

Special Soldier 401

Chapter 401: An Ran is there?

But with this distraction, Qin Yuan's hands were a little heavier, and Mu Qingmei suddenly let out an unbearable moan!

And hearing Mu Qingmei's cry, the people from the Wolf Warriors team couldn't stop looking over here, Mu Qingmei's face was covered with a red cloth, she forcibly resisted not letting herself call out. It's a pity that this sour, numb and itchy feeling on his body is really unbearable, and in the end he can only scream out.

Hearing Mu Qingmei's cry at this time, Qin Yuan also came to his senses. No matter how much Grid gets, that will be the future. Now he still has to serve his own woman!

The members of the Wolf Warriors team couldn't stop laughing, but Qin Yuan yelled at the sight of these people:

"Have you practiced well?"

All of a sudden, these people didn't dare to be lazy again, and after Qin Yuan finished the massage for Mu Qingmei, he directly started a one-to-one training with these people, and corrected the mistakes of these people one by one.

Soon, Qin Yuan helped these people complete the exercise exercise, but no one else was able to complete the entire exercise exercise like Mu Qingmei.

But Qin Yuan is not in a hurry. Over time, these people will always complete the bodybuilding technique, and Qin Yuan also greeted Long Xiaoyun and asked him to write his own instructions as a document and send it out. After all, these hidden injuries can be regarded as unreasonable. Large or small.

After finally finishing all of this, Qin Yuan asked Mu Qingmei to ask for a leave, and then took Mu Qingmei to leave the Wolf Warrior base directly.

At this moment, Mu Qingmei was sitting on the co-pilot a little bit limp. It had been relieved all morning, and still felt a little weak. However, she glanced at Qin Yuan who was sitting next to her, and she felt a little warm in her heart. , Is always an unstoppable surprise.

After all, as a doctor accompanying the team, Mu Qingmei is very clear about the value of Qin Yuan's exercise technique. This is not only to change the quality of the army, if the effectiveness of this exercise technique can be proven, even the entire country. All of you will learn this kind of thing slowly.

This is a lesson learned. Otherwise, why do you think your gymnastics class in middle school and Ba Duan Jin in university are necessary electives?

And thinking that Qin Yuan could affect so many people, Mu Qingmei felt like a dream, as if she was floating on Yundun. He directly leaned his head on Qin Yuan's body and said softly:

"Qin Yuan, you are really amazing!"

When Qin Yuan heard this, he also smiled slightly. After all, which man doesn't like to hear his own woman's praise?

But Qin Yuan thought about it carefully. It seemed that this physical exercise was learned through Mu Qingmei's gymnastics. Qin Yuan touched Mu Qingmei's head.

The achievement of this bodybuilding technique is still very meaningful, just like Qin Yuan's reputation, it may be possible to send a grid to Qin Yuan when, then it may be able to directly reverse the situation.

Mu Qingmei also rubbed Qin Yuan with some enjoyment, but when he looked ahead, he asked Qin Yuan:

"Where are we going now? I haven't eaten yet, I'm a little hungry now."

"Hey, I'm also a little hungry. This time I happened to take you to Cengfan. There was an invitation in the back bread. Someone got married today."

Qin Yuan brought Mu Qingmei to the scene of Fan Tianlei's wedding.

Although it was a remarriage, it was done more grandly. Originally, Qin Yuan thought that Fan Tianlei would do these things a little more concealedly, but later I heard that it was Fan Tianlei's wife who wanted to have a complete excitement. Things have been separated for many years, and holding a ceremony now can rekindle the passion of the year.

It's just that this incident became Qin Yuan's excuse for ridiculing Fan Tianlei. Fan Tianlei had a Chinese wedding. He thought of Fan Tianlei who usually wears military uniforms, but today he is wearing a big red suit. Qin Yuan just can't stop. Want to laugh.

At this time, Mu Qingmei also took out the latter invitation. She was a little surprised to see the name on the invitation. He didn't expect that the marriage was actually Fan Tianlei.

Qin Yuan talked and laughed with Mu Qingmei all the way, and soon arrived at the hotel where Fan Tianlei was married. After entering, he found that Fan Tianlei was welcoming guests at the door.

Fan Tianlei's face was a little red. As a warrior, if you let him attack the local fortress, he didn't have any fear. However, facing so many guests today, he just felt that his calves were weak.

And there are many villains among these guests, such as Qin Yuan!

As soon as Qin Yuan entered the door, he slapped Fan Tianlei's shoulder directly with a playful smile on his face, and said directly to Fan Tianlei:

"Oh, the bridegroom officer, you dress up really beautifully today. I look at you. Is this face powdered? Hahaha!"

At this time, Fan Tianlei looked at Qin Yuan, blowing his nose angrily, but there was no way.

After all, there is no big or small today, and Qin Yuan usually still has a little respect for him, but today this is a good opportunity. If you don't take this opportunity to laugh at Fan Tianlei, I am afraid that there will be no chance in the future.

And Mu Qingmei, who was standing on the side, also covered her mouth and smiled slightly. She naturally knew that Qin Yuan and Fan Tianlei had a very good relationship. They were joking. Fan Tianlei couldn't wait to block Qin Yuan's stinky mouth directly This brat is too arrogant.

But when Fan Tianlei saw Mu Qingmei, a smile appeared on his face. He glanced at Qin Yuan a little gloating, and then directly said to Qin Yuan:

"Hurry up and give me the bride price, go in for dinner, I hope you can eat happily. Oh, by the way, your table is at table 8, hurry over."

Seeing Fan Tianlei's reaction at this time, Qin Yuan's eyes narrowed when he heard this. Of course, he could hear that Fan Tianlei's tone was slightly wrong, as if there was some way to deal with him.

But Qin Yuan thought about it carefully. Today, Fan Tianlei is a groom official, and he is not enough to deal with other hungry wolves. Does he have the energy to target himself?

Qin Yuan shook his head. This was putting the red envelope prepared in advance aside, and then moving towards table 8 with Mu Qingmei, but after Qin Yuan saw the person sitting at table 8. The eyes are staring straight up!

He finally understood why Fan Tianlei would show him a gleeful smile, because the people sitting at table 8 were not only Qin Yuan's red blood cell team, but An Ran was also sitting here!

Chapter 402: Smart

Qin Yuan was completely dumbfounded at this moment. He really didn't expect Fan Tianlei to be so vicious. Knowing that he came with Mu Qingmei, he even arranged him next to An Ran!

At this time, Qin Yuan couldn't stop a cold sweat from his back. He finally knew what Fan Tianlei was feeling just now. Now it is not a problem for Qin Yuan to kill 10 more scorpions, but he is now facing Enron. He Mu Qingmei felt like sitting on pins and needles, scratching his whole body!

And An Ran also saw Qin Yuan coming over, and quickly got up to greet him, and said directly to Qin Yuan, "You are here, and I have reserved a place for you."

And at this moment, An Ran also saw Mu Qingmei on this side, and the two of them faced each other and were stunned.

Women's intuition instantly made them aware of the connection between each other and Qin Yuan.

At this time, the people in the red blood cell team at the table were also trembling with fright. They seemed to see a spark flashing between the eyes of Mu Qingmei and An Ran.

There is a polar storm in the eyes of the two people. If the emotions in their hearts are released with voltage, I am afraid that the entire hotel venue will be razed to the ground!

At this time, Qin Yuan felt that his hands were twitching. Although he had known that there would be such a day for a long time, he didn't think that this day would arrive so soon, and he was so caught off guard.

This kind of thing can't be solved by how many grids Qin Yuan has, or how many abilities he has!

