

Special Soldier 561

Chapter 561: Improved digestion

At this moment, Qin Yuan suddenly thought of a voice in his mind:

"Ding Dong, the system will issue a task to heal Long Baichuan's injury and reward 1 grid."

Hearing this task, Qin Yuan was taken aback for a moment. Why would he suddenly release the task now? But Qin Yuan quickly threw this matter out of his mind. The most important thing now is to eat!

At this time, Qin Yuan went directly to the pirate's kitchen, found something to eat, and ate it with big mouthfuls, but Qin Yuan felt that it was too slow to eat like this, and Qin Yuan didn't want it. Waste a grid to exchange for nutrient solution.

But at this moment, Qin Yuan saw a shark fin, and his eyes suddenly brightened!

"Let me go, these pirates are quite corrupt, and they have this thing?"

Qin Yuan didn't know which hapless shark got it from, but it was a good thing.

However, before eating, Qin Yuan was moved by heart, and directly received the shark fin into the grid.

Sharks are well-known underwater killers. Qin Yuan wants to try, what kind of skills will he have if he recovers this animal?

"I don't know if just a shark fin will do?"

Qin Yuan murmured, and then this shark fin disappeared!

"Ding Dong~ The system was successfully recovered, please start choosing the host!"

With the prompt sound of this system, three options suddenly appeared in front of Qin Yuan!

"1, get world-class blood smell!"

"2, get world-class iron teeth and bronze teeth!"

"3, get a world-class aquatic lung!"

Seeing these three options, Qin Yuan also nodded. Qin Yuan also heard about the blood smell and the ability of aquatic lungs.

Sharks have a very sensitive sense of smell in the water, and can smell blood from several nautical miles away.

However, this ability is not of much use to Qin Yuan now. After all, when Qin Yuan went into the water, most of them were chasing people, and Qin Yuan already had the ability to smell on land, this ability It's a bit tasteless.

And this aquatic lung ability is estimated to be able to strengthen Qin Yuan's time to breathe in the water. After all, although Qin Yuan's underwater breathing is powerful, it puts a lot of pressure on his lungs. He can only hold it for a certain period of time, a few hours. After a long time, even Qin Yuan could not bear it.

With this ability, it is estimated that he can breathe underwater for a long time like a shark.

However, what Qin Yuan liked was the iron teeth and bronze teeth. The shark's teeth were still very famous. Not only were they extremely tough, they were able to replace their teeth and became stronger and stronger.

So Qin Yuan said directly:

"System, I choose the second item!"

"Ding Dong, the host chooses successfully, and gets world-class iron teeth and bronze teeth!"

With the sound of the system, Qin Yuan clearly felt some changes in his teeth, Qin Yuan bite, and made a click.

And Qin Yuan also discovered that not only the teeth were changing, but the bite force of the lower jaw was also strengthened!

Qin Yuan looked at the bull bone in front of him, put it in his mouth, and made a click. Qin Yuan directly bit the hard bone into two pieces!

"It's so fierce!"

Qin Yuan picked up a plate, took a picture of his teeth, and was extremely satisfied.

However, just having a good tooth is not enough, he still needs enough digestion ability, and Qin Yuan saw the tripe in front of him, and he also absorbed it directly!

"Ding Dong~ The system was successfully recovered, please start choosing the host!"

"1, get world-class digestion speed!"

"2, get a world-class big stomach king!"

"3, get world-class anti-nozzle ability!"

Looking at these three options, Qin Yuan also chuckled. The digestive ability of this cow is considered relatively famous among herbivores. The cow has four stomachs and can eat a lot.

And among these three options, the ability to turn back is a bit unsuitable. This big stomach king and digestion speed are exactly what Qin Yuan needs!

"System, I choose the first item!"

"System, I choose the second item!"

Moreover, this tripe is not as rare as shark fin. Qin Yuan immediately chose to make these two options to the universe level!

"Ding Dong, the host has successfully chosen to obtain a cosmic digestion speed!"

"Ding Dong, the host chooses to succeed, and obtains the universe-level big stomach king!"

After these two abilities reached the cosmic level, Qin Yuan instantly felt as if he had become different. He was eating the food in front of him for a while, and no matter what it was, everything was stuffed into his stomach. Anyway, the strong digestion ability can't hurt oneself at all!

But at this moment, Fan Tianlei walked in directly, and did not bring anyone else. Seeing Qin Yuan eating like this, Fan Tianlei smiled slightly and asked Qin Yuan directly:

"Our great hero, since you have been discovered by others, come back to Langya with me!"

"Back to Spike?"

Hearing this, Qin Yuan was taken aback for a moment, and then asked Fan Tianlei:

"No, didn't you tell me not to be scornful before, and hide in this place?"

"Huh, that's because it is difficult to explain to the above, but this period of time, the situation above has changed to a certain extent, and these people are really too arrogant. Today, the missiles were directly transported to the high seas and attacked our personnel. And now that you have been discovered by these people, there is no point in continuing to hide here. When you reach Langya, we can better protect you."

Fan Tianlei's eyes also flashed with a sharp light, and he was obviously very dissatisfied with this time, but after hearing such words, Qin Yuan was sure in his heart that there was nothing wrong.

Since it's okay, then I don't have to rush back in such a hurry. After all, there is still a task that needs to be lurking in the South China Sea Fleet and hiding my identity for a month. There are still

two grids, and Qin Yuan still wants to crack it here. Regarding the secrets of the 303 submarine, the personnel training has not yet been completed, so Qin Yuan still wants to stay here.

"If there are no tasks, then I will stay here first. For me, there is not much difference between being in Spike and staying here, and recently I want to learn new knowledge, right, Didn't I think you applied before and wanted to open a military factory? Have you applied for me? Did the above agree?"

Hearing this, Fan Tianlei couldn't help rolling his eyes:

"What do you want? This military factory was opened as soon as it was opened? You must have your own things. This kind of thing cannot be determined by the above sentence. You are not qualified, but your credit is enough. Honestly follow me back to Langya to award the honor, you are the colonel."

Chapter 562: Open military factory

Hearing this, Qin Yuan chuckled. For him, there is no difference at all.

"Then I won't go back, I promised to train a team, oh yes, this time the credit will be directly on others!"

"This isn't a nonsense. Give the credit to whoever you give it?"

Fan Tianlei said with dissatisfaction, and Qin Yuan hiccuped, walked over to pat Fan Tianlei's shoulder, and said lazily:

"That's your business. I'm fine here. If there is no big task, don't call me."

After saying this, Qin Yuan left here directly, and looking at Qin Yuan's back, Fan Tianlei's face was full of helplessness, and finally he could only pick up a mobile phone and start calling.

...

Three days later, on the beach of the sea training ground.

Jiang Xiaoyu, Lu Yan and Zhang Chong, each carrying a large backpack, were doing basic training sweating.

Such weight and training are not too much of a problem for them, so even if the three of them are a little tired, they can still persist.

"Hurry up! How can you catch up with Qin Yuan if you are so slow?"

"Yes, you can't even keep up with me!"

At this time, Liu Xiaoshan and Deng Jiuguang were also training with them, but since these two veterans recovered from their injuries, their physical strength has risen sharply. This kind of training is even more trivial to them!

Hearing the words of the two veterans, the three of them suddenly seemed to have been given a whip, and the speed increased by a point.

Since that day knowing that Qin Yuan was single-handedly and killed all the pirates, these three people have intensified their training as if they had been beaten up.

Although they knew that Qin Yuan was more powerful before, they didn't expect that Qin Yuan was so powerful, and for this time, they didn't know the reason. They were concealed from it. Everyone thought it was a member of the Marine Corps. What it did was made these three people sigh in their hearts.

