

Special Soldier 60

Chapter 60: One person is enough!

Qin Yuan was also quite surprised!

He thought that Anfisa didn't recognize him anymore!

after all--

This foreign big ocean horse, who knows how many men will meet every day?

However, Qin Yuan was very surprised!

Anfisa even knows herself!

Is it because you are too handsome?

Qin Yuan couldn't help but feel narcissistic!

Not right!

It should be Qin Yuan who thought of a very practical possibility!

After all, Qin Yuan's handsomeness is recognized!

But...

Even if Anfisa knows herself!

Qin Yuan did not let her off!

One flying away!

Qin Yuan shoots directly!

The palm of his hand was hooked, and he slashed directly at Anfisa's throat!

"This is a femme fatale! Kill it to avoid future troubles!"

Qin Yuan does not have the slightest affection for the passionate Anfisa!

If it weren't for her...

Maybe An Ran won't be so anxious!

which almost led to the end of death!

"Qin Yuan, stop!"

suddenly!

at this time!

An urgent scolding suddenly sounded!

I saw An Ran run over at the fastest speed, shouting Qin Yuan to stop urgently!

"What's the situation? An Ran won't let me kill Anfisa?"

Qin Yuan was suddenly excited!

One palm turned, the attack failed!

whizzed past Anfisa!

The fierce fist wind hits instantly!

Anfisa's eyes widened in horror!

She never dreamed of it!

That little handsome guy who didn't seem to have the slightest ability to resist!

has become a super existence that can take her life just by flipping her hands? ? ?

"MYgod! Damn it, is this?"

Anfisa exclaimed in shock!

She suddenly remembered how she had easily mentioned Qin Yuan to the room!

At that time, Qin Yuan was still thinking about resisting!

but now.....

This is just a few days' effort!

The other party has become so scary?

"God! He is a man like a god!"

Shocked briefly!

an instant!

In Anfisa's pupils, there was a strong admiration and yearning for Qin Yuan!

The appearance of Qin Yuan seems to be a mystery!

left an indelible impression in Anfisa's heart!

"Qin Yuan, Anfisa is his own!"

An Ran saw Qin Yuan's arrival without any surprise!

Through Fan Tianlei's explanation!

An Ran already knew what happened to Qin Yuan!

In fact, when An Ran heard that Qin Yuan had used his own power in the exercise to destroy the Wild Wolf Commando and the Thunder Commando!

An Ran's expression is as good as the current Anfisa!

was also very shocked! Very unexpected!

after all.

Qin Yuan was very weak at the beginning!

is in the final moment!

just broke out!

I didn't expect Qin Yuan now...

was able to destroy the two special forces, the wolf and the lightning, by oneself?

Kill the wolf squad!

For a special soldier of Enron's level, it is already a very incredible thing!

never dreamed of it!

Qin Yuan even defeated a major special war ace of the Southeast Military Region!

To know!

This is the Raiden Commando!

instead of an unknown special forces team!

or some improvised assault team of Erdao dealers!

This is a well-known name, and has already proved his lightning commando with countless brilliant records!

An Ran can't figure out how...

How could a young college student explode with such terrifying strength!

But this is the fact!

Until now, An Ran has truly seen Qin Yuan's terrifying speed and even more terrifying marksmanship!

this moment.....

An Ran just woke up like a dream!

My original self, I met a man like a god!

Anfisa saw that Qin Yuan was going to kill herself!

suddenly looked wrong!

She felt very inexplicable!

To know!

For the handsome man Qin Yuan, I just want to possess it!

But she never thought of killing Qin Yuan.

But this Qin Yuan, why did he kill himself?

"An Ran, is this?"

Qin Yuan was also very surprised!

Why did An Ran stop himself from killing Anfisa?

Could it be that.....

Do they really have a leg?

This Anfei Samming is a foreigner, why did he become his own?

Qin Yuan's eyes looking at An Ran couldn't help but change, becoming very weird!

"Such a beautiful big woman likes to be with women? What a pity!"

Qin Yuan couldn't help but sigh in his heart.

"Qin Yuan, the situation is urgent and cannot be explained too much, but I can guarantee that Anfisa is her own! She is on our side!"

An Ran has known the action plan tonight!

Actually——

She has been waiting for this moment!

But she was very surprised!

The first person to rush up was not Thor, but the recruit Qin Yuan, who he had never dreamed of appearing!

"it is good!"

Qin Yuan nodded directly!

Since An Ran said so!

What else can he not believe?

"Sister Anran, Anfisa, you stay here for the time being! People above, leave it to me to solve!"

then!

Qin Yuan smiled indifferently, and confessed to the two of them. When he changed his figure, he was about to go up to the fifth floor!

"No! Qin Yuan, in fact Fatty Liu's most powerful bodyguard is around him 24 hours a day! Now there are three strong Fusang! You go up alone, it's too dangerous! Let's go together! !"

An Ran immediately stopped Qin Yuan, not allowing Qin Yuan to act alone!

Undercover next to Fatty Liu for so long!

An Ran knows all the details about Fatty Liu!

Fatty Liu's own strength need not be said!

The two bodyguards around Fatty Liu are all first-class masters!

Even Enron!

It takes a lot of weeks to kill any of them!

After all, the two of them are personal bodyguards hired by Fatty Liu who spend a lot of money from abroad!

is relying on their existence!

Fatty Liu was able to gain a firm foothold here, UU Read www.uukanshu.com broke through and assassinated!

of course!

The main thing is!

Today, there are 3 members of the Black Dragon Club beside Fatty Liu!

The strength of 3 people is not to be underestimated!

An Ran had a discussion with one of them!

The strength of the three people is no less than that of Fatty Liu's two personal bodyguards. They are very powerful!

is precisely because of this!

An Ran clearly informed Fan Tianlei that he must hurry up and act!

if not--

With Fatty Liu's current power, and further development, if you want to get rid of it in the future, I am afraid it will cost a higher price!

"Go together?"

Qin Yuan smiled and shook his head!

"Sister An Ran, I'll be enough! Give me...well, 5 minutes! 5 minutes, I can guarantee that all enemies will be dealt with! But you, be sure to stay on the fourth floor, because... if you go up, It's causing me trouble!"

followed closely, Qin Yuan spoke with a simple explanation!

"We used to cause you trouble?"

Hearing it peacefully, he glared!

This Qin Yuan...

The tone is too big, right? ? ?

When it was wrong!

I saw Qin Yuan's figure move!

went straight to the 5th floor!

An Ran couldn't help but worry suddenly! !

Qin Yuan can do it alone!

Is he really not afraid of death? ? ?
