Chapter 2471 - What do you want?

"Bang!"

Another gunshot, a bullet flew almost close to Qin Yuan's scalp, cutting off a few of his hairs.

"Fuck!" Qin Yuan was startled, he knew He Chenguang was nearby and had locked onto his position.

He didn't dare to stop for a moment, immediately changed direction and ran in another direction.

"Want to run? Not that easy!" He Chenguang's voice sounded again, with a hint of teasing and ridicule.

Qin Yuan ignored him, he knew that now was not the time to show off, saving his life was the most important thing.

The two chased and fled, and staged a thrilling chase in the dark woods.

...

At the same time, in the base of the Wolf Fang Special Operations Brigade, Fan Tianlei was pacing back and forth anxiously, his brows were furrowed, and the teacup in his hand had been deformed by his pinching.

"Report!" Wang Yanbing rushed into the office with an anxious look on his face. "Report to the Chief of Staff, it's bad, Captain Qin and He Chenguang have lost contact!"

"What?!" Fan Tianlei turned around suddenly, and the teacup in his hand fell to the ground and shattered. "How could this happen? When was the last time they contacted each other?"

"Just an hour ago, they said they were going to carry out a secret mission, and there was no news after that." Wang Yanbing said anxiously.

"Damn it!" Fan Tianlei punched the table and roared, "Send someone to find them immediately! Be sure to bring them back safely!"

"Yes!" Wang Yanbing saluted and turned and rushed out of the office.

Fan Tianlei looked at the dark night sky outside the window, his heart full of uneasiness and worry. He knew that Qin Yuan and He Chenguang were both his best soldiers, but this mission seemed unusual. He had an ominous premonition that a storm was coming...

Qin Yuan crouched and shuttled through the dense bushes. Damn, these bastards are really cruel! He touched the wound on his abdomen that was grazed by the bullet, and the pain made him gasp.

"Captain Qin, how are you?" Wang Yanbing's anxious voice came from the headset.

"You won't die! What the hell are you doing? Your shooting skills on the training ground are all gone?" Qin Yuan cursed in a low voice, trying to make his tone sound calm, but in fact he was almost cursing these unreliable team members in his heart.

"Report to Captain Qin! We don't want to! These grandsons got high-tech equipment from who knows where, and we have been disturbed! Now we don't even know where you are!" Wang Yanbing defended aggrievedly.

"Stop talking nonsense! Find a way to get rid of them, and then find a way to contact me!" Qin Yuan said, and cut off the communication. He knew that it was useless to say anything now, and he could only rely on himself.

He confirmed the direction again and touched a cave in his memory. The terrain there was hidden, and he accidentally discovered it when he was on a mission before, and he should be able to temporarily avoid pursuit.

At this moment, he suddenly heard a burst of tiny footsteps not far away, accompanied by the crisp sound of metal collision. He immediately became alert, slowed down his pace, held his breath, slowly touched a thick tree, stuck his head out, and carefully observed the surroundings.

I saw several figures wearing black combat uniforms and night vision goggles approaching him quickly. They were agile and well-trained, and they were not ordinary mercenaries at a glance.

Qin Yuan thought to himself that it was not good. It seemed that he had encountered a tough guy this time. He clenched the gun in his hand, his eyes became sharp, and he was ready to fight.

At this moment, one of the figures seemed to have discovered something and made a gesture to the tree where Qin Yuan was hiding. Then, the other figures quickly dispersed, surrounded, and slowly approached the tree.

Qin Yuan knew that he had been discovered and there was no point in hiding. He took a deep breath, suddenly flashed out from behind the tree, and the muzzle of the gun in his hand sprayed angry flames.

"Da Da Da!"

Dense bullets poured out like raindrops, instantly knocking one of the figures to the ground. Seeing this, the other people looked for cover to fight back.

"Bang Bang Bang!"

The sound of gunfire echoed in the silent night, and bullets kept whizzing past Qin Yuan's ears. He flexibly used trees as cover, constantly changing his position, and dealing with the opponent.

"Damn! Who are these guys? How come they are so accurate?" Qin Yuan dodged the bullets and cursed in his heart. He knew that this was not a solution, and he would be exhausted by them sooner or later. He must find an opportunity to break out as soon as possible.

He rolled his eyes and thought of a plan. He deliberately revealed a flaw and exposed himself to the opponent's vision.

"Bang!"

A bullet accurately hit the tree trunk beside him, and wood chips flew everywhere. Qin Yuan ignored it, pretending to be panicked, and turned and ran.

"Chase! Don't let him run away!" The other party was fooled and rushed out from behind the bunker and chased Qin Yuan.

Qin Yuan ran while sneering secretly. He deliberately slowed down his pace and lured the other party to an open area.

"Now!" Qin Yuan said in his heart. He turned around suddenly and aimed the muzzle of his gun at the figure in the front.

"Bang!"

A gunshot rang out, and the figure fell to the ground. The other people were stunned when they saw this. Before they could react, Qin Yuan had already pulled the trigger.

"Da da da!"

The gunshots rang out again, and the bullets ruthlessly harvested lives. In a flash, the remaining few people all fell in a pool of blood.

Qin Yuan glanced coldly at the bodies on the ground, and after confirming that they had no signs of life, he breathed a sigh of relief. He put away his gun and turned around to leave.

"Stop! Don't move!"

At this moment, a crisp female voice suddenly came from behind him. Qin Yuan was startled and turned around suddenly. He saw a tall, beautiful woman wearing camouflage clothes and holding an assault rifle standing not far behind him, with the black muzzle of the gun facing his head.

Qin Yuan was stunned. He never thought that he would meet such a beautiful woman in such a place. The woman's long black hair was tied up high, and there was no expression on her delicate face. Her sharp eyes were like a hawk, staring at him, as if she wanted to see through him.

"Who are you?" Qin Yuan broke the silence first and asked.

The woman did not answer, but just looked at him coldly, and the muzzle of the gun in her hand was still not put down.

"I'll say it again, who are you? Why did you attack me?" Qin Yuan was a little impatient, and his tone became tough.

"You killed my people, and you still want to leave?" The woman finally spoke, her voice was cold, without a trace of warmth.

"Your people? You mean these people?" Qin Yuan pointed to the corpses lying on the ground, and a sneer appeared at the corner of his mouth, "Do they deserve it?"

"You..." The woman was obviously angered by Qin Yuan's attitude, and the fingers holding the gun slightly exerted force, as if ready to pull the trigger at any time.

"What? Want to kill me? Come on!" Qin Yuan was not afraid at all, but took a step forward and looked at the woman provocatively.

"You..." The woman was so angry that she trembled all over, but she hesitated to shoot.

"What? Don't dare? I thought you were a powerful character, but it turns out you are just like this." Qin Yuan continued to stimulate her. He knew that women like this could not stand the provocation of others the most.

Sure enough, the woman couldn't help it. She raised the muzzle of the gun and pointed it at Qin Yuan's head, gritting her teeth and saying, "You're looking for death!"

"Wait!" At this moment, a man's voice suddenly came from behind the woman.

The woman's face changed slightly when she heard the voice, but she didn't turn around, just said coldly, "Who?"

"Company commander!" A figure walked out of the woods behind the woman, it was He Chenguang. He saluted first, then lowered his voice and said to the woman, "Thor said that the target of this mission is only Qin Yuan, don't make trouble."

The woman glared at Qin Yuan fiercely, and then reluctantly put down the gun. Qin Yuan moved his shoulders and raised a playful smile at the corner of his mouth, "Oh, it turns out to be a Langya man, what's going on, are you planning to bully the minority with more people?"

"Qin Yuan, stop talking nonsense," He Chenguang stepped forward and looked Qin Yuan up and down, "Thor has an order, please come with us."

"Thor? Which Thor?" Qin Yuan asked in a puzzled manner.

"Stop pretending!" Wang Yanbing, who was standing aside, couldn't help it. He strode in front of Qin Yuan, waved his fist and said, "Our Thor is Chief of Staff Fan, you kid stop pretending to be stupid!"

Qin Yuan looked at the burly man in front of him and suddenly laughed, "Who did I think he was? It turned out to be a defeated general. What, haven't you learned enough from the last lesson?"

When Wang Yanbing heard this, he was immediately furious. In the last confrontation exercise, he was played around by Qin Yuan and finally subdued by one move. This matter has always been a thorn in his heart. Now Qin Yuan brought up the old things again, which is undoubtedly salt in his wounds.

"You kid is looking for death!" Wang Yanbing roared, waved his fist and hit Qin Yuan in the face.

"Yanbing, stop!" He Chenguang saw this and hurriedly stopped him, but it was too late. Wang Yanbing's fist had already reached Qin Yuan.

Qin Yuan stood there motionless, and just when Wang Yanbing's fist was about to hit his cheek, he suddenly moved. He slightly turned sideways, stretched out his hand lightly, and grabbed Wang Yanbing's wrist.

Wang Yanbing felt as if his wrist was clamped by an iron clamp, unable to move. He struggled desperately, but to no avail.

"You dare to shout in front of me with this little ability?" Qin Yuan sneered and twisted his wrist hard.

"Crack!"

With a crisp sound, Wang Yanbing's wrist was twisted off. He screamed like a pig being slaughtered, and rolled on the ground holding his broken wrist.

"Yanbing!" Seeing this, He Chenguang and the woman's faces changed drastically, and they rushed up to check Wang Yanbing's injuries.

"You're too cruel, aren't you?" He Chenguang glared at Qin Yuan while helping Wang Yanbing stop bleeding.

"To deal with such a reckless man, this is the way to go," Qin Yuan clapped his hands and said with disdain, "Why, is this all you Langya can do? Send a loser to catch me?"

"You..." He Chenguang gnashed his teeth in anger, but he could do nothing. He had seen Qin Yuan's strength. Not to mention the three of them, even if there was another company, they might not be his opponent.

"Okay, stop talking nonsense. If you want to take me away, do it quickly. I still have things to do." Qin Yuan waved his hand impatiently and walked out of the woods first.

He Chenguang and the woman looked at each other, their eyes full of helplessness. They could only help Wang Yanbing up and follow Qin Yuan in the direction of their camp.

Along the way, Qin Yuan said nothing, just walked silently. He Chenguang and the woman did not dare to say much, but just followed silently. Wang Yanbing wailed all the way. His wrist was broken, and the severe pain almost made him faint.

"Shut up!" Qin Yuan suddenly stopped, turned around and glared at Wang Yanbing coldly, "I'll cut off your tongue if you keep making noise!"

Wang Yanbing was frightened by Qin Yuan's eyes and trembled. He covered his mouth with fear in his eyes.

Qin Yuan then retracted his gaze and continued to move forward.

After walking for about half an hour, they came to an open space where several military jeeps were parked. Several soldiers in camouflage uniforms were standing next to the cars and chatting.

"Thor is over there, go over there yourself." He Chenguang pointed to one of the jeeps and said.

Qin Yuan nodded and walked straight towards the jeep.

"Stop!"

Just then, a loud voice suddenly sounded. Qin Yuan stopped and looked in the direction of the voice. He saw a burly man with a full beard walking down from the jeep.

The man was wearing camouflage uniforms and a military cap on his head. His square face was full of majesty, his tiger eyes were piercing, and he exuded a strong aura from head to toe.

"Thor!" He Chenguang and the woman saw this and stood at attention and saluted.

The man nodded, his eyes fell on Qin Yuan, he looked him up and down, and said in a deep voice: "Are you Qin Yuan?"

"It's me." Qin Yuan replied indifferently.

"I heard that you are very arrogant, and you dare to hit my Langya people?" Thor said in a bad tone.

"They started it first." Qin Yuan said calmly, without any fear.

"Humph! Speculative arguments!" Thor snorted coldly, "I don't care who you are, or what your background is. When you come to my Langya territory, you have to coil up if you are a dragon, and lie down if you are a tiger! If you hit my soldiers, you have to pay the price!"

"What do you want?" Qin Yuan raised his eyebrows and asked with interest.

"It's very simple," Thor sneered, "Fight me, if you win, this matter will be written off, if you lose..."

"I won't lose." Qin Yuan interrupted Thor before he finished speaking, his tone full of confidence.

"Good! You have courage!" Thor's eyes flashed with admiration, but his tone was still tough, "I hope your strength is as tough as your tone!"

After that, Thor stopped talking nonsense, he stretched his muscles and hooked his finger at Qin Yuan, "Come on, let me see how capable you are!"

Qin Yuan stopped talking nonsense, he took off his coat and threw it aside, revealing his strong muscles inside, and then walked towards Thor.

A big battle is about to start!

Chapter 2472 - The goal this time

Qin Yuan took off his coat slowly, as if he was just doing an after-meal exercise, not facing the famous Thor of the Langya Special Operations Brigade. He threw his coat aside, revealing his smooth and explosive muscles, and his bronze skin glowed with a healthy luster in the sun.

"This kid is really not afraid of death!" He Chenguang, who was standing behind Thor, was secretly shocked. He had witnessed Thor's strength with his own eyes. He was a tough guy who could tie with "Soldier King" He Zhijun!

Thor's mouth curled up a bloodthirsty sneer, and his eyes were burning with fighting spirit: "Boy, I hope your fist is as hard as your mouth!"

As soon as the voice fell, Thor pounced on Qin Yuan like a tiger, and his fist as big as a casserole was wrapped in a strong wind and rushed straight to Qin Yuan's face.

Qin Yuan did not dodge or evade, but instead curled up a disdainful arc at the corner of his mouth. At the moment when Thor's fist was about to hit his face, Qin Yuan moved! He slightly turned his body and lightly avoided the attack of the Thunder God. At the same time, his right hand stretched out like lightning, grabbed the shoulder of the Thunder God, and pulled it hard.

"Bang!"

With a muffled sound, the burly body of the Thunder God was actually dragged by Qin Yuan to lose balance, and staggered forward.

"This..." He Chenguang and the woman were dumbfounded. They could never have imagined that the Thunder God, who was always known for his strength, actually lost to Qin Yuan in the competition of strength!

The Thunder God obviously did not expect Qin Yuan's strength to be so terrifying. A flash of astonishment flashed in his eyes, but he quickly regained his composure. He rolled forward and unloaded Qin Yuan's strength, then quickly stood up and attacked Qin Yuan again.

This time, the Thunder God no longer reserved his strength. He used the fighting skills he had honed on the battlefield for many years to the fullest, and his fists and feet greeted Qin Yuan like raindrops.

However, facing the violent attack of Thor, Qin Yuan seemed to be at ease. He dodged like a ghost, always avoiding Thor's attack at the last moment, and would seize the opportunity to counterattack.

"Bang! Bang! Bang!"

The sound of fists and feet kept ringing, and the two fought back and forth, and the battle was extremely fierce. The soldiers around were stunned. It was the first time they saw someone fighting with Thor so hard!

"Who is this kid?" He Chenguang was full of doubts. He felt that Qin Yuan was like a bottomless abyss, and people could not see through his depth.

"Bang!"

There was another loud noise, and Thor was kicked in the chest by Qin Yuan. His huge body flew backwards and fell heavily to the ground, stirring up a cloud of dust.

"Thor!" Seeing this, He Chenguang and the woman rushed forward and wanted to check Thor's injuries.

However, Qin Yuan was one step faster than them. He flashed and appeared in front of Thor in an instant. He looked down at him and said in a cold tone: "Do you want to continue?"

Thor struggled to get up, but the severe pain in his chest forced him to give up the idea. He looked up at Qin Yuan, his eyes full of unwillingness and shock: "You... who are you?"

"You are not qualified to know." Qin Yuan said coldly, then turned and walked towards the military jeep.

"Stop!" He Chenguang saw this and hurriedly blocked Qin Yuan's way, "You can't leave!"

"What? You still want to keep me?" Qin Yuan stopped and looked at He Chenguang with a smile.

"You hurt Thor, you must give us an explanation!" He Chenguang said gritting his teeth. Although he knew that he was not Qin Yuan's opponent, he couldn't just watch Qin Yuan leave like this.

