

Special Soldier 711

Chapter 711: Bartender

Hearing such words at this time, Qin Yuan was suddenly dumbfounded. Where would he go to find good wine this night?

But Qin Yuan didn't say anything, because he saw that Long Xiaoyun's eyes seemed to be something wrong. Although he didn't know what was going on, he didn't say anything, and snapped his fingers at Long Xiaoyun directly. , Signaled that Long Xiaoyun was waiting here, and he would return as soon as he went!

Seeing Qin Yuan's movements, Long Xiaoyun also showed a slight smile, and then sat here honestly, waiting for Qin Yuan's return.

But after Qin Yuan left, he had a slight headache. At this moment, where could he find some good wine?

Just now he heard what Long Xiaoyun said. He also knows the amount of Long Xiaoyun's alcohol. So for ordinary wine, it will definitely not be what Long Xiaoyun wants. If it is a rare treasure in the world, let alone Qin Yuan can now You can't buy it, even if you can buy it, you won't get it for a while!

But at this moment, Qin Yuan suddenly remembered that when he reclaimed the grass before, it seemed that there was a leaf of grass wine?

Thinking of this, Qin Yuan had no other choice but to hold on to the idea of a dead horse as a living horse doctor. He planned to get out a grass-leaf wine to taste. If the grass-leaf wine is not bad, give it to Long Xiao Take the cloud over!

Just do what he thinks, so Qin Yuan directly found a place where no one was there, and then recovered a series of grass! ,

"Ding Dong~ The system was successfully recovered, please start the selection!"

With the prompt sound of this system, three options suddenly appeared in front of Qin Yuan!

"1, get world-class leaf picking flying flowers!"

"2, get the Cosmos level grass whistle skill!"

"3, get world-class grass leaf wine!"

Looking at these three options at this time, Qin Yuan didn't hesitate. He chose directly for a while and upgraded all these three skills to the universe level.

After all, what are the effects of these three choices? He has predicted almost the same. Now the most important thing is to help Long Xiaoyun find a good wine!

"Ding Dong, the host chooses successfully and obtains the cosmic level leaf picking and flying flowers skill!"

At this time, with this voice, Qin Yuan immediately shot a piece of grass out with a move of his hand!

Then Qin Yuan discovered that this little grass was like an iron nail, it was nailed to the trunk of a tree, and a small hole was made directly!

Qin Yuan was immediately delighted at this moment. You must know that his playing card skills don't have such ability. He just uses the extremely sharp edges of playing cards to cut.

However, Qin Yuan's playing card skills are more likely to collapse once he encounters relatively hard objects. This is why Qin Yuan would not use this skill once he encountered a master.

Although Qin Yuan can also use playing card techniques to throw out various things, but the power of this kind of thing is not even as good as playing cards!

This time, Qin Yuan has this skill of picking leaves and flying flowers, which is a big step for improvement. In the future, no matter what it is, Qin Yuan can directly throw it out and cause a lot of damage!

But at this moment, Qin Yuan heard another voice:

"Ding Dong, the host will gain two more dart skills, and will be awarded the title of Master of Dart, rewarding the skill Storm Ewha!"

When Qin Yuan heard this, he was immediately overjoyed. He didn't expect that this dart ability could unlock the title!

However, Qin Yuan calmed down very quickly. Although this kind of thing is very good, but now is not the time to do this, he is going to prepare wine for Long Xiaoyun!

After that, Qin Yuan raised the third option to the universe level!

"Ding Dong, the host has successfully chosen to obtain the universe-grade grass leaf wine!"

With this voice, there were five more bottles in Qin Yuan's space. Qin Yuan knew that this should be the so-called grass leaf wine.

Such objects generally appear in the grid, and Qin Yuan is not surprised.

After that, Qin Yuan took out the bottle, then opened it and smelled it carefully. His eyes suddenly brightened!

Sure enough, this system produces no waste products. Although the raw materials of this grass-leaf wine are not very good, the aroma is completely unexplainable!

As soon as Qin Yuan opened the cork, he smelled a refreshing aroma. This aroma is completely different from the aroma of other wines, just like a scent that can penetrate into the human soul. You can smell this aroma. calmly!

And Qin Yuan carefully tasted the taste of the grass leaf wine, and closed his eyes with enjoyment!

Sure enough, as he had imagined, this grass-leaf wine carried a refreshing feeling along his mouth, past the taste buds, and then along the esophagus into the stomach, and finally spread to the entire body, making the whole person Has become quiet down!

But after enjoying it for a while, Qin Yuan suddenly opened his eyes and looked at the grass-leaf wine in his hand with some distress. This wine is very good, but it has no taste!

Yes, as a bottle of wine, this grass-leaf wine is indeed a treasure, but the degree of this wine is very low. Qin Yuan carefully tasted it and found that the degree of this wine was about 30 degrees at most!

With such a degree, when the drink is about the same, it is impossible to meet Long Xiaoyun's demand for spirits!

This time Qin Yuan was completely blind. Could it be that he should find something else to recycle, and then try to see if there is a high alcohol content?

This is not realistic!

Although Qin Yuan still has enough grids, this method is obviously not good!

After all, who knows exactly what can be recycled to obtain high-quality liquor?

Sorghum? barley? Xiaomi?

Even if these items are recycled, it is still unclear whether or not Qin Yuan can obtain the high-level wine needed!

Qin Yuan, you actually scratched your head crying, he thinks this method is not feasible.

But at this moment, he suddenly saw the neon sign next to him, and suddenly thought of another way!

Although the strength of this straw wine is very low, Qin Yuan can use other methods to adjust this wine into a cocktail. In this way, the strength is not high!

Thinking of this, Qin Yuan was immediately delighted, and then hurriedly headed towards the bar.

At this time, Qin Yuan directly called a taxi and said to the taxi driver:

"Master, please hurry up and go to the biggest bar here! Drink the best one!"

"Okay, done!"

This master is also a man of temperament. Although I don't know why Qin Yuan is so anxious, he still stepped on the accelerator very quickly and the taxi rushed out!

To be honest, the taxi driver's driving skills are indeed very good, and the car has obviously been modified to a certain extent. Qin Yuan watched the taxi constantly flashing in the traffic, his eyes were Zhong also flashed a hint of approval.

But what Qin Yuan didn't know was that the taxi driver next to him looked at Qin Yuan in shock. He didn't expect Qin Yuan to sit so securely!

You know, when ordinary passengers want to ride in his car, all of them are spinning around, even if they want to vomit, they have to wait until he stops to vomit, and this little brother in front of him doesn't feel at all?

This gave the taxi driver a little bit of thought, so he guessed the accelerator again and again, but didn't believe it. He was a car king and couldn't deal with an ordinary brother!

It's a pity that no matter how fast the taxi was, Qin Yuan still sat firmly in the back, not even flashing his figure, even the driver was a little numb at the end.

Soon the driver arrived at the destination. Looking at Qin Yuan who had nothing to do with him, he couldn't help but ask Qin Yuan:

"Brother, what the **** do you do?"

"Ah, I drive a fighter..."

Qin Yuan said to the taxi driver with a smile on his face. After hearing this, the driver was speechless.

"Thank you, uncle, you drive so well!"

Qin Yuan paid the money directly, and then quickly walked towards the bar.

And looking at Qin Yuan's back, the corner of the taxi driver's mouth twitched, and then he drove away silently, just thinking in his heart:

"This fighter is really so stable..."

...

At this time, Qin Yuan, of course, did not know what the driver was thinking. He went directly into the bar, and then found the position of the bar, and said to the little brother on the bar:

"Brother bartender, can you let me make a drink? I'll give you money!"

With these words, Qin Yuan directly took out his bank card, and when he heard what Qin Yuan said, the bartender's little brother suddenly looked awkward. He was here for so long, and he was the first time he saw a customer. There is such a request!

But after he was blindfolded, he said to Qin Yuan:

"I'm sorry, guest, this is something I can't decide. If you want to make a drink, I can help you make a drink. If you have to do this, you must go to our boss."

After hearing this answer, Qin Yuan was also a little helpless, and then said to the bartender:

"Then where is your boss?"

"Our boss may not be there. After all, she has a big business. She has several bars like this, so I don't know where she will be. However, brother, if you want to drink something, I will help you make it. No, do you have to do it yourself?"

But Qin Yuan just shook his head. He really didn't trust these people. After all, this wine was prepared for Long Xiaoyun. This grass-leaf wine is so precious that this person must have never seen it before. The aroma of Qin Yuan is covered by other wines, isn't Qin Yuan coming for nothing?

"My wine is better, you probably can't adjust it, so I'll do it myself."

But when he heard such words, the bartender was a little unhappy, and said directly to Qin Yuan:

"Guest, there must be no reason for you to say this. You must know that we are the largest bar in Nan'an. You can find any wine you want here! You know, our boss is a wine tasting. We can find some connoisseurs and even some auction-grade wines from the previous vintage!"

But Qin Yuan still shook his head. He turned around just to leave. He felt like he had fallen into a misunderstanding. The bigger the bar like this, the less likely he would be allowed to mix drinks. He should find a small bar. The bar is right.

But as soon as Qin Yuan turned his head, he heard a pleasant voice from behind:

"Slow down, guest."

As soon as Qin Yuan heard this, he stopped, and when he looked back, he found a well-dressed woman walking towards him.

Looking at this woman, Qin Yuan was taken aback, and said to her:

"What's your business?"

"Guest, this is our boss. If you want to mix drinks, you must get her consent!"

This was an introduction from the bartender on the side, and Qin Yuan nodded suddenly, but he glanced at this little brother dumbly. Didn't this guy just say that their boss is not there?

"Hello, my name is Dong Xiaoxiao. I think you should have brought a good wine and want to borrow our venue to adjust it, right?"

At this time, Dong Xiaoxiao said to Qin Yuan with a smile on his face, and Qin Yuan glanced at the other person and nodded. Hearing this, Dong Xiaoxiao was extremely excited, and then said to Qin Yuan:

"Then I don't know if I can taste your wine, if it's good, I can let you make it with our tools for free, and even if your wine is good, I can make it for you myself!"

Qin Yuan was stunned when he heard this, but the bartender on one side said with some pride:

"Guests, you may not know that our boss is the king of bartending in our province. If you are more interested in this aspect, you must know our boss's reputation. Our boss is well-known in the domestic bartending industry. , Has won the national bartender competition three times in a row!"

Hearing this, Qin Yuan also glanced at Dong Xiaoxiao unexpectedly. He didn't expect this beautiful woman to have such a hand.

But since that's the case, Qin Yuan only nodded, then took out his own wine and said to Dong Xiaoxiao:

"If you want to **** wine, it's okay, but I won't bother you to do it. If you think my wine is okay, I can make it myself."

Although Dong Xiaoxiao was so famous, Qin Yuan believed in himself more.

When he heard this, Dong Xiaoxiao frowned a little, but didn't say anything. Instead, he winked at the bartender on one side and asked the bartender to prepare two wine glasses.

And the bartender was also full of dissatisfaction, but he saw that the boss was not ready to have an attack, so he just glanced at Qin Yuan a little angrily, and then put down the two wiped glasses.

Qin Yuan then took out a bottle of grass-leaf wine from his pocket, but when he saw Qin Yuan's bottle, the bartender on this side sneered:

"What kind of stuff is this, it's just a jar of soil, what good wine can it be?"

Chapter 712: Recycled wine set

Hearing this, Qin Yuan just chuckled and didn't say anything. Instead, Dong Xiaoxiao on one side saw the bottle, frowned slightly, and said to the bartender:

"Okay, shut up if you can't speak."

Dong Xiaoxiao looked at Qin Yuan in surprise. As a real wine tasting master, Dong Xiaoxiao not only has an understanding of the taste of wine, but also has a certain degree of research on the packaging of various wines, and if different wines are put in different In the bottle, there will be a different charm.

But after looking at it for a while, she still didn't find what material Qin Yuan's bottle was. Although it was not very good-looking, it had an indescribable charm.

However, Dong Xiaoxiao already knew that it seemed that this wine was not made by a major manufacturer, so Dong Xiaoxiao frowned slightly and asked Qin Yuan:

"Wine made by yourself?"

"Right."

Qin Yuan didn't deny either. After all, he really didn't know how this wine was made, but it was produced by the system, so Qin Yuan himself made it.

When Dong Xiaoxiao heard Qin Yuan's answer, he also showed a smile, and then asked Qin Yuan:

"Can you taste it?"

But when he heard this, the bartender on one side was a little anxious, and quickly whispered to Dong Xiaoxiao:

"The shopkeeper doesn't know what is used to make this wine. It's unclear whether it's qualified. What if you hurt your body if it fails? Your tongue is extremely expensive, just in case. If you really get hurt, you can't afford to sell this guy!"

Hearing this, Qin Yuan immediately sneered, but since it was in this situation, he didn't bother to do anything, and said directly to the two people:

"Okay, I'm not too speculative. If you don't want me to use your bar, then I'll go somewhere else."

At this moment, Dong Xiaoxiao frowned when she heard Qin Yuan's words, but she saw Qin Yuan's appearance and was still full of curiosity about the bottle of wine in Qin Yuan's hand. After all, as a wine tasting master, she loved it the most. All kinds of good wine!

"Guest, I'm really sorry that this bartender is my brother, can't speak, please don't be offended. Xiaoguang, from now on, you are not allowed to say a word, otherwise, don't watch it here!"

At this moment, the bartender named Xiao Guang was so furious when he heard these words, he hummed at Qin Yuan, but in the end he didn't say anything.