At this time, Qin Yuan tremblingly introduced Mu Qingmei to An Ran, and then tremblingly introduced Mu Qingmei to An Ran.

After the two women heard each other's name, they smiled brightly, showing an extremely sunny smile, and then shook hands in harmony, but looking at their smiles, Qin Yuan seemed to be seeing two Shura , Are wrestling with each other,

Qin Yuan had already made a plan in his heart. After he went out, he must find an opportunity to beat Fan Tianlei violently. This guy is miserable for himself.

At this time, An Ran saw Mu Qingmei and said directly:

"Sister Qingmei, I have heard of your name before, but I saw you today. Would you like to go to the bathroom?"

And Mu Qingmei was also slightly surprised, but she also nodded. The two women walked towards the bathroom together, holding hands, while He Chenguang, who was standing on the side, looked at the backs of these two women. Some were scared and said:

"Captain. You said these two people won't fight in the bathroom?"

"I think it's possible, Captain, do you want to follow along and see?"

At this time, Li Erniu who was on the side also murmured, but when he heard this, Qin Yuan directly slapped the heads of two people:

"Do you two think I'm stupid? I'm past now, isn't I looking for death, I can only wait for the two of them to discuss an ending, and then I will go over!"

Qin Yuan tried hard to become calm at this time, but Xu Tianlong and the others who sat aside, looked at Qin Yuan's trembling calf, and shook his head speechlessly:

"Sure enough! Women are tigers!"

"It's not that women are tigers, but that if two women are put together, they will become tigers. Tonight, let's see how the captain should die."

After saying this, Xu Tianlong and Wang Yanbing looked at each other maliciously, and both of them laughed at each other.

At this moment, looking at the group of ***** in front of him, Qin Yuan couldn't take care of it anymore. He was thinking about how to explain to Mu Qingmei and An Ran for a while.

Qin Yuan looked at the long list of skills in the system, and found that none of them could be applicable to the current situation. He was filled with helplessness. Why didn't he choose a skill of the love saint? If that's the case, maybe not Need to scratch my head for these things in front of me!

After a while, the food was already served. Qin Yuan finally mustered up the courage to see if the two really started fighting, but at this moment, An Ran and Mu Qingmei were acting Of course he walked back from the direction of the bathroom.

Qin Yuan adjusted his eyesight to the limit at this time, carefully observing the bodies of the two people, and found that neither of them seemed to be injured. This was a sigh of relief.

Fortunately, the two of them didn't start their hands. Qin Yuan was a little worried. If they really started fighting, it would be a big trouble!

An Ran is a well-trained soldier, and Mu Qingmei is not a fuel-efficient lamp. If these two men really beat their heads, it is estimated that today Fan Tianlei's wedding will not have to be done!

But what surprised Qin Yuan even more was that An Ran and Mu Qingmei were talking and laughing at this time, just like sisters for more than 10 years. Now Qin Yuan's eyes were the staring boss, and he touched his head. I don't understand what the reason is.

The members of the Red Blood Cell Team were also dumbfounded, looking at An Ran and Mu Qingmei as if they were fools, the dishes on the chopsticks were about to fall.

And An Ran and Mu Qingmei went directly to Qin Yuan's side, and the two of them clamped Qin Yuan together and pressed Qin Yuan onto a stool. The two of them sat directly beside Qin Yuan, one left and the other right.

"What are you doing in a daze? Isn't this already served? Sit down and eat!"

At this time, An Ran showed a very gentle smile, and Mu Qingmei on the other side also took a piece of wedding candy, gently pushed it away, and placed it in Qin Yuan's mouth.

At this time, Qin Yuan was stunned, just enjoying the tenderness of the two people silently.

And the people in the surrounding red blood cell team all looked at the Qin Yuan trio dumbly. They really didn't expect that things would turn out like this!

Originally, they were still thinking about how to help Qin Yuan today so that Qin Yuan would not be too embarrassed, but who would have thought that if they did nothing, things have become the current situation!

At this time, Wang Yanbing stood up suddenly, gave Qin Yuan a thumbs up directly, and said loudly:

"High! Captain, you are too high!"

At this moment, Qin Yuan looked at Wang Yanbing, staring and gritted his teeth and said:

"How high?"

"Of course it was the last time the Scorpion was defeated. In such a dangerous situation, the Scorpion almost ran away. In such a critical situation, you can find the route of attack and let us all kill the Scorpion. Great!"

At this time, Wang Yanbing said with a weird face, while the others burst out laughing. They all understood that although Wang Yanbing was talking about dealing with scorpions, these words were actually praising Qin Yuan for his brilliant methods!

Chapter 403: I am human too!

At this time, when he heard Wang Yanbing's words, Qin Yuan also showed an extremely sunny smile on his face, and said softly to Wang Yanbing:

"Okay, I see, you are tired standing up too, hurry up and sit down to eat your meal!"

It seemed that he had sensed the murderous aura in Qin Yuan's words, and Wang Yanbing sat down now, but his eyes were rolling around, and he couldn't help communicating with several other teammates.

Looking at these bastards, Qin Yuan used tactical sign language to communicate in a covert manner, so angry.

But he really can't take care of the group of people in front of him now. Although on the surface the two women are very kind to him, they are peeling shrimps and picking vegetables, it seems that Qin Yuan has enjoyed all the blessings of the people. But others didn't know, Qin Yuan clearly felt that the hands of the two women under the table were pinching Qin Yuan from left to right, turning desperately, the painful Qin Yuan couldn't stop grinning. !

But Qin Yuan couldn't show it directly, he had to have that kind of smile on his face, not to mention how uncomfortable it was!

However, Qin Yuan's heart also had a trace of rejoicing. Since the two people had started the fire, it would be good. After all, they had already sprayed this qi on his body, and there would be no major problems.

If this were all vented on the opponent, then Qin Yuan would be considered truly difficult.

However, it is too difficult now, Qin Yuan feels that the meat on his waist is almost not his own!

But at this moment, the waiter went directly to a large Aozhou lobster. At this moment, seeing the large lobster, Qin Yuan suddenly woke up!

Meowing, although I can't hide, but I can add a little defense!

Thinking of this, Qin Yuan couldn't wait to slap himself directly, he wouldn't be finished like this a long time ago, and he wouldn't have suffered for such a long time!

So when the big lobster was put on the table, Qin Yuan directly stretched out his hand, broke off a shrimp tongs, and suddenly stuffed it into his mouth!

And at the moment when a piece of shrimp meat entered his mouth, Qin Yuan silently said "recycle" in his heart, and immediately recovered a piece of shrimp meat in his mouth into his grid!

At this time, An Ran and Mu Qingmei saw Qin Yuan's positive look, and they were a little strange. Qin Yuan had a bitter face just now, and didn't want to eat any dishes, but now they saw this big lobster, they reached out to catch it. , This is beyond their expectations.

"Slow down, look at you, the food is full of oil, I don't know to pay attention."

"That is, if you want to eat this kind of big lobster, I will take you to eat it later."

At this time, the two people gave Qin Yuan a word of comfort, but the movements on their hands did not relax.

And Qin Yuan nodded while hearing a voice in his mind:

"Ding Dong~ The system was successfully recovered, please start the selection!"

With the prompt sound of this system, three options suddenly appeared in front of Qin Yuan!

"1, get world-class lobster armor!"

"2. Get a world-class lobster cooking method!"

"3, get world-class lobster breeding!"

At this time, seeing these three options, Qin Yuan's tears were about to come out, and he felt extremely regretful in his heart. Why didn't he think of this scene earlier, and then Qin Yuan did not hesitate, and said silently in his heart:

"The system I choose item 1!"

"Ding Dong, congratulations to the host for choosing successfully and obtaining world-class lobster armor!"