"Explain?" Qin Yuan laughed as if he had heard a funny joke, "Do you think you deserve to be explained by me?"

"You..." He Chenguang was so angry that his face turned blue, but he was speechless.

Qin Yuan ignored He Chenguang and walked straight to the jeep, opened the door and got in.

"Drive!"

"Yes!"

The driver did not dare to neglect it. He stepped on the accelerator and the jeep roared out, leaving He Chenguang and others standing there, stunned.

"This... leaving now?" The woman looked at the jeep going away with an unbelievable look on her face, "Isn't he afraid that we will catch up with him?"

"Catch? What can we catch?" He Chenguang smiled bitterly and shook his head, "With just a few of us, I'm afraid we can't even see his taillights."

"Then... what should we do now?" The woman asked somewhat at a loss.

He Chenguang pondered for a moment, then raised his head, with a firm look in his eyes: "Contact Chief of Staff Fan immediately and tell him everything that happened here!"

...

At the same time, Fan Tianlei, who was far away at the command center of the Langya Special Operations Brigade, suddenly received a call from He Chenguang.

"What? What did you say? Qin Yuan beat up the Thunder God?"

When Fan Tianlei heard the news, he was furious and stood up suddenly. The teacup in his hand fell to the ground with a "snap" and shattered.

"Rebellion! Rebellion!" Fan Tianlei roared, "This Qin Yuan is so bold that he dared to act wildly on my territory!"

Fan Tianlei suddenly threw the phone in his hand on the table, making a loud noise, which startled the police staff beside him.

"This Qin Yuan! He really rebelled against him!" Fan Tianlei was furious, his thick eyebrows stood up, like an angry lion, "He actually dared to touch my people! What does he think Langya is?!"

The police officer did not dare to show off his anger. Fan Tianlei was famous throughout Langya for his violent temper, and no one dared to confront him at this juncture.

"Go check it out for me right away! I want to know who this Qin Yuan is!" Fan Tianlei roared angrily, "Also, let me know, and everyone is on level 1 combat readiness to find this Qin Yuan!"

"Yes!" The police officer saluted with a military salute and quickly turned around to carry out the order.

Fan Tianlei paced back and forth in the office, furious. The God of Thunder was his favorite disciple, and he had taught him all his skills. But now he was injured by an unknown boy. He couldn't swallow this feeling no matter what!

On the other side, Qin Yuan drove a military jeep and quickly left Langya's sphere of influence. There was no trace of panic on his face, but a playful smile.

"Langya Special Forces? It seems that the mission target this time is interesting." Qin Yuan said to himself, with a glint in his eyes.

The purpose of his trip was to find a mysterious figure codenamed "Ghost". "Ghost" is a well-known top killer in the world. His whereabouts are mysterious and his methods are ruthless. Intelligence agencies from all over the world hate him, but they have never been able to bring him to justice.

According to the latest intelligence obtained by Qin Yuan, the "ghost" is likely to be hidden within the Langya Special Forces!

In order to find out the truth, Qin Yuan decided to use his tricks to deliberately cause trouble to attract Langya's attention, and then sneaked into it to look for traces of the "ghost".

"Thunder God? Haha, it's just an appetizer." A disdainful smile appeared at the corner of Qin Yuan's mouth, with a cold light shining in his eyes.

...

Wolf Fang Special Forces Brigade, training ground.

He Chenguang, Wang Yanbing and Li Erniu are undergoing high-intensity training. Ever since the God of Thunder was injured by Qin Yuan, Fan Tianlei had ordered them to strengthen their training in preparation for emergencies.

"I'm talking about Chen Guang, who are you talking about that guy named Qin Yuan? How could he beat the God of Thunder like that?" Wang Yanbing asked while panting while doing push-ups.

He Chenguang frowned and said in a deep voice: "I don't know either, but judging from the way he took action, he is definitely not an ordinary person. I suspect that he may be from a secret force."

"Secret force? Is it the legendary..." Li Erniu's eyes widened and he lowered his voice and said, "Dragon Soul?"

He Chenguang shook his head and said, "I don't know, but it's definitely not a bad thing."

At this moment, Fan Tianlei walked over with a dark face. Seeing the three of them still chatting, he immediately roared: "Shut up! You dare to be lazy during training, do you not want to live anymore?!"

The three of them were so frightened that they quickly shut their mouths and continued to practice hard.

Fan Tianlei walked up to He Chenguang and said in a deep voice: "Chenguang, come with me."

He Chenguang's heart trembled. He knew that Fan Tianlei must have something important to explain. He followed Fan Tianlei to the office. Fan Tianlei took out a document from the drawer, handed it to him and said:

"This is the order that just came down from above. Take a look."

He Chenguang took the file, opened it, and his expression suddenly changed.

"This...how is this possible?!"

...

At the same time, Qin Yuan had arrived at a bar not far from the Langya base.

This bar is called "Ye Se", and it is a well-known local information trading place. It is a mixed bag of good and bad people, with people from all walks of life. The purpose of Qin Yuan's trip was to find out about the "ghost" from here.

He walked into the bar, sat down in a random corner, ordered a glass of whiskey, and observed the surroundings while tasting the wine.

The lights in the bar were dim, the music was deafening, and the air was filled with the strong smell of alcohol and perfume. In the center of the dance floor, men and women twisted their bodies and unleashed their passion.

Qin Yuan's eyes swept across the crowd. Suddenly, his eyes focused on a man wearing a black windbreaker next to the bar.

This man was thin and wore a black peaked cap with a low brim, covering most of his face. He was sitting alone at the bar with a glass of martini in front of him, but he didn't take a sip, as if he was waiting for someone.

Qin Yuan noticed that this man's right hand was always inserted in the pocket of his windbreaker. There seemed to be something hidden there, exuding a hint of cold murderous aura.

"Could it be him?" Qin Yuan's heart moved, and a sense of danger surged into his heart.

At this moment, a charming figure twisted her waist, walked up to the man, and said sweetly:

"Handsome guy, drinking alone is so boring. Do you want me to accompany you?"

The man slowly raised his head, revealing an angular face, with a wicked smile on his lips.

"Okay, but..." the man paused, a cold light flashed in his eyes, "Can you withstand my enthusiasm?"

He Chenguang looked at the document in his hand, his brows furrowed as if he could pinch a fly. The "Ghost" organization, the world's leading mercenary group, is notorious and has blood on its hands. This time it has extended its dirty hands into the country!

"The higher ups asked us to destroy one of their secret strongholds?" He Chenguang's face was ugly, and his tone was full of disbelief. This "ghost" organization is notoriously difficult to deal with. Even the intelligence agencies of various countries have a headache with them. Can they do it with just a few of them?

"That's right," Fan Tianlei said with a dark face, slapping a document on the table, "This is the intelligence of a secret arsenal of the "Ghost" organization on the border, and it requires us to destroy it as soon as possible!"

He Chenguang took a deep breath. He knew that this mission was unusual and that the whole army would be wiped out if he was not careful. "But, Thor..."

"I will handle Thor's affairs," Fan Tianlei said coldly, "You just need to tell me, can you complete the mission?"

"I guarantee to complete the mission!" He Chenguang saluted at attention, with a firm light flashing in his eyes.

At the same time, Qin Yuan had locked on the target in the "Night" bar. The man in the black windbreaker exuded a dangerous aura all over his body, just like the style of the "Ghost" organization.

"Beauty, alone?" Qin Yuan walked to the bar and whistled at the enchanting woman next to him.

The woman rolled her eyes at him charmingly, "Why, do you want to buy me a drink?"

"Of course," Qin Yuan smiled evilly, showing his white teeth, "Just tell me what the gentleman next to you does?"

The woman followed his gaze and her face changed immediately, "You... why are you asking this?"

"Nothing, just curious," Qin Yuan said casually, but his eyes gradually became cold, "You just need to tell me who he is, that's all."

The woman was frightened by his sharp eyes and trembled all over, stammering: "He... His name is "Viper", is..."

"Viper?" Qin Yuan's mouth curled up a sneer, he was too familiar with this code name. The gold medal killer of the "Ghost" organization, ruthless and evil, this time, it seems that he is the target.

Qin Yuan ignored the woman who was already frightened, picked up the wine glass, and walked towards the direction of "Viper".

"Viper" seemed to notice his approach, slowly turned his head, and a trace of vigilance flashed in his eyes.

"Brother, are you alone?" Qin Yuan sat down opposite him, raised his glass, and had a harmless smile on his face.

"Viper" looked him up and down, without saying anything, but asked coldly: "What do you want to do?"

"Nothing, I just think you look familiar," Qin Yuan said with a smile, "Have we met somewhere?"

"I don't know you," "Viper" answered coldly, obviously not wanting to talk nonsense with him.

"Don't be so cold," Qin Yuan didn't care, and continued, "My name is Qin Yuan, I just came here to inquire about some information, I don't know if it's convenient for you brother..."

"Get out!" "Viper" stood up suddenly, his eyes full of murderous intent.

Qin Yuan was not angry, but shrugged, "Okay, since you don't want to say it, I won't force it." He said, pretending to get up and leave.

At this moment, "Viper" suddenly took action! He took out a dagger from his windbreaker pocket at lightning speed and stabbed it towards Qin Yuan's heart!

This attack was fast and fierce, and it was obviously a killing skill that had been honed through thousands of trials! However, Qin Yuan had been prepared. He slightly turned sideways and easily avoided the attack of "Viper".

"Viper" missed the attack, but did not fight back. He threw the dagger at Qin Yuan with his backhand, and then turned and ran!

Qin Yuan caught the flying dagger and sneered, "Want to run? Not that easy!"

He moved and chased out like a cheetah!

One-click Recovery Since I was a Special Soldier

Chapter 2473 - You are dead today!

The "Viper" was very fast, but he still underestimated Qin Yuan's strength. Qin Yuan was faster than him and caught up with him in the blink of an eye!

The "Viper" felt the dangerous breath coming from behind him and turned around quickly, wanting to attack Qin Yuan again.

However, Qin Yuan was faster than him! He punched out, and the "Viper" couldn't dodge in time and was hit hard in the chest!

"Puff!" The "Viper" spit out a mouthful of blood, and his body flew backwards like a kite with a broken string, and fell heavily to the ground!

"You..." The "Viper" struggled to stand up, but the severe pain in his chest made him unable to move.

Qin Yuan slowly walked in front of him, looking down at him, with a cold light flashing in his eyes, "Now, can we have a good talk?"

The "Viper" gritted his teeth, his eyes full of resentment and anger.

"Tell me," Qin Yuan said coldly, "Where is the base of the "Ghost" organization?"

"Viper" sneered, "Don't you think you can get any information from me!"

"Really?" Qin Yuan's mouth curled up a cruel smile, he bent down and whispered in the ear of "Viper", "I have heard of a torture called "a thousand cuts", do you want to try it?"

"Viper"'s face suddenly turned pale, he saw the undisguised murderous intent in Qin Yuan's eyes, he knew that if he didn't say it, this man would really kill him!

At this moment, there was a commotion at the door of the bar.

"Police! Don't move!"

A group of uniformed police rushed in, led by He Chenguang and Wang Yanbing!

The air in the bar froze instantly, and everyone - whether it was the guests who came to have fun, or the "Viper" accomplices hiding in the dark, stared blankly at the police who suddenly appeared.

He Chenguang and Wang Yanbing were dressed in neat police uniforms, armed with live ammunition, and their sharp eyes swept the whole scene, as if they could see through all disguises.

"What? Don't you want to keep pretending?" Qin Yuan stepped on the chest of "Viper", looked down at him, and raised a mocking arc at the corner of his mouth, "Where is your support?"

"Viper" was pale, his eyes flickered, but he said nothing. He knew that he had failed today, and he had failed completely.

"Qin Yuan!" He Chenguang spotted Qin Yuan in the crowd at a glance, and walked over quickly, with a hint of blame in his tone, "Why are you here? Didn't I ask you to meet him outside?"

"Meet him?" Qin Yuan raised his eyebrows and chuckled, "You guys want to catch the 'Viper'? Don't joke."

Wang Yanbing was immediately unhappy when he heard this, "I said, Chief of Staff Qin, you are the one commanding the battle, and we are the ones charging into battle, can't you give us some face?"

"Face?" Qin Yuan's eyes suddenly became sharp, "On the battlefield, face is the least valuable thing! If you don't even have this ability, what's the point of defending your country?"

As he said, he suddenly raised his foot and kicked the "Viper" in front of He Chenguang and Wang Yanbing like garbage, "I'll leave this guy to you, I'll be back soon."

Before the two of them could react, Qin Yuan's figure had disappeared at the door of the bar.

"This..." He Chenguang looked at the dying "Viper" on the ground, then looked at the empty door, and didn't know what to say for a moment.

Wang Yanbing didn't think so much. He walked to the front of "Viper", squatted down, and patted his face, "Hey, boy, tell me the truth, where is the base of the "Ghost" organization?"

"Ahem..." "Viper" coughed up a mouthful of blood foam, staring at Wang Yanbing with resentment, "Want to know? Dream on!"

"Oh, you're still stubborn!" Wang Yanbing sneered, took out a dagger from his waist, and shook it in front of "Viper", "I don't have much patience, you'd better..."

"Wang Yanbing!" He Chenguang grabbed his hand and shook his head, "Don't mess around, take him back first."

Wang Yanbing wanted to say something, but seeing He Chenguang's serious expression, he finally gave up, "Okay, I'll listen to you."

...

At the same time, Qin Yuan had come to the back alley of the bar.

The lights here are dim, and there is a rotten smell. It is one of the darkest corners in the city.

"Come out." Qin Yuan looked around and said coldly, "I know you are here."

As soon as the voice fell, several black shadows flashed out from the corner and surrounded Qin Yuan.

"Qin Yuan, you are really good." One of the black shadows said hoarsely, "But do you think you can catch us like this?"

"Catch you?" Qin Yuan smiled contemptuously, "I never thought of catching you, because..."

He paused, and a cold light flashed in his eyes, "I want to leave you all here!"

Before the voice fell, Qin Yuan moved his body and pounced on one of the black shadows like a tiger descending from the mountain!

The black shadow was obviously also a master, and his reaction was very fast. He immediately raised the dagger in his hand and met Qin Yuan's attack.

"Dang!"

There was a crisp metal collision sound, and sparks flew.

Qin Yuan's fist was actually blocked by the dagger in the black shadow's hand!

"Interesting." A hint of surprise flashed across Qin Yuan's eyes, but he immediately regained his composure, "It seems that I still underestimated you."

"Hmph! Qin Yuan, you are too arrogant!" The black shadow snorted coldly, "Today, I will let you see how powerful the 'Ghost' organization is!"

As he said that, he waved the dagger again and attacked Qin Yuan.

Several other shadows also took action at the same time, besieging Qin Yuan from all directions.

For a moment, the narrow back alley was filled with flashes of swords and murderous intent!

...

In the bar, He Chenguang and Wang Yanbing had taken control of the situation and arrested "Venomous Snake" and all his accomplices.

"Report! The scene has been controlled and no other suspicious persons have been found!" A policeman ran to He Chenguang, saluted and reported the report loudly.

"Okay!" He Chenguang nodded and walked to Wang Yanbing, "How is it? Did you ask anything?"

Wang Yanbing shook his head, "This guy is very tough and refuses to say anything."

"It seems that we can only wait for Qin Yuan to come back." He Chenguang sighed, a trace of worry flashed in his eyes, "I hope nothing happens to him."

...

In the back alley, the battle has entered a fever pitch.

Qin Yuan was facing many enemies, but he was not at a disadvantage. Every punch and kick he made contained terrifying power. The killers of the "ghost" organization could not get close at all.

"Damn! Why is this guy so strong?"

"His strength, speed, and reaction are all far beyond those of ordinary people. This is not a power that humans can possess at all!"

"Could it be that he is..."

The killers were increasingly frightened. They had never seen such a terrifying opponent, as if they were demons from hell, harvesting their lives.

"Enough!"

At this moment, a cold voice suddenly sounded.

Immediately afterwards, a black shadow fell from the sky and landed between Qin Yuan and the killers.

