## Chapter 2491 - Waiter, serving food

"Dad, you have suffered these years." Qin Yuan watched his father's thin body, distressed.

The old man shook his head, and the turbid eyes flashed with complex light, but did not speak.

Qin Yuan knew that his father had to say a lot, but he was not in a hurry and waited quietly.

For a long time, the old man finally spoke, and his voice was hoarse and low: "Xiao Yuan, do you remember the story I told you?"

"Which story?" Qin Yuan stunned.

"That's ... the story about that secret task."

Qin Yuan's heart jumped sharply, of course, he remembered that story.

It was a bedtime story that his father often told him when he was a child. In the story, his father is a heroic warrior who performs various dangerous tasks and protects his family. But there was a task, but his father never told him, but just said that it was a secret, a secret that could never be said.

"Dad, you mean ..."

"Yes," the old man interrupted Qin Yuan's words, and his eyes became firm. "At that time, I did not complete that task."

"What?" Qin Yuan exclaimed, "How is this? You ..."

"I know what you want to say," the old man laughed with a ridicule. "I used to be the best special forces, the sharp blade of the country, but that time, I failed."

The old man's voice was low, as if he was talking to himself: "I live up to the trust of the country and the expectations of comrades -in -arms. I am a sinner ..."

"No, dad, you are not a sinner!" Qin Yuan held his father's hand and said firmly, "I believe, you must have your hard work!"

The old man looked at Qin Yuan, his eyes were complicated. For a long time, he sighed, slowly showing the secret that was buried in his heart for many years ...

It turned out that the task of the elderly was to sneak into an international criminal organization to obtain their core secrets. The task was smooth, and the old man successfully entered the enemy and received their trust.

Just as he was about to complete the task and returned the intelligence back to the headquarters, he found an amazing secret: this criminal organization had a lot of connection with some senior officials!

The old man was shocked, and he realized that he was involved in a huge conspiracy. He couldn't believe that the country that he had been swearing to be guarded had been so dirty behind him!

He hesitated, he didn't know what to do. If he transmits intelligence back, those senior officials will think of ways to cover the truth, and even kill people!

In the end, he chose to be silent. He escaped the organization with intelligence, and since then he was anonymous and disappeared.

"I don't want to believe it, but I have to believe it," the old man closed his eyes in pain, "This country has rotten the root ..."

Qin Yuan listened to his father's words, and his heart set off a stormy wave. He couldn't imagine what kind of struggle and pain of his father had made such a choice.

"Dad, why don't you tell this matter above? Tell Chief of Staff Fan?" Qin Yuan asked.

The old man smiled bitterly: "Tell them? Who can prove that I said is true? Who can guarantee that they will not kill people?"

Qin Yuan was silent, and he knew that his father was right.

"Then why do you tell me?"

"Because ..." The old man looked at Qin Yuan, his eyes became sharp, "I believe you!"

"I believe, you won't lose hope for this country like them!"

"I believe that you will find the truth and make those wrapping rope!"

"I believe that you will complete the task I have not completed and protect this country!"

The voice of the old man is getting higher and higher, as if a flame, burning in Qin Yuan's heart!

Qin Yuan stood up and respected a standard military ceremony, and his voice was powerful: "Dad, I promise, I will not let you down!"

The old man smiled comfortably. He believed that his son would definitely say it!

However, what they don't know is that the danger has come quietly ...

Late at night, Qin Yuan turned over and over, and it was difficult to fall asleep. His father's words were engraved in his mind like imprint. Those descriptions about the dark side of the country, like an invisible poisonous insect, died his faith.

He grew up in a barracks since he was a child, and his love and loyalty to the country had long been incorporated into bone blood. Today, how can he accept such a cruel truth?

"咚 ..."

The light knocking sounded, Qin Yuan immediately sat up and asked, "Who?"

"It's me, Chenguang." He Chenguang's low voice came from outside the door.

Qin Yuan got up and opened the door. He Chenguang was in a casual dress and walked in with a dignified look.

"Haven't you slept yet?" He Chenguang asked with a red eyes when he saw Qin Yuan's red eyes.

Qin Yuan shook his head, walked to the table and poured two glasses of water. He handed it to He Chenguang, and a cup was poured down by himself. The cold water flow could not extinguish the irritability in his heart.

"Is it because of the task given by Chief of State Fan?" He Chenguang took the water cup and asked tried.

Qin Yuan hesitated, and finally decided to talk to this reliable comrade. He led his father's secrets and pain, and his tone was full of confusion and pain.

After hearing it, He Chenguang was silent for a long time, and only two people's heavy breathing sounds left in the room.

"Chenguang, what should you do?" Qin Yuan's voice trembled with a hint.

He Chenguang put down the water cup, walked to the window, and looked at the dark night sky in the distance, and said, "I believe in Chief of Staff Fan."

Qin Yuan raised his head suddenly, his eyes full of shock: "What do you mean?"

He Chenguang turned around, his eyes firm: "I believe Chief of Staff Fan is not that kind of person, there must be some misunderstanding here."

"But..."

"I know what you are thinking," He Chenguang interrupted Qin Yuan, "but we can't just jump to conclusions based on your father's one-sided words, we need evidence."

"Evidence?" Qin Yuan smiled bitterly, "So many years have passed, where can I find evidence?"

"No, your father said that he took the information away back then," He Chenguang walked to Qin Yuan and patted him on the shoulder, "This is the breakthrough."

"You mean..."

"That's right, find the information your father took away back then, and you can reveal the truth!"

Qin Yuan's eyes lit up with a glimmer of hope, but soon dimmed: "But my father has been missing for many years, where can I find him?"

He Chenguang smiled mysteriously: "Who said to find your father?"

Qin Yuan was even more confused: "What do you mean?"

He Chenguang did not answer, but walked to the table, picked up a pen and paper, wrote a line of words, and then handed it to Qin Yuan.

Qin Yuan took the note and saw that it said:

"If you want to find your father, go to Southeast Asia."

Qin Yuan stared at the words on the note, his mind churning. Southeast Asia? Why would his father go there? What is waiting for him there?

"Chen Guang, this..." Qin Yuan hesitated. The situation in Southeast Asia is complicated and mixed. Why did his father go there and why did he disappear without a trace? All of this seemed like a huge mystery that made him breathless.

He Chen Guang knew Qin Yuan's worries. He walked up and patted Qin Yuan's shoulder hard, "Don't worry, we'll go together."

Qin Yuan looked up suddenly, with a flash of surprise in his eyes, "You want to go too?"

He Chen Guang smiled and said in a relaxed tone: "Why, are you afraid that I will hold you back?"

"Go to hell! With your skills, it's not certain who will hold you back!" Qin Yuan laughed and cursed, and the haze in his heart dissipated a little. With his brothers around, he is not afraid of any dangerous place.

"However, are we going to Southeast Asia just like this? Chief of Staff Fan..." Qin Yuan thought of the task assigned by Fan Tianlei and hesitated.

"Don't worry, I have reported to Chief of Staff Fan, and he agreed that we should go to Southeast Asia first." He Chenguang explained.

"What? Chief of Staff Fan agreed?" Qin Yuan was a little unbelievable. With Fan Tianlei's character, how could he let them leave easily?

"Well, Chief of Staff Fan said that your father's matter may be related to a bigger secret, so we must find out clearly." He Chenguang's expression also became serious.

A bigger secret? Qin Yuan's heart trembled. It seemed that things were far more complicated than he imagined.

The next morning, Qin Yuan and He Chenguang packed their bags and prepared to go to Southeast Asia. Before leaving, Fan Tianlei called them to the office.

"This time in Southeast Asia, you must be careful about everything. Remember, your first task is to find Qin Yuan's father. As for the rest, wait until you come back." Fan Tianlei said solemnly.

A perfect poem, a post, a content, a book, a forum, a 6-9 book!

"Yes!" Qin Yuan and He Chenguang stood at attention and saluted, their tone firm.

"Also," Fan Tianlei paused and said sternly, "I don't want you to interfere in any power struggle in Southeast Asia, understand?"

"Understood!"

"Go, I'll wait for your good news."

After leaving Fan Tianlei's office, Qin Yuan and He Chenguang rushed to the airport without stopping.

"Chenguang, what do you think Chief of Staff Fan knows?" On the plane, Qin Yuan looked at the rolling sea of clouds outside the window and asked in a low voice.

"I don't know, but I believe Chief of Staff Fan will not harm us." He Chenguang shook his head with a firm look.

"I hope so." Qin Yuan sighed, his heart full of uneasiness.

Southeast Asia, they are here, what will be waiting for them?

...

The sultry air was filled with a humid atmosphere, and the smell of various spices mixed together to form a peculiar smell that made people unable to tell whether they liked it or hated it.

As soon as Qin Yuan and He Chenguang got off the plane, they felt a wave of heat coming towards them, making them feel a little breathless.

"This damn weather is really bad!" He Chenguang pulled his collar and complained.

"Okay, stop complaining, find a place to stay quickly, and then start to get information." Qin Yuan said, stopping a taxi.

"Master, go to the best hotel in the city." Qin Yuan said in fluent English.

"Okay!" The driver spoke in awkward Chinese, stepped on the accelerator, and the car rushed out.

Along the way, Qin Yuan and He Chenguang were observing the surrounding environment. There were low houses on both sides of the street, with mottled walls and a stale atmosphere. Most of the people on the street were dressed in simple clothes, and there was a hint of numbness in their eyes.

"This place is really messy." He Chenguang frowned and said in a low voice.

Qin Yuan nodded and said nothing. He knew that this was just the surface. In the land of Southeast Asia, there were more unknown darkness hidden.

Arriving at the hotel, Qin Yuan and He Chenguang checked into the room, washed up briefly, and began to discuss the next plan.

"We are unfamiliar with the place, how can we find out about my father?" Qin Yuan asked.

"Don't worry, I have contacted a local intelligence dealer. Tonight he will come to the hotel to meet us." He Chenguang said, pulling out a note from his pocket.

"You kid, when did you contact?" Qin Yuan was a little surprised that this guy was very efficient.

"Hey, I do something, you can rest assured." He Chenguang smiled proudly.

At eight in the evening, the intelligence dealers arrived as promised.

The person came with a short figure, dark skin, wearing a flower shirt, and a golden chain hanging on his neck, and he was dressed up in a violent hair household.

"Two bosses, I am Baihu, what do I need me to help?" Bai Hu fucking a sip of Chinese, his face was full of charming smiles.

Qin Yuan opened the door and said, "I need you to help me find someone."

"Find someone? No problem, as long as the boss can afford the price, let alone a person, even if it is a fly, I can help you find it!" Bai Hu patted his chest and promised.

"My dad is called Qin ..."

Qin Yuan just wanted to say his father's name. Suddenly, a rushed knocking sounded.

"咚!"

"Who?" He Chenguang asked alertly.

"Waiter, meal." A sweet voice came from outside the door.

"Meal meals? We didn't order meals?" He Chenguang looked at Qin Yuan doubtfully.

Qin Yuan suddenly rose a bad hunch in his heart. He stood up sharply and whispered: "No!"

"Waiter, delivery." The sweet voice outside the door sounded again, with an unquestionable affirmation.

Qin Yuan grabbed the white tiger's collar, pressed him on the wall, and asked sharply, "Say! Who sent you!"

Bai Hu was scared to be pale by this sudden change, and said stutteringly: "Boss, what are you ... what are you talking about? I really just come to send information ..."

"Less nonsense! Don't tell the truth again, Lao Tzu collapsed you!" Qin Yuan roared, pulled out his pistol from his waist, and pushed it on Baihu's head.

Bai Hu was suddenly scared, and a smell was faintly smelling in the crotch. He stunned his lips and said with a cry: "I said! I said! Yes ... it was a poisonous scorpion!"

"Poisonous scorpion?" Qin Yuan frowned, "Why did he hurt me?"

"I ... I don't know! The boss of the poisonous scorpion only allowed me to lead you here, and then ... then someone would come to solve you ..." Bai Hu said incoherently, obviously it was scared.

"Solving us?" He Chenguang sneered, and there was a touch of killing in his eyes. "It seems that someone can't wait to do it to us!"

As soon as the words fell, there was a fierce impact sound from outside the door!

"Bang!"

The wooden door was hit by a huge force, and then, a dozen big men who held the AK47 in the AK47 penetrated in, surrounded Qin Yuan and He Chenguang's group!

### Chapter 2492 - Huge container

"Damn it! How dare you to do this to me!" He Chenguang cursed, pushed Baihu aside, quickly pulled out his pistol, and pulled the trigger at the big man who was rushing in front!

"Bang! Bang! Bang!"

The sound of gunfire echoed in the small room, and the bullets whizzed out, accurately hitting the eyebrows of the three big men!

"Da Da Da!"

The remaining bandits saw this and immediately picked up the AK47 and fired wildly at Qin Yuan and He Chenguang!

For a while, gunshots rang out, flames splashed, and bullets poured out like raindrops, setting off waves of metal storms in the room!

Faced with such dense firepower, Qin Yuan and He Chenguang did not dare to fight hard, and could only use the furniture in the room as cover, constantly changing positions, and dealing with the bandits.

"Chenguang, these guys are not good, we have to find a way to break through!" Qin Yuan said loudly while firing back.

"I know! But these guys are too powerful, we can't get out at all!" He Chenguang said anxiously while hiding behind the sofa.

"Damn it! Fight with them!" Qin Yuan roared, and suddenly stood up from behind the bunker. The pistol in his hand was like a poisonous snake spitting out its tongue, shooting wildly at the bandits!

"Da Da Da!"

"Bang! Bang! Bang!"

Qin Yuan's shooting skills were extremely accurate. Every shot accurately hit the vital point of a bandit. In a blink of an eye, seven or eight bandits fell in a pool of blood!

"Is this kid a monster?!" Seeing this, the remaining bandits suddenly felt a sense of fear in their hearts, and the AK47 in their hands could not help but slow down a bit.

"Now! Charge!" Qin Yuan seized this opportunity, roared, and rushed out first!

He Chenguang followed closely behind, and the pistol in his hand kept spitting out tongues of fire, providing fire cover for Qin Yuan!

The two were like tigers descending from the mountain, unstoppable, and rushed to the door in a blink of an eye!

"Quick! Get in the car!"

A black jeep suddenly stopped at the door of the hotel, and a burly man stuck his head out and shouted at Qin Yuan and He Chenguang.

"Wang Yanbing?!" Qin Yuan and He Chenguang looked closely and found that it was Wang Yanbing!

"Stop talking nonsense! Get in the car!" Wang Yanbing urged again, his eyes full of anxiety.

Qin Yuan and He Chenguang did not dare to neglect and quickly got into the jeep.

Wang Yanbing stepped on the accelerator, and the jeep roared, rushed out like an arrow from a string, and disappeared into the night...

The jeep sped through the night, and the engine made a low roar, like a beast stalking in the dark. Qin Yuan and He Chenguang sat in the back seat, both of them were injured, and their clothes were soaked with blood.

"Damn, these guys are really like mad dogs, chasing us!" He Chenguang cursed, tearing open his clothes and checking his wounds.

"The people of the Poison Scorpion are always ruthless." Qin Yuan said lightly, with a cold light in his eyes, "It seems that we have stirred up a hornet's nest this time."

"What are you afraid of! If the enemy comes, we will fight him, and if the water comes, we will block it with earth. Am I afraid of them?" Wang Yanbing glanced at Qin Yuan in the rearview mirror and said carelessly, "Brother Yuan, don't worry, as long as I am here, no one can hurt you!"

"Stop talking nonsense and drive carefully!" Qin Yuan glared at Wang Yanbing, "Since these guys dare to attack us blatantly, they must have something to rely on. We have to find a safe place first and find out their details before we talk."

Wang Yanbing nodded, stopped talking, and concentrated on driving the jeep, shuttling through the night.

"By the way, how did you suddenly appear there?" He Chenguang asked curiously, "Did Chief of Staff Fan send you here?"

Wang Yanbing smiled and said, "Brother Chenguang knows me. Chief of Staff Fan received the news that you were in trouble, so he asked me to bring people to pick you up."

"How did Chief of Staff Fan know that we were in trouble?" Qin Yuan frowned and asked.

