

Special Soldier 49

Chapter 49: Qin Yuan shot

One time!

The three of them are extremely excited!

this moment.

Qin Yuan couldn't help but feel agitated!

after all.

Now it's the Blues One!

The thermal imaging system has completely wrapped the so-called number one in the car!

is one of the deputy commanders of the Southeast Military Region, Gao Shiwei!

"Qin Yuan, I don't need other heads, but for the head of the Blue Army No. 1, I have to decide!"

At this moment, He Chenguang's confident voice suddenly came from his ears!

I saw him holding up the sniper rifle and looking at the scope, he had already started aiming!

He Chenguang's voice is extremely confident!

The distance is about 500 meters!

He Chenguang doesn't even need to judge the influence of wind speed!

Just use experience to play normally, you can directly headshot No. 1!

"Oh? Are you so confident?"

Qin Yuan couldn't help but smile, showing his white teeth, and said with a light smile, "Young man, self-confidence is a good thing! But overconfidence, it will be uncomfortable to fail!"

Qin Yuan kindly reminded!

What a joke!

Want to grab the head of No. 1 in front of Qin Yuan?

He Chenguang is still tender!

"Oh? Qin Yuan, it seems that you are also very confident in your marksmanship!"

He Chenguang turned his head to the side and smiled, in the slightest indifferent. He clapped the sniper rifle in his hand and smiled and said, "Qin Yuan, do you know that if you want to be an excellent sniper, you need more than this," He Chenguang pointed to his head, and continued, "We need more talent!"

"Strictly speaking, talent is more important! Because some skills and judgments cannot be controlled through practice!"

"For your physical stamina, I am utterly convincing! I am convinced by your combat awareness! But for marksmanship? I'm sorry, you are just a recruit! I have no reason not to believe that I will lose to you!"

He Chenguang expressed his strength so confidently for the first time!

indeed!

Before Qin Yuan appeared!

He is indeed the strongest!

Regardless of physical fitness or marksmanship or fighting!

are all the best!

But...

If you say that he is the most proud of a skill!

Naturally, marksmanship!

His marksmanship!

Even many veterans lament themselves!

we can even say.....

With He Chenguang's current marksmanship!

directly thrown to the special forces, it is also among the best existence!

is also for this reason!

He Chenguang is extremely confident in his marksmanship!

"Oh? Very good, but kid He Chenguang, I still said that, self-confidence is a good thing! Let's see the truth under our hands.

Qin Yuan smiled lightly, not caring!

Li Erniu is about to talk!

no way!

He looked at the confident He Chenguang and couldn't bear it!

I thought He Chenguang, you will be cowhide again!

Could it be better than the people of the Raiden Commando? ?

But at this moment--

All four cars stopped.

at the same time!

Qin Yuan and He Chenguang all looked at the scope!

500 meters away!

For Type 95, his effective range has been exceeded!

If Qin Yuan wants to hit the target accurately, he must use cosmic marksmanship to be 100% sure!

He Chenguang couldn't help but sneered when he saw it. At this distance, he used 95 to grab the head with his 88?

He Chenguang already has the winning ticket!

"No. 1 will get off the car soon! He Chenguang, you have to aim!"

A smile appeared at the corner of Qin Yuan's mouth, a kind reminder!

"Don't worry! I won't let you down!"

He Chenguang also smiled, as if he had seen the head of No. 1 being exploded by himself!

at last!

Gao Shiwei got off the car!

I don't even aim!

Qin Yuan finally made a move!

"Hmph! Qin Yuan, are you too confident? This is a distance of 500 meters! Even if 88 is sniper, you have to aim for a while! You don't even aim at it? Isn't this a nonsense? I... Fuck!"

He Chenguang suddenly laughed when Qin Yuan shot directly!

Because of his instinct, he told him that with this shot, Qin Yuan would definitely miss it!

"How can it be!"

But the next second--

I didn't finish a word!

He Chenguang's shocking eyes are almost flying out!

Because through my own sight!

Qin Yuan clearly saw that smoke appeared on Gao Shiwei's body!

now!

Gao Shiwei is angry!

He was very angry at the loss of this exercise and was not satisfied at all!

Didn't expect to get out of the car, but was killed by a sniper again?

Fan Tianlei was shocked when he saw this!

"Sniper? Damn it! Why are there snipers aiming here? Didn't the four companies almost catch it?"

Fan Tianlei is really anxious now!

As the chief of staff of Spike!

Even in the face of terrible battle loss ratio!

He has never been so messy!

because...

was killed this time!

is the number one in their blue team!

It's like two countries are at war!

The highest commander of his country was killed!

How are you going to fight this battle?

What's the point of fighting?

Fan Tianlei knows...

This time event!

is really serious!

Deputy Commander High will definitely be very angry!

"Who is it? With such courage and wisdom! How dare to attack our number one! And, it was successful?"

Fan Tianlei began to analyze quickly!

But at this moment--

He just felt his helmet tremble!

followed closely, and smoke appeared on his body!

"Fuck! I even eliminated Lao Tzu?"

Fan Tianlei couldn't help but explode!

"Who the **** is it? Qin Yuan??? Is it really that kid?"

an instant!

Qin Yuan's name began to come to mind!

can have such courage!

and it can be done!

Under the world!

I'm afraid there is only Qin Yuan, right? ? ?

an instant!

Fan Tianlei cast his gaze on the chimney in the distance!

The chimney 500 meters away!

stands tall!

by the naked eye alone!

can't see the situation above at all!

But...

Actually at the beginning of the drill!

Fan Tianlei considered the chimney problem!

He was worried that this chimney would be found by snipers and occupied!

If so!

Their blue camp is in danger!

and so.....

He sent a soldier to stand guard!

immediately report any movement!

But I think again!

The red sniper wants to find this chimney, he must have found his own command post, and want to discover your command post?

This is almost impossible!

and so.....

Fan Tianlei has never paid much attention to it!

I didn't expect now...

was actually taken advantage of by Qin Yuan!

"Well, I am getting old and confused! One hundred dense and one sparse, one hundred dense and one sparse!"

Fan Tianlei laughed at himself, unspeakably sad.

As for the ear?

but bang bang bang!

The rapid burst of gunfire kept ringing!

A senior military officer, even Chen Shanming, was shot in the head and eliminated!

One time!

The entire reception ceremony has become a sea of smoke!

Smoke billows!

can't see a figure!

Everyone's face is even more sad!

Because they know!

This exercise...

The Blues lost!

Moreover, I lost very thoroughly!

Above the chimney!

He Chenguang was completely dumbfounded!

He looked at Qin Yuan in front of him with a sorrowful look, he was already shocked!

"Yuan... Brother Yuan, you, your marksmanship is too horrible???"

I couldn't help it. After witnessing the whole process, He Chenguang finally changed his words on the initiative! !

"Ding Dong~ Congratulations to the host for successfully eliminating the Blues 1 and unlocking 3 new grids!"

At the same time, the crisp system prompt finally rang!