It was a tall man, wearing a black trench coat and a black mask on his face, only revealing a pair of cold eyes.

"Who are you?" Qin Yuan looked at the man in front of him, a trace of vigilance flashing in his eyes.

"You are not qualified to know who I am." The man said coldly, "You just need to know that you have angered someone you shouldn't have angered."

"Oh?" Qin Yuan raised his eyebrows, "From your tone, you seem to be very confident?"

"Confidence? No, this is not confidence." The man shook his head, "This is strength!"

Before he finished speaking, he suddenly moved!

His speed was as fast as lightning. He was in front of Qin Yuan in the blink of an eye and punched out!

Qin Yuan's pupils shrank suddenly. He felt that the power of this punch was more than one level stronger than those of the previous killers!

He didn't dare to neglect, and quickly mobilized all his strength to face the man's fist!

"boom!"

There was a loud noise, and two powerful forces collided together, erupting with an earth-shattering momentum!

Qin Yuan only felt an overwhelming force coming, and his body retreated involuntarily.

"Deng Deng Deng!"

He took a dozen steps back before barely regaining his balance.

"So strong!" Qin Yuan shook his numb arms, his eyes full of solemnity, "Who are you?"

The man did not answer, but looked at Qin Yuan coldly, with a dangerous light flashing in his eyes.

"It seems that you are planning to drink wine as a penalty instead of toasting?"

Qin Yuan's retreating steps kicked up waves of smoke and dust. He shook his numb arms, but an excited smile appeared at the corner of his mouth. "It's interesting. It seems that the 'ghost' organization is not all a loser."

The eyes of the shadowy man under the mask flashed with a cold light, and his tone was cold and biting: "You are so quick to talk! You will pay the price for your arrogance!"

As soon as he finished speaking, the man's figure surged up again, like a cheetah pouncing on its prey, so fast that it was almost impossible to catch it with the naked eye. His punch was fierce, hitting Qin Yuan's face directly. The wind of his fist was like a knife, causing pain on Qin Yuan's cheek.

Qin Yuan did not dare to be careless and quickly dodged sideways. At the same time, he raised his right leg and kicked the man in the abdomen with lightning speed.

"Bang!" There was a muffled sound, and the man did not move at all. On the contrary, Qin Yuan felt as if he had kicked a steel plate, and there was a sharp pain in his leg bones.

"The strength is good and the speed is okay, but unfortunately, the experience is too little!" The man sneered, grabbed the gap between Qin Yuan's kicks, and hit Qin Yuan's chest with an iron fist.

Qin Yuan was unable to dodge and received the punch forcefully. The huge force made his throat feel sweet, and the fishy-sweet taste spread in his mouth. He staggered back a few steps, and finally knelt down on one knee, barely able to steady his body.

"Qin Yuan!" He Chenguang's anxious shout came from a distance.

Over at the bar, Wang Yanbing pushed the "Venomous Snake" to the ground and shouted to He Chenguang: "Chenguang, go help the boss! These grandchildren are very evil!"

He Chenguang couldn't sit still when he heard the sound of fighting. Without saying a word, he picked up a chair and rushed towards the back door of the bar.

In the back alley, the man looked down at Qin Yuan with undisguised sarcasm in his tone: "What? Is this the strength you are proud of? You are vulnerable!"

Qin Yuan wiped the blood from the corner of his mouth and stood up slowly, but the fighting spirit in his eyes became stronger: "This has just begun, you are too happy too early!"

"Tough talk!" The man snorted coldly and stepped forward again.

The two of them were fighting each other, fists and kicks intersecting, so fast that only afterimages could be seen. The back alley echoed with dull crashing sounds, occasionally mixed with the sound of bones dislocating, which made people's hair stand on end.

When He Chenguang rushed to the back alley, he saw this scene: Qin Yuan and a man in black were fighting inextricably. Seven or eight killers from the "Ghost" organization were lying on the ground around them, each one wailing. more than.

"Holy crap! These grandsons are so cruel!" He Chenguang took a breath, picked up a chair and joined the battle.

With the addition of He Chenguang, the situation changed slightly. Although He Chenguang's gun skills were not as superb as Qin Yuan's, he was also deadly. He aimed at the "ghost" killers who had not fallen yet, and shot them one by one, cleanly and neatly.

The man in black obviously also noticed the threat of He Chenguang. He paused and looked at He Chenguang with a sinister look, full of murderous intent.

"Looking for death!" The man in black roared, gave up the fight with Qin Yuan, and turned to attack He Chenguang.

Qin Yuan saw this and immediately wanted to help, but was kicked in the chest by the man in black and flew backwards again.

"Chenguang, be careful!" Qin Yuan struggled to stand up, but felt dizzy and black in front of his eyes. He realized that he had suffered serious internal injuries in the battle with the man in black just now.

"Hahaha! Qin Yuan, you are dead today!" The man in black laughed wildly and approached He Chenguang step by step.

He Chenguang clenched the gun in his hand, his eyes were firm, without the slightest fear. He knew that he was now representing not only himself, but also the lives of his comrades behind him!

"If you want to touch my brother, ask the gun in my hand first!" He Chenguang roared and pulled the trigger.

"Bang!" The bullet whizzed out and went straight to the black-clothed man's eyebrows.

However, at this critical moment, the black-clothed man did not dodge or evade, but just tilted his head slightly. The bullet flew past his scalp, leaving a shallow blood mark on his face.

"Is that all you can do?" The black-clothed man stuck out his tongue, licked the blood on his face, and a cruel smile appeared at the corner of his mouth, "Now, it's my turn!"

As he said that, he moved in front of He Chenguang at an incredible speed, and his five fingers became claws, piercing He Chenguang's throat!

"Chenguang!" Qin Yuan's eyes were bloodshot and he roared.

Qin Yuan felt dizzy, his eyes went black, and he fell heavily to the ground. He Chenguang was in danger, but he was powerless now. He could only watch the hand pinching He Chenguang's neck and lifting him up.

"Chenguang!" Qin Yuan struggled to get up, but felt weak all over, as if his bones were broken by the kick of the man in black.

"Qin Yuan, aren't you good at fighting? Get up! Get up and save your good brother!" The man in black laughed wildly, and the strength in his hands increased a little more.

He Chenguang's face flushed, and he desperately pried the man in black's hand with both hands, but it was like an ant trying to shake a tree, and he couldn't shake it at all. The feeling of suffocation became stronger and stronger, and the world in front of him began to become blurred.

"Stop... Stop..." He Chenguang squeezed out two words from his throat with difficulty, but in return, the man in black laughed even more pervertedly.

Chapter 2474 - Kill him!

"Boss! Fuck you!" When Wang Yanbing and Li Erniu rushed to the back alley, they saw such a tragic scene. Wang Yanbing roared, picked up the assault rifle in his hand and fired at the man in black.

"Da da da da da..."

The deafening gunshots exploded in the silent night, and the man in black had to let go of He Chenguang and dodged the bullets in a panic. He Chenguang collapsed to the ground powerlessly, gasping for breath and greedily breathing in the fresh air.

"Damn it! Dare to touch my brother, I will beat you into a sieve today!" Wang Yanbing's eyes were red, and he pulled the trigger frantically. The bullets poured out like raindrops, forcing the man in black to retreat step by step.

Although Li Erniu didn't have a gun, he was born with supernatural power. He picked up a brick on the side of the road and rushed up, smashing the "ghost" killers who had not fallen yet.

"Bang! Bang! Bang!"

The sound of bricks colliding with bones was so sharp that it made people's teeth ache. Li Erniu was like an enraged bull, unstoppable. Those "ghost" killers were no match for him at all. They were smashed and fell to the ground one by one.

"Waste! A bunch of waste!" The man in black dodged Wang Yanbing's sweeping shots and roared in exasperation as he watched his men being beaten to a pulp by Li Erniu.

"You... don't be so arrogant! Today I'll let you see what a real special forces soldier is!" Wang Yanbing changed a magazine and pointed his gun at the man in black again.

"Just you? Are you worthy?" The man in black sneered, and his figure flashed. He dodged the bullet at a speed that was difficult for the naked eye to capture, and rushed towards Wang Yanbing again.

"Be careful!" He Chenguang saw this and hurriedly reminded him loudly, but he was now weak and could not help at all.

"Go to hell!" The man in black grinned, his five fingers formed into claws, and went straight for Wang Yanbing's throat.

At the critical moment, a black shadow suddenly rushed out from the side and kicked the man in black away.

"Bang!"

The man in black fell heavily to the ground, and a mouthful of blood spurted out.

"Boss!" Wang Yanbing looked carefully and found that it was Qin Yuan!

"You...how could you..." The man in black looked at Qin Yuan in disbelief. He had obviously seriously injured Qin Yuan, how could he still stand up?

"I said, you are too happy too early." Qin Yuan looked at the man in black coldly, with cold murderous intent flashing in his eyes.

"You...who are you?" The man in black struggled to stand up, but felt that his bones seemed to fall apart, and the severe pain made him unable to move.

"You don't need to know." Qin Yuan walked towards the man in black step by step, and with every step he took, the murderous aura on his body became stronger.

"You...don't come over! I...I am a member of the "Ghost" organization. If you...if you dare to kill me, the "Ghost" organization will not let you go!" The man in black threatened fiercely.

"Ghost Organization?" Qin Yuan sneered, "I'm going to say this today. I'm going to destroy the Ghost Organization!"

"Ghost" Organization? Qin Yuan sneered disdainfully, as if he had heard something ridiculous. "I'm going to say this today. Not to mention destroying you Ghost, I'm going to turn the earth upside down, and no one can stop me!"

The man in black looked at Qin Yuan in horror. From his cold eyes, he felt an unprecedented fear, a fear that he had never felt before when facing death.

"Who... who are you?!" the man in black asked in a trembling voice.

"You are not qualified to know." Qin Yuan said coldly, slowly raising his right hand.

"Boss, I'll do it!" Wang Yanbing saw this and quickly took over the conversation. He had long disliked these guys, and today he had to teach them a lesson.

"Get out of the way. This grandson dares to touch He Chenguang. I will personally deal with him today!" Li Erniu pushed Wang Yanbing away and rolled up his sleeves to rush forward.

"Shut up!" Qin Yuan roared, frightening Wang Yanbing and Li Erniu into silence.

"When is it your turn to point fingers when I do things?!" Qin Yuan glanced at the two coldly, his eyes full of coldness.

Wang Yanbing and Li Erniu were frightened by Qin Yuan's eyes, and they dared not make a sound. They could only watch Qin Yuan walk towards the man in black.

"You...what do you want to do? I warn you, I am a member of the 'Ghost' organization. If you dare to touch a hair on my body, our boss will never let you go!" The man in black was frightened and threatened incoherently when he saw Qin Yuan approaching step by step.

"Ghost? Ghost is nothing!" Qin Yuan sneered, and his right hand grabbed the man in black's neck like lightning, lifting him up.

"Ahem...you...you let me go..." The man in black lifted his feet off the ground and struggled desperately, his face flushed due to difficulty breathing.

"Let you go? If you ask me to let you go, I will let you go, how embarrassing it would be for me?" Qin Yuan said, exerting a little force on his hands, and the man in black's face suddenly became uglier.

"I...I tell you...there are many people in our 'Ghost' organization...if you...if you dare to kill me...they...will definitely...avenge me..." The man in black squeezed out a few words from his throat with difficulty, his tone full of fear and despair.

"Revenge? Okay, I'll wait for them. I want to see what your 'Ghost' organization is capable of!" Qin Yuan said, exerting force on his hands again, and with a crisp "click", the man in black's neck was twisted off by him.

"Boss, you are awesome!" Wang Yanbing and Li Erniu cheered and looked at Qin Yuan with admiration.

"Okay, stop talking nonsense, clean up this and get out!" Qin Yuan said, throwing the body of the man in black aside casually, just like throwing away garbage.

Wang Yanbing and Li Erniu did not dare to neglect, and hurriedly cleaned up the body and blood on the ground, and then followed Qin Yuan out of the alley.

Back in the car, He Chenguang couldn't help asking: "Boss, are you... are you okay?"

Qin Yuan shook his head and said lightly: "What can I do?"

"But... you weren't..." He Chenguang hesitated to speak. He knew that Qin Yuan had been seriously injured before, and he should still be lying in the hospital now. How could he suddenly appear here?

"Some things, you don't need to know too much." Qin Yuan interrupted He Chenguang's words, with a hint of unquestionable majesty in his tone.

Seeing this, He Chenguang shut up tactfully. He knew that Qin Yuan didn't want to talk about it, and it was useless to ask more questions.

"Boss, where are we going next?" Wang Yanbing asked.

"Back to the base." Qin Yuan said, closing his eyes, and seemed a little tired.

Wang Yanbing didn't dare to ask any more questions, started the car, and rushed towards the base.

Along the way, the car was silent, with only the sound of the engine roaring in his ears.

He Chenguang looked at Qin Yuan who closed his eyes and rested, and his heart was full of doubts.

Qin Yuan had too many secrets. Who was he? Why did he have such a strong strength? And the injuries he had suffered before...

All of these were like mysteries, lingering in He Chenguang's heart, making him puzzled.

And at this moment, Qin Yuan suddenly opened his eyes, and a cold light flashed in his eyes.

"Stop!" Qin Yuan said in a deep voice.

"What's wrong, boss?" Wang Yanbing asked in confusion.

"Someone is following us." Qin Yuan said coldly, looking at the rearview mirror.

Wang Yanbing and He Chenguang were startled when they heard this, and they looked at the rearview mirror.

They saw a black van following their car slowly...

Wang Yanbing and He Chenguang followed Qin Yuan's gaze and saw a gray van hanging behind them, like a wild wolf waiting for an opportunity.

"Damn it, someone is really following us! Boss, do you want to get rid of them?" Wang Yanbing was eager to try.

"No, I want to see who is so brave that he dares to provoke us." Qin Yuan raised a cold smile at the corner of his mouth, and his eyes flashed with a dangerous light.

The black jeep continued to drive, and the van always kept a distance from them. The atmosphere gradually became solemn, and the car was filled with a tense atmosphere.

"Chenguang, prepare your weapons." Qin Yuan whispered, his tone calm but with unquestionable majesty.

He Chenguang nodded, took out two black pistols from his backpack, and skillfully checked the magazines and safety.

There was a fork in the road ahead, and Qin Yuan suddenly said: "Yanbing, turn right and go into the mountains!"

"Go into the mountains? Boss, where are we going?" Wang Yanbing asked doubtfully while turning the steering wheel.

"Let's meet our old friend." Qin Yuan's eyes flashed with a cold light, and his tone was as cold as hell.

The jeep drove off the wide road and plunged into the rugged mountain road. The van seemed to have noticed their intentions and followed without hesitation.

The mountain road was rugged and difficult to travel, but Wang Yanbing had skilled driving skills, and the jeep shuttled through the mountains like a flexible cheetah.

"Hold on!" Wang Yanbing roared, and suddenly turned the steering wheel. The jeep narrowly avoided a boulder and continued to speed forward.

"Damn, are these bastards trying to kill themselves?" Wang Yanbing couldn't help cursing, with a layer of fine beads of sweat oozing from his forehead.

"Their target is us, of course they won't give up easily." He Chenguang calmly observed the rearview mirror and said in a deep voice.

"Boss, there is no way ahead!" Wang Yanbing suddenly exclaimed.

Qin Yuan looked up and saw a cliff in front of them, and they had been forced to the edge of the cliff.

The van stopped more than ten meters away from them, the door opened, and seven or eight men in black jumped out of the car, holding bright machetes in their hands, approaching them with a ferocious look.

"Boss, what should we do? Fight them!" Wang Yanbing clenched the gun in his hand, with a fierce fighting spirit in his eyes.

"Don't be impulsive, let's see first." Qin Yuan pressed Wang Yanbing's shoulder and signaled him to be patient.

The men in black were getting closer and closer, and the leader had a hideous scar on his face, looking extremely fierce. He walked to the edge of the cliff, looked at Qin Yuan and others who were forced into a desperate situation, and laughed arrogantly.

