

Star of Space 150

Chapter 150 The mouse got into my room

Put the top one on the table, and then look at the bottom one. Looking at each one, it turned out to be a very coherent scene. It was the scene when he first appeared in front of the little girl in Hongling Town. .

"Little girl, if you try to gag me with treasure, it won't offset your sin of slandering me."

The corners of her lips were slightly raised, and she carefully folded and rolled up a few pieces of paper, and then tied them with red thread. Lin Changhong's words echoed in her ears again. The little girl wanted to stay away from him. Did she ask him if he agreed?

"Palace Master..."

Ban Jue came out of the darkness.

"Go and prepare a box." Looking at the painting in his hand, Ya Molian ordered.

Ban Jue naturally understood what his palace master meant and immediately responded, "Yes, I will do it now."

...

Maybe he expected something, Lin Caisang, who had told his eldest brother to send paintings, did not enter the Jinzhu Space, but just lay on the bed and closed his eyes to rest.

These days were very busy and I was really tired. After a while, I fell asleep in a daze.

Vaguely, as if something was weighing her down, she was startled and suddenly woke up. Sure enough, she saw the dark figure sitting on the edge of her bed.

"Ah...um!"

Fortunately, he covered his mouth in time to prevent himself from screaming to everyone in Ya Village.

"You, you... why are you here again!"

She was almost frightened into incoherence. This guy was like a ghost. She didn't even feel him coming in. He just sat on the edge of her bed. She was so frightened that her face turned pale and her whole body became weak.

"So unafraid?"

She heard Ya Molian's joking voice. The dark environment made it difficult for her to see his expression clearly, but she could guess that he must despise her.

"Nonsense, let me come to your room in the middle of the night and try to scare you?"

She breathed a sigh of relief, rolled her eyes secretly, patted her chest and asked him.

Who wouldn't be frightened if they saw a dark figure sitting next to their bed late at night? She was already very smart if she could think of this person in time as Ya Molian.

"Welcome." Yamo Lian curled her lips and said.

"What?"

Lin Caisang blinked, wondering if he hadn't heard clearly. What he said was - welcome?

"You..." Did you hit your head somewhere and become stupid?

She wanted to ask this, but before she could say anything, she heard footsteps in the yard, and then there was a knock on her door.

"Sangsang, was it you who shouted just now?"

The one who spoke was Lin Changhong. His room was next door to his, and he could hear even the slightest movement.

"Well!"

Lin Caisang quickly covered her mouth. At this moment, she definitely wanted to cut Yamolian into eighty pieces!

"Yes, brother, I had a dream just now. I dreamed that an extra-large mouse got into my room. It's okay now."

The extra-large mouse Yamolian beside the bed said: "..."

He reached out and pinched Lin Caisang's chubby face in retaliation as punishment.

"It's okay, Sangsang, I'm right next door to you, don't be afraid." Lin Changhong comforted him outside the door and went back to his room.

"Young girl, you know how to tell lies. Where did you learn that?"

When the air became quiet again and it was certain that Lin Changhong would not come out to scare people again, Ya Molian asked.

"intrinsic."

Lin Caisang replied to him angrily.

Why don't you lie at this time and tell people outside that a big-tailed wolf broke into her room? She came in through the window. Aren't you afraid that people in the village would soak her in the pig cage?