"This..." Wang Yanbing scratched his head and hesitated, "This... I don't know much, maybe someone tipped off Chief of Staff Fan."

Qin Yuan looked at Wang Yanbing deeply and didn't ask any more questions. He knew that Wang Yanbing must have something to hide from him, but he didn't want to pursue it now. The most urgent thing was to find a safe place to treat the wounds on his body.

The jeep stopped outside a remote abandoned factory. Qin Yuan and the other two got off and walked into the factory.

"This used to be a chemical plant, but it was shut down due to pollution." He Chenguang looked around and said, "This place is deserted, so it should be a good place to hide."

"Yeah." Qin Yuan nodded, walked to a corner, sat down against the wall, and began to treat his wounds.

"Brother Yuan, how are your injuries?" Wang Yanbing came over and asked with concern.

"It's okay, just a superficial wound." Qin Yuan said lightly, his tone calm, as if he was not the one injured.

He Chenguang took out the first aid kit from his backpack and helped Qin Yuan treat his wounds, saying, "Brother Yuan, who do you think wants our lives this time? We don't seem to have offended anyone recently, right?"

"Humph, we have offended so many people, who knows which bastard it is?" Wang Yanbing interrupted, "However, anyone who dares to touch our Wolf Fang will be punished by me!"

Qin Yuan did not speak, but a figure appeared in his mind, the scorpion, the white tiger... These people are possible, but his intuition told him that things were not that simple. Behind this, there seemed to be an invisible big hand controlling everything.

"Chenguang, please contact Chief of Staff Fan, report the situation here, and let him check it out to see who is behind the ghosts behind him." Qin Yuan said with a deep voice.

"Okay." He Chenguang nodded, took out the satellite phone, and dialed Fan Tianlei's number.

The phone was connected, and Fan Tianlei's voice came from the phone: "Stink boy, are you okay?"

"Report the chief of staff, we are okay." He Chenguang said loudly.

"It's okay, it's okay." Fan Tianlei relieved and asked, "What is going on? Who attacked you?"

He Chenguang briefly reported the matter.

"Poisonous scorpion?" Fan Tianlei's tone became dignified. "This poisonous scorpion is a very famous local drug dealer with great power and a lot of desperate people under his hand. How can you mess with him?"

"We don't know." He Chenguang said, "We were already performing the task, the result ..."

How He Chenguang will discover the white tiger, how to be betrayed by the white tiger, and how to be chased by the poisonous scorpion.

After hearing, Fan Tianlei was silent for a moment, and said, "I will investigate it clearly. You can stand on the place first, don't act lightly, wait for me to news."

"yes!"

Hanging the phone, He Chenguang looked at Qin Yuan and said, "Brother Yuan, Chief of Staff Fan let us stand in place, wait for his news."

"Um." Qin Yuan nodded, and a little cold flashed in his eyes. "Since they want to play, we will play with them!"

The night is getting deeper. In the abandoned factory, there is only three figures. In the dark, the arrival of dawn is quietly waiting ...

At night, it was deeply like a thick ink that could not be opened. In the abandoned factory, there were only a few broken light bulbs exuding yellow light, shining on the three people of Qin Yuan, pulling out a long shadow.

"Damn, these grandsons are really cruel!" Wang Yanbing scolded his equipment and checked his equipment. The bullets were glowing, leaving only a few lonely lying in the magazine, as if mocking his wolf Essence

He Chenguang calmly debugged the sniper rifle in his hand, and the weak light reflected on the lens. He whispered: "The poisonous scorpion is the blood this time. It seems that someone supports him behind him."

Qin Yuan was sitting on the wall and said nothing. The wounds on his body had been simply handled, but the clothes were still bloody. He closed his eyes and seemed to be kept his eyes closed, but his tight fist and the corners of his slightly trembling mouth exposed his anger and murderous intention at the moment.

"Yuan, what are you thinking about?" Wang Yanbing couldn't help asking when he saw Qin Yuan who didn't speak.

There is no mistake, one, one, one, one, one, one, one, one, one 619, one book, one, one, one, one, one, one, a book!

Qin Yuan opened his eyes, and his deep eyes seemed to be able to penetrate everything. He slowly said: "I was thinking, this thing is definitely not that simple."

He Chenguang nodded and agreed: "Although the poisonous scorpion is not small, he will not dare to directly fight against our wolf teeth. Behind this, there must be other forces to control it."

"No matter what power he is, the person who dares to move our wolf teeth, Lao Tzu must ask them to pay the price!" Wang Yanbing gritted his teeth, his fist hit the iron plate next to him, making a loud noise.

At this moment, the satellite phone in He Chenguang's hands suddenly rang. He turned on the phone, and Fan Tianlei's voice came from the phone: "Chenguang, what is the situation?"

"Report the chief of staff, we are temporarily safe, but there are not many ammunition." He Chenguang reported the situation briefly.

"I have found out that the matter of this matter was working together with the white tiger and the poisonous scorpion. Behind them, there were people support." Fan Tianlei's tone became serious. "I have sent someone to support you. For a while, remember, be sure to ensure your safety! "

"Yes!" He Chenguang replied loudly.

Hanging the phone, He Chenguang described Fan Tianlei's words to Qin Yuan and Wang Yanbing, and the three of them became dignified.

"White Tiger, this bastard!" Wang Yanbing burned in anger. "Lao Tzu has long seen that he is not pleasing to the eye, this time he must be slaughtered!"

"Don't be impulsive first. What we have to do now is to save strength and wait for support." Qin Yuan said calmly, "Chenguang, you continue to observe the surrounding situation, Yan soldiers, you come with me, let's see if you can find some some can find some some of them can find some of them. supply."

Speaking, Qin Yuan and Wang Yanbing got up and searched in the abandoned factories through the weak light. The factory is very large, and there are abandoned machines and debris everywhere. The air is filled with a pungent chemicals, which makes people disgusting.

"Brother Yuan, look!" Wang Yanbing suddenly pointed at a iron door in front of him, "There seems to be a warehouse there!"

Qin Yuan nodded, and the two carefully walked close to the iron door, gently pushed away a gap, and the warehouse was dark, and they could not see anything.

"Go in." Qin Yuan whispered, and took the lead.

The warehouse was quiet, and they could only hear the slight footsteps and breathing sounds of the two. Wang Yanbing turned on the flashlight, and the dim light illuminated the corner of the warehouse, and saw that there were all kinds of boxes.

"What is it?" Wang Yanbing asked curiously, walking forward, trying to open a box to see.

"Don't move!" Qin Yuan suddenly stopped, his eyes stared at the depths of the warehouse, where there seemed to be something moving.

Wang Yanbing was frightened by Qin Yuan's tone. He looked along Qin Yuan's eyes, but could not see anything.

"Brother Yuan, what's wrong?" Wang Yanbing asked in confusion.

"Shh!" Qin Yuan made a gesture to keep quiet, then slowly pulled out a pistol from his waist and walked step by step into the depths of the warehouse.

Wang Yanbing saw this and quickly pulled out his pistol and followed Qin Yuan.

The warehouse was terribly quiet, with only the footsteps of two people echoing in the empty space. Suddenly, Qin Yuan stopped, raised his pistol, and pointed at a huge container in front of him.

"Come out!" Qin Yuan shouted in a low voice, and his voice sounded particularly loud in the empty warehouse.

However, in response to him, there was only deathly silence.

Qin Yuan frowned, he felt his heartbeat begin to accelerate, and a bad premonition came to his mind. He took a deep breath and was about to go forward to check, when suddenly, the door of the container slowly opened and a dark shadow walked out.

With the weak light, Qin Yuan saw the appearance of the person coming, and his pupils shrank immediately, and a chill rushed from the soles of his feet to his forehead.

"It's you?!"

"White Tiger?!" Qin Yuan and Wang Yanbing exclaimed at the same time.

In the dim light of the warehouse, a tall man in black combat uniform slowly walked out. He had a hideous black ghost mask on his face, and his eyes flashed with cold light.

"Hey, aren't these the soldiers of Langya? How did you fall to this point?" White Tiger laughed strangely, his voice hoarse and harsh, like the friction of metal.

"White Tiger, don't be so proud! We won't let you run away this time!" Wang Yanbing roared, clenching the gun in his hand. In the last mission, they were escaped by White Tiger. This time, he will never give White Tiger any chance again!

"Just relying on you trash?" White Tiger snorted disdainfully, raised his hand suddenly, and a shiny black Desert Eagle appeared in his hand, pointing the gun directly at Qin Yuan, "Today is your death day!"

"Bang!" The sound of gunfire echoed in the empty warehouse, and a flash of fire flashed, and a bullet with the breath of death shot at Qin Yuan.

"Brother Yuan, be careful!" Wang Yanbing shouted, trying to pounce on Qin Yuan.

However, Qin Yuan's movements were faster than his. He flashed and disappeared like a ghost. The next second, he appeared behind Baihu, holding a sharp saber in his hand, which he pressed against Baihu's neck. (End of this chapter)

# One-click Recovery Since I was a Special Soldier

## Chapter 2493 - Just you?

"You ..." White Tiger's pupils shrank suddenly, feeling the cold touch of the neck, and the cold sweat was instantly immersed in his back. He didn't expect that Qin Yuan's speed was so fast that he couldn't respond at all!

"Do you think you can escape?" Qin Yuan's cold voice sounded in the white tiger's ears, as if pronounced death, let him fall as an ice cave.

"Qin Yuan, you'd better let me go! Do you know who I am? Kill me, you will face endless hunting!" The white tiger shouted in the color, trying to threaten Qin Yuan with the power behind it. Essence

"I care about who you are! Dare to move my brother, even if the Lao Tzu is here, I will not be mistaken!" Qin Yuan's eyes flashed, the military knife in his hand was slightly strong, leaving the white tiger's neck, leaving A blood stain.

"Stop!" At this moment, the gate of the warehouse was suddenly opened by people, and a group of armed mercenaries rushed in. The leader was the poisonous scorpion!

"Boss!" Seeing the poisonous scorpion, the white tiger seemed to find the backbone and shouted loudly, "Save me soon!"

The poisonous scorpion ignored the white tiger, and he stared at Qin Yuan coldly, with a cruel radian from the corner of his mouth: "Qin Yuan, we met again. Last time, you escaped, this time, you can't fly in your wings!"

"Just by mixed with you?" Qin Yuan snorted disdainful, his eyes were as sharp as eagle, and he stared at the enemies in front of him without fear at all.

"Go! Kill him!" The poisonous scorpion roared, and he took the lead to shoot.

"Da Da Da!" The dense sound of gunfire suddenly rang through the entire warehouse, the tongue spit, and the bullet shot into Qin Yuan like a rain.

Qin Yuan's eyes condensed, and his body was as agile as a cheetah. He shuttled freely in the rain of guns and bombs. Those bullets that shot at him were easily avoided by him.

"Fuck, this guy is a man or a ghost? Why can't you hit it?" A mercenary couldn't help scolding, his forehead was covered with cold sweat.

"Both off my mouth! Continue to shoot!" The poisonous scorpion roared, and there was a hint of fear in his eyes. He also saw that Qin Yuan's strength was far beyond their imagination. It was not so easy to kill him!

However, just then, Qin Yuan moved!

I saw that he flickered, rushed into the crowd like a ghost, and the swords in his hands turned into cold light, harvesting a lively life.

"Oh! Well!" The knife flashed, blood splashed, and those mercenaries were too late to send out, and fell into a pool of blood.

"Ah!" Bai Hu looked at the scene in horror, scaring the liver and gallbladder, and struggled to escape Qin Yuan's control.

"Want to run? It's late!" Qin Yuan sneered, his wrist turned, the military knife passed, and the white tiger screamed sternly, covering his blood to spray his neck, and fell to the ground weakly.

"Boss, run! This guy is a monster!" The remaining mercenaries were scared and scared, and they discarded the weapons and fled.

"Waste!" The poisonous scorpion scolded angrily. He knew that it was planted today, glanced at Qin Yuan fiercely, and turned and ran.

"Want to run? Have you asked me?" Qin Yuan sneered, his body flashed, and he caught up with the poisonous scorpion in an instant.

"Ah!" The poisonous scorpion screamed, and before he got up, Qin Yuan had been sitting on his body, and the saber in his hand arrived on his throat, exuding a rustic chill.

"You ... what do you want to do?" The poisonous scorpion looked at Qin Yuan in horror, and asked trembled.

"Tell me, who instructed you to deal with us?" Qin Yuan's tone was cold, as if he was from Jiuyou Hell, making people shudder.

"I ... I can't say ... I said ... I will die ..." The poisonous scorpion swallowed hard, and his eyes were full of fear.

"Don't say? Then you go to death!" Qin Yuan's eyes flashed, and the military knife in his hand slowly struggled ...

Qin Yuan's eyes were like the ice of thousands of years, exuding a bitter killing. The poisonous scorpion felt the aggressive momentum. The throat rolled up and down, and the cold sweat slipped down the forehead, soaking the collar.

"I ... I said! Yes ... is the gang of the tiger shark!" At the moment of life and death, the poisonous scorpion chose to yield, trembling and said the name of the black hand behind the scenes.

"Tiger Shark Gang?" Qin Yuan's eyes flashed in the eyes. He is no stranger to this name. He is one of the largest underground forces in Southeast Asia. It involves various illegal activities such as drugs, arms, and population. Object.

"Why do they deal with us?" Qin Yuan continued to ask, his tone was cold, without any feelings.

"I ... I'm just a small character, I really don't know ..." The poisonous scorpion said, "I only know, the Tiger Shark helped the top killer" Black Mamba "to Huaxia this time, the goal is ... ""

"What?" Qin Yuan frowned, and he felt a sense of disturbance in his heart.

The poisonous scorpion took a deep breath, as if setting a certain determination, gritted his teeth and said, "The goal is ... kill He Chenguang!"

Hearing this name, Qin Yuan's pupils shrank sharply, and an intangible murderous instantly broke out, and the surrounding air seemed to solidify. He Chenguang, that's his life brother!

"Where are they? Where is Black Mamba?" Qin Yuan's voice came from the depths of hell, with the chilling intention.

The poisonous scorpion trembled and said, "I ... I don't know ... I only know that Black Mamba has sneaked into the Wolf Denta Special Tour ..."

"What?!" Qin Yuan's face changed greatly, and a poisonous scorpion was raised, and he roared: "You say it again!"

"Black Mamba ... has sneaked into the wolf tooth special battle brigade ..." The poisonous scorpion was scared by Qin Yuan's eyes and said silently.

Qin Yuan sharply threw the poisonous scorpion on the ground, his eyes were murderous. Wolf tooth special war brigade, that is the top special forces in Huaxia, and the residents are tightly alert. Even if the flies can't fly in, how does Black Mamba sneak in?

Too late to think about it, Qin Yuan immediately took out his phone and dialed Fan Tianlei's phone.

"Hey, Thor, I'm Qin Yuan!"

"Stink boy, where did your kid run? Is the task complete?" Fan Tianlei was full of anger.

"Before explaining, the top killer" Black Mamba "of the Tiger Shark Gang has sneaked into the wolf teeth, and the goal is He Chenguang!" Qin Yuan said quickly.

"What?!" Fan Tianlei at the other side of the phone was shocked. After a few seconds of silence, the voice said lowly, "I know, I will start a first -level alert!"

After hanging up the phone, Qin Yuan did not dare to delay for a moment, and immediately moved to the Wolf Denta Special Battle Brigade.

Nympho

On the training ground, He Chenguang, Wang Yanbing, and Li Erniu were conducting sniper training.

"Bang!"

With a gunshot, He Chenguang precisely hit the target heart hundreds of meters away.

"Good marksmanship!" Wang Yanbing couldn't help but admire, "Chenguang, your gunfire is getting more and more magical.

"Oh, generally, it is still far away." He Chenguang smiled humbly, but his eyes were full of confidence.

"Chenguang, who do you say that our mission goal will be this time?" Li Erniu asked curiously while wiping the sniper rifle in his hand.

"Who knows, it must be a difficult bone anyway." Wang Yanbing said, "However, as long as there is morning light, we don't have to be afraid!"

