashed in his eyes, but he quickly covered it up and sneered, "My Thunder Dragon is not scared! Today, I want to take a look at you. How to save people from my hands!"

As soon as Lei Long finished speaking, several bodyguards in black behind him immediately took out their pistols and pointed them at He Chenguang and Qin Yuan.

The atmosphere instantly became tense, and a war was about to break out!

As soon as He Chenguang finished speaking, the air seemed to freeze, and only the heavy breathing of both parties echoed in the warehouse. The Brontosaurus narrowed his eyes and looked up and down at this guy who suddenly appeared. He had never heard of the name of the Langya Special Forces Brigade. It was an elite unit known as the "Blade of the Southeast Military Region" and they did have some real skills.

But let him let the Brontosaurus go in such despair? Then how can he still hang out on the road in the future! He, the Brontosaurus, hates threats from others the most!

"Hahaha..." Thunder Dragon suddenly looked up to the sky and laughed, his laughter full of contempt and disdain, "Who the hell do you think you are? How dare you point fingers in front of my Thunder Dragon! I told you today, This kid, I'm determined to make a move!"

Thunder Dragon waved his hand suddenly, and the bodyguards in black behind him immediately pointed their guns at He Chenguang, and the atmosphere instantly became extremely tense.

"Brother Guang! Don't be impulsive!" Wang Yanbing growled anxiously. Although he has a hot temper, he is not stupid. There are more than a dozen people on the other side, and they all carry guns. It is not a wise choice to fight head-on.

Li Erniu said nothing, but silently clenched his fists, staring at the Thunder Dragon with a pair of bull's eyes, like a bull ready to attack at any time.

"Thunder dragon, right?" Qin Yuan struggled to get up from the ground, wiped the blood from the corner of his mouth, his eyes were as cold as if he came from the Nine Nether Hell, "You'd better figure it out, you were the one who started this matter today! I, Qin Yuan, swear that I will definitely make you regret it!"

Qin Yuan's words were full of strong murderous intent, like an enraged lion, making everyone present feel an inexplicable chill.

"Hey, you dare to be so harsh!" A big man with a scar face next to Thunder Dragon walked forward with a ferocious smile, stepped on Qin Yuan's chest, and crushed it hard, "I will let you see what it means to be real today. "Despair!"

"Stop!" He Chenguang roared angrily, raising the sniper rifle in his hand suddenly, pointing the muzzle directly at Scarface's head, "I say it one last time, let him go!"

He Chenguang's tone was cold and biting, without the slightest emotion, like the voice of judgment coming from hell. He is not kidding, if the Brontosaurus dares to act rashly again, he won't mind letting a few more corpses in this warehouse!

"Fuck! Who the hell are you trying to scare!" Scarface didn't take He Chenguang's threat seriously at all. He was a ruthless character who licked blood with his knife. What scene had he never seen before?

"Bang!"

A gunshot sounded particularly harsh in the silent warehouse. The smile on Scarface's face froze instantly. He looked down at his chest in disbelief, where a bloody bullet hole suddenly appeared. Blood gushed out like a fountain, instantly staining his clothes red.

"Ah!" Scarface let out a shrill scream, his body fell to the ground weakly, twitched a few times, and then stopped moving.

Everyone was shocked. No one expected that He Chenguang actually dared to shoot and killed him with one shot!

The air in the warehouse seemed to freeze, and everyone was recalling the sound of the gunshot. Thunder Dragon's face turned pale. He never expected that this ordinary-looking soldier would actually dare to shoot and kill someone!

"You...you're fucking crazy!" Lei Long pointed at He Chenguang, his voice trembling. The remaining bodyguards around him also panicked and backed away, their hands holding the guns trembling.

"I say it one last time, let him go!" He Chenguang's face was expressionless, and the gun was still pointed at the thunder dragon, as if the god of death was waving to him.

"Let... let him go!" Thunder Dragon was scared. He was just a gangster who bullied the weak and feared the strong. He had never seen such a battle before.