And seeing the appearance of this Xiao Guang, Qin Yuan also smiled slightly, and then directly said to Dong Xiaoxiao:

"Okay, the person who got in the way has shut up, then I will give you a taste of what my wine looks like."

"Need a little sobering thing?"

Dong Xiaoxiao asked first, but Qin Yuan'er didn't understand, and then shook his head directly, but seeing this situation, Xiao Guang over here just laughed.

But Qin Yuan turned his head and glanced at this guy strangely, and asked him:

"Why are you laughing?"

"I laugh at you, what's the matter? If you have a vintage wine, you naturally want to wake it up. As a result, you don't even know what it is to sober up. You must be a liar, eldest sister. drink!"

Xiao Guang said with great pride, Qin Yuan was speechless when he heard such words, and then said to the two of them:

"Please, you guys want to drink my wine. You are still picky now. Can you? If it doesn't work, I will leave now."

"Huh, I want to go now? I tell you, there is no way to go. You think I don't know what kind of person you are, but you are just holding a bottle of fake wine to deceive my eldest sister. If you really are a liar, Not only can you not leave, we have to send you to the detention center!"

At this time, Xiao Guang was extremely excited. In fact, when he saw that Dong Xiaoxiao valued this guy so much, his heart was a little uncomfortable. Now that he finally seized the opportunity, he naturally said this with great care.

But Xiao Guang hadn't finished speaking, Qin Yuan directly hit his face with his ID!

At this moment, seeing the three characters of the officer's certificate, Xiao Guang was stunned, and could no longer speak.

In any case, this document is still very guaranteed. After all, if you make a bottle of fake wine, you will be detained for a few days at most, but if you dare to forge such a document, it will not be solved in three or five years. .

"So, please close your mouth now. If you want to drink here, give it to me honestly, or you can go up and cool down!"

Qin Yuan was also a little tired of this guy, and said directly to him, and Dong Xiaoxiao also quickly made a round of it:

"Oh, guest, he is still young and ignorant. I'm really sorry, but let's try this bottle of bar!"

When Qin Yuan heard this, he also nodded, and then he opened his wine bottle and poured a little into the two wine glasses.

But as soon as they opened the wine bottle, Dong Xiaoxiao and Xiaoguang were stunned, because they could clearly smell a strange fragrance, which was like snow lotus on the Tianshan Mountains, silt and not stained, but It is also different from the holiness in the snow lotus. It is like a grass that

has gone through the world and can persist in itself, with an indomitable strength. Although it is not strong enough, it is still not to be underestimated.

All of a sudden, Dong Xiaoxiao's eyes widened, although he hadn't tasted what the wine was like? But just by smelling a scent, you can think of so much, which is enough to prove that this bottle of wine is extremely good!

Xiao Guang was also stunned. To be honest, as Dong Xiaoxiao's younger brother, he also drank a lot of good wine with Dong Xiaoxiao.

This kind of aroma, even the most advanced Moutai he has ever drunk, did not feel that way!

"This....."

Dong Xiaoxiao's face was full of disbelief. He quickly picked up this glass of wine and placed it in front of his nose, as if he had smelled an unstoppable temptation, his eyes were full of intoxication, facing Qin Yuan'er said:

"Although I haven't tasted it yet, I have determined that it must be a very wonderful wine."

When Er Qin Yuan heard this, he also smiled slightly, the system produced it, it must be a fine product, if it weren't for the wine's low degree, he wouldn't think of coming to this bar to make trouble for himself!

"Then let us have a toast."

Qin Yuan picked up the remaining glass of wine and raised it to Dong Xiaoxiao. Dong Xiaoxiao also showed a very excited smile, followed Qin Yuan gently to clink glasses, but seeing Qin Yuan's movements, Xiao Guang on the side is anxious:

"No, no, isn't this glass of wine for me?"

But after hearing such words, Qin Yuan didn't say anything. Dong Xiaoxiao on this side did give a little brother a look, and said to him dissatisfiedly:

"I told you a long time ago. Be kind to others. Sooner or later there will be problems if you are as aggressive as you. Now it's okay. Why would they give you this wine for what you said to others?"

Hearing this, Xiao Guang's face suddenly collapsed. He regretted it in his heart now, wishing to slap himself twice. If he had known that Qin Yuan had such a good drink, he would never say those words. Yeah!

But now it's too late to regret.

At this moment, Xiao Guang looked at the two wine glasses, but his eyes lit up, and he said directly to Qin Yuan:

"Sir, your wine is very good. My sister will definitely agree with you to use my bar. Come and come in quickly. I will prepare what you need."

"What's the hurry? Taste this glass of wine. This wine is rare in the world and unique. You can't drink it from anywhere except me."

Qin Yuan said with a smile on his face, but Xiao Guang said nothing this time. After all, although he did not taste the taste of this glass of wine, just smelling the smell is enough to prove that this wine is a treasure. If this wine is true It was brewed by Qin Yuan himself, it was indeed unique!

"Okay, then I will taste the taste of this wine first."

Dong Xiaoxiao was also a little uncontrollable, and quickly squinted lightly, and finally closed his eyes, carefully savoring the feeling that the drink melted in his stomach!

Feeling the taste of the wine, Dong Xiaoxiao's face suddenly showed a happy and comfortable smile. As a wine master, being able to drink wine of this quality is also a kind of enjoyment for her.

But after a while, Dong Xiaoxiao cried suddenly. Big tears fell from the closed eyes.

Seeing this situation, Xiaoguang quickly said:

"Sister, what's wrong with you?"

Even Qin Yuan was a little surprised, what is going on with this guy, how can he cry after drinking?

But at this time Dong Xiaoxiao waved his hand, indicating that he was okay, wiped his tears, and said to Qin Yuan with some embarrassment:

"I'm so sorry, I'm a bit gaffe. In fact, I feel like a small grass after drinking this glass of wine. I grow hard and persevere. I stand up the big rock on my body. At this step, I drank this glass of wine and remembered my own personal experience, so I felt it. It won't get in the way."

Hearing this, Qin Yuan's face was suddenly full of weirdness. He found that these so-called master-level figures were really strange and weird, and they could feel such deep emotions from this wine.

Although Qin Yuan could feel the tenacity of a grass while drinking wine, he was not as sentimental as Dong Xiaoxiao, and he could even shed tears.

But he didn't come here to make friends, so he said directly to the two of them:

"Okay, the wine has been drunk, and the conversation has been discussed, so now can I give this bar to me so that I can continue to do what I want to do?"

"Yes, yes! Please!"

At this time, Dong Xiaoxiao was also extremely polite, and quickly cast a wink at Xiao Guang, and Xiao Guang also took away Qin Yuan's remaining glass, but he had been looking forward to it for a long time, just thinking Have a drink of what this wine tastes like.

And Qin Yuan also saw Xiaoguang's small movements, but he didn't care. If this guy can do such things, it proves that he is a child, and what does he really do?

But Qin Yuan glanced at the two people and said to them:

"I don't want anyone to watch it when I mix drinks, so can you two avoid it a bit? Of course, you can also check the various instruments first. If I cause damage or consumption, I can give you enough compensation."

After all, Qin Yuan wants to do it by himself, but he does not have the skill of bartending yet. He has to recycle it before he can obtain the skill of bartending. But how can Qin Yuan reclaim these bartenders with the two people staring at him? tool?

Hearing this, Dong Xiaoxiao and Xiao Guang were a little embarrassed, and finally Xiao Guo directly pulled a button on one side, and then a curtain-like thing appeared, completely surrounding the bar.

Qin Yuan was also a little surprised. He originally thought that these two people would take him to the backstage. He didn't expect to surround him directly, but this was enough, so Qin Yuan directly took advantage of this opportunity to start. Recycle the bartending tools in your hand!

Looking at the various cocktail glasses on the table, Qin Yuan directly recycled a cocktail glass into the grid!

"1. Get world-class bartending ability!"

"2, get world-class wine glass manufacturing!"

"3. Get world-class fancy bartending skills!"

But Qin Yuan was stunned when he looked at these three options. He still understands the first and second abilities, but does the third skill overlap with the first skill?

However, Qin Yuan thought about it carefully, but realized it. It was obvious that this third skill was used purely for being handsome!

Regardless of how ordinary bartenders have so many fancy moves, but the real bartenders don't need these moves. These actions of com are just for soliciting customers.

Thinking of this, Qin Yuan also chuckled, but he felt that this ability was all right, if he could show his confidants a little bit in the future.

But now the most important thing is to mix the wine first, so Qin Yuan directly chose the first item

"System I choose item 1!"

"Ding Dong, the host has successfully chosen to obtain world-class bartending skills!"

At this time, with this voice, Qin Yuan suddenly felt that there were a lot of bartending techniques in his mind, and he became familiar with the various tools in front of him.

More importantly, he has a lot of alcohol knowledge in his mind.

Qin Yuan understood what kind of wine is and what kind of taste, what kind of feeling it can produce, and the methods of various condiments!

This time Qin Yuan was a joy in his heart, he had already thought of what to do with that bottle of straw wine!

Chapter 713: Test

After that, Qin Yuan directly opened a bottle of grass leaf wine, but at this time, Qin Yuan stopped his hands and said lightly:

"Two people, it's a bit inappropriate, right?"

Hearing Qin Yuan's words, Dong Xiaoxiao and Xiaoguang suddenly let out a awkward laughter, and then Dong Xiaoxiao looked at Qin Yuan's movements, but said in a tangled heart:

"Guest, do you want to make this wine into a cocktail, is it a bit too wasteful..."

Although he knew it was Qin Yuan's wine, Dong Xiaoxiao couldn't help but feel distressed seeing such a good wine being destroyed by Qin Yuan.

"Waste? Why is it waste? I just dislike this wine as not too strong, so I want to increase his alcohol content a bit."

Qin Yuan replied directly after hearing this.

But when he heard such words, Xiao Guang's expression on one side sank, and he said directly to Qin Yuan:

"Do you really don't understand or pretend that you don't understand, like this kind of flavor wine, once it is made into a cocktail, then the charm in them will disappear. Isn't that waste?"

And Dong Xiaoxiao's face is also a bit ugly. In fact, he just saw Qin Yuan's movements at first, and thought that Qin Yuan really understood this aspect, not to mention that Qin Yuaner couldn't even look down on a professional bartender like her. To be able to come up with such a good banquet, his status must be extraordinary, and he actually said such layman's words.

However, Dong Xiaoxiao stopped her brother and said directly to Qin Yuan:

"Sir, if you want to drink spirits, then I also have some famous spirits here, and even the legendary God's water has a few bottles. You can remix it, and even I can make it myself. A glass of flaming Mary, but don't waste the bottle of wine in your hand. If possible, how about I want to pay for this bottle of wine for 2 million?"

Dong Xiaoxiao was expressionless when she said this. Although her tone was very polite, it was obvious that she was already a little angry.

When Qin Yuan heard this, he glanced at Dong Xiaoxiao with some playfulness, and then said to Dong Xiaoxiao:

"Wow, 2 million bottles of wine, that's a lot."

And hearing Qin Yuan's words, a little contempt flashed in the eyes of the small light on one side. To be honest, for ordinary people, 2 million is indeed a lot, but it looks like a drink of this quality. Qin Yuan is so excited that there is a price but no market, which makes him look down on Qin Yuan even more.

But Qin Yuan chuckled in the end, shook his head and said to the two of them:

"It's a pity that I am not short of money, and this is my thing. How I deal with it is my own business, even if I throw it on the ground, it has nothing to do with you. Also, if you want to drink, I can send you off, but Say this, let alone 2 million, you are 20 million, and I will not sell it to you either!"

"you!"

At this moment, Xiao Guang's eyes widened when he heard this. He clenched his fist and wanted to rush towards Qin Yuan, but Qin Yuan just glanced at this guy and stood motionless.

But Dong Xiaoxiao quickly stopped her little brother. You know, Qin Yuan's status is not low, and he still has such a drink. If they really did something to Qin Yuan, it would be difficult to deal with!

Xiao Guang also thought of this level, and immediately stopped, looking at Qin Yuan's appearance, and snorted coldly:

"Isn't he just a soldier? What's so great?"

"Shut up to me."

Xiaoguang's words were not finished yet, Dong Xiaoxiao here just pulled him, but although Dong Xiaoxiao was not satisfied with Xiaoguang's words, she was also a little dissatisfied with Qin Yuan, so she whispered:

"Mr., we just don't want to look at this bottle of wine so it's wasted. You don't need to be so aggressive. Since the words are not speculative, then we still don't want to do this kind of trade anymore. You put down your things and leave here. Right."

Hearing these words, Qin Yuan was stunned for a moment, then glanced at Dong Xiaoxiao with interest, and asked her:

"How do you know I'm wasting things?"

"Isn't it? As an internationally famous bartender, he has never heard of a cocktail that can produce charm. Using such a wine as a raw material, no matter what is added to it, it will pollute it. "

At this time, Dong Xiaoxiao said angrily that she had endured Qin Yuan's operation for a long time. Using such things to make cocktails, wouldn't this be equivalent to using a piece of He Choi to build a wall?

At the beginning of seeing Dong Xiaoxiao's appearance, Qin Yuan'er really laughed out of nowhere, and then he leaned forward and closed the smile, then he said to Dong Xiaoxiao:

"Oh, I'm really sorry. I misunderstood you. Actually, I made this wine. I just wanted to make a stronger drink for my girlfriend. She was in a bad mood and wanted to drink some strong alcohol. I prepared something for her to make her feel comfortable, and she said something in the past. I didn't expect to have such a big misunderstanding. I am sorry to tell you here."