At this moment, a rushing alarm sound suddenly rang the entire training ground.

"What's going on?"

"What happened?"

Everyone stopped the movements in their hands and looked at each other, full of doubts.

"All collection!"

At this time, Fan Tianlei's voice spread throughout the entire Wolf Tea through broadcasting.

"Go! It seems that there is a big action!" He Chenguang's eyes flashed, and he ran towards the gathering place.

Nympho

All the players gathered quickly, and they looked serious, staring at Fan Tianlei, waiting for his order.

Fan Tianlei's face was dignified, glanced at the crowd, and said, "Everyone, the situation is urgent, I say a long say! According to reliable information, the top killer" Black Mamba "of the Tiger Shark has sneaked into our wolf tooth special war brigade. The goal is ... .. "

Having said that, Fan Tianlei paused deliberately, and his eyes fell on He Chenguang's body.

"Yes ... is it me?" He Chenguang asked in his heart, pointed at his nose.

"That's right!" Fan Tianlei nodded, and said, "The goal of Black Mamba is you!"

"What?!"

"how so?"

"Is this too crazy?"

After hearing this news, all the players were shocked, and they were discussing.

There is no mistake, one, one, one, one, one, one, one, one, one 619, one book, one, one, one, one, one, one, a book!

"Both off my mouth!" Fan Tianlei roared, and the crowd immediately quietly.

"Black Mamba is the top international killer, who is good at disguise, lurking and assassination. The style is extremely cruel. There are countless people who died in his hands!" Fan Tianlei said coldly. "So, from now on, everyone has entered the first level. Must guarantee the safety of He Chenguang! "

"Yes!" Everyone said in unison, loudly, and the sky rang through the sky.

At this moment, a military jeep drove into the training ground like a gallop, and a familiar figure jumped off the car.

"Report! Captain Langya Special Battle Brigade, Qin Yuan came to report!"

Qin Yuan's sudden appearance caused the atmosphere of the original tense training ground to stagnate. Everyone looked at this familiar and strange figure, as if seeing a ghost.

"Damn! Lao Qin, aren't you retired? Why did you come back suddenly?" Wang Yanbing first reacted and asked with a wide eyes.

Qin Yuan ignored Wang Yanbing and walked straight to Fan Tianlei, respecting a standard military ceremony, and said, "Reporting the Chief of Staff, Qin Yuan, the captain of the former Wolf Special Battle Brigade, request to return to the team!"

Fan Tianlei looked at the once best subordinate in front of her, and a complex look flashed in her eyes. She asked, "Qin Yuan, do you know what you are talking about now? You have retired, this is no longer your battlefield! "

"I know!" Qin Yuan said firmly, "But, I can't watch my comrades in danger!"

"You ..." Fan Tianlei wanted to say something, but was interrupted by Qin Yuan.

"Chief of Staff, I know what you are worried about, but please believe me, I won't let you down!" Qin Yuan said firmly, "Black Mamba gives me, I will definitely take him out!"

"Lao Fan, you can let Lao Qin try it. This guy is the legend of our wolf tooth. With him, our chances of victory are even greater!" He Chenguang on the side couldn't help but say.

Fan Tianlei was silent for a moment, and finally nodded, and said, "Okay! Qin Yuan, I will give you this opportunity! But, you remember that your current identity is not the captain of Langya, but an ordinary one, but an ordinary ones Special combat players, obey the command all actions! "

"Yes!" Qin Yuan responded aloud.

"Okay! Now, I order..." Fan Tianlei was about to give an order, but was interrupted by Qin Yuan.

"No need to bother!" Qin Yuan sneered, glanced at everyone, and said in a deep voice, "Black Mamba, I know you are here, get out!"

Qin Yuan's words were like thunder, exploding over the training ground. Everyone was stunned, looking at each other, their eyes full of confusion and shock.

"Old Qin, what are you talking about? How could Black Mamba be here?" Wang Yanbing asked in a daze.

"Shut up!" Qin Yuan glanced at Wang Yanbing coldly, and said in a deep voice, "I know he is here, I can feel his breath!"

As soon as Qin Yuan's voice fell, the atmosphere over the training ground suddenly became solemn, and an invisible murderous aura spread, pressing everyone to breathe.

"Haha, you are worthy of being the former soldier king of Langya, you can actually detect my existence."

At this moment, a cold voice suddenly sounded from the crowd. Everyone looked in the direction of the voice and saw a thin man in black combat uniform slowly walking out of the crowd. The man wore a black mask on his face, revealing only a pair of cold eyes, which made people shudder.

"Black Mamba!"

Seeing the newcomer, He Chenguang and others suddenly changed their faces, their eyes full of shock and anger.

"You actually dared to come to Langya!" He Chenguang gritted his teeth and said, his eyes spurting out angry flames.

"Hehe, why don't you dare?" Black Mamba sneered and said arrogantly, "I'm here to take your life, do I have to give you a heads up in advance?"

"Just you?" He Chenguang snorted disdainfully, his eyes full of confidence, "I'm afraid you don't have the ability!"

"Really?" Black Mamba raised a cruel sneer at the corner of his mouth, his figure flashed, and he disappeared instantly.

"Be careful!" Qin Yuan saw this, his face suddenly changed, and he yelled.

"Swoosh!"

A black shadow flashed by, and Black Mamba appeared behind He Chenguang like a ghost. The saber in his hand turned into a cold light and stabbed He Chenguang's throat like lightning.

"Chenguang!"

"Be careful!"

...

Seeing this scene, everyone exclaimed, their eyes full of worry and fear.

"Bang!"

At the critical moment, Qin Yuan's figure appeared behind He Chenguang like a ghost, and the saber in his hand accurately blocked Black Mamba's attack.

"Bang!"

The two sabers collided with each other, making a sharp metal collision sound, and sparks flew.

"Who are you?" Black Mamba asked in a deep voice, with a flash of surprise in his eyes.

"The one who wants you dead!" Qin Yuan said coldly, with murderous eyes.

## One-click Recovery Since I was a Special Soldier

### Chapter 2494 - New drug

"Yes!" Everyone said in unison.

Nympho

The Golden Triangle region is located at the junction of Southeast Asia, Thailand, Myanmar and Laos. Due to the special geographical location and complex environment, it has become one of the world's largest drug production bases. Various criminal activities are rampant. Land.

After Qin Yuan and others dressed up, they took a cargo ship and sneaked into the Golden Triangle.

"Boss, who is our task goal this time? Why go to this ghost place?" When the boat was shipped, Wang Yanbing couldn't help complaining.

"Don't ask if you shouldn't ask." Qin Yuan glanced at him coldly. "This task is a top secret, and no one can leak it, otherwise military law disposes it!"

"Yes!" Wang Yanbing suddenly cicada, dare not ask more.

"Let's go, find a place to settle first." After Qin Yuan said, he took everyone towards a remote town.

Nympho

In the town, a humble inn.

Qin Yuan and others sat around a table and discussed the next action plan.

"According to intelligence, the target character is Kun Sha, which is one of the largest drug lords in the Golden Triangle. The power is huge and has thousands of militants under his men. It's not an easy thing." Qin Yuan said with a deep voice.

"What should I do? Is it just like this to catch a needle in the sea?" Wang Yanbing scratched his head and said distressedly.

"Of course not." Qin Yuan shook his head. "I have arranged someone to find out the news. I believe that there will be news from Kunsha soon."

At this moment, the door of the inn was suddenly pushed away. A woman with a tall figure and a black leather coat walked in.

The woman was wearing a pair of sunglasses and covered most of her face, but it can be seen from her chin and red lips that this is definitely a rare beauty.

Women walked straight in front of Qin Yuan and others, took off sunglasses, revealing a charming face, red lips lightly, and said in a magnetic voice: "Several are noble guests from Wolf's special war brigade? Belonging the name for a long time. "

Qin Yuan and others suddenly stunned. They did not expect that in this remote town, they would actually meet such a beautiful woman. Moreover, this woman seemed to know them?

The woman looked at their surprised expression, and the corner of her mouth raised slightly, showing a touch of funny smile: "Why? Don't know me? But I deliberately send you information."

"Send intelligence?" Qin Yuan frowned, and a doubt flashed in his eyes, "Who are you? Why do you help us?"

The woman did not answer his question, but walked to him, leaned down, put the sexy red lips into his ear, and vomited like Lan said, "If you want to know who I am, just come with me. I promise You will get the answer you want ... "

If a woman's words make Qin Yuan and others shocked, this woman knows that they are the wolf tooth special warriors?

"Who are you?" Qin Yuan narrowed his eyes, his eyes were full of vigilance. He doesn't like this feeling of being controlled, especially in this place where life is unfamiliar.

The woman giggled, as if he heard a joke, she stretched out her hand with red nail polish, gently stroking Qin Yuan's cheeks, and ambiguous tone: "Don't worry, handsome guy, you will soon know. I can tell you first, my name is Vera, you can call me ... Black Widow. "

"Black Widow?" Wang Yanbing couldn't help but exclaimed, causing Weirra to glance at him dissatisfied.

"Do you know her?" Qin Yuan asked in a low voice, with a little doubt in his tone.

Wang Yanbing shrank her neck and whispered: "Boss, I heard this woman when I performed the task before. It is said that she was a well -known intelligence dealer in the Golden Triangle area, and she was spicy and ruthless. Many people have eaten her. Many people have eaten her Loss.

"Oh?" Qin Yuan raised his eyebrows and looked at the woman in front of him with interest.

Wira didn't care about Wang Yanbing's words, but just looked at Qin Yuan with a smile, as if he was saying, how about it, are you afraid?

Qin Yuan smiled coldly, grabbed Vera's wrist, pinched hard, and his voice was cold: "No matter who you are, no matter what the purpose you have, it is best not to play any tricks, otherwise ..."

Wira was in pain, but she didn't panic, but she looked at Qin Yuan as she was shallowly, and her voice was charming: "Otherwise? Will you kill me? Then you will never get the news of Kun Sha. "

Qin Yuansong opened his hand. He knew that Villa was telling the truth, and now they really need information. But he would not fully believe this woman. This woman is like a poisonous snake, beautiful and dangerous.

"What do you want?" Qin Yuan asked directly.

Vera smiled with satisfaction, stood upright, sorted out her clothes, and said, "It's simple, I want to cooperate with you."

"cooperate?"

"Yes," Vera walked to the window, watching the bustling street view outside the window, and his tone was quiet. "Kunsha is my enemy, I need you to help me kill him."

"Why do you kill him?" He Chenguang asked.

Vera turned around, and a hint of hatred flashed in her eyes, saying coldly: "In this world, there are more people who want to kill Kunsha, and I, just one of them."

Qin Yuan didn't speak, he just looked at Vera quietly, trying to see something from her eyes. But this woman's eyes are like a lake in the bottom, which makes people think of what she is thinking.

"I can provide all the information of Kunsha, including his whereabouts and armed forces." Vera threw out a seductive condition. "As an exchange, I want you to kill his head after killing Kunsha and put his head. Give me. "

The room was silent, and Qin Yuan and others were weighing the advantages and disadvantages.

"Boss, can this girl's words be believed?" Wang Yan soldiers whispered in Qin Yuan's ear, and said with skepticism.

Qin Yuan ignored Wang Yanbing, but stared at Vera deadly and asked: "Why do you think we will promise you?"

"Just by my knowing your task," Vera's mouth raised a cunning smile. "Your task is not only to eliminate the drug trafficking group of Kunsha, but also to rescue the scientists who were abducted by them, right?"

Qin Yuan's pupils shrank, and this woman even knew this?

"Don't be surprised, I said, I'm the best intelligence dealer in the Golden Triangle." Vera walked to the table, poured a glass of red wine for herself, shaking gently, "How about it? How about it? This is a one of them. The opportunity to be rare in a thousand years, missed it, but it's gone. "

Qin Yuan looked at the woman with a variety of styles in front of him, and he knew that he had no choice.

"Okay, I promise you."

Nympho

At night, the night of the Golden Triangle was stuffy and humid.

Qin Yuan and others came to Kun Sha's private villas according to the information provided by Vera. The villa was strict, and the surroundings were covered. The probe lights kept looking at the surrounding environment, making people have nowhere to hide.

"Boss, this lady didn't lie to us? This Kunsha's villa is more difficult to enter than the prison!" Wang Yanbing hid behind a big tree and complained in a whisper.

"Shut your mouth, pay attention to concealment!" He Chenguang whispered and scolded, and his eyes were sharply observed.

"Don't worry, the good show has just begun." Vera's lazy voice came from the headset, as if watching an unrelated performance.

At this moment, there was a sudden commotion in the villa, and then he saw a group of people running out of the villa in a panic.

"What's going on?"

"It seems to be Kun Sha's deadly opponent, the poisonous snake people have attacked!"

"Hurry up, go to the general!"

Nympho

Qin Yuan and others looked at each other and saw the surprise in each other. It seems that this Vera really has two sons, and it can really adjust the tiger and leave the mountain to create opportunities for them.

"Don't be stunned, go in while messing up!" Qin Yuan drank a low, and he first touched the villa.

In the villa, the sound of gunfire and shouting was deafening and chaotic.

Qin Yuan and others shuttled in the rain of guns like ghosts, and the guns in their hands accurately harvested the enemy's life. They are all special forces who have experienced a hundred battles, and they have long been accustomed to this scene.

"Boss, here!" Wang Yanbing shouted at Qin Yuan, and he found a secret path to the basement.

Qin Yuan and others followed Wang Yanbing into the dense road. The light in the dense road was dim, and there was a smell of moldy in the air. They all the way along the secret road and finally came to a heavy iron door.

There is no mistake, one, one, one, one, one, one, one, one 619, one book, one, one, one, one, one, one, a book!

"It should be here." Qin Yuan looked at the iron door in front of him, and a trace of light flashed in his eyes.

"Let me come!" Wang Yan soldiers said, stepped back a few steps, and kicked on the iron gate with a few steps.

With a loud noise, the iron door was opened, revealing a spacious basement.

The basement is brightly lit, full of various instruments and equipment, and several people in white coats are being guarded by a group.

"It seems that we are late ..." Qin Yuan looked at the scene in front of him, and frowned slightly.

The air in the basement was instantly solidified. Qin Yuan and others looked at each other with the white coats, and the atmosphere was embarrassing.

"That ... well, have you eaten?" Wang Yanbing scratched her head, trying to break this weird silence.

A middle -aged man who was wearing thick glasses and messy hair pushed the glasses like a henhouse, and asked with a aggressive look, "Who are you ... who are you? This is ..."

"Shut your mouth! Honestly!" A caretaker smashed on the belly of a middle -aged man with a butt, and said fiercely, "Talk again, Lao Tzu collapsed you!"

Middle -aged men bent down painfully and did not dare to speak anymore.

Qin Yuan waved his hand, motioned to the quiet guard, and then walked in front of the middle -aged man, showing a kind smile, and asked, "This gentleman, don't be nervous, we are here to save you."

"Save ... save us?" The middle -aged man froze, and then a ecstasy expression on his face, "Are you ... are you a policeman?"

"Police?" Wang Yanbing laughed, "Just this group of crooked melon jujube also made our boss shot? Tell you, our boss is ..."

"Shut your mouth!" Qin Yuan glanced at Wang Yanbing fiercely. This guy really does not open which pot.

He turned to look at the middle -aged man and explained patiently: "We are not police, but we and the police are a group, they come to rescue you."

"Oh ... oh ..." Middle -aged men nodded, and their eyes were full of hope.

Qin Yuan looked around and found that the basement was larger than he thought. It was filled with various instruments and equipment, and there were some chemical reagents that looked like a secret laboratory.

"You guys ... who are you?" A guardian was boldly asked, "Why do you catch these scientists?"

Qin Yuan sneered, "This question should ask you, right? What do you want to do?" What do you want to do? "

"I ... we ..." Guardian branch, I dare not tell the truth.

"Don't tell the truth?" Qin Yuan flashed a hint of cold in his eyes. He walked in front of a guard, shot lightning, removed his weapon, and then turned him to the ground.

"Say! Who are you? Why do you catch these scientists?" Qin Yuan stepped on the guard's chest and asked coldly.

