

Special Soldier 44

Chapter 44: All beheaded, none left!

My heart moved!

Qin Yuan stored all three bottles of world-class energy liquid in the system grid!

stored in the system space!

For Qin Yuan, a world-class energy liquid is enough!

He doesn't need a higher level!

If you need it in the future, you can extract one bottle of Qiankun energy solution from three bottles of world-class energy solution at that time!

There will be no loss.

It's okay not to say!

Qin Yuan said!

He Chenguang was immediately shocked!

This energy liquid!

Is it so precious?

But think about it!

Before he became unconscious, He Chenguang had already thought about it!

This time, if there is no timely rescue by the hospital, it is a question of whether you can survive!

is one of the best soldiers in the Iron Fist!

He Chenguang knows his body very well!

That kind of extreme weakness...

He is still vividly visible now!

If the effect of the energy liquid is not very powerful!

It is absolutely impossible for me to recover so quickly!

He Chenguang bowed abruptly, came with a 90-degree bow, and bowed his head respectfully to Qin Yuan!

Qin Yuan was stunned in an instant!

He Chenguang, what is this going to do?

"Brother Qin Yuan! No thanks for great grace! This time without you, I, He Chenguang, would have been eliminated long ago, and maybe even collapse to death! Without you, there would be no He Chenguang I am now! This kindness, I will always remember it in my heart! I will go through fire and water in the future, and I will never stop!"

He Chenguang was impassioned and solemnly said.

He is a man of affection!

Pay attention to the kindness that must be reported!

"Brother Chenguang, you are serious!" Qin Yuan smiled and couldn't help crying or laughing.

"Although the energy liquid is very precious! But it is not as precious as you think! If you want to repay it, just ask me to have a meal when you have time."

Qin Yuan smiled lightly, stretched out his hand, and lifted He Chenguang's shoulder very easily!

He Chenguang is like a child, in shock on his face, he was lifted straight by Qin Yuan and stood straight!

"This... Brother Qin Yuan, your strength is too great???"

He Chenguang couldn't help being shocked again!

Originally encountered Qin Yuan's hand, he still wanted to resist it!

But in the end he was shocked to discover!

in front of Qin Yuan!

Even if Qin Yuan is holding his arm with one hand, he doesn't have the slightest strength to resist!

He Chenguang's ashamed face is blushing!

no way!

Because at this moment!

He actually seems to have a feeling of returning to his childhood!

It was when he was a child, the old man who came home in the special forces easily played him between his hands. He was just like just now, without the ability to resist at all!

Qin Yuan is like a Taishan mountain, making him daunting!

"A lot of strength?" Qin Yuan's mouth overflowed with a smile, "It's okay! Chenguang, now the situation of the red side is very serious, let's study the next battle plan! The rest is imaginary! I'll talk about it later! "

"it is good!"

He Chenguang heard it and nodded gratefully!

Qin Yuan saved himself, but he didn't take credit for it, and he didn't even want him to reciprocate!

This feeling is simply great!

Taking a deep breath, He Chenguang adjusted his state, his eyes were grim, and he said, "Brother Qin Yuan, you may not know that just three hours before I went into a coma, the main force of the Red Army had been defeated! Four of our sharpshooters. , The most elite of the iron fist group, and even caught the enemy's traps, there is no one! Most of the comrades in arms were captured by the Blues and captured, only me and a few comrades scattered and fled. Only then escaped."

Qin Yuan raised his eyebrows.

Fan Tianlei is so fast!

Fan Tianlei defeated the famous iron fist group, even the birthplace of the sharpshooter, the 4th company of the master like a cloud?

If you don't show up by yourself...

This exercise!

I'm afraid it really hangs!

He Chenguang sighed and smiled bitterly, "Brother Qin Yuan, I guess that after a midnight rest, tomorrow morning, the Blue Army will catch deserters all over the mountains for two or three days at most. This so-called confrontation may be over. Up."

According to the current situation, He Chenguang gave his own judgment.

In this kind of large-scale exercise!

The role of the individual is very small and insignificant!

can even be ignored!

He Chenguang never thought that with his personal strength, he could turn a war around!

"Two or three days?" Qin Yuan smiled, calculated carefully, and smiled, "Almost! It's just... until the final moment, who wins and loses is unknown!"

"Oh? Brother Qin Yuan! You don't have any plans already, do you?" He Chenguang's eyes lit up and couldn't help asking!

no way!

Qin Yuan seems to have a special charm. What he says will make people subconsciously choose to believe it at the first time!

He Chenguang doesn't even know!

This is because Qin Yuan's powerful strength subconsciously makes people surrender!

"Chenguang, you must know the existence of special forces?" Qin Yuan smiled lightly, just looking at He Chenguang.

"I know! To be honest, my father is an excellent special soldier!" He Zhiyuan has always been He Chenguang's father and idol!

The reason why He Chenguang came to the Southeast Military Region to join the army!

The big reason is to be able to become an excellent special soldier like his father!

"Oh? Unexpectedly, the father of Brother Chenguang is a special soldier! Disrespectful and disrespectful!" Qin Yuan smiled, deliberately showed a surprised look, "The so-called special soldiers, they are performing special operations! Thousands of miles to attack, execute Decapitation, this is their essential skill! If you can't perform a decapitation perfectly, the so-called special forces, in my opinion, are not special forces!"

Beheading action?

He Chenguang listened!

suddenly the whole person couldn't help getting excited!

"With the current situation, even if we assemble the remaining stragglers of the red side, we will only fight against the blue army by hitting the rocks!"

"So... the only way we can come back is to behead! Behead the Blues! From the Blue 1 to all the high-ranking officers of the Blues, none are left! All beheaded!"

Qin Yuan smiled indifferently, and said his plan!

"From No. 1 to high-ranking officers, don't you keep one? Oh my goodness! This... this plan sounds exciting as soon as it sounds!"

As expected!

He Chenguang heard it, and the whole person was completely boiling!

no way!

This amazing plan!

put it before!

He Chenguang couldn't even think of it!

but now--

This plan has Qin Yuan!

made him feel the possibility of realization! !

"Chenguang, what do you think of this plan?" Qin Yuan smiled and looked at He Chenguang.

He Chenguang immediately gave a thumbs up and smiled brightly, "Unprecedented, shocked! Brother Qin Yuan, this time, we will work together to complete this great plan!"