"The world-class lobster armor can form an invisible armor similar to the lobster armor on the body, enhancing the host's defense and underwater mobility!"

At this time, with the voice of the system, Qin Yuan suddenly felt as if he was wearing a layer of clothing. Qin Yuan knew that this was the ability of the lobster armor.

And with the appearance of this layer of clothing, Qin Yuan immediately felt that the pain on his waist had alleviated a lot.

All of a sudden, Qin Yuan burst into tears, and quickly grabbed a shrimp tongs and snapped it to pieces.

Seeing Qin Yuan's appearance at this time, Mu Qingmei and An Ran suddenly felt very weird. They thought that Qin Yuan couldn't stand the pain anymore, and they couldn't help feeling a little guilty, but they thought they were in the toilet. The appointment happened, that is, gritted his teeth and did not let go.

It's just that the two of them felt that the muscles on their hands seemed to have become stronger, but this did not attract the attention of the two.

Feeling the pain in his waist weakened again, Qin Yuan couldn't help but feel happy.

Sure enough, the grid is still useful.

Qin Yuan loved this big lobster to death at this time!

After not long, the two women finally let go, which also made Qin Yuan a sigh of relief.

At this time, the bride and groom came to toast. At this time, looking at Fan Tianlei in a red suit, Qin Yuan gritted his teeth and said:

"Groom officer, are you in a good mood today?"

"That is, very good, but I want to thank you, Qin Yuan, if it weren't for you, I'm afraid I can only do this kind of thing when I am dreaming."

Fan Tianlei said to Qin Yuan in a deep voice at this time, while the others on the table, especially Fan Tianlei's wife, looked at Qin Yuan with great gratitude.

After all, Scorpion's hands don't know how much blood debts they have. Now they finally killed the Scorpion, and finally let out a breath of sullenness!

"Okay, this is what I should do, no need to say such sensational words!"

Qin Yuan also smiled slightly, and drank all the wine in the glass.

But after Fan Tianlei finished drinking to Qin Yuanjing, he said to Mu Qingmei and An Ran:

"I also want to thank you both. Although it is not sincere enough to praise people face to face, Qin Yuan is really a hero, a real hero!"

After saying this, Fan Tianlei also raised his head directly and drank the drink in his glass.

And Mu Qingmei and An Ran glanced at each other and both sighed slightly, and the look in Qin Yuan's eyes became gentle.

They weren't people who abused others. They just saw each other at first sight and were dazzled by anger. Now that they heard Fan Tianlei's words, they remembered what kind of person Qin Yuan was.

To be honest, with Qin Yuan's current status and talents, if he wants a woman, there will probably be a woman crying and robbing him, but now Qin Yuan is wronged and accepts punishment from two people. I didn't even have a face anymore, which was considered to be very respectful to them.

And Qin Yuan also glanced at Fan Tianlei with some gratitude. He found that Fan Tianlei wasn't trying to fix him this time. This time it was a good opportunity to make An Ran and Mu Qingmei reconcile. If at other times, it might not be true. There is such a good opportunity.

"Well, I am also an individual, and I will do wrong things too. I just hope you can give me a chance."

At this time Qin Yuan said with a grin, and when they heard this, Mu Qingmei and An Ran pinched Qin Yuan's body again, which was regarded as giving up, but they saw the appearance of the two women. Haha laughed.

Chapter 404: 1 wish

At noon that day, Qin Yuan helped Fan Tianlei block the wine, and those Fan Tianlei's old classmates and old comrades drank all fell to the ground one by one, but Qin Yuan was not drunk because of his cosmic liquor capacity. After drinking, a group of people are still full of spirits!

At this time, An Ran and Mu Qingmei looked at Qin Yuan with speechlessness. The two of them suddenly thought of a very terrible thing. Thanks to Qin Yuan's non-human physical strength, even if they were only exhausted. Niu, there is no bad land, but are the two of them really Qin Yuan's opponents alone?

Thinking of this, both Mu Qingmei and An Ran were a little dumbfounded.

If this is the case, the two of them are still arguing?

But when Mu Qingmei and An Ran were thinking wildly together, Qin Yuan walked in front of the two with a drunken scent, and said with a smile:

"Finally, I drank all these people and fell on the ground. The task is complete, let's go! By the way, what did you think about when you two looked blushing just now?"

When they heard Qin Yuan's words, Mu Qingmei and An Ran's faces flushed even more, and they stammered and said, "I didn't think about anything... I didn't think about anything..."

Qin Yuan saw the mysterious appearance of the two gods, so he couldn't go into the details. He just murmured on his lips, and then said to the two of them:

"Do you have anything this afternoon? If it's okay, I want to take you to a place."

After hearing Qin Yuan's words, both An Ran and Mu Qingmei nodded. Today, Mu Qingmei came out with Qin Yuan on a leave of absence, and An Ran's identity is special, and when there is no task, he will be more free.

Seeing that both of them had time, Qin Yuan also nodded, and then directly took the two women into his broken jeep and started to drive outside.

Just watching Qin Yuan want to drive, An Ran pushed Qin Yuan to the co-pilot, and said angrily:

"What are you doing? Even thinking about driving after drinking so much alcohol?"

"Nothing I'm not drunk."

At this time, Qin Yuan defended, but seeing An Ran's eyes, he could only helplessly sit in the co-pilot.

"Okay, where are you going? Just say it."

At this time, An Ran directly asked Qin Yuan, and Mu Qingmei looked at Qin Yuan with some curiosity. After all, Qin Yuan seemed so solemn when he spoke just now. Obviously, this place might be something to Qin Yuan. Important place.

When Qin Yuan heard An Ran's words, a smile appeared at the corner of his mouth, and then he said directly to An Ran, "Of course it is the military district compound!"

"Military compound?"

Suddenly, An Ran and Mu Qingmei both screamed. They really didn't understand why Qin Yuan would go to this place?

However, when Qin Yuan found the specific location on the phone and asked An Ran to take a look, An Ran's eyes lit up and said directly to Qin Yuan:

"Are you going to the newly built orphanage?"

That's right, the place Qin Yuan is going to is the orphanage!

Something like that happened before. People from the Fusang Club caught Grandma Sun and others, trying to threaten Qin Yuan. Although Qin Yuan killed all those people, this incident also reminded Qin Yuan.

After all, what he did is easy to offend people. Although Qin Yuan has hidden his identity as much as possible, it is impossible to be foolproof after all.

If those people couldn't deal with Qin Yuan, they might deal with the people around Qin Yuan, so Qin Yuan must put those around him who are extremely important to him in a safe place.

So Qin Yuan discussed with Fan Tianlei together, and then moved all the orphanages to the compound of the military area. Qin Yuan borrowed the name of the military to donate a sum of money to the orphanage. The environment has changed completely.

This is a good thing after all, so after Fan Tianlei and his superiors notified it, it was passed quickly. After all, there are not many orphans in the military, but there are many single-parent families. The establishment of an orphanage will also affect other members of the military. It's a good thing.

And this time Qin Yuan wanted to take An Ran to see Grandma Sun. Mu Qingmei had already met Grandma Sun. So for Qin Yuan, since he had already opened the card, he would treat him equally, and Qin Yuan I haven't seen Grandma Sun for a long time, so I took this opportunity to take a good look at her.

At this time, Mu Qingmei directly said to An Ran, "He is taking you to see your parents!"

See the parents?

Hearing this, An Ran's face was a little red, and then Mu Qingmei explained to An Ran again, explaining Qin Yuan's identity.