"I ... I said ... I said ..." The guard was scared by Qin Yuan's momentum, and said everything about everything.

It turned out that these people were mercenaries under Kunsha. They were ordered to catch these scientists to develop a new type of drug.

"New drugs?" Qin Yuan frowned. This Kunsha was really mad. In order to make money, he could do this kind of harm.

"Yes ... yes ..." Said the guardian and trembling, "This new type of drug ... is called ..."

"What is it?"

"It's called ..." The guard suddenly stared at his eyes, and his face showed a horrified expression, "You ... you ... you ..."

"Oh!"

A sharp dagger penetrated from the guard of the guardian, and the blood spit out, stained Qin Yuan's clothes.

"You ... you ..." He raised his hand hard and pointed at Qin Yuan, and his eyes were full of incredible eyes.

"Noise." Qin Yuan pulled out his dagger expressionlessly, and his body fell to the ground weakly. The blood quickly stained the ground.

"Boss, you ..." Wang Yanbing and others looked at Qin Yuan stunned. For the first time, they saw Qin Yuan killing, and they were so crisp.

Qin Yuan ignored the shock of Wang Yanbing and others. He turned around and looked at those scientists, showing a strange smile on his face.

"Everyone, it seems that we will spend the night tonight."

Qin Yuan looked coldly at the guards falling in the pool of blood, and there was no fluctuation in his eyes, as if he had just done a trivial matter. The blood splashed on his face, making him look more cold, like Shura who came out of hell.

"Boss, you ..." Wang Yanbing swallowed. He had seen Qin Yuan's spicy shot, but this was the first time to see it.

"Why, I'm afraid?" Qin Yuan glanced at Wang Yanbing, and the corner of his mouth evoked a touch of cold arc.

"Afraid? Lao Tzu would be afraid?" Wang Yanbing stomped his neck and said hard, "I just think ... a bit suddenly."

"Sudden your mother!" Qin Yuan slapped on the back of Wang Yanbing, "When are you?"

"Yes, yes, the boss learned." Wang Yanbing shrank her neck and did not dare to say anything again.

## One-click Recovery Since I was a Special Soldier

### Chapter 2495 - Small traces of blood

Qin Yuan ignored Wang Yanbing. He turned around and looked at the terrified scientists. The smile on his lips became playful.

"Everyone, can we chat now?" Qin Yuan said slowly, "Tell me, what are you researching?"

The scientists looked at each other, and no one dared to speak. They are all top talents in various fields. They are respected wherever they go. How could they have seen such a bloody scene?

"Why, you don't want to say it?" Qin Yuan's smile gradually disappeared, "Well, I'll ask it in a different way. Whoever speaks first, I'll let him go."

As soon as these words came out, the scientists suddenly became agitated. In front of life, professional ethics and abortion have become irrelevant.

"I say! I say!" An old man with thick glasses and gray hair stood up tremblingly, "We are researching a new type of drug called..."

"It's called 'Kiss of Heaven'." A cold voice suddenly interrupted.

Everyone looked in the direction of the voice and saw a tall man in a black suit slowly walking out of the shadows. He wore a pair of gold-rimmed glasses, his eyes were sinister, and there was a cruel smile on the corner of his mouth, which made people shudder.

"Who are you?" Qin Yuan narrowed his eyes, and a dangerous aura emanated from him.

"My name is A Kun, and I am the representative of Mr. Khun Sa." The man pushed his glasses and said arrogantly, "You trespassed into Mr. Khun Sa's territory and killed his men. You are very brave."

"Khun Sa?" Qin Yuan sneered, "I'm looking for him."

"Looking for our boss? Just you?" A Kun smiled disdainfully, "Do you know who Mr. Khun Sa is? He is the local emperor of the Golden Triangle, holding a large army and rich enough to rival a country. You little minions dare to be presumptuous in front of him?"

"I don't care what kind of bullshit emperor you are. Today I will let you know what it means to be easy to see the King of Hell and difficult to deal with the little devil!" Wang Yanbing roared and was about to rush up, but was stopped by Qin Yuan.

"Boss?" Wang Yanbing looked at Qin Yuan puzzled.

Qin Yuan didn't say anything, he just stared at A Kun, his eyes flashing with danger.

"Why, you want to do it?" A Kun smiled contemptuously, "I advise you not to act rashly, otherwise..."

Before A Kun finished speaking, Qin Yuan moved. He flashed and came to A Kun in an instant, grabbed his neck and lifted him up.

"Well..." A Kun's face flushed, and he struggled desperately, but to no avail. He never thought that this seemingly ordinary man in front of him actually had such a terrifying power.

"You..." A Kun spit out a word with difficulty, his eyes full of horror.

"What about me?" Qin Yuan exerted a little force on his hand, and A Kun suddenly felt difficulty breathing and his eyes went black.

"I... I said..." In order to survive, A Kun had to bow his head, "Heaven's Kiss... is a... new drug... stronger than... any other drug before..."

"Oh?" Qin Yuan asked with interest, "How strong is it?"

"It... it can... make people... feel... extremely... pleasure... but... it can also... make people... lose... reason... and turn... into... a... monster... who only knows... killing..." A Kun said intermittently, his tone full of fear.

"Interesting." Qin Yuan raised a cold arc at the corner of his mouth, "It seems that this Kunsha is really a disaster, and it will be a trouble sooner or later if he is kept."

"You... what do you want to do..." A Kun's voice trembled, and he saw a hint of murderous intent in Qin Yuan's eyes.

"Nothing, just want to send you... to see your boss." Qin Yuan said, and suddenly exerted force on his hand.

"Crack!"

With a crisp sound, A Kun's neck was twisted and his body drooped softly, with deep fear and disbelief in his eyes.

Qin Yuan casually threw A Kun's body aside, just like discarding a worthless piece of trash. He looked around with cold eyes, like a lone wolf patrolling his territory. Those researchers who were originally trembling in fear dared not even breathe, fearing that they would become the next A Kun.

"Boss, what should we do now?" Wang Yanbing asked in a rough voice, with a trace of fighting excitement in his eyes.

"Blow up this place." Qin Yuan's tone was flat, as if he was talking about a trivial matter.

"What? Exploded?" Li Erniu's eyes widened. "This is a high-tech laboratory. It's such a pity if it exploded."

Qin Yuan glanced at him. "What a pity? Smell the air, look at the things in the test tubes, and think about the effect of 'Kiss of Heaven'. Do you think this place should be blown up?"

Li Erniu was stunned for a moment, then suddenly realized, scratched his head and smiled, "Boss is right, this place is a disaster."

"Okay, stop talking nonsense, get to work." Wang Yanbing rubbed his hands, eager to do a big job.

Ten minutes later, a deafening explosion resounded through the sky, and the originally hidden underground laboratory turned into a sea of fire, with thick smoke billowing straight into the sky.

"Cool!" Wang Yanbing looked at the flames rising into the sky and waved his fists excitedly, "These bastards, it's time to see the King of Hell!"

Qin Yuan didn't say anything, but turned and left silently, his back looking particularly cold in the light of the fire.

...

Back at the Langya Special Operations Brigade, Fan Tianlei slapped Qin Yuan on the shoulder with such force that he almost knocked Qin Yuan down.

"Good boy, well done!" Fan Tianlei praised loudly, "You completed this mission very well, I was right about you!"

Qin Yuan rubbed his shoulders expressionlessly, secretly complaining in his heart: This old guy always hits so hard, people who don't know would think that I have a grudge against him.

"Okay, go down and rest first. After this mission is over, I will give you three days off." Fan Tianlei waved his hand and drove Qin Yuan out like a fly.

Qin Yuan walked out of the office and ran into He Chenguang and Wang Yanbing.

"Boss, I heard that you showed your prowess again in this mission?" Wang Yanbing looked at Qin Yuan with admiration, "Tell us quickly, how did you kill that representative of Khun Sa?"

"Nothing to say." Qin Yuan replied lightly, and wanted to bypass the two and leave.

"No, boss, just tell us." Wang Yanbing hooked Qin Yuan's neck and said with a grin, "We promise not to tell anyone."

"That's right, boss, just satisfy our curiosity." He Chenguang also echoed.

Qin Yuan shook his head helplessly. These two guys are more curious than cats.

"Okay, since you want to know, I'll tell you briefly." Qin Yuan cleared his throat and began to tell the story of this mission.

Of course, he would not tell the two of them the secret of his "one-key recycling" system. He just picked out some things that could be said and briefly described the story of this mission.

"Fuck! Boss, you are so awesome!" Wang Yanbing was so excited after listening to Qin Yuan's story, his face flushed, "You fought dozens of mercenaries alone and remained unscathed. You are simply a human weapon!"

"Okay, stop flattering me." Qin Yuan rolled his eyes at him unhappily, "I just did what I should do."

"Boss, you are talking lightly. If it were me, I would have been beaten to a pulp by those mercenaries." Wang Yanbing said with admiration.

"Okay, stop talking nonsense. I have something to do. I'm leaving first." Qin Yuan couldn't stand Wang Yanbing's noise, so he turned and left, leaving Wang Yanbing and He Chenguang staring at each other.

...

Three days later, Qin Yuan's vacation ended and he returned to the Langya Special Operations Brigade.

As soon as he walked into the dormitory, he saw Fan Tianlei sitting on his bed, holding a document in his hand, his face terribly gloomy.

"Boss, why are you here?" Qin Yuan's heart skipped a beat, and he had a bad premonition.

"Take a look for yourself." Fan Tianlei threw the file in front of Qin Yuan and said in a cold tone.

Qin Yuan picked up the file, opened it and looked ugly.

There was a photo on the file. The photo showed the back of a woman with long black hair, tall figure and exquisite curves. It was...

Qin Yuan's heart trembled. The woman in the photo was none other than his nominal sister, Qin Yu.

"What's going on? What happened to Xiaoyu?" Qin Yuan tried to suppress his inner uneasiness and asked in a deep voice.

"She disappeared." Fan Tianlei said solemnly, "Just three days ago, the day you were on vacation."

"Missing?" Qin Yuan frowned, "How could she disappear? Isn't she studying abroad?"

No mistakes, one post, one content, one content, one book, one bar, one 6, one 9, one book, one bar, one look!

"The specific situation is still under investigation, but according to the intelligence we have so far, this incident is likely related to foreign forces." Fan Tianlei's face was terribly gloomy, "and we have reason to believe that the kidnappers are targeting you."

"Come for me?" Qin Yuan was shocked, and a surge of anger surged up, "What do they want to do?"

"It's not clear yet." Fan Tianlei shook his head, "But don't worry, we will do our best to rescue your sister."

"I want to participate in this operation." Qin Yuan said firmly, with a cold light flashing in his eyes.

"No!" Fan Tianlei refused without thinking, "You are the target of the mission now, how can you participate in the operation? What if something happens to you, how can I explain to your father?"

"But..."

"No buts!" Fan Tianlei said firmly, "This is an order!"

Qin Yuan wanted to say something else, but was interrupted by Fan Tianlei: "Okay, don't worry about this matter, stay in the base and don't go anywhere! I will send someone to protect you 24 hours a day."

After saying that, Fan Tianlei got up and left the dormitory, leaving Qin Yuan sitting on the bed alone, his face terribly gloomy.

"Damn it!" Qin Yuan slammed the bed board hard, his eyes full of anger and worry.

He knew that this matter was definitely not that simple. Since the kidnappers dared to kidnap Qin Yu, they must have made full preparations. And he, the "human weapon", might be their ultimate goal.

"You want to use me to threaten me? Dream on!" Qin Yuan's eyes flashed with a fierceness, "I will never let you succeed!"

...

As night fell, the training ground of the Langya Special Operations Brigade was brightly lit.

He Chenguang and Wang Yanbing were conducting night shooting training. Both of them were sharpshooters, and hitting the target with a hundred steps was a piece of cake for them.

"Bang! Bang! Bang!"

The sound of gunfire echoed in the silent night sky, and every bullet hit the target accurately.

"I say, Lao Wang, can you do it? Why are you always a step behind me?" He Chenguang said teasingly while changing the magazine.

"Don't be complacent, kid. I'm saving bullets, unlike you, wasting national resources." Wang Yanbing refused to admit defeat, but his hands sped up.

"Cut, just blow it! Just your allowance, how many bullets to buy?" He Chenguang revealed his lie relentlessly.

"You ..." Wang Yanbing just wanted to refute. Suddenly, the lights on the training field suddenly went out, and it was dark around.

"What's going on?" He Chenguang and Wang Yanbing were shocked at the same time, stopping the shooting immediately, and picked up a gun to observe the surroundings vigilantly.

"Pap!"

With a loud sound, a dark shadow came out of the dark, and the lightning rushed to He Chenguang.

"Be careful!" Wang Yanbing shouted and raised his gun at the same time.

"Bang! Bang!"

Two gunfires, the light flashed in the darkness. However, the dark shadow was like a ghost, and it easily avoided the bullets, and a dagger arrived on He Chenguang's neck.

"Don't move!" A cold voice sounded in He Chenguang's ear, "Otherwise, I will send you to see the Yan King!"

"Who are you?" He Chenguang asked himself, and asked Shen Sheng.

Hei Ying sneered, did not answer his question, but turned to look at Wang Yanbing: "Put down the gun, otherwise, I will kill him!"

Wang Yanbing's face was gloomy. He knew that in this case, shooting will only irritate each other, which is not good for He Chenguang.

"What do you want?" Wang Yanbing slowly lowered his gun and asked Shen Sheng.

"What I want is very simple, take me to see Qin Yuan." The black language was cold, unquestionable.

The atmosphere on the training field was instantly solidified. He Chenguang was against his throat by a dagger, but he still did not change his face, but frowned slightly, with a trace of disdain in the corner of his mouth. Wang Yanbing held his fist tightly, and the angry flame burning in his eyes had to force herself to calm down.

"I'll say it again, take me to see Qin Yuan." Hei Ying's voice was even colder, and the dagger in his hand was slightly forceful, and a small bloodstain was drawn on He Chenguang's neck.

"You dream!" He Chenguang spit out a sip of blood, and his eyes flickered. "Who do you think you are? Dare to come to the wolf teeth, I think you are getting tired!"

"Find to death!" Hei Ying was obviously irritated by He Chenguang's words, and the dagger in his hand was about to stab.

"stop!"

At this moment, a loud voice came from a distance, and Fan Tianlei took a team of all armed soldiers to rush to the training ground.

"What's going on?" Fan Tianlei saw He Chenguang, who was held held at a glance, and his face suddenly gloomy, and asked sharply.

"Reporting the chief of staff, someone broke into the training ground and held up the morning light!" Wang Yanbing immediately stepped forward and reported loudly.

"Let him go!" Fan Tianlei's eyes fell on the shadow, and his eyes were as sharp as eagle, as if to see him through.

Black shadow sneered, not afraid, but put the dagger deeper into He Chenguang's neck: "I want to see Qin Yuan, otherwise I will kill him!"

## Chapter 2496 - What do you want to do?

"You dare!" Fan Tianlei roared, he knew that the black shadow was definitely not joking.

"Why should I not dare?" A trace of madness flashed in the black shadow's eyes, "Anyway, I have nothing left, the worst that can happen is that I will die with him!"

"What do you want?" Fan Tianlei suppressed his anger and asked in a deep voice. He knew that the most important thing now was to stabilize the other party's emotions and not let him do anything extreme.

"I want Qin Yuan! I want him to pay for my sister's life!" The black shadow's emotions suddenly became excited, and his voice was full of hatred and despair.

"Who is your sister?" Fan Tianlei frowned slightly. He had never seen this person before, let alone who his sister was.

"My sister's name is Lin Xue!" The black shadow gnashed his teeth and said, "She was killed by Qin Yuan!"

"Nonsense!" Before Fan Tianlei could speak, He Chenguang, who had been silent all the time, suddenly opened his mouth to refute, "Qin Yuan didn't know any Lin Xue at all, let alone kill her!"

"Shut up!" The black shadow roared, and the dagger in his hand exerted force again. The wound on He Chenguang's neck became deeper, and blood slowly flowed down the blade.

