Special Soldier 26

Chapter 26. The territains Chy Vyan
Chapter 26: The terrifying Chu Yuan
"Captain Wise!"
"The centain is mighty!"
"The captain is mighty!"
"Captain 666!"
F
A group of members began to tease the captain.
"You bastards! Are you deliberately hurting me? Go and go, all concealed, we will give
Captain Kang a vigorous meeting later!"
The captain suddenly laughed and cursed.
The captain suddenly taughed and carsea.
It has become a well-known thing not to kill ordinary soldiers who have nothing to do with
the overall situation, but these stinky boys deliberately praise him. Why is this not harming
others?
"Roger that!"
"Roger that!"
There are voices!
The grass fell completely silent.
rumbling.

Kang Lei's heart was cold for more than half of an instant! "Why? Why was my whereabouts discovered? Is there really no need for the Iron Fist to exist?" Conley was suddenly flustered! In order to ensure your own safety! He deliberately delayed entering the battlefield! But I never thought of it! was still guessed by the enemy? "Huh! What a Fan Tianlei! What a special force!" Kang Lei snorted. But there is no alternative! at the moment--He only has longing! His guard squad can resist for a while!

Or destroy the enemy!

"Oh my God! Chief, the opponent's attack is too precise, and a guard squad is about to be defeated! Retreat! Let's retreat quickly!"	
The driver and Kang Lei's bodyguard!	
Seeing that the battlefield situation is extremely unfavorable!	
step on the accelerator immediately!	
is preparing to retreat!	
However, there is a car behind!	
He wanted to withdraw, but for a while, he couldn't leave!	
Da da da!	
DaDaDaDaDal!	
The gunshots gradually decreased!	
As expected.	
There is no accident!	
Kang Lei, except for the personal soldiers in the car, the entire guard squad was killed.	
Kang Lei couldn't help but smiled bitterly, "My old Kang Rongma was half a lifetime, but I didn't expect when I was old, I would be beheaded again?"	
Kang Lei knows!	

this time.
He is doomed!
In front of the car!
The wild wolf team knocked out Kang Lei's guard class in a single encounter!
The winning ticket is already in hand!
Captain Wang Qiang couldn't help smiling brightly, and shouted at Kang Lei's motorcade from a distance, "Captain Kang, get out of the car and surrender. We will give you a decent way to die!"
The guard class, just sitting on the ground, with blood-red eyes, hated and scared the wild wolf team!
They never dreamed of it!
There are so many people!
A face-to-face effort!
They didn't even see where the enemy was!
A guard squad just got reimbursed!
The horror of the opponent's marksmanship!
Act fast!

So	the best way!

sounded almost at the same time!

Wang Qiang and the other two looked at each other with surprise and disbelief!

"Team, captain... the three of us were eliminated at the same time?"

"Furthermore, was it eliminated in this kind of high-speed dodge?"

"The most important thing is! I still get eliminated by a headshot!"

The two of them started talking in horror!