Hearing Qin Yuan's words, Dong Xiaoxiao's expression suddenly eased, but before she could say anything, Qin Yuan said directly to her:

"However, although I understand what you mean, this wine still needs to be blended."

When Dong Xiaoxiao heard these words, there was a trace of entanglement on her face. She didn't know why Qin Yuan had to make this glass of wine. After recalling Qin Yuan's words, she said helplessly to Qin Yuan:

"If your girlfriend really wants to drink spirits, can I make a few glasses of spirits for you? It is too wasteful for you to use this kind of stuff as ingredients."

But Qin Yuan shook his head and said to Dong Xiaoxiao:

"How could it be a waste? You say that this thing is a waste as a raw material because your technology is not good."

Yep?

At this moment, Dong Xiaoxiao's eyes widened. To be honest, she has never heard anyone say that her technique is not good.

Xiao Guang here couldn't stand it anymore, and said directly to Qin Yuan:

"Damn, what the **** is going on with you? Didn't I tell you? My sister is an internationally renowned bartender, and also a master wine tasting master. You think her skills are not good. Are you better than my sister? More powerful?"

But after hearing this, Qin Yuan'er counseled his shoulder noncommitly, as if the question was stupid.

And this time, Xiao Guang was even more angry, and just wanted to talk to Qin Yuan'er, but Dong Xiaoxiao held his brother and said to Qin Yuan again:

"Then since you say that your skills are worse than mine, why don't we take a gamble?"

"What are you betting on?"

Qin Yuan asked indifferently, but Dong Xiaoxiao saw Qin Yuan's careless appearance, and felt a sullen in his heart, and said directly to Qin Yuan:

"In fact, I have a bottle of bamboo leaf green that has been in the cellar for 40 years. Although it is not as good as the bottle of wine in your hand, it is not bad. If you really want to make a cocktail, use that bottle of bamboo leaf green as the base wine, naturally it is more it is good."

Hearing this, Qin Yuan's eyes also brightened. To be honest, although ordinary things can be used to make a good glass of wine, if other wines are also better raw materials, the taste will naturally be stronger.

"Okay, I agree, how do you bet? What is our bet?"

When Qin Yuan agreed, Dong Xiaoxiao also said directly:

"We just use the current thing to make a new cocktail. The bet is the bottle of good wine in the opponent's hand. If you win, I will give you my Zhuyeqing. If I win, then you will take yours. Sell me a bottle of wine. Of course, I won't let you suffer. I will give you 2 million as I said before."

At this time, Qin Yuan looked at Dong Xiaoxiao with a hint of interest, and then said to her: "Okay."

But at this moment, a voice suddenly flashed through Qin Yuan's mind:

"Ding Dong, the system will issue tasks to defeat Dong Xiaoxiao, so that Dong Xiaoxiao is completely convinced, and rewards a grid."

When Qin Yuan heard this, Qin Yuan's eyes suddenly brightened. He didn't expect that defeating a little girl would have such benefits!

However, this made Qin Yuan interested and looked at Dong Xiaoxiao with a smile.

At this moment, Dong Xiaoxiao saw Qin Yuan's eyes, but he felt strange in his heart. Why did this guy suddenly become like this? So he said directly to Qin Yuan:

"How did we compare, what flavor of wine did we make, and who was the judge?"

After hearing this, Qin Yuaner smiled directly and said:

"What kind of referee you want, I believe you, if you drink well, you will directly admit defeat."

Hearing this, Dong Xiaoxiao became even more angry. What does this mean? Do you think you have lost?

"Huh, well, since that's the case, then I won't say much. If you need any wine, I can ask my brother to prepare it for you."

After that, Qin Yuan just said a series of drinks, and hearing these things from Qin Yuan, Dong Xiaoxiao's eyes flashed with surprise.

It seems that this guy really has a hand...

But Dong Xiaoxiao didn't have any fear. After all, she didn't buy the title of Master Bartender.

And at this time, there is no need to hide it, and seeing the situation here, the customers in the store are also interested, and everyone is surrounded.

"Damn it, it's really the sun hitting the west side today that this beautiful boss came out to make a drink in person. It's too rare."

"Hey, didn't you hear? This kid wants to challenge this beautiful boss, but I always think he is overwhelmed!"

"Huh, I think he just wants to use this method to attract the attention of this beautiful boss. After all, the name Dong Xiaoxiao is very famous here. It is a very famous bartender. Everyone wants to ask her to make a drink. Liquor, you have to have a big face, but now you have to challenge it. Don't Dong Xiaoxiao just do it?"

"What you said makes sense. In other words, this kid is here to make trouble?"

...

This is because people around him talked a lot, and Dong Xiaoxiao didn't have any reaction when he heard this. Instead, she glanced at Qin Yuan. She was wondering if she was going to drive out these people around, and the province would affect Qin. Yuan's play.

Although it shouldn't be the way to open a bar to do business, Dong Xiaoxiao still felt that the loss was also lost compared to the bottle of wine.

However, Qin Yuan didn't mean to speak. Anyway, his bartending skills were derived from the system, and there was no difference between good and bad at all. Instead, he glanced at Dong Xiaoxiao provocatively and motioned for the other party to start quickly. .

Seeing this situation, Dong Xiaoxiao also frowned, but she still directly said to Qin Yuan:

"If this is the case, then I will show my ugliness."

After that, Dong Xiaoxiao started to work. Dong Xiaoxiao took a deep breath and slowly selected and processed the drinks he needed. Then he cleaned his wine utensils very reverently, and then poured all kinds of wine into small wine glasses. Among them, various condiments were added little by little, and then put into the decanter, there was a dazzling dance.

And Qin Yuan'er saw Dong Xiaoxiao's movements, and his eyes lit up. To tell the truth, Dong Xiaoxiao's title of master bartender is not hydrated, it is still very powerful.

At this moment, Dong Xiaoxiao's eyes were full of confidence, and she felt that she could definitely surpass Qin Yuan!

When he saw Dong Xiaoxiao's appearance, Qin Yuan also smiled slightly, and then started his own bartending. Like Dong Xiaoxiao, he began to choose the drinks he needed, but Qin Yuan didn't have any. Opposite Dong Xiaoxiao is serious, just like buying vegetables in a vegetable market, picking and choosing.

Then Qin Yuan randomly picked out a few bottles of wine, poured them directly into the decanter, and added some messy things to it. After that, he picked up the decanter in his hand, like shaking a coke, up and down. Shook.

And seeing Qin Yuan's movements, the people around all made a ridicule:

"Damn, what is this kid doing? Just playing like this?"

"I don't think he can adjust the bar at all! Look at it. My guess just now is really correct. This kid came here to tease his sister!"

And Xiao Guang on one side also looked at Qin Yuan with a dumbfounded expression. To be honest, he thought that Qin Yuan was a master. That was the result?

Soon he used to wake up his wine, even faster than the opposite Dong Xiaoxiao, he just put his wine on the table, and then attentively stared at the operation of the opposite Dong Xiaoxiao.

However, Dong Xiaoxiao was not disturbed by Qin Yuan at all, just like in her eyes, there is no environmental restriction at all, only the decanter in her hand!

It has to be said that Dong Xiaoxiao, as a beauty, is doing this dazzling bartending operation, which is really exciting.

There was also a glimmer of appreciation in Qin Yuan's eyes, not because Dong Xiaoxiao was very beautiful, but because Qin Yuan felt that such a serious person was indeed admirable.

Finally, Dong Xiaoxiao put his sober glass on the table with a bang, and he felt a little breathless.

Chapter 714: Win or lose

At this time, Dong Xiaoxiao was also a little excited. To be honest, she did her best this time, and Dong Xiaoxiao wanted this bottle of grass-leaf wine very much, so the wine that I made is probably better than before. Last point.

What's more, Dong Xiaoxiao also saw Qin Yuan's actions at this time. Although he didn't know what Qin Yuan wanted to do, he was obviously a novice bartender based on what Qin Yuan did just now. consider!

Then Dong Xiaoxiao opened his sober glass, and then gently poured the wine into a goblet. The bright yellow mixed with various liquors looked very gorgeous. Finally, Dong Xiaoxiao put it again. The glass of wine dressed up carefully, and then he nodded to Qin Yuan and said:

"There are flowers everywhere, please advise."

But at this moment, seeing the glass of wine in Dong Xiaoxiao's hand, all the drunks around them greedily widened their eyes!

"Wow, this is Dong Xiaoxiao's most famous Huahuang Huang, but I have heard that with this glass of wine, she won the championship in the International Bartender Competition!"

"Yes, this is a drink she created herself, and the taste is said to be very good. Last time there was a rich second generation who spent a full 100,000 yuan and wanted to get Dong Xiaoxiao to make a glass, but Dong Xiaoxiao thought about it. It's irrational!"

"I also heard about it. Later, there was a chairman of the liquor industry branch. Dong Xiaoxiao came to double it. Since then, I haven't seen it for a long time. I didn't expect to see it again today!"

"Everyone is really fate, I just don't know how this glass of wine tastes, if I can taste it, it would be great!"

...

At this time, I heard everyone talking, Xiao Guang on one side also looked at Qin Yuan with a smug look. In fact, he was very confident in his sister. From Xiao Guang's point of view, Qin Yuan dared to challenge his sister. Bartending, it's like an egg hitting a stone, and you will die by yourself!

At this time, Qin Yuan'er saw Dong Xiaoxiao's movements and smiled slightly. Although he didn't taste the taste of Dong Xiaoxiao's wine, he knew Dong Xiaoxiao's drinks and the methods of preparation. This glass of wine tastes good.

But if you want to win with this method, I am afraid it will not be easy!

After that, Qin Yuan also opened his own drink and poured it gently into a glass of wine, but to the opposite of Dong Xiaoxiao's surprise, it was clear that Qin Yuan's drink was transparent just now, why did it turn red when adjusted?

What's more, Qin Yuan's actions just now didn't have much range at all, so how did Qin Yuan shake the liquor so evenly!

Dong Xiaoxiao thought for a long time and didn't figure it out, but he looked at Qin Yuan a little solemnly.

Afterwards, Qin Yuan and Dong Xiaoxiao's drinks were all put in front of a wine guest, who was over 60 years old and often came to drink in Dong Xiaoxiao's shop, and he was considered a master wine taster.

In order to be fair this time, Dong Xiaoxiao gave this wine to the master, hoping that the master can taste it for them!

"Grandpa Huang, you have to be fair and just, you can't be partial!"

At this time, Xiao Guang also said a word to the master named Huang, but the old man raised his eyelid, glanced at Xiao Guang, and said nothing.

"Xiaoguang, go, the game must be fair and just, if you do, I won't let you watch it here!"

"Hey hey!"

At this moment, Xiaoguang heard what her sister said, but didn't say much, just a sly flash in her eyes.

Then the wine tasting master directly picked up Dong Xiaoxiao's glass of wine, and after a quiet tasting, an extremely enjoyable smile appeared on his face:

"Finally I tasted this bite again. To be honest, your wine has been adjusted very well, with a hint of calming."

And the wine tasting master took a sip of the wine, closed his eyes, and said lightly:

"I seem to be walking on both sides of a path full of flowers and yellows, and my heart is full of peace. Although this feeling is not very deep, but with this hand, you are not far from a real master-level figure. Up."

Hearing such words at this time, Dong Xiaoxiao's eyes flashed with joy. After all, she knew that this was already a very high evaluation. The bartender in this world can be called a master. No more than one hand!

After that, Dong Xiaoxiao looked at Qin Yuan with some pride, and she felt that she must win!

After that, the wine tasting master began to taste Qin Yuan's wine, but he hadn't even tasted it yet. He just smelled it lightly, frowning, and asked Qin Yuan:

"What did you add to it?"

"A little chili powder."

Qin Yuan said with a smile, but when he heard this, the people around always showed a trace of contempt.

Putting all kinds of condiments in cocktails, although it is also very normal, but it is for ordinary bartenders, such as Dong Xiaoxiao, who are called master bartenders, and more Use the original taste of the drink.

Just like the fried rice on the street, if you want to make it, it will be delicious, but this kind of fried rice is absolutely impossible to serve a national banquet level game.

But the guy in front of him uses this low-level material to make this kind of drink, which obviously proves how low his strength is!

The master only frowned slightly, but he didn't say anything. After all, as a referee, he had to taste the contestants' drinks anyway, but in his heart, he already gave Qin Yuan'er the drinks. death penalty.

In the end, Master Huang sips Qin Yuan's drink gently. Sure enough, the mouth is a little bit spicy and bitter, but when he swallowed it, Master Huang's eyes suddenly lit up, and then he stood directly. When he got up, he looked at Qin Yuan in shock.

"What the ***** did you put? This is definitely not something ordinary drinks can do!"

At this time, Huang Da looked at Qin Yuan in shock, and the drinkers on the side saw Master Huang's appearance, and they all gloated at Qin Yuan. They obviously thought that Qin Yuan must be The brewed wine was so bad that it made Master Huang angry!

And Qin Yuan just shrugged his shoulders, and then said to Master Huang: "I'm sorry, this is an exclusive secret recipe, I won't comment."

And when he heard this, Master Huang took a long breath, knowing that he had asked the wrong question. This was when he sat down on the stool again, and finally took another bite to Qin Yuan's All the glass of wine was drunk clean.

It's just that these spectators are a little weird. Looking at Master Huang, this is too dedicated. If Qin Yuan's glass of wine is not good, just taste it. Why should I take all Qin Yuan's glass of wine? Drink up?

After drinking this glass of wine, Master Huang's face changed again. Various emotions continued to appear on Master Huang's face, and finally turned into a light sigh and slowly vomited out. .