"Calm down!" Fan Tianlei hurriedly stopped him, "We can talk slowly if there is anything, don't be impulsive!"

"Talk? What else is there to talk about?" The black shadow looked crazy, "My sister is dead, killed by the devil Qin Yuan! I want him to pay with his life! Blood debt with blood!"

"Who are you?" Fan Tianlei felt that things were getting more and more complicated. The appearance of this black shadow seemed to hide a huge conspiracy.

"It doesn't matter who I am. What's important is that I want Qin Yuan to die!" The black shadow's emotions became excited again, and the dagger in his hand trembled, as if he would stab at any time.

"Calm down, I can let you see Qin Yuan, but you have to release Chen Guang first!" Fan Tianlei knew that he could only stabilize the other party first and then find a way to solve the problem.

"Okay! I promise you!" The black shadow seemed to realize that he was a little out of control. He took a deep breath and forced himself to calm down. "But you must promise to let me see Qin Yuan, otherwise, I will die with this guy!"

"I promise!" Fan Tianlei agreed without hesitation. He knew that now was not the time to be a hero. Saving He Chen Guang's life was the most important thing.

"Okay! I'll wait!" After the black shadow finished speaking, he took He Chen Guang hostage and slowly retreated, staring at Fan Tianlei and others vigilantly, fearing that they would suddenly attack.

Fan Tianlei signaled the soldiers not to act rashly, then turned to look at Wang Yanbing beside him, and asked in a low voice: "You go and bring Qin Yuan here immediately. Remember, be careful and don't let him act rashly!"

"Yes!" Wang Yanbing saluted and turned to run towards the dormitory.

In the darkness of night, only Fan Tianlei and the black shadow were left on the training ground. The atmosphere was extremely tense, as if a taut string could break at any time...

The veins on Fan Tianlei's forehead bulged. This black shadow actually dared to threaten him! But he had to admit that the current situation was not favorable for them.

"Qin Yuan? Who is it? It's the middle of the night, disturbing people's sleep!"

Just then, a lazy voice came from a distance, and from far to near, a tall figure appeared in everyone's sight. It was Qin Yuan. He was obviously just woken up from his sleep, with a messy short hair, but it did not affect his imposing aura at all.

"Qin Yuan, you are finally here!" Seeing Qin Yuan appear, He Chenguang seemed to have grabbed a life-saving straw and shouted hurriedly.

"Hey, isn't this our soldier king? How come he looks like this?" Qin Yuan walked closer and saw He Chenguang's situation clearly. He couldn't help but raise his eyebrows, with a bit of ridicule in his tone.

"Stop talking nonsense and save me!" He Chenguang cursed angrily. He had been held hostage by the shadow for so long, and he was already full of anger.

"Save you? Why?" Qin Yuan had no intention of taking action. Instead, he found a clean place, sat down, and folded his hands in front of his chest, looking like he was watching a good show.

"You..." He Chenguang was immediately furious. He never thought that Qin Yuan would joke with him under such circumstances.

"Are you Qin Yuan?" The black shadow looked Qin Yuan up and down, with a dangerous light flashing in his eyes, "You are the one who killed my sister Lin Xue?"

Qin Yuan raised his eyebrows, as if he was a little unfamiliar with the name: "Lin Xue? This name sounds familiar, who are you? Do I know you? I have killed so many people, how can I remember who it is?"

Hearing this, the black shadow was immediately furious: "You...you murderer! I want you to pay with your life!"

"Hey, hey, hey, you can eat whatever you want, but you can't say whatever you want. Which eye of yours saw me kill someone? Show me the evidence!" Qin Yuan took out his ear calmly, picked it, and said innocently.

"You!" The black shadow was so angry that he trembled all over, but he could do nothing to Qin Yuan. He couldn't say that he had traveled through time and saw Qin Yuan kill his sister in the original novel, right?

"Okay, stop talking nonsense!" Fan Tianlei couldn't stand it anymore and shouted, "What do you want? Tell me!"

"I want Qin Yuan to come with me!" The black shadow pointed at Qin Yuan and said word by word, "I want to take him to my sister's grave to apologize!"

"That's it?" Qin Yuan laughed, laughing so hard that he fell backwards, as if he had heard a big joke.

"What are you laughing at!" The black shadow roared.

"I'm laughing at your stupidity!" Qin Yuan pointed at the black shadow's nose and cursed unceremoniously, "With your IQ, how did you survive until now?"

"Qin Yuan!" Fan Tianlei shouted angrily, signaling him not to provoke the other party again.

"It's okay, Lao Fan, I don't think it's cheap to talk to this idiot." Qin Yuan waved his hand, then stood up, walked to the black shadow, and looked down at him, "If you want me to go with you, you can beat me first!"

As soon as the voice fell, Qin Yuan made a lightning move, grabbed the black shadow's neck, and lifted him up high. The black shadow suddenly felt difficulty breathing, and he used both hands to pry Qin Yuan's hands hard, but he couldn't shake it at all.

"Stop!" He Chenguang saw this and shouted hurriedly.

"Qin Yuan, calm down!" Fan Tianlei also realized that the situation was not good, and hurried forward to dissuade him.

Qin Yuan seemed not to hear it, and the strength in his hands continued to increase. The black shadow's face became more and more ugly, and he was about to suffocate to death.

"Let... let me go..." The black shadow squeezed out a few words from his throat with difficulty.

"Tell me, who sent you?" Qin Yuan's eyes were cold and his tone was grim, as if he was a demon from the Netherworld.

Feeling the threat of death, the black shadow finally collapsed and said intermittently: "Yes... yes..."

The black shadow's face was flushed, his lips trembled, and he seemed to have exhausted all his strength to spit out a word: "Dragon..."

"Dragon?" Qin Yuan raised his eyebrows and loosened his hand a little, "Which dragon?"

"Dragon... Dragon..." The black shadow felt that he was about to suffocate, and tried desperately to say the name, but he couldn't say it.

"Qin Yuan, let him go first, and talk about it if you have anything to say." Fan Tianlei advised from the side.

"Old Fan, don't worry, this guy is obviously stalling for time." Qin Yuan snorted coldly, "I want to see who is behind him, and dare to send someone to touch my people!"

"I didn't..." The black shadow wanted to explain, but was knocked unconscious by Qin Yuan's hand knife.

"Qin Yuan!" Fan Tianlei was immediately anxious, "You knocked him out, how can we ask him questions?"

"Don't worry, Old Fan, I have plenty of ways to make him speak." Qin Yuan threw the black shadow on the ground, clapped his hands, and said with a relaxed look, "This guy is very stubborn. If you don't give him a taste of his own medicine, he won't tell the truth."

"You..." Fan Tianlei wanted to say something, but was stopped by He Chenguang.

"Chief of Staff, Qin Yuan knows his limits." He Chenguang said.

Fan Tianlei sighed, knowing that it was useless to say anything more, and could only shake his head helplessly.

Qin Yuan walked to the black shadow, squatted down, took out a shining dagger from his pocket, and shook it in front of the black shadow.

"Tell me, who sent you?" Qin Yuan's voice was icy and piercing, as if it came from the devil of the Nine Nether Hell.

Although the black shadow was unconscious, his body trembled instinctively.

Seeing this, Qin Yuan curled his lips with a sneer, put the dagger against the black shadow's neck, and gently scratched it.

"Ah!" The black shadow suddenly screamed and woke up from his coma.

"Are you willing to tell me now?" Qin Yuan asked.

"I'll tell you... I'll tell you..." The black shadow was so scared that he dared not hide anything and quickly told everything he knew.

It turned out that the black shadow was named Long Wu and was from the Long family. The Long family is an ancient family in Yanjing with huge power and both black and white. Long Wu's sister is named Long Xue, the eldest daughter of the Long family. She has been loved since she was a child.

Long Xue is very beautiful and has countless suitors, including Qin Yuan.

Qin Yuan was still a young boy at the time. He had just joined the army and was full of blood. He was deeply attracted to Long Xue at the first sight.

No mistakes, one post, one content, one 6, one 9, one book, one bar!

In order to pursue Long Xue, Qin Yuan tried his best, sending flowers, writing love letters, creating romance, and doing everything he could.

However, Long Xue was dismissive of Qin Yuan. In her opinion, Qin Yuan was just a vulgar warrior who was not worthy of her, a rich lady.

After being rejected by Long Xue, Qin Yuan was not discouraged. Instead, he trained harder and wanted to become an excellent soldier to prove himself.

However, just when Qin Yuan was about to become a special forces soldier, he suddenly received the news of Long Xue's death.

Long Xue was killed and died in a very miserable way.

After Qin Yuan learned the news, he was heartbroken and vowed to avenge Long Xue.

He investigated the cause of Long Xue's death through his own connections, and finally found out that the person who killed Long Xue was actually a member of the Long family!

It turned out that Long Xue's death was caused by a power struggle within the family. Long Xue's father, the head of the Long family, wanted to pass the position of the head of the family to Long Xue's brother, Long Wu.

However, Long Wu was a dandy boy and was not suitable for the position of the head of the family.

Long Xue's uncle, Long Wu's second uncle, was ambitious and wanted to replace him.

So, he planned to kill Long Xue and put the blame on Long Wu, hoping to take this opportunity to get rid of Long Wu and take the position of the head of the family.

After Qin Yuan learned the truth, he was furious. He rushed into the Long family alone and killed Long Xue's second uncle and all the people involved in the incident to avenge Long Xue.

However, Qin Yuan also offended the Long family and became a thorn in the eyes and flesh of the Long family.

Although the head of the Long family knew that Qin Yuan was avenging Long Xue, Long Xue was his daughter after all, and he could not help but avenge Long Xue.

So, he sent people to hunt Qin Yuan and wanted to put him to death.

In order to avoid the pursuit of the Long family, Qin Yuan had to hide his identity and flee everywhere.

Later, he joined the Special Forces of Wolf to become a special forces.

However, the Long family has never given up his hunting.

This time, the Long family sent the dragon to kill Qin Yuan in order to revenge.

"So that's it." After listening to Long Wu's narrative, Qin Yuan heard a cold mang in his eyes. "It seems that this dragon family is really ghost!"

"Qin Yuan, what do you want to do?" Long Wu saw Qin Yuan's murder in his eyes, and he was frightened. "I ... I have told you all what I know, you ... you can't kill me!"

"Kill you?" Qin Yuan sneered, "Do you think you still have the value of alive?"

After that, Qin Yuan had to start with Long Wu's life.

"Wait a minute!" At this moment, a crisp sound suddenly sounded.

Qin Yuan moved, turned around, and saw a woman wearing a camouflage suit, a heroic posture, standing at the door and watching him coldly.

"Who are you?" Qin Yuan asked.

"Long Xiaoyun, Long Wu's sister." The woman said coldly, "Are you Qin Yuan?"

"It's me." Qin Yuan nodded, "What do you want to do?"

"I want you to let me go!" Long Xiaoyun said.

"Let him go?" Qin Yuan sneered, "Do you know, he almost killed my brother!"

"I know." Long Xiaoyun said, "But my brother was also helpless, he also for revenge!"

"Revenge?" Qin Yuan flashed a touch of cold mang, "What qualifications do he have to revenge? What qualifications do he have to revenge for Long Xue?"

"My brother is Long Xue's brother, of course he is qualified to avenge Long Xue!" Long Xiaoyun said, "What qualifications do you have to say this? Who do you think you are?"

"I ..." Qin Yuan just wanted to speak, but was interrupted by Long Xiaoyun.

"You are nothing!" Long Xiaoyun said coldly, "You are just an outsider, you are not qualified to intervene in our Dragon's family!"

"You ..." Qin Yuan suddenly said, and he didn't know what to say.

"Qin Yuan, let's go." Long Xiaoyun said, "Seeing that you are the friend of Long Xue, I can ignore what you do this time, but if you dare to hurt my brother again, I am absolutely I won't let you go ""

After that, Long Xiaoyun turned and left.

Qin Yuan stood in place, looking at the back of Long Xiaoyun's departure, and a complex look flashed in his eyes.

He didn't know what he should do.

On the one hand, it is his own brother, and on the other hand, Long Xue's sister.

He was sandwiched in the middle and was in a dilemma.

Qin Yuan looked at the back of Long Xiaoyun's departure, and a nameless fire rushed up. This woman is very beautiful, how can she be so angry? He turned his head and glared at the dragon five who was paralyzed on the ground, "Your sister is really amazing." (This chapter is finished)

## One-click Recovery Since I was a Special Soldier

### Chapter 2497 - There will be something interesting tonight

At this moment, Long Wu has the ridicule of Qin Yuan. He is full of his sister's expression just now. From a young age, Long Xiaoyun is a little princess at home and was spoiled by everyone. When did you see her?

Qin Yuan didn't care about the Dragon Five anymore. He walked to the window and looked at the city where the car was full of water. Long Xiaoyun's words were lingering in his heart, like a thorn, making him uncomfortable.

Of course he knew that he was not qualified to intervene in the Long family, but it was his brother who was going to kill! How could he watch his brother die?

"Damn, really TM headache!" Qin Yuan grabbed his hair irritably, he hated this dilemma most.

At this moment, his mobile phone rang, and Fan Tianlei came.

"Stinky boy, where is it? Hurry up and get me back!" Fan Tianlei's roar came from the side of the phone.

"Report the chief of staff, I am performing the task!" Qin Yuan said in a lot.

"Execute the task? What tasks do you perform? Do you pick up girls?" Fan Tianlei dismantled him relentlessly.

Qin Yuan suddenly said with a stuffing. He couldn't tell Fan Tianlei. He was "talking" with the sister of the person who almost killed his brother?

"Okay, don't give me a nonsense! Hurry up and roll back! There are emergency tasks!" Fan Tianlei finished the phone and hung up the phone directly.

Qin Yuan sighed helplessly. It seems that he had no time to hurt the spring and autumn here. He turned around and walked in front of Long Wu, and looked at him in a high height, "Count you luck! Today Lao Tzu is in a good mood, don't care about you!"

After speaking, he left without his head.

Nympho

Back to the base of the Wolf Denta Special Forces, Qin Yuan was immediately called to the office by Fan Tianlei.

"Stink boy, you are more and more fat! Actually dare to act privately!" Fan Tianlei saw Qin Yuan, and his head was scolded.

Qin Yuan lowered his head and was eagerly trained. He knew that this time he had a loss.

"Okay, don't pretend to be a grandson!" Fan Tianlei scolded a few words, and he would not investigate, "Say, what's going on?"

Qin Yuan said the ins and outs of the matter.

After hearing it, Fan Tianlei frowned, "Dragon family, you will be less involved in the future!"

"But....."

"No!" Fan Tianlei interrupted him, "The dragon family's affairs can not be blended! You remember, you are a soldier, your responsibility is to protect the country and defend others, not to be a private insurance for others darts!"

Qin Yuan opened his mouth and wanted to say something, but was stopped by Fan Tianlei's sharp eyes.

"Okay, this is the end!" Fan Tianlei waved his hand, "Now, I have more important tasks to give you!"

"What mission?" Qin Yuan suddenly came.

"This task is about ..." Fan Tianlei said here, paused deliberately, and then lowered the voice, saying "a mysterious organization!"

"Mysterious organization?" Qin Yuan suddenly became interested, "What mysterious organization?"

"This organization is called ..."

Fan Tianlei's words hadn't finished, and the door of the office was suddenly opened by people.

"Report!" He Chenguang stood at the door and shouted anxiously, "It's not good! It's wrong!"

"It's not good! It's an accident!" He Chenguang's voice was anxious and panicked, and he was judged with his calm and calm image on weekdays.

Qin Yuan's heart was tight, and a bad premonition rushed to his heart. Before he asked him to ask, he saw He Chenguang pushed away Fan Tianlei and gasped and said, "Report the chief of staff! Long Wu ... Long Wu ... He brought someone over! "

"What?!" Fan Tianlei stood up sharply, and the anger lit his eyes instantly, "Fuck, opposite him! Lao Tzu hasn't asked him to settle his account, he sent himself to the door!"

Qin Yuan's heart beating violently. He knew that the coming of Long Wu was not good at this time, and he must come to him to get revenge!

"Go! Go and see!" Fan Tianlei waved his hand and rushed out of the office first.

