

Special Soldier 28

Chapter 28: Marksmanship, universe level!

"The battle continues!"

"Come on! Keep fighting!"

Kang Lei cheered up!

"Yes, leader!"

Qin Yuan, Li Erniu, two people suddenly became energetic!

"Head, I hope, I can make a request!"

Seeing that Kang Lei was about to continue his departure, Qin Yuan spoke loudly.

"any request?"

Kang Lei raised his eyebrows. During the exercise, this was the first time a soldier had asked himself!

"The report leader, I hope, can leave us a car, this exercise area is too big, our feet are too slow to drive."

Qin Yuan said directly.

"Haha! I thought it was a request! This request is reasonable, I agree! It's just Qin Yuan, my car is equipped with some expensive facilities, you have to be careful, don't break it, otherwise, I My subordinates, I am afraid they will die of distress." Kang Lei said with a smile.

"Yes! Leader! We will protect your car!"

Qin Yuan and Li Erniu looked at each other, both were happy.

Especially Li Erniu, it's like hearing the heavens!

relies on two legs to run on the road, he almost feels that his legs are not his own!

but now.....

If there is a car!

This is a great choice!

got a car, and then Qin Yuan and Li Erniu loaded all the equipment of the wild wolf team into the jeep, and left the scene of the tragedy with a kick!

"Ding Dong~ Congratulations to the host for completing the task, successfully eliminated the wolf squad, and unlocked a new grid!"

The crisp system prompt rang!

Qin Yuan was overjoyed, and he got another grid!

If there is no such grid!

Qin Yuan had no grids just now!

Fortunately, this time I was supplemented!

Qin Yuan got a new grid!

"Haha... Brother Yuan, it was really cool just now! As soon as we fired, we wiped out their entire special forces! This sturdy record, even the guys from the Fourth Company, can't do it. !"

Li Erniu cheered excitedly, "Brother Yuan, you are my idol!"

Qin Yuan couldn't help but smile: "It's just that I killed a bad wolf team. Is this an idol?"

When Li Erniu heard this, he suddenly felt excited: "No, Brother Yuan! The wolf squad, but the special forces! You killed them, isn't it worth showing off?"

Li Erniu was completely shocked!

A complete eye-opener!

This Qin Yuan I met!

What is the origin?

even killed the wolf squad. Is such a big credit not in sight?

"The mere wolf squad, I kill them, it's like cutting vegetables and melons! It's not worth mentioning! Li Erniu, next, you have to be optimistic," Qin Yuan smiled, "More exciting battles are still there. Behind!"

"Good! Brother Yuan! I believe you! Then I will stare at you and watch you create miracles!"

Li Erniu smiled, and suddenly there was more motivation!

no way!

Qin Yuan's words are simply too infectious!

He couldn't help but was moved by Qin Yuan's words!

The two gallop all the way!

went more than 20 kilometers!

Qin Yuan stopped by a stream.

"Li Erniu, I've been busy for most of the day, and my stomach is groaning long ago. Let's get something to eat!"

With a heartbeat, Qin Yuan turned on a world-class thermal imaging system!

an instant!

Everything within a radius of 1,000 meters, you can have a panoramic view!

There is no enemy nearby!

Qin Yuan can completely relax his vigilance and get something to eat!

"Okay Brother Yuan! I'm going to catch fish! You are waiting!"

Li Erniu saw a small pool and a stream next to him, his eyes lighted up and he went to catch fish excitedly.

As for Qin Yuan?

opened the trunk of the jeep, with a heartbeat, and put the three wild wolf team rifles in!

"Universe-level marksmanship, come on!"

Qin Yuan smiled, his blood boiled faintly.

"Ding Dong~ Please choose!"

As expected!

The crisp system prompt rang!

The three familiar options are also presented before the eyes, only the host Qin Yuan can see!

"I choose 1!"

without hesitation!

Qin Yuan directly chose the first option!

Rifle marksmanship!

Then.

Complete!

Universe!

Universe!

A short moment!

Qin Yuan's rifle marksmanship!

was elevated to a terrifying universe level!

"Universal rifle marksmanship: within 1.5 times the rifle range, there are no false shots!"

Looking at the system prompt, the description of the cosmic rifle marksmanship!

Qin Yuan couldn't help smiling brightly!

There is no false hair, what do you mean?

Just shoot!

will be able to hit the target!

The potential meaning of is to hit every success!

There will be no possibility of deviation or miss!

Closing his eyes slightly, Qin Yuan carefully felt the universe-class marksmanship in his head, and his mouth smiled more, "Is this the feeling of the **** of marksmanship?"

Li Erniu quickly caught several fat and big carps!

Qin Yuan's eyes lit up!

Didn't you expect Li Erniu to catch fish so well?

This kid really has a set!

The rack was set up, the condiments were taken out, and Qin Yuan and Li Erniu started to make grilled fish.

There is no one around anyway!

Qin Yuan doesn't have to worry about fireworks being discovered and revealing his identity!
