

## Special Soldier 52

### Chapter 52: Special rights

Chen Shanming didn't say much!

Qin Yuan didn't ask too much!

is sitting on a military vehicle!

My heart moved!

Qin Yuan brings up the system interface!

Start browsing!

From getting the system to now!

Qin Yuan has already obtained a lot of grids!

arranged from left to right!

Recovered items are Red Bull, playing cards, pistols, dice, jeep, ant, rifle, rattlesnake, owl, sniper rifle, kitty, flame and glucose in order!

13 items in total!

can be said to be quite rewarding!

And Qin Yuan also relies on a powerful system, from an unknown \*\*\*\*\* to a super existence who can destroy a special war ace with the power of one person!

and...

This is not Qin Yuan's strongest state!

His path has just begun!

"After the military exercise is over! The power of ants, thermal imaging, night vision, sniper rifle and neural response speed! These items must be upgraded to the universe level as soon as possible!"

went through a large-scale exercise!

Qin Yuan discovered many shortcomings in himself!

For example, the thermal imaging range is too small!

Night vision range is too small!

The marksmanship of the sniper rifle is only world-class!

The neural response speed is only three times that of humans!

There are so many things that Qin Yuan needs to improve!

Brake!

Thinking about it!

A sudden stop!

Qin Yuan woke up from thinking!

Chen Shanming smiled and said, "Comrade Qin Yuan, the destination is here!"

Chen Shanming got out of the car first, and what appeared in front of him was a large tent!

"Huh? Why do you bring me here?"

Qin Yuan raised his eyebrows, not sure why.

"Just go in and know."

Chen Shanming smiled and stepped into the camp, followed by Qin Yuan.

enter the door!

Qin Yuan saw Fan Tianlei standing right in front of the meeting room.

Fan Tianlei smiled when Qin Yuan arrived, "Qin Yuan, you are finally here! Take your seat!"

"Yes! Chief of Staff!" Qin Yuan nodded immediately.

just...

Where to sit?

Qin Yuan began to enter the meeting room, and at a glance he saw his old acquaintances, the old Foxes of Thunder God!

The Thunder God Hades looked strange when he saw Qin Yuan's arrival!

no way!

They were on the battlefield and were eliminated by Qin Yuan!

is Qin Yuan's defeated opponent!

I saw Qin Yuan who eliminated them...

They can't calm down naturally!

At the same time, Zhuang Yan and others are also very puzzled!

Isn't this kid Qin Yuan looking more handsome and sunny?

Mingming's face is still slightly immature!

But why, this guy has the ability to eliminate the Raiden Commando?

Although everyone on the surface is gloating for the Raiden Commando being eliminated!

But in fact.....

For Qin Yuan, but never take it lightly!

after all.

laymen watch the excitement, experts watch the doorway!

can kill the wolf squad, it can also be said that the kitten ran into the dead mouse!

But the Raiden Commando has long proven its strength with countless brilliant records!

But even so...

They are still destroyed by Qin Yuan!

This can only explain the horror of Qin Yuanqiang!

"Qin Yuan, you just sit here!"

Fan Tianlei smiled and saw Qin Yuan's doubts at a glance, waved his big hand, motioning Qin Yuan to sit on his left hand.

Thunder God Zhuang Yan and others stared at him!

Fan Tianlei actually let Qin Yuan sit in their upper seat?

this this this...

"Why, Thor Xiaozhuang, do you think there is anything wrong with this?"

Fan Tianlei teased intentionally.

The thoughts of Thor and others!

He can see through at a glance!

These guys!

Skills are not as good as people!

Don't you give up a good position?

Qin Yuan didn't think so much, and sat down beside Fan Tianlei.

"Ah, Chief of Staff, no, I have no objection!"

When Thor heard, he shook his head quickly.

Now Qin Yuan is sitting next to him!

This kid is not stage fright at all!

is even more indifferent than his experienced combat veteran!

This makes Thor dare not have the slightest objection to it!

after all.....

He is the defeat of Qin Yuan's men!

"Chief of Staff, I have no objection!"

Zhuang Yan also raised his eyebrows, indicating that he didn't care.

of course--

Fan Tianlei is very clear!

They just pretended not to care on the surface!

"Okay! It's okay!"

"Then I'll be straight to the point!"

Fan Tianlei smiled and looked at everyone and finally set his eyes on Qin Yuan, "Qin Yuan, I invite you over this time, in fact, because of your outstanding performance in this exercise! So... I make an exception and let you go with the team. Perform a special operations mission!"

"Oh? Mission?"

Qin Yuan's eyes lit up when he heard it!

want to be the most powerful special soldier!

must go through the baptism of real war!

In fact, Qin Yuan thought before, when would he have a chance to perform a mission!

did not expect.....

Now this opportunity, come so soon?

"Ding Dong~ Now release system mission: accept Fan Tianlei's mission invitation, successfully capture Fatty Liu, unlock a new grid! Successfully rescue Enron, unlock a new grid!"

at this time!

The crisp system prompt suddenly sounded!

"Huh? Fatty Liu? Rescue An Ran? Is this the mission that made An Ran sacrifice?"

Qin Yuan couldn't help being surprised!

The story of the special forces world!

Qin Yuan knows it very well!

Because of Qin Yuan's arrival!

Some plots of the special forces world have changed!

But some important plots have not changed!

E.g.....

Now An Ran is still undercover!

But because of my appearance!

The environment of Fatty Liu has also undergone many changes and unknown factors!

"Not bad! This mission, UU reading [www.uukahnsu.com](http://www.uukahnsu.com) is a real combat mission!  
Qin Yuan, are you scared?"

Fan Tianlei asked with a deliberate smile.

"afraid?"

Qin Yuan couldn't help but smile when he heard the words, "In Qin Yuan's dictionary, I never know how to write fearful words!"

"Haha, good! It is true that a newborn calf is not afraid of tigers! Young people have fighting spirit!"

"Qin Yuan, according to your excellent performance in this exercise!"

"In this operation, I give you a special right! You can move freely without any restriction, without any control!"

"what do you think?"

Fan Tianlei laughed, very satisfied with Qin Yuan's reaction!

want to be a truly powerful special warfare member!

Overall quality is very important!

But the quality of the heart is more important!

If you are afraid of the battlefield, and you lose your confidence when you hear of actual combat, how can you fight this?

"Thank the Chief of Staff!"

Qin Yuan's eyes lit up when he heard this!

Without any restrictions, can I move freely?

This is exactly what Qin Yuan wants!

However——

When I heard Fan Tianlei's words!

Thunder God, Zhuang Yan and others were all unhappy at once!

Every large-scale operation requires strict cooperation and careful planning to ensure that it is foolproof!

but now.....

The Chief of Staff actually gave Qin Yuan a special right! !

Isn't this adding chaos to the action?

If Qin Yuan's behavior affects the task progress, who will be responsible? ? ?