Qin Yuan and He Chenguang followed closely. The two looked at each other and saw a dignified look from the other's eyes.

On the training ground, Long Wu and a team of all -armed soldiers surrounded the entire training ground. He was wearing a black combat suit with a smile on his face, and a 95 - type automatic rifle in his hand pointed at Fan Tianlei standing at the forefront, murderous.

"Long Wu! What do you want to do?!" Fan Tianlei roared, and the soldiers behind him raised their guns and aimed at Long Wu and others.

"Fan Tianlei, you pretend to be confused with me!" Long Wu gritted his teeth, "Pay my sister out!"

"Your sister? Your sister is about my fart!" Fan Tianlei sneered, "I tell you Long Wu, this is a special force of the Wolf tooth, not where you are in the wild! Hurry up and roll out, otherwise don't blame Lao Tzu!"

"Less nonsense! I saw my sister got on your car with my own eyes! Where did you hide her?!" Long Wu roared, and the soldiers behind him began to become restless.

"Let your mother's shit! When did I have seen your sister?!" Fan Tianlei yelled. He knew that Long Wu was deliberately finding faults, but he was unable to argue.

"You put less garlic! If you don't hand over people today, I will wash your wolf teeth with blood!" Long Wu was angry, and the soldiers behind him began to move, and the atmosphere was tense.

"Give me a hand!" At this moment, a cold voice came from outside the crowd.

Everyone looked at the voice, and saw Long Xiaoyun wearing a black dress, and came over with heroic posture. She followed a team of all armed soldiers behind her. It was the private guard of the Long family.

"Xiaoyun? Why are you here?" Long Wu saw Long Xiaoyun, and suddenly stunned.

"Brother, what are you doing?!" Long Xiaoyun walked in front of Long Wu, and the beautiful eyes were full of anger. "Do you take someone to make trouble, do you want to get it?"

"Little sister, you listen to me ..." Long Wu wanted to explain, but was interrupted by Long Xiaoyun.

"I don't want to hear anything!" Long Xiaoyun glanced at the soldiers behind Long Wu coldly. "Don't hurry up the gun! Do you really want me to catch you back?!"

The soldiers behind the dragon looked at each other, and finally let go of the gun in their hands obediently. When Long Wu saw it, he could only sigh helplessly. He knew that his sister was not easy to mess with.

"Chief of staff Fan, I'm sorry, I am not disciplined, and it is troublesome to you." Long Xiaoyun turned his head to look at Fan Tianlei, and said respectfully.

"Huh! You'd better care about your brother, don't let him provoke us again!" Fan Tianlei snorted, and did not give Long Xiaoyun's good look.

"Yes, I must teach him well when I go back!" Long Xiaoyun nodded again and again, then glanced at Long Wu fiercely, "Don't you follow me?!"

Long Wu could only follow Long Xiaoyun away.

"San! Go back to train!" Fan Tianlei waved his hand at the soldiers around him, and then turned into the office.

Qin Yuan and He Chenguang also followed.

"Damn! Brothers and sisters of the dragon family are more difficult than one!" Fan Tianlei sat on the chair angrily, and the anger disappeared.

"Chief of Staff, what do you say what the dragon family wants to do?" He Chenguang asked.

"Who knows! This dragon family has always been mysterious, no one knows what medicine they sold in their gourds!" Fan Tianlei shook his head and frowned. "However, I always think this is a bit strange ..."

At this moment, Qin Yuan's mobile phone suddenly rang. He took out his mobile phone and looked at the screen, showing a strange number.

Qin Yuan's heart moved, an inexplicable premonition rushed to his heart. He pressed the answer button and put the phone in his ear.

"Hello?"

"Are you Qin Yuan?" A hoarse voice came from the other side of the phone, with a cold tone without a trace of feelings.

"Who are you?" Qin Yuan's heart bells made a masterpiece. He heard it. This voice was the person who threatened him on the phone that night!

"Oh, don't care about who I am." The voice on the other side of the phone was joking, "You only need to know, your life is now in my hands ..."

"Who are you?" Qin Yuan's voice was as cold as ice, and the fingers holding the mobile phone were slightly white because of their strength.

There is no mistake, one, one, one, one, one, one, one, one 619, one book, one, one, one, one, one, one, a book!

A creepy laughter came from the other side of the phone, as if from the depths of hell. "Oh, Qin Yuan, you don't have to be nervous, I just want to play a game with you."

"Game?" Qin Yuan frowned, and his heart was even more alert.

"Yes, a very interesting game." The voice paused, and then said, "I know you are a soldier and your skills are, so I want to give you a chance to challenge yourself."

"Say, what do you want to do?" Qin Yuanqiang held up anger and asked coldly.

"It's simple, I want you to find me, and then kill me." The voice on the other side of the phone was full of provocations. "Of course, you can also choose to call the police, but I advise you to do so, because that, you, you, your Those comrades, but ... "

"You dare!" Qin Yuan roared, his fist clenched sharply.

"Oh, do I dare, you can try it." The tone of the other side of the phone was still calm, as if everything was in his control. "Remember, you only have three days, three days later, if you haven't yet, you haven't yet. Find me, your good brothers will go down with you. "

After speaking, the phone was hung up.

Qin Yuan suddenly fell his phone on the ground, and his eyes were angry. He didn't expect that he would be so threatened!

"Qin Yuan, what's wrong?" He Chenguang asked Qin Yuan's face wrong and asked quickly.

Qin Yuan took a deep breath and told He Chenguang that he had told him.

"What?! These bastards!" After hearing it, He Chenguang was also furious. "They dare to threaten us? It's just looking for it!"

"It's not when you are angry now, we have to find them as soon as possible!" Qin Yuan flashed a hint of cold in his eyes. "I want to see, who they are, dare to be so arrogant!"

"But, we don't even know anyone, how do we find?" He Chenguang said a little worried.

"Rest assured, I will let them show their feet." Qin Yuan's eyes flashed a cunning light, he already had a plan.

Nympho

At night, the city's neon flickering, the car is moat.

Qin Yuan and He Chenguang shuttled in the crowd. They did not surprise anyone, but quietly came to a bar in the city center.

This bar is a place where Longwu is often patronized. Qin Yuan suspects that the mysterious person is likely to appear here.

The bars are full of sound, and the deafening music sounds dizzy. The variety of men and women twisted their bodies crazy in the dance floor, and the air was filled with the weird taste of alcohol and perfume mixed.

Qin Yuan and He Chenguang found a corner seat and ordered two glasses of wine. They observed the surroundings and talked in a low voice.

"Qin Yuan, are you sure that guy will come here?" He Chenguang asked in a low voice.

"Not necessarily, but this is our only clue." Qin Yuan shook his head and glanced at everyone in the bar. "If I were that person, I would definitely choose a place where there are all kinds of people, so it would be easier to hide myself."

"That's right." He Chenguang nodded and took a sip of the wine glass.

Just then, a familiar figure appeared at the door of the bar.

Long Wu!

He was wearing a flowered shirt and a thick gold chain around his neck, dressed like a nouveau riche. He was accompanied by several burly bodyguards, who looked like bad guys.

After Long Wu walked into the bar, he walked straight to the bar counter, shouting as he walked: "Waiter, give me a bottle of the most expensive wine!"

Qin Yuan and He Chenguang looked at each other, and a gleam of light flashed in their eyes.

It seems that there will be something interesting tonight...

Long Wu sat down at the bar, his thick gold chain swaying with his movements, and he shouted at the top of his voice: "Hey, where is the best wine here? Hurry up and bring it up for me. I'm happy today and I want to have a good drink!"

Qin Yuan and He Chenguang watched calmly. Several bodyguards were scattered around Long Wu, watching the surroundings vigilantly.

"This Long Wu really thinks he is a big shot." He Chenguang whispered with disdain in his tone.

Qin Yuan didn't say anything, but just looked at Long Wu coldly, his eyes as sharp as an eagle. He knew that Long Wu was just a small role, and the real mastermind was still observing all this in the dark.

After drinking a glass of strong liquor, Long Wu became more excited. He began to brag about his "glorious deeds", and his words were full of desire for money and power.

"I tell you, if you follow my Fifth Brother, I guarantee you'll have a good life! Those blind guys were completely subdued by me!" Long Wu patted his chest, spitting everywhere.

Other people in the bar kept their distance from Long Wu, fearing that they would provoke this plague god.

"Here it comes, Fifth Brother, your drink!" A scantily clad waitress came over with a tray, her face full of flattering smiles.

Long Wu hugged the waitress's waist, his big hands wandering around her body in an unruly manner, "Little beauty, how about having a drink with me tonight? You can name the price!"

The waitress smiled and dodged, but she didn't dare to really refuse, so she could only look around for help.

"Fifth Brother, don't embarrass me." A greasy-haired and powdered man came over, holding a wine glass in his hand, with a flattering face, "Come on, I'll drink with you!" (End of this chapter)

## One-click Recovery Since I was a Special Soldier

### Chapter 2498 - Your opponent is me!

Dragons glanced at the man, "Just you? And drink with Lao Tzu?"

The man's face could not be hung, but he still laughed and said, "The fifth brother laughed, how can I compare with you, I just want to respect you, I wish you a boom!"

"This is almost the same." Long Wu nodded with satisfaction and let go of the female waiter.

At this moment, the door of the bar was kicked open, and a tall man came in. He was wearing a black trench coat with a pair of sunglasses on his face, exuding a chill that was not close to people.

"Who fucking ..." Long Wu's words were not finished, and the man punched out as soon as he punch, and hit the bar on the bar.

The bar suddenly confused, screamed, and the wine glasses crushed together.

"Who is your fucking? Dare to spread the wild at Lao Tzu's site?!" Long Wu struggled to get up, spit out a blood, and yelled at the man.

The man didn't speak, but just looked at Long Wu coldly, his eyes were as sharp as a blade.

"Five Brother, this guy is not a good stubble ..." The bodyguard on the side said, he said timidly.

"What are you afraid of? Give me it, kill him!" Long Wu roared and rushed first.

However, Long Wu and his bodyguards were as weak as children in front of men. The man shot fiercely and was fatal. After a while, Long Wu and his men were lying on the ground and mourning.

The entire bar crowd was silent, and everyone looked at this scene in horror, for fear of causing trouble.

The man walked in front of Longwu and looked at him with a high height. The cold voice came from hell. "Go back and tell your master, Qin Yuan, come back!"

After speaking, the man turned and left the bar and disappeared in the night.

Qin Yuan and He Chenguang looked at each other and saw the shock in the other's eyes.

Who is this man?

Why do he help them?

And who is the "master" in Long Wukou?

All this is like a fog, shrouded in Qin Yuan's heart, making him feel uneasy.

The bar is filled with the smell of cigarettes and alcohol, mixed with the bloody energy after a fight, which is even more disgusting.

Qin Yuan and He Chenguang got up from the ground, rubbing the beaten place, and secretly surprised. The man shot too fast, and they even knocked on the ground without even seeing his movements.

"This fucking is a man or a ghost?" Wang Yanbing scolded and climbed out of a pile of tables and chairs. He was naturally divine, but he was not injured.

"Regardless of his person or ghost, I helped us solve it anyway." Li Erniu smiled and grabbed his head.

Qin Yuan didn't speak. He walked to the bar, picked up a bottle of beer that had not been opened, bite the bottle cap with his teeth, and poured his head up.

"This dragon five, don't look like a powerful role, why dare to be so arrogant?" He Chenguang lit a cigarette, took a deep breath, and slowly spit out the cigarette ring.

"This year, money can make ghosts grind." Qin Yuan put down the bottle, and his tone was cold. "The power behind the dragon five should not be simple."

"Then what should we do next?" Wang Yanbing asked, "Kill the door directly?"

"Not in a hurry." Qin Yuan shook his head, "Let's find out the details of the other party first."

At this moment, the door of the bar was pushed away again, a man wearing a black suit and golden silk glasses walked in. He followed his two burly bodyguards behind him, and he was not a good stubble at first glance.

The man glanced at the mess in the bar, frowned slightly, and then walked straight to Qin Yuan, bowed slightly, "How many are Mr. Qin? My master has please."

Qin Yuan narrowed his eyes and looked at the man, "Who is your master?"

"My master's surname is Zhao." The man smiled slightly. "As for the others, you know."

Qin Yuan and He Chenguang exchanged a look and decided to take a trip with men.

Black cars galloped in the night and finally stopped in front of a luxury villa.

The man walked into the villa with Qin Yuan and others, passed through the magnificent hall, and came to a study.

"The master is in it, and a few of them are invited." The man opened the door and made a gesture.

Qin Yuan and others walked into the study, and saw a year of over half a year, but the spiritual old man sat at the desk with a glass of red wine in his hand, looking at them with interest.

"A few, welcome to the Hanshe." The old man put down the wine glass, stood up, and had a kind smile on his face.

"Ouyang Feng?" Qin Yuan quickly searched the information about the name, but found nothing.

"It seems that Mr. Qin has heard the old name for the first time." Ou Yangfeng smiled. "It's not surprising that the old hasn't walked on the rivers and lakes for a long time."

"Rivers and lakes?" Wang Yanbing couldn't help laughing, "Older, what age are you, what about the rivers and lakes?"

Ouyang Feng ignored Wang Yanbing's ridicule, but looked at Qin Yuan and said slowly: "Mr. Qin, I know what you are for this time. You can rest assured, I will give you an explanation."

"Oh?" Qin Yuan raised his eyebrows, "Then I want to see, Mr. Zhao intends to give me an explanation."

Ouyang Feng smiled, walked to the desk, and pressed a button.

The wall behind the desk slowly opened, revealing a safe.

Ouyang Feng opened the safe, took out a file bag from the inside, and handed it to Qin Yuan. "This is the evidence of the crime committed by the Dragon Five years, which is enough for him to sit through the prison."

Qin Yuan took the file bag and opened it. The contents inside were shocked. Smuggling military fire, drug trafficking, organizing prostitution ... Each crime is enough to make Long Wu died ten times.

"Father Zhao is really a big deal." Qin Yuan sneered, "Do you want to pass me like this?"

"Of course, it's more than that." Ouyang Feng walked in front of Qin Yuan and lowered his voice, "I know Mr. Qin is extraordinary, and there are several powerful men. The old age has recently encountered some troubles and needed the help of Mr. Qin."

Qin Yuan looked at Ouyang Feng, his eyes gradually became sharp, "What trouble?"

Ouyang Feng smiled, with a hint of yin in the smile, "I want you, help me kill someone."

Qin Yuan watched the file bag from Ouyang Feng, and a sneer in the corner of his mouth. Dragon Wu's sin? This old guy is really a fledgling boy, so easy to be confused?

"Father Zhao, which one do you sing?" Qin Yuan threw the file bag back to the desk, raised Erlang's legs, and had a fun expression. "Your old man has been mixed on the road for so many years, and he will not think me. Are you here to do it? "

The smile on Ouyang Feng's face was stiff, but it quickly returned to normal. "Mr. Qin laughed, and oldness just wanted to express his sincerity."

"Sincerity?" Qin Yuan laughed, "Your hometown is great, and if you want to express your sincerity, how can you come up with some real gold and silver? Just by these broken paper, do you want me to kill you for you?"

Ouyang Feng's eyes flashed a trace of anger, but he still said with patience: "What Mr. Qin wants, although the opening. As long as you can do it, you will never quit."

"Quickly!" Qin Yuan made a noise, "I don't like to turn around. Who is Mr. Zhao who wants me to kill?"

Ouyang Feng walked to the desk, took out a photo from the drawer, and placed it in front of Qin Yuan. The photo is a young man, with sword eyebrows, handsome, but handsome, but his eyes are vicious.

"This person's name is Lin Tian, the young gang owner of the Qinglong Gang." Ouyang's style of style. "He has been doing opposite the old age in these years and snatched a lot of old business. The old man wanted to keep him in a life, but he did not know how to live and die. , Dare to move the old family! ""

Qin Yuan picked up the photo and carefully asked Lin Tian's face carefully, and the corner of his mouth evoked a touch of fun. "Father Zhao, your old man is really a sword, is this age, and can you give birth to such a big son?"