An Ran also knew from Qin Yuan's information that Qin Yuan was an orphan, and this time Qin Yuan had to take him to see the grandmother who raised him, which is enough to prove that Qin Yuan attaches great importance to him. This made An Ran's eyes look at Qin Yuan more gentle.

Soon, the three of them arrived at the orphanage together, and when Qin Yuan screamed and rushed towards the orphanage, he found that there was no one in the orphanage quietly, and Qin Yuan suddenly felt in his heart. shock.

Since the last time this kind of thing happened, Qin Yuan has been very sensitive to the safety of the orphanage. What is going on, it will not be all taken away in the military compound compound.

Qin Yuan just wanted to yell, but at this moment, Qin Yuan heard a voice from inside. rushed in and found it was Grandma Sun!

At this moment, Grandma Sun saw Qin Yuan, her eyes lit up, and she hurriedly greeted him, hugged Qin Yuan directly, and said to Qin Yuan:

"You stinky boy, you are here, it has been so long, and you don't come to see grandma. I thought you forgot grandma."

Qin Yuan was also relieved when he saw Grandma Sun's appearance. After all, Grandma Sun seemed to be very happy, which proved that the orphanage did not have other problems, and asked Grandma Sun:

"Grandma, where are the other little carrot heads?"

"It's going to school. The military region has waived all their tuition fees. Some children who are too young have been taken away by the military region's people. Some people who can take care of themselves and are unwilling to go to other families will go. It's school, they haven't finished school yet, and it will be lively when school is over."

At this time, grandmother grandmother smiled kindly. Although there are fewer children in the orphanage, grandmother grandmother is very happy. After all, she can see that these children can have a good future and have a happy family. , Her heart can be regarded as fulfilled a wish.

Chapter 405: Don't let down

Qin Yuan breathed a sigh of relief when he heard this. He thought something was wrong again, and then Qin Yuan introduced An Ran and Mu Qingmei to Grandma Grandma, who had already met Mu Qingmei and Shen. But Grandma An Ran didn't see her.

After all, Grandma Sun is an old man, and she quickly sees the relationship between An Ran and Qin Yuan. However, Grandma Sun is Qin Yuan's grandmother after all. Naturally, she is very willing to take advantage of this kind of thing, so it is directly He pulled Mu Qingmei and An Ran into the house, but instead dried Qin Yuan outside.

Qin Yuan saw this situation, but he couldn't laugh or cry for a while. Why did it look like Mu Qingmei and An Ran were more like grandma's granddaughters?

The three women chatted together for a long time, talking about all the embarrassment that happened to Qin Yuan when he was a child, while Mu Qingmei and An Ran looked at Qin Yuan who was standing aside extremely embarrassed and couldn't help but want to laugh. Who would have thought that the invincible Qin Yuan had such a childhood.

But after listening, Mu Qingmei and An Ran are also a little sympathetic to Qin Yuan. After all, when Qin Yuan was young, the financial situation of the orphanage was not good. As a relatively older child, Qin Yuan not only had to go to school well, It is also necessary to do all kinds of small businesses, collecting waste products, picking up garbage, to subsidize the orphanage's household.

Only in this environment can someone like Qin Yuan be cultivated.

"Grandma Sun? I wonder if the former orphanage has been demolished, can we go back and take a look?"

At this time, An Ran directly asked Grandma Sun, and when Grandma Sun heard this, her eyes brightened. Although she has moved here for a long time, and the environment and various equipment here are better than before. The old orphanage is much better.

But the old man is more nostalgic after all. Now that he heard that An Ran wanted to go back and have a look, he naturally agreed.

So Qin Yuan and the three directly took grandma Sun and went to the old site of the orphanage.

Soon, the four of them arrived at the destination together, and Grandma Sun hadn't been here for a long time. Looking at the door that had become a little rusty, she couldn't help but sigh.

And seeing the appearance of Grandma Sun, Qin Yuan supported Grandma Grandma, fearing that Grandma Grandma would fall with excitement, and whispered:

"Grandma, how are you?"

"What's wrong, how good life is now? It's just that I have been here for so many years, and I feel a little bit reluctant. Look at this wall, which is the height wall of those of you. If it's birthday, who I will go and draw a line directly on this wall to see how tall it has grown in a year, so many children are about to fill this wall."

Hearing this, Qin Yuan also showed a slight smile on his face, then smiled and said to grandma:

"Then grandma still remember which one is mine?"

Grandma Sun looked at Qin Yuan's mischievous appearance and shook her head:

"You skin monkey, of course I remember that when I was a kid, I was still a small carrot head. When I was in junior high school, I went up and down and grew up to more than 1.8 meters. You are the tallest. How can I forget it? ?"

Having said this, Grandma Sun directly found a trace on the wall, this series of traces was left by Qin Yuan.

At this time, looking at the trace of height left by Qin Yuan, Mu Qingmei and An Ran also both smiled. Seeing this trace, they also seemed to see how Qin Yuan grew up little by little.

But looking at it, Mu Qingmei was a little surprised and pointed to a row of different scratches, and asked Qin Yuan:

"This column is not yours, how come it's mixed with you?"

Grandma Sun smiled when she saw the different scratches and said directly:

"That's someone else's. It's a girl named Xiao Hua. When I was a child, I played well with Qin Yuan. It was Qin Yuan's little follower. I thought Xiao Hua would marry Qin Yuan when she grows up. Who knows? , But it has become what it is now, Qin Yuan, this stinky boy, unexpectedly found you two big girls like flowers!"

Upon hearing this, Mu Qingmei and An Ran both blushed a little, but they still asked:

"Then this girl named Xiaohua, where did she go?"

"Little Hua is more beautiful, so when she was 10 years old, she was adopted by others!"

At this time, Qin Yuan directly explained to the two of them, and Qin Yuan also remembered the little follower who followed him when he was a child.

At that time, Xiaohua really wanted to marry herself, but Qin Yuan didn't take it seriously. After all, what a child said was true.

Of course, more importantly, Qin Yuan was the eldest brother in the orphanage at that time. Not only did he make a great contribution to the orphanage, he also acted ruthlessly against these small carrot heads. Not only was he very kind, but also majestic. It's not small either.

In this way, the end of the combined use of Enwei is that the little carrots in the orphanage are very convinced of Qin Yuan. Many girls in the orphanage are going to marry Qin Yuan. There is one more flower, which is inconspicuous at all, drizzle. Up.

But now that Xiao Hua was mentioned, Qin Yuan couldn't help but think of Xiao Hua, who had a yellowish face at the time. He heard that the family she was adopted seemed to be quite rich, and he didn't know how she was doing now.

Grandma Sun saw Qin Yuan's appearance, but she slapped Qin Yuan on the head with no anger:

"Okay, all the people in the past have passed. We must take care of the people in front of us and think about it! By the way, since we finally come here, or else we can clean the orphanage a little bit. As long as you keep it, you have to clean it up anyway, take a few photos, and you will be able to remember it in the future!"

Qin Yuan also smiled when he heard this, in fact, he had already bought all the land of the orphanage, so the orphanage would not be demolished.

But since Grandma Sun is willing to take photos, Qin Yuan certainly has no objection:

"Okay, then I'll go out and buy some cleaning tools. You will wait for me here."

Only when Mu Qingmei and An Ran heard this, they said to Qin Yuan:

"The two of us are gone, so we can just turn around and see where you lived when you were young."

Qin Yuan naturally had no objection, and then Mu Qingmei and An Ran left the orphanage together and headed towards the surrounding shops.

When Mu Qingmei and An Ran both left, Grandma Sun slapped Qin Yuan's head with a snap, and said to Qin Yuan:

"You brat, you really have the ability. I don't know what you used to get the two girls. I saw that these two girls are pretty good. Don't let them down."

