

## **Special Soldier 38**

Chapter 38: Thinly gray cat!

The crisp system reminder sounds!

The three options also appeared in front of Qin Yuan!

"1, get world-class sniper rifle skills!"

"2, get world-class sniper rifle manufacturing!"

"3, get a world-class sniper rifle design!"

"Fuck! Is every option of the system so sturdy?"

Look at three options!

Qin Yuan's eyes burst out with excitement!

"The sniper rifles on the market today have their own advantages and disadvantages!"

"If I can design a sniper rifle with perfect performance! Wouldn't it be possible for our country to directly emerge more top snipers?"

Qin Yuan raised his eyebrows, smiling brightly!

no way!

The three options of the system!

Qin Yuan wants it!

is like the design and manufacture of jeep, pistol and rifle!

Now, in front of Qin Yuan, the design and manufacture of a sniper rifle appeared again!

"It's a pity that I am not an arms boss now! Otherwise, the designs produced by these systems! I must get all of them!"

Qin Yuan sighed long!

immediately made a choice!

"I choose 1!!"

The reason why the sniper rifle was recovered!

is to get the top sniper rifle ability!

"Ding Dong~ Congratulations to the host for your successful selection! Achieved world-class sniper rifle level!"

"World-class sniper rifle skills: can provide the host with a perfect kill within the standard range!"

The crisp system reminder sounds!

an instant!

In Qin Yuan's mind, there are many more subtle techniques of using sniper rifles!

Various top skills and methods related to the use of sniper rifles!

A moment of effort!

Qin Yuan integrates all these skills!

Every action seems to be practiced tens of thousands of times!

almost to the point where it can no longer be diligent!

"Is this the level of the world's top snipers?"

Qin Yuan carefully felt the sniper rifle skills in his mind!

can't help but sigh with emotion!

The original top sniper!

Need to know so much knowledge!

No wonder the position of the sniper in a special force is the most important!

Because a top sniper can almost change the situation of a war!

is like Qin Yuan today!

Just give him a favorable terrain and a sniper rifle!

He killed the enemy No. 1 with a hand, effortlessly!

This is the horror of a top sniper!

My heart moved!

Take the sniper rifle out of the system grid!

took a look, now there are only 5 grids left!

Qin Yuan is very satisfied with the world-class sniper rifle skills he obtained this time!

This time...

Blue Army One must die!

Qin Yuan has 100% confidence to eliminate him!

"Now, why don't we improve our fighting ability!"

Qin Yuan smiled, only to feel relaxed all over, unspeakably calm and comfortable!

"Just, how do you improve your fighting skills?"

Qin Yuan couldn't help thinking about it!

Look around the world!

If on the country with the strongest fighting skills!

China is none other than China!

The traditional Chinese martial arts, but it has gathered the essence of the five thousand years of Chinese martial arts!

Guoshu Guoshu!

What is national skill?

Only kill people, not perform martial arts!

was born for killing!

"It seems that if you want to improve fighting, I'm looking for some books about fighting!"

Qin Yuan smiled, now he actually doesn't need the martial arts!

Single powerful physical fitness and terrifying playing card skills!

can make Qin Yuan deal with most crises!

The poker card in his hand is more lethal than a pistol!

"Meow~"

suddenly!

A weak cat cry sounded in my ears!

Qin Yuan couldn't help but feel excited, "Kitten?"

My heart moved!

Qin Yuan promotes thermal imaging capabilities!

combined with powerful hearing!

Qin Yuan instantly locked the source of the sound!

Turning around, Qin Yuan really saw a thin gray cat!

"Worri...Is this still a chubby, fluffy and cute British short? This...is clearly a bone frame?"

Qin Yuan looked at the gray cat in front of him, couldn't help crying or laughing, even a little bit unbearable!

no way!

The gray cat in front of you can vaguely see his breed!

But it is too thin!

Not only is the body thin and not look good!

even the cry is very weak!

"Kitten, what's the matter with you? Stray cats shouldn't be so miserable, right?"

Qin Yuan smiled lightly, and walked over to the thin gray cat.

is very unexpected.

The little gray cat didn't even go away, still whispering, looking at Qin Yuan with very innocent eyes, meowing.

"Little gray cat, are you too hungry? Can't walk? You don't even dodge when you see strangers?"

Qin Yuan couldn't help but smile.

no way.

This is the first time he has seen such a poor stray cat!

Maybe...

is the empathy, because of the weak people before!

Qin Yuan has a strong affection for the stray cat in front of him.

A hand stretched out, sure enough!

The little gray cat did not dodge, sticking out his tongue, licking Qin Yuan's fingertips,  
"Meow~meow~"

The cat's weak cry and helpless eyes make people feel distressed.

Qin Yuan stretched out his hand and carried the grey cat to the back seat of the car, then took out the ham sausage and instant noodles and other fast foods that Li Erniu had seized from his backpack, tore up the package, and handed it to the kitten.

"Meow~meow~"

The little gray cat suddenly beamed his eyes, and began to eat while whining.

In a moment.

A thick ham was completely eaten by the kitten!

The little gray cat goes on to the second one!

Qin Yuan couldn't help but smile when he saw this, "Don't worry! No one will \*\*\*\* you! These are all yours!"

Ham sausage instant noodles, these things were also Qin Yuan's favorite before!

Seeing the kitten eating with relish, Qin Yuan couldn't help but open a pack of instant noodles, quack quack, chew it!

"By the way! Recycling Red Bull, you can get a world-class nutrient solution!"

"Now that the cat's body is so weak, why don't we give it some nutrient solution to improve its physical fitness?"

Maybe it's because the kittens are so adorable!

Qin Yuan really wants to help him!

no way!

dignified and short, has fallen into this field!

Qin Yuan feels worthless for it!

"Ding Dong~ Now a system task is released: Help Ying Dan heal his leg injury and unlock a new grid!"

suddenly!

The crisp system reminder sounds!

Qin Yuan couldn't help but be a spirit!

"Help Ying Dan heal her leg injury? What's the situation? This poor kitten is injured?"

Qin Yuan was shocked, and immediately checked it carefully!

As expected!

He found the kitten's front left leg, which seemed to be broken!

just lying on the ground, Qin Yuan didn't notice it!

but now--

Under careful observation, Qin Yuan finally discovered the kitten's injury!

The original left leg was broken!

No wonder they are so thin!

was originally a kitten!

lacks competitiveness!

Now, the legs are also broken!

It's strange to gain weight!

"In that case! I will help you treat it!"

Qin Yuan smiled, "But! I want to help you heal! But you have to wait until after the exercise is over!"

My heart moved!

Qin Yuan reclaimed the little gray cat with folded legs into the grid of the system space!

Because I want to bring a small gray cat in my backpack, it must not work!

On the contrary, it is very safe to put it in the system grid! !

"Ding Dong~ Please choose!"

The crisp system prompt rang!