"Haha, Qin Yuan, I didn't expect you to have this day! If you know what's good for you, hand over the things, I will give you a quick death today! Otherwise..." The scarred man said, pointing at Qin Yuan with the machete in his hand, his eyes full of cruelty and bloodthirstiness.

"Otherwise what?" Qin Yuan was unmoved, and a mocking arc appeared at the corner of his mouth.

"Otherwise, I will send you down to feed the wolves!" The scarred man said viciously, with a hint of viciousness in his eyes.

"Just relying on you rotten fish and shrimp?" Qin Yuan sneered, a cold light flashed in his eyes, "Aren't you afraid that the wind will blow your tongue!"

"Damn it, you're looking for death!" The scarred man was furious, waving his machete and rushing towards Qin Yuan.

"Boss, let me do it!" Wang Yanbing couldn't hold back any longer, roared, and was about to rush up to fight.

"Your opponents are them." Qin Yuan said, and his figure flashed, and he came to the scarred man in an instant.

The scarred man felt a flash in front of his eyes, and before he could react, he felt a sharp pain in his chest, and the whole person flew backwards like a kite with a broken string, fell heavily to the ground, spitting blood, and could no longer get up.

The other black-clothed men were shocked when they saw this. They didn't expect Qin Yuan to be so powerful that he killed their boss in one move.

"Go! Come on! Kill him!" After a brief shock, the black-clothed men roared, waving machetes, and swarmed towards Qin Yuan.

Qin Yuan stood in place, facing the siege of the black-clothed men, without any fear on his face, but instead showed a sneer of disdain.

He was seen moving freely among the black-clad people like a ghost, and every time he attacked, he was accompanied by a scream.

In a blink of an eye, the ground was full of wailing black-clad people, and Qin Yuan's clothes were not messed up from beginning to end.

"That's it?" Qin Yuan clapped his hands, looking relaxed, as if he had just done something insignificant.

Wang Yanbing and He Chenguang were stunned. They knew that Qin Yuan was very strong, but they didn't expect him to be so strong.

"Boss, you are so awesome!" Wang Yanbing came back to his senses and couldn't help but give a thumbs up, saying with admiration.

"It's just a trick, not worth mentioning." Qin Yuan said lightly, but his eyes looked at the bottom of the cliff.

"Boss, what are you looking at?" He Chenguang followed Qin Yuan's gaze, but found nothing.

"It seems that our old friend is more patient than I thought." Qin Yuan's mouth curled up a playful arc, and his eyes flashed with a dangerous light.

Below the cliff, the clouds and mist were lingering, and the depth was unobstructed, like a prehistoric beast that was ready to eat people, hiding unknown secrets...

As soon as Qin Yuan finished speaking, a gust of wind suddenly rolled up from under the cliff, blowing everyone's clothes. Before Wang Yanbing and He Chenguang could react, they were forced to retreat again and again by this strange wind.

"Damn, what kind of weather is this? It changes so quickly?" Wang Yanbing stabilized his body and couldn't help complaining.

"Boss, there seems to be someone down there!" He Chenguang narrowed his eyes and tried to see through the thick fog.

Qin Yuan's mouth corners slightly raised, revealing a smile of "as expected". He calmly took out a coin from his pocket and threw it towards the cliff.

Chapter 2475 - Go to hell!

The coin drew a silver arc in the air, and then it was swallowed by the thick fog and disappeared. However, just when the coin was about to fall into the abyss, a black shadow flashed out of the fog like lightning and caught the coin steadily.

"Interesting." Qin Yuan looked at the black shadow, and a hint of amusement flashed in his eyes.

The black shadow stayed in the air for a few seconds, and then slowly landed on the edge of the cliff, facing Qin Yuan and others from a distance.

"Finally you are willing to show up?" Qin Yuan looked at the person in front of him, his tone was calm, but with an invisible sense of oppression.

The man was wearing a black suit and a silver mask on his face, revealing only a pair of sharp eyes like a hawk. He was tall and straight, and exuded a cold breath all over his body, like a sword out of its sheath, ready to take someone's life at any time.

"Qin Yuan, it's really worthy of your reputation. You can actually detect my existence." The masked man's voice was low and hoarse, and no emotion could be heard.

"I'm curious, who are you and why did you set up this trap?" Qin Yuan ignored his words and asked directly.

The masked man sneered and said, "You don't need to know who I am, you just need to know that today is your death!"

"Just you?" Qin Yuan raised his eyebrows disdainfully, "I want to see what you can do to kill me!"

"Then give it a try!" The masked man roared, and his figure shot out like a cheetah, rushing straight towards Qin Yuan.

His speed was as fast as lightning, and he arrived in front of Qin Yuan in the blink of an eye, with five fingers forming claws, fiercely grabbing Qin Yuan's throat.

Qin Yuan did not dodge, but just gently raised his right hand and lightly blocked the masked man's attack.

"That's all the strength?" Qin Yuan's eyes flashed with a hint of sarcasm.

The masked man's face changed slightly, obviously he didn't expect Qin Yuan to block his attack so easily. Before he could react, Qin Yuan's left hand had already reached out like lightning, grabbed his wrist and twisted it hard.

"Crack!"

With a crisp sound, the masked man's wrist bones were instantly crushed, and the severe pain made him scream.

"Boss is mighty!" Wang Yanbing couldn't help but cheer loudly when he saw this.

Although He Chenguang didn't say anything, his eyes were full of excitement. He had known that Qin Yuan was very strong, but he didn't expect him to be so strong!

Qin Yuan ignored their reactions, just looked at the masked man coldly, and said: "Last chance, tell me, who are you and why do you want to kill me?"

"Humph, want to know? Go to hell and ask the King of Hell!" Although the masked man was seriously injured, his eyes were still fierce, full of resentment and hatred.

He suddenly opened his mouth, spit out a black pill from his mouth, and swallowed it in one gulp.

"No, he wants to commit suicide!" He Chenguang's face changed drastically, and he hurriedly reminded.

Qin Yuan frowned slightly, and was about to stop him, but he saw that the masked man's body suddenly began to swell violently, like an inflated balloon, and in a blink of an eye he turned into a giant over two meters tall!

"Roar!"

The giant roared to the sky, the sound was deafening, as if it came from an ancient beast. His clothes were torn to pieces, revealing the muscles underneath, which looked ferocious and terrifying.

"What kind of monster is this?!" Wang Yanbing exclaimed, his face full of disbelief.

"Genetically modified people!" Qin Yuan saw the origin of the giant at a glance, and his face became more solemn than ever.

Genetically modified people are monsters with super strength and recovery ability created by using genetic technology to merge human genes with animal genes. This technology is extremely dangerous and is expressly prohibited by the international community. I didn't expect that someone would dare to conduct research in private!

"Roar!"

The giant roared, waving his huge fist, and smashed down at Qin Yuan fiercely.

Qin Yuan didn't dare to be careless, and his figure flashed, barely avoiding the giant's attack.

"Boom!"

The giant's fist hit the ground, and the ground shook and the gravel flew.

"Boss, be careful!" Seeing this, He Chenguang and Wang Yanbing's faces changed drastically, and they hurriedly shot at the giant.

"Bang, bang, bang!"

The bullets hit the giant's body, but it was as if they hit a steel plate, just splashing a burst of sparks, and could not cause any harm to him at all.

"It's useless, his body has been specially strengthened, your bullets are ineffective against him!" Qin Yuan reminded loudly.

"What should we do?" Wang Yanbing said anxiously.

Qin Yuan did not speak, but stared at the giant, with a dangerous light flashing in his eyes.

He knew that today was destined to be a fierce battle!

The giant's fist was wrapped in a strong wind, smashing a huge hole in the ground. Qin Yuan dodged swiftly, but his heart was getting heavier. This genetically modified man has amazing strength and abnormal defense. Ordinary firearms are like tickling to him. It seems that we have to get serious today!

"Old Qin, how to do this thing? None of our guys work!" Wang Yanbing shouted while shooting frantically.

"Don't waste bullets, this thing has thick skin and flesh, ordinary bullets can't break through its defense!" He Chenguang analyzed calmly, "We have to find a way to attack its weaknesses!"

"Weaknesses?" Wang Yanbing was stunned, "This thing is all muscle, how can it have weaknesses?"

Qin Yuan didn't say anything, staring at the giant, his brain working rapidly. Although the genetically modified people are powerful, they are man-made products after all, and it is impossible for them to have no weaknesses!

"Roar!" The giant roared again, and his huge fist blasted towards Qin Yuan like a cannonball.

"Old Qin, be careful!" He Chenguang exclaimed.

Qin Yuan turned his body to one side, narrowly avoiding the giant's attack, but the huge fist wind still threw him out and hit him heavily on a boulder.

"Cough cough..." Qin Yuan couldn't help coughing a few times, and felt a stuffy chest.

"Old Qin, are you okay?" Seeing this, Wang Yanbing and He Chenguang hurried to Qin Yuan and asked anxiously.

"I'm fine." Qin Yuan waved his hand to indicate that he was fine, but he was secretly shocked in his heart. The power of this giant was more terrifying than he imagined. If he was hit head-on, he would probably lose a layer of skin if he didn't die!

"We have to fight quickly!" Qin Yuan's eyes flashed with a sharpness. He couldn't drag it on any longer, otherwise once his physical strength was exhausted, the consequences would be disastrous!

Thinking of this, Qin Yuan took a deep breath, and a trace of determination flashed in his eyes.

"You two, buy me some time!"

"What are you going to do?" He Chenguang and Wang Yanbing asked in unison.

"To deal with this kind of monster, only extraordinary means can be used!" Qin Yuan did not explain, just left this sentence, and rushed towards the giant again.

"Old Qin, you are crazy!" Wang Yanbing and He Chenguang were shocked and wanted to stop him, but it was too late.

Qin Yuan rushed to the giant like a flash of lightning. Seeing this, the giant punched out again, trying to kill Qin Yuan into slag.

However, this time, Qin Yuan did not dodge, but rushed towards the giant's fist!

"Looking for death!" Wang Yanbing and He Chenguang saw this, and their hearts suddenly came to their throats.

"Bang!"

With a loud bang, Qin Yuan's fist collided fiercely with the giant's fist.

"Crack!"

A creepy sound rang out, and the giant's arm bones were actually smashed by Qin Yuan's punch!

"Roar!"

In severe pain, the giant let out a shrill scream, and the huge body staggered back.

"Good opportunity!" Qin Yuan's eyes flashed with a gleam of light. Taking advantage of the opportunity of the giant's injury, his body was as fast as lightning and he instantly went around behind the giant.

"Go to hell!"

Qin Yuan roared, his five fingers formed into claws, and he fiercely grabbed the back of the giant!

There was the heart of the genetically modified person!

"Stop!"

At this moment, a roar came from a distance, and then a black shadow rushed towards this side at a very fast speed.

"Bang!"

The black shadow kicked Qin Yuan in the chest and kicked Qin Yuan out.

"Old Qin!"

Seeing this, Wang Yanbing and He Chenguang were immediately furious and fired at the black shadow frantically.

However, the black shadow was not afraid at all. His figure shuttled through the rain of bullets like a ghost and came to the giant in an instant.

"Who dares to touch my experimental body!"

The black shadow roared, his voice was low and hoarse, as creepy as a beast.

Qin Yuan struggled to get up from the ground, looking at the black shadow in front of him, his pupils suddenly contracted.

"It's you?!"

A correct version in 16191 book forum!

The black shadow slowly took off the hood on his head, revealing a familiar yet unfamiliar face.

It turned out to be...

"Li Xiang?!"

Qin Yuan never thought that the person standing in front of him was a comrade-in-arms who had served in the same unit with him and was as close as a brother!

"Long time no see, Qin Yuan." Li Xiang's mouth curled up a cold arc, and there was no warmth in his eyes, only endless indifference and a trace of imperceptible evil.

"You...how did you become like this?" Qin Yuan looked at the familiar yet unfamiliar man in front of him in disbelief. The young man who was once sunny and cheerful and full of hope for the future has now become an emotionless killing machine.

"Become like this? Haha, thanks to you, Qin Yuan." Li Xiang's eyes flashed with a trace of resentment, and his tone was grim. "If it weren't for you, how could I be chosen as an experimental subject, and how could I become a monster that is neither human nor ghost now!"

"Experimental subject? What are you talking about?" Qin Yuan frowned, he always felt that things were not that simple.

"Don't play dumb!" Li Xiang roared, "Do you think I don't know? You knew about the existence of this experiment a long time ago, you just pushed me into the fire pit on purpose!"

Qin Yuan was shocked, did Li Xiang know about that incident?

"I don't know what you are talking about." Qin Yuan suppressed the uneasiness in his heart and looked at Li Xiang coldly, "I only know that you have become a monster now, a monster that only knows how to kill!"

"Monster? Yes, I am a monster! But I became like this, all thanks to you!" Li Xiang roared, his figure flashed, and he rushed towards Qin Yuan.

"Old Qin, be careful!" He Chenguang and Wang Yanbing saw this and quickly opened fire to support.

"Bang bang bang!"

The bullets shot at Li Xiang like raindrops, but he easily dodged them. He was so ghostly and fast that he arrived in front of Qin Yuan in the blink of an eye.

"Go to hell!"

Li Xiang's five fingers formed into claws and fiercely grabbed Qin Yuan's throat.

Qin Yuan dodged sideways and punched Li Xiang in the face.

"Bang!"

With a muffled sound, Li Xiang was knocked back several steps by Qin Yuan's punch, but he did not suffer any damage. Instead, Qin Yuan felt a sharp pain in his fist, as if he had hit a steel plate.

"What a strong defense!" Qin Yuan was secretly shocked. After Li Xiang's body was genetically modified, his defense had reached a terrifying level.

"Come again!"

Li Xiang roared and rushed towards Qin Yuan again.

This time, Qin Yuan did not take it hard, but chose to dodge. Li Xiang's speed was too fast and his strength was too strong. There was no benefit for him to fight hard.

The two started a fierce battle in the ruins, with fists and feet, strong winds, and the surrounding boulders were shattered.

He Chenguang and Wang Yanbing wanted to help, but they couldn't do anything. Li Xiang's speed was too fast, and they couldn't catch his figure at all.

"This won't work!" He Chenguang said anxiously, "Old Qin will be exhausted to death!"

"We must find a way to limit his speed!" Wang Yanbing said in a deep voice.

At this moment, Li Xiang suddenly caught a flaw in Qin Yuan and grabbed his shoulder with a claw, and blood immediately flowed.

"Old Qin!"

He Chenguang and Wang Yanbing saw this and their eyes were bloodshot.

"Haha, this is the fate of betraying me!" Li Xiang laughed wildly, his eyes full of madness and resentment.

Qin Yuan endured the severe pain and kicked Li Xiang in the chest, forcing him back.

"Li Xiang, calm down! That incident was not what you thought!" Qin Yuan tried to awaken Li Xiang's reason, but he was now blinded by hatred and could not listen to any explanation.

"Shut up! You, a traitor, have no right to talk to me!" Li Xiang roared and rushed towards Qin Yuan again.

"Go to hell!"

At this moment, a black shadow suddenly fell from the sky and kicked Li Xiang away.

"Bang!"

Li Xiang fell heavily to the ground, spitting blood, his eyes full of disbelief.

"You... who are you?!"

The black shadow slowly turned around, revealing a cold and ruthless face.

"Fan Tianlei!" Qin Yuan recognized the man at a glance, and a glimmer of hope suddenly ignited in his heart.

"Old Qin, are you okay?" Fan Tianlei walked quickly to Qin Yuan and asked with concern.

"I'm fine." Qin Yuan shook his head and turned his eyes to Li Xiang who was lying on the ground. "Old Fan, he..."

"I know." Fan Tianlei patted Qin Yuan on the shoulder, signaling him not to say more. "I will deal with this matter."

After speaking, Fan Tianlei turned and looked at Li Xiang, with a cold light in his eyes.