Ouyang Feng's face sank, and a hint of murder flashed in his eyes. "Mr. Qin, what do you mean?"

There is no mistake, one, one, one, one, one, one, one, one, one 619, one book, one, one, one, one, one, one, a book!

"It's not interesting, I just think that your old man is very powerful. He is old and can be old -fashioned, admire, admire!" Qin Yuan said with a smile, but the mockery in the tone did not conceal.

Ouyang Feng took a deep breath and pressed the anger in his heart. "Mr. Qin, don't you answer?"

Qin Yuan said casually: "I have no opinion like killing such a thing. However, I have a rule that only kills the killing person. Father Zhao, you said, this forest, he, he Should you kill "?"

Before Ouyang Feng said, Wang Yanbing couldn't help jumping out and said, "Of course it should be killed! This boy dares to move the old man, your family, it's almost tired and crooked!"

"Shut up!" He Chenguang glared at Wang Yanbing, then looked at Ouyang Feng, and said calmly: "Father Zhao, we came this time, just want to investigate the matter of Long Wu. As for the grievances between you and the Qinglong Gang, We don't want to intervene ""

Ouyang Feng's face was gloomy, his eyes swept over Qin Yuan and others, and finally fixed on Qin Yuan's face. "Mr. Qin, this means you?"

Qin Yuan put down the photo, stood up, and walked in front of Ouyang Feng. The two of them were the same height, and their eyes were opposite. There seemed to be a spark in the air.

"Father Zhao, I do things, I don't like to be led by my nose." Qin Yuan was calm, but his eyes were like a knife. "Dragon Wu, I will find out clearly. As for Lin Tian, if he is really, he really Damn, I will send him to hell by myself.

Ouyang Feng looked at the aggressive young man in front of him, and suddenly a sense of weakness in his heart. He knew that he had kicked the iron plate this time.

At this moment, the door of the study was suddenly opened by a person, and a bodyguard with blood rushed in and shouted in horror at the door: "Master, it's not good, Lin Tian took someone to kill in. It's "" "" "" "" "

Ouyang Feng's face changed greatly, and before he had time to speak, he heard a dense sound of gunfire coming from the outside, mixed with the screams of bodyguards.

"It seems that we are going to move today." Qin Yuan's corner of his mouth evoked a bloodthirsty smile and turned to look at He Chenguang and others, "Brothers, prepare to fight!"

As soon as the words fell, the door of the study was beaten into a sieve by bullets. Several men in black rushed in with submachine guns, firing crazy at Qin Yuan and others.

"Find to death!" Wang Yanbing roared, lifted the assault rifle in his hand, and pulled the trigger at the man who rushed in.

Da Da Da!

The fire tongue spit, the bullets whistled out, and instantly rushed to the front of the blacks into a horse honeycomb.

He Chenguang calmly raised a sniper rifle, aiming at a black man who was fighting in the distance, and pulled the trigger.

Bang!

With a gunshot, the bullets precisely hit the eyebrows of the man in black, and the blood splashed.

Qin Yuan flickered, escaped a shuttle bullet, and then rushed to a black man, and he punch his head.

The study suddenly turned into a purgatory on earth, gunshots, screams, blood, and corpses, and intertwined into a Shura hell -like picture.

Ouyang Feng hid behind the desk, watching the bloody scene in front of him, scared. He didn't expect that Lin Tian dared to kill his old nest directly!

What made him even more fear was that the combat effectiveness of Qin Yuan and others showed that it was so scary!

Are these people really people?

When Ouyang Feng thought about it, a man in black suddenly rushed from the side, and the dagger in his hand stabbed his heart fiercely.

Ouyang Feng was so frightened that he was so frightened that he was about to die on the spot. At this moment, a black shadow flashed, and a big hand grasped the wrist of the man in black.

"Your opponent is me!"

Qin Yuan's cold voice sounded in Ouyang Feng's ear, and then his wrist was forcefully, and he directly twisted the neck of the man in black.

Ouyang Feng raised his head in shock, looking at Qin Yuan standing in front of him, his heart was mixed in his heart.

"you....."

"Shut up if you want to live!" Qin Yuan interrupted Ouyang Feng coldly, then pulled him up from the ground, and said, "Take me to find Lin Tian!"

Ouyang Feng's arrogance just now, like a chicken that was held around his neck, pointed at the safe in the corner of the study, and his voice tremblingly said, "What Lin Tian wants is in it ... ""

Qin Yuan opened the safe, which was full of cash and gold bars, as well as some documents and ledger. He turned around and sneered: "Boss Ouyang is really rich at home. These things are enough for you to eat guns for hundreds of times."

"No ... it's not my business! It's Lin Tian forced me!" Ouyang Feng cried, desperately trying to shirk responsibility.

Qin Yuan ignored him and turned to ask He Chenguang: "How is the situation outside?"

"Lin Tian's people have been controlled by us, but there are a few fish that missed the net." He Chenguang calmly reported the situation.

"Chenguang, you go to chase the fish that missed the net. Others cleaned up here." Qin Yuan issued an order, and his tone was unquestionable.

"Yes!" He Chenguang respected a military ceremony and turned to disappear in the night.

Wang Yanbing looked at the corpse on the ground, and couldn't help but vomit: "This grandson, really his mother's scripture!"

Li Erniu scratched his head thickly: "I still have seen so many dead people ..."

## Chapter 2499 - Go to hell!

"Okay, stop talking nonsense, work quickly!" Qin Yuan glanced at them coldly, and the two of them immediately did not dare to speak again and began to clean up the scene obediently.

Qin Yuan picked up Ouyang Feng, dragged him to the living room like a little chicken, and threw it on the sofa. Ouyang Feng was so scared that he thought Qin Yuan wanted to kill someone to silence him, so he closed his eyes and waited for death.

"Stop pretending, I know you are not that timid." Qin Yuan lit a cigarette, took a deep breath, and slowly exhaled a cigarette ring, "Tell me, who is Lin Tian? Why do you have to deal with you?"

Ouyang Feng opened his eyes and looked at Qin Yuan secretly. Seeing that he had no intention of killing him, he said carefully: "Lin Tian... He used to be my partner, and we will do the arms business together..."

"Martial business?!" Wang Yanbing and Li Erniu both exclaimed in surprise.

Ouyang Feng shrank his neck in fear and quickly explained: "No... it's not what you think! We just... just do some border trade and sell some... some light weapons..."

Qin Yuan snorted coldly: "Light weapons? Do you call those AK47s light weapons? Ouyang Feng, you are really brave, you dare to do such a business!"

"I...I was forced too!" Ouyang Feng cried with a sad face, "Lin Tian... He is cruel and ruthless. If I disagree, he will kill me and my family..."

"So you help the evil and help him sell those weapons to the country, endangering national security?" Qin Yuan's tone was cold and his eyes were full of murderous intent.

"I...I was wrong! I was really wrong!" Ouyang Feng was so scared that he knelt on the ground, kowtowing desperately to beg for mercy, "Mr. Qin, please let me go! I will never dare to do it again!"

Qin Yuan didn't say anything, but just looked at him coldly, as if he was looking at a dead person. Ouyang Feng felt that his heart was about to jump out. He knew that he was doomed this time...

At this moment, Qin Yuan's cell phone suddenly rang. He glanced at the caller ID and it was Fan Tianlei who called him.

"Hey, Lao Fan, what's the matter?"

"Qin Yuan, where are you now? I have an urgent task to hand it over to you!" Fan Tianlei's voice sounded very anxious.

"What mission?"

"There is another hidden truth to Long Wu's death!"

Qin Yuan held the phone and frowned. Long Wu's death has always been a thorn in his heart. When he saw Long Wu fall down in front of him with his own eyes, his heart was shot through by a bullet, it was impossible for him to survive.

"Old Fan, are you sure the news is reliable?" Qin Yuan's voice was low, with a hint of undetectable tremor.

"It's true! I got the tip. Someone saw Long Wu outside, and he also participated in an arms deal!" Fan Tianlei's tone was urgent, obviously the situation was urgent, "I suspect that Long Wu's death was deliberately set up a plan. It's just to cover up a bigger conspiracy! "

"Damn it! I knew things weren't that simple!" Wang Yanbing couldn't help but swear, his eyes burning with rage, "How could a person who is so loyal to Brother, betray his brothers!"

Although Li Erniu didn't say anything, he looked in disbelief and scratched his head, like an ant on a hot pan.

Qin Yuan took a deep breath and forced himself to calm down. "Old Fan, tell me everything you know."

Fan Tianlei did not hide anything and told Qin Yuan all the information he had. It turned out that Long Wu's "death" was just a cover. He was actually secretly rescued by a mysterious organization and brainwashed and controlled, becoming their killer. And this mysterious organization is the arms giant "Huanglong" that has been active in the international black market for many years.

"Huanglong..." Qin Yuan repeated the name in a low voice, and a cold light flashed in his eyes. He has heard of this organization for a long time, but he has never had the chance to confront it. Unexpectedly, they were related to Long Wu's "death". It seems that the mission this time is not simple.

"Qin Yuan, this mission is very dangerous, you must be mentally prepared." Fan Tianlei's voice became serious, "The Huanglong organization is powerful and cruel, and they have a large number of advanced weapons and equipment in their hands. You must Be careful!"

"Don't worry, Lao Fan, I know it." Qin Yuan's tone was firm and his eyes were full of confidence. "I will definitely find out what Long Wu is doing and bring those damn bastards to justice!"

After hanging up the phone, Qin Yuan immediately summoned He Chenguang, Wang Yanbing and Li Erniu to tell them the tasks assigned by Fan Tianlei.

"What?! Fifth Brother is still alive?!" After hearing Qin Yuan's words, Wang Yanbing suddenly stood up, his face full of shock and excitement, "This is great! I knew Fifth Brother will not die!"

Li Erniu also rubbed his hands excitedly and smiled honestly, "It's good if the fifth brother is still alive, I know that the fifth brother's auspicious person has his own appearance!"

In contrast, He Chenguang seemed much calmer. He pondered for a moment and asked, "Captain, what should we do next?"

A flash of light flashed in Qin Yuan's eyes, and a cold smile appeared on the corner of his mouth. "Since 'Huanglong' dares to touch my brother, I will let them pay the price!" He paused and said with a stern tone, "I want those bastards to know that the person who touches me is like seeking death!"

"Okay! Fuck him!" Wang Yanbing was ready to try.

"I'll go too! I'm going to save my fifth brother!" Li Erniu waved his fist as big as a casserole, his eyes full of determination.

Qin Yuan nodded and turned to look at He Chenguang: "Chenguang, you are responsible for collecting information from the 'Huanglong' organization, the more detailed the better."

"Yes!" He Chenguang saluted and turned around and started to act.

"Yanbing, Erniu, come with me." Qin Yuan picked up a coat and walked out of the room with great strides. "Let's go and meet this 'Huanglong' organization for a while and see how capable they are!"

In the night, three figures shuttled through the city streets like cheetahs. They had only one goal, that is, to destroy the "Huanglong" organization and save Long Wu!

...

Meanwhile, on a private island thousands of kilometers away from City A, a heavily guarded castle stands under the night. Deep in the castle, in a luxuriously decorated study, a man in a black suit and a cold-faced face was sitting at the desk, holding a glass of red wine in his hand, and staring deep at an oil painting on the wall.

The content of the oil painting is a black giant python entrenched on a pile of skeletons. The giant python opens its bloody mouth and reveals its sharp poisonous fangs, as if it wants to choose someone to eat, giving people a gloomy and terrifying feeling.

"Boss, the 'prey' has been hooked." A man in black and burly suit pushed the door open and stood respectfully at the desk, whispering.

"Very good." The man raised a cold smile on his lips, turned around slowly, revealing a angular face. His eyes were as sharp as an eagle, exuding a domineering aura of no anger, "Qin Qin Yuan, we meet again."

This person is the leader of the "Huanglong" organization - "Huanglong".

"This time, I want to make you come and go!" A vicious light flashed in Huang Long's eyes, and he drank the red wine in his hand, as if indicating Qin Yuan's fate.

A big battle is about to break out!

In the night of City A, neon lights flash and traffic. Qin Yuan, Wang Yanbing and Li Erniu lurked outside an abandoned factory. The night covered their strong figures, like dormant cheetahs, waiting for the prey to appear.

"Captain, let's wait here? When will this 'Huanglong' person come?" Wang Yanbing lowered his voice and asked impatiently.

"Be patient, the good show is still behind." Qin Yuan stared at the factory gate, and a cold smile appeared on the corner of his mouth, "Since 'Huanglong' dares to touch Long Wu, he will definitely come to pick up the goods."

"Pick up the goods? What goods are picked up?" Li Erniu scratched his head and asked honestly.

"Don't worry about this, you will know then." Qin Yuan did not explain, but just patted Li Erniu on the shoulder.

Time passed by minute by minute, and the factory gate was always closed, without any movement inside. Wang Yanbing was almost asleep when suddenly, a roar of the engine broke the silence of the night.

"Here you come!" Qin Yuan shouted in a low voice, and the three of them immediately entered the state of fighting, staring at the factory gate with sharp eyes.

Two black SUVs rushed into the factory like a beast of steel, and the dazzling high beams slashed the night. The car door opened, and more than a dozen men in black came out in a row, each holding a weapon in his hand, full of murderous intent.

"Damn it, there are so many people, it seems that 'Huanglong' looks down on us quite well." Wang Yanbing licked his lips, and a hint of excitement flashed in his eyes.

"Don't talk nonsense, prepare for action!" Qin Yuan gave the order, and the three of them rushed out like arrows.

Qin Yuan was as fast as lightning, and in the blink of an eye, he rushed to a man in black. A standard military fighting technique directly knocked the opponent to the ground. Wang Yanbing and Li Erniu were not willing to be outdone. They were like tigers descending from the mountain, rushing into the crowd, fists and feet, and their moves were fatal, and several people were knocked down in a blink of an eye.

No mistakes, one song, one content, one in 6, one book, one bar, one reading!

"Damn, these guys are all soft-legged shrimps, they are not enough to fight!" Wang Yanbing shouted excitedly while fighting.

"Don't be careless, pay attention to the surroundings!" Qin Yuan reminded calmly. He always felt something was wrong and things seemed to be going too smoothly.

At this moment, the factory gate opened again, and a black extended Lincoln slowly drove in and stopped not far from Qin Yuan and others. A man in a black windbreaker and sunglasses walked out of the car, followed by two tall bodyguards.

"Huanglong!" Qin Yuan recognized the person at a glance, and he was the leader of the "Huanglong" organization.

"Huanglong" took off his sunglasses and showed a cold face. He looked at Qin Yuan and the other two who were fighting fiercely with his subordinates, and a cruel smile appeared on the corner of his mouth.

"Qin Yuan, we're meeting again." Huang Long's voice was low and hoarse, with a creepy chill.

"Huanglong, what do you want to do when you capture Long Wu?" Qin Yuan's eyes were like a torch, staring at Huanglong.

"Haha, you will know soon." Huang Long did not answer Qin Yuan's question, but clapped his hands. The two bodyguards immediately opened the box they carried with them, filled with weapons and ammunition.

"Today, no one of you can leave here alive!" Huang Long's voice was cold and ruthless, like a verdict from hell.

"That depends on whether you have the ability!" Qin Yuan sneered. He knew that a fierce battle was inevitable.

At this moment, a dense gunshot suddenly came from the other side of the factory. Then, more than a dozen military jeeps roared over, and the heavy machine gun on the roof spit out flames, catching Huang Long's men off guard.

"What's going on? Where did the army come from?" Huang Long's face changed drastically. He didn't expect an army would suddenly appear.

"Report! We are the Red Cell Special Operations Team of the Wolf Tooth Special Forces Brigade, and we are ordered to carry out the mission!" A loud voice sounded, and a burly soldier in a camouflage uniform jumped out of a jeep. It's Fan Tianlei.

"Old Fan!" Qin Yuan saw Fan Tianlei's face with a hint of surprise. He didn't expect Fan Tianlei to lead the team in person.

"You kid, I knew you would cause trouble!" Fan Tianlei walked to Qin Yuan and cursed with a smile, "But you kid did a good job this time and could actually find the 'Huanglong's nest."