At this moment, Dong Xiaoxiao looked at Master Huang's appearance, always feeling something uncomfortable in her heart, and immediately asked Master Huang:

"Grandpa Huang, what do you think of my drink?"

When the Master Huang heard Dong Xiaoxiao's question, he also nodded and said to Dong Xiaoxiao:

"Your drink is very good. To be honest, although I have tasted your glass of wine before, this time, although it is not as amazing as the first time, it is still an excellent product."

"Then this time, did I win the game? Grandpa Huang, if I win, then I can ask you to taste the glass of grass-leaf wine in this guy's hand. That's the real good wine. Give it to me. The adjusted drink is much stronger."

At this moment Dong Xiaoxiao said with excitement, and this Master Huang also looked at Dong Xiaoxiao a little spoiltly, just like looking at his naughty girl.

But in the end Master Huang still shook his head and stood up directly, seemingly to announce the winner of this competition!

At this time, Xiao Guang looked at Qin Yuan proudly. He also thought that this time he must have a chance to win. Master Huang glanced around, finally set his gaze on Qin Yuan, and then swore it out. The result of the game:

"I declare that this gentleman won the game!"

"what?"

Hearing this, Dong Xiaoxiao suddenly widened his eyes and looked at Master Huang and Qin Yuan'er with an incredulous face, and the surrounding drinkers were even more talking:

"what 's wrong?"

"I don't know, it seems to be saying that this kid has won. Master Huang just said that it was a husband!"

"No, no, how could this be the result?"

At this time, the surrounding alcoholics couldn't believe the ending would be like this, so they were all talking and seemed a little noisy, and Xiao Guang also ran directly in front of the master Huang, and said angrily:

"Lao Huang, how did you do this? I usually make so many good wines for you, just waiting for you to use them at critical moments. Why are you losing the chain at this time!"

But as soon as Xiao Guang finished speaking, he was slapped on his head. He turned his head back, and he happened to see Dong Xiaoxiao whose face was full of frost, and he was so scared that he couldn't speak.

Although Dong Xiaoxiao was angry, he suppressed his anger, and said to the master Huang:

"Mr. Huang, what the **** is going on? I think the level of my glass of wine is already very high, can it be said that Qin Yuan's glass of wine is more powerful than mine?"

Hearing this, Master Huang also took a closer look at Qin Yuan, and finally said to Dong Xiaoxiao:

"You're right, his glass of wine is indeed higher than yours, and the difference is not one or two points."

"what?"

At this moment, Dong Xiaoxiao frowned in disbelief, and then Master Huang explained:

"I drank a glass of his wine, and it felt like I had gone through the ups and downs of so many years. You know, I have never experienced any major events in my life, but I feel my own experience over the years. Through the ups and downs, I also lamented that it was not easy to walk this way. If it weren't for too many people here, I'm afraid I would have shed tears. Such an emotional infection is not comparable to your glass of wine."

"This....."

At this time, Dong Xiaoxiao was full of disbelief. If what Master Huang said is true, Qin Yuan's glass of wine really possesses an incomparably powerful infectious power, then it is indeed not something he can match.

Although Dong Xiaoxiao has some confidence in herself, as a young bartender, being able to add various emotions to the drinks is already very good, even if these feelings are a little weak, they are still very powerful.

But if she is really stronger than others, Dong Xiaoxiao will also admit it, but she really can't believe it, just by shaking like Qin Yuan just now, can she add emotion to the drink?

Isn't this a joke?

If it is so easy, what have they been doing for so many years?

At this time, Xiao Guang was also full of disbelief. He walked directly to Qin Yuan and just wanted to say something to Qin Yuan, but at this time, he discovered that there was a lot of money left in Qin Yuan's wine glass.

At this moment, Xiao Guang felt that he had a breakthrough, and quickly poured out the wine in the glass, and then drank it all in one go.

He just wanted to use this method to reprimand Qin Yuan'er, saying that the wine made by Qin Yuan'er was rubbish!

However, as soon as he entered the entrance, Xiao Guang's face froze. He put down the wine glass a little stiff, looked at Qin Yuan incredulously, his lips trembled for a long time, and he didn't say a word.

Qin Yuan looked at this guy, patted the other's shoulder, and said lightly:

"What's wrong, if you have anything you want to say, just say it!"

"me....."

At this time, Xiao Guang was stumbling, and he couldn't say anything, and seeing Xiao Guang's appearance, Dong Xiaoxiao was also a little strange. This is not like his brother. After all, this kid is not afraid of heaven and earth, no matter what it is. Such people dared to go up and say a few words, like this kind of inability to speak, but it is very rare.

Xiao Guang finally took a deep breath and closed his eyes. This was what Qin Yuan said:

"You... your wine glass is not clean!"

"Yep?"

Hearing this'Dong Xiaoxiao was stunned, and the drinkers around were taken aback at first, but finally laughed haha:

"What the ***** is this? People asked you to taste the taste of this glass of wine. How do you say that someone else's glass came, and didn't you provide this glass yourself?"

"Yeah, is this stupid?"

"Xiaoguang, what's the matter with you? Just scold him!"

This time Dong Xiaoxiao also looked at her brother strangely, and quickly pulled Xiao Guang over, and then whispered to Xiao Guang:

"What's going on?"

At this time, Xiao Guang said to Dong Xiaoxiao helplessly:

"Sister, I am also a bartender, I really can't say anything like that."

But when he heard such words, Dong Xiaoxiao's face suddenly became extremely solemn.

Chapter 715: regret

Doesn't that mean that Qin Yuan's glass of wine has no shortcomings at all?

Dong Xiaoxiao couldn't believe it at all, so he rushed over and poured the last bit of wine into his mouth, but as soon as he entered, Dong Xiaoxiao was stunned.

She felt the roses blooming, she felt the sky bright, the birds flying...

Of course, most importantly, she felt the gap.

His own wine is definitely not as good as Qin Yuan...

However, what made Dong Xiaoxiao unacceptable most was why Qin Yuan could make this kind of wine!

So Dong Xiaoxiao completely collapsed, and said to Qin Yuan:

"I'm not convinced. Although I didn't see exactly how you made it just now, you are several times faster than me, and you don't have any fancy. How did you make this wine? Your method is basically There is no way to shake the drink well, are you cheating!"

Seeing Dong Xiaoxiao's hysterical look, Xiao Guang looked at Qin Yuan's eyes a little helplessly. It's finished, my sister is about to show her true shape, this guy definitely has no good fruit!

And Qin Yuan also looked at Dong Xiaoxiao dumbfounded, but soon laughed out, and then said with a playful look:

"Well, this look is indeed much better than the dignified and elegant woman just now!"

"you!"

At this moment Dong Xiao couldn't say anything, so he rushed back, took out a box of wine, put it heavily on the table, and said to Qin Yuan:

"This is my wine. I have lost the test just now, and Zhuyeqing lost to you, but I still have this 50-year-old daughter red. This is Filcher from 61 years. This is... "

At this time, Dong Xiaoxiao took out all the good wines he had collected, bottle by bottle, and finally smashed it in front of Qin Yuan, and said viciously:

"We can gamble again, this time I won't mix drinks, just see how you made the glass of wine just now!"

Seeing Dong Xiaoxiao's appearance, everyone around was scared and silent, not only because of the drastic change in Dong Xiaoxiao's personality, but also because of Dong Xiaoxiao's box of wine!

If what Dong Xiaoxiao said is true, then this box of drinks is worth tens of millions at least, so it still came out?

Looking at this situation, all the drinkers around are greedy. These are all good wines. You can't touch them at ordinary times. Even if you have money, you may not be able to buy them.

At this time, Xiao Guang was almost crying. He was expecting to inherit these good wines. He didn't expect that Dong Xiaoxiao would take this thing out now. If Dong Xiaoxiao's drinks were all lost to Qin Yuan, they Isn't it a big loss?

So Xiao Guang hurriedly ran to Qin Yuan and said to Qin Yuan, "Big brother, big brother, my sister's brain is abnormal today, and what she said is false. Don't be familiar with her!"

When Qin Yuan heard this, he also shook his head slightly, then patted Xiao Guang on the shoulder, and said directly to Dong Xiaoxiao:

"Don't you just want to see how I adjusted this wine? It doesn't take so much effort, I just show you directly."

After saying this, Qin Yuan started again, directly remixing various drinks, and then went through the steps just now.

And Dong Xiaoxiao watched every movement of Qin Yuan, watching very carefully, but when she saw Qin Yuan's last step, she was completely shocked.

Because Qin Yuan's last step seemed to shake slightly, but Dong Xiaoxiao clearly saw that when Qin Yuan was shaking, his hands were shaking constantly, and the frequency of this shaking was simply beyond human imagination!

At this time, Dong Xiaoxiao finally understood how Qin Yuan did it, but with such a tremor, she only tried it slightly, only to find that she couldn't do it, she couldn't do it at all, and even this is not something human can do. Thing!

"You bully..."

At this moment, Dong Xiaoxiao burst into tears, and then ran out directly, and Qin Yuan also looked at Dong Xiaoxiao with an embarrassed face. Isn't it impossible, after all, this kind of strong hand speed is cosmic level. Qin Yuan didn't spend so much time with his bartending technique, he was already merciful, so what would he want?

What's more, even if Qin Yuan is willing to teach Dong Xiaoxiao, Dong Xiaoxiao can't learn it. With Dong Xiaoxiao's small physique, it is impossible to achieve such a shaking intensity. Therefore, this technique of Qin Yuan simply cannot be copied. !

And seeing Dong Xiaoxiao leaving, Xiao Guang was also a little embarrassed. He turned his head to look at Qin Yuan, and sometimes at Dong Xiaoxiao who had left. He didn't know whether he should stay here or chase his sister.

But in the end Xiaoguang stayed here directly. After all, my sister would not get lost, but if the bartending skills like this were gone, then I would really never meet again!

"Big brother, big brother, now my sister is gone, then you start to adjust your blade of grass bar, we are all convinced now, you also quickly do it, let us see the birth of this miracle!",

At this time, Xiao Guang said hopefully, but Qin Yuan was a little bit dumbfounded when he heard this. This brother and sister are indeed passed down in the same line. They feel that they are all a virtue.

But Qin Yuan also nodded, and then planned to adjust his glass of wine, after all, he wasted a lot of time, presumably Long Xiaoyun was also waiting and was already anxious.

"Then can I use these wines?"

Qin Yuan asked Xiao Guang, and Xiao Guang quickly said:

"You are free, you are free. If these wines are in your hands, my sister will definitely agree. Besides, just now, if you were willing, maybe these wines are yours."

Xiaoguang also didn't care at all. After all, these wines are in his sister's collection. If he could see a miracle, he wouldn't feel distressed. Don't say these belong to his sister, even if it's his own. Willing to use it for Qin Yuan.

Hearing this, Qin Yuan also smiled, and then he took a deep breath and began to seriously regulate his glass of wine.

At this time, Qin Yuan opened all the wine bottles and carefully smelled the taste of these wines. This was the only way to seriously put his grass-leaf wine in the decanter glass, and then selected some liquor. , Began to concoct.

Then everyone was surprised to find that once this started, Qin Yuan's hand was almost reaching its limit, and he directly swung out an afterimage, as if it had grown 8 hands!

Chapter 716: Decide

But at this time, behind the far column, a head was sneaking out. It was Dong Xiaoxiao. She just ran out because your mind didn't turn around. Then, after thinking about it carefully, Qin Yuan immediately It's about to make the last glass of wine. If you ran away at this time, wouldn't it be regrettable for a lifetime, so I ran back quickly!

And seeing Qin Yuan's operation, Dong Xiaoxiao's eyes widened, she realized that Qin Yuan didn't use all his strength when he was playing against her!

"How powerful is this guy..."

At this moment, Dong Xiaoxiao watched Qin Yuan's movements and muttered, and she couldn't stop her with a trace of envy. After all, she knew that Qin Yuan's glass of wine was specially prepared for his girlfriend. !

Thinking about cocktails made with such high-class drinks, coupled with Qin Yuan's terrible bartending techniques, how delicious the final product will be?

Dong Xiaoxiao was humming at this time, almost crying, she regretted it very much now, why did you say that you just ran out? If you stay where you are, maybe you can cheeky and ask Qin Yuan for a bit, and taste what this wine tastes like, but now, how can it pass?

But let alone Dong Xiaoxiao's entanglement, Qin Yuan banged his wine glass directly on the table at this time, and even this hard table was smashed into a small hole by Qin Yuan.

But now no one cares about this, they are all staring at the wine glass in Qin Yuan's hand, looking forward to the opening of the glass.

After that, Qin Yuan smiled and shook the decanter again, and the lid of the decanter suddenly exploded!

An incredibly leisurely aroma of wine permeated the entire bar in an instant!

At this time, all the drinkers had elongated noses, smelling the smell of the wine very intoxicated.

"Oh my God, what does this smell like!"

These drinkers smelled an aroma and felt like they were immersed in a sea of wine. Such a taste would be unimaginable for them in their entire lives!

But after smelling it, they couldn't help but some strange thoughts popped up in their hearts.

"I don't know why, I feel that I miss my mother-in-law a bit, I want to go back and have a look."

"Me too, please give my mom a call."

"I suddenly remembered the yellow flower noodles of my lady boss downstairs. I want to go now and eat a bowl of noodles, and follow the lady boss to propose marriage, even if she divorces and has a son, I will recognize it!"

"Go back and hug my son. I beat him a bit too hard today. That's right, I didn't score 60 points in the test back then. This son is already good at 80 points."

At this time, these drinkers are all talking about it. To be honest, most of the people who can come here to drink are not young. People in middle age always have all kinds of troubles. , They have no way to solve these annoying things, so they can only put everything they have in the drink and drown in it.