"Li Xiang, you violated military discipline and betrayed the country. Today, I will enforce justice on behalf of heaven!"

As soon as Fan Tianlei finished speaking, his face suddenly changed, and he turned back and looked into the distance.

I saw several black helicopters appear in the sky in the distance, rushing towards this side at a high speed.

"Not good! It's their people!" Fan Tianlei said solemnly, "Old Qin, we must leave here immediately!"

Qin Yuan also realized that the situation was not good, nodded, and together with Fan Tianlei, he helped the injured Li Xiang up and ran towards the dense forest in the distance...

The roar of the helicopter came from far away, and the air flow stirred by the propeller made the leaves rustle. Qin Yuan, Fan Tianlei and Li Xiang ran wildly in the dense forest.

Chapter 2476 - What does this mean?

"Damn it! Why are these bastards chasing us so closely?!" Wang Yanbing panted and cursed. They had been running for a long time, but those helicopters were like flies smelling blood, always chasing them.

"Stop talking nonsense, hurry up!" Fan Tianlei's face was livid, and he looked back at the helicopters getting closer and closer behind him, and urged.

Li Xiang was supported by Qin Yuan, his face was pale, his breath was weak, and it was obvious that he was seriously injured.

"Old Fan, this is not a solution, we have to find a way to get rid of them!" Qin Yuan said to Fan Tianlei while running.

"I know!" Fan Tianlei replied unhappily, "What good ideas do you have?"

Qin Yuan looked around, his eyes fell on a canyon not far away, and he immediately had an idea in his mind.

"Follow me!" Qin Yuan said, holding Li Xiang, and turned to run in the direction of the canyon.

"What the hell are you doing?!" Fan Tianlei looked at the bottomless canyon in front of him and couldn't help but burst out a swear word.

"Jump!" Qin Yuan ignored Fan Tianlei's roar, rushed to the edge of the cliff, jumped, and jumped down.

"Fuck!" Fan Tianlei's eyes almost popped out, is this kid crazy? !

However, Qin Yuan had already jumped down, so he could only grit his teeth and jump down.

In the canyon, the wind was howling, and Qin Yuan and Fan Tianlei fell rapidly one after the other.

"You kid are crazy! This is..." Fan Tianlei's words were not finished before he was filled with a gust of wind.

"Shut up! If you don't want to die, listen to me!" Qin Yuan roared, his eyes fixed on the bottom of the canyon.

At the bottom of the canyon, there is a turbulent river, the river water is surging, hitting the rocks on both sides, making a deafening roar.

"Hold on!" Qin Yuan shouted, and at the moment he was about to fall into the water, he threw Li Xiang out.

"Damn it!" Li Xiang was startled by Qin Yuan's sudden action. Before he could react, he fell heavily into the river.

Qin Yuan and Fan Tianlei followed closely and fell into the water.

The icy cold river water instantly submerged the three people. Qin Yuan struggled hard, floated to the surface, and breathed in fresh air.

He turned his head to look for Fan Tianlei and Li Xiang, but found that they had been washed away by the rushing river and disappeared.

"Old Fan! Li Xiang!" Qin Yuan shouted anxiously, but the only response to him was the deafening roar of the river.

Qin Yuan's heart sank. He knew that in this turbulent river, it was like looking for a needle in a haystack to find two people.

But he couldn't give up. He had to find them!

Qin Yuan took a deep breath, dived into the water, and swam hard along the direction of the river...

At the same time, above the canyon, several black helicopters were hovering. In the cabin, several fully armed soldiers were observing the situation at the bottom of the canyon with binoculars.

"Report to the captain, no target found!" A soldier put down the telescope and reported to a man next to him who was wearing a black combat uniform and had a hideous scar on his face.

"Keep searching! They must still be nearby!" The scarred man ordered coldly, with a hint of viciousness in his eyes.

"Yes!"

The helicopter continued to hover over the canyon, searching for the traces of Qin Yuan and others...

Qin Yuan was washed in the turbulent river for an unknown period of time. Finally, he grabbed a protruding rock and climbed ashore with difficulty.

He lay on the shore, gasping for breath, soaked and exhausted.

But at this time, he couldn't take a rest. He had to find Fan Tianlei and Li Xiang as soon as possible.

Qin Yuan struggled to stand up and looked around. He found himself in an unfamiliar mountain forest. The surrounding ancient trees were towering and covered the sky. The sun shone through the dense branches and leaves, casting mottled light and shadows on the ground.

"Where is this?" Qin Yuan was full of doubts. He looked up at the sky. It was already evening.

He must find a safe place to rest before dark, otherwise, in this wilderness, he is likely to become the dinner of wild beasts.

Qin Yuan dragged his tired body and walked hard in the mountains and forests, hoping to find a place to stay.

"Awoo..."

Suddenly, a wolf howl sounded not far away, breaking the tranquility of the mountains and forests.

Qin Yuan's heart trembled, he heard it, it was the sound of wolves!

Moreover, judging from the sound, there was more than one!

Qin Yuan's heart tightened, wolves are social animals, and a wolf howl often means that there are other wolves nearby. He quickly scanned the surroundings, and the dense woods blocked his sight, making it impossible for him to judge the number and location of the wolf pack.

"Damn it, it's really raining all night!" Qin Yuan cursed in a low voice, drew a saber from his waist, and vigilantly observed the movements around him.

He didn't want to be the dinner of the wolf pack, let alone die in such a ghost place. He must find a safe place as soon as possible, preferably a place that can be high above and easy to defend and difficult to attack.

"Awoo--"

The wolf howled again, this time closer. Apparently, the wolves had discovered his tracks and were surrounding him.

Qin Yuan did not dare to delay any longer. He held his saber tightly, crouched, and ran quickly into the depths of the woods. He remembered that he had learned in training before that when encountering a wolf pack, you must not panic and run away, let alone

climb a tree to avoid it, because the climbing ability of wolves is far beyond the imagination of ordinary people.

The best way is to stay calm, find favorable terrain, use the terrain and your own advantages to deal with the wolf pack, and wait for rescue.

But the question now is, who will come to save him in this wilderness? That old boy Fan Tianlei is probably still floating in the river!

"Damn it, I can only rely on myself!" Qin Yuan gritted his teeth and quickened his pace.

As he ran, he carefully observed the surrounding environment, hoping to find a terrain that could be used.

Soon, he discovered that there was a huge rock not far ahead. The top of the rock was relatively flat, and there were no dense trees around it. The view was wide, making it an excellent defensive location.

"That's it!"

Qin Yuan felt happy, accelerated suddenly, and rushed towards the boulder.

"Ouch——"

The howls of wolves behind him were getting closer and closer, and the faint sound of the wolves trampling on fallen leaves as they ran could still be heard. It was obvious that the wolves had caught up.

Qin Yuan did not dare to look back. He put all his strength into running towards the boulder.

Just when he was about to run under the boulder, suddenly, his feet were empty and his whole body fell suddenly.

"not good!"

Qin Yuan was shocked and fell heavily to the ground before he could react.

"Ouch!"

Qin Yuan screamed in pain and struggled to get up, but found that he could not move.

He looked down and found that his legs were tightly entangled with a thick vine, making him unable to move.

"Damn it!"

Qin Yuan cursed secretly and struggled a few times, only to find that the vines were getting tighter and tighter, making it impossible to break free.

"Ouch——"

At this moment, the wolf howled again, this time closer. It was obvious that the wolves had discovered his predicament and were slowly approaching him.

Qin Yuan looked up and saw a few strong wild wolves standing on the edge of the woods not far away. Their green eyes were staring at him, and there was creepy saliva hanging from the corners of their mouths, as if they were watching something. A delicious dinner.

"Grandma, do I have to tell you where I'm here today?"

Qin Yuan felt despair in his heart, but he did not give up resistance. He drew out his saber and waved it at the wolves, trying to scare them away.

"Get away! Don't come here!"

However, his actions did not scare away the wolves, but instead aroused their ferocity.

Several wild wolves let out a low growl and slowly approached him, their eyes flashing with bloodthirsty light.

"Damn it, I'll fight you!"

Qin Yuan knew that he was doomed today, so he simply stopped struggling, clenched his saber, and prepared for the final desperate struggle.

At this critical moment, suddenly, a black shadow fell from the sky, landed heavily in front of Qin Yuan, and knocked away a wild wolf that was rushing towards him.

The speed of the black shadow was so fast that Qin Yuan didn't even see what it was. He only felt that his eyes were blurred and a fishy wind hit his face. The originally grinning wild wolf was knocked out and fell heavily to the ground. It howled and struggled for a few times before making no movement.

"What?" Qin Yuan was stunned, and then he saw the black shadow in front of him clearly.

It was a huge black panther, with muscles all over its body and shiny fur. A pair of green eyes shone faintly in the darkness, like two emeralds.

The Black Panther stood in front of Qin Yuan, looking at him condescendingly, and let out a low roar, as if to warn other wild wolves not to act rashly.

When the other wild wolves saw this, they were so frightened that they backed away. The fierce light in their eyes was replaced by deep fear.

Wolves are social animals that rely on teamwork to hunt, but in the face of absolute power, the advantage of numbers is not worth mentioning.

The Black Panther is obviously the overlord of this area, and its appearance is enough to frighten any creature that dares to challenge its authority.

"This" Qin Yuan looked at the majestic black panther in front of him and couldn't react for a while.

He never expected that in this situation, a black panther would suddenly appear and save his life.

"Could it be my guardian spirit beast?" A ridiculous thought suddenly appeared in Qin Yuan's mind.

He remembered that when he was a child, he heard the old man in the village say that when everyone is born, there will be a guardian spirit beast, and the guardian spirit beast will silently guard its owner until the owner dies.

Could this black panther be his guardian spirit beast?

Qin Yuan was startled by his own thoughts, but then he thought about it, other than this explanation, what else is possible?

"Thanks, brother!" Qin Yuan grinned at the black panther and patted its head to express his gratitude.

The black panther seemed to understand what he said, lowered his head, gently rubbed his head on the back of his hand, then turned and walked towards the wolves.

When the wild wolves saw the black panther coming towards them, they were so frightened that they fled into the woods with their tails between their legs and disappeared in the blink of an eye.

The black panther watched the wolves go away, then turned around, walked to Qin Yuan, cradled his body with his head, and motioned for him to stand up.

"Can you understand me?" Qin Yuan asked in surprise.

The black panther didn't answer, but just rubbed his head on the back of his hand and motioned for him to ride on his back.

Qin Yuan hesitated for a moment, but finally chose to believe in the black panther. He climbed carefully onto the panther's back, holding its fur tightly with both hands.

The black panther seemed to sense his nervousness, and let out a low growl to signal him to hold on firmly, then spread out his limbs and ran towards the depths of the woods.

The black panther was extremely fast, moving freely through the dense woods as if walking on flat ground. Qin Yuan felt the wind whistling in his ears and the surrounding scenery retreating rapidly.

"Awesome!" Qin Yuan couldn't help shouting.

This feeling of speeding in the jungle was so exciting, more exciting than any sports car he had driven before.

The black panther seemed to feel his excitement and ran faster.

...

"Stop! Stop!"

After a while, Qin Yuan couldn't help shouting, because he felt that his butt was about to be broken into eight pieces.

The black panther stopped, turned his head, and looked at him in confusion.

"Brother, can you slow down?" Qin Yuan said awkwardly, "I can't stand it anymore."

The black panther seemed to understand what he said, lowered his head, and gently rubbed his legs with his head, signaling him to get off.

Qin Yuan jumped off the black panther's back and stretched his muscles, and then he felt better.

He looked up and found that he was in a dense forest, surrounded by towering trees, blocking the sky and the sun. The sun shone through the gaps in the leaves, forming mottled spots of light on the ground.

The air was filled with a damp smell of soil, mixed with the fragrance of various unknown flowers and plants, refreshing.

"What is this place?" Qin Yuan took a deep breath and asked.

The black panther did not answer, but walked to a big tree and pointed to a mark on the trunk with his claws.

Qin Yuan walked closer and found that it was a pattern carved with a knife. The pattern was very complicated, like a kind of text, but he did not recognize it.

"What does this mean?" Qin Yuan asked.

The black panther did not answer, but looked at him with expectant eyes, as if hoping that he could understand what he meant.

"Are you trying to tell me that you know how to get back to the base?" Qin Yuan asked tentatively.

The black panther nodded, then pointed at himself with his claws, then at the mark, and finally pointed to the distance.

Qin Yuan immediately understood what it meant. It was telling him that it could take him back to the base, but the premise was that he had to follow it.

"Okay! I'll go with you!" Qin Yuan agreed without hesitation.

He knew that now he had no choice but to believe in this black panther.

Seeing that he agreed, the black panther growled happily, then turned and walked towards the depths of the dense forest.

Qin Yuan followed it closely, full of curiosity and expectation.

He didn't know what was waiting for him, but he had a hunch that this adventure would completely change his life!

Qin Yuan followed the black panther through the dense forest, and the scenery along the way amazed him. There were towering ancient trees, vines intertwined, and occasionally colorful exotic birds.

"If this place is developed into a tourist area, it will definitely make a lot of money!" Qin Yuan muttered as he walked, completely forgetting that he was still in the "exercise".

Chapter 2477 - I&Chapter x27;m almost suffocating!

Hearing this, Qin Yuan became even more angry, but he knew that now was not the time to act out of emotion. He had to stay calm in order to find a chance to rescue He Chenguang and the others.

"Okay, I promise you," Qin Yuan took a deep breath, forced himself to calm down, and said to Big D, "I will join you. But you have to let them go first."

When Big D heard this, a playful smile appeared on his face: "Are you negotiating terms with me?"

"You can understand it this way," Qin Yuan looked at him without giving in, "If you want me to work hard for you, you have to show some sincerity, right?"

Big D was silent for a moment, seeming to weigh the pros and cons. After a moment, he suddenly laughed: "Okay! I just like to deal with smart people! I can let them go, but..."

He paused and glanced at the three people in the cage, with a cruel smile on his lips: "I can only let one go, who do you choose?"

When Qin Yuan heard this, his heart suddenly sank. He knew that Big D was deliberately making things difficult for him and asking him to choose between brothers to torture him.

"What, is it difficult to choose?" Big D looked at Qin Yuan with a joking smile on his face, "It doesn't matter, I can give you time to think about it slowly. However, I advise you to make a decision quickly, my Patience is limited..."

Qin Yuan did not speak, but stared at Big D with a dangerous light in his eyes. His mind was running rapidly, thinking of countermeasures. He knows that he must not follow Big D's script, otherwise he will only fall into passivity.

"Why, stop talking?" Big D looked at the silent Qin Yuan, the smile on his face became even more proud, "Are you feeling embarrassed? It doesn't matter, I can give you a suggestion..."

He walked to Qin Yuan and lowered his voice and said: "Look, He Chenguang is good at shooting, Wang Yanbing is good at fighting, and Li Erniu is strong. They are all rare talents. Why don't you kill them all? Their I can help you recycle all the abilities, so you have all their advantages, isn't it killing two birds with one stone?"

After Big D finished speaking, a "Am I very smart" expression appeared on his face, and he looked at Qin Yuan expectantly.

Qin Yuan looked at Big D's ugly face, and suddenly felt a strong sense of nausea in his heart. He knew that he was facing a complete madman, a demon who would do anything to achieve his goal!

"You are dreaming!" Qin Yuan suddenly raised his head, with angry flames flashing in his eyes, "I tell you, even if I die, I will not let you succeed!"

"Really?" The smile on Big D's face gradually disappeared, replaced by an icy chill, "Since you don't have to drink wine as a penalty for toasting, don't blame me for being rude!"

He waved his hand suddenly, and several men in black behind him immediately stepped forward and surrounded Qin Yuan.

"Do it!" Following Big D's order, several men in black rushed towards Qin Yuan at the same time...

At this moment, a sudden change occurred!

Just when several men in black were about to touch Qin Yuan, a deafening roar suddenly erupted from the cage!

"Ouch--!"

