## **Special Soldier 35**

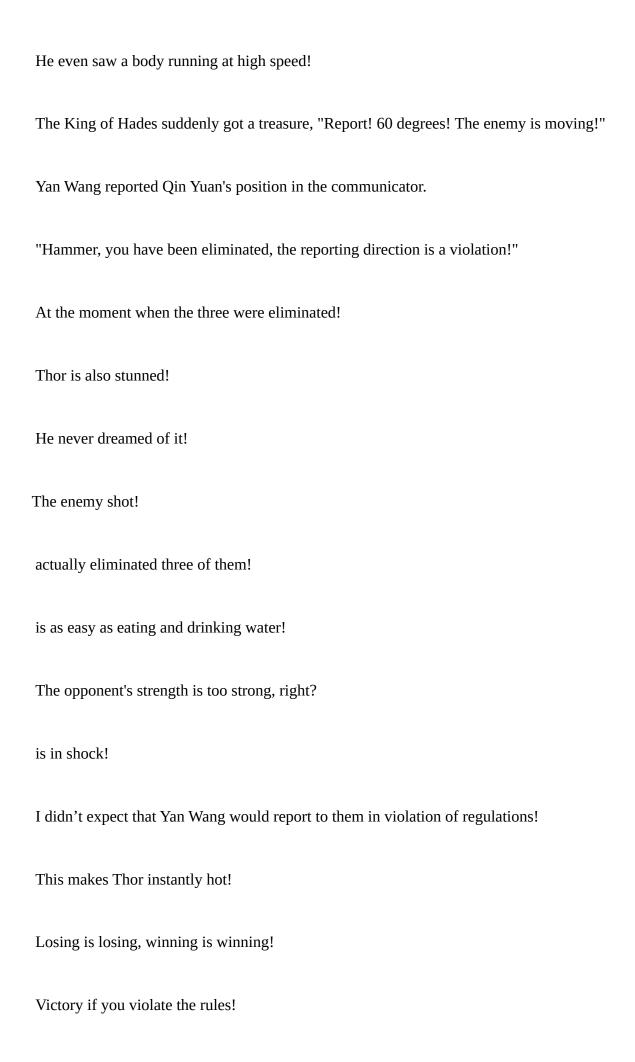

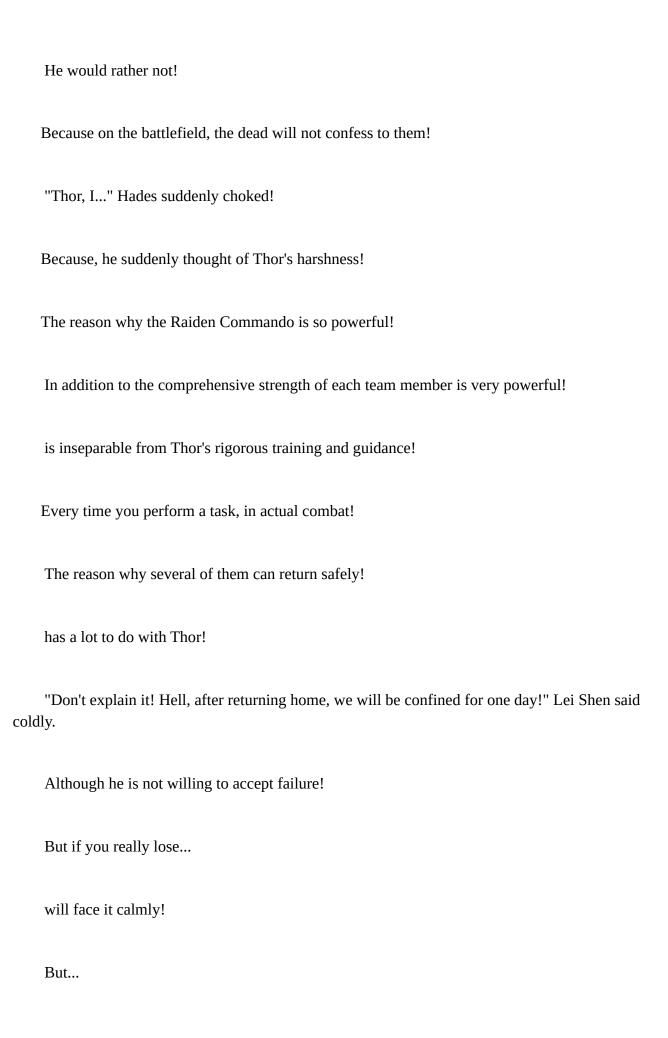

In case of Qin Yuan's ambush!
, if the Raiden Commando is ruined!
This loss!
No one can afford it!
after all.
Now the prestige of Thunder!
But their two generations of commandos used blood and sweat forged!
"But the old fox, let's just lie here, dealing with a recruit, even if we win, it is not glorious!" Thor still felt very awkward!
no way!
Come, this is not in line with their style!
Secondly, when dealing with a recruit, it is not glorious to win!
"Thor, it's not a matter of shame now! Rather, we have to keep the reputation of the Raiden Commando!" The old fox glared, and reminded me heartily.
However——
at this time.
Da!