This is their only interest, but the problem lies there, and if it is not solved, it will always exist... No matter what the reason, escape can only escape for a while, and cannot escape forever.

And Qin Yuan smiled slightly when looking at the drinkers in front of him, and then slowly poured his wine into a bottle, then patted Xiao Guang on the shoulder and said to him:

"I saved some for you, and later I will give these wines to your sister and tell her that I am very grateful to her for providing me with these drinks. Otherwise, I can't make this glass of wine so good."

When Xiaoguang heard this, he just ordered a little bit and didn't do anything. Finally, he asked Qin Yuan: "Brother, you said I am going to learn bartending skills now, can I catch up with my sister in my lifetime? "

Qin Yuan turned his head and glanced at the young man, smiled slightly, and said directly:

"This question should not be asked to me, you have to ask yourself."

When he heard this, Xiao Guang's face was instantly stunned, as if he had made some determination, and Qin Yuan looked at this guy, shook his head and said to him:

"See if we have fate. If you can learn the limits of human beings, then I can teach you how to go the road behind."

"Ok!"

Xiaoguang nodded solemnly, then didn't try to taste the glass of wine, just turned around and left.

And seeing that all the people in this bar had already gone, Qin Yuan also smiled, and then said to one side:

"Okay, after watching for so long, do you have anything to tell me? If you don't say anything, I will really leave."

At this moment, Dong Xiaoxiao had a trace of tears on her face. She didn't know what she thought of. She tremblingly said to Qin Yuan:

"Can I see you again in the future?"

"Let's look at fate, your skills are very good, and you will keep going."

Qin Yuan shrugged and said, his sense of Dong Xiaoxiao is not bad, although this woman is somewhat stronger, but the stronger the woman, the more able to hold it up.

Dong Xiaoxiao thought for a long time, she had some questions in her heart that she wanted to ask Qin Yuan, but in the end she never asked Qin Yuan, but said to Qin Yuan:

"What's the name of this glass of wine?"

"regret."

Qin Yuan said the last sentence, and then left directly.

Looking at Qin Yuan's back, Dong Xiaoxiao murmured:

"I regret..."

At this time, Qin Yuan, who was about to leave, suddenly heard a voice:

"Ding Dong, the host completes the task, wins Dong Xiaoxiao, convinces Dong Xiaoxiao, and rewards a grid."

"Hehe, this Nizi."

Qin Yuan shook his head, and then went straight towards Long Xiaoyun's direction!

...

A few minutes later, Qin Yuan came directly to Long Xiaoyun's location' and saw that Long Xiaoyun was still sitting upright on the side. He suddenly smiled and said to Long Xiaoyun:

"Okay, here comes the wine."

Long Xiaoyun looked at Qin Yuan with a smile in his eyes, then opened the wine stopper, and took a sip, but at this entrance, Long Xiaoyun's eyes suddenly widened, full of surprise. Looking at Qin Yuan:

"Where did you get this wine."

"This is not important. The important thing is to drink well and speak well."

Qin Yuan said with a smile on his face, and when he heard these words, Long Xiaoyun also calmed down, then raised his head and drank the bottle of wine directly.

After that, Long Xiaoyun closed his eyes, as if drunk asleep, but Qin Yuan did not speak, but just looked at Long Xiaoyun.

After a while, Long Xiaoyun opened his eyes and looked at Qin Yuan with a smile:

"Well, I have made a decision."

Chapter 717: College study

When Qin Yuan heard this, he nodded and said:

"it is good!"

"Good thing, you haven't asked me what I want to do!"

At this time, Long Xiaoyun looked at Qin Yuan a little bit agitatedly, but Qin Yuan said to Long Xiaoyun:

"Then what is curiosity, as long as it is what you want, as long as you say it, no matter what it is, I will definitely help you get it, so there is no need to be curious about what it is, if you want to tell me If you do, you will definitely tell me, so what am I anxious to do?"

At this time Qin Yuan said as expected, and when he heard this, Long Xiaoyun couldn't stop crying and laughing, and then said to Qin Yuan:

"Why haven't I found out before that your mouth can tell the dead?"

But Qin Yuan smiled, and said to Long Xiaoyun:

"My mouth has other functions. Would you like to try it?"

Qin Yuan originally wanted to tease Long Xiaoyun, but what shocked Qin Yuan was that as soon as he finished speaking, he felt the softness on his lips. After that, Qin Yuan was completely stunned, looking at the dragon with horror. Xiaoyun.

This... is this too brave? !

Seeing Qin Yuan's dumbfounded appearance, Long Xiaoyun said calmly at this time:

"Huh, what's the matter, dumbfounded, young man, you are still a little tender after all, go quickly, I am very satisfied with the wine you gave, which is equivalent to giving you a reward."

Hearing this at this time, Qin Yuan had a strange expression on his face. He didn't know how to face Long Xiaoyun. Now, let's go. Long Xiaoyun did it himself... Oh no, it's a move!

"This is a reward... Then... Then I will bring out another bottle of wine, can this reward come again?"

Qin Yuan reacted at this moment, and then said to Long Xiaoyun with winking eyebrows.

When Long Xiaoyun heard this, his eyes suddenly widened, and then he kicked towards Qin Yuan!

Qin Yuan had long expected that he would be beaten when he said such words, so he quickly disappeared:

"Wait until I bring you wine next time!"

"Fuck off you!"

Long Xiaoyun said angrily, just looking at Qin Yuan's away back, a trace of reluctance and solemnity flashed in his eyes, and a decision was made directly in his heart.

At this time, Qin Yuan was in a good mood. Three had already settled two, and there was only one left.

And now it's so late, can I just find a place to sleep tonight?

Thinking of this, Qin Yuan was suddenly excited.

After that, Qin Yuan continued to use his various abilities to search for An Ran. When he found An Ran, Qin Yuan's heartbeat could not stop speeding up, because at this time An Ran had already arrived in the hotel!

Qin Yuan was even more excited at this moment, and he ran over quickly. Finally he found the room and knocked on the door tightly. Sure enough, An Ran, who opened the door, was officially wearing pajamas.

At this time, An Ran looked at Qin Yuan, his face full of playfulness, and stretched out his hand directly to Qin Yuan:

"Okay, I also know what you did, but the gifts you brought to those two sisters and sisters. Are there any gifts for me?"

At this time, Qin Yuan took out the 99 roses directly from behind him, and said to An Ran:

"This is just for you."

And when An Ran saw the big handful of roses, there was a bright light in her eyes, and she quickly picked up the big handful of roses, but she still pretended to be very disgusted, and faced Qin Yuan. Said:

"No, I heard that the two requested things are very rare, how come to me, they are ordinary roses?"

Although his mouth looks very disgusting, the corners of An Ran's mouth can't stop upturning. Qin Yuan naturally saw this too, and hurriedly squeezed in, screaming hard at An Ran, and directly said:

"I'm telling you, this rose is not so easy to get, that is, I am a master of art and bold, otherwise, can you see me or talk about it?"

Yep?

"what happened?"

At this time, An Ran suddenly became a little curious, and then Qin Yuan told him about the assassin of the Fusang Society before!

And listening to Qin Yuan's words, An Ran suddenly became nervous, and rushed over and threw the rose aside, constantly looking up and down Qin Yuan, wanting to see if Qin Yuan was injured.

And seeing An Ran's nervous appearance, Qin Yuan just smiled, and he held An Ran in his arms, and said in a spoiled manner:

"A fool, how could someone like that hurt me?"

"How can it not be possible to hurt you? Those two people are still very famous in the world, they are very threatening killers, and many people have all been planted under their hands!"

At this time, An Ran flipped through Qin Yuan's clothes, trying to see if Qin Yuan was injured, but Qin Yuan laughed dumbly, not to mention that the two people were not qualified to injure themselves, and even if they were injured, relying on Qin Yuan's Yuan's recovery ability has now grown well.

Only seeing An Ran's nervous look, Qin Yuan felt very, very cute. He hugged the other party tightly again, gently pressed it to the other party's ear, and said lightly:

"You little idiot, how can someone like you be undercover? I have already killed both of those guys."

Feeling the strangeness in her ears, An Ran's face flushed, she felt a little soft and short of breath, lying weakly in Qin Yuan's arms!

And seeing this, how can Qin Yuan bear it? It was a blow at hand, and the room suddenly became dark...

After two hours, Qin Yuan quietly left this room and entered the next room.

After another two hours, Qin Yuan entered another room again.

As for what happened in the middle, there is no need to go into details, but when he woke up on the second day, Qin Yuan was refreshed, looking at the three women in front of him with a smug smile.

Seeing this virtue of Qin Yuan, all three women shook Qin Yuan together, and the last three of them returned to the East Market with Qin Yuan.

Naturally, there is no need to say more about the wind and snow on this road. After arriving in the cave market, Qin Yuan went to the base to report.

He received the notice, as if there was a new order from the superior, so he subdivided it to see what was going on. His own Qin Yuan walked directly to the staff room, saw Gao Shiwei in front of him, and paid a military salute:

"Report, here I am!"

Gao Shiwei was looking at a map, turned his head and glanced at Qin Yuan, but said with a smile on his face:

"Come, well, since you are here, then I will first announce the superior's order to you, and the superior announced that it will order Colonel Qin Yuan to dismiss all duties now and temporarily await the superior's instructions."

When Qin Yuan heard this, he said to Gao Shiwei with a dumb face:

"No, what's going on, I didn't make a big mistake."

This is no wonder Qin Yuan is stubborn, because in his opinion, dismissing all positions and waiting for orders is not equivalent to dismissal?

And Qin Yuan thought about it carefully. The most serious of the things he has done recently is that he smashed the foreign leaders in the Mars competition and killed a little boss of Fusang Club. But because of these, no As for letting yourself be removed directly?

Therefore, Qin Yuan's face suddenly sank, and he said directly to Gao Shiwei: "Is there someone who is harassing me? I want to talk to the other party."

But when he heard such words, Gao Shiwei couldn't laugh or cry for a while, slapped Qin Yuan's forehead directly, and said to Qin Yuan:

"What do you think? This time is a good thing. I guess the person above will send you to the college to study."

"Huh? Academy, I'm at this level now, what else can I study?"

At this time Qin Yuan is still at a loss. After all, although he has been an officer for a long time, he has never spent a day in the Officer Academy. As a result, he suddenly asked him to study suddenly. This is not a joke. ?

"This is not fake, I know. You think it would be a waste of time to let you study based on your ability, but there are always things that our military doesn't have. You didn't even think about flying a plane before. , As long as you participate in this academy, you can open it as you like!"

Gao Shiwei directly sat in his seat and said to Qin Yuan, and Qin Yuan's eyes lit up when he heard this:

"Can there be such a good thing?"

"Yes, I don't know which test you passed. This time, you will be notified to participate in our country's deepest science and technology research institute, which specializes in the manufacture and use of weapons. Didn't you still want to open a military factory? Here, as long as you can successfully graduate from this academy and get the signatures of various leaders, you can directly open a military factory!"

And when he heard this, Qin Yuan's eyes suddenly shined. After waiting for so long, he finally saw the opportunity to open this military factory!

"Haha, great, when will I be notified to enroll? I am looking forward to it!"

Qin Yuan said with excitement at this time, but when he heard this, Gao Shiwei said cheerfully:

"And I heard that if your scientific research ability is excellent, then this college is basically a process, then you will be like a real college student, and there are no restrictions on freedom."

But after hearing such good conditions, Qin Yuan calmed down, frowned, and said directly to Gao Shiwei:

"I always feel as if something is wrong, as if I can smell a conspiracy, isn't there any pit waiting for me here?"

"I don't know if it's a pit. Anyway, this time the superiors are ready to hone you. You must be clear that those who can participate in this academy are basically the top talents in our country. There is a hidden dragon and a tiger in it. If you are as arrogant as it is now, there will definitely be many people who will look you down!"

Gao Shiwei looked at Qin Yuan maliciously. Hearing this, Qin Yuan calmly came down, patted his chest directly, and said to Gao Shiwei

"Okay, then no matter who is not pleasing to my eyes, just come directly, I will let him see me pleasing to my eyes!"

Gao Shiwei saw Qin Yuan's appearance, and said to Qin Yuan irritably:

"Okay, don't play monkeys here, you go out quickly, I don't know when the admission notice will come, but there should be some time, you can take this opportunity and give yourself a good vacation. Do whatever you want. If you enter school, you may not be as free as you are now.

Remember, once you join this Red Star Academy, it represents the face of our Southeast Military Region. If something happens to make everyone look bad, I can't spare you! "

At this time, Gao Shiwei said to Qin Yuan seriously, but Qin Yuan replied with hee and haha:

"Don't worry, I will never shame you. I'm leaving now!"

After saying this, Qin Yuan immediately ran out.

Not long after Qin Yuan ran out, Long Xiaoyun just walked in. At this time, Long Xiaoyun had a trace of indifference on his face, and directly handed in a document to Gao Shiwei.

Seeing this document from Long Xiaoyun, Gao Shiwei frowned, and said to Long Xiaoyun with a headache:

"Comrade Long Xiaoyun, are you sure you want to do this? And if Qin Yuan knows about this matter, it will cause a storm, maybe even I can't suppress this kid. You think about the consequences of this matter. ?"

Gao Shiwei's face was full of indifference at this time. It was obvious that he had no intention of joking. When Long Xiaoyun in front of him heard this, there was also a trace of fluctuations on his face, especially when he heard Qin Yuan's name, her ancient well There was also a ripple on Wubo's face.