The black panther's body expanded rapidly like an inflatable ball, and in an instant it turned into a huge black beast. Its sharp fangs shone like daggers, and its sharp claws scratched deep holes on the ground. traces.

"What... what kind of monster is this?!" Several men in black were frightened by this sudden turn of events. They stepped back one after another and looked at the huge monster in front of them in horror.

"Roar——!" The Black Panther roared up to the sky and slammed into the iron cage on the side. With a loud "bang", the solid iron cage was instantly smashed into pieces. He Chenguang, Wang Yanbing and Li Erniu Walked out of it.

"Damn, I'm so choked up!" Wang Yanbing stretched his muscles, picked up a steel pipe on the ground, and stared at the men in black fiercely.

"Stop being stunned, do it!" He Chenguang picked up the sniper rifle in his hand and aimed at Big D.

"Bang!" There was a gunshot, and a bullet accurately hit Big D's shoulder. The blood instantly dyed his clothes red.

"Ah——!" Big D screamed, covering his wound and retreating. He never expected that the black panther with a chip implanted by him would suddenly turn against him!

"Kill them! Kill them!" Big D roared hysterically, his eyes full of hatred and madness.

After receiving the order, the men in black immediately waved their weapons and rushed towards Qin Yuan and others.

A melee broke out instantly!

Qin Yuan grabbed the man in black who was rushing forward, punched him in the face, and knocked him away.

"Bang!" He Chenguang fired another shot, hitting the head of another man in black who was trying to sneak attack.

Wang Yanbing and Li Erniu stood back to back, waving the steel pipes in their hands and beating the men in black until they cried for their fathers and mothers.

"Roar—!" The black panther ran rampant through the crowd, its sharp claws harvesting the lives of the men in black like the scythe of death.

Blood splattered, screams were heard endlessly, and the entire basement became a purgatory on earth!

Qin Yuan looked at the chaotic scene in front of him, with a cold light flashing in his eyes. He is not a good man and a believer, and he will never be merciful to his enemies.

He moved through the crowd like a ghost, and every time he made a move, he would take away a life. Those men in black were like lambs waiting to be slaughtered in front of him, with no power to fight back.

Big D hid behind the crowd, watching his men fall one by one, his eyes full of fear and despair. He knew that he had hit a brick wall this time. This man named Qin Yuan was simply not someone he could afford to offend!

"Quick! Stop him!" Big D shouted at the top of his lungs.

However, no one listened to his orders anymore. The men in black were frightened and fled in all directions. How could they care about him?

"Want to run? It's too late!" Qin Yuan sneered, and in a flash, he was in front of Big D.

"You...what do you want to do?" Big D looked at Qin Yuan who was like a murderous god in front of him. He was so frightened that he trembled all over and stuttered when he spoke.

"What do you think?" A cold smile appeared on Qin Yuan's lips, and he slowly raised his fist.

"No... don't kill me! I... I have a lot of money! As long as you don't kill me, I can give you everything you want!" Big D shouted in horror. He knew that he was doomed today, but Can hope to buy life with money.

"Money?" Qin Yuan laughed as if he heard some joke, "Do you think I will be short of money?"

"You..." Big D was at a loss for words. Yes, how could a person like him be short of money?

"Since you have nothing to give me, then go to hell!" Qin Yuan's eyes flashed with murderous intent, and he punched out fiercely!

"Bang!" With a muffled sound, Big D's head exploded like a watermelon, with red and white splattering all over the floor. The scene was extremely bloody!

Qin Yuan slowly retracted his fist, without even looking at the headless corpse on the ground, turned around and walked towards He Chenguang and others.

"Solved?" He Chenguang stepped forward, patted Qin Yuan on the shoulder, and asked with a smile.

"Yes." Qin Yuan nodded and responded lightly.

"Haha, I knew you would be fine!" Wang Yanbing laughed and walked over, punching Qin Yuan hard in the chest.

"Boss, you are so awesome!" Li Erniu looked at Qin Yuan with admiration, his eyes full of admiration.

Qin Yuan looked at the three brothers who shared life and death in front of him, and finally a smile appeared on his face.

"Okay, the matter here has been settled, let's go." Qin Yuan said.

"Okay!" The three of them responded in unison.

However, just as they were about to leave, there was a sudden rush of footsteps at the entrance to the basement.

After a burst of chaotic footsteps, a group of uniformed policemen appeared at the basement entrance, and dazzling lights instantly illuminated the originally dark space. The leader is a burly middle-aged man with a Chinese character face, thick eyebrows knitted together, and a man who is not angry and intimidating. He is clearly the Chief of Staff of the Langya Special Forces Brigade - Fan Tianlei.

"Don't move! Put your hands up!" The policemen behind Fan Tianlei pulled out their pistols and pointed them at Qin Yuan and others.

"Chief of Staff Fan, why are you here?" He Chenguang reacted first and greeted him with a smile.

"If I don't come, will you guys break the whole world?!" Fan Tianlei glared at him and said angrily. He looked around and saw dozens of corpses of men in black lying on the ground. The air was filled with a strong smell of blood. This scene was simply more tragic than a battlefield!

"Boss, we seem to be in trouble..." Wang Yanbing shrank his neck and muttered softly.

Check out the 16-9 book bar to see the correct version!

"Shut up!" Fan Tianlei glared at him fiercely, "I'll settle the accounts with you when I get back!" After saying that, he turned to Qin Yuan and softened his tone slightly, "Qin Yuan, are you okay? ?"

"It's okay." Qin Yuan shook his head, cherishing words like gold.

"It's fine." Fan Tianlei nodded, and then waved his hand, "Clean up this place! Also, bring all the survivors back to me for interrogation!"

"Yes!" The policemen behind him responded in unison, and immediately began to get busy.

...

Back at the Langya Special Forces Brigade, Qin Yuan and others were called to the office by Fan Tianlei.

"Tell me, what is going on?" Fan Tianlei asked with a livid face while sitting behind his desk.

"Report to the chief of staff, we received a tip that someone was conducting illegal transactions here, so we came to take a look." He Chenguang stood at attention, saluted, and reported truthfully.

"Information report? What information? Who gave it to you?" Fan Tianlei asked a series of questions.

"This..." He Chenguang hesitated, not knowing how to answer.

"Say!" Fan Tianlei slammed the table and roared.

"Yes...yes..." He Chenguang hesitated and was speechless.

"I asked them to go." Qin Yuan suddenly said.

"You?!" Fan Tianlei stood up suddenly, pointed at Qin Yuan's nose, and said angrily, "Qin Yuan, you are getting bolder and bolder! Who gave you the right to act privately?!"

"I just want to help them solve their problem." Qin Yuan said calmly, without the slightest fear in his tone.

"Solve the problem? Do you know how much trouble you have caused this time?!" Fan Tianlei was furious, "Who is the other party? That is Big D, the biggest drug lord in Southeast Asia! Do you know that just a few of you can... It makes no difference to die!"

"So what?" Qin Yuan raised a sneer at the corner of his mouth, "In my eyes, he is just a dead man."

"You..." Fan Tianlei was so angry that Qin Yuan was so fearless that he could not speak. He took a deep breath, tried hard to suppress the anger in his heart, and said in a deep voice: "Qin Yuan, I know you are very skilled, but this is not the reason for you to act recklessly! I will report this matter truthfully. As for how to deal with it, just It's not up to me to decide!"

Hearing this, the expressions of He Chenguang, Wang Yanbing and Li Erniu changed. They knew that if things got serious this time, Qin Yuan would most likely be severely punished!

"Boss..." Wang Yanbing looked at Qin Yuan worriedly and wanted to say something, but was stopped by Qin Yuan's look.

"I understand." Qin Yuan said calmly.

"It's good that you know!" Fan Tianlei gave him a cold look, "During this period, you all stay in the base and are not allowed to go anywhere! Do you hear me?!"

"Yes!" Everyone responded in unison.

...

In the next few days, Qin Yuan and others were confined to the dormitory and could not go anywhere. Fortunately for He Chenguang and Wang Yanbing, they usually like to stay on the training ground, and now they can take the opportunity to take a good rest. Only Li Erniu couldn't stand still. He was like an ant on a hot pot, wandering around the dormitory, constantly muttering: "Oh, when will this end? I'm almost suffocated to death." "

Qin Yuan acted like a normal person. Apart from eating and sleeping every day, he just sat on the bed and closed his eyes to rest, as if everything in the outside world had nothing to do with him.

On this day, Fan Tianlei suddenly came to their dormitory.

"Pack your things and follow me." Fan Tianlei said concisely.

"Where to go?" He Chenguang asked.

"Perform the mission." Fan Tianlei said coldly, turned around and left.

Everyone looked at each other, wondering what kind of medicine Fan Tianlei was selling in his gourd. However, they didn't think much about it, packed up their things quickly, and followed Fan Tianlei out of the base.

They were taken to a secret base. Fan Tianlei pointed to a helicopter on the tarmac and said in a deep voice: "This mission is to go to the Golden Triangle and destroy a large drug processing factory..."

Amidst the roar of helicopter propellers, Qin Yuan and others boarded the old Mi-8. The mottled fuselage is filled with a mixed smell of engine oil and sweat, as if it is telling the story of countless life and death experiences.

"I said, Lao Fan, can't you get us a new guy? This thing looks like it's about to fall apart!" Wang Yanbing complained while checking his equipment.

"What do you guys know? This is called Lao Ji Fu Fang, aiming for a thousand miles! Besides, you guys are just a bunch of bastards. It's all in vain to fly the F-22 for you!" Fan Tianlei glared at him, took out a few chewing gums from his pocket and threw them to them. They said, "Cheer up, this mission is no small matter. If you let me down, see how I deal with you!"

Qin Yuan sat in the corner without saying a word, looking through the narrow porthole at the rolling mountains in the distance. The Golden Triangle, a place full of crime and killing, was both familiar and strange to him. He knew that this mission was destined to be bloody.

Chapter 2478 - Winners take all.

The helicopter flew in the air for several hours and finally arrived near its destination. According to the plan, they would land in a dense forest a few kilometers away from the drug processing plant, and then sneak into the target area on foot.

"Listen to me, the goal of this mission is to destroy the drug processing factory and try not to hurt innocent people. Remember, we are soldiers, not butchers!" Before landing, Fan Tianlei emphasized discipline again.

"Yes!" Everyone responded in unison.

As night fell, it was pitch black in the dense forest, and you couldn't see your fingers. Qin Yuan and others used the faint starlight to quietly move towards the target area.

"Boss, who do you think the target will be this time?" Wang Yanbing asked in a low voice.

"It doesn't matter who he is, just do it!" Li Erniu said angrily.

"Shut up and be careful!" He Chenguang scolded in a low voice, "Don't forget, the target this time is Big D, the biggest drug lord in Southeast Asia, and he must be surrounded by experts!"

"Big D..." A short, fat guy with a fleshy face appeared in Qin Yuan's mind, with a disdainful sneer on his lips, "That's all."

They quickly arrived at the outskirts of the drug processing factory. Under the cover of night, they found that the place was heavily guarded and full of armed militants.

"It seems that this operation is not that simple." Wang Yanbing looked at the scene in front of him and couldn't help but feel a little numb.

"What are you afraid of? With the boss here, everything will be no problem!" Li Erniu was full of confidence. In his eyes, Qin Yuan was an omnipotent being.

Qin Yuan ignored their discussions and fixed his gaze on a watchtower, which was the commanding heights of the entire factory and the weakest defense point.

"He Chenguang, are your sniper rifles ready?" Qin Yuan asked without looking back.

"You can shoot at any time!" He Chenguang replied in a low voice, his tone full of confidence.

"Okay, wait for my signal and kill the sentry on the watchtower!" After Qin Yuan finished speaking, he quietly moved toward the watchtower like a cheetah.

His speed was as fast as lightning, and he arrived at the foot of the watchtower in the blink of an eye. The sentry on the watchtower didn't notice anything and was still looking around boredly.

A sneer appeared at the corner of Qin Yuan's lips. He jumped up and climbed up the watchtower easily like a big bird.

"Who?!" The sentry heard the movement and turned around suddenly, only to find that a cold dagger was already pressed against his throat.

"Shh..." Qin Yuan made a silencing gesture, then gently twisted his wrist, and the sentry fell limply, without even letting out a scream until his death.

"Bang!" Almost at the same time, He Chenguang pulled the trigger, and a bullet accurately hit the sentry on another watchtower.

"The action begins!" Qin Yuan roared and rushed into the factory first.

Qin Yuan's movements were like ghosts, and the militants fell into a pool of blood before they even realized what happened. The dagger in his hand is like the sickle of death. Every time he swings it, a fresh life will be taken away.

"Bang! Bang! Bang!"

He Chenguang's sniper rifle also kept roaring, and the enemies hiding in the dark were sent to the west by his precise shooting skills.

"Hahaha, it's so good! It's so damn good!" Wang Yanbing held an assault rifle and fired wildly. The bullets poured out like raindrops, beating the enemies into flight.

Although Li Erniu has a simple and honest personality, he is not ambiguous at all in fighting. He holds a heavy machine gun and is like a tiger entering a flock of sheep, leaving a mess wherever he passes.

"Don't be obsessed with fighting, the goal is to destroy the drug processing factory!" Qin Yuan reminded loudly while calmly reaping the lives of his enemies.

After everyone heard this, they rushed towards the inside of the factory.

Inside the factory, the lights are bright, the machines are roaring, and there are busy workers everywhere.

"Boss, what should we do with so many civilians?" Wang Yanbing looked at the scene in front of him and couldn't help but hesitate.

"Control the situation first!" Qin Yuan made a quick decision. He dodged and rushed to a foreman, putting the dagger in his hand against his neck.

"Don't move! If you don't want to die, just be honest!" Qin Yuan shouted in fluent English.

When the workers saw this, their faces turned pale with fear. They dropped their tools and squatted on the ground with their heads in their hands.

"Take me to see your boss!" Qin Yuan said coldly to the foreman.

The foreman was so frightened that he trembled and stammered: "I...I don't know where the boss is..."

"Don't tell me?" A cold light flashed in Qin Yuan's eyes, and with a slight stroke of the dagger in his hand, a blood mark suddenly appeared on the foreman's neck.

"I said! I said! The boss is in the office! I will take you there!" The foreman was so frightened that he quickly begged for mercy.

Under the leadership of the foreman, Qin Yuan and others quickly arrived at the factory office.

"Bang!"

Qin Yuan kicked open the office door and saw a short, fat guy with a sinewy face sitting at his desk, smoking a cigar leisurely.

"Are you Big D?" Qin Yuan asked coldly.

When Big D saw Qin Yuan and others suddenly barging in, he was startled for a moment, and then burst into laughter.

"Who do I think I am? It turns out that I am a member of the Chinese military. What, you want to come to my territory and run wild?" Big D said with disdain.

"Your death has come!" Qin Yuan didn't bother to talk nonsense to him, and rushed forward with a lunge.

Seeing this, Da D's eyes flashed with panic. He quickly took out a pistol from his arms and pulled the trigger at Qin Yuan.

"Bang!"

A gunshot sounded, but Qin Yuan was unharmed. He had a dagger in his hand and hit the bullet accurately.

"You want to kill me?" Qin Yuan sneered, and his figure flashed, and he came to Da D in an instant.

Before Da D could react, he felt a chill on his neck, and a cold dagger was already against his throat.

"You... what do you want to do?" Da D was so scared that his soul was gone, and he began to stutter.

"If you don't want to die, just listen!" Qin Yuan said coldly, "Tell me, where are your drugs hidden?"

"I... I don't know what you are talking about..." Da D wanted to quibble, but the dagger in Qin Yuan's hand exerted a little force, leaving a blood mark on his neck.

"I'll ask you one last time, where are the drugs?" Qin Yuan's tone was icy cold, as if it came from the Netherworld.

Big D finally broke down. He trembled and said, "In... in the underground warehouse..."

"Lead the way!" Qin Yuan shouted coldly.

On the way to the underground warehouse, Qin Yuan and others found that this factory was much larger than they had imagined. There was not only a drug processing plant, but also an arsenal, a casino, and so on.