They must train well, strive to make merit as soon as possible, and return to the beast camp, not only to help their master get a good position, but also to take back Qin Yuan's credit!

At this time, Qin Yuan was lying on a recliner on one side, basking in the sun, eating fruit, watching these guys training.

As for what these people were thinking, Qin Yuan knew it well, but Qin Yuan didn't explain much. He just said that this matter was voluntary by himself, and then he left it alone. .

Anyway, this matter is easy to solve, but now it can inspire these people's enthusiasm for training, and I will talk about it later.

But at this moment, there was a jeep coming from a distance. Qin Yuan looked at the jeep, his eyes lit up, he stood up and greeted him.

It was Shen Ge who came here, and after seeing Qin Yuan, Shen Ge also had a look of excitement on his face, and said to Qin Yuan:

"Qin Yuan, this time I came here to express my gratitude. You have saved my life twice. I really don't know how to thank you."

But Qin Yuan waved his hand and said to Shen Ge:

"Okay, if you really want to express any gratitude to me, then take me to the city to have a look. A few days ago I said I wanted to go to the library to find some books, but someone came over today!"

Qin Yuan was a little faint, because Fan Tianlei had directly reported the incident to him before, and after Gao Shiwei knew about it, he immediately called him and gave Qin Yuan a severe training.

Even when Qin Yuan faced Gao Shiwei, he still didn't lower his head. He still wanted to open a military factory, because when he called at the time, a voice rang directly in his mind:

"Ding Dong, system release mission, within five years, establish an armament factory, and become the world's strongest arms dealer, reward 20 squares!"

When Qin Yuan saw this task, he was completely stunned. Such a large task was only encountered by Qin Yuan at the beginning.

So Qin Yuan always wanted to take this opportunity to learn the knowledge of this industry, and figure out a way to start this munitions factory!

And the most profitable thing in the world is to do arms business. Although Qin Yuan is not short of money now, if he opens up this arms factory, with Qin Yuan's ability, I am afraid that he will not be far from becoming the world's richest man. .

Originally Qin Yuan was more anxious, Gao Shiwei's people always disagreed, so Qin Yuan wanted to open this factory abroad directly.

After all, his identity is relatively sensitive, and various resources in some places are relatively cheap, and as long as he has sufficient force and wealth, he can almost guarantee his own interests.

However, after a careful thought, Qin Yuan gave up this idea. Although it is difficult to open this kind of factory in China, there are many benefits. For example, once the factory is opened, it is a national enterprise. As long as Qin Yuan can continuously produce For new products, no matter if it's sales or various other things, I'm afraid the people above will help Qin Yuan do it casually!

As the saying goes, no matter how difficult there is, there will be great benefits. This is certain.

What's more, the fertile water does not flow into the fields of outsiders. In this way, the various weapons created by Qin Yuan will definitely equip the soldiers of the Yan Kingdom first. Qin Yuan will not forget that he has another task to lead the soldiers of the Yan Kingdom to the top of the world. Too!

But after Qin Yuan said this idea to Gao Shiwei Gao Shiwei was the ***** dog who trained Qin Yuan!

After all, in his opinion, Qin Yuan is a complete master, such a master, who does not train well in the army, and finally wants to open an army factory. Isn't this a nonsense?

And even if Qin Yuan wants to go to the rear to carry out scientific research activities, he should go to medicine, not to make weapons?

As the saying goes, there is expertise in the art industry, and a master using weapons does not mean that he can make weapons.

However, Qin Yuan insisted repeatedly and talked to Gao Shiwei. After a long time, Gao Shiwei reluctantly agreed to Qin Yuan and asked Qin Yuan to give it a try. But it was three chapters. If Qin Yuan doesn't do this thing, he must get old. Follow orders honestly.

Qin Yuan is not too worried about this, as long as he has a grid, can he still run a factory? Qin Yuan now has a rifle manufacturing method. As long as there are enough grids, let alone weapons, he can design even a spaceship.

And now, he just wants the people above to help him and turn his ideas into reality!

Chapter 563: Someone is coming again

The most important thing at the moment is to find a way to come up with a sufficiently important design. Although Qin Yuan's current military exploits are impressive, it will be counterproductive in this respect, so Qin Yuan is anxious to go to the library.

Qin Yuan knew that although he had a system, he would never be able to become the world's number one by himself. He would like to become the world's number one arms supplier within five years, even with a system. It's also very difficult to do with the help of Qin Yuan. After all, no matter how great Qin Yuan's skills are, he will at most produce one or two super single products. It takes countless people to sell his weapons to the world. work together.

However, with the help of the system, Qin Yuan has already turned on the cheat device to accelerate, and all this is still possible.

And Qin Yuan thought about it carefully. Now this grid is really not enough. Not only is it necessary to obtain various high-level titles to unlock the Eight Needles against the sky, but also to train soldiers and lead the soldiers of the Yan Kingdom. On top of the world.

"It seems we still have to earn the grid well..."

Qin Yuan murmured, and Shen Ge on one side heard this, but asked strangely:

"Lieutenant Colonel Qin Yuan, what are you talking about?"

"Huh? Nothing. Let's go!"

Qin Yuan also reacted, and after hearing this, although Shen Ge felt that Qin Yuan was a little divine, but he quickly sorted out his mood and said to Qin Yuan:

"Okay, then I will take you there."

Although I don't know what Qin Yuan is so anxious to do in the library, for Shen Ge now, no matter what Qin Yuan wants to do, she will help.

Since coming back, Qin Yuan no longer hides his identity with these people. It just explained in advance that he must help himself to hide. Don't say to the outside that although other people don't know what Qin Yuan is because of. But for such a small matter, Qin Yuan would naturally be agreed.

But at this moment, Qin Yuan just wanted to get in the car, and suddenly heard the roar of the jeep again, and now a black line was raised on Qin Yuan's forehead.

How is this going? When no one is here, no one will come, just get together when these people come?

Qin Yuan squinted his eyes and found that this man had a dignified face and a fierce aura. It turned out to be Xiang Yu, the so-called beast camp war god!

At this time, Xiang Yu saw Qin Yuan and Shen Ge standing together, his expression even more ugly, and quickly walked to Qin Yuan's front and said directly to Qin Yuan:

"Take back the credit that belongs to you, we two fight a fight and see who is the best!"

Hearing this, several people onlookers suddenly looked confused. It is normal for Xiang Yu to want to challenge Qin Yuan, but has the credit turned into a hot potato? Who loses who wants?

Qin Yuan sighed slightly when he heard this, and shook his head.

Others don't know what's going on, but Qin Yuan must know it. Before he wanted to hide his identity and stay here, then the credit must not be taken, so the people in the military area hid Qin Yuan's identity, but Others in the military area would definitely doubt who this person was, and Xiang Yu was the God of War of the Beast Camp, so powerful, everyone would doubt him.

For Xiang Yu, such a thing is not an honor, but an insult. It's a pity that the superiors notified him and would not let him speak out about Qin Yuan's existence. At this time, he could only passively accept praise from his surroundings. It made Xiang Yu feel as uncomfortable as if he had eaten a fly.

After all, he is also an upright soldier, who actually replaced the reputation of others. For Xiang Yu, it was like a black pot on his body, making him extremely uncomfortable!

Today, Xiang Yu couldn't help it anymore. He found an opportunity to challenge Qin Yuan and asked Qin Yuan to take back this honor directly!

Only after hearing this, Qin Yuan hadn't spoken yet, but Zhang Chong, Luyan and Jiang Xiaoyu who were watching on the side laughed.

