

## Special Soldier 62

### Chapter 62: Hidden task

Seeing Qin Yuan's arrival at this time, everyone in the office is like a big enemy.

Fatty Liu looked at Qin Yuan, his eyes staring at the boss!

I didn't expect it to be this guy!

Fatty Liu knows how powerful Qin Yuan is!

After all, his strongest horse, Li Kun, died in Qin Yuan's hands!

And now Qin Yuan is in front of him!

Doesn't this mean that the people downstairs are dead?

"Those \*\*\*\*\* downstairs do what they eat, they didn't kill you!"

Fatty Liu said angrily, but there were dozens of mercenaries and bodyguards downstairs.

can actually let Qin Yuan come up!

This guy should be a member of the military, is it already surrounded by the military?

Although Fatty Liu said something like this, ten thousand thoughts flashed through his mind!

The two bodyguards beside Fatty Liu immediately aimed their guns at Qin Yuan, but Qin Yuan's movements were faster than them!

Two shots!

These two bodyguards were knocked down instantly!

Fatty Liu looked at the two powerful bodyguards beside him, and died so easily, his face suddenly became extremely ugly!

Now, Fatty Liu is also a little panicked!

Although there are a few bodyguards beside Fatty Liu, these people obviously cannot guarantee their safety.

"Ala, Liu Sang, it seems that your current situation is a bit dangerous."

Fukushima, who was sitting on the side at this time, slowly picked up the wine glass, with a hint of playfulness in his eyes:

"In this case, I will give you this kid's head as a gift!"

Fatty Liu was relieved when he saw that these Fusang people finally took action.

Although he understands that these Fusang people will not contribute to them in vain, they will inevitably ask for a payment afterwards.

But in this situation, I can't care much anymore.

"Then thank you Mr. Fukuda!"

Hearing what Fatty Liu said, Fukushima directly nodded to Miyamoto who was sitting on the side, and Miyamoto slowly stood up.

This Miyamoto has a scar on his face, his eyes are fierce, and there is a hint of mockery in Qin Yuan's eyes:

"You people are just rubbish, not even one person can deal with it!"

Miyamoto directly drew the long knife in his hand and aimed it at Qin Yuan.

But Qin Yuan directly raised his eyebrows. What does this mean, do you stand up against himself?

"You yellow-skinned monkey, come and try the knife for me!"

Saying this, Miyamoto suddenly rushed towards Qin Yuan!

Qin Yuan saw this situation, and the pistol in his hand was instantly activated, and a bullet flew directly towards Miyamoto!

Miyamoto looked at the flying bullet, narrowed his eyes, exhaled, swept the long knife in his hand, and slashed it over!

Click!

I saw the bullet that had become two halves and fell directly to the ground.

There is still a trace of heat on the bullet.

hiss!

Fatty Liu saw this, his eyes were staring, and he took a breath of air-conditioning!

He had known that these Fusang people were very powerful, but he didn't expect that they were so powerful!

was able to cut bullets in the air!

Miyamoto's face also has a trace of pride!

looked at Qin Yuan provocatively!

Qin Yuan was also a little surprised, but there was a hint of sarcasm in his eyes, and he shot Miyamoto again in an instant!

Miyamoto saw Qin Yuan shooting again, his eyes full of confidence:

"Yellow monkey, I see a few bullets in your hand!"

Saying this, Miyamoto slashed at the bullet in the air again!

But after Miyamoto cut off a bullet, he heard Qin Yuan fire another shot!

"Bridge bean sacks!"

Miyamoto yelled, but unfortunately the bullet would not stop, and instantly penetrated Miyamoto's forehead!

Click!

Miyamoto's body fell directly to the ground, and the cheers around him stopped abruptly!

Qin Yuan blew his pistol, is this guy a fool? When shooting, would he wait for this guy to be ready and shoot one by one?

"Baga! You killed Miyamoto-kun with a gun regardless of your morals, and I want to break your body into pieces!"

At this time, Fukushima saw that Miyamoto was already dead, and with endless anger in his eyes, he said to Qin Yuan coldly:

"I want to make you sashimi with a single cut! To comfort Miyamoto-kun's spirit in heaven!"

Saying this, Fukuda and another person, Heidaō, immediately drew their swords and slashed directly at Qin Yuan!

The pistol in Qin Yuan's hand has almost run out of bullets.

Looking at the two people who charged up, they smiled at the corners of their mouths and hooked their palms.

Mantis Fist is activated instantly!

Don't these people think that they can't win with a spear, let them taste the real martial arts!

Seeing that Qin Yuan actually attacked with his bare hands, the eyes of Fukushima and Black Mountain also had a hint of joy!

This kid is so big!

is looking for death!

But as soon as they played, the two felt the pressure!

Those two hands of Qin Yuan!

Fukushima yelled.

Qin Yuan looked at these two Fusang people, the strength was pretty good, and it was a small one that made Qin Yuan happy.

Heishan was hit in the head by Qin Yuan and was dead.

and Fukushima was hit in the throat, still breathing.

Slowly withdrew his hand, Qin Yuan slowly shook the blood from his hand and rubbed it on Fukushima's body.

Fukushima, who was dying, stared at Qin Yuan, his tone was full of resentment:

"Yellow-skinned monkey, wait. The black dragon will give us revenge..."

The two fell directly to the ground, only the breath that came in, not the breath that came out!

At this time, there was also a loud noise in Qin Yuan's system.

"Ding Dong, congratulations to the host for completing the hidden mission, killing the three members of the Black Dragon Society, and rewarding a grid!".

Seeing that he had one more grid, Qin Yuan smiled disdainfully at Fukushima on the ground.

is better now, Qin Yuan is missing the grid now!
