

## Special Soldier 86

### Chapter 86: Darts

And Qin Yuan looked at Mu Qingmei, and said uneasily:

"It's okay, but the nose is a little itchy, maybe the weather is a bit dry."

Mu Qingmei didn't doubt anything, and after putting down the quilt for Qin Yuaner, he left the room.

"Then you have a good rest."

Mu Qingmei said to Qin Yuan, and then closed the door.

Seeing Mu Qingmei leaving, Qin Yuan was immediately relieved. Fortunately, his reaction was quick and he received the little cloth piece directly into his backpack.

But at this moment, Qin Yuan suddenly heard a beep.

"Ding Dong~ System recovery is successful, please select a skill!"

Qin Yuan was stunned for a while. He just wanted to hide the small piece of cloth temporarily, so he just recovered it?

But the three options in front of him appeared directly in front of Qin Yuan. At this time, Qin Yuan was both distressed and a little excited.

I feel distressed because I have lost a grid for no reason. I am excited because I don't know what skills this little cloth piece will give me!

"1, get world-class N clothing manufacturing skills!"

"2, get world-class \*\*\*\*\* technology!"

"3, get a world-class dysmenorrhea massage technique!"

Seeing these three options at this time, Qin Yuan was suddenly a little excited.

He didn't expect that this small piece of cloth could actually obtain these three skills for himself!

Needless to say, N clothing manufacturing technology, it is an artifact of making money. After all, only women and children are the easiest to make money in the world.

And this second technique to untie N clothes is very coquettish.

Qin Yuan has heard that some great gods can even pat the other person's shoulder to pull out the other person's underwear. This is more magical than magic.

But Qin Yuan does not need such skills. After all, if he dares to do this in the army, I am afraid that even Qin Yuan will have to be driven out!

So Qin Yuan directly chose the third item, this skill is fairly practical.

"Ding Dong, the host chooses successfully and gets a world-class dysmenorrhea massage technique!"

"Get a world-class dysmenorrhea massage technique, which can quickly relieve women's irregular menstruation, dysmenorrhea and other gynecological diseases."

At this time, with the sound of the system, a series of massage techniques suddenly appeared in Qin Yuan's mind.

"This is not bad!"

Qin Yuan murmured, but since all the underwear has been received into the grid, and a grid has been wasted, it is better to raise this skill to the top.

Thinking of this, Qin Yuan just got out of bed, and then touched the closet.

"I just want to upgrade my skills! I just want to upgrade my skills!"

Qin Yuan didn't know why, he was a little nervous.

I muttered a few words first.

This is how to open this closet.

Sure enough, after opening the closet, Qin Yuan saw a lot of colorful flowers!

Qin Yuan directly picked up a small piece of cloth, but his hands trembled a little. Unexpectedly, Mu Qingmei would have such a style.

And thinking about the way this small piece of cloth looks on Mu Qingmei, Qin Yuan's nose is hot again!

But Qin Yuan reacted very quickly, it won't work if this continues.

I quickly chose a few small pieces of cloth and stuffed them into his own space.

directly upgraded the world-class dysmenorrhea massage technique to the universe level!

Qin Yuan didn't read the description of the skill, he just lay on the bed, he must rest now!

Just in my mind, I can't help but think of Mu Qingmei wearing a small piece of cloth.

I don't know how long it took before Qin Yuan fell asleep!

While in his sleep, Qin Yuan dreamed of a person.

Although he could not see his face, Qin Yuan knew that it was Mu Qingmei.

And Mu flicked his body lightly.

there is only...

Just when Qin Yuan was immersed in a dream.

There was a knock on the door!

actually interrupted Qin Yuan's dream!

Qin Yuan woke up and found that it was morning, so he straightened up the bed with a carp.

After putting on the clothes, this is the door.

It was Mu Qingmei who stood at the door!

At this time, Mu Qingmei was a little panicked, looking at Qin Yuan and saying:

"It's getting late now, I think you should have gotten up, my mother has already cooked breakfast, you should go and eat some."

Qin Yuan also nodded, it is indeed late now, and it is time to get up according to the usual routine in the barracks.

"Well, I'll go eat something, there is still something to do today."

"Then I will help you clean up the room!"

Having said this, Mu Qingmei rushed directly into her boudoir.

The reason why Mu Qingmei is so anxious.

because she remembered it.

The last time I left home, I seemed to miss a piece of underwear on the bed.

There is nothing normally, but now Qin Yuan is lying on his bed. If this is discovered by him, what can he do?

Keeping this thought, Mu Qingmei quickly lifted the quilt, and finally found the piece of underwear under the bed sheet, and he was immediately relieved.

is so tightly hidden, it shouldn't be discovered by Qin Yuan.

Mu Qingmei planned to put this small piece of cloth in her closet, but when she opened the closet, Mu Qingmei was panicked. The position of the clothes in the closet seemed a bit wrong!

Thinking that these personal clothes were touched by Qin Yuan, might make Qin Yuan do something like this, Mu Qingmei's face suddenly looked like a hot red soldering iron. Piping hot.

But Mu Qingmei didn't feel very disgusted, but didn't think she knew how to face Qin Yuan.

"Then you can only pretend that it never happened!"

Mu light eyebrows hypnotized to herself, and then went straight out of the room.

After having breakfast at Mu's house, Qin Yuan and Mu Qingmei left.

After all, Qin Yuan's goal has been achieved now, and the kitten's grid has also been obtained. It is meaningless to continue on vacation. It is better to go back to the barracks with Mu Qingmei, just to send Mu Qingmei back on the way.

The two went on the road together, but along the way, Mu Qingmei looked at Qin Yuan with strange eyes.

At this time, the two were driving slowly on a small road, and Qin Yuan planned to visit Grandma Sun before leaving.

It's just that Mu Qingmei kept staring at Qin Yuan, and Qin Yuan felt that he made Mu Qingmei look a little hairy.

Although she moved Mu Qingmei's underwear, she put it back honestly, she wouldn't find it, right?

Mu Qingmei saw Qin Yuan's guilty conscience, and suddenly laughed haha.

And Qin Yuan heard Mu Qingmei's laugh, but he could only follow the silly smile twice. .

But at this moment, Qin Yuan's world-class spider induction was activated instantly, and his eyes suddenly became cold!

Qin Yuan clearly saw that a dart flew directly toward his throat!