Chapter 406: experience

When Qin Yuan heard this, he nodded like a chicken pecking rice. Of course, he knew what kind of person Grandma Sun was. If he knew that someone had done something like Qin Yuan, he would have long been Has been swearing.

It's just because she loves herself that Grandma Sun will tolerate such things.

When she saw Qin Yuan playing with treasures, Grandma Sun was also out of anger, and then she shook her head and smiled, and she began to prepare for the sanitation cleaning for a while.

But at this moment, there was a voice outside the gate of the orphanage:

"I am back!"

Hearing this voice, Qin Yuan and Grandma Sun's hearts were shocked, and Qin Yuan looked directly at the door, only to find that a girl ran in from outside and saw this girl, Qin Yuan's eyes Yiliang said with a pleasant surprise:

"Little Flower?"

That's right, the girl in front of me is the little flower Qin Yuan talked about before, but the little flower in front of me is completely devoid of the yellow and thin face of her childhood.

At this time, Xiao Hua's upper body is wearing a black floral blouse, and her lower body is matched with a low-rise jeans. The snow-white belly is directly exposed outside, which is extremely attractive, and the brown hair, Putting it casually on his shoulders, his big eyes are piercing.

Seeing such a little flower, Qin Yuan was also amazed. Isn't this obviously a trendy girl?

Xiao Hua looked at Qin Yuan and Grandma Sun at this time, she was also extremely excited, and she rushed over and hugged the two people:

"Grandma Sun! Brother Qin Yuan!"

Grandma Sun was also full of excitement. She hugged Xiao Hua and looked at the clothes she was wearing, but she said in an angry tone:

"You **** girl, why did you come out dressed like this? Girls, do you want to show your face?"

"Oh, grandma grandma, you don't know that, young girls are all dressed up like this now, Xiaohua, how are you doing recently?"

At this time, Qin Yuan said to Xiao Hua with a smile on his face, and Xiao Hua heard Qin Yuan speak for her, and he smiled and said directly:

"I've had a good time. I've always worked abroad before. This time I passed by here, so I came and took a look. But who knows that there is no one at all. If I didn't want to take a photo, I might not meet You guys!"

Upon hearing this, Grandma Sun smiled even more and said to Xiao Hua:

"Xiaohua really has something to do!"

But just as Grandma Sun was pulling Xiao Hua to talk, another voice came from the door:

"Sister, hurry up, can you? What's so good about this shabby place, it's dirty, let's go!"

Hearing this sound, Qin Yuan's brows frowned slightly, and when he turned his head, he found a young man standing at the door.

This young man was wearing a white hip-hop outfit and a lip ring on his mouth. His face was full of unruly and rebellious, and he seemed to be quite awesome.

But at this moment, the young man saw Qin Yuan stalking him, and he shouted: "What do you look at, one old lady, what's so beautiful?"

Qin Yuan suddenly narrowed his eyes. Originally, he didn't intend to pay attention to this guy, but since someone is willing to beat him up, he won't get used to it:

"Your family taught you to talk to others like this? That's how your ancestor asked you to call an old man?"

"Hmph, don't fool me with your words of respecting the old and loving the young. Lao Tzu is not from your Yan country, but from the United Kingdom of Great Britain and Northern Ireland. Can you control it?"

This hip-hop man said with disdain, but Qin Yuan smiled when he heard this. No wonder he would say such a thing. For a long time, the yellow-skinned and black-haired person in front of him was just covered in yellow skin. , But there are white banana people inside.

Since he was no longer a native of Yan Country, Qin Yuan didn't have any grudges when he beat him up.

But Qin Yuan hadn't rushed over, he just saw a black figure rushing over, and slapped it on the head of this guy with a slap. Qin Yuan took a closer look and found that it was Xiao Hua.

Xiao Hua stared at this time, grabbed the young man's ears, stared and said:

"How do you say it? Apologize to Grandma Sun and Brother Qin Yuan!"

When the young man heard this, his eyes widened and he said directly:

"I don't...!"

It's a pity that this guy hadn't finished speaking, Xiao Hua kicked directly to the corner of this guy's knees, and this guy staggered and knelt down to Qin Yuan and Grandma Sun!

At this time, Qin Yuan also laughed aloud. It seems that Xiaohua hasn't forgotten the hands he taught Xiaohua before. This kick is simply and neat, and it looks like it should have been trained for many years!

The young man dared to laugh when he saw Qin Yuan, his eyes widened, and said with a fierce expression:

"Dare you laugh!"

Looking at this guy's appearance, it seemed that he was about to rush over and kill Qin Yuan.

It's a pity that he didn't even stand up, and he was slapped directly on the top of the head by Xiaohua.

And although this young man was grinning at Qin Yuan, but when facing Xiao Hua, he looked like a little sheep. Looking at Xiao Hua's round eyes, his whole person was directly stunned, and he muttered at him. Qin Yuan slapped:

"Yes... I'm sorry..."

"And Grandma Sun!"

Xiao Hua directly slapped this guy on the head again.

Since he surrendered, he didn't care whether it was once or twice, so the young man also apologized directly to Grandma Sun.

At this time, Xiao Hua said to Qin Yuan with a hint of apology:

"I'm so sorry, Brother Qin Yuan, this guy is called Chen Yulou, and he is the child of my foster mother's family. He is considered my younger brother. He has been living in the country since he was young. Don't mind!"

When Qin Yuan heard this, he also smiled slightly and nodded directly.

But when Chen Yulou looked at Qin Yuan, he was muttering, if Xiao Hua didn't stop him, he would definitely beat Qin Yuan all over the floor.

However, Qin Yuan looked at Chen Yulou with a playful look. Just now, it seemed to others that Xiaohua had taught Chen Yulou a lesson in order to help Qin Yuan, but in fact, this action saved him. It is Chen Yulou.

If Qin Yuan is really allowed to make a move, then Qin Yuan will not care about what kind of **** Chen Yulou is from the United Kingdom, he will definitely call this guy Dad!

But since this guy has already learned a lesson, Qin Yuan didn't bother to pursue it. He had the skills to teach this guy, it is better to relive the old with Xiaohua.

Then Qin Yuan and Grandma Sun talked with Xiao Hua, and Xiao Hua also talked about her experience for so many years.

Chapter 407: What do you want to do?

It has to be said that the family who adopted Xiaohua back then had a very good heart. It was really nothing to say to Xiaohua. Although there was a child in the family, it treated Xiaohua and Chen Yulou equally and sent both of them abroad to school.

But when Xiaohua and Chen Yulou went to Qiguo, they were bullied outside all day long.

Chen Yulou is just a child and can't do anything.

After all, Xiaohua came out of the orphanage. She was fierce and dared to fight back. She directly made a name in a foreign aristocratic school. After that, Xiaohua became the little overlord in the school, and Chen Yulou followed Behind Xiaohua, he was a fake tiger.

It's just that with age, Chen Yulou has become rebellious, but the fear of Xiaohua has not changed at all, so now Xiaohua has directly beaten Chen Yulou, and Chen Yulou dare not say anything.

Xiao Hua said helplessly to Qin Yuan at this time:

"Don't look at what he said he is from the country, but in fact his current nationality is still domestic, and he has to wait for him to graduate from school before he can change his nationality."

Hearing what Xiao Hua said, Chen Yulou just wanted to say something, but when she saw her sister, she glared, and she was directly persuaded.

Xiao Hua threw Chen Yulou aside, and said to Qin Yuan with a smile:

"Brother Qin Yuan, how are you doing well after so many years?"

At this moment, Qin Yuan also smiled slightly when he saw Xiao Hua's appearance, and said directly:

"It's been a good time. I went to serve as a soldier, and now the state takes care of food, food and housing. I don't have much money to spend."

