

Star of Space 122

Chapter 122 You can actually say she's not fat!

Could it be that the little girl is like this too?

"You're afraid of heights." Lin Caisang glared at him angrily.

"Then what are you..."

"I'm afraid of getting fat, is that okay?" Ya Molian said without giving her a chance to speak.

Don't even look at her figure. She is out of breath even if she walks for a long time. If someone pinches her waist and carries her for so long, and she has her face scratched by the cold wind, she will get sick even if she is not sick. ,OK?

"Well."

Ya Molian's mouth twitched and she stopped talking. She just looked her up and down and frowned.

"You don't look fat, you seem to have lost some weight recently.

Lin Caisang: "!!!"

What does it mean to lose some weight? It's obviously her weight loss that is effective, okay?

Also, Yamolian, are you a fool? Or do you have bad eyesight? What does it mean to not be fat? Didn't you hear that the little girls in the village secretly called her "Little Fat Girl" behind her back?

Even when she disliked him, he could still say that she wasn't fat!

"You mean, you are too thin? You will fall down at any time if the wind blows?" She asked him, raising her eyebrows with blazing fire in her eyes.

"Uh, this..." Ya Molian was speechless for a moment.

"Yueyaji is just ahead. Do you want to go to the bank to exchange some copper coins? It's easy to spend money at home.

Quickly change the topic. It's better not to get stuck on this point. If you get attacked by this girl later, you'll be ruined.

"No, there are some medicinal materials left after selling them last time. It's still enough. If you don't have enough, come back and exchange them. I don't want to put too many copper coins at home." Lin Caisang shook his head and said

At the moment, the Menghuang Mountain is being reclaimed, and it is a time when there is a lot of trouble at home. Who knows what will happen if you put too much money. It will definitely attract the attention of thieves, and she does not want to take this risk.

Also, she wanted to go to the bank to exchange the gold tickets for gold while Ya Molian was away, or exchange them for silver notes and keep them.

This way you don't have to worry too much when you want to spend it.

...

There were only three days in Yacun, and nothing changed on Menghuang Mountain.

It was getting late, and when they saw Lin Caisang coming back and being sent back by Ya Molian, the Lin family breathed a sigh of relief. Lin Lu quickly came up to greet her and looked at her granddaughter carefully from head to toe.

"Sangsang, you are back. You have worried me and your grandpa these past few days."

"Grandma, I'm fine. Brother Mo Lian is here with me. I have to thank him properly." Lin Caisang smiled, put down the bamboo basket on his back, and glanced at Ya Mo Lian.

"I went outside. After searching for a long time, I couldn't find any medicinal materials. It was a waste of time."

"What a waste of time, as long as the person is fine, it will be fine." Lin Lu said before looking at Ya Molian.

"Mo Lian, it's all thanks to you this time. This girl Sangsang is so bold and dares to do anything. If it weren't for anyone, she wouldn't have worried us to death."

"Grandma Lu, you're welcome, this is what I should do." Ya Molian said.

"Sit down and eat when you come back. Mo Lian will also sit down and eat before going back." Seeing his granddaughter come back, Lin Laojiang felt relieved and smiled as he invited Ya Mo Lian to eat together.

"Sang Sang, come here too and sit next to Grandpa."

"OK."

Lin Caisang ran over and sat down at the table, picked up the chopsticks, took a bite of food and put it into his mouth.

"Yeah, it's delicious. I haven't eaten such delicious food in a few days."

As he said that, he raised his eyebrows and glanced at Ya Molian who had just sat down opposite him. Although the food he cooked was delicious, when he got home, he naturally wanted to make his family happy, right?
