

Special Soldier 87

Chapter 87: suicide?

Qin Yuan's eyes suddenly shrank into wheat, and his nerve reaction speed was activated instantly!

brush!

The extremely fast dart, in Qin Yuan's eyes, suddenly seemed to have entered the water, advancing extremely slowly!

It takes at least half a second for a dart to fly over.

But Qin Yuan has seven times the nerve reaction speed. In terms of conversion, this dart in Qin Yuan's eyes needs at least 3.5 seconds!

Three and five seconds!

Even an ordinary person can hide away!

What's more, Qin Yuan, who has undergone many transformations!

Qin Yuan suddenly slapped the slap, and directly shot this dart to one side of the wall!

A dart stamped into the gap in the wall!

And on the dart, there was a trace of liquid flowing out!

is obviously poisoned!

A young man in the distance saw this well-planned blow, but he missed it. He panicked and fled!

Mu's light eyebrows also reacted instantly, just about to say something.

actually saw Qin Yuan next to him.

is like a wind.

jumped out of the car instantly!

chased after that person!

"Wait for me here, be careful!"

Hearing Qin Yuan's voice, Mu Qingmei nodded with an ugly expression!

took out his cell phone and dialed a call directly!

On Qin Yuan's side.

The speed of the person in front is very fast, and very strange, like a fish swimming in the water, very slippery!

He wanted to rely on the complicated terrain here and directly throw Qin Yuan away!

Unfortunately!

His effort was wasted!

Qin Yuan sneered and turned on the thermal imaging function directly!

This guy is exercising at high speed, and his body has a lot more calories than the people around him!

In Qin Yuan's infrared vision, it was very obvious!

This person hid in a corner and found that Qin Yuan hadn't caught up with him, and there was a burst of joy in his heart.

It seems that he has already dumped Qin Yuan!

took a long breath, this person just planned to leave, but suddenly saw a hand suddenly appear!

just grabbed his neck!

pressed him to the wall abruptly!

"It's a motor!"

This person suddenly screamed, Qin Yuan frowned when he heard what this guy said!

pinched the other's neck!

lifted this person up:

"Say! Who sent you here?"

Qin Yuan has sensed this guy's hostility towards him just now, this person is obviously here to kill him!

But except when performing tasks, I usually do not have grudges with others!

But after hearing this, there was a trace of madness in this person's eyes. Qin Yuan's eyes widened, his hand was hard, and the guy's jaw was suddenly crushed!

But it's still too late!

Seeing the blood spilling from the corner of this guy's mouth, his eyes turned pale.

Qin Yuan knew that this guy must have hidden poison in his teeth, so he committed suicide by taking poison, and the clue was broken.

Qin Yuan threw the assassin's body on the ground.

And this time.

Qin Yuan's cell phone rang.

Qin Yuan picked up the phone and took a look, and found that the caller was Fan Tianlei, and Qin Yuan directly connected the phone:

"Hey?"

Hearing Qin Yuan's voice, Fan Tianlei was also relieved. He just received a call from Mu Qingmei.

said that someone was assassinating Qin Yuan.

'S heart was suddenly caught.

"Qin Yuan, you are fine if you are fine!"

But Qin Yuan frowned and asked:

"There was a man who wanted to assassinate me just now. After I caught him, who knew he actually killed himself by taking poison!"

When the killer heard that the killer had committed suicide, Fan Tianlei's tone was also gloomy and said to Qin Yuan:

"It's all because I didn't remind you before. Didn't you catch Fatty Liu before? It is said that Fatty Liu will have contact with an international terrorist organization, the Black Dragon. We intend to get news of the Black Dragon Association from Fatty Liu, and our internal response has been checked. When I arrived, the people in the Black Dragon Club were extremely angry about the arrest of Fatty Liu, so they said they planned to take prison!"

"Jailbreak?"

Qin Yuan was sneered at once, in Yan Country, isn't the robbery a joke?

"I also think this thing is very incredible, but it is not easy for them to rescue Fatty Liu, but we estimate that they should kill Fatty Liu, and we plan to use Fatty Liu as a bait to attract each other, so we release News."

At this point, Fan Tianlei said to Qin Yuan with a little guilt:

"Who knew that they hadn't done anything to Fatty Liu yet, but they focused on you first. This is my mistake. I didn't notify you!"

Qin Yuan recalled that when he asked for leave and left, Fan Tianlei seemed to be hesitant to speak.

But Qin Yuan also understood that this was not Fan Tianlei's fault. After all, he wanted to take a leave of absence. Even if Fan Tianlei reminded himself, these assassins would still be assassinated.

"It's okay. Fortunately, I am not injured. I will send you a position. You can dispose of this corpse."

After , Qin Yuan directly hung up the phone. At this time, Mu Qingmei also found Qin Yuan in a jeep, looked at the corpse on the ground, and asked Qin Yuan worriedly:

"Are you not hurt?"

"It's okay, this guy committed suicide by taking poison, and he didn't make any resistance."

Qin Yuan remembered the three Fusang swordsmen when he arrested Fatty Liu before, and this assassin also uttered a Fusang language just now, obviously all Fusang people.

"Black Dragon Club..."

Qin Yuan murmured, but at this time, Qin Yuan heard it, and there was a sound from the system:

"Ding Dong, post a mission to completely eradicate the Black Dragon Society, and reward ten grids!"

Hearing this task, Qin Yuan's mouth suddenly showed a sneer. Since the Black Dragon Society is staring at him, then he will simply kill the people of the Black Dragon Society!

But Qin Yuan also knew that the people of the Black Dragon Club were huge and powerful, and it would not be that simple to achieve this goal.

"Huh, it's still a long time!"

Qin Yuan said lightly, and then planned to leave with Mu Qingmei.

But Mu Qingmei said to Qin Yuan:

"If you have anything to do, go first. Put this corpse here. It won't be good if you let others see it. I'll wait for the golden eagle to bring someone over."

"Well, be careful!"

Qin Yuan nodded. He does have other things to do today, so he can't wait here.

But Qin Yuan didn't worry about Mu Qingmei's safety. This assassin was obviously fighting alone. Since this assassin was dead, others would definitely not continue to take action after receiving the news. .

"Well, you should also be careful when driving on the road."

Hearing this, Qin Yuan also smiled slightly, then got into the jeep and left here.