At this time, Grandma Sun also said directly to Xiao Hua:

"Yes, your brother Qin Yuan is very good now. You are a soldier, and you have done meritorious service. Don't worry."

But after hearing such words, Chen Yulou on the side sneered and said to Qin Yuan with a mocking expression:

"Serving as a soldier? I'm probably still a big soldier. You have no money to spend. You don't have any money. Soldiers of Yan Nation, I've heard that the salary is not much, and there is no war for so long. How do you make merit? Is it to help you lead the car?"

At this time, Chen Yulou's mouth was like a pit, and she kept spraying dung out, and Xiaohua glanced at Chen Yulou, and Chen Yulou immediately changed the direction of the wind, and said quickly:

"Okay, you're good as a soldier, I won't say anything!"

At this time, Qin Yuan glanced at Chen Yulou, and he decided that if Chen Yulou dared to say anything nonsense, even if Xiaohua looked at it, he would beat this guy who didn't open the door.

However, there was a trace of worry on Xiaohua's face at this time, and she directly asked Qin Yuan:

"Brother Qin Yuan, if you really have any difficulties, just speak to me directly. Although I just work now and don't have much savings, some money can still be used!"

Xiao Hua is really worried about Qin Yuan. After all, Xiao Hua has also heard that domestic soldiers are not paid very high. Looking at Qin Yuan's age, she should also be a conscript and cannot become an officer.

And if you don't become a military officer, then it's very likely that the bamboo basket will be empty when you retired. What's more, when she looks at the environment around the orphanage, she can guess that Grandma Sun and Qin Yuan's economic conditions are not very good. After all, based on what Xiaohua knew about these two people, if these two people were really rich, they would definitely clean up the orphanage.

And at this time, Qin Yuan was a little dumbfounded when he heard such words. It seemed that not only Chen Yulou did not understand, Xiao Hua did not understand their army, but Qin Yuan was not angry. After all, Xiao Hua was always abroad, yes. It is normal not to know these things.

"Okay, Xiaohua, you don't have to worry about me, I am doing well in the army now."

Qin Yuangang wanted to tell Xiao Hua that this was the old site of the orphanage, and he had moved the new orphanage to the military district compound.

But Qin Yuan didn't say anything yet, but Xiao Hua shook her head, even with a trace of tears in her eyes.

After all, she herself couldn't believe that the clothes Qin Yuan was wearing were not good. Grandma Sun's clothes were also a little yellow. She felt that Qin Yuan might not want to speak to herself because she loved face, so Xiao Hua was a little worried. Said to Qin Yuan:

"Brother Qin Yuan, if you feel that it is not suitable to be a soldier, you can follow me to work in a foreign country. I can help you find a job there. I have to say, if it is a little harder there, but The compensation is still very high."

Hearing this, Grandma Sun also smiled slightly, and became satisfied with Xiao Hua. To be honest, if Qin Yuan is really just an ordinary person, then Xiao Hua's suggestion is naturally very good.

Even if ordinary people know that the salary outside is very high, there is no way out, and Xiao Hua is willing to take Qin Yuan away, these are enough to prove that Xiao Hua's feelings for the orphanage and Qin Yuan have not changed.

It's a pity that with Qin Yuan's current status, even if he wants to go out, he can't go out. After all, there is a clear stipulation in the army that unless approved by the above, active soldiers can't enter or leave the country for no reason. Therefore, traveling abroad is like Qin Yuan. Can't stand it.

Qin Yuan said to Xiao Hua with a smile on his face:

"I know you were kind, but I really can't go out now. Even if I go out, it can only be caused by riots abroad. I will save you on behalf of our Yan Nation but I heard In this case, Chen Yulou sneered and said directly to Qin Yuan:

"Just like you, who can you save! A big soldier, even if you want to go abroad, you don't have the money. Do you know how good the soldiers who can join the peacekeeping force are? Look at you. There will be no two or two at the top and bottom, and people like you are just hanging around in the army!"

After hearing what Chen Yulou said, Qin Yuan's brows wrinkled tightly. He really didn't understand what kind of medicine Chen Yulou was taking? Why are you always targeting him so much?

When Chen Yulou saw Qin Yuan's eyes, he also stood up directly and said directly to Qin Yuan:

"What? Seeing that I am not pleasing to the eye, want to teach me a lesson? I tell you, I am a second-tier black belt, just like you, it is not enough for me to fight!"

Seeing Chen Yulou's appearance, Xiao Hua was also extremely angry, and said directly to Chen Yulou:

"Chen Yulou, what do you really want to do? He is my elder brother, did you treat him like that?"

Chapter 408: This is your sister-in-law

At this time, Chen Yulou was really angry when he saw Xiao Hua, and stomped his feet with anger. Turning around, he said helplessly:

"I just can't understand him! Why do you keep thinking about him!"

But at this moment, Chen Yulou's face rose suddenly and turned red, and the grandmother grandmother who was standing on the side also showed a faintly realized expression.

Sure enough, there is always a reason for things. The reason why Chen Yulou aimed at Qin Yuan was obviously jealous.

At this time, Qin Yuan also glanced at Chen Yulou a little bit dumbfounded, and then said to Xiao Hua:

"Xiaohua, is your brother falling in love with you and wants to marry you as his wife?"

Qin Yuan is also a little helpless. To tell the truth, some rich people do indeed do this. After all, adopting a girl to his boy as a child bride-in-law, although it may not be very humane to do it, but he has grown up. Girls, know the roots, and have no blood relationship. If the two love each other, they are likely to get married.

More importantly, this is a way out for the children in the orphanage, so it is difficult for Qin Yuan to ban it.

But after hearing such words, Xiao Hua shook her head helplessly, and said directly to Qin Yuan:

"Actually, my adoptive parents originally planned to do this, but later they gave up. After all, they can't just watch their son be beaten to death by me."

Having said this, Xiao Hua also glanced at Chen Yulou, who was on the side, and Chen Yulou also said awkwardly:

"I didn't fall in love with my sister. I just thought that my sister was so proud. When I faced you, I turned into a little sheep. I feel unconvinced. It has been so many years. , Do you still want my sister to marry you?"

When she heard this, Xiao Hua walked over and gave Chen Yulou a kick:

"What nonsense, I just think of Qin Yuan as my elder brother, as much as you think."

After saying this, Xiao Hua also smiled apologetically at Qin Yuan, and Qin Yuan looked at Xiao Hua's smile and felt relieved.

To be honest, if Xiao Hua has a shy face and dare not face herself, then Qin Yuan is really worried that Xiao Hua will fall in love with herself, but seeing Xiao Hua's open-minded appearance, Qin Yuan understands it, it must be Chen Yulou, the little bear kid, thinks too much.

Since he has figured out the truth, Qin Yuan also said to Chen Yulou:

"Don't worry, I already have a girlfriend, so I won't attack your sister anymore!"

After hearing this, Chen Yulou's eyes lit up, but another strange thought was revealed, and he said directly to Qin Yuan:

"No, how can someone like you have a girlfriend? It must be a playful act. My sister is not only a beautiful person, but also a turtle. You must be secretly thinking, and how could you not treat my sister? Thought, my sister is so good, can she not be worthy of you?"

And when he heard this, Qin Yuan suddenly became a black line. He really couldn't figure it out now. What was thinking in Chen Yulou's head, this thought his sister could not do it, and it didn't think his sister could do it. What should Qin Yuan do?

"Hehe, I think you are just looking for a beating!"

With these words, Qin Yuan walked directly towards Chen Yulou!

