

Special Soldier 45

Chapter 45: Pain and happiness!

"Good!" Qin Yuan smiled.

Gululu!

at this time.

He Chenguang's stomach screamed unsuspectingly!

The sound is loud!

"You're hungry, aren't you? Eat some bread mats first, Erniu will be back from hunting soon!"

Qin Yuan took out the bread and ham from the car and handed them to He Chenguang.

When He Chenguang heard Qin Yuan's words, he was shocked and surprised, "Er Niu? Brother Qin Yuan! Are you talking about Li Er Niu from the cooking class?"

"Yeah, do you know each other?" Qin Yuan was also very surprised, pretending not to know Li Erniu.

After all, he can't show his stuff, right?

"More than knowing! In the recruit company, Er Niu Yanbing and I! The three of us are the best brothers!" He Chenguang suddenly became interested in Li Erniu!

"So that's it!" Qin Yuan looked astonished!

While talking!

There are footsteps in my ears!

My heart moved!

Qin Yuan turns on the thermal imaging system!

As expected...

Li Erniu is back!

In a moment!

Li Erniu ran back excitedly carrying two pheasants!

Seeing He Chenguang wake up unexpectedly, Li Erniu was surprised!

"Morning, are you awake?"

Li Erniu looked incredible!

He still wonders why the morning light takes at least several hours to wake up!

I didn't expect to wake up so fast!

"Er Niu, it's really you!" He Chenguang was surprised when he saw Li Erniu!

He never thought about it!

Can meet Li Erniu in this environment!

Brothers meet again!

Both of them are very happy!

"Haha, was it unexpected to meet me? But now, you should take a good rest and wait for me to make a roast chicken for you to make up for you!" Li Erniu smiled and immediately started to deal with the pheasant and set the fire again. heap!

When He Chenguang saw this, he immediately stared, "Er Niu, you said you made a pheasant on a fire in the jungle? Isn't this actively exposing the target? Put the fire out, we will die miserably!"

He Chenguang, the person who came over, suddenly thought of the horror of making fire, especially in the dark jungle!

This is a state of self-destruction, OK?

Qin Yuan suddenly smiled when he heard the words, and said, "Chenguang, you don't have to worry about this problem! Don't worry about this problem! Don't worry about having some barbecue, so that you can recover faster!"

"Is it really okay?" He Chenguang still didn't believe it!

But this sentence——

was said by Qin Yuan himself!

He can't help but believe it!

Then.

By the quiet fire!

until the roasted pheasant is ready!

He Chenguang is all trembling!

But now the pheasant is here!

His stomach, after eating those bread and ham, he couldn't understand the gluttony!

He can't control that much!

Pick up the pheasant!

directly began to gobble up!

ate half of a pheasant in one go!

He Chenguang stopped then, took a sip of mineral water, and smiled contentedly, "Huh! It's comfortable! I never dreamed of it before! In the exercise, I can still enjoy such delicious food! Hahaha... It's like a dream!"

When Li Erniu heard this, he smiled honestly and said, "Chenguang, you can't do it! My skill in making roasted pheasants is far worse than that of Brother Yuan! The roasted pheasants made by Brother Yuan are truly delicious! But, hey, you enjoy Wufu now!"

"Oh? Is Brother Yuan's craftsmanship better?" He Chenguang chuckled, and started to eat meat again. When a pheasant was completely solved, He Chenguang stopped very pleasantly!

drank two bottles of energy liquid, some bread and a roasted pheasant!

He Chenguang's mental and physical strength is completely restored!

The current He Chenguang is completely resurrected with full blood, in an absolute peak state!

"Dawn, eat and drink! Let's continue on the road!"

Qin Yuan smiled, because at this time, he had found several Blue Army soldiers more than 700 meters away!

this place!

They have stayed for too long!

Page is time to leave!

"it is good!"

He Chenguang smiled and officially joined Qin Yuan's two-person special team!

at the same time.

Blue Command Post.

Chen Shanming is reporting the data of this exercise to Fan Tianlei!

Fan Tianlei finished listening.

can't help but look ugly!

"The Lone Wolf Group B is indeed worthy of the special war trump card, as soon as he shot it, he beheaded Master Kong!"

"It's a pity...This time the military exercise, our Blue Army's battle damage was too high! The high was beyond imagination, it was scary!"

Fan Tianlei is no more indifferent than before!

no way!

The Blue Army casualties in this exercise are too great!

not only lost two special combat teams!

There is even Raiden Commando, one of the three super ace of Spike!

In these two days, it was very strange, losing dozens of blue soldiers!

Although the war is coming to an end, Fan Tianlei is not at all happy!

no way!

This exercise, with the passage of time, has become farther and farther away from what he imagined, and runs counter to it more and more!

just...

I think of this terrifying guy Qin Yuan!

Fan Tianlei couldn't help but smiled at the corner of his mouth!

because...

This fellow Qin Yuan did all this!

This is really painful and happy for Fan Tianlei!

Strictly speaking, he should be happy with this result!

Because of the great value Qin Yuan has shown in this exercise, it can already be compared to an elite special team!

But his superiors will definitely not like this ending!

will even get angry...

"Oh," Fan Tianlei couldn't help but let out a long sigh, "I'm really picking up a rock and hitting myself in the foot! I'm committing a crime, don't live! Don't live!"

Thinking of the future Qin Yuan, he will eventually enter Langya and become his best subordinate!

Fan Tianlei is completely relieved!

"Shanming, you now, put me through the number 1 call!"

groaned slightly, Fan Tianlei waved his hand, his face regained a calm look!

Although temporarily pitted by myself!

But he will never lose!

Because Qin Yuan did all this!

Fan Tianlei had to comfort himself so!

"Connect to the number 1?"

When Chen Shanming heard this, he was stunned for a moment. He reacted and asked in confusion, "Chief of Staff, our loss is so serious this time! It can be said that this is the biggest casualty in the history of the Blue Army! Such a record, is it still worth it? Would you like to invite No. 1 to the celebration party?"

As Fan Tianlei's long-term assistant.

Chen Shanming knows Fan Tianlei's mind very well!

Please celebrate this achievement on the 1st!

Isn't this slap your own face?

no way!

This time the battle loss ratio is too high!

High and scary!

Chen Shanming feels his face dull.

"Please! Of course please!" Fan Tianlei smiled brilliantly, his eyes flickering, "Once this battle is won, the Iron Fist Group will probably face adaptation. In this case, let the old chief come over and advance with Kang Lei and the others. Get together, so that they can have a comfort in their hearts!"

"As for me? Isn't it just being scolded! For Qin Yuan, let alone being scolded, it's worth the beating!"

Fan Tianlei looks pretty open!

wave a big hand! !

Let Chen Shanming notify the 1st to come to the daytime celebration party!

"Good chief of staff! Then I will contact you now!" In desperation, Chen Shanming nodded!