But soon Long Xiaoyun adjusted it and said directly to Gao Shiwei:

"As long as I don't let him know, I won't leave now. will continue to wait until he is not in the mood to take care of my affairs, maybe until he knows everything. The dust has fallen to the ground, Chief, this is my last bit of selfishness for children. I know this may not be so appropriate, but if I don't do it, I will never pass the hurdle in my heart."

Hearing this, Gao Shiwei also looked ugly, but after thinking for a long time, he finally sighed and gave Long Xiaoyun some comfort:

"Why didn't you tell Qin Yuan about this matter? With Qin Yuan's help, your success rate in this matter could increase by at least 20%."

"The chief joked. I did such a thing, let alone ask Qin Yuan for help, even if I let him know that he shouldn't, he is now in the best time to rise, and I can't delay his future."

Long Xiaoyun sighed and said, but Gao Shiwei was full of anger, smashed the cup in his hand, and shouted at Long Xiaoyun:

"You also know that now is his ascendant period, and relying on his character, once you know what happened to you, 100% something will happen!"

And hearing this, Long Xiaoyun was also silent.

Chapter 718: Long Xiaoyun's Choice

Seeing Long Xiaoyun not speaking, Gao Shiwei smashed the table angrily, looked at each other angrily, and turned his head to look out the window.

But in the end, Gao Shiwei breathed out and said directly to Long Xiaoyun:

"I know, since you've made up your mind, then I can't stop you. If that's the case, then you can go, but do you know the rules? Once you step out of the door and want to come back, then don't It's too easy. Once you have taken this step, you can no longer say that you are a soldier of the Yan country!"

After hearing this, Long Xiaoyun's body couldn't stop trembling, but he still didn't say anything, just silent.

Gao Shiwei was also a little bit chilled when he saw Long Xiaoyun like this, and he said directly:

"Okay, you can go."

Finally, Long Xiaoyun glanced at Gao Shiwei again, subconsciously wanting to pay a military salute, but in the end he held back, just took off his epaulettes, put them on the table respectfully, and then retreated. On the epaulettes on the table, there is a water stain, this is Long Xiaoyun's tears...

But the moment when Long Xiaoyun was about to go out, he heard the last sentence from Gao Shiwei behind him:

"Qin Yuan's matter, you solve it yourself, I will not take the initiative to tell him, but if he comes to ask me, I will not help you hide it."

Hearing this, Long Xiaoyun's body gave another meal, but only said:

"Thanks a lot."

Then I walked straight out of this room.

Hearing this, Gao Shiwei sighed again, looking at the epaulette on the table, his eyes were full of complexity and regret.

But at this moment, Fan Tianlei walked in from outside.

After walking in, Fan Tianlei said directly to Gao Shiwei as if seeing something incredible:

"I saw Long Xiaoyun just now, what is going on, why did she suddenly show that expression?"

After all, in Fan Tianlei's impression, Long Xiaoyun has always been an extremely tough tough guy, oh no, a tough woman! Long Xiaoyun's various trainings, actual combat capabilities, or military literacy are all genuine, otherwise it would be impossible to lead the army alone.

Moreover, Long Xiaoyun even had a higher status than Thor in the Thor team. After all, Thor was only a temporary commander on the battlefield, at best a general, while Long Xiaoyun had experience in large-scale confrontations, but developed towards a general.

When Fan Tianlei saw Long Xiaoyun, he always had that kind of lofty smile with contempt and sarcasm. Even when it was a little embarrassing, it was also that kind of cold, and he couldn't see the kind just now, with confusion and hesitation Emoji.

So when Fan Tianlei saw Long Xiaoyun just now, it was like seeing a ghost.

However, after seeing Gao Shiwei, Fan Tianlei found that Gao Shiwei's expression was a bit wrong, so he suddenly felt a sudden shock in his heart. He seemed to feel that something serious had happened.

And hearing this, Gao Shiwei also restrained his sadness? He became serious and said directly to Fan Tianlei:

"Okay, this matter has nothing to do with you, now hurry up and find someone to replace Long Xiaoyun's position."

"What? Replace Long Xiaoyun's position?"

Hearing this, Fan Tianlei's eyes widened in shock. He quickly said to Gao Shiwei:

"Chief, what exactly did she make wrong? But you have to give her another chance. You must not dismiss her so easily!"

Fan Tianlei was extremely anxious at this time. To tell the truth, Long Xiaoyun is stronger and stronger than him. After all, Fan Tianlei is now too old to be touched, even if Qin Yuan cured his leg. There has been no actual combat for many years, and Fan Tianlei can no longer lead the team to carry out high-risk operations.

But Long Xiaoyun is still young, and he is still a character who is developing towards a big command. To be honest, on the battlefield with ever-changing information, he can have a general character who can make quick decisions on the battlefield, regardless of the command above. , Or for the soldiers below, they are very reassuring existence, but Gao Shiwei now says that Long Xiaoyun is going to leave, and even the position is gone?

Hearing Fan Tianlei's words, Gao Shiwei couldn't help but feel irritable, turning his head and saying harshly:

"You think I want her to go. She wants to go. What can I do?"

Hearing such words, Fan Tianlei was stunned. He realized that something was wrong with this matter, so he cautiously asked Gao Shiwei:

"Chief, what is going on?"

Gao Shiwei sighed, also telling what happened.

It turned out that Long Xiaoyun unexpectedly found her father's trace during the period when Long Xiaoyun was stationed abroad.

It turned out that Long Xiaoyun's father was also a member of the Yan Guo army, and even Gao Shiwei's comrade-in-arms, but in one operation, he disappeared and never returned.

And now it's been several decades. Although Long Xiaoyun has always wanted to search for news about his father, this is just an obsession in Long Xiaoyun's heart. After so long, Long Xiaoyun is very Father did not hold any hope.

But this time, he only learned of his father's existence. Naturally, Long Xiaoyun couldn't help it and continued to investigate in detail.

But then she discovered that it seemed that her father was locked in a prison, and this place, with her status as a soldier of the Yan Kingdom, could not be reached at all.

At this time, Long Xiaoyun's heart suddenly fell into entanglement. He continued to search and visited many times, and found that his father was really alive, but when he thought about his father,

he would follow that place, and he didn't know what it was. Days, it may even have been betrayed, Long Xiaoyun can't help it completely.

She has to find her father, either to save him back, or to completely liberate him. She absolutely can't just watch and wait indifferently!

Hearing such words, Fan Tianlei also looked ugly, and said to Gao Shiwei cautiously:

"The one you are talking about is called the Dragon Warrior Army?"

"Yes, and according to the news, he was kept in a secret prison on a military base in the country of Little Mao, and we are highly hostile to it, and we cannot be extradited through a treaty. More importantly, the location of that prison is exactly in the military sensitive areas of Little Mao and D, once the soldiers of our Yan country appear there, I am afraid this little Mao and D both think that our Yan country has a covetous heart for that place. When the news of Long Zhanjun arrives, he will definitely not survive!"

Gao Shiwei at this time also said with anxiety, and when he heard this, Fan Tianlei was silent for a while. It was obvious that this legendary veteran, whether dead or alive, had been given up.

However, Fan Tianlei still wanted to struggle, and said directly to Gao Shiwei:

"Then shall we let Long Xiaoyun go now? According to the treaty, she cannot go abroad at all. Even if she retires, she cannot go out so soon."

But Gao Shiwei glanced at Fan Tianlei speechlessly, and said to him:

"Do you think that people like Long Xiaoyun, do these treaties make sense to her? She has put her life and death out of the picture. Even if we lock her up, we can't hold her heart, in case she does something cannot be undone, it will be worse, and our loss will be even greater!"

"Then can we apply for mercenaries from abroad..."

"To shut up!"

Fan Tianlei's mouth twitched, but he still closed his mouth, but Gao Shiwei said leisurely:

"Those mercenaries can only allow them to fight downwind. It's impossible for them to do things like attacking fortifications. If they can't cooperate from the inside and the outside, attacking there without large weapons is no different from sending them to death. .

And once there are heavy weapons, it will arouse the vigilance of the two countries, even if people are rescued, it is impossible to escape under the pursuit of the two countries! "

Hearing this, Fan Tianlei was completely helpless. In fact, he himself knew that these conditions could not be achieved at all, but he really wanted to restore Long Xiaoyun, so no matter whether it could be done, he said it all.

But at this time, Fan Tianlei's eyes lit up, and he thought of someone, but he looked at Gao Shiwei's gaze, but he didn't say what he said.

That's right, the person Fan Tianlei thought of was Qin Yuan. To be honest, if you want to rescue people without using heavy weapons, then sending Qin Yuan is the most appropriate.

Moreover, Qin Yuan also possesses various abilities. Sending Qin Yuan in is the most secure.

But Fan Tianlei himself could not pass the hurdle in his heart, because he could think of Qin Yuan, so Gao Shiwei and Long Xiaoyun could both think of Qin Yuan. Unfortunately, neither of these two people mentioned Qin Yuan's matter, even Long Xiao Yun himself had never thought of asking Qin Yuaner for help.

Because they all know that Qin Yuan is now the most critical moment. Although the colonel is only a line from the major general, he has truly entered another stage. If Qin Yuan's opportunity is delayed at this time, then the next time this opportunity comes, I don't know it will be the year of the monkey.

It's just that although the two of them didn't intend to tell Qin Yuan about this matter, Fan Tianlei said worriedly:

"We don't tell Qin Yuan now, if something happens to Long Xiaoyun and Qin Yuan knows about it in the future, then how should we explain it to Qin Yuan."

Hearing this, Gao Shiwei was also a little worried and could only mutter:

"Let's take a step at a time, at least let the things in front of you go. Long Xiaoyun won't take it lightly. Although she knows the news and has already gambled on her life, people like Long Xiaoyun, We will definitely not die easily, we still have some time!"

"Well...that is to say, I am not only arranging the captain of the Wolf Warriors team, but also hiding this matter from Qin Yuan?"

Fan Tianlei said silently, and when he heard this, Gao Shiwei sighed again and said directly to Fan Tianlei:

"Fortunately, now Qin Yuan doesn't need to stay in the military anymore, otherwise, how could he be able to hide it."

When Fan Tianlei heard this, he and Gao Shiwei looked at each other. Both of them sighed together. Sure enough, these people didn't make people worry.

"Okay, go do your thing, I will come forward with a document and explain this matter to the person above."

In this matter, Gao Shiwei also reached a certain risk. After all, he knew what Long Xiaoyun was going to do, but he didn't stop him. Basically, it was cut first and then played. If Long Xiaoyun really made a big noise, it would have caused the international community. Gao Shiwei also has to bear certain responsibilities for the disputes.

However, this is the last thing Gao Shiwei can do for Long Xiaoyun.

At this time, Qin Yuan did not find anything at all. To be honest, he is still thinking about the beauty of last night.

This thing is so wonderful, he never dreamed that he would be able to take all three.

Especially Long Xiaoyun. Although Qin Yuan knows what Long Xiaoyun thinks of him, he feels that people like Long Xiaoyun should be reluctant to fight with others. The most correct way is to treat Qin Yuan gave a beating, and then completely severed relations with Qin Yuan.

But who would have thought that it was just a bottle of wine, and Long Xiaoyun would give him everything.

This made Qin Yuan's heart unable to stop being a little complacent, isn't this bottle of wine too worth it?

Maybe you can reclaim some more skills about wine, and then point out the title of a master brewer. Then there will naturally be a variety of good wines to please Long Xiaoyun.

Thinking of this, Qin Yuan immediately moved in his heart and asked the system directly:

"Does the system ' have the title of Master Brewer?"

"Ding Dong, the host gains five more beverage skills and will be awarded the title of master brewer! Unlock advanced brewing skills."

As soon as Qin Yuan heard this, his heart was immediately overjoyed. He has also discovered that although the various skills he has acquired are very powerful, he wants to achieve all these skills to an advanced level. Said that it is also necessary to obtain a title. The title is not only to open the four stitches behind the eight stitches, but also to integrate all of this series of skills to reach a new level.

"Five drinking skills, well, it's okay."

Qin Yuan murmured at this time, but he knew that now I am afraid that there is no way to get this title, because he still has 6 grids left, if these 5 skills are put in the wine, there is no room left. , In case something messed up, it's not easy to deal with.

"Tsk tusk, I can only wait for the next time to get this title. Forget it, take Long Xiaoyun to see Grandma Sun."

Qin Yuan made a decision at this time, and then headed towards where Long Xiaoyun was.

Chapter 719: Grandma Sun's happiness

After all, Qin Yuan had already seen Grandma Sun with An Ran and Mu Qingmei before, and only Long Xiaoyun had not seen it. This time, since the two had a relationship, Qin Yuan would naturally take it to see him.

And Qin Yuan himself hadn't seen grandma for a long time, and it was time to visit her old man.

After that, Qin Yuan just bought the things and arrived at Long Xiaoyun's residence, but when Qin Yuan asked the guard that he wanted to go in, he was told that Long Xiaoyun no longer lived here!

"Fuck?"

Qin Yuan was a little confused at this moment, but he just took out his mobile phone and called Long Xiaoyun.

"Hey, Xiaoyun, I am now where you live. Why do I hear them say that you have moved away? Is something wrong?"

"Yes, I did move away. The superior suddenly gave me an urgent task, so I moved out from there. You don't need to worry about me, because the task is more urgent, so I can't say goodbye to you. I'll wait for a while and I will settle down before contacting you."

At this time, Long Xiaoyun's voice didn't seem to be any weird. He just said to Qin Yuan in a cool tone as usual, but after hearing Long Xiaoyun's words, Qin Yuan was a little strange, why this time the mission Long Xiaoyun just came back when he was so anxious. Under normal circumstances, even if he had an urgent task, he would let Long Xiaoyun rest for a few days.

