Chapter 128 Stop pestering me

"I....."

"Hey, isn't this cousin Changfeng? What's the matter? The family has become rich, and all the money has been spent in the study?"

Just as Lin Changfeng was about to say that he still had ink at home and could still use it, he heard a sharp female voice coming from outside the door. When he turned around to look, he saw a man and a woman walking outside. Come in.

At the same time, Lin Caisang's pupils shrank when he saw them.

"Liu Yushui, you-"

Lin Changfeng became angry when he saw Liu Yushui. This woman was a disaster, and he was not such a shameless cousin.

However, it was difficult for him, who was full of scholarly spirit, to be like Liu Yushui, who was full of vitriolic words. Lin Caisang did not give him this opportunity.

"Brother Changfeng, why bother with such a person? It's beneath your status." Lin Caisang said lightly.

However, she didn't expect that Zhou Liang was still such an infatuated person. The Zhou family and the Liu family were about to have a falling out, and the two people were still so tired of being together that they could go out to visit the study in a leisurely manner.

"Lin Caisang, I told you a long time ago, stop pestering me. You are really despicable. You even came to the county town to find me. I have never seen such a despicable woman like you!"

Zhou Liang glanced at Lin Caisang with his squid-like eyes, his face full of disdain and contempt.

"No matter how hard you chase me, I will never marry you, and even if you don't look at your fat body, whoever marries you will be unlucky for eight lifetimes!"

Lin Caisang: "..."

She has only had bad luck for eight lifetimes, okay? You can meet this scumbag whenever you go to a bookstore. By the way, Zhou Liang, which one of your eyes saw that I came here after you?

Lin Changfeng: "!!!"

Zhou Liang, are you blind? They were the ones who entered the bookstore first, and they had already been chatting with the boss for a while.

If his sister hadn't hugged him and prevented him from talking, he would have had to...

Ya Molian: "???"

Have you suffered eight lifetimes of bad luck? Not necessarily?

"Zhou Xiucan, are you saying the opposite?"

Lin Caisang grinned and stared at Zhou Liang lightly.

"What do you mean I'm chasing you? It's obviously you who came after me, isn't it?"

"You...Lin Caisang, what are you talking about?" Zhou Liangjun blushed and was so angry that he almost vomited blood.

He will chase Lin Caisang, a fat pig. What a joke, all the women in the world are dead, and he will not fall in love with Lin Caisang!

"Am I talking nonsense?"

Lin Caisang raised his finger and pointed at himself, with a look of surprise on his face, and glanced at the other people in the bookstore.

"Everyone here can prove to me that my cousin, I, and Brother Mo Lian have been here for a while, but you just came here. Didn't you come in on purpose just to see me here? Well ?

Oh, maybe Zhou Xiucan is here to buy something too. That's a good feeling. Boss, your business is here. "

"you--"

Zhou Liang had a bad breath stuck in his throat. He didn't admit it, nor did he admit it.

He has been very tight recently. Because of Liu Yushui's incident, his parents have cut off his expenses and told him not to go out to cause trouble anymore. How can he have any spare money to buy books now? He can't even eat a bowl of wontons on the street. You have to weigh everything.

And all this is thanks to the man next to Lin Caisang!

He glanced at Ya Molian with cannibalistic eyes, but the latter looked back with a dull look as if nothing happened.

"Zhou Xiucan, what's wrong?"