"Oh, you are a deflated bastard, still want to challenge our brother Yuan? You are not dreaming."

"That's right, this is playing a big sword in front of Guan Erye. Pei Yuanshao met Li Yuanba and he couldn't help it!"

"Humph."

Hearing the words of these three people, Xiang Yu suddenly became angry. Looking at these three characters, he said coldly:

"Just you three spoilers, what right do you have to say about me?"

This sentence of Xiang Yu was a complete blow, especially Zhang Chong, who was impatient, cursed at Xiang Yu:

"Oh, you crippled bastard, are you looking for a beating?"

"Oh, that's all right, Bald, people didn't come to you. If we want to beat him, we have to be behind Brother Yuan. Wait, wait, don't worry."

Jiang Xiaoyu pulled Zhang Chong, but the words were full of mockery. Although Lu Yan didn't say anything, the look in Xiang Yu's eyes was not good.

To be honest, they looked at this so-called God of War Xiang Yu very unpleasantly before, not to mention that they knew that after the guy in front of them had robbed Qin Yuan's credit, they even raised their noses and eyes on this guy. The guy found the door, but they all sighed, trying to teach this guy a lesson.

Seeing this, Qin Yuan shook his head and said directly to Shen Ge:

"Okay, let's go, don't waste time."

"No, you can't go, we have to compare it!"

Xiang Yu stopped Qin Yuan directly, and looking at this guy, Qin Yuan was also full of helplessness. Although this guy is a good soldier, he is also very powerful and can't speak well.

But at this time, a voice rang in Qin Yuan's mind when

"Ding Dong, the system will issue tasks, accept Xiang Yu's challenge, and help Xiang Yu overcome his shortcomings and reward him with a grid."

Yep?

Hearing this voice, Qin Yuan's eyes suddenly brightened. If there is no good thing, Qin Yuan naturally does not want to do it, but now that there is a grid, Qin Yuan is immediately interested!

But watching this task carefully, Qin Yuan scratched his head a little. It was easy to accept Xiang Yu's challenge, but how to overcome this guy's shortcomings?

In fact, when Qin Yuan watched TV series before, he had a good impression of this guy. After all, the character Xiang Yu was strong and determined and possessed the qualities that a veteran should have.

But think about it carefully, just because of an arm injury, which led to a loss of a game and even a direct retirement, is this guy's self-esteem too strong?

And thinking of this, Qin Yuan's heart suddenly had an idea, and the look in Xiang Yu's eyes became a little sinister. It seemed that he was going to take care of this guy!

Chapter 564: Fighting spirit

"Okay, don't you want to challenge me? I give you this opportunity, but have you played rpg games? Before challenging the boss, you have to defeat the three guardians, two heavenly kings, to challenge the boss, do you understand? ?"

Qin Yuan said with a smirk, but when he heard this, Xiang Yu frowned and said to Qin Yuan:

"You mean, I want to challenge you, I have to promise five of them first?"

"Hehe, promise them five, what you think is pretty beautiful, I mean, if you can beat one of them, even if you win! I won't bully you, just pick Jiang Xiaoyu, the weakest among them, as long as it is If you can beat Jiang Xiaoyu, then I will go to the regiment head personally, take the credit down, and wash away the credit of your war ***** Xiang Yu, how about?"

Qin Yuan smiled and said to Xiang Yu, but when he heard this, Jiang Xiaoyu disagreed:

"No, Brother Yuan, why am I the weakest? I have made rapid progress in this period of time!"

"Keep it down, just me and Lu Yan, which one can you beat? Or did you beat the master?"

Zhang Chong was very satisfied and touched his bald head, but Jiang Xiaoyu said:

"Why can't it, my physical exercise is not a little more powerful than you, that is, my time is too short, or else, the appointment is better than you!"

"Hi, are you looking for a big one? The future is the future, now is the present. If you talk so much less, Brother Yuan said that you are the weakest!"

"Me! Damn, Lu Yan, you give me a comment!"

Lu Yan shook his head looking at the appearance of these two people.

But when he heard this, Xiang Yu frowned tightly and said to Qin Yuan:

"You humiliated me?"

"Please, you just found out? But it's okay, as long as you can win, if I remember correctly, you seem to have let Jiang Xiaoyu catch it once alive. This time, be careful, don't capsize in the gutter. !"

Qin Yuan was full of ill-intentioned smiles, he just wanted to provoke this guy's anger, and sure enough, when he heard this, Xiang Yu was completely angry!

Originally, he had forgotten about this matter, but now Qin Yuan is actually provoking it again, which made Xiang Yu look at Jiang Xiaoyu's eyes with a fire!

When training recruits before, Xiang Yu originally wanted to kill the recruits in the island, but he did not expect to miss Jiang Xiaoyu, but was caught alive.

This incident was a shame to Xiang Yu, but later because Jiang Xiaoyu was so useless, he didn't have any qualifications to challenge at all, so Xiang Yu was able to bear it, and this time Qin Yuan asked him to go with Jiang Xiao. The fish confrontation, the addition of the new hatred and the old hatred made Xiang Yu also born with boundless fighting spirit!

"Okay, I'll have a match with him, Jiang Xiaoyu, come here, I want you to ***** power!"

At this moment, Xiang Yu was like a phoenix that could breathe fire.

On the other side, Jiang Xiaoyu saw that Xiang Yu seemed to be serious, but his heart became a little flustered.

As the so-called shadow of the famous tree of man, this Xiang Yu is the ***** of war in their beast camp. He is now directly facing this war-intent Xiang Yu. Although Jiang Xiaoyu has been trained for a long time, his heart still trembles a little.

"Uh, bald, if you help me fight, I suddenly feel a little sick in my stomach?"

Jiang Xiaoyu said to Zhang Chong with a smile on his face, but when he heard this, Zhang Chong rolled his eyes:

"No! Go and go by yourself. If I go for you, I won't be the weakest!"

When he heard this, Jiang Xiaoyu immediately turned his head to Lu Yan who was on this side. It was a pity that Lu Yan didn't let him speak, so he turned his body directly to the side.

Jiang Xiaoyu was indeed completely gone. He trembled a little when he looked at Xiang Yu who was about to burn.

Seeing such a situation, Shen Ge was a little worried and said to Qin Yuan:

"Can this work? Nothing will happen, right?"

But Liu Xiaoshan, who was standing on the side, laughed and said directly to Shen Ge:

"What can happen? Everyone is a comrade-in-arms, can there be any problems? The big deal is to lose."

But when he heard this, Qin Yuan shook his head.

How can you cure this guy if you lose?

So Qin Yuan directly greeted Jiang Xiaoyu:

"Jiang Xiaoyu, come here."

Hearing Qin Yuan's words, Jiang Xiaoyu ran over immediately, and the West said directly to Jiang Xiaoyu:

"I know your kid is a money fan. As long as you can beat the guy opposite, I will reward you with 100,000 yuan."

"What? One hundred thousand!"

After hearing this, Jiang Xiaoyu's voice changed!

One hundred thousand!

How many years will it take to be a soldier to get so many allowances?

At this time Jiang Xiaoyu also burned completely, and looked at Xiang Yu full of fighting spirit. Now in his eyes, Xiang Yu is no longer the ***** of war in the beast camp, but a 100,000 yuan in vain!

But Xiang Yu looked at Jiang Xiaoyu with disdain, and said directly to Jiang Xiaoyu:

"Okay, what do you want to compare with me? Whether it's shooting, fighting or swimming, which is your best, you can do it!"

Xiang Yu knew that Jiang Xiaoyu was recruited because of his ability to hold his breath, but Xiang Yu was not afraid at all.