However, Qin Yuan also knew that if it was really an urgent task, there was indeed no way to rest, so he could only say to Long Xiaoyun:

"If that's the case, then I won't bother you. After you settle down, call me again. I wanted to take you to see my grandma. It seems I can only wait for the next time."

But at this time, hearing Qin Yuan's words, Long Xiaoyun on the opposite side was silent for a while. At this time, Long Xiaoyun was tasteless in her heart. She felt that she could no longer speak. If she continued to speak, she could not restrain Qin. Yuan that kind of emotion.

But Qin Yuan didn't notice anything, he just said to Long Xiaoyun:

"Okay, since you have something to do, then I will hang up, but I remind you one last thing, no matter what difficulties you encounter, you must remember that there is me behind you."

"I see!"

Hearing this at this time, Long Xiaoyun's heart was also relaxed, and then he hung up the phone directly, and Long Xiaoyun glanced at the plane about to take off outside, and muttered:

"I will never forget you."

At this time, Long Xiaoyun's eyes became fierce and determined. Since she has made up her mind to do this, she naturally has a plan. She will not go to such a place alone to find death, but We must first recruit troops and buy horses to establish a certain power.

Wait until the real usable manpower is trained, then attack!

"I still have time... Qin Yuan, if I can't do it, then forget me..."

At this time, Long Xiaoyun murmured, and then directly boarded a plane!

At this time, Qin Yuan certainly didn't know Long Xiaoyun's mentality. Since he had already bought things, he naturally had to go back to see Grandma Sun. Although he could not take Long Xiaoyun with him this time, Qin Yuan himself I haven't seen Grandma Sun for a long time, so this time I naturally want to be filial.

Soon Qin Yuan went directly to the newly built orphanage, and at this time, Qin Yuan discovered that grandmother grandmother was out of the orphanage, and there were still a lot of staff.

Qin Yuan asked, only to realize that the people in the military district compound found that this orphanage was indeed good' so they directly formalized the orphanage completely.

In fact, at the beginning, these people built this orphanage based on Qin Yuan's face, but later discovered that the orphanage looked good at children, so they directly invested in turning the orphanage into a kindergarten, and then hired With professional personnel for nursing care, of course, the income of this kindergarten is naturally the living funds of the orphanage.

Although the orphanage is funded by Qin Yuan, it is not very short of money, but the old man is very happy because she can see more children.

And after having money, she will naturally be able to take care of more orphans, and now that it has become a kindergarten, those new children also have a good living environment.

Although Grandma Sun is too busy to touch the ground, her heart is full.

But then there were too many people, so Grandma Sun was too busy, so she could only hire some teachers and became the dean herself.

And when Qin Yuan saw Grandma Sun, he found that Grandma Sun was in the classroom, telling stories to the children vividly. Qin Yuan glanced at it and suddenly smiled.

Chapter 719: Hometown

As long as your relatives can live happily and happily, then it's not in vain to be born and die outside!

Soon Grandma Sun also discovered the existence of Qin Yuan, her eyes lit up, she rushed out, and slapped Qin Yuan on Qin Yuan's body, and said to him:

"You bastard! Why don't you hide here and don't talk! Go, hurry up and follow me into the house."

"Hey, I'm not looking at you at this happy time, so I dare not disturb you!"

At this time, I also showed a mischievous smile, and when she heard this, Grandma Sun gave Qin Yuan a little softly, and the last two people went directly into the house. Then Qin Yuan found that the surrounding environment had indeed changed. It's huge. Although I like to invest a lot of money, it is not as good as the people in the military district compound.

Afterwards, Qin Yuan also had some homework with grandmother grandmother. Sure enough, grandmother grandmother was always urging for a child who likes to hurry up, and then she can put the child here and she will watch.

And when he heard this, Qin Yuan showed a wry smile. In this case, how could he have a child?

So Qin Yuan quickly turned this topic to the other side, and quickly said something that the elderly loved to hear, and Grandma Sun also knew that Qin Yuan didn't want to talk about it now, so she turned to the other side.

And Qin Yuan checked Grandma Sun's body again, but was a little surprised to find that although Grandma Sun's body did not seem to have any problems on the surface, she seemed to have some mental symptoms. This time Qin Yuan was a little confused. Grandma Sun asked:

"Grandma grandma, do you have anything to worry about? If you feel tired, then I will give this orphanage to someone else, and you can take care of it directly!"

At this time, Qin Yuan thought that Grandma Sun had managed such a large orphanage, and she might be a little tired physically and mentally, so she hurriedly comforted Grandma Sun, but when she heard this, Grandma Sun stared and said to her like:

"What did you kid say? I'm so happy here, why did you let me retire?"

And Qin Yuan looked at Grandma Sun with some doubts. Since it wasn't because of this, what was it because of?

When Qin Yuan said this question, Grandma Sun was taken aback for a moment, then she glanced at Qin Yuan a little strangely, and said:

"You little-skinned monkey, the eyes are quite poisonous. Okay, I won't hide it from you. In fact, the old sister in my hometown told me two days ago that my family's ancestral grave was going to be moved. I haven't gone back to take a look. The changes at home have been great. Do you want to take this opportunity to go back and take a look."

When it came to this, Grandma Sun suddenly sighed, and Qin Yuan suddenly realized that it was because of this!

Qin Yuan knew that Grandma Sun had been out for more than 10 years, and she had been working in an orphanage for more than 10 years, and she became the director of the orphanage directly from a nurse.

Of course, the director of this orphanage is not an enviable position. After all, there is no one to fund the orphanage. Grandma Sun has always used her own money to support the development of the orphanage.

Later, it became better because of Qin Yuan!

For so many years, Grandma Sun has never returned. Now it is normal to miss her hometown after receiving a call from her family.

When I heard this, I liked to smile suddenly, and said directly to Grandma Sun:

"What's the problem? Since you want to go back, I'll take you back this time and have a look!"

"what?"

At this time, Grandma Sun was stunned. In fact, when she came out, she was not very happy. She had a lot of awkwardness with her family. Now she was asked to go back, and she was also a little entangled.

However, seeing Qin Yuan's eyes, Grandma Sun quickly made up her mind, patted her thigh, and said directly to Qin Yuan:

"Yes, this is a lot of age. If you don't go back, maybe you will run out of time! Besides, I brought such a great grandson home, how can those people dare not talk about me! Walk around, I'll be straightforward. Go pack things!"

Now that she had made up her mind, Grandma Sun was immediately excited. Actually speaking, Grandma Sun is not too old, but she has just reached 60 years old, and after many years of hard work, Grandma Sun's body is still strong.

Now that the knots have been cleared, Grandma Sun's movements are very fast, and she took some things casually, and then followed Qin Yuan into the car. Qin Yuan also smiled slightly when she saw Grandma Sun's appearance. He thought he should be well. Take care of the elderly, it is still very valuable to come back this time!

Soon Qin Yuan took his grandmother on the road. They bought a lot of special products here and wanted to go back to share with some of their old neighbors. After all, the current grandmother is not short of money, so it is natural to pay attention to etiquette.

Qin Yuan saw the same gaze from Grandma Sun, but he smiled slightly. It was obvious that this time Grandma Sun was going to have revenge, grievance, grievance, and gratitude!

But this has no effect on Qin Yuan, anyway, even if Grandma Sun offends someone, she can't be a big person.

But Qin Yuan didn't know the destination, so he quickly asked Grandma Sun:

"Grandma Sun, where exactly is your hometown?"

"Speaking of which you may not know, that name is Yuanshan Town, it's just a small place! If you don't know the road, you can search it on your computer!"

The grandmother at this time was also a little confused, after all, she had never taken her car home before, and she didn't know the way at all.

Yuanshan Town?

Hearing this name, I was stunned when I liked it. If it is someone else, I don't really know the place name, but Qin Yuan knows, isn't this the place where Zhuang Yan made the movie before?

Unexpectedly, Grandma Sun turned out to be from this place.

But Qin Yuan also smiled slightly, no matter where he was from, this didn't affect what Qin Yuan was going to do.

After all, Qin Yuan also knows that he has only one person, and it is impossible to do everything. So no matter what Zhuang Yan wants to do, just follow Zhuang Yan to do it. If you encounter one, then do a favor. If Just forget it.

"You are done, I will speed up!"

Qin Yuan smiled and stepped on the accelerator. The Qin Yuan super car is very fast, but Grandma Sun didn't notice anything, because this super car was extremely stable, and soon they were in the mountains. Town, and when she got off the car, Grandma Sun was extremely curious:

"Why did you arrive so soon?"

"Do you see this is your hometown!"

I like to speak directly to Grandma Sun, but Grandma Sun glanced around, but there was a trace of confusion in her eyes. To be honest, I haven't come back for more than 10 years. The whole town has undergone upheaval changes. Grandma Sun looked at it. It's really hard to see the traces of my previous life!

But soon, Grandma Sun found a familiar person, hurriedly greeted her, and said to this person:

"Wang Ju, are you Wang Ju?"

The aunt glanced at her grandmother with some doubts, but soon she showed an excited expression and directly replied:

"Are you Sun Xiulian?"

"It's me! It's me! I'm Xiulian!"

Grandma Sun was also extremely excited, and at this time the aunt was also extremely excited and said:

"Oh, I didn't expect you to come back, walk around, hurry up and go home with me!"

Looking at the two people, they walked toward home with great enthusiasm. Qin Yuan parked his car aside, and then took a large bag of things and followed them home, and then they arrived in a small alley. , This is Zhou Ting's home!

"Zhou Ting, Zhou Ting, hurry up to greet the guests, the grandmother who loved you most when I was a child is here!"

At this moment, the aunt greeted directly, and then from the room, a girl walked directly out of the room. The girl's face was a bit impatient, but after seeing grandma, she was taken aback, and then she was very surprised. Surprisedly said:

"Grandma Sun? Is it you? Is it you?"

"Hahaha, of course it's me. Isn't this Xiao Zhouting? I didn't expect that after so much time, she has grown into a big girl, oh oh, she is so handsome, she is really a big eighteen woman!"

At this time, grandma grandma looked at the girl with a smile on her face, but the girl named Zhou Ting, tears suddenly fell out, and said to grandma grandma:

"Grandma Sun, it's been 17 years, and you won't even call back. I want you to die!"

After that, the two people talked all the time, and Qin Yuan was listening. It turned out that this girl named Zhou Ting, although she was the granddaughter of this eldest aunt, had been with her grandmother since she was a child. After all, Zhou Ting's family are all Working outside, the child was taken care of by grandma!

So Zhou Ting has always remembered Grandma Sun from a young age. Although Grandma Sun has been away for so long, Zhou Ting has always been thinking of Grandma Sun. However, when she saw Qin Yuan on one side, Zhou Ting was a little curious. One sentence:

"I don't know who this big brother is?"

And hearing such words, Qin Yuan directly stretched out his hand and said to Zhou Ting:

"Hello, my name is like."

At this time, looking at this tall, handsome and heroic Qin Yuan, Zhou Ting blushed slightly, shook her hand lightly, and quickly took it back, while the aunt named Wang Ju on the side, Also quickly said:

"Hi, I will kill a chicken at noon today, let's have a meal together!"

"Oh, you don't need to spend so much money. Actually, let me come, just want to ask one thing, that is, my house and that ancestral grave, what happened?"

At this time, Grandma Sun asked casually. Upon hearing this, Zhou Ting had a meal with the aunt's body, and then she fell silent.

Seeing such a situation, Grandma Sun also noticed something was wrong, so he quickly said:

"Ah, don't worry, I'm not here to seek justice. In fact, I also have some money in my hands. I am not short of this money. When I come back, I just want to see the elderly at home and go to the grave with my ancestors. It doesn't mean anything else."

After hearing such words, the aunt named Wang Ju sighed softly and said directly to Grandma Sun:

"Sister Xiulian, if you have this kind of mentality, it is naturally the best. If you want to get that piece of land back, I am afraid it is impossible."

When she heard this, Grandma Sun frowned and asked Wang Ju:

"What? What happened to this?"

"Actually, we also moved. Our previous village has long disappeared. We sold it directly to the developers and built a building. But your family, because there is no one, was all sold!"

Wang Ju said directly to Zhou Ting, to be honest, that is, they were lucky. If they hadn't met Zhou Ting on the street, they wouldn't have met with him.

When she heard such words, Zhou Ting's face suddenly turned dark. She wanted to go back to her hometown to see, who knew that her hometown had been built into a building, but Zhou Ting also sighed and said directly:

"If this is the case, it doesn't matter. The house at home is not worth the money anyway. But did they arrange the graveyard in my hometown?"

"No, they just said they want to build a cemetery, but after so long, the cemetery has not been built. The house has already been sold. As long as our cemetery has not happened, so Every household can only invite all their ancestral tablets to their homes and enshrine them by themselves. Who knows when the cemetery can be built!"

Wang Ju sighed and said directly. On one side, Zhou Ting said angrily:

"I think those profiteers don't plan to do these jobs. After all, it has been so long. Who would take these things to heart!"

"Then, what about my family?"

At this time, Grandma Sun's body was trembling a little, and the house at home was occupied. How could anyone help to look at the graveyard?

"Don't worry about this. Although there is no one in your family, Old Man Wu, who is opposite, helps you clean up everything at home. Although I don't know what Old Man Wu is thinking about, he does help you. After all these things, I heard that the house demolition money seems to have been given to him!"