And Chen Yulou also brightened his eyes, and said to the little flower on one side:

"Sister, this is his first hand, not me looking for trouble!"

After saying this, Chen Yulou rushed towards Qin Yuan with excitement!

The reason why he looked at Qin Yuan not pleasing to his eyes was because he had always lived in the shadow of Qin Yuan when he was a child. Xiao Hua is indeed very powerful. Chen Yulou is very convinced, but every time Xiao Hua teaches Chen Yulou, Will all say:

"You idiot, you are not as smart as Brother Qin Yuan, you can't do this little thing!"

"Fighting is not good, if it were Brother Qin Yuan, he would have beaten those little gangsters away!"

In Chen Yulou's eyes, Qin Yuan was the so-called neighbor's child.

And if Qin Yuan was really good, it would be fine, but when Chen Yulou saw that Qin Yuan was a slightly handsome ordinary person, he naturally collapsed in his heart. Of course, he wanted to take revenge and give Qin Yuan a lesson. !

Thinking of teaching Qin Yuan a lesson, Chen Yulou had a sullen smile on his face, and then he slammed Qin Yuan's face with a punch!

But at this moment, a voice suddenly came from the door:

"We're back!"

At this time, Chen Yulou glanced at the door, but he was just stunned!

This... is this an angel?

At this time, looking at An Ran, who looked heroic in a black leather jacket, and Mu Qingmei in a white casual wear, Chen Yulou felt like a child with blond hair was shooting an arrow at his heart!

When Qin Yuan looked at this guy and even dared to see An Ran and Mu Qingmei, his eyes suddenly narrowed, and he said lightly:

"Dare to distract yourself when fighting? It's just looking for death!"

At this time, Chen Yulou could be regarded as reacting, and then he kicked directly towards Qin Yuan's body!

Although I don't know the identity of An Ran and Mu Qingmei, as long as they can defeat Qin Yuan, they can show their heroic and perfect posture. Then no matter how you sit, you will have a good foundation!

Unfortunately, Chen Yulou just wanted to be pretty.

Bang!

Chen Yulou just heard a crisp sound, and then he felt that he was flying up, and then there was an extremely severe pain on his face, and finally he fell directly into a puddle, in white hip-hop clothes. Become black.

Looking at the gazes of those two beauties, Chen Yulou didn't know if he was beaten, or because of his own shame, he fainted with a click!

At this time, Xiao Hua was holding her face and she was helpless. She and Chen Yulou grew up together and naturally knew what Chen Yulou was thinking.

It's a pity that Xiao Hua also understands that with the skill of Chen Yulou's three-legged cat, even Qin Yuan could not beat him when he was ten years old, let alone the current Qin Yuan!

This is simply asking for trouble!

And Qin Yuan looked at Chen Yulou lying in the puddle, and he had a lot of understanding in his heart. He walked over, picked up Chen Yulou, and said to Xiao Hua:

"Hua, these are your two sisters-in-law!"

Two sisters in law?

At this time, Xiaohua's eyes widened when she heard this. Looking at the beautiful An Ran and Mu Qingmei, she was a little convinced that Qin Yuan might have really mixed up well!

And Chen Yulou, who was about to wake up in Qin Yuan's hands, heard what Qin Yuan said and just wanted to struggle, but Qin Yuan gently squeezed Chen Yulou's neck, and Chen Yulou completely awoke. coming.

Chapter 409: Real big shot

In the orphanage's dean's room, Qin Yuan and Grandma Sun prepared a meal and treated Xiaohua here. Of course, Chen Yulou hadn't woken up yet.

At this moment, Qin Yuan asked Xiaohua with some doubts:

"William International Energy Company, is this where you work now?"

And Xiao Hua also smiled and said directly:

"You may not know this company, but it is quite famous in Ivia. Our boss William is the technology giant over there. Energy companies have the lifeblood of many people! And I have another My team leader is kind to me. Her son is only eight years old this year, so it's fun.

At this time, Qin Yuan heard this, but he slightly felt that something was wrong, as if he had heard the name somewhere.

But Qin Yuan thought for a while, and didn't expect to hear this name somewhere. After all, there are as many people named William in Crooked Nuts as Zhang Wei in Yan Guoren. How could Qin Yuan remember it.

So Qin Yuan shook his head and said directly to Xiao Hua:

"I think you should be more careful. These countries are not considered safe. It may be an accident. If there is a job in the country, you should come to the country. It happens that Brother can also look at you from time to time!"

When Xiao Hua heard this, she also directly agreed:

"Then I will fight for it and see if I can transfer it directly to China."

Hearing this, Qin Yuan also smiled, feeling that this girl, after all, has grown up, and she cannot be as obedient as before.

At this time, An Ran and Mu Qingmei, as well as Grandma Sun, were whispering to Xiao Hua, while Qin Yuan was full of wine and food, and was basking in the sun.

During this period of time, Qin Yuan has always had tasks. Thinking about it carefully, he hasn't had such a leisurely rest for a long time.

And Qin Yuan wondered whether after he retired, he would see if he could directly buy an island, and then eat full every day and go to the sun. Such a life must be extremely pleasant.

But Qin Yuan also knew that such a day might still be a little far away. Before that, Qin Yuan had to make the soldiers of the Yan Kingdom the strongest in the world.

And all this still takes a lot of time!

In the end Xiao Hua left with Chen Yulou directly. After all, she had other things to do. The two exchanged contact information, while Qin Yuan sent the two to the airport and watched Xiao Hua leave directly.

And Chen Yulou also looked at Qin Yuan with a grieving face. He didn't expect that the two big beauties facing Chen Yulou actually lay down and fell asleep. This made Chen Yulou very resentful towards Qin Yuan.

But thinking of Qin Yuan's big feet that could knock him out, Chen Yulou couldn't help but shiver.

In the next few days, when Mu Qingmei's vacation was over, she could only go back to work, while Qin Yuan took An Ran to play in the entire city.

It's a pity that both of them are serious soldiers. Some entertainment facilities have no effect on them. After all, no matter how fast the roller coaster rolls, it cannot be as fast as a fighter jet. No matter how thrilling the jumping machine is, it cannot be as good as the real one. parachute.

But even so, An Ran was very happy, and the expression in Qin Yuan's eyes became more gentle.

Finally, on the last day of going back, the two people finally moved into the same room.

An Ran was finally able to answer Mu Qingmei, is Qin Yuan a cow that will be exhausted!

...

In the Langya Military Region, Qin Yuan had just completed the guidance of the Thor team.

With the improvement of the strength of those in the Wolf Warriors squad, people in the Wolfya Military Region now know that this physical exercise technique can increase their strength, so Qin Yuan is also busy, and often goes to the brother troops to guide the training of physical exercise.

And Qin Yuan was extremely happy as more and more people learned the exercise technique, after all, as long as 50 people learned the exercise technique, Qin Yuan would be able to obtain one more grid.

And now is the early stage, so Qin Yuan will be a little busy, but as long as this body-building technique is gradually spread, then Qin Yuan may still be able to get the grid by lying down!

Only at this moment, Qin Yuan received the notice that Gao Shiwei wanted to see himself!

Soon Qin Yuan arrived at Gao Shiwei's office, then made a pot of tea for himself and drank it happily.

After waiting for a long time, Gao Shiwei walked away from outside, and saw that Qin Yuan 0 actually drank his precious tea. He felt a little pain in his heart, but he still directly asked Qin Yuan:

"Boy, it seems to have been a leisurely life recently. Didn't you ask you to step up your training before? I will go to the Hell Lightning Training School in a while."

But Qin Yuan drank the last sip of tea, and then said to Gao Shiwei:

"Of course I know, but my current body is no longer effective through ordinary training. You don't give me some practical tasks. I can only help other people to improve my strength."

