

Star of Space 166

Chapter 166 That person is Lin Changfeng

So the son must be saved.

"Shut up, mother. You gave birth to such a rebellious son, and you still have the nerve to talk?" Liu Rumei heard his voice and immediately cursed at him.

Hearing this, Liu Baixiao shrank his neck, still scared, but for the sake of his son, he gritted his teeth and looked at Liu Rumei.

"Rumei, I... am not thinking about Yu Shui. Only if Qing Shui is fine can Yu Shui marry into the Zhou family, right? If Qing Shui is caught in prison, then the Zhou family will..."

"Okay, Dad, stop talking."

Liu Yushui interrupted Liu Baixiao impatiently. She was worried about her eldest brother. A person with no brains could be plotted so easily. How could she have such an eldest brother?

"Mom, please stop scolding dad, this matter is not dad's fault.

"Yu'er, what do you think we should do about this matter?" After listening to her daughter's words, Liu Rumei stopped using Liu Baixiao and asked her instead.

"Mom, I see it like this."

Liu Yushui thought for a while, then leaned close to Liu Rumei's ear and lowered his voice.

"What?!"

Liu Rumei was shocked when she heard her method, but it was Liu Baixiao who screamed.

"Yushui, this method won't work, Lin Changfeng is your cousin, you can't harm him no matter what.

Liu Baixiao never expected that Liu Yushui's solution would be to ask Lin Changfeng to replace Liu Qingshui and take the charge.

"What's not allowed?"

Liu Yushui didn't think there was anything wrong with this idea. As long as it didn't involve her, she couldn't control what would happen to others.

"Lin Changfeng and the eldest brother are almost the same age, and their looks are very similar. The doctor in the drug store has only met the eldest brother once and has long forgotten what he looks like. If we come forward to clarify at this time, that person is Lin Changfeng Changfeng, who would know that person is the eldest brother? "

"Yes, yes, Yu'er is right."

When Liu Rumei heard her daughter's words, her eyes brightened.

She didn't like Lin Changfeng's nephew, and Lin Changfeng also disliked everything in her Liu family. The last time they set up Lin Caisang, they must have angered him.

And now, Lin Changfeng is already a scholar. If he takes another exam, wouldn't it cost the lives of the Liu family?

Instead of just waiting for Lin Changfeng to pass the examination, it would be better to take advantage of this opportunity to capture this man in one fell swoop, let him stay in the county jail, and get his son out of this matter. Wouldn't it be like killing two birds with one stone? .

"That's not okay. Changfeng has been in Yacun recently and has never been out. Even if we want to push it, we can't blame it on him." Liu Baixiao's face was still a little embarrassed.

"What's the matter? Lin Changfeng is just a scholar who has been hiding in his room studying. Who can see whether he has left the village? Who can prove it to him?" Liu Yushui thought beautifully.

This time, she not only wanted to remove herself from this matter, but also wanted to remove Lin Changfeng, the thorn in Zhou Liang's eyes!

"this....."

Liu Baixiao hesitated.

Although he felt in his heart that Liu Yushui was right, Lin Changfeng was indeed the best candidate to rescue his son. But he always felt that something was wrong.

"You're still there, what are you and me doing?"

Seeing how hesitant he was, Liu Rumei immediately put her hands on her hips and roared angrily.

"Let me tell you, Liu Baixiao, what you are eating now is my Liu family's food, and you have to think about my Liu family!"