"It seems that we have poked a hornet's nest this time." Wang Yanbing couldn't help but sigh.

"What are you afraid of? With the boss here, everything is not a problem!" Li Erniu was full of confidence. In his eyes, Qin Yuan was an omnipotent existence.

Soon, they came to the underground warehouse.

"Open it!" Qin Yuan ordered Big D.

Big D didn't dare to disobey and quickly opened the door of the warehouse.

The moment the door of the warehouse was opened, a pungent smell of chemicals came to the face. I saw that the warehouse was full of various drugs, and the number was shocking.

"If so many drugs flow into the market, I don't know how many people will be harmed..." Wang Yanbing looked at the scene in front of him and couldn't help but take a breath.

"Boss, how to deal with it?" He Chenguang asked.

"Destroy them all!" Qin Yuan said without hesitation.

"Yes!" Everyone answered in unison.

At this moment, a strange noise suddenly came from the corner of the warehouse.

"Who is it?!" Qin Yuan and others immediately became alert and aimed their guns at the direction of the sound.

"Hey, you react pretty fast." A gloomy voice came from the darkness.

Then, a tall guy with a hideous mask on his face walked out of the darkness.

"Who are you?" Qin Yuan asked coldly.

"It doesn't matter who I am. What's important is that none of you can leave here alive today!" The masked man said, a cold light flashed in his eyes, and a strong murderous aura instantly enveloped the entire warehouse.

"Just you?" Qin Yuan raised a disdainful sneer at the corner of his mouth.

"Kill!"

The masked man roared, his body was like lightning, and he rushed towards Qin Yuan and others in an instant.

A big battle is about to break out!

The masked man's movements were as fast as lightning, and his figure was ghostly. At first glance, he was not a good guy. Qin Yuan and others did not dare to be careless, and they all showed their skills and fought with the masked man.

Wang Yanbing was hot-tempered and took the lead in launching an attack. The assault rifle in his hand spewed flames, and bullets poured towards the masked man like raindrops.

Please...collect_6_9_book_bar (Six//Nine//Book//bar)

"Tu Tu Tu!"

However, the masked man was like a ghost, moving freely in the rain of bullets, and none of those fatal bullets could hit him.

"This guy is a bit weird!" Wang Yanbing couldn't help but cursed. It was the first time he encountered such a difficult opponent.

"I'll do it!"

He Chenguang calmly observed the battle situation. He found the right time and pulled the trigger. A sniper bullet with a breath of death whizzed towards the masked man.

"Bang!"

A gunshot sounded, but the masked man just slightly turned sideways and avoided the fatal blow.

"What a fast speed!" He Chenguang was shocked, he knew he had met a strong enemy.

Although Li Erniu was simple-minded, his strength should not be underestimated. He roared, waved his fist as big as a casserole, and rushed towards the masked man.

"Bang! Bang! Bang!"

Each of Li Erniu's punches was powerful and heavy, and there were even bursts of sonic booms in the air.

However, the masked man was like a flexible monkey, always able to easily dodge Li Erniu's attacks and wait for an opportunity to counterattack.

"Damn it!"

Li Erniu was kicked in the chest by the masked man, and his huge body flew backwards and hit the wall of the warehouse heavily.

"Erniu!"

Wang Yanbing and He Chenguang were shocked when they saw this, and hurriedly wanted to step forward to support, but were blocked by the masked man.

"Your opponent is me!" The masked man's voice was icy and piercing, as if it came from the Netherworld.

Qin Yuan had been watching coldly. He had a full view of everyone's performance and had a rough assessment of the strength of this masked man in his heart.

"It seems that it's time to stretch my muscles." Qin Yuan's mouth curled up a cold smile, and his figure flashed and disappeared in an instant.

"Where is the boss?" Wang Yanbing and He Chenguang were shocked when they saw this. They didn't even see Qin Yuan's movements clearly.

The next moment, Qin Yuan appeared behind the masked man, and the dagger in his hand turned into a cold light and stabbed towards the back of the masked man.

"Go to hell!"

The masked man seemed to have anticipated Qin Yuan's move. He turned around suddenly, and the sharp blade in his hand collided with Qin Yuan's dagger, making a sharp metal collision sound.

"Dang!"

Sparks flew, and the two figures took a few steps back.

"You are very strong." The masked man looked at Qin Yuan, and a trace of surprise flashed in his eyes. It was the first time he met someone who could take his move.

"You are not bad either." Qin Yuan said lightly, "But that's it."

As soon as the voice fell, Qin Yuan's figure disappeared again. This time, his speed was faster and his attack was more fierce. Like a storm, he swept towards the masked man.

The masked man did not dare to be careless. He waved the sharp blade in his hand and tried his best to resist Qin Yuan's attack.

"Dang! Dang! Dang!"

In the warehouse, the sound of metal collisions continued, sparks flew, and two figures moved quickly in the warehouse like ghosts. Their speed was so fast that it was almost impossible to catch with the naked eye.

Wang Yanbing, He Chenguang and Li Erniu could only see two afterimages flashing in the warehouse, and they could not intervene in the battle at all.

"The boss is too strong!" Li Erniu could not help but sigh. In his eyes, Qin Yuan was a god-like existence.

"Yes, the boss is a goal we can never reach." Wang Yanbing and He Chenguang also felt the same way.

"Bang!"

With a loud bang, the masked man was kicked in the chest by Qin Yuan. His huge body flew backwards like a kite with a broken string, and hit the wall of the warehouse heavily, and a mouthful of blood spurted out.

"Ahem..."

The masked man struggled to stand up, but Qin Yuan had already come in front of him, with a cold dagger against his throat.

"You lose." Qin Yuan said coldly.

The masked man smiled bitterly, he knew that he was doomed today.

"The winner is the king, the loser is the bandit, kill if you want to kill."

"Tell me, who sent you?" Qin Yuan asked.

"Do you think I will tell you?" The masked man sneered.

"Don't say it?" Qin Yuan's eyes flashed with a cold light, "I have plenty of ways to make you speak."

As he spoke, Qin Yuan slightly exerted force on the dagger in his hand, and a blood mark suddenly appeared on the neck of the masked man.

"I'll tell you! I'll tell you!" The masked man finally collapsed, and he said tremblingly, "Yes... yes..."

Just then, the door of the warehouse was suddenly knocked open from the outside, and a group of men in black suits and armed with weapons rushed in.

"Boss, be careful!" Wang Yanbing and others saw this and hurriedly reminded.

Qin Yuan frowned slightly, he didn't expect that there were other people ambushing here.

"Kill!"

As soon as the men in black came in, they opened fire at Qin Yuan and others without hesitation.

"Da da da!"

"Bang! Bang! Bang!"

The gunshots were loud, and the warehouse was in chaos.

Chapter 2479 - I don't believe it!

"Looking for death!"

A cold light flashed in Qin Yuan's eyes. He threw the masked man in his hand towards the men in black, and then his figure flashed and disappeared on the spot.

"Bang! Bang! Bang!"

Qin Yuan was like a ghost, shuttling between the men in black. The dagger in his hand kept harvesting lives, and there were wailing wherever he passed.

Wang Yanbing, He Chenguang and Li Erniu also joined the battle. The weapons in their hands spewed flames and killed the men in black one by one.

However, the men in black seemed to be endless. One wave after another, they rushed towards Qin Yuan and others.

"Boss, this is not a solution. Their reinforcements seem to be endless!" Wang Yanbing shouted while shooting.

Qin Yuan also discovered this problem. He felt in his heart that this matter might not be so simple.

At this moment, a familiar voice suddenly sounded at the door of the warehouse.

"Hahaha, Qin Yuan, long time no see!"

Qin Yuan looked in the direction of the voice and saw a man in a black windbreaker and a golden mask on his face, slowly walking into the warehouse.

"It's you!" Qin Yuan saw the person coming, his pupils shrank suddenly, and his eyes were full of disbelief.

"Why, are you surprised to see me?" The man with the golden mask sneered, "Long time no see, my old friend."

"You...you haven't..." Qin Yuan's voice was full of shock.

"Yes, I'm dead, but I'm alive again." The man with the golden mask interrupted Qin Yuan's words, and he slowly took off the mask on his face, revealing a familiar yet unfamiliar face.

"Long time no see, Qin Yuan, or should I call you...brother!"

The air in the warehouse seemed to solidify, and Wang Yanbing and others looked at the golden mask man in front of them in disbelief, their eyes full of shock and confusion. Only Qin Yuan, after a brief loss of consciousness, his eyes gradually became sharp, staring at the golden mask man like a hawk.

"You...you haven't died?" Wang Yanbing was the first to break the silence, his tone full of disbelief.

The man with the golden mask sneered and threw the mask on the ground, revealing a face that looked like it was cut by a knife. He had neat short hair, sharp eyebrows, a high nose bridge, and thin lips that were slightly raised, with a hint of evil charm.

"Death? Haha, the person who can kill me in this world has not been born yet!" The man with the golden mask said arrogantly with a hint of disdain.

"Qin Feng!" Qin Yuan gritted his teeth and spat out these two words, with raging anger burning in his eyes.

Qin Feng, Qin Yuan's half-brother, showed extremely high military talent since he was a child and was hailed as a genius rarely seen in a century. However, he was declared dead because of an accident, and this incident became Qin Yuan's eternal pain in his heart.

"Brother, long time no see." Qin Feng had a playful smile on his face, as if he was admiring Qin Yuan's expression at the moment.

"Why did you do this?" Qin Yuan suppressed the anger in his heart and asked coldly.

"Why? Of course it's for revenge!" The smile on Qin Feng's face disappeared instantly, replaced by endless resentment, "Back then, it was your Qin family that killed my mother, and I have been carrying the shackles of hatred since I was a child, and I have been living with my life lingering. This hatred, I want to take revenge all the time!"

"You are talking nonsense!" Qin Yuan roared, "The car accident back then was just an accident, our Qin family has never let your mother down!"

"Accident? Haha, do you think I will believe it?" Qin Feng's eyes flashed with a fierceness, "If it weren't for your Qin family's obstruction, how could my mother suddenly have a car accident? Do you think that sending me abroad can cover up the truth? I tell you, I, Qin Feng, am back, and I will make your Qin family pay for their blood debt with blood!"

The atmosphere in the warehouse was tense and ready to explode. Wang Yanbing, He Chenguang and Li Erniu looked at each other. It was the first time they saw Qin Yuan so out of control, and they couldn't help but feel a little worried.

"Boss, what should we do now?" Wang Yanbing asked in a low voice.

Qin Yuan didn't say anything, but stared at Qin Feng, with a complex light flashing in his eyes. He knew that today's matter might not end well.

"Why, brother, don't you plan to recognize me as your brother?" Qin Feng saw that Qin Yuan didn't speak, with a hint of provocation in his tone.

"Qin Feng, stop it. Everything back then was a misunderstanding. I can explain it to you clearly." Qin Yuan took a deep breath and tried to persuade Qin Feng.

"Explain? Do I need you to explain?" Qin Feng laughed wildly, "I just want to kill you with my own hands now and avenge my mother!"

As he said that, Qin Feng suddenly pulled out a pistol from his waist and pointed it at Qin Yuan.

"Bang!"

With a gunshot, a strong smell of gunpowder suddenly filled the warehouse.

"Boss!"

Wang Yanbing and others were shocked when they saw this, and rushed towards Qin Yuan.

However, to their surprise, it was not Qin Yuan who was shot, but a man in black standing behind him.

Qin Feng frowned slightly, and a hint of surprise flashed in his eyes. He didn't expect that Qin Yuan could dodge his bullet at such a close distance.

"You are quite skilled. It seems that you have not been idle these years." Qin Feng smiled coldly and raised the gun in his hand again.

"Do you think you can kill me like this?" Qin Yuan stood up slowly, with a cold light in his eyes.

"Haha, you will know if you try it?" Qin Feng raised a cruel arc at the corner of his mouth, and slightly exerted force on the index finger that pulled the trigger.

"Bang! Bang! Bang!"

A series of gunshots echoed in the warehouse. Qin Yuan's figure was like a ghost, moving freely through the hail of bullets. Not a single bullet could hit him.

"Damn it! How could this kid be so strong!" Qin Feng cursed in his heart. He still underestimated Qin Yuan's strength.

"Your opponent is me!"

Just when Qin Feng was about to shoot again, a black shadow suddenly appeared in front of him and hit him hard in the face with a heavy punch.

"puff!"

Qin Feng screamed, and flew backwards like a kite with its string broken. He fell heavily to the ground, and a mouthful of blood spurted out.

"Who are you?" Qin Feng struggled to stand up, but found that his body seemed to be falling apart and he couldn't use any strength at all.

"Your grandpa!" Wang Yanbing roared, waving his fist and rushing towards Qin Feng.

"stop!"

At this moment, a crisp voice suddenly sounded at the door of the warehouse.

Everyone looked around and saw a brave-looking woman wearing camouflage uniforms slowly walking into the warehouse.

"sister....."

Seeing the person coming, Qin Feng showed an expression of disbelief on his face.

"Qin Xue?!" Qin Yuan was also stunned when he saw the person coming.

Qin Xue, Qin Feng's biological sister, is also Qin Yuan's...

"Bang!"

Before Qin Yuan could react, Qin Xue suddenly raised the pistol in his hand, pointed it at Qin Yuan's chest, and pulled the trigger.

The air in the warehouse seemed to freeze, and everyone was stunned for a moment at the loud noise of the shot. Wang Yanbing and He Chenguang were even more stunned, looking at the scene in front of them in disbelief.

Qin Xue, the gentle and sweet sister who had taken good care of Qin Yuan since childhood, actually shot her own brother? !

"Sister! Are you crazy?!" Qin Feng roared and wanted to rush forward, but was held down by Wang Yanbing.

Qin Xue had no expression on her face and blew the smoke from the gun. Her tone was as cold as the judgment from hell, "Qin Feng, you should be lucky. Because you are my brother, I spared your life. Now, get out of my sight!"

Qin Feng looked at the sister in front of him in disbelief. The once gentle and kind sister was now like an unsheathed sharp blade, exuding a biting chill.

"You...who are you?" Qin Yuan covered his chest, blood gushing out from his fingers, dyeing the camouflage uniform red. He endured the severe pain and asked in a hoarse voice.

"Who am I? You don't deserve to know!" Qin Xue glanced at him coldly, turned around and left.

"Wait!" Qin Yuan forced himself to stand up. Blood kept pouring out of the wound, but he seemed to feel no pain. He stared at Qin Xue's back, "Why do you do this? Give me a reason!"

Please...you...collect_6_9_书_Bar (Six//Nine//Books//Bar)

Qin Xue paused, turned her back to him, and said in a calm voice, "Because you deserve to die."

After saying that, she walked out of the warehouse without looking back, leaving only a cold and determined back.

"Boss!" Wang Yanbing and He Chenguang rushed to Qin Yuan's side, supporting his shaky body on the left and right.

"Leave me alone...quickly...go and chase..." Qin Yuan said weakly, but lowered his head feebly.

"Boss, hold on! We'll take you to the hospital right now!" Wang Yanbing shouted anxiously.

"Don't...don't waste time..." Qin Yuan shook his head with difficulty, blood continuously spilled from the corners of his mouth, "I...I know that I...can't live long..."

"Boss, stop talking and save your strength!" He Chenguang's eyes were red, but there was nothing he could do.

Qin Yuan smiled miserably, his eyes gradually blurred, "Take care of me... take care of Xiaoxue for me..."

After saying that, his hands dropped weakly and he completely lost consciousness.

"Boss! Boss——!!!"

The heart-rending roars of Wang Yanbing and He Chenguang echoed in the empty warehouse, but they could never recall the brothers who once fought side by side and shared life and death...

Hospital, intensive care unit.

Qin Yuan slowly opened his eyes, and the pungent smell of disinfectant made him frown slightly.

"Boss, you wake up!"

Wang Yanbing's surprised voice came to his ears. Qin Yuan turned around and saw Wang Yanbing and He Chenguang guarding the bedside with worried faces, while Fan Tianlei stood aside with a frown.