However, Qin Yuan smiled and said to Xiang Yu:

"No! Just choose your best fight!"

what?

Hearing this, Shen Ge couldn't help but exclaimed. You must know that Xiang Yu is the ***** of war in their beast camp. He has studied martial arts since he was a child. He is considered to be the person with the strongest fighting ability. Now he has asked Jiang Xiaoyu to challenge. He, isn't this looking for death?

When Jiang Xiaoyu heard this, although his eyes flashed, there was no fear at all!

He has to get the 100,000 yuan, which is 100,000, so he can build a house in his hometown!

If you have this 100,000 yuan! Does his Azhu still have to marry someone else?

Thinking of this, Jiang Xiaoyu's eyes also burst into flames, and said hoarsely to Xiang Yu:

"Come on Let's try!"

When he saw this, Xiang Yu was also taken aback for a moment, then put aside his contempt and walked directly to the beach.

And not only Xiang Yu but also Liu Xiaoshan was surprised. He whispered to Qin Yuan:

"Can this work? Although this kid surprised me, but the time is short, if he really loses to Xiang Yu, then we..."

"No, he won't lose."

Qin Yuan looked at Jiang Xiaoyu and showed a slight smile.

Although Jiang Xiaoyu seems to be only a little clever, he is most likely to be sneaky, but as a pig's feet, how could he be a mediocre person!

"Jiang Xiaoyu! Kill him!"

"Yes!"

Jiang Xiaoyu agreed, with murderous eyes, and slammed Xiang Yu with a heavy punch!

Chapter 565: Who look down on who

However, Xiang Yu smiled disdainfully. How could he be defeated by a glib little soldier since he was practicing martial arts?

Therefore, to the side of Yu Yu's body, not only did Jiang Xiaoyu's attack flash past, but also he slammed Jiang Xiaoyu's belly covertly!

As long as this punch is hit, this kid will definitely hit the sour water, and he will never have any resistance!

Only when Xiang Yu moved his body, his brows wrinkled tightly, and his body paused. With this hesitation, Jiang Xiaoyu's attack had already arrived. Xiang Yu had no choice but to flash past this. hit!

It's just that the two people fought fiercely like this, fighting in full swing, even Jiang Xiaoyu seemed to have a slight advantage!

Seeing such a situation, the people around were a little staring at each other, full of disbelief. They really couldn't imagine that Jiang Xiaoyu would be equal to Xiang Yu!

At this moment, Liu Xiaoshan frowned and asked Qin Yuan in a low voice:

"Is this Jiang Xiaoyu's strength already so strong?"

While Qin Yuan looked at the anxiety in this battlefield, he slightly raised his brows and said to Liu Xiaoshan:

"I'm afraid it's not just that, but Xiang Yu's arm is injured. You see that every time he uses his right arm, he hesitates a little bit. Now Jiang Xiaoyu's body is not bad. Naturally, it is comparable to Xiang Yu!"

Qin Yuan naturally found the problem. Qin Yuan remembered that Xiang Yu had been seriously injured in the original work. Later, because of the battle with Lu Yan, his injuries were aggravated. Now, although Xiang Yu's injuries are not It is so serious in the original book, but it has already affected his physical condition.

But at this moment, Jiang Xiaoyu didn't care, and hit Xiang Yu's arm at once. Even a tough guy like Xiang Yu turned pale and took a breath of air!

Xiang Yu hurriedly waved the attack, avoiding Jiang Xiaoyu's continued attack. Now he finally had a trace of cold sweat on his forehead. Looking at Jiang Xiaoyu in front of him, his expression finally became serious!

He originally thought he would be able to clean up Jiang Xiaoyu very easily, but he didn't expect that this kid would be so difficult, not only could he block his attack, but he could even launch a counterattack!

This guy is almost the best fighter in the beast camp!

At this time, Jiang Xiaoyu looked at Xiang Yu, his expression changed slightly, took a deep breath, and said to Xiang Yu:

"The famous God of War Xiang Yu I'm talking about is definitely more than that. Have you hurt your arm?"

Hearing this, Xiang Yu's face was ugly, but he said to Jiang Xiaoyu in a deep voice:

"Even if you have a wound on your arm, it's easy to hit you!"

After saying this, Xiang Yu was going to attack Jiang Xiaoyu directly, but at this time, Jiang Xiaoyu waved his hand and said directly to Xiang Yu:

"No, stop for a while?"

Xiang Yu frowned and raised his head, wondering what Jiang Xiaoyu was going to do.

But at this time Jiang Xiaoyu turned his head and asked Qin Yuan:

"Brother Yuan! If I really lose this game, can you blame me?"

Hearing this, the others were taken aback for a moment, and they didn't understand what Jiang Xiaoyu meant by this. When Qin Yuan looked at Jiang Xiaoyu, he finally showed a smile and nodded directly.

Seeing that Qin Yuan had agreed, Jiang Xiaoyu was also confident, so he directly hid his right arm behind him, and said to Xiang Yu:

"Can this work? Both of us hide our arms and play fair. Anyway, your right arm has been injured. We only have one hand to continue fighting!"

what?

Hearing such words, Xiang Yu's face changed, and he shouted directly at Jiang Xiaoyu who was opposite:

"Are you humiliating me? Are you looking down on me?"

But Jiang Xiaoyu said to Xiang Yu with a calm face:

"Please, who is humiliating whom, and who is looking down on whom? Although I, Jiang Xiaoyu, is only a recruit, I also have dignity. You have insulted me several times, and I haven't told you anything. Now There is a fair competition between the two of us. This is respecting you and respecting me!"

Jiang Xiaoyu said to Xiang Yu in a serious manner. Since arriving at this barracks, Jiang Xiaoyu has truly experienced a life that he had never lived before. Although it was framed by Long Baichuan, in this sea The life in the training camp is something Jiang Xiaoyu will never forget.

Especially after Qin Yuan came, he taught them new training methods, which made Jiang Xiaoyu very tired every day, but he could also feel his own feeling of becoming stronger little by little. He didn't want to go back to the past. Become the same Jiang Xiaoyu as before!

He also has his own dignity!

Hearing such words, Xiang Yu's face also changed. He carefully recalled everything that had happened before, as if he was indeed looking down on this Jiang Xiaoyu.

But Jiang Xiaoyu in front of him had already proved to him that he was no longer the spoiled soldier he looked down upon!

Xiang Yu took a deep breath and spit it out for a long time. This was what Jiang Xiaoyu said:

"Okay, then I will promise you!"

Afterwards, Xiang Yu also put his arms away. Seeing this situation, Jiang Xiaoyu suddenly showed a smile, and then waved his body with only one arm, directly towards Xiang Yu hit it!

But at this moment, Liu Xiaoyu and the others who were onlookers all had a trace of worry in their hearts. To be honest, Jiang Xiaoyu was originally inferior to Xiang Yu. If it was aimed at the injury on Xiang Yu's right arm, then Jiang Xiaoyu still has a slight chance of winning, but now that both of them have lost an arm, it is equivalent to crossing the unified starting line again, and the result may be a little suspended.

Even Qin Yuan became a little concerned, now even he can't predict who will win the game.

The two people continue to fight like this, only one hand is left, and many abilities can't be used anymore, so the two people fight like gangsters on the street. You punch me and I give you One kick, extremely ugly!

However, Xiang Yu knows that in this respect, he is still cheap, more because of the injury of his right arm, so in daily life, he always exercises the use of his left arm intentionally or unintentionally, and this Jiang Xiaoyu in front of him, However, he is a real right-handed man who has lost a right hand and has a greater impact on him than himself!