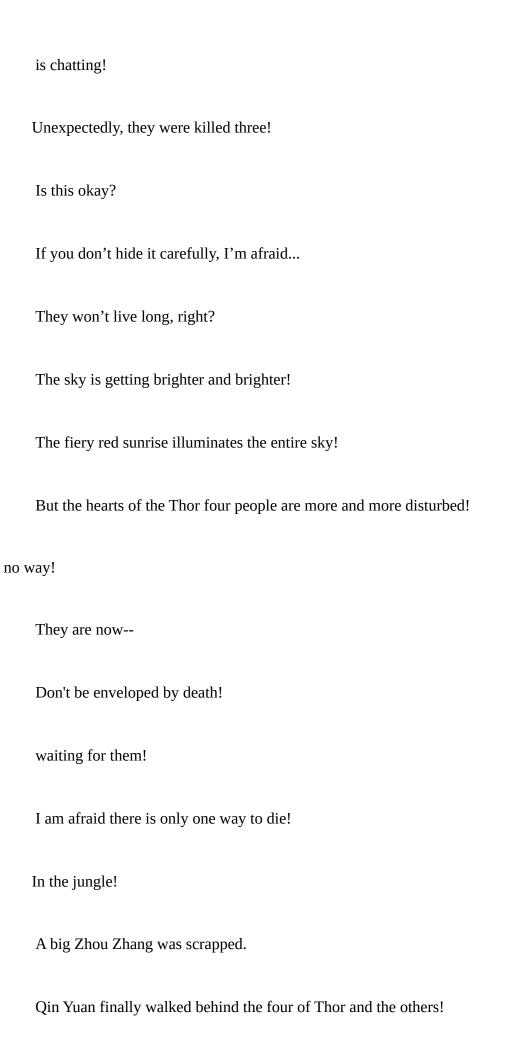

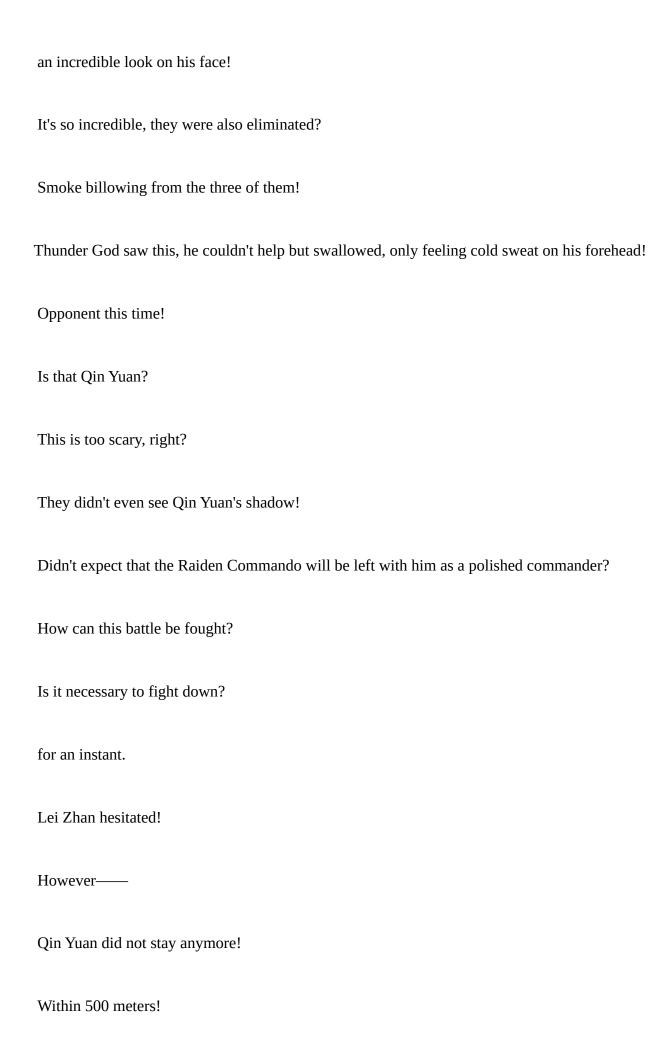

brig	brightly, "Halley, Yuanbao, Daniel, go to death!"	
Da da da!		
	then!	
	Qin Yuan pulled the trigger!	
	an instant!	
	The bullet seems to have eyes!	
	ran directly at the three people behind the bunker!	
all!	The unsuspecting three people were instantly hit in the back of the head and eliminated them	
	"Fuck!"	
	"Fuck!"	
	"Fuck!"	
	For a moment——	
	In the team communicator, three exclamations sounded!	
	The three of Harley Ingot and Daniel have their eyes widened!	

After reaching the most favorable terrain, Qin Yuan raised his gun and couldn't help but smile

Now only Thor is alone!
an instant!
The terrifying power of Qin Yuan's legs suddenly exploded!
Qin Yuan instantly turned into a sharp arrow, and rushed in the direction of Thor!