"I...where am I?" Qin Yuan struggled to sit up, but found that his whole body was weak.

"Boss, please stop moving. The doctor said you lost too much blood and need a good rest." Wang Yanbing quickly pressed his shoulders and said.

"Where is Qin Xue?" Qin Yuan ignored Wang Yanbing's words and glanced around the ward, but did not find Qin Xue's figure, and felt uneasy in his heart.

"Don't worry, your sister is fine, she just..." Wang Yanbing hesitated, not knowing how to explain.

"Just what?" Qin Yuan's heart sank suddenly, and an ominous premonition enveloped his heart.

"Hey..." Fan Tianlei sighed heavily, walked to the bed and said in a deep voice, "Qin Yuan, it's time to tell you something."

"Chief, you...what do you mean?" Qin Yuan had a bad premonition in his heart.

Fan Tianlei looked at him deeply and said slowly: "Do you still remember how you joined the Langya Special Forces Brigade?"

Qin Yuan was slightly stunned, and the scene from ten years ago appeared in his mind.

That year, he was eighteen years old and had just graduated from high school. He was full of enthusiasm and wanted to join the army to serve his country. However, just when he was about to sign up for the army, he received an admission letter from the Langya Special Operations Brigade.

At that time, he was ecstatic, thinking that he was good enough to be specially recruited into this legendary unit. However, when he excitedly came to the Langya Special Operations Brigade to report, he found that things were not as simple as he imagined.

What greeted him was not flowers and applause, but Fan Tianlei's serious face and almost cruel training.

"Your physical fitness, fighting skills, and marksmanship are far from the standards of the Langya Special Operations Brigade." Fan Tianlei looked at him coldly and said, "If it weren't for your sister..."

"My sister?" Qin Yuan asked doubtfully.

"Your sister is the...ace agent of the Langya Special Operations Brigade." Fan Tianlei took a deep breath and said slowly, "She sacrificed herself to carry out a secret mission..."

"What did you say?!" Qin Yuan was struck by lightning, and his eyes widened in disbelief, "This is impossible! My sister..."

"I know this is cruel to you, but it is a fact." Fan Tianlei said sadly, "Your sister, she is a hero..."

"No! I don't believe it!" Qin Yuan shook his head frantically, trying to deny this cruel fact.

"Qin Yuan, calm down!" Fan Tianlei grabbed his shoulders and said in a deep voice, "Your sister, she did it for the country and the people..."

"Enough!" Qin Yuan waved his hand away fiercely and roared, "You know nothing! What right do you have to say this about my sister?!"

"Qin Yuan..." Fan Tianlei wanted to say something, but was interrupted by Qin Yuan.

"Get out! Get out!" Qin Yuan shouted hysterically with red eyes.

Seeing this, Wang Yanbing and He Chenguang rushed forward to comfort him, but were pushed away by Qin Yuan.

"Don't worry about me! Let me be alone!"

After saying that, he suddenly threw off the quilt and stumbled out of the ward...

Qin Yuan stumbled out of the ward, his mind blank. The news of his sister's sacrifice was like a bolt from the blue, which hit him hard. He didn't want to believe it, and he didn't want to believe it! How could the sister who protected him and loved him since childhood, the agile and heroic female warrior, sacrifice herself?

"Qin Yuan!" Wang Yanbing and He Chenguang chased him out, holding him on the left and right.

"Let me go!" Qin Yuan struggled, his eyes red, "Let me be alone!"

"Calm down!" He Chenguang said in a deep voice, "Do you want Sister Qin Xue to sacrifice in vain?"

Qin Xue's name pierced Qin Yuan's heart like a needle. He collapsed to the ground helplessly, holding his head in his hands, tears falling through his fingers.

Chapter 2480 - Did Qin Yuan really betray them?

"Why... why is this happening..." He muttered to himself, his voice full of pain and despair.

Wang Yanbing and He Chenguang looked at each other, their hearts full of sympathy and helplessness. They knew that at this moment, any language was pale.

"Let her go." A low voice sounded, and Fan Tianlei appeared behind them at some point, "Let her be alone."

Wang Yanbing and He Chenguang hesitated for a moment, and finally let go of Qin Yuan.

Qin Yuan walked aimlessly alone, and after walking for an unknown period of time, he came to a forest.

"Ah——"

He looked up to the sky and howled, venting his grief and anger.

"Why? Why did God do this to me? Why did he take away my only relative?"

He punched the tree trunk again and again, and refused to stop until he was bleeding.

"Sister Qin Xue sacrificed for the country and the people. She is a hero..." He Chenguang's voice sounded in his ears, but these words seemed so pale and powerless at this moment.

"Hero? Bullshit hero!" Qin Yuan roared with red eyes, "If I can choose, I would rather she be an ordinary person and live a peaceful life!"

"Qin Yuan..."

"Get out! Get out!" Qin Yuan roared, "Let me be alone!"

Wang Yanbing and He Chenguang wanted to say something, but were stopped by Fan Tianlei.

"Let him be alone." Fan Tianlei sighed deeply and said, "Some things he needs to face and bear by himself."

As night fell, Qin Yuan still sat in the woods, motionless.

"Tick, tick..."

The phone rang, Qin Yuan mechanically took out his phone, glanced at the caller ID, it was Fan Tianlei.

He hesitated for a moment, and finally answered the call.

"Hello?"

"Qin Yuan, where are you?" Fan Tianlei's voice was as serious as ever.

"I'm outside."

"Come back, there's a mission."

"Mission?" Qin Yuan sneered, "I just want to be alone now, I'm not in the mood for a mission."

"This is an order!" Fan Tianlei's voice rose eight degrees, "Report to me immediately!"

"You..."

"Beep beep..."

The phone was hung up.

Qin Yuan held the phone, his eyes gradually became firm.

"Sister, don't worry, I will definitely avenge you!"

He stood up suddenly and turned to walk towards the direction of the military camp.

...

"The target of this mission is..." Fan Tianlei pointed to the photo on the screen and said in a deep voice, "Codenamed 'Vulture', he is an international mercenary who has participated in many terrorist attacks and has blood on his hands."

"Our mission is to bring him to justice!"

"Yes!"

Qin Yuan, He Chenguang, Wang Yanbing and others responded in unison.

"This mission is extraordinary. 'Vulture' is extremely cunning, and there are many experts around him. You must be careful and cautious, and don't take it lightly!" Fan Tianlei urged, "Do you understand?"

"I understand!"

"Okay, let's go!"

...

"Boss, we have been tracking 'Vulture' for three days, but we still can't find his trace." Wang Yanbing said while chewing compressed biscuits, "Is this guy born in the Year of the Rat? How can he hide so well?"

"Don't be careless, 'Vulture' is cunning, we must be alert and can't let him run away!" He Chenguang said in a deep voice.

"Don't worry, I have deployed monitoring equipment in the areas where 'Vulture' may appear. As long as he shows up, he can't escape from my palm!" Qin Yuan said confidently.

However, the development of things far exceeded their expectations.

"Boom--"

With a loud bang, the command vehicle where Qin Yuan was was blown up into the sky!

"Boss!"

"Qin Yuan!"

...

Thick smoke billowed, flames shot up into the sky, and parts of the command vehicle wreckage fell to the ground with crackling sounds, mixed with a few muffled sounds of undetonated bombs. He Chenguang and Wang Yanbing got up from the ground in a panic,

not caring to pat the dust off their bodies, and rushed towards the still burning command vehicle like crazy.

"Boss! Boss, are you in there?!" Wang Yanbing shouted hoarsely, but his voice was drowned by the roar after the explosion.

"Calm down! The temperature at the center of the explosion is too high. Rushing in now is suicide!" He Chenguang grabbed Wang Yanbing who had lost his mind, staring at the twisted steel monster with red eyes.

He knew that with Qin Yuan's strength, if he reacted at the moment of the explosion, the chance of survival would be slim. But he still didn't want to believe that the man who was so powerful that he was perverted, the man who always planned and won, was gone just like that.

"It must be 'Vulture', this bastard, I'm going to tear him into pieces!" Wang Yanbing cursed with gritted teeth, his fists creaking.

"Don't be impulsive, notify Thor and request support!" He Chenguang forced himself to calm down and quickly issued instructions.

However, the communication equipment was severely damaged in the explosion and could only make intermittent noises.

"Damn it!" He Chenguang hit the roof of the car hard. Now they were isolated and helpless, and the enemy was watching them in the dark. The situation was extremely critical.

At this moment, a roar of the engine came from far away, and a black off-road vehicle broke through the smoke like a beast, and stopped in front of them with a beautiful tailspin. The car door opened, and a tall woman wearing sunglasses walked down.

"Long time no see, you two." The woman took off her sunglasses, revealing a pair of charming peach blossom eyes, and the corners of her mouth raised a playful arc.

"You are...'Black Cat'?!" He Chenguang and Wang Yanbing exclaimed at the same time. They never expected to meet this rumored international intelligence dealer who is both good and evil.

"Why, don't you want to buy me a cup of coffee?" Black Cat ignored their surprise and walked straight to the wreckage of the command vehicle. His eyes swept over the pile of twisted steel, with a trace of imperceptible sadness in his tone, "It seems , Our 'prey' is a little too big this time."

"What do you mean by that?" He Chenguang stared at her warily, his intuition telling him that this woman must know something.

"Don't look at me like that, I'm not here to catch up with you." Black Cat took out a chip from his pocket and threw it to He Chenguang, "There's everything you want to know in it, including 'Vulture' 's true identity, and the truth behind this operation."

He Chenguang took the chip and frowned. There was a strange atmosphere in Black Cat's words and actions, which made him feel uneasy.

"A friendly reminder," Black Cat turned towards the off-road vehicle and said meaningfully, "Some things, the more you know, the faster you will die."

After saying that, she stopped staying, started the car and drove away, leaving only He Chenguang and Wang Yanbing with stunned faces, and the unknown chip.

He Chenguang held the chip, a layer of cold sweat broke out in his palms. Black Cat's words were like poisonous thorns, piercing into his heart and confusing his thoughts. Of course he wanted to know the truth, what happened to Qin Yuan, and who planned all this. But he was even more afraid, afraid that the truth would be too heavy for him to bear.

"Chen Guang, what should I do? Can you believe what this girl says?" Wang Yanbing paced back and forth anxiously, his thick eyebrows knitted together. He didn't understand what a chip was or wasn't. He only knew that the life or death of the boss was uncertain, but now they had no clue, running around like two headless flies.

"No matter what, this is our only clue." He Chenguang took a deep breath and tried to calm down, "Go back to the base first, give the chip to Thor, and see what's inside."

When the two returned to the base, Fan Tianlei was sitting in the command room with a livid face. When he saw them returning safely, he stood up suddenly and roared: "You two bastards, do you know how much trouble you have caused?" ?"

He Chenguang and Wang Yanbing lowered their heads and said nothing. They know that they bear unshirkable responsibility for the failure of this operation.

"Tell me, what's going on?! Where's Qin Yuan?!" Fan Tianlei slammed the table, scaring the staff officer next to him to tremble.

"Report to the God of Thunder, Captain Qin..." He Chenguang was about to explain, but was held back by Wang Yanbing.

"Report!" Wang Yanbing yelled, "We don't know where the boss is! When the explosion happened, we were all knocked unconscious. When we woke up, only the two of us were left!"

Fan Tianlei stared at them suspiciously. He knew that Wang Yanbing was lying, but this kid was always impulsive. It would be even harder to pry the truth out of him.

"Okay, don't play tricks on me!" Fan Tianlei waved his hand to signal them to stop talking, "I will personally investigate Qin Yuan's matter. You two, go back and write an inspection. You are not allowed to step in without my order." Take a step out of the dormitory!"

"Yes!" He Chenguang and Wang Yanbing saluted, turned and walked out of the command room.

After returning to the dormitory, He Chenguang immediately took out the chip given by Black Cat and inserted it into the computer. The chip is not encrypted, and after opening, there is only one video file inside.

The video is a bit blurry, as if it was secretly shot with a mobile phone. In the picture, a man wearing a black trench coat turned his back to the camera, standing in front of the floor-to-ceiling window, overlooking the entire city.

"Are you sure you want to do this?" A deep voice came from behind the man, "Doing this will cost you a lot."

"The price?" The man sneered, "I have lost everything, what price is there that I can't afford?!"

"But....."

"No but!" The man turned around suddenly. Although the picture was blurry, He Chenguang recognized him at a glance.

"Captain Qin?!" He Chenguang exclaimed, his fingers holding the mouse trembling slightly.

Qin Yuan in the video had cold eyes and an evil smile on his lips, completely different from the calm and calm captain they knew.

"From today on, I will no longer be Qin Yuan." Qin Yuan's voice was low and hoarse, like a demon from hell, "I will make those who betray me pay the price with blood!"

The scene ended abruptly here, leaving only snowflakes all over the screen and He Chenguang's shocked eyes.

"What...what the hell is going on?!"

He Chenguang suddenly jumped up from his chair and knocked over the water glass on the table. Wang Yanbing was startled and cursed: "What's wrong with you kid? Is your butt on fire?"

He Chenguang ignored him and just stared at the picture on the screen, as if he wanted to see a hole in the screen. The Qin Yuan in the video was cold and evil, completely unlike the boss they knew.

"What on earth is going on?" He Chenguang murmured to himself, the scenes in the video constantly replaying in his mind, "Why did the boss become like this?"

"What happened like this?" Wang Yanbing came over, glanced at the screen, and was stunned. "Isn't this... the boss? How could he..."

"Don't make any noise!" He Chenguang slammed the computer shut, his face terrifyingly gloomy, "Don't tell Thor about this yet."

Wang Yanbing was stunned for a moment, then realized what he was doing and lowered his voice: "You mean, the boss...rebelled?"

He Chenguang didn't answer. He just walked to the window, lit a cigarette, took a deep breath, and slowly blew out the smoke ring. Outside the window, the night was dark, and the lights of the city in the distance were brilliant, but they could not illuminate the fog in his heart.

Will Qin Yuan rebel?

He didn't dare to think about this question, nor did he dare to believe it.

Who is Qin Yuan? That was the soldier king of the Langya Special Forces Brigade, the spiritual support for all of them, and the person He Chenguang admired the most! How could such a person betray the country and his comrades?

However, the scenes in the video are really before our eyes.

Could it be that all of this is true?

Could it be that Qin Yuan really betrayed them?

He Chenguang's heart seemed to be tightly grasped by an invisible hand, and it became difficult to breathe.

"Chen Guang, please say something!" Wang Yanbing was as anxious as an ant on a hot pot, "What should we do now?"

He Chenguang was silent for a moment, took a long puff of cigarette, pressed the cigarette butt on the window sill, and his eyes gradually became firm.

"No matter what, we have to find the boss and ask about all this!"

...

At the same time, in a hidden underground base, Qin Yuan was standing in front of a huge electronic screen, looking at the code that was constantly beating on the screen, with a cold smile on his lips.

"Captain Qin, everything is ready." A man in a white coat came up behind him and said respectfully, "As long as you give the order, we can start the 'Heavenly Punishment' plan."

Qin Yuan turned around, his eyes as sharp as razor blades, "Has the target been locked?"

"It has been locked, and all targets are under our control." The man in the white coat nodded and bowed, his eyes full of fanaticism, "This time, we will make the world surrender at your feet!"

"Very good." Qin Yuan smiled with satisfaction, "Soon, they will pay a heavy price for everything they have done!"

...

He Chenguang and Wang Yanbing left the base overnight. They did not alert anyone, and they did not even take away any weapons and equipment. They have only one goal, which is to find Qin Yuan and find out the truth of the matter.

Relying on their excellent tracking skills and understanding of Qin Yuan, they pursued Qin Yuan all the way and finally found traces of Qin Yuan in a remote town.

"Boss!" Wang Yanbing shouted excitedly and was about to rush forward.

He Chenguang grabbed him and signaled him to calm down. Years of combat experience told him that things were not that simple. (End of chapter)
