

Special Soldier 69

Chapter 69: 0 cups are not drunk!

He drinks a glass of beer.

Get drunk in two cups!

Is it now--

Do you want him to drink a box?

I have never had so much wine!

Think about it!

Qin Yuan couldn't help but numb his scalp!

Is it really good to drink so much wine?

Isn't the body uncomfortable?

Thor takes the lead!

rush rush!

Little bee, old fox, Daniel Harley and others all stood up together, gulping in excitement!

A bottle of beer, just like drinking water, just dry it!

Qin Yuan was dumbfounded!

Is it really good to drink like this?

After everyone finished drinking, they all looked at Qin Yuan.

"Supreme, your stamina is so terrible! Drinking capacity is definitely not weak! Now it's your turn, would you please show me?"

Thunder God smiled excitedly and deliberately dug a hole for Qin Yuan.

Qin Yuan raised his eyebrows, good fellow!

This Thor sets himself up!

If you don't drink it yourself, wouldn't it be underestimated by them?

just--

Qin Yuan does not have much confidence in his drinking capacity!

"By the way! I have a system, I'm afraid of a woolen yarn! Don't you want to watch Laozi eat it? Tonight I won't let you all drink and get down, I don't believe in Qin!!"

Seeing the Thunder God Bees, they all looked like they wanted to see Qin Yuan deflated. In an instant, Qin Yuan's temperament also came up!

Qin Yuan smiled and stood up.

glanced around and found that the wine glass on the table was too small!

Qin Yuanyun smiled lightly, "Thunder God, I am not used to blowing bottles, is there a bigger cup here?"

"Big cup? Yes!" When Thor heard this, he suddenly became energetic!

gave Little Bee a color!

In a moment!

Little Bee brought a big glass of draft beer!

The tumbler is big and tall!

"Fuck! Little bee, your cup is too big, right?"

The old fox stared at it and scolded the little bee in an angry way!

Drinking like this!

will go wrong!

After all, this big glass, pour two bottles of beer at a time, you are not satisfied!

See you only.

In the stunned crowd, Qin Yuan really poured two bottles of beer into a big glass!

Qin Yuan's short-term wine glass smiled at everyone, "Brothers, it's rare for you to be so kind! I did it too!"

Then.

In the shocked eyes of everyone!

gurgle gurgle!

Qin Yuan killed two bottles of beer very easily!

What everyone saw was a tingling scalp! The eyes are straight!

Especially Thor!

They wanted to shock Qin Yuan!

I didn't expect now--

was actually taught by Qin Yuan?

How can Thor be convinced?

"Supreme really has a good drink!"

Thor smiled on the surface and immediately took the lead in applauding!

restaurant suddenly burst into a wonderful shout!

"Little bee, go get six more cups like this! We want to have a good drink tonight!"

Then, Thor looked at the little bee and asked him to get the cup!

Since Qin Yuan has changed his cup!

They can't let Qin Yuan look down, right?

"it is good!"

Little Bee smiled excitedly and went to get the cup!

One time!

Everyone is gearing up!

I want to try!

They also want to see how long they can last with this drinking method!

"Come on, everyone! It's an honor for our Thunder Commando to be able to come to our training base today! This is a very rare opportunity! So, everyone don't have to be restrained. Let go of eating and drinking! "

The old fox entertained everyone warmly.

Everyone is also rude!

because they know--

Actually speaking!

Every time they finish the task, they will have a good drink! This has become an unwritten rule!

after all.

No one knows whether the next mission will be able to come back!

After all, their job, but they need to work hard, put their heads on their trouser pockets to perform tasks every day!

and so.....

Since the old fox was injured once a year ago, they have had this unwritten rule!

Every time you finish the task, you must have a good drink!

of course--

Only only that night, one night time!

Because they don't know whether there will be an urgent task tomorrow!

One night, a beer is enough to sober up!

but now.

Because of Qin Yuan's arrival!

They competed with Qin Yuan!

"Okay! Let go of eating, let go of drinking!"

Qin Yuan also smiled and started eating!

have to say!

The army's food is really good!

The meat and vegetables match, the nutrition is balanced, especially the cooking technique, it is very authentic!

Just drank two bottles of beer in one breath, Qin Yuan also felt a little clouded in his head!

The two bottles of beer just now were completely supported by Qin Yuan's terrifying physical fitness!

After all, Qin Yuan has never had so much wine before!

If you have drunk it, that's okay!

The problem is that Qin Yuan has never drunk it!

"It seems that the system must still be used!"

Facts have proved that Qin Yuan will be drunk soon after drinking like this!

and so.....

without hesitation!

Qin Yuan poured himself two glasses of beer again!

This time, he is ready to use beer!

Just had two bites of food!

Qin Yuan can't wait to raise his glass!

no way!

He just felt his head faint, and if he doesn't hangover, he might faint!

"Everyone, today I don't know each other if I don't fight each other. It's a good start, come and let me toast everyone!"

Qin Yuan smiled indifferently, then picked up the wine glass, gurgling and drinking!

However——

He drinks like this!

Thunder God and several people can't help but feel excited!

This Nima...

Qin Yuan is drinking too fast, right?

Just finished two bottles!

Now I want to drink two bottles in one breath?

Is it so powerful?

But Thor is not a procrastinator!

Seeing Qin Yuan raise his glass, he also put down the tableware and chopsticks directly, stood up and picked up two bottles of beer, a heavy glass!

grit your teeth!

gurgling!

Thor drank it too!

"it is good!"

"Strong showdown!"

"Just don't know who has the better drinker?"

The little bee Yama and the others are all waiting excitedly!

As for Qin Yuan?

also finally started the system recovery!

My heart moved!

Qin Yuan thought, recovered five beers to the system grid with one click! !

"Ding Dong~ Please choose!"

As expected!

The crisp system prompt sounded suddenly!

"1, get world-class beer alcohol!"

"2, get a world-class beer manufacturing method!"

"3, get a world-class beer bottle manufacturing method!"

Three options!

suddenly appeared in front of you!

"I choose 1!"

without hesitation!

Qin Yuan made a choice directly in his heart!

"Ding Dong~ Congratulations to the host for your successful selection! Get world-class beer and alcohol!"

"World-class beer alcohol volume: can make the host not drunk for a thousand glasses! Get world-class alcohol volume directly!"

The crisp system reminder sounds!

an instant!

Qin Yuan only felt that a special substance appeared in the limbs and the blood of the brain!

His head, which was originally dizzy and swollen, became extremely awake in an instant!

gurgles!

A short moment!

Qin Yuan drank the beer in his hand again, revealing his excitement!

Qin Yuan's eyes became sharp and clear! !

"Tsk tsk, is this the feeling of not being drunk in a thousand cups?"

Qin Yuan suddenly felt that he seemed to fall in love with drinking!
