

Star of Space 163

Chapter 163 Let's break up our friendship!

Ya Molian said.

Lin Caisang: "..."

Liu Qingshui was obviously a person who had been wronged, and was suddenly turned into a fugitive by his mother. Liu Qingshui was really unfair!

She laughed unkindly. Liu Qingshui had always been against her and bullied her because of his sister Liu Yushui. In her opinion, everything he was suffering now was nothing more than a mistake. It's just repayment.

"Where is Liu Qingshui now?" she asked.

"In the Liu family." Ya Molian said.

Lin Caisang: "!!!"

She admired Liu Rumei's brain structure. Even at this time, she still hid her son by her side. She thought Liu Qingshui was not killed by her, so her life was too great, right?

"Little Sangzi, I'm going up to the mountain today. What do you want to eat? Can I hunt it for you?"

Just when Lin Caisang was thinking about things about the Liu family, she suddenly heard Ya Molian's voice. What she said made her... speechless.

"Go away, I don't want to talk to you." She rolled her eyes at Ya Molian angrily and cursed.

Ever since she signed the 'Deed of Prostitution', I don't know if Yamo Lian just sent this and that to her house just to please her grandpa and grandma. The most common gifts were pheasants and hares. of.

Then, every time she looked at a table full of delicious dishes, she didn't know where to start. She was so angry that she grinded her teeth. Didn't this guy know that she was at the most critical moment?

Lose weight! This was an important task that would only happen if it failed, and yet he still tempted her with so many delicacies!

Just like now, there was a plate of sweet-scented osmanthus cake in front of her. Did he know how much perseverance she had to have to resist reaching out and eating a piece? ! I just want to make her vomit blood!

"Don't you want to eat it? How about we go to the bamboo house, and I'll roast chicken for you, and spread it with honey like you said last time..." Yamo Lian saw that she didn't want to talk to her and said again.

But before he could finish his words, she gave him a sharp look.

"What's wrong?" he asked innocently.

"You can eat it if you like, it's none of my business, and I don't want to eat it either!" Lin Caisang said through gritted teeth.

She goes to the Jinzhu Space every night and runs three times around a mountain in the Jinzhu Space. She also does frog jumps, sit-ups and so on. It's easy to lose weight by exercising every day!

You're still making sarcastic remarks here!

"Why don't you want to eat? Last time you..."

"Don't eat!"

Lin Caisang interrupted him. It was her fault last time. She couldn't help but eat barbecue. Now she wants to become a Buddha and exclude all high-calorie foods!

"I'm telling you, if you tempt me with those things again, we will... break off our relationship!"

Ya Molian: "!!!"

He thought that everyone would like delicious food, just like Lin Changhong, who was busy working in Menghuang Mountain these days, and never forgot to go to the mountain to collect some game for the tooth ceremony. He also saw that his future brother-in-law was working too hard, so he sent some to him. .

But why does it happen that the more frequently he delivers, the more Sangzi wants to eat him?

"Xiao Sangzi, are you still... losing weight?" he asked softly.

"if not?"

Lin Caisang gave him a "knowingly asking" look and asked.

"Xiao Sangzi, you have lost a lot of weight in less than a month. No matter how important it is to lose weight, you can't damage your body. You can't do this without eating or drinking." Hearing her words, Ya Molian looked disapproving. .
