

Lucky Star of Space on Farmlands

Chapter 17 Blame her mother for being unreliable

Because Lin Changfeng had to go to the provincial capital to take the civil service examination, he had to guard against the Zhou family jumping over the wall in a hurry.

"Otherwise, we can just pretend to be pitiful. We are the weaker party anyway."

"shut up!"

Zhou Jitang's face was burning with embarrassment at this moment, wishing he had never given birth to this son.

Hearing his wife's shameless words, she was so angry that she almost raised her hand to hit someone. Fortunately, she still had some sense and didn't do anything more embarrassing.

Wouldn't it be even more embarrassing if the couple got into a fight in front of the Lin family?

"Zhou Liang, you are such an evil person and a great scholar, you actually do such a thing, let's see if I don't break your legs when I get home!"

He waved his sleeves at his son and turned to look at Lin Lu.

"Aunt Lin, I'm so sorry. My Zhou family has suffered such evil, and I really don't deserve Sangsang. Let's just let this marriage go according to Patriarch Lin's wishes."

He shook his head. Although he was extremely dissatisfied with the Lin family, he could not do anything to them after all. He could only lower his posture and apologize.

"Father, look at this..."

"That's all. How can such evildoers be embarrassed outside again? Sister Lu, I will accept this divorce document. Let's go back."

Master Zhou has never been so embarrassed in his life. Every look of disdain and contempt made him have the urge to kill someone.

But no matter how angry you are, you did it yourself, and you have to swallow the bitter consequences yourself.

"That's it, is it over?"

Just as Master Zhou was about to leave with Zhou Liang and his family, he heard a strange voice ringing in his ears.

"Who are you....."

He frowned in displeasure and looked at the man with a contented look on his face who was leaning against the courtyard door with a coldness all over his body.

"Oh, by the way, Aunt Qiubo, Brother Mo Lian and I were closer to them and heard some words. But there are so many people here, I don't know whether I should say this..."

When Ya Enxi heard Ya Molian's words, she quickly spoke.

"If there's anything you can't say, please finish it quickly. We have to leave." Zhemei glared at Ya Enxi.

It was this guy who made her precious son look like this. She hated him so much. Now he came out to act like a monster again. Didn't you see that they were about to leave?

"you....."

Master Zhou and Zhou Jitang spoke at the same time, trying to stop Ya Enxi but they didn't have time.

"Brother Mo Lian and I heard these two people saying in the small bamboo forest that the reason why the mulberry picking girl was sold was because Aunt Liu was instigated by Liu Yushui, and the two of them had already discussed this. Liu Yushui was not even a human being. She actually blamed her mother for not being reliable in her work and not letting the mulberry picking girl be buried alive!

Finally, Zhou Liang also said that even if she was not buried alive, a married concubine who had killed her husband was still wasting food while she was still alive. God would take care of the mulberry picking girl for them. "

"What?!"

Everyone screamed in surprise when they heard Ya Enxi's words.

Even the people of the Zhou family gasped after hearing such words. They couldn't understand how the Zhou family could have such descendants, who were so vicious!

"Zhou Liang, Liu Yushui, you..."

After hearing this, Mrs. Lin Lu was really angry. Before she could finish her sentence, she felt her eyes darken and she was about to fall backwards.

"Grandma, grandma."

Lin Caisang quickly held her arm. On the side, Lin Yang, who recovered from her daze, also came over to hold Lin Lu's other arm to prevent Lin Lu from falling.
