“Qin Yuan.”

“Don’t mind what the commander of the 9th company said.” Kang Lei said as he looked at Qin Yuan.

“I’m fine! Regiment commander! We’ll head back first.”

“Those brats from the logistics company are still waiting for me to go back and “enjoy life”!”

“Alright! Then you guys can go back first!”

“Geng Hu, go back with your company commander!”

After the regiment commander finished speaking, Qin Yuan turned around and walked out of the regiment commander’s office.

Geng Hu also followed closely behind Qin Yuan and Zhou Qing.

“Commander Qin! Why did you stop me just now? I’ve long wanted to beat up that guy from the 9th company!”

“Old Zhou! Why are you being anxious!”

“It’s been so many years, what’re a few more months! We’ll deal with them when the time comes!”

“Ugh! It’s really f*cking infuriating.”

After that, the two of them walked toward the Jeep.

“Geng Hu, get in the car!”

Qin Yuan said as he looked at Geng Hu, who was following behind him with a bruised face.

“Where to? Go to your place to rear pigs? Then I won’t go.”

Geng Hu looked at Qin Yuan, who was about the same age as him, and said with disdain.

“Not going?” Qin Yuan squinted his eyes and looked at him.

Geng Hu stood there, looking at the coldness in Qin Yuan’s eyes. He felt a chill down his spine.

He knew that Qin Yuan was definitely a ruthless person.

Before he entered the Army, he was the city’s fighting champion.

He had fought in no less than a hundred big and small arena matches.

His intuition told him that the Qin Yuan in front of him was definitely stronger than those company commanders in the regiment commander’s office just now!

He even dared to fight with those company commanders!

However, for some reason, he felt a little afraid when he looked at Qin Yuan.

However, Qin Yuan was too young, so he could not figure out Qin Yuan’s strength.

Before that, he would never provoke Qin Yuan.

Then, he unwillingly opened the car door and got into the back seat of the Jeep.

In the car, Qin Yuan didn’t say much. He seemed to be thinking about something.

About an hour later, Qin Yuan and the rest returned to the logistics company’s encampment.

At this moment!

Liu Ye, who was at the training ground, saw Qin Yuan and the others get off the car with a private and walked towards them.

“Captain! Old Zhou! You guys are back! Did the leader call you over for something?”

“Don’t even talk about it! It’s all because of him!” Zhou Qing glared at Geng Hu.

At this time, Liu Ye was also sizing up Geng Hu, whose face was bruised.

“This soldier looks pretty good!”

“He’s definitely very fit. Why are you still frowning, Old Zhou? ”

“We haven’t received such good soldiers in many years.”

“He’s not bad. He beat up the platoon leader and sent him to the hospital. He even smashed their company commander’s office!”

“So the Regiment commander got the company commanders of the 2nd and 3rd battalions to go and get him.”

“Who knew that guy from the 9th company’s mouth would be as if he had eaten sh*t!”

“If it wasn’t for commander Qin stopping me, I would have definitely given him a good beating.”

“I wanted to beat up that guy from 9th company long ago! Company commander, why did you stop Old Zhou?” Liu Ye said angrily.

Qin Yuan looked at the two of them. It seemed that these two had suffered a lot over the years.

“Don’t say anymore. Train well. There are only a few months left!”

“When the time comes, we’ll show them that our logistics company isn’t a place they can enter as they please.”

“Deputy company commander, please make arrangements for Geng Hu!” Qin Yuan continued,

“Alright,” he said.

“2nd platoon leader! Come over here for a moment!”

At this moment! Liu Ye shouted at Zheng Xiaohu in the distance.

“Deputy company commander! What’s the matter?”

“In the future! He’ll be in the 2nd platoon!”

“Yes!”

“Take him to put his luggage!”

“Alright!”

With that, Zheng Xiaohu brought Geng Hu to the soldier’s dormitory.

“Who’s that person who came with the company commander?”

“Who else could it be? He’s definitely a soldier that the other companies don’t want!”

“But look at that big guy. He must be very fit. Why would they let someone like him go?”

“Maybe he’s just a big stupid guy! His head got caught in the door or something.”

“It is! Otherwise, why would he be assigned to our logistics company?”

Not far away!

The other soldiers of the logistics company looked at Geng Hu, who had come with Qin Yuan and the others, and were curiously discussing among themselves.

Zhou Qing looked at Geng Hu, who was a distance away and asked Qin Yuan.

“Commander Qin! How are you going to discipline Geng Hu? He’s just a soldier with thorns!”

“How? You’ll know tonight!”

Liu Ye was confused at this time. He did not know how Qin Yuan would deal with such a soldier.

“Alright! It’s a rare day off!”

“Let’s go, Deputy company commander Liu. Shall we go to your place to redeem the bet?” Qin Yuan said to Liu Ye.

“Hahaha! Alright!”

“Let’s go to my place. I’ll get some side dishes.”

After that, the three of them walked toward Liu Ye’s dormitory.

At this time, the outside of the camp was already shrouded in darkness.

It was already two o’clock in the morning when the three of them walked out of Liu Ye’s place.

“Commander Qin, are we still training tonight?” Zhou Qing asked.

“We’ll change the training method tonight. Don’t you guys want to see it?”

“Change the training method?”

Zhou Qing and Chen Fan looked at each other in confusion.

Then, Liu Ye ran to sound the alarm.

Then, a long alarm sounded.

The entire logistics company’s gathered more efficiently than before.

In the past two days.

Everyone had basically slowly gotten used to Qin Yuan's training, so it was impossible for them to have a good night's sleep.

Two minutes later, the entire logistics company had gathered and were standing neatly on the training ground.

"Reporting, company commander. All the soldiers of the logistics company have gathered."

The second platoon leader, Zheng Xiaohu, reported to Qin Yuan.

At this moment!

Geng Hu, who had just arrived at the logistics company, was also shocked to see the speed at which the entire logistics company gathered.

"Isn't it said that the logistics company is a place where cowards gather?"

"This speed is much faster than the previous company I was at."

"Could it be that what they said was all fake?"

Geng Hu was also puzzled and asked curiously.

"Good! Brothers of the logistics company, our logistics company has welcomed a new comrade today!"

"Geng Hu, come up!" Qin Yuan shouted at Geng Hu.

Geng Hu walked out of the group slowly.

"Come, introduce yourself!"

"Hello, everyone! I'm Geng Hu! I was in the 1st Battalion, 2nd company."

After that, Geng Hu stopped talking.

"Good! From today onwards, everyone should give our new comrade a proper welcome!"

"Reporting! Company commander! What do you mean by a proper welcome?" One of the soldiers in the team quickly asked.

"How should we welcome him properly?"

Qin Yuan looked at Geng Hu and shouted, "Now, everyone, listen to my command. All of you beat him up!"

"What?"

"What?"