Qin Yuan got up from the ground, patted the dust on his body, walked to He Chenguang, and stared at Thunder Dragon coldly, "I have written down what happened today."

"Don't... don't kill me! I... I was wrong!" Thunder Dragon was so frightened that his legs became weak and he knelt directly on the ground.

"Get out!" Qin Yuan roared angrily, and the thunder dragon crawled out of the warehouse like a pardon. His bodyguards also ran away in pee.

Only Qin Yuan and the other three were left in the warehouse. Wang Yanbing and Li Erniu both looked at He Chenguang with admiration.

"Brother Guang, you are so awesome! One shot scared the shit out of that kid!" Wang Yanbing said excitedly.

"The marksmanship is good." Li Erniu said angrily.

He Chenguang put away his gun and said calmly: "Let's go back."

It was already late at night when the three of them returned to the Red Blood Cell Base. Fan Tianlei breathed a sigh of relief when he saw them returning safely.

"What's going on? Why did you alert the police?" Fan Tianlei asked.

"Report to the captain, let's go today..." Wang Yanbing was about to say, but was interrupted by He Chenguang.

"Nothing, just a small matter." He Chenguang said, "It has been solved."

Fan Tianlei glanced at He Chenguang and didn't ask any more questions. He knew that He Chenguang didn't want to say anything, so he must have his reasons.

"Okay, let's all go back and rest." Fan Tianlei waved his hand.

The next day, Qin Yuan was called to Fan Tianlei's office.

"Qin Yuan, I heard about what happened to you yesterday." Fan Tianlei said, "You did a good job and did not embarrass the red blood cells."

Qin Yuan smiled, "This is what I should do."

"However," Fan Tianlei changed the topic, "Do you know that you got into big trouble this time?"

"Big disaster?" Qin Yuan was stunned, "What big disaster?"

"The person you killed was the young master of the Lei Group." Fan Tianlei said, "Do you know the background of the Lei Group?"

Qin Yuan shook his head. He knew nothing about these business matters.

"The Lei's Group is the largest drug lord group in Southeast Asia." Fan Tianlei said, "The Thunder Dragon you killed is the future heir of the Lei's Group."

Qin Yuan's expression suddenly changed, "You mean, I got into trouble with a drug lord?"

"That's right." Fan Tianlei nodded, "Besides, it is the largest drug lord group in Southeast Asia."

Qin Yuan was silent. He knew that he had really gotten into big trouble this time.

"But don't worry," Fan Tianlei patted Qin Yuan on the shoulder, "You are my red blood cell, and I won't let anything happen to you. I will use all my connections to protect you."

"Thank you, captain!" Qin Yuan said gratefully.

"However," Fan Tianlei added, "Lei's Group will not give up. They will definitely take revenge. You must be careful yourself."

Chapter 2450 Did you get the stuff?

"I understand, captain." Qin Yuan said, "I will be careful."

Fan Tianlei nodded, "Okay, you can go down."

After Qin Yuan left, Fan Tianlei's expression became solemn. He knew that a storm was coming.

At the same time, in a luxurious villa in Southeast Asia, a middle-aged man was sitting on the sofa, listening to the report of his subordinates.

"What did you say? The Thunder Dragon was killed?" The middle-aged man stood up suddenly and roared, "Who did it? I will cut him into pieces!"

"Reporting to the head of the family," his subordinates said tremblingly, "the person who killed the young master is a member of the red blood cell team of the Langya Special Forces of the Southeast China Military Region..."

"Langya Special Forces?" The middle-aged man narrowed his eyes, "Okay, very good! I remember them! I want the entire Langya to be buried with my son!"

Qin Yuan frowned. Although he knew nothing about business, he also understood what the word drug lord meant. That's a desperado, he can do anything!

"Captain, what should we do now?" Qin Yuan asked in a deep voice. He was not afraid, but just worried that his brothers in Red Blood Cell would be affected.

