

Special Soldier 95

Chapter 95: New Special Forces (7)

But before Murata had time to be happy, a bullet directly penetrated Murata's head!

Murata's eyes were filled with amazement. Why, this bullet didn't hit Qin Yuan, but hit himself?

Has that guy Nakamura betrayed?

Unfortunately, Murata will never be able to figure out the truth!

Qin Yuan then walked to the front of the jeep, and looked at Murata's staring eyes with a sneer.

Qin Yuan killed a gunman before he came.

So Qin Yuan aimed the gun at a position and put it on the opposite roof!

He got a pistol and two mobile phones from Nakamura's hands.

And Qin Yuan set up a small device to connect a mobile phone to the trigger of the gun, while the other mobile phone was hung on the jeep.

The poker card that Qin Yuan used just now is not to scare Murata, but to make the set mobile phone call another mobile phone number!

As the call is connected, the phone on the opposite side will inevitably tremble, and then it will fall down. Pull the trigger directly, and the gun will shoot towards Qin Yuan's predetermined position!

This is the insurance Qin Yuan prepared for himself!

also blamed this guy, he just stood at the aiming point Qin Yuan had prepared, even Qin Yuan didn't even bother to make him move.

"Ding Dong~ The host completes the task and gets two grids!"

Qin Yuan suddenly smiled when he heard the voice in his mind, and when he saw that these bad guys were already dead, the small carrot heads around him also rushed towards Qin Yuan:

"Brother Qin Yuan!"

"Brother Qin Yuan!"

And Qin Yuan also picked up these little turnips. He must have been frightened to see such a cruel fight at a young age!

After , Qin Yuan stood in front of grandma with a look of guilt, and said to grandma:

"Grandma, I'm sorry, they all came for me, I caused trouble to the orphanage!"

But Grandma Sun said to Qin Yuan with a smile on her face:

"What are you talking about? You are not doing bad things. These people are bad guys at first sight. I heard them say that you killed one of their little heads, so they are here to retaliate against you, bad guys like this. , The more you kill, the better!"

Although Grandma Sun was scared enough, she knew that this was not Qin Yuan's fault.

Qin Yuan was also relieved when he heard what grandma said. If grandma really reprimanded himself, then Qin Yuan really couldn't refute it.

Fortunately, Grandma Sun understood herself, which caused a big rock in Qin Yuan's heart to fall.

At this time, Qin Yuan took out a cell phone from a corpse, and then called Fan Tianlei.

After Fan Tianlei connected Qin Yuan's phone at this time, he quickly said to Qin Yuan:

"Qin Yuan, where have you been? Do you know that your current situation is very dangerous? Those people seem to be dealing with you. I tell you, you must not be impulsive!"

No wonder Fan Tianlei was so anxious, but he finally found a good seed, who can become the trump card of the entire military region and even the Yan Nation special forces. If he died so easily, then he would really be heartbroken!

And Qin Yuan heard Fan Tianlei's anxious words, but said softly:

"I've killed all those people. Send someone over and take away the bodies of these people! It's better to send some doctors over. My younger brothers and sisters and grandma are all scared. Give them a good deal. Do psychological counseling."

"what?"

At this time, Fan Tianlei was stunned when he heard such words.

And there are still so many hostages!

Is this guy a human?

Soon, Fan Tianlei found this place following Qin Yuan's orders.

Then Qin Yuan took Grandma Sun and others to the hospital, planning to take a good check to see if they had any other injuries.

At this time, looking at the corpses all over the floor, Fan Tianlei took a breath.

As a veteran, he can naturally see that Qin Yuan really relied on one person to kill these people.

It's just that weird muzzle on the ground, but it makes Fan Tianlei a little puzzled. Qin Yuan is only one person, how did he make the distant gun fire?

Then Fan Tianlei followed the muzzle and directly found the roof of the opposite building. Looking at Qin Yuan's arrangement, Fan Tianlei was completely convinced.

"Thoughts are meticulous, powerful, and wise, I really can't think of how to deal with such a person!"

Chen Shanming saw Qin Yuan's arrangement, and the admiration in his heart was almost impossible to describe in words.

He admires Qin Yuan to death. If he is strong, he can also be said to rely on talent, but how does his mind come up with this?

Fan Tianlei also nodded, and said directly to Chen Shanming:

"It seems that we have to protect Qin Yuan well. This time, we absolutely can't do it for the second time. Since Qin Yuan is our hero, we must protect Qin Yuan's back. I will discuss it with the military area. , Let that orphanage move directly to the military area, I don't believe it, those people can go directly to the military area to grab people!"

Fan Tianlei's words are loud and loud!

Then Fan Tianlei told Qin Yuan about this matter, and Qin Yuan naturally supported this matter incomparably. If the orphanage moved to a safe place, then he would have no worries at all.

In the next few days, Qin Yuan has been dealing with the relocation of the orphanage. He is also crisis-conscious, and such a thing must never happen the second time!

And this time, Qin Yuan didn't have to hide, but directly borrowed the name of the military region and spent a lot of money to build a new orphanage!

The little radish heads at this moment are all smiling, they don't have to live in poverty anymore!

And while Qin Yuan was playing with his younger siblings, he suddenly received a call from Fan Tianlei:

"Qin Yuan, now the orphanage is almost complete, I have formed a special warfare team, are you interested in coming over and taking a look?"

"The new special team? What is its name?"

Qin Yuan heard this, suddenly became interested, and he had a guess in his heart!

"Red blood cells!"

A smile appeared on Qin Yuan's face when he heard such words.

This he is naturally going to participate, and at this time Qin Yuan's mind also sounded a prompt:

"Ding Dong, post the task, join the red blood cell team, and reward a grid!"

After hearing the system prompt, Qin Yuan's confidence was strengthened, and he said directly to the phone:

"Wait for me, I will be there soon!"

"Oh, this is not necessary, I am already at the entrance of the orphanage!"

Qin Yuan heard this, suddenly walked out of the house, looked up at the sky, a helicopter was hovering, and someone on it was greeting him, it was not the golden eagle!