Chapter 566: Tough Jiang Xiaoyu!

But since this is the case, then he must win!

However, Xiang Yu who seized an opportunity directly yelled and slammed Jiang Xiaoyu's stomach with a heavy punch!

Seeing such a situation, the onlookers all screamed. If this punch is smashed, Jiang Xiaoyu will be hit hard!

Xiang Yu's punch hit Jiang Xiaoyu's stomach directly, Jiang Xiaoyu's face was also pale, but at this time, there was also a fierce flash in his eyes, and he did not retreat, but was heavy. His punch hit Xiang Yu's face.

This kind of confrontation completely aroused the anger of the two people, and the two people no longer stay behind, and attacked frantically according to each other's body!

Crackling Crackling Crackling!

Only a sound of physical collision was heard!

The onlookers around slowly shook their heads.

To be honest, although Jiang Xiaoyu worked very hard, there was still a certain gap between him and Xiang Yu.

Xiang Yu has practiced martial arts and has actual combat experience that Jiang Xiaoyu can't match. Although Jiang Xiaoyu has gone through a certain amount of exercise, the time is too short to beat Xiang Yu, it is too normal!

Bang!

At this moment, Xiang Yu suddenly punched Jiang Xiaoyu directly on the chin. It was a hit. Jiang Xiaoyu only felt that his front was dark and his nose was sour, and he was about to fall. Up!

But at this moment, he suddenly remembered a picture in his mind, and he clicked and pulled on his hand, and it hit Xiang Yu's head!

At this time, Xiang Yu's eyes were staring, and the boss cried out inconceivably:

"Mantis Fist?"

Yep?

Not only Xiang Yu was surprised, even Qin Yuan was a little surprised. He had only practiced the mantis fist moves in his free time, and he had never taught these people seriously.

Unexpectedly, Jiang Xiaoyu just watched it once and was able to use it intentionally or unintentionally in actual combat!

This guy is a genius!

Qin Yuan couldn't help but smashed his mouth. As expected, everyone who can be a pig's foot is not to be underestimated, even this stubborn Jiang Xiaoyu has such a talent!

And with this mantis boxing style, Jiang Xiaoyu was like a god-assisted suddenly, with a breath of blood, he couldn't raise his head even when hitting Xiang Yu!

"Come on, Jiang Xiaoyu, beat this deflated calf to death!"

"Jiang Xiaoyu, I will make you delicious if you win!"

At this time, Zhang Chong and others saw this situation, and they continued to cheer Jiang Xiaoyu.

However, Qin Yuan, Liu Xiaoshan and others shook their heads slightly. They knew that Jiang Xiaoyu would definitely not be able to win based on the current situation.

Although Xiang Yu was a bit dazed by Jiang Xiaoyu, it was only because of surprise. As long as he defended Jiang Xiaoyu's attack, the counterattack at that time would definitely not be something Jiang Xiaoyu could bear!

Sure enough, he seized an opportunity, and Xiang Yu's straight punch hit Jiang Xiaoyu's nose again, smashing Jiang Xiaoyu's face completely!

Seeing such a situation, Xiang Yu was certain in his heart. Basically, the outcome of the battle had been determined. Jiang Xiaoyu would definitely not be his opponent.

Sure enough, Jiang Xiaoyu was beaten up and went back a few steps, and sat down on the beach.

Seeing Jiang Xiaoyu sitting on the ground, Xiang Yu said:

"I apologize to you for what I said before. You are indeed not a spoiler. In such a short time, you can make such a big improvement. I admit that you are an opponent!"

Jiang Xiaoyu touched his nose and found a rush of nosebleeds, which kept popping out, but he showed a sorrowful smile, stood up from the ground again, looked at Xiang Yu and said:

"It's not over yet, come again!"

Xiang Yu's brow furrowed, but since Jiang Xiaoyu had stood up, so he continued to take action. Soon, Jiang Xiaoyu was caught again and punched again!

Jiang Xiaoyu felt that the Venus on his head had been shot out, and when he looked at everything around him, he felt that the sky was spinning, but when they looked at a trance figure in front of them, they still only said one thing:

"It's not over yet! Come again!"

This time even Xiang Yu's eyes changed, and he said to Jiang Xiaoyu:

"Aren't we just learning? Are you so desperate?"

In order to restrain Jiang Xiaoyu and prevent Jiang Xiaoyu from getting up again, this time Xiang Yu used the strangulation technique.

Although Jiang Xiaoyu's courage is commendable, but he also wants to win, so the best way is to directly knock Jiang Xiaoyu out!

Jiang Xiaoyu has never encountered this strangling technique. The army's capture hand and the martial arts passed down to the Yu family are of course incomparable, so even if two people don't use their right hands, Jiang Xiaoyu does Xiang Yu easily locked his left arm!

The people around this moment sighed, knowing that Jiang Xiaoyu is completely finished. Once this strangulation technique is formed, there is basically no solution, not to mention that they still have an agreement that they cannot use it. The right hand, if the right hand is used, even if Jiang Xiaoyu unlocks this strangulation technique, Jiang Xiaoyu will lose.

"what--"

Jiang Xiaoyu gritted his teeth, feeling that his arm was about to be broken abruptly, and let out a scream, but he persisted, neither using his right hand nor surrendering.

Seeing such a situation, Xiang Yu could only frown and continue to exert force. This kind of pain is not something humans can bear. Jiang Xiaoyu won't last long and will always compromise!

Seeing this situation, the surrounding Zhang Chong and Lu Yan were also anxious. They also knew how painful this strangulation technique was. It would be better to let someone break their arm at once, like this kind of slow torture. Very test the willpower of others!

What's more, Jiang Xiaoyu has been locked up now, and there is no chance of winning at all, so Zhang Chong couldn't stop shouting:

"Stop-stopWe surrendered!"

"No, Bald, shut up!"

Jiang Xiaoyu screamed sorrowfully at Zhang Chong, and when he heard this, Zhang Chong was angrily walking around, but he had no choice but to plead with Qin Yuan:

"Brother Yuan, hurry up, Jiang Xiaoyu can't hold on!"

However, Qin Yuan had a calm face, only slightly squinted at Jiang Xiaoyu, and said lightly:

"He was just grabbed his arm, not his mouth covered. If he wants to surrender, let him speak for himself."

"Ay Ya I gi!"

Zhang Chong scratched his head angrily when he heard this, but there was no way!

And Xiang Yu didn't know what to do, but he knew that if this continued, Jiang Xiaoyu's arm might really be broken by him!

"Surrender, or else your hand will really be broken by me!"

Chapter 567: Turn defeat into victory

Xiang Yu said directly to Jiang Xiaoyu, but at this moment, Jiang Xiaoyu suddenly thought of something, his eyes brightened, and he forcefully followed Xiang Yu's direction!

With a click, Jiang Xiaoyu's arm directly made a crisp sound, but Jiang Xiaoyu was able to turn around at this moment, looking at Xiang Yu who was a little surprised.

A heavy blow!

Smash it down!

Bang!

Xiang Yu's eyes were full of unbelievable, but he couldn't resist this sudden heavy blow, and he could only faint unwillingly!

Qin Yuan saw such a situation with a slight smile on his face, and then said to several people around:

"Hey, look at what I said, as long as you don't admit defeat, no one can be sure of the final result."

"You also said, hurry up and take a look. Both of them seem to have passed out, and Jiang Xiaoyu's hand was also broken. Hurry up and help with treatment."

Shen Ge said anxiously, but Qin Yuan, Liu Xiaoshan and others did not rush.