"Hehe, they are all lucky." Qin Yuan scratched his head and said modestly.

"Stop talking nonsense, let's solve these guys first!" Fan Tianlei said, waved his hand, "Red blood cells, action!"

"yes!"

Members of the Red Cell Special Operations Team went down the mountain like a tiger, quickly surrounding Huang Long's men, and a fierce gunfight broke out instantly.

Seeing this, Huang Long knew that he had fallen today. He glared at Qin Yuan fiercely, then turned around and wanted to escape.

"Want to run? It's not that easy!" Qin Yuan had expected Huang Long to escape, so he rushed forward and blocked Huang Long's way.

"Qin Yuan, do you really think you can stop me?" A ruthless look flashed in Huang Long's eyes, and he pulled out a pistol from his waist and pointed it at Qin Yuan.

"Go to die!"

Bang!

With a gunshot, Qin Yuan's pupils instantly dilated...

Qin Yuan felt the scorching air waves shot from the bullet, but he did not feel the expected severe pain. Time seemed to stop at this moment, and he saw Huang Long's victory smile frozen, replaced by incredible horror.

"What?!" Huang Long growled in disbelief. He clearly saw the bullet penetrate Qin Yuan's chest, but why...

Qin Yuan lowered his head, and a golden bullet lay quietly at his feet, emitting a faint light. He reached into his arms and took out a quaint pocket watch, which was engraved with a strange pattern, which was emitting golden light that blocked the deadly bullet.

"What the hell is this?!" Huang Long retreated in horror. He had never seen such a strange thing before.

"This is your death period." Qin Yuan said coldly, a trace of cold light flashing in his eyes.

"Old Qin, you kid are so lucky!" Fan Tianlei rushed in with the red blood cell team members. Seeing that Qin Yuan was safe and sound, he was relieved, but then he saw the golden bullet on the ground again and asked in surprise, "This What's the thing? "

"It's a long story, let's talk about it when you go back." Qin Yuan didn't explain. He knew that now was not the time to explain. He turned his head to look at Huang Long who had been controlled, and a trace of coldness flashed in his eyes, "Take him away."

Back at the Wolf Teeth Special War Brigade, Qin Yuan was called to the office by Fan Tianlei.

## One-click Recovery Since I was a Special Soldier

### Chapter 2500 - Are you okay?

"Tell me, what's going on? What's that golden light? Also, how do you know about the 'Huanglong's' nest?" Fan Tianlei threw out a series of questions, obviously he was full of doubts about this action.

Qin Yuan was silent for a moment. He looked at Fan Tianlei, and a complicated look flashed in his eyes. He knew that there were some things, and it was time to tell Fan Tianlei.

"Old Fan, do you still remember the piece of ancient jade I got when I performed my mission last time?" Qin Yuan spoke slowly.

Fan Tianlei was stunned, then remembered something, and his face suddenly became serious, "You mean, that piece of ancient jade that can make people gain special abilities?"

Qin Yuan nodded, "I was able to find the 'Huanglong's nest this time because of the ability of ancient jade. As for the golden light..." Qin Yuan paused and took out the quaint pocket watch from his pocket, "This I got it from Huanglong, and it seems to have some connection with ancient jade."

Fan Tianlei took the pocket watch and looked carefully. He found that the back of the pocket watch was also engraved with patterns exactly the same as those on the ancient jade, but the patterns on the ancient jade emitted a warm light, while the patterns on the pocket watch seemed a little dim.

"What is this pattern?" Fan Tianlei frowned. He vaguely felt a huge secret hidden behind it.

Qin Yuan shook his head, "I don't know, but I feel that this pattern seems to be related to my life experience."

Fan Tianlei was shocked when he heard this. He knew that Qin Yuan's life experience had always been a mystery, and even he himself did not know Qin Yuan's origin. He patted Qin Yuan on the shoulder and said in a deep voice: "I will help you find out about this matter, don't worry."

Qin Yuan nodded, he knew that Fan Tianlei did what he said.

In the next few days, Qin Yuan and the Red Cells team members continued to carry out daily training, but his heart was always shrouded in a layer of haze. He always felt that the appearance of Huanglong was not accidental. The pocket watch and the mysterious pattern seemed to indicate something.

On that day, Qin Yuan was conducting shooting training on the training ground, and suddenly, his cell phone rang.

"Hello?"

"Qin Yuan, it's me." A familiar voice came from the other end of the phone, but his tone was full of anxiety and uneasiness, "My dad, my dad..."

"Wang Yanbing, calm down and talk slowly, what's wrong?" Qin Yuan's heart tightened. He knew that Wang Yanbing's father Wang Qingshan was an undercover policeman who

had been lurking in the criminal group for many years and was in danger of his life at any time.

"My dad, my dad has been exposed. Now he has been captured by the people from the Heihu Gang!" Wang Yanbing's voice was filled with a hint of crying, and he was obviously about to collapse.

"Black Tiger Gang?" Qin Yuan frowned. He remembered that the Black Tiger Gang was the largest gang organization in Jiangcheng City. It has huge power and cruel means. Even the police were very troubled by them.

"They said that if my dad doesn't hand over what they want, then..." Wang Yanbing was already crying when he said this.

"Yanbing, listen, I will definitely rescue your dad!" Qin Yuan's voice was firm and powerful, "Tell me where did they lock your dad up?"

Wang Yanbing took a deep breath and tried to calm himself down. "They said that in three days, they would conduct transactions in an abandoned factory on the outskirts of the city, if that time comes..."

"I understand, don't worry, I will definitely arrive on time!" Qin Yuan interrupted Wang Yanbing's words, and a sharp murderous intent flashed in his eyes.

After hanging up the phone, a cold light flashed in Qin Yuan's eyes, and a cold murderous intent emanated from him.

"Heihu Gang, you'd better pray that Uncle Wang is fine, otherwise I'll let your entire gang be buried with you!"

Qin Yuan hung up the phone, took a deep breath, and the cold light flashed in his eyes. Wang Qingshan is both a teacher and a friend to him. He has always kept this kindness in his heart. Now that Wang Qingshan is in danger, he will save him no matter what.

"The Black Tiger Gang is right? I want to see how long you clowns can jump around!" Qin Yuan's eyes flashed with a hint of ruthlessness, and a cold murderous intent emanated from his body.

He immediately stood up and walked straight to Fan Tianlei's office.

"Report!"

"Come in!" Fan Tianlei was studying a document. When he heard Qin Yuan's voice, he asked without raising his head, "What's the matter?"

"Report to the Chief of Staff, Wang Yanbing's father, Wang Qingshan was kidnapped by the Black Tiger Gang, I request to go to rescue immediately!" Qin Yuan's tone was firm and unquestionable.

Fan Tianlei suddenly raised his head, frowned, and a trace of worry flashed in his eyes, "Heihu Gang? They are too brave, even the undercover police dare to move!"

"They said that they would conduct transactions in an abandoned factory in the suburbs of the city in three days. If that time comes..." Qin Yuan paused and did not continue, but the murderous intent contained in his tone was self-evident.

Fan Tianlei naturally understood what he meant. After pondering for a moment, he said, "This matter is extraordinary. I will report it to my superiors immediately and ask for support. You kid calm down. Without my orders, don't act rashly!"

"Yes!" Qin Yuan saluted and turned around and left the office.

He knew that Fan Tianlei was doing it for his own good, but Wang Qingshan's situation was urgent and he couldn't wait that long. He must act as soon as possible, otherwise the consequences will be unimaginable.

Back at the dormitory, Qin Yuan immediately summoned He Chenguang, Wang Yanbing and Li Erniu.

"What happened, boss?" Li Erniu asked vaguely while gnawing on the compressed biscuits.

"Uncle Wang was kidnapped by the Black Tiger Gang." Qin Yuan said solemnly, briefly.

"What? These bastards, I'm going to kill them!" When Wang Yanbing heard this, he was furious, his fists clenched, and his veins bulged, and he wanted to rush out and fight against the Black Tiger Gang immediately.

He Chenguang calmly analyzed: "The Black Tiger Gang is powerful, we cannot fight head-on, we must make a careful plan."

"Plan? What a nonsense! I'll save my dad now!" Wang Yanbing roared with red eyes, turning around and rushing out.

"Yanbing, calm down!" Qin Yuan grabbed him and said in a deep voice, "You will only be alert to the enemy when you rush over now. Not only will you not be able to save Uncle Wang, but you will also trap yourself in!"

When Wang Yanbing heard this, his body stiffened, sat down on the bed dejectedly, covered his face with his hands, and roared in pain: "What should we do? Are we just watching my dad..."

"Don't worry, I won't let Uncle Wang have something to do." Qin Yuan patted his shoulder and said firmly, "Let's go and explore the situation first, find out the details of the Black Tiger Gang, and then formulate an action plan."

"Boss, we all listen to you." He Chenguang and Li Erniu said in unison.

"Okay!" Qin Yuan nodded, and a trace of determination flashed in his eyes, "We will act tonight!"

Night falls and lights are on.

Qin Yuan and the other two changed into night clothes, brought their weapons and equipment, and quietly sneaked into the headquarters of the Black Tiger Gang - a entertainment city called "Golden and Brilliant".

"Boss, how can we get in?" Li Erniu asked in a low voice as he looked at the entertainment city where the lights and wine were bright and wine.

"From the back, there is their surveillance blind spot." Qin Yuan pointed to a dim alley behind the entertainment city.

The four of them hugged and quickly passed through the alley under the cover of the night to the back door of the entertainment city.

"Chenguang, go and solve the surveillance. Erniu, you are responsible for the alert. Yanbing, come in with me." Qin Yuan whispered.

"Yes!" The three of them took the order and acted quickly.

Qin Yuan and Wang Yanbing sneaked into the entertainment city through the brief darkness created by He Chenguang.

As soon as I entered the door, deafening music and pungent perfume came to me. The men and women on the dance floor twisted their bodies frantically, and the air was filled with an ambiguous atmosphere.

"It's so damn messy!" Wang Yanbing couldn't help but curse in a low voice.

Qin Yuan didn't say anything, his sharp eyes glanced around, looking for the place where Wang Qingshan was imprisoned.

"Boss, look, what is that?" Wang Yanbing suddenly pointed to the window of a room on the second floor and said.

Qin Yuan looked up and saw a piece of white paper sticking on the window, with a black tiger head painted on it, and four big characters written below the tiger head - "Heihu Hall".

"Walk!"

Qin Yuan's heart moved and he led Wang Yanbing to walk to the second floor quickly.

When he arrived at the door of "Heihu Hall", Qin Yuan signaled Wang Yanbing to be alert outside, but he gently pushed open the door and walked in.

The room was filled with smoke, and several strong men of all sizes were sitting around a table, sucking in the clouds and spitting out mist. One of them was the boss of the Black Tiger Gang - Zhao Hu!

"Boss, do you think that old guy will be obedient?" asked a thin monkey-like man in flattery.

"Hmph, if he knows the appearance, he will hand over the things, otherwise..." Zhao Hu sneered, and a hint of ruthlessness flashed in his eyes, "I'm making him worse than death!"

No mistakes, one song, one content, one in 6, one book, one bar, one reading!

"Boss is wise!" Everyone echoed.

Qin Yuan hid in the dark, heard their conversation clearly, and was secretly shocked: It seems that Wang Qingshan is really in trouble this time.

He was about to show up when suddenly, the door was pushed open suddenly, and a sexy woman in exposed clothes walked in and said coquettishly: "Brother Hu, someone is looking for you..."

Before the woman finished speaking, suddenly, a black shadow flashed...

Before the woman finished speaking, Qin Yuan's figure appeared behind her like a ghost. One big hand suddenly covered her mouth, and the other hand poked out like lightning, clamping her throat.

"If you want to survive, don't speak!" Qin Yuan's cold voice sounded in her ears.

The woman widened her eyes in horror and struggled desperately, but her power was like an ant shaking a tree in front of Qin Yuan, and she could not shake it at all.

Qin Yuan glanced at the people in the room coldly and said in a deep voice: "If you don't want to die, just be honest with me!"

The sudden change made the atmosphere in the room frozen instantly. Zhao Hu and others stood up suddenly and looked at Qin Yuan who suddenly appeared in surprise.

"Who are you? What do you want to do?" Zhao Hu asked calmly, but his hand holding the machete trembled slightly, obviously he was harsh on the outside.

"You are not qualified to know who I am." Qin Yuan smiled coldly, "I will only ask you one thing, where is Wang Qingshan?"

"Wang Qingshan?" Zhao Hu was stunned for a moment, then reacted and laughed, "So you are the old guy's reinforcement? I advise you to stop meddling in other people's business, otherwise..."

"Otherwise, what?" Qin Yuan's eyes flashed with cold light and he exerted a little force in his hand.

"Ahem..." The woman suddenly felt difficulty breathing, her face turned red, and her eyes were almost glaring out.

"Stop!" Zhao Hu saw this and quickly shouted, "I said, I said..."

"Wouldn't it be better if this was already happening?" Qin Yuan let go of the woman and threw her aside.

The woman fell to the ground, gasping for breath, and her eyes looked at Qin Yuan full of fear.

"Wang Qingshan was locked in the basement." Zhao Hu pointed to a secret door in the corner of the room and said, "However, I advise you not to act rashly, there are dozens of brothers guarding it."

"Does?" Qin Yuan curled a disdainful sneer on his lips, "Do you think they can stop me?"

Zhao Hu felt a stern. He knew that he had hit the nail on the head today, but he still said with a tough bullet: "Don't be too arrogant, our Black Tiger Gang is not easy to mess with!"

"Is that true?" Qin Yuan's eyes burst into cold light, his body flashed, and he appeared in front of Zhao Hu in an instant, choking his neck and lifting him up.

"Cough cough..." Zhao Hu suddenly felt difficulty breathing, and his hands were scratching Qin Yuan's arm weakly, but it seemed like it was tickling, and it could not be shaken at all.

"I'll ask you again last time, where is Wang Qingshan?" Qin Yuan's voice seemed to come from the Jiuyou Hell, and it was biting cold.

"In the innermost room in the basement..." Zhao Hu spit out a few words with difficulty, his face turned into pig's liver.

"You know what you know." Qin Yuan snorted coldly, let go of his hand, and threw Zhao Hu on the ground.

"Bang!" Zhao Hu fell heavily to the ground, covering his neck and coughing violently.

"Boss!"

"Are you okay?"

Seeing this, several other strong men hurriedly surrounded him and asked with concern.

"Get out!" Zhao Hu pushed everyone away, pointed at Qin Yuan, and said with gritted teeth, "Come on me and kill him!"

"yes!"

The strong men had long disliked Qin Yuan. When they heard Zhao Hu's order, they immediately picked up the guy and rushed towards Qin Yuan like they were injected with chicken blood.

"Overbial power!" Qin Yuan sneered, his body shuttled through the room like a ghost, and his fists and feet fell like raindrops.

"Bang bang bang..."

A series of dull collisions sounded, and before the strong men could react, they were knocked to the ground by Qin Yuan and kept wailing.

"Vulnerable!" Qin Yuan clapped his hands, curled his lips disdainfully, and then turned around and walked towards the basement.

"Stop!" Seeing this, Zhao Hu struggled to get up, took out a pistol from his waist, pointed at Qin Yuan's back, and shouted hysterically, "If you dare to touch a hair of Wang Qingshan, I will kill you you!"

Qin Yuan stopped, turned around slowly, and a playful curve curled up at the corner of his mouth: "Oh? Is that right?"

Seeing Qin Yuan's expression, a ominous premonition suddenly arose in Zhao Hu's heart...

Qin Yuan's eyes were as if they were looking at a dead person, which made Zhao Hu's whole body look furious, and his hand holding the gun trembled slightly. He didn't understand why this kid was so calm when facing the gun!

"Just rely on the broken gun in your hand?" Qin Yuan said in a contemptuous tone, as if he was watching a clown jumping, "You can try shooting?"

Zhao Hu was angry by Qin Yuan's eyes. He hated others looking down on him the most! "Then you..." He was furious. He was about to pull the trigger, but saw a flash of cold light in front of him.
