

Special Soldier 32

Chapter 32: Looting military vehicles 【3/4】

dark night.

Thunder God led the old fox Yama and all members of the Thunder Commando team out!

The old fox looked puzzled, "Thor, didn't you say that the victory of this exercise is in hand, and there is no goal worthy of the shot?"

"Yes, Thor, the leader of the red party, Captain Kang Lei, don't you just need to dispatch the wolf squad to solve it? What is the sacred thing this time, and we all need to be dispatched?" He was also puzzled.

Thor's eyes were firm and his eyes were biting, "No! On this battlefield, there is no goal. It is worth all of our Raiden commandos dispatched! This time, to be precise...I made the shot!"

"What? Thor, you won't be kidding me? You do it yourself?" When the little bee heard it, he was shocked, "No, Thor! Isn't the goal this time more important than Master Kong?"

When a group of people heard Thor's words, they were all shocked, waiting for his answer.

"Not bad!" Thor nodded, "This time, it is a very unexpected opponent! The opponent is stronger than ever!"

"Unprecedentedly powerful?" When the old fox heard it, he glared, "How strong can you be? Are you stronger than Thor?"

"He killed the Wolf Squad alone!" Thor gritted his teeth.

For this Qin Yuan!

He loves and hates it!

The guy he thought was a deserter at first!

not only came back at the appointed time!

and...

gave him such a big surprise as soon as he came back!

Even Lei Zhan himself felt a huge pressure!

"Fuck! Is it so cruel?"

"Kill the wolf alone? Are you kidding me?"

"Thor, let's join forces and want to destroy the wolf without war damage, is it difficult?"

.....

The old fox, Yama, and the little bee suddenly started talking!

All of them are shocked!

"No kidding! It's really hard!"

Thor's eyes were sharp and he looked forward, "So... this time I put a little pressure on myself, I want to meet this guy alone!"

"What? Thor! Do you want to do it yourself with him?" The old fox raised his eyebrows and shouted surprise!

no way!

According to Thor's description!

The opponent is obviously very scary!

Thor will survive alone?

"Yes Thor, you are so alone, I am afraid that there is not much hope, right?" Little Bee said in confusion.

"No hope?" Thor suddenly stared at the little bee, "Little bee, I'm also Spike's special war ace anyway, the king of soldiers exists! Isn't it possible to deal with a recruit?"

"What? The opponent is still a recruit?"

Everyone stared again!

"Huh! What happened to the recruit? Don't look down on the recruit!"

Thor drove on!

gave a few people a vicious look.

The booming throttle, howls in the dark wilderness!

But the old foxes are completely quiet!

No one will say no more!

because everyone feels it!

The difficulty of this action!

This is a very huge challenge!

.....

In the wilderness.

Da da da!

DaDaDaDaDaDa!

With powerful night vision capabilities and thermal imaging system!

Qin Yuan can spot the enemy early!

With the terrifying cosmic-level marksmanship, Chu Yuan once again shot a 5-man blue team into a headshot!

"Ding Dong~ Congratulations to the host for successfully killing (11/10) people and unlocking a new grid!"

The crisp system prompt rang!

Chu Yuan couldn't help but smile when he heard the words, "Another grid is here!"

The owl before took up the last square!

Qin Yuan is gone!

Now, I just got a new grid!

"Beauty."

smiled lightly.

Qin Yuan won't take the spoils anymore!

drove Li Erniu directly to search!

Poor 5 blue soldiers, until they were eliminated, I don't even know who eliminated them!

"It's a damn! I only hear the sound of bullets, and I get eliminated without seeing anyone!
This is too insulting, right?"

5 people are depressed!

It's just a pity...

Qin Yuan knew their location in advance and found the most subtle shooting location long ago, so that they didn't even know where Qin Yuan was!

I don't even know how to die!

These 5 people can be regarded as the most aggrieved ones!

time flies!

Qin Yuan drove around in the wilderness area!

is very strange!

For a long time, no blue soldiers were found!

"Could it be that we are taking the route too far and getting further and further away from the Blues?"

Qin Yuan raised his eyebrows, expressing his doubts!

It stands to reason...

shouldn't be!

After shopping for so long, how come you have to meet more blue teams!

but now.

The car's gasoline is almost burnt out!

But...

is not able to meet a blue soldier!

This has made Qin Yuan depressed.

"If only we could catch another rattlesnake!"

Qin Yuan couldn't help but miss the benefits of rattlesnake!

Thermal imaging capability can provide him with thermal imaging images in a radius of 1000 meters!

The range of 1000 meters in radius is already very large!

But for the current wilderness, it is stretched.

is not enough at all!

However——

This rattlesnake can't be found just by looking for it!

In fact, Qin Yuan didn't know where the rattlesnake came out of!

I am very lucky to meet one!

"It seems that we should change our mindset, first intercept a blue army military vehicle and get some gasoline, and then see if we can find their marching route map?"

Qin Yuan changed his mind!

Since it is in the current direction, even the blue soldiers cannot touch it!

Qin Yuan simply turned the front of the car, made a 90-degree turn, and started to move in another direction!

As expected!

Hard work pays off!

didn't walk a few kilometers!

Qin Yuan happened to be within the thermal imaging range. found a Blue Army military vehicle full of military supplies!

Seeing the military vehicle, Qin Yuan's eyes lit up in an instant, "I'm dozing off and give a pillow! What do you really want?"

Driving a military vehicle!

are two blue soldiers!

In the carriage, there are 4 blue soldiers on guard!

But according to the information transmitted by the image, the four of them, two of them are sleeping soundly at the moment, and the other two are standing guard behind the carriage!

"Er Niu, hurry up and have a goal to deliver!"

Qin Yuan smiled and patted the sleeping Er Niu!

As soon as Li Erniu heard this, he suddenly became excited and grinned, "Brother Yuan, another enemy has come here? This time you have to remember! Leave someone for me! I still want to earn some military service and enter the special forces. !"

"Okay! I'll save two for you this time!" Qin Yuan smiled, kicked the accelerator, and the jeep roared frantically and moved forward!

In a few minutes!

Qin Yuan stopped at the scheduled shooting location!

"Er Niu, the road ahead, have you seen it? After 3 minutes, the target will pass in front of our eyes! You will shoot first! Give me the rest!"

Qin Yuan and Li Erniu are condescending, hidden in the woods on the upper left of the road!

"Good Brother Yuan!"

Li Erniu smiled and got up to the point!

As expected.

It didn't take long!

A military vehicle came slowly!

"Two cows, shoot!"

The distance was almost the same, Qin Yuan gave an order, and Li Erxin suddenly started shooting frantically!
