Chapter 21: Then Get Away

Evelyn Curtis did not want to bring up the events of that night.

But to figure out Sophie Allen's situation, she had to ask clearly.

"No." Sophie Allen shook her head softly.

She simply stated, "Emily Allen showed me their photos."

Thinking of those ambiguously intimate photos, Sophie Allen couldn't help laughing at herself.

Those photos left a great impact on her, but the video shot in the apartment yesterday was even more staggering and shocking.

"Your stepsister really has no shame, how could she seduce your boyfriend!" Evelyn Curtis verbally reprimanded, but she was actually gloating inside.

Justin Battleson was snatched away by herself, the boyfriend was also snatched away by the sister...

How miserable Sophie Allen is indeed!

"I won't let them get away with this." Sophie Allen clenched her fists, a determination radiating from the depths of her eyes.

Evelyn Curtis thought she was all talk and falsely agreed, "Mhm, don't show them a good face."

Sophie Allen silently looked out the window, her expression faint.

Evelyn Curtis had ten thousand worries in her heart, she tentatively asked, "Charlotte, do you have any plans to find out who that man is?"

"However, the hotel's surveillance is broken, and the registration information was destroyed, otherwise I could help you look it up."

Sophie Allen snapped back to reality, her dry lips parted, "Right now, I just want to take care of Aunt Watson properly, I don't want to think about anything else."

With her assurance, Evelyn Curtis's eyes brightened, she suppressed her excitement, held Sophie Allen's hand, and comforted, "Yes, treating Aunt Watson's illness is more important."

After a few more chats, Evelyn Curtis found an excuse to leave.

Sophie Allen returned to the ward, and Henry Hudson happened to be there.

"Senior."

Henry Hudson turned around, smiling gently, "Charlotte, you're back."

"I heard from Aunt Watson that your friend also came to Emperor City. It's good for you to go out and take a walk. Aunt Watson's condition is quite stable, don't worry too much."

Sophie Allen gratefully nodded.

Just then, her cell phone suddenly rang. Picking it up, she didn't expect it to be a call from Ryan Richard.

"Senior, I'm going out to take a call."

Sophie Allen hurriedly went out, looking at the caller ID on the screen - Boyfriend.

So many things have happened lately, she even forgot to change this note.

Sophie Allen swiped open the screen, put the phone to her ear, and icily said, "Ryan Richard, what else do you want to say?"

"Charlotte, I'm telling you, the perfume is going to be on the market soon. If you dare to kick up a fuss, I can't spare you!" Ryan Richard was still hurt, talking through gritted teeth was a bit hard.

"So, you didn't dare to tell Emily Allen about the video?" Sophie Allen smirked, her eyes full of coldness.

"Shut up!" Ryan Richard gasped.

He looked down at the tightly bandaged area, if Emily Allen knew about Jessica Taylor's incident, he wouldn't probably be able to stand ever again.

"Charlotte, what's your price?" Ryan Richard ruffled his hair and said, "I'll buy the video and the perfume formula from you, name your price!"

"One billion, can you afford it?" Sophie Allen chuckled.

Ryan Richard shouted in frustration, "Are you robbing me? Charlotte, how could I have not noticed you're such a vicious woman? Even if the entire Richard Corporation was sold, it wouldn't be worth one billion!"

"Then get lost." Sophie Allen hung up the call, blocked the caller's number.

She really didn't want to say another word to this kind of man.

Just about to lock the screen, a "ding" sounded.

She received a new text message:
