

## **Special Soldier 43**

Chapter 43: Shocked He Chenguang!

He Chenguang looked confused!

He woke up leisurely, only feeling the pain of tearing all over his body!

But the next second...

He suddenly felt that his limbs were moisturized by a trickle!

A very magical energy wanders through his body cells, and the fatigue and pain in his body are quickly dissipating!

In a moment!

The exhaustion of the whole body was swept away!

He moved his wrist!

actually felt his body, it was amazing!

seems to have recovered?

Is it back to its peak level?

"Fuck! What's the situation? I...how long did I sleep?"

Suddenly, an exciting spirit!

He Chenguang couldn't help but explode!

He Chenguang was shocked!

no way!

Consciousness before coma!

He remembered that he was participating in a military exercise!

This exercise is very important to him!

But after two consecutive days of long-distance raids, their main red team strayed into the blue trap, and they were beaten directly into the army!

He and a few comrades in arms began the road of escape!

fled all the way, he finally couldn't hold back and passed out!

"Is Lao Tzu eliminated now? Now in the hospital?"

He Chenguang stood up suddenly, and as soon as he opened his eyes he saw Qin Yuan next to him and the surrounding jungle!

See Jungle and Qin Yuan's clothes!

He Chenguang breathed a sigh of relief!

"Fortunately I was not eliminated! Otherwise, everything is over!"

"Are you? Qin... Qin Yuan?"

However, when he saw the face of the person in front of him clearly, he was dumbfounded again!

Shocked and speechless!

no way!

because of the appearance of this soldier!

just led to this exercise, he failed one after another!

not only did not kill a few enemies!

even more tired and weak into a coma!

This is before!

He Chenguang is absolutely unimaginable!

This kind of thing is impossible to happen to myself!

Because, regardless of physical fitness or marksmanship!

I am the strongest!

But...

because before the drill!

They competed with Qin Yuan for a 30-kilometer armed cross-country at the peak level!

This competition!

Qin Yuan's terrifying physical energy completely exploded slightly!

easily win!

After Qin Yuan's victory!

In fact, Gong Jian and Lao Hei have already notified He Chenguang and the others, they don't need to try again!

Because Qin Yuan has already won!

and winning very thoroughly!

However——

He Chenguang and Wang Yanbing, who have such strong personalities, refuse to admit defeat at all!

According to their words!

If you lose, you have to lose upright!

They were shocked to finish the 30-kilometer armed cross-country at the fastest speed!

That time, under the pressure of Qin Yuan's terrifying results, the two of them achieved their best results in their lives!

Even the two of them broke the 30-kilometer Tekken cross-country record!

But the price is also high!

The two of them just finished, the body can't stand it!

The physical loss is too serious!

If it wasn't for the two of them to have very good physical fitness, they would have been sent directly to the hospital long ago!

But the worst...

Just at this time!

First level combat readiness is here!

They have no time to rest!

directly dragged his tired body into this large-scale military exercise!

For two days, they hardly got any rest!

can hold on till now...

is already a miracle!

"Oh? Do you still know me?"

Qin Yuan smiled lightly, and handed He Chenguang a bottle of energy liquid!

Then, I gave myself a bottle!

After drinking!

an instant!

Qin Yuan only felt that his whole body was filled with cool energy!

The mental power of the whole person is concentrated like never before!

The fatigue of the whole person is gone!

just like.....

Comfortably repaired for many days, in the peak state, return to the battlefield!

"This world-class energy liquid is too powerful, isn't it? It feels... even stronger than the nutrient liquid obtained by Red Bull?"

Qin Yuan blinked his eyes, very satisfied with the effect of the energy liquid!

In fact, energy liquid and nutrient liquid are completely different items!

Energy liquid, pay attention to replenishing energy!

nutrient solution, pay attention to supplement nutrition!

The effect is naturally different!

He Chenguang took the liquid that Qin Yuan handed over, and didn't say much, and drank it directly. He Chenguang couldn't help but smiled bitterly, "Your physical fitness is so terrifying! Although we only have one side, it is difficult for me to forget it. It is impossible to forget in this life!"

He Chenguang sighed!

no way!

The appearance of Qin Yuan——

left an indelible impression on He Chenguang and Wang Yanbing!

The painful feelings of these two days!

The two of them are indeed unforgettable in their lives!

God knows how painful they are, and with their strong willpower, they can survive until now?

Qin Yuan couldn't help but raise his eyebrows!

What does He Chenguang mean?

"Brother Chenguang, although I am handsome and have good physical fitness, you don't have to remember me so hard and memorable, right? You can't forget it for a lifetime? I don't want to have this kind of honor." Qin Yuan teased and teased.

"Brother Qin Yuan, don't get me wrong! I, I really...oh, I'm a self-inflicted crime!" He Chenguang originally wanted to explain, but in the end everything turned into a sigh!

no way!

If the two of them are not so desperately trying to catch up with Qin Yuan!

will not fall to the current end!

This is called self-inflicted crime!

After drinking the energy liquid!

He Chenguang only feels that his body feels a lot easier in an instant!

The spiritual head of his whole person, is getting better and better!

even feels more relaxed than ever!

seems to have returned to the peak state before entering the troop!

He Chenguang couldn't help but feel shocked, "Brother Qin Yuan, what is this thing you gave me to drink? How come the effect is so good? How do I feel that my state seems to have recovered instantly?"

He Chenguang stood up and jumped out of the carriage!

Straight punch, jab, whip leg, sweep the leg!

He Chenguang punched and kicked quickly, and was shocked to find that his weak body had completely recovered in this short moment? ? ?

"This is amazing, right?"

He Chenguang still clearly remembers that when he just woke up, his body was uncomfortable!

but now--

How long is this!

A few words of effort!

has completely recovered?

Qin Yuan gave it to himself, is it a panacea? ? ?

He Chenguang was completely shocked!

"Cough, cough, I am giving you an energy liquid specially prepared for supplementing energy according to our Qin family ancestral secret recipe! This is very precious! I am not willing to drink it myself! However, it can save you. It's worth it!"

Qin Yuan has already figured out a countermeasure for this!

In fact, if there is no system!

It is absolutely impossible for Qin Yuan to give He Chenguang such precious energy liquid!

After all, it's not for that grid! !

And!

Qin Yuan can get three bottles of energy liquid himself, why not do it! ! !