With Qin Yuan here, let alone breaking an arm, even if he really cut off his hand, Qin Yuan can easily connect it to them.

Finally a group of people walked to the side of the two people and found that both of them had indeed fainted, and after a closer look at the injuries, it seemed that Jiang Xiaoyu was more serious than Xiang Yu.

"This kid is really impressive!"

At this time, Liu Xiaoshan smiled, and he was extremely satisfied with this apprentice. After all, for soldiers, talent is not too important, but more important is will. Jiang Xiaoyu has such a will. This It proves that Jiang Xiaoyu is a creative talent!

"Okay, let's talk about the rest. Now move them into the house first, and I will treat them."

Finally a group of people moved and moved the two directly into the house. Qin Yuan was planning to treat the two of them, but at this moment, Xiang Yu woke up.

"Oh, you woke up first, so you won the match even if you win."

Qin Yuan shook his head a little disappointed. Although Jiang Xiaoyu gave Xiang Yu the last blow, both of them passed out. It should be considered a tie. Now Xiang Yu woke up before Jiang Xiaoyu, then. It proved that Xiang Yu had won.

But Xiang Yu felt the pain on his forehead, shook his head, and glanced at Jiang Xiaoyu who was lying beside him, but said with a wry smile:

"How could it be that I won, but he won. Although I woke up earlier than him, if I use both hands, as long as he is attacking my right hand, I will never be able to beat him. ."

Thinking of this, Xiang Yu fixedly looked at Jiang Xiaoyu who was unconscious, and muttered:

"It seems that the back waves of the Yangtze River push the front waves, and it is time for people like me to retire."

Xiang Yu's heart was very sad at this time. He really did not expect that he would lose to Jiang Xiaoyu, and still lose to Jiang Xiaoyu while taking advantage. This is a complete blow to his pride. He retired, not to mention that he has injured his hand now, leaving behind such a root cause.

It's okay to say this kind of game now, but if it's on the battlefield, who will give him a hand? At that time, he will not only harm himself, but also his teammates who are traveling with him. This is completely unacceptable to Xiang Yu.

"Retired? Oh, I understand. I thought you were a strong person before. You look weaker than Jiang Xiaoyu for a long time?"

When Qin Yuan heard this, he shook his head and smiled, and then said to Xiang Yu, but when he heard this, Xiang Yu frowned and looked at Qin Yuan with puzzled expression.

He knew how powerful Qin Yuan was, and could not believe that Qin Yuan would directly insult others like this.

"Why? Frown your brows? Did I say anything wrong? You know, Jiang Xiaoyu climbed up from the soil, except for a little diving expertise, basically has no advantages, even you looked down on him before. I think he is a wicked soldier, but what he is now, he can even defeat you, this is the real strength, such a talent is called perseverance, but you, because of a small injury, you want to retire. Just scold you!"

Qin Yuan faced Xiang Yu with a messy spray, and the sprayed Xiang Yu almost couldn't sit still, but he thought about it carefully, and also showed a bitter smile, and said to Qin Yuan:

"Although you say this is hard to hear, but I think what you said is right. I am indeed not a very strong person, but I look stronger on the surface."

However, Xiang Yu still took a deep breath and said to Qin Yuan:

"In my current situation, there is indeed no way to join the first-line team, but my experience still has a certain effect. I will continue to train new recruits in the beast camp, but I am afraid I cannot participate in some important tasks and It's a game."

With these words, Xiang Yu looked at Liu Xiaoshan and Deng Jiuguang with some sadness, and now he understood the psychology of these two people.

It turned out that this feeling was so difficult, and he became more admired for these two people.

But seeing Xiang Yu's appearance, Liu Xiaoshan and Deng Jiuguang laughed loudly, and then said to Xiang Yu:

"You, you, you don't use your mind at all. Now there is a great ***** in front of you, and if you don't want to ask, he is so arrogant!"

"That is, I also think that the current generation of soldiers is inferior to the next generation. Isn't it just a little hurt? I have such an idea!"

But when he heard such words, Xiang Yu was puzzled:

"What else can I do? I know that Chief Qin Yuan's rank is relatively high But just because of this, let me open the back door, even if he asks me to participate in those games directly, I will It is impossible to achieve good results, and it will hurt others and yourself by then!"

This kind of thing is even more uncomfortable for Xiang Yu. After all, dragging a disabled body and letting others open the back door is like rubbing his little dignity on the ground.

Looking at Qin Yuan, Xiang Yu said with a sense of loss in his heart:

"Originally, I couldn't rest assured of the beast camp, but now there is a big master like you in the beast camp, and my meaning is not much. You just trained Jiang Xiaoyu for less than a month, and you can He has made such progress and is much better than me! I am relieved to leave."

Even Xiang Yu felt unwilling to give up, but at this time, leaving was the best choice.

And Qin Yuan looked at Xiang Yu speechlessly, and said directly:

"Aren't you just because of one hand? Can I just heal your hand?"

Chapter 568: Earn rewards

What?

Hearing this, Xiang Yu was immediately stunned.

Cure his arm?

How is this possible?

You know, his arm has been seen by many doctors, and it is impossible to cure a hidden wound like this. It can only be recovered slowly by resting for a year or two.

But he is now focusing on training and can't use this right hand.

But seeing Xiang Yu's unbelievable look, Liu Xiaoshan laughed out loud and said directly to Xiang Yu:

"Look at me!"

Whoosh!

Liu Xiaoshan flipped directly. Xiang Yu's eyes widened at this moment. You know, Liu Xiaoshan and Deng Jiuguang's identities are known to him. He also knows the injuries of Liu Xiaoshan and Deng Jiuguang. The legs of these two people Isn't it already injured? How is it possible to make such an action?

However, Xiang Yu was not a fool, and soon he wanted to understand something. Looking at Qin Yuan in front of him, his eyes suddenly lit up!

"Do you have a cure for me, Chief?"

"Hehe, it's not too stupid, okay, just lie on the bed!"

Qin Yuan directly took out the silver needle, and instantly entered the realm of profoundness and profoundness. The Eight Needles against the sky were directly activated, and they suddenly stuck on Xiang Yu's arm!

And as soon as the needle fell on the body, Xiang Yu's eyes were instantly staring, because he could clearly feel that he was always on the painful wound. At this time, there was a warm current. This kind of warm current made him very comfortable, and even the pain disappeared directly!

Ten minutes later, Qin Yuan pulled out the needle directly, but Xiang Yu's eyes were already full of tears.

He clearly felt that his arm really seemed to be getting better.

You must know that even if his arm was dislocated, Xiang Yu did not leave any tears in the pain for many years.

But now, he couldn't restrain his mood at all, so he cried directly.

If it weren't for this hand, how could he think of leaving the beast camp? He put his youth here at the best time, but now he can only leave. What a blow to Xiang Yu .

And now his hands are finally healed, and he is finally back to before!

Seeing Xiang Yu's appearance, Qin Yuan chuckled, patted Xiang Yu on the shoulder and said to him:

"Okay, don't think that your arm is good, you are already invincible. I tell you, if you don't work hard, it won't be long before the name of the ***** of war will fall to other people. On it!"

But when Xiang Yu heard this, he was a somersault, got up directly from the bed, and said to Qin Yuan with piercing eyes:

"Chief, can I also come to this sea training camp? I want to train with you."

Xiang Yu is not a fool either. He knows that Jiang Xiaoyu, Liu Xiaoshan, Deng Jiuguang and others have changed so much only because of Qin Yuan, and he has seen Qin Yuan single-handedly before and pirates the entire island. In the scene where they were all killed, Xiang Yu was also convinced by Qin Yuan, and had no resistance to Qin Yuan's subordinate.

Hearing this, Qin Yuan was also taken aback, and said to Xiang Yu:

"Can this work? You are a general of the beast camp. Can Wugang let you come?"

"It doesn't matter, I will contact the chief for this matter."

Qin Yuan couldn't stop the black thread. He really didn't expect that this time he would hook up the war ***** Xiang Yu to the sea training ground. If this continues, the entire animal camp will be moved here!

"I can't control you, let's get out of here, I want to treat Jiang Xiaoyu."

Hearing this, Xiang Yu also walked out directly, while Qin Yuan was treating Jiang Xiaoyu.

As soon as Xiang Yu went out, he saw two people blocking him, it was Zhang Chong and Lu Yan.

It is fair to belong to Jiang Xiaoyu and Xiang Yu, but seeing Jiang Xiaoyu's appearance, these two people are naturally full of anger. They have been training with Jiang Xiaoyu for so long, and they have already put Jiang Xiaoyu together. Become his closest comrade-in-arms and friend.

Seeing that Qin Yuan had helped Xiang Yu heal his injuries, he naturally couldn't help but want to challenge Xiang Yu and avenge Jiang Xiaoyu!

"You crippled man, who beat us, don't think about leaving so easily. Brother Yuan has cured your injury. Do you have the courage to fight me?"

"If you think you can't beat him, you can deal with me, or if you think it's unfair after a fight, I can fight the bald first, and then continue to fight with you."

Both Zhang Chong and Lu Yan at this time looked at Xiang Yu with full of gunpowder.

Seeing this situation, Xiang Yu frowned slightly, but he stretched out soon.

He feels that since he wants to join the sea training ground in the future, he naturally has to fight with these people. It is better to take this opportunity to deal with these people, and express the breath in their hearts. See how your injury is recovering!

Afterwards, Xiang Yu directly fought with the two people, but with this shot, Xiang Yu was taken aback, because he found that his body was not only healed from the injury, but also like a reborn. The various qualities of his body were completely reborn. With a certain improvement, Xiang Yuzhen now truly became the God of War!

Crackling! Crackling!

Xiang Yu's fight became more and more smooth at this time. Originally, Lu Yan and Zhang Chong were planning to separate, but now facing Xiang Yu's offensive, they couldn't release the water anymore. The two of them tried their best together, which was barely suppressing. Live Xiangyu!

But after a while, Xiang Yu still seized a flaw and defeated both of them!

Lu Yan and Zhang Chong both looked at Xiang Yu with surprise. They thought that Xiang Yulang had a false name, but now it seems that Xiang Yu who has healed his injuries is indeed worthy of being a beast camp. The strongest!

And Liu Xiaoshan and Deng Jiuguang both looked at Xiang Yu with glowing eyes. Sure enough, Xiang Yu did have a few brushes, even one point better than the two of them.

"That's right, one generation must be stronger than one generation."

Liu Xiaoshan said to Deng Jiuguang that they were not surprised by this result. Although Zhang Chong and others followed Qin Yuan for training, it was impossible to catch up in a short time. After all, Xiang Yu has never slackened his training, and his age is several years older than Zhang Chong.

But with more people like this, the navy has a bright future!

Feeling his body, looking towards Yu in the direction in this room, his eyes were filled with gratitude. He knew that all of this was Qin Yuan's credit. If it weren't for Qin Yuan, he couldn't have become like this!

"Chief Qin Yuan, thank you!"

At this time, Xiang Yu Wubi solemnly bowed in the direction of the room, and then left here!

He wants to find a way to come here, become stronger, and get closer to his idol!

Chapter 569: Qin Yuan's plan

"Ding Dong, congratulations to the host for completing the task, accepting Xiang Yu's challenge, and helping Xiang Yu overcome his shortcomings and rewarding a grid."

Hearing the system's voice at this time, Qin Yuan also smiled slightly. After he cured Jiang Xiaoyu, he didn't let this guy get up immediately, but let him take a good rest, and then left here directly.

Their sea training camp is expected to become more lively.

After that, Qin Yuan informed Deng Jiuguang and the others, and then went to the provincial capital with Shen Ge.

After arriving at the provincial capital, Qin Yuan went to the library first.

"Okay, you wait for me here for a while, I will look for a few books to read, and then we will go shopping in other places together, and then have a meal."

Qin Yuan directly spoke to Shen Ge, and Shen Ge nodded with a smile on his face. After that, Qin Yuan went directly to the military zone.

The library Qin Yuan visited was a military district library. The books in it were relatively militarized. After Qin Yuan searched for it for a long time, he was a little hesitant in his heart as to what knowledge he should learn first.

After all, Qin Yuan has already made up his mind to open a military factory, and according to his plan, he must first dedicate a worthy thing to the country, to prove his ability in this area.

But at this moment, Qin Yuan's eyes lit up because he saw a book about fighter jets.

"Fighter, I have never driven before!"

At this time, Qin Yuan remembered that Yang Lei had taken him and drove a fighter jet directly to Ivia.

At that time, Qin Yuan was very envious, and wondered if he could discuss with Yang Lei, so that he could also enjoy the hand addiction, but Yang Lei gave him an angry meal.

At that time, Qin Yuan made up his mind to use fighter jets. Even if he couldn't fly in the military area, he would buy one directly.

But of course these are all irritating words. If Qin Yuan relies on his own personal considerations, there is no way to buy a fighter jet.

But now Qin Yuan thinks about it carefully, it seems that it is not completely impossible. If his own military factory is really set up, then this military factory will naturally be able to produce fighter jets. If you produce a fighter jet yourself, then Isn't it time to open and play at will?

Thinking of this, Qin Yuan was suddenly excited. He picked up these books about fighters and took them all back into the grid!

"Ding Dong~ The system was successfully recovered, please start choosing the host!"

With the prompt sound of this system, three options suddenly appeared in front of Qin Yuan!

"1. Acquire perfect fighter piloting skills!"

"2, get world-class fighter engine design!"

"3, get the overall design of a world-class fighter!"

At this time, seeing these three options, Qin Yuan's eyes suddenly brightened!

Sure enough, it has the ability to design fighters!

Qin Yuan now has 10 grids left! Flowering is naturally very lavish.

And he also knows how powerful fighter jets are in modern warfare!

An excellent fighter, coupled with an excellent pilot, is not only capable of bombing all targets on the ground, but also capable of rushing to an excellent eye, which can only let you hit others, not let others hit you.

And Qin Yuan also knows that although Yan Guo has relatively strong aviation technology, in terms of fighter jets, it is only barely reaching the international first-class status, and cannot be completely unique in the world!

So Qin Yuan plans to get all these three abilities!

And Qin Yuan had learned the driving skills of fighter jets before, and this time he was naturally able to directly upgrade this ability to cosmic level!

After that, Qin Yuan directly made choices one after another.

"Ding Dong, the host has chosen to succeed, and has obtained space-level fighter piloting skills!"

With the voice, Qin Yuan suddenly felt that there was a lot of knowledge about fighter piloting in his mind.

The driving of this fighter is different from ordinary driving.

No wonder Qin Yuan once heard of a joke, that is, people who pilot airplanes can't drive cars properly, for fear that when they want to overtake, they don't pass from the left or from the right, but instead they pull the steering wheel and want to pass Go above!

And he now possesses cosmic-level fighter piloting skills. As long as he sits on a fighter plane, I am afraid that the top pilot in the world may not necessarily be Qin Yuan's opponent!

The first option is completed, then the second and third options. Qin Yuan is also planning to use it.