"I have reported the situation to my superiors. They will join forces with Interpol to attack the Lei Group." Fan Tianlei said, "During this period, you just stay in the base and don't go anywhere."

"But..." Qin Yuan wanted to say something else, but was interrupted by Fan Tianlei.

"It's nothing, this is an order!" Fan Tianlei said in a stern tone. He knew Qin Yuan's character, and if he was asked to hide like this, he would definitely not be willing to do so.

Qin Yuan had no choice but to obey the order.

In the next few days, Qin Yuan stayed at the base and did not go anywhere. But he felt more and more uneasy, and he always felt that something was going to happen.

On this day, Qin Yuan was practicing shooting at the training ground when he suddenly received a call from an unknown number.

"Hey, who's there?" Qin Yuan asked.

"Hello, Mr. Qin, I am a lawyer from Lei's Group. My name is Zhang Wei." A sinister voice came from the other end of the phone. "I have been entrusted by Lei's Group to talk to you about Mr. Lei Long." things."

Qin Yuan's heart skipped a beat. He knew that what was supposed to come had come.

"What do you want?" Qin Yuan asked coldly.

"Our Mr. Lei said that as long as you are willing to surrender and compensate Lei's Group for its losses, we can consider giving you a lighter punishment," Zhang Wei said.

"Surrender? Compensation?" Qin Yuan sneered, "Why should I surrender? Why should I compensate?"

"Mr. Qin, I advise you not to toast or eat the fine wine!" Zhang Wei's tone became fierce, "You must have heard of our boss Lei's methods, right? If you are stubborn, don't blame us for being rude. "

"Haha, I want to see what you can do to me!" After Qin Yuan finished speaking, he hung up the phone.

"Damn it, if the tiger doesn't show its power, you really think I'm a sick cat!" Qin Yuan slammed the phone to the ground.

"What's wrong?" He Chenguang came over and asked.

Qin Yuan told He Chenguang what happened.

"It seems that they are planning to attack you." He Chenguang frowned, "What are you going to do?"

"The soldiers will block it, the water will cover it!" Qin Yuan's eyes flashed with fierceness, "I want to see what tricks they can play!"

That night, Qin Yuan sneaked out of the base. He was going to meet the Lei Group to see how capable they were!

Late at night, Qin Yuan sneaked into a secret stronghold of Lei's Group in Southeast Asia.

"Who?!"

Qin Yuan was discovered as soon as he sneaked into the stronghold.

"Bang bang bang!"

Intense gunshots rang out, and bullets shot towards Qin Yuan like raindrops.

"Humph, what a small trick!"

Qin Yuan dodged the bullet easily, and then rushed towards the direction of the gunshot like a ghost.

"Bang!"

"ah!"

A series of muffled sounds and screams sounded, and the militants of the Lei Group were knocked to the ground without even seeing Qin Yuan's figure.

Qin Yuan was like the god of death, harvesting their lives.

Soon, the gunfire stopped, and the entire stronghold fell silent, leaving only corpses on the ground.

Qin Yuan walked to the door of a room, kicked it open, and walked in.

In the room, a burly man was sitting on the sofa, holding a glass of red wine in his hand and looking at Qin Yuan with horror on his face.

"You...who are you? What do you want to do?" the man asked with a trembling voice.

"Are you the person in charge of the Lei Group?" Qin Yuan walked up to the man and looked at him condescendingly.

"I...I am Lei Hu's younger brother, Lei Bao..." The man turned pale with fright and stuttered.

"Thunder Tiger? Haha, where are the others? Why didn't they come to see me?" Qin Yuan asked with a sneer.

"My eldest brother...he's not here..." Lei Bao stammered.

"Aren't you here?" A cold light flashed in Qin Yuan's eyes, "It seems that you have to drink wine as a penalty instead of toasting!"

"No... don't kill me! I... I will tell you everything I know..." Lei Bao was so frightened that he knew that he was doomed today...

Lei Bao tremblingly took out a photo from his arms, handed it to Qin Yuan, and said in a trembling voice: "This is... this is my eldest brother's mistress, her name is... her name is Su Mei, all my eldest brother's secrets, she knows..."