Hearing what Qin Yuan said, Gao Shiwei was also speechless for a while, shook his head and said to Qin Yuan:

"Don't forget, now you are a man in our military area, and ordinary tasks are not suitable for you. You can't catch a drug dealer and ask you to dispatch it?"

Qin Yuan rolled his eyes when he heard these words. The reason why he was willing to take more active tasks was to obtain grids through these tasks. However, if the task is too simple, the system will not release information at all. Yu Bai does it.

And Qin Yuan knew that ordinary special forces teams still need these tasks to hone themselves. If Qin Yuan did all the tasks, wouldn't the other teams be abandoned?

Thinking of this, Qin Yuan was also a little impatient, and directly asked Gao Shiwei: "What is it that you called me here this time?"

And Gao Shiwei smiled and said directly to Qin Yuan:

"I'm here this time to let you go to Kyoto."

"Go to Kyoto?"

Qin Yuan heard this, suddenly frowned and asked Gao Shiwei:

"What are you going to do in Kyoto, in a place like Kyoto, there isn't anything I can do?"

At this time, Gao Shiwei also poured himself a cup of tea, and said to Qin Yuan:

"This time I asked you to go. There are two main tasks: the first is to promote your bodybuilding skills in the Kyoto Military District, and the second is to be reviewed."

Seeing Qin Yuan's blank face, Gao Shiwei took a sip of tea and continued:

"Do you remember what you reviewed last time? Now that the review has passed, then you should meet the real big man above!"

And hearing such words, Qin Yuan's eyes suddenly lit up.

He wasn't excited about meeting a big person, but felt that if he saw a higher-level person, would he have more tasks to do?

Chapter 410: Natural beauty!

At this time on the Kyoto Airlines plane, Qin Yuan tidied up his seat belt.

This time Qin Yuan has five days, which is quite ample. It is estimated that he can find a chance to play in Kyoto.

To be honest, Qin Yuan had never been to Kyoto before.

With this expectation, Qin Yuan's mood was quite good. Soon, the plane reached the place, and after Qin Yuan got off the plane, someone was already waiting for him.

Qin Yuan looked at the man standing in front of him at this time. This man was wearing a hat and sunglasses on his eyes, which looked a little strange.

However, Qin Yuan was able to clearly perceive the strong murderous aura in this person. Qin Yuan knew that the person in front of him seemed to be gentle, but in fact, there were at least some people who died in the hands of this person. Two digits.

Moreover, the guy who died in the hands of this person was not shot to death, but killed at close range, otherwise, such murderous aura would never condense in the body.

"Hello, Major Qin Yuan, my name is Lieutenant Colonel Yang Lei, I am here to greet you."

The person named Yang Lei smiled at Qin Yuan, and Qin Yuan shook hands with the other party.

"Hello, Lieutenant Colonel!"

Of course, Qin Yuan would not underestimate the opponent just because the opponent is a lieutenant colonel, because Qin Yuan discovered that people like this are all in the rank of lieutenant colonel. This is the case with An Ran, as is the case with Yang Lei.

And Yang Lei soon followed Qin Yuan out of the aircraft lobby and went to a remote place. After finishing this, Yang Lei found a place to sit down and said to Qin Yuan:

"You were recommended by the high school general, so our principal is very optimistic about you, but before that, he wants to test you, so he wants to play a small game for you. I wonder if you want it?"

Hearing such words, Qin Yuan's brows suddenly frowned, and he finally knew why Gao Shiwei had to give him five days this time, and why the guy looked so strange in his eyes.

But at this moment, Qin Yuan suddenly heard a voice:

"Ding dong, the system releases the task, perfectly completes this similar test, and rewards a grid!"

And hearing this voice, Qin Yuan's mouth suddenly showed a smile.

As long as there are benefits, he doesn't care how many challenges there will be.

Sure enough, the one who came this time was right. Is this a good start?

Qin Yuan directly said to Yang Lei in front of him:

"Okay, but how should we proceed with this test?"

Looking at Qin Yuan, Yang Lei also showed the signature smile, and said softly:

"The content of the test is very simple, that is, before this time tomorrow, you can find our principal's office. No matter what method you use, as long as you can complete it, you will be considered to have passed the test."

Upon hearing this, Qin Yuan also showed a smile:

"It seems that the test is not difficult. Good."

"You don't have to think about how to deal with me, although I know that I may not be your opponent, so I specifically found a place near the air police office, so close, and there are cameras, you will never think of being wanted Right?"

Yang Lei said with a smile on his face at this time, and Qin Yuan glanced at the camera above his head and shrugged his shoulders. He knew that this matter was not so easy to complete.

"Okay, let's have fun, but I'm a little tired, so let's take a good rest."

After saying this, Qin Yuan directly took up his salute, and then headed outside.

Looking at Qin Yuan's back, Yang Lei's expression remained unchanged, but after Qin Yuan left completely, he said to the intercom on his chest:

"Principal, he has already left. I think this famous Qin Yuan doesn't seem very good."

"Be careful, Lao Gao rarely recommends talents to us. We must be cautious. If the boat is overturned in the gutter, then Lao Gao doesn't know how to laugh at me!"

At this time, a gentle voice came from the intercom, and when he heard this, Yang Lei also shook suddenly, indicating that he heard it.

Soon, Yang Lei left, but before Yang Lei left, he didn't notice that, just two walls away from Yang Lei, Qin Yuan put his ear on the wall and listened carefully.

Using the hearing that had reached the cosmic level, Qin Yuan showed a smile on his face when he heard the deep and gentle voice.

Then Qin Yuan relaxed a lot. He knew that Yang Lei might have installed some monitoring device on his body, but this kind of device could at most observe Qin Yuan's position and what Qin Yuan said. It is impossible to observe what Qin Yuan did.

Therefore, if you really want to stare at Qin Yuan, it depends on people.

And these people staring at Qin Yuan are also exposing their own position.

And this is the clue left to Qin Yuan by the principal named Lei Tong!

But now Qin Yuan is too lazy to do these things, after all, the people of the other side will be more careful at the beginning of Hong Kong, so hurry up and fill up your stomach.

Qin Yuan thought of this, he hehe smiled, and took out his phone directly.

He also has friends in Kyoto!

...

Half an hour later, a car stopped directly in front of the airport, and a black man with a square face saw Qin Yuan and he gave him a big hug:

"Brother, you have come to Kyoto, why don't you tell me earlier, I can pick you up sooner too!"

"Hey, how dare I bother you, a busy person, if it's not that you are unfamiliar in life, I won't bother you! Whoops, do you have to apply a mask or something? It's been too much time. , Why are you dark again?"

At this time, Qin Yuan also gave the black man in front of him a hug, and the two of them giggled silly.

The black man in front of him is no one else, but Gao Gang, a good friend of Qin Yuan who was born and died together in the Silver Triangle before, known as Bao Gong!

Hearing Qin Yuan's complaints, Gao Gang touched his face and said to Qin Yuan:

"Isn't it, am I so dark? I think it's pretty good. Besides, I have been married for such a long time. Why do you want to be so good-looking? How about looking for someone like you young ones."

Having said this, Gao Gang looked at Qin Yuan carefully, and said to Qin Yuan with a look of surprise:

"I think you are a bit interesting. Don't your special forces go in the wind and rain all day long. Do you need training? Why is this time I saw you a lot more white than the last time?"

And Qin Yuan smiled, and said directly to Gao Gang:

"I'm naturally beautiful and masculine, you know, I can't envy you, maybe if I am discharged from the army, it would be nice to be a little white-faced movie star."