But looking at these two selections, Qin Yuan hesitated a little, what is going on? Why is there a special engine design capability? It stands to reason that this fighter design capability should not already include the engine design capability?

But no matter how much I think about it, Qin Yuan still can't understand it, so he still has a try. What is the difference between these two abilities?

"System, I choose the second item!"

"System, I choose the third item!"

"Ding Dong~"

With the sound of this system, Qin Yuan immediately obtained these two abilities, and after obtaining these two abilities, Qin Yuan suddenly understood why these two abilities were used.

After receiving the support of fighter manufacturing and design, Qin Yuan also clearly felt how difficult it is to manufacture a fighter. This is not just a simple composition of some parts, but a deep doorway.

At this time, Qin Yuan understood that what he had thought before was that it would be impossible to easily build a fighter jet. .

The most important thing about a fighter is the engine, which is the heart of the fighter.

However, Yan Guo's engine manufacturing technology is not very complete, especially the automobile engine manufacturing technology, which needs to buy patents from foreign countries, and various technologies cost a lot of money.

And Qin Yuan also knew that these various instruments for manufacturing engines were not so easy to buy. If all these things wanted to be made by himself, I am afraid that even if Qin Yuan had 100 grids, it might not be enough.

It seems that you can only grab one part, get these things out first, and then proceed bit by bit.

Qin Yuan knew that he couldn't eat a big fat man in one bite. This industrial ability was not like a personal physical fitness. As long as it was achieved instantaneously, it would have an effect. It seemed that a little improvement was needed.

However, Qin Yuan still directly upgraded these two abilities to the cosmic level. After all, although he couldn't create them now, he still needed these theoretical knowledge.

What's more, Qin Yuan also uses these things to bluff people well!

Chapter 570: Master of Manufacturing

However, when Qin Yuan upgraded these two abilities to the cosmic level, he found that his brain was a little insufficient. All of this huge amount of information was injected into Qin Yuan's head. This is about all aspects of fighter manufacturing. , All are shown in front of Qin Yuan!

After a while, Qin Yuan was considered to have absorbed these two abilities, but at this time Qin Yuan was already sweating profusely and sat weakly on the ground.

"Grandma's, this is a bit scary!"

Qin Yuan wiped the sweat from his forehead, feeling a little afraid. Just now, he felt that his head was about to stop.

However, after receiving this information, Qin Yuan felt the knowledge in his mind, but he was very confident in his heart. With this knowledge, Qin Yuanneng was able to directly create the world's top fighter design blueprint.

At that time, the beacon country, the kingdom of 嚳, the country of Fusang, all will not be Qin Yuan's opponent!

Although Qin Yuan also knew that this design drawing could not be produced directly, Qin Yuan had already made plans to make this drawing, hand it over to the person above, and show his strength.

As for what inspiration they can get from these drawings, and what impact it has on Yan Nation's air force, it is not Qin Yuan's control.

But it is estimated that Qin Yuan wants to open a military factory and conduct some experiments, and he will definitely agree to it.

Thinking of this, Qin Yuan suddenly smiled, feeling that his Wang Zhan had already been obtained.

It's just that this knowledge is really too complicated, and the pressure on Qin Yuan's head is a bit heavy, which makes Qin Yuan hesitate to choose whether to continue to choose these manufacturing knowledge.

But at this moment, a voice rang in Qin Yuan's mind:

"Ding Dong, gain two more manufacturing abilities, unlock the title of high-level, master of manufacturing!"

Yep?

Hearing this voice, Qin Yuan's eyes suddenly brightened. You must know that he had been in this situation before, especially after acquiring some Chinese and Western medicine abilities before, Qin Yuan also felt that his head was about to burst.

However, once this high-level title is obtained, these abilities will not burden the brain that much.

"Two manufacturing capabilities! Isn't it simple?"

Qin Yuan smiled, and then began to choose similar books.

But since Qin Yuan already wants to become a world-class arms dealer, he must think of something that can make money down-to-earth.

So Qin Yuan fell in love with these automotive things!

In modern warfare, the transportation of troops is very critical, especially in those less developed areas. They may not be able to buy tanks or planes, but they must be able to afford guns and chariots.

What's more, Qin Yuan has obtained the manufacturing technology of these tanks, which can be used not only on tanks, but also on family cars!

Such a market is naturally much larger!

So Qin Yuan directly retracted several books on automobile manufacturing into the grid.

"Ding Dong~ The system was successfully recovered, please start the selection!"

With the prompt sound of this system, three options suddenly appeared in front of Qin Yuan!

"1. Get a cosmic jeep driving! No choice."

"2, get world-class jeep manufacturing!"

"3. Acquire world-class automobile engine manufacturing technology!"

Before, Qin Yuan took the opportunity to directly upgrade the driving skills of this jeep to the cosmic level. This time he couldn't choose, but he saw the jeep manufacturing and engine manufacturing technology. Qin Yuan also nodded in satisfaction. With these two things, it is estimated that a suitable car can be manufactured.

So Qin Yuan directly upgraded these two options to the universe level!

"Ding Dong, the host has chosen to succeed and obtain a cosmic jeep manufacturing!"

"Ding Dong, the host has chosen to succeed and obtain the technology for manufacturing cosmic automobile engines!"

At this moment, feeling the knowledge that rushed in in his mind, Qin Yuan was also shocked.

But soon there was an almost perfect car engine drawing in his mind!

And looking at this drawing, Qin Yuan can also feel that once this engine is formed, it is stronger than any engine in the world today!

With this kind of cross-age technology, Qin Yuan wants to design a new car brand and crush other cars in the world. It is not too easy!

After all, with a good heart, a horse can run faster!

And following this voice, another burst of sound rang in Qin Yuan's mind:

"Dingdong, congratulations to the host for obtaining the title of high-level, master of manufacture!"

As this voice appeared, Qin Yuan suddenly felt that his mind was clear. This knowledge suddenly seemed to have been received in a drawer. If Qin Yuan wanted to watch it, the drawer would slowly open. If Qin Yuan didn't read it, the knowledge would seem to be slowly collected in this drawer, and would not disturb Qin Yuan at all.

But Qin Yuan also took a long breath. The pressure just now was too great, even if he couldn't bear some of it.

But at this time, Qin Yuan also had a little thought. It was not the first time that he could not afford to suppress this knowledge. He had to find a way to see if he could improve his brain and make his brain change. Be smart.

Even if he can't become smarter, at least he needs to increase the capacity of his brain. Otherwise, so much knowledge is in Qin Yuan's mind. What if he directly blows his head?

But at this moment, Qin Yuan still had no idea, so he could only write down the matter temporarily.

Touched the sweat on his forehead Qin Yuan didn't plan to continue to gain other knowledge, and the time had passed for a long time, so Qin Yuan went downstairs to find Shen Ge.

Compared to gaining this knowledge, Qin Yuan still hopes to make himself stronger.

And Shen Ge also waited for Qin Yuan for a long time. Now that he saw that Qin Yuan had come down, he also put down a novel in his hand, and said to Qin Yuan:

"You are finally down, go, it's time for dinner, I will take you to find a place to eat. I will take you to have a good meal!"

And when he heard this, Qin Yuan's eyes suddenly brightened. The knowledge that had been touched just now had consumed a lot of his energy. Now that someone invited a big meal, he was naturally willing to accept it!

"Hey, are you sure you want to treat me to a big meal? The family is not strong, but it doesn't work. I, the big stomach king, eats a lot. If you go bankrupt, you can't blame me!"

But after hearing Qin Yuan's words, Shen Ge showed a slight smile:

"It's okay! Eat with confidence!"