Qin Yuan took the photo and took a look at it. The woman in the photo was wearing heavy makeup and had a hot figure. At first glance, she was not a fuel-efficient lamp.

"Where is she?" Qin Yuan asked coldly.

"She...she is..." Before Lei Bao could finish his words, his expression suddenly changed, he covered his chest in pain, and then fell straight to the ground.

Qin Yuan frowned, stepped forward to check, and found that Lei Bao was no longer breathing, and there was a silver needle inserted in his chest.

"Who is it?!" A cold light flashed in Qin Yuan's eyes, and he looked around, but saw no one.

He knew that the other party must be a master, and he was hiding in the dark, waiting for opportunities.

Qin Yuan did not panic, but instead had a sneer on his lips. He wanted to see who was behind it!

"Come out, I know you are here." Qin Yuan said to the empty room, his voice was calm and cold.

There was silence in the room, no one responded.

"Humph, since you refuse to come out, don't blame me for being rude!"

Qin Yuan's figure flashed, like a ghost, moving quickly in the room, looking for traces of the person in the dark.

"Bang!"

Suddenly, a table in the corner of the room exploded, sawdust flew everywhere, and a black shadow jumped out from it and attacked Qin Yuan.

"Well done!"

Qin Yuan was on guard and punched him.

"Bang!"

There was a muffled sound, and the two of them took a step back.

Qin Yuan took a closer look and saw that the other person was a tall man in black clothes with his face covered, and his appearance could not be seen clearly.

"Who are you?" Qin Yuan asked in a deep voice.

The man in black didn't speak, but looked at Qin Yuan coldly, with murderous intent in his eyes.

"Huh, don't tell me? Then don't blame me for being rude!"

Qin Yuan stopped talking nonsense, dodged, and attacked the man in black again.

The two started a fierce fight in the room, with fists and feet intersecting, making muffled sounds.

Although Qin Yuan was powerful, the man in black was not easy to fight with. He was agile and fierce, and the two of them were evenly matched for a while.

At this moment, the door to the room was suddenly knocked open, and He Chenguang, Wang Yanbing and Li Erniu rushed in.

"Boss, what happened?" He Chenguang asked, looking around the room, seeing the corpses on the ground and Qin Yuan and the man in black who were fighting fiercely, he immediately understood what happened.

"Stop talking nonsense, deal with him first!" Qin Yuan shouted, punched the man in black back, then turned around and rushed towards He Chenguang and others.

Seeing this, the man in black knew that he would not be able to take advantage today. He snorted coldly, turned around and ran away.

"Want to run? It's not that easy!"

Wang Yanbing roared, picked up the assault rifle in his hand, and fired a hail of bullets in the direction of the man in black's escape.

"Da da da..."

The bullets roared out, and the man in black was agile, dodging left and right, and actually dodged them all.

"Damn it, is this guy a monkey?" Wang Yanbing couldn't help but curse.

"Don't worry about him, let's chase him!"

Qin Yuan said, taking the lead and chasing out.

He Chenguang and others followed closely behind, and several people rushed out of the room and chased along the corridor.

The man in black was extremely fast and disappeared at the end of the corridor in a few flashes.

Qin Yuan and others chased them to the end of the corridor, only to find that the man in black had disappeared.

"Where are the people?" Wang Yanbing asked breathlessly.

"Here!" Li Erniu suddenly pointed to a window at the end of the corridor and said.

Qin Yuan and others ran over to take a look and saw that the window was open and there were still some blood stains on the windowsill.

"It seems that he jumped from here." He Chenguang said.

"Chase!"

Qin Yuan did not hesitate, jumped out of the window.

He Chenguang and others also jumped down one after another.

After a few people landed, they found themselves in a secluded alley, surrounded by silence, with only the dim street lights emitting a faint light.

"Where are the people? Where did they go?" Wang Yanbing looked around and asked.

