

Special Soldier 47

Chapter 47: Mix into the blue camp

Qin Yuan couldn't help but laughed, "Acknowledge me as the big brother? Normal little brother, I don't want to accept it!"

The three returned to the car again!

"Brother Yuan, what shall we do now?"

Li Erniu asked excitedly!

In two consecutive days of closeness!

saw the horror of Qin Yuan with my own eyes!

Li Erniu has been completely convinced by Li Erniu's strength!

As for what Chenguang?

He still doesn't know about Qin Yuan's killing of the wolf squad and the lightning assault team!

just realized Qin Yuan is very strong based on keen intuition!

If you know...

He will definitely be more shocked than Li Erniu!

Because he knows very well what it means to be able to single-handedly destroy the two special combat teams!

This means, super strength!

Absolutely crushing strength!

Very terrifying strength!

"It's still dark now! It's our last chance!"

Qin Yuan's eyes suddenly became sharp!

He raised his finger to the tall chimney ahead and said to the two of them, "Er Niu, Chenguang, do you see that chimney?"

"I see, Brother Yuan, what are you doing to let us look at the chimney? Can that thing help us win?" Li Erniu asked puzzled.

He Chenguang is also very confused!

What are you doing looking at the chimney?

The chimney looks at least tens of meters!

There are no obstacles around!

Very broad vision!

But, this thing is useless, right?

"Good! If the plan goes well! This chimney will be the key to our victory!"

Qin Yuan smiled, kicked the accelerator, and shot straight ahead!

Jeep playing in Qin Yuan's hands freely!

He Chenguang looked at Qin Yuan's car skills and couldn't help being shocked again!

Not only the combat awareness is the top level of the soldiers!

Physical fitness is even more terrifying!

Didn't you expect the car skills to be so terrible?

"Qin Yuan, don't you want to go to the chimney to engage in decapitation, do you?"

He Chenguang from a military family, after a brief thought, he confirmed Qin Yuan's purpose!

at the beginning of!

Because the chimney is too high!

He Chenguang never thought about how to go up!

But...

If you can climb up!

Chimney is indeed a best sniper spot!

That position, no need for a sniper rifle!

95 can be used as a sniper rifle for burst shooting!

just want to get into the chimney, very difficult!

Qin Yuan smiled at the words, "Smart!"

"But Qin Yuan, how do we get into the blue army command post? How do we climb that chimney? You know! That chimney is within the range of the blue army command post! Obviously, the blue army has already considered the importance of this chimney. So put it into the command post!"

He Chenguang began to analyze it all the way.

"I said Chenguang! Brother Yuan is an immortal's own clever plan! Since Brother Yuan has said so, he will definitely have something to do! Don't worry!" Before Qin Yuan could explain, Li Erniu took the initiative to speak. , He explained with a smile, his trust in Qin Yuan!

Qin Yuan couldn't help but raised his eyebrows, thinking that Li Erniu has a future!

is really more pleasing to the eye!

If... if there is such a teammate in the battle, trusting oneself unconditionally, with Qin Yuan's terrifying strength, can indeed save a lot of tedious things!

But... He Chenguang's IQ is indeed high!

In a short moment, many very practical issues are considered!

But...

Qin Yuan still prefers teammates like Li Erniu!

because...

The difficult task of killing the enemy!

Qin Yuan is enough!

The jeep is driving fast!

On the move!

Qin Yuan has already figured out a countermeasure!

because...

They can swagger into the barracks!

"Huh? Say Cao Cao is here!"

suddenly!

Qin Yuan's eyes lit up!

Because of the night ahead!

600 meters away!

A military jeep is coming fast!

Qin Yuan immediately stopped the car to hide, and the three of them lurked on the side of the road.

"Brother Yuan, why are we lying in ambush by the side of the road? Is anyone coming?" Li Erniu asked suspiciously.

"That's right! Someone is coming! Take down this car later, this is the key to our entry into the enemy!" Qin Yuan smiled calmly and said.

"Grab the car? Qin Yuan, are your ears so sensitive? Have you heard movement so far away?"
He Chenguang couldn't help but be very puzzled!

It's just that the point of his doubts is different from Li Erniu!

He doubts Qin Yuan's hearing!

Qin Yuan smiled, "I am born with good eyesight and hearing, and I am so helpless!"

For these abilities!

Qin Yuan never thought about hiding!

after all.

He Chenguang is even better!

He can't believe that he has thermal imaging capabilities?

Can you spot the enemy from a distance?

It didn't take long.

A Blue Jeep drove from a distance!

"Shoot!"

Stay closer!

Qin Yuan gave an order!

Da da da!

DaDaDaDaDaDa!

The three rifles suddenly started shooting crazy!

Under the full burst of fire from the two big gun kings and a sub gun king, the four people in the car were immediately eliminated!

"Fuck it! Too bad! Was it eliminated as soon as I got out of the nest?"

"This special is too overcast, right? What about the overcast people?"

"I hate Voldemort the most!"

.....

All four of them are so angry!

But they were eliminated, and now they are defeated, they dare not complain with Qin Yuan and the others.

"Four brothers, borrow your military uniforms for a use!"

Qin Yuan strode forward and smiled lightly.

ignored the reactions of the four!

Oh!

Control is so powerful!

Qin Yuan directly punched the four people in the forehead!

The four of them passed out directly!

He Chenguang was dumbfounded!

This Qin Yuan...

Is that so domineering?

Unwilling to even discuss with the other party, just knock them out?

"I'm just to be on the safe side to prevent them from whispering."

Qin Yuan smiled and began to take off his uniform, "What are you still doing, change your clothes quickly! We are in the blue camp, can't we still wear this red uniform?"

"Ah, yes, Chenguang, hurry, if anyone comes over and be found out, it will be too late! Quickly change clothes!" Li Erniu slapped his head and immediately smiled and changed his clothes!

moment!

Qin Yuan tied the four with ropes and tied them in the jungle.

checked the supplies and some information on the car, and drove the Blue Jeep directly back!

"Morning light, Erniu! We are about to enter the blue command post. We must remember to pretend and don't expose ourselves!"

Qin Yuan reminded in a deep voice.

"Yes! Brother Yuan!"

"Do not worry!"

Both of them couldn't help but get excited!

no way!

is about to enter the blue base camp!

Such an exciting thing!

I'm afraid it's only once in this life!

You can't do it without getting excited!

"Huh? Didn't the company commander's car just go out? Why is it back now?"

The guard at the gate was upright and the guard was changing. Qin Yuan drove the car and was unexpectedly unimpeded. There was no one to check it!

"Brother Yuan, the inspection of the Blues is too lax, right? There is no human inspection?"
Now, even Li Erniu couldn't stand it! Can't help but slander! !

He Chenguang smiled triumphantly, "Er Niu, maybe... this is because the blue camp thinks that the battle has reached the end and they have won it! So... the internals have begun to relax too! But this is for us. , It is the best time!"

"Not bad! This is the best moment for us!" Qin Yuan smiled and drove the car straight to the chimney!