Wang Ju said ' and when she heard this, Grandma Sun immediately let go:

"It's okay, it's okay, people have paid so much effort for us, and they should be paid a little, oh, by the way, do you know where this brother Wu is? I want to see him now!"

"I know, I know, grandma grandma, let me take you there!"

Zhou Ting said with excitement at this time, and Wang Ju also said:

"That's OK, you can go to the old man Wu's house and have a look first, I'll cook for you!"

Then the group stood up directly, Qin Yuan said with a smile:

"Well, I'll go drive now."

But Wang Ju glanced at Qin Yuan, but said something weird:

"Sister, you are a great grandson, don't be angry for a while!"

Chapter 720: Gao Shiwei's phone

Grandma Sun was a little puzzled: "How can I be angry? People kindly packed up my stuff. It's too late to thank you. My grandson is a soldier and is very polite!"

Wang Ju was taken aback when he heard these three words as a soldier. He wanted to find an excuse to leave. At this time, Qin Yuan had already driven over.

Zhou Ting happily pulled Grandma Sun into the car, and Wang Ju had no choice but to follow. Soon after Zhou Ting's guidance, she got off the car and parked in front of a second-floor bungalow.

Wang Ju knocked on the door: "Old man Wu, are you at home?"

There was a sound of footsteps inside, but it was not Old Man Wu, but a fat man with a full face.

I opened the door and saw Zhou Ting, her eyes narrowed into a line of laughter: "Oh, Xiao Ting is here, and I also said that I happened to be back to find you and treat you to dinner."

Zhou Ting was a little disgusted, turned her head and didn't respond, but Wang Ju hurriedly said, "Dabin, it's okay. Zhou Ting is more introverted, don't mind."

Dabin saw that there were two people behind Zhou Ting. Among them, Qin Yuan was taller than him. Seeing that they were dressed from the city, he curled his lips with disdain. After thinking for a while, he might have seen Zhou Ting there. Let them in.

After Wang Ju explained his intention, Dabin lit a cigarette: "Zhedi, did you old lady come to ask for the demolition money?"

Qin Yuan frowned. Why did this kid speak so horizontally? The grandmother next to him patted Qin Yuan, not wanting Qin Yuan to clashed with others.

"Dabin, you have misunderstood. Your old man helped me clean up the tablets of the old house. I am very grateful. The demolition money is also used as a part of your care for my family's ancestral grave for so many years."

"Hehe, you still make sense!"

"This time we also want to move the ancestor's tablet back first. Where was my grandson's tablet before?"

"What? I didn't see any tablets. When I went there, there were some ragged furniture. Those rotten furniture had already been chopped and burnt!"

"What? The tablet is not there?" Grandma Sun stood up anxiously.

At this time, Zhou Ting quietly pulled Qin Yuan to the side. It turned out that she had seen the old man Wu take away the things from Grandma's house. The tablet was also there. This kid is a bully in the village. I guess she wanted to corrupt it. money.

At this time, Qin Yuan just walked to the door and saw that Grandma Sun was pushed by Dabin and almost fell. Qin Yuan stepped forward to support Grandma Sun.

Straight forward, a shoulder-crossing fell and Dabin fell to the ground: "Boy, apologize!"

Unexpectedly, this Dabin's mouth was quite stinky, and he cursed on the ground: "Damn, this old immortal has been talking next to me, and your kid is tired of life, dare to beat me!"

Qin Yuan didn't care about him, and directly punched Dabin's nose with a click, and the bridge of his nose was broken!

Wang Ju next to him hurriedly pulled his grandma: "Old sister, let him stop, this Dabin is not easy to provoke, alas, it's a trouble!"

"Qin Yuan, forget it, grandma is fine, don't fight."

Qin Yuan just let go of Dabin. At this time, Dabin was holding his bleeding nose: "Damn, there is no end to this. To tell you the truth, those broken tablets are already on fire!"

Grandma Sun turned black for a while and was a little unsteady. "What! Burned! The ancestors of the Sun family, I'm sorry for you!"

Qin Yuan directly rushed up and punched until Dabin stopped swearing, Qin Yuan had long been uncomfortable with this kid, and he looked arrogant when he entered the door.

"Oh, why are you so impulsive, this Wu Bin is a rascal in the village, and he walks sideways with a group of rogues in the village!"

Qin Yuan saw grandmother crying, his eyes were red, and asked Wang Ju and Zhou Ting to take grandmother home first, to see for himself how much trouble this kid could cause.

Others will be afraid, but he Qin Yuan is really not afraid. Then Wu Bin ran out and said he wanted someone to come, and Qin Yuan looked around with his hands behind his back.

At this time, hearing a banging sound from the side of the doghouse, Qin Yuan walked over and opened the door, turning out to be a scrawny old man.

"Ahem, boy, go quickly, this Wu Bin is a beast, don't get involved with this, you can't afford it!"

It seems that this should be the old man Wu. Qin Yuan asked carefully before realizing that at the time, old man Wu was kind enough to collect things for grandma. He didn't expect that Wu Bin was fancy demolition money, so he simply occupied the land of grandma's house.

Old man Wu was upright and upright for a lifetime and tried his best to dissuade him, but he was beaten and scolded for a while, and burned the tablets directly in front of him.

Qin Yuan comforted the old man Wu, and later he will clean up this unfilial and unfaithful garbage.

After a while, Wu Bin ran over with a group of people carrying clubs: "Damn, brothers, this is this kid, I will break his hands and feet for Lao Tzu!"

Qin Yuan dashed forward and kicked Wu Bin away. The person next to him raised the club and Qin Yuan punched the club to interrupt it. Within two minutes, more than a dozen people were brought down.

Qin Yuan picked up the iron chain that attached the old man Wu, slapped it directly on Wu Bin's body, with great strength, and instantly Wu Bin's skin broke.

Wu Bin kept screaming on the ground, Qin Yuan stepped on his back and struck a dozen chains in a row, "Bastard, remember, don't mess with people who shouldn't be offended!"

This time, Wu Bin was only out of breath, no more out of breath, and his voice trembled, "I, I know you are great, what do you call me? You have the ability, and you have the ability to find those black-hearted developers! Granny Sun's The ground is crushed by them! Ahem!"

Those on the ground who could run had already ran away, and two of those who could not run saw Qin Yuan coming over and kneeling on the ground begging for mercy.

Qin Yuan ignored it, and went straight out, surely to seek justice for Grandma Sun. The tablet is no longer there. Should the ancestral grave still exist, or go back to Zhou Ting and the others to ask.

Wu Bin sneered on the ground Yinyin: "I think you can fight, right? Let those developers take care of you, those people are much tougher than me!"

Seeing Qin Yuan came back safely, Grandma Sun was relieved. Although she knew Qin Yuan was very good, she was still worried about his injury.

Wang Ju was surprised to see Qin Yuan coming back, wondering if Wu Bin had changed his sex, Qin Yuan just said indifferently: "It's just a few **** that I took care of!"

Although Wang Ju was shocked, he was still a little worried, mainly because he was worried about implicating himself.

"Don't worry, Wu Bin won't be able to get out of bed for a month, so if there is something later, he can ask me Qin Yuan directly."

Qin Yuan still asked Grandma Sun's opinion. Grandma Sun felt that the house was worthless, but it didn't matter. They didn't want to care about them. The main thing is to go to the ancestral grave and find a new piece of land if possible.

Zhou Ting took the initiative to lead the way. Because the building was built over there and the road was built, Grandma Sun might not be able to find it for a while. Under Zhou Ting's leadership, the car passed the building and there was a graveyard on the hill behind the building.

"This group of developers can really do it, and some people live here. Isn't it possible that there are so many graves behind?"

"That's no way. The developers who bought the house here were also pitted by the developer, because the cemetery hasn't been built yet, so that's all."

At this time, Grandma Sun suddenly said: "No, my family's ancestral grave is not with everyone, it is close to the back of my old house."

Said that grandma found the place where the old house was previously under the guidance of Zhou Ting based on memory. It has become a parking lot and there is no graveyard at all.

The three people inquired about it. It turned out that there were some graves here, but the owner could not be found at the time, and there was no way to construct it. Because it was a burial in the past, the owner of the construction site lifted the coffin to the cremation site and said The bones of the corpse were all burned, and even if they were found by later generations, there would be ashes.

The security asked them to find Manager Liu, the person in charge here. Grandma Sun had no choice but to accept it. Fortunately, there were still ashes. This didn't affect it.

After finding Manager Liu, when they heard that they were looking for the ashes, they immediately said that they didn't know or who had passed it out. No one knew that the contractor could not be found for so many years.

The manager Liu looked dodgy and was very impatient. He sent Grandma Sun and the others to the Municipal Supervision Bureau. Qin Yuan knew that this was playing the ball.

Qin Yuan slapped the desk on the desk, Zhou Ting yelled in fright, and the marble desk fell apart with a crack.

"My grandma has a good temper, but I don't have such a good temper. If you don't tell the truth, you will be whatever the table is!"

The manager Liu was so frightened in a cold sweat that he hurriedly made a call, hung up the phone and stammered: "I'm very sorry, I called the former contractor, Aaron, and he said..."

"He said that in order to save money, he didn't take it to the crematorium and burned it in the wild!"

"What! After it burns, you say it!" Grandma Sun asked Manager Liu very anxiously.

Manager Liu shook his head, Qin Yuan grabbed the phone and dialed it, and the sound of washing mahjong came out over there.

"You burned the coffin back then, where are the ashes?"

"Bump! What, the ashes were spilled directly into the river next to it, what happened?"

Grandma Sun couldn't get up all the time. She had been operating the orphanage for so many years. She didn't expect that her ancestral grave was dug up by others, and she didn't know that her ancestor's bones were ruined by others at will.

Qin Yuan sent Zhou Ting and Grandma Sun back, and went directly to the contractor after asking the address. He didn't expect that the contractor would enjoy playing mahjong and go directly to the foot bath city to take a bath.

Qin Yuan rushed to the foot bath city, and the foreman was taking a bath with a group of people.

"Where is the miscellaneous boy, don't you know if this is my Long Brother's site, get out!"

Qin Yuan didn't talk nonsense, and started fighting all the way. These people weren't Qin Yuan's opponents at all. Qin Yuan looked for that Along, grabbed his hair and knocked directly on the bathtub next to him.

"Now sober up, you rubbish, you usually bully the people very much."

There was blood on that Along's head, "You are dead! My elder brother will come here right away. You can fight like this, right? My eldest brother is the national Sanda champion. I will let him kill you!"

Qin Yuan directly pressed Along into the bath, and repeated several times. This Along waved his hand and desperately begged for mercy.

At this moment a man in a gray suit rushed in with a bunch of thugs, "Fuck, who touched my brother."

Qin Yuan kicked Along away with a kick, and Qin Yuan jumped directly into the crowd to start the fight. The thugs were all lying on the ground in a short while. As for the man in the gray suit, Qin Yuan directly interrupted his right hand.

Those thugs trembled, and the man in front of him was too terrifying, there was no way to get close to him, and he flew out before he could see him clearly.

At this moment, Aaron is no longer arrogant, and his eyes are full of fear. According to their account, they burned it on the spot to save money. Some bones were not burned clean, and they were thrown into the moat. During that time, flooding I don't know where to go.

Because the fighting was too fierce, people outside called the police, and the police came in and saw that Qin Yuan had knocked down all these dozens of people alone.

"Hey, who are you! Don't move, raise your hand!"

Qin Yuan dipped a little water with his hand, and wrote a big "jun" in front of the mirror!

It turned out that this Qin Yuan was from the military department. The man in the gray suit kicked Aaron fiercely. "You fucking, it's all your fault, you got such a Hades!"

It was only after police investigations that Aaron was acting with the developer. In addition to forced demolition, embezzlement of public funds for demolition, gathering crowds for gambling and fighting, and other dozens of crimes.

The police also thanked Qin Yuan for helping them with this great help and seizing the criminal group.

After Qin Yuan came back and looked at Grandma Sun's red and swollen eyes, there was no way. Although he beat them for a while and sent them to prison, the ashes of Grandma Sun's family could not be recovered.

This Wang Ju has a big mouth. Everyone in the village knows that Grandma Sun's grandson, Qin Yuan, not only cleaned up the rogue Wu Bin in the village, but also cleaned up the bully who helped the developer to demolish.

When Grandma Sun and the others left, many people went out to send them off and praised Grandma Grandma for having a good grandson.

This is the only point of gratification to Grandma Sun, this time bringing Qin Yuan back is really right.

Grandma Sun let them go, but Qin Yuan was not so easy. After Qin Yuan and the others left, people discovered that the ancestral grave of the contractor Longge's family was completely ploughed overnight. The ashes of the ancestors are scattered everywhere.

Qin Yuan felt that grudges must be avenged, but Grandma Sun was too kind and didn't want her to know these things.

After returning to the military area, I called Long Xiaoyun again and found that the phone turned off unexpectedly, but think about the tasks given by the general military area are quite special, and shutdown is also common.

It was just that Gao Shiwei called Qin Yuan to the office, since he wanted Qin Yuan to be temporarily appointed as the captain of the Wolf Warriors team.

"Ah, why is this? Isn't Long Xiaoyun not coming back?"

"Qin Yuan, obedience is a soldier's bounden duty. There is no leader in the Wolf Warriors squad. Only you are very suitable for this position. With the red blood cell team, you can act together in the future!"

What else Qin Yuan wanted to say, Gao Shiwei asked him to hurry down and take everyone to train.

Fan Tianlei was not surprised to see Qin Yuan's appearance. The members of the Wolf Squad only knew that their captain was going to perform the task, and Qin Yuan could lead them. After all, he was so good, it would be good to change the training.