At this moment, a gust of fragrant wind came, and a soft body suddenly pressed against Qin Yuan's back, and a charming voice came from his ear: "Handsome, are you looking for someone?"

The woman had bright red nails and clung to Qin Yuan's body in a coquettish way. Her perfume was so strong that she seemed to be showing off her coquettishness. Qin Yuan was most annoyed by women who behaved like this. He pushed her away and said in a cold tone: "Get away."

The woman obviously didn't expect to hit a snag. She was stunned for a moment, then came up to her with a charming smile: "Handsome guy, don't be so cold. I just want to ask you if you want..."

"No need!" Qin Yuan interrupted her impatiently and glanced around sharply, "Put away your messy thoughts and ask, have you seen a man in black?"

The woman was so frightened by Qin Yuan's eyes that she took a few steps back and muttered: "Why are you so fierce? I'm just asking you if you want to play..."

"Play with your grandma!" Wang Yanbing had a hot temper. He immediately exploded when he heard the woman's words. "Didn't you see that we are performing a mission? If you stop here, I will kill you with one shot!"

The woman turned pale with fright, screamed, and ran away.

"These days, anyone dares to put anything on us." Wang Yanbing spat, his face full of disgust.

"Stop talking nonsense and find someone quickly!" Qin Yuan didn't care about this. He always felt that something was strange. The man in black was not weak and could not escape so easily.

He Chenguang observed the surrounding environment and analyzed: "This area has complex terrain and many alleys. He is probably hiding."

"Hide? I want to see how long he can hide!" Wang Yanbing said, holding up his gun and searching door to door.

"Wait," Qin Yuan stopped him, "Don't alert the enemy, observe first."

The four people walked lightly along the alley, scanning the surrounding buildings and corners with vigilance.

"Boss, look there!" Li Erniu suddenly pointed to an abandoned factory not far away and said, "There seems to be a light there!"

Qin Yuan looked in the direction Li Erniu pointed, and sure enough, he saw a faint light coming out of the window on the second floor of the dilapidated factory, which looked particularly abrupt in the quiet night.

"Let's go!" Qin Yuan whispered, and then took the lead and moved towards the abandoned factory.

The four people sneaked into the factory quietly. With the weak moonlight, they could see some abandoned machinery and equipment piled up inside the factory, dust and spider webs everywhere, and a smell of decay filled the air.

"Second floor." Qin Yuan made a gesture, then walked up the stairs with light steps.

The light on the second floor was slightly brighter than that on the first floor, and some subtle voices could be heard vaguely. Qin Yuan motioned for others to disperse, and then slowly approached the room where the sound came from.

He leaned against the wall and listened attentively, and the conversation in the room gradually became clearer.

"Have you got the things?" a deep male voice asked.

"Don't worry, boss, I have got the things." Another voice with a hint of flattery, "Guarantee to complete the task."

"Very good." The deep male voice smiled with satisfaction, "You did a good job this time, I will reward you well."

Qin Yuan's heart moved, could this be the accomplice of the man in black? It seems that their target this time is not himself, but another purpose.

Qin Yuan frowned slightly, these two people spoke without leaking any useful information at all. But he was sure that these two people were definitely problematic!

"Boss, what should we do?" Wang Yanbing asked in a low voice, "Should we rush in directly?"

"Wait a little longer." Qin Yuan shook his head and motioned them to continue observing.

In the room, the deep male voice continued: "This operation is of great importance, and there must be no mistakes. You'd better pray that everything goes well, otherwise..."

There was a chill in his words, which made Qin Yuan, who was hiding outside the door, feel a hint of danger.

"Yes, yes, boss, don't worry, don't you trust me to do things?" Another voice said flatteringly, as if trying hard to prove his loyalty.

"I hope so." The deep male voice snorted coldly, "You go down, remember, don't leave any traces."

"Yes!"

There was a slight sound of footsteps in the room, followed by a silence.

Qin Yuan's eyes were stern, and he whispered: "Get ready for action!"
