Chapter 174 Don't leave anything behind!

If he still helps such a person, he will be harming himself.

"Grandma, grandma, the food is ready. You guys eat first, and I will go and deliver the food to Brother Mo Lian and the others."

In the kitchen, Lin Changfeng walked out with a three-layered food box. As if he didn't hear the quarrel just now, he said something to Lin Laojie and the others, and then went out to deliver food to the people on Menghuang Mountain. .

On Menghuang Mountain, the few men brought by Yamolian who had no children and mouths were still busy.

However, Ya Molian himself was not there.

Seeing Lin Changfeng going out, Lin Caisang motioned to Lin Changhong with his eyes and asked him to follow.

"Grandpa, let's start from tomorrow so that I don't have to go to Menghuang Mountain. I can study with brother Changfeng. At least I can learn a few words." After everyone outside left, Lin Caisang pushed He suggested as he led Lin Laogan back to the main room.

Although Liu Baixiao was driven away today, Liu Rumei is a person who will never give up until she achieves her goal. Who knows what nasty things she will do secretly.

Wasn't she also injured so much that she was almost buried alive?

"This... Sangsang, we are busy on the mountain."

When Lu Qiubo heard his granddaughter's words, he couldn't help but frown.

Changhong is the main labor force on Menghuang Mountain. If he stays at home, who will take care of a lot of things on the mountain?

"Just be busy if you're busy, there's no one left behind except big brother." Lin Caisang looked at Lu Qiubo and said.

"Sang Sang is right, Changhong should stay at home. That woman Liu Rumei is really hard to mess with, so we have to be careful." Seeing that his old woman opened her mouth again, trying to persuade Sang Sang, Lin Laogen raised his eyebrows. He glanced at her.

"Tsk."

After listening to his words, Lu Qiubo thought of why Sang Sang suddenly asked Lin Changhong to stay at home.

"But I got a different idea. This guy is really annoying!"

When she mentioned Lin Changhong, she only thought about what happened on Menghuang Mountain, but she forgot what Liu Baixiao said just now.

If other people don't worry about it, at most it will cause trouble for themselves. But as for Liu Baixiao, it's okay if he doesn't worry about it. He has been out for so many years, and he still wants to bring the disaster to his family, so that he can take care of himself. Take it out.

In her entire life, she has never seen such a selfish person!

Especially since this person was born to her, it really put her old face in shame.

"That He girl, don't stay at home tomorrow. Go to the mountains to plant seedlings with Grandma. A big girl has nothing to do at home." She looked at Lin Caihe and ordered.

"Grandma, where do I have time? If I don't help dad every day, I just freed up my hands today." Hearing this, Lin Caihe opened his mouth and glared at Lin Caisang unconvinced.

She had just taken a breath, and was about to be ordered to work on Menghuang Mountain. Why?

"What kind of help does your father still need from you?"

Lu Qiubo glared at her fiercely and asked.

"Don't think I don't know. You've been free these days. If you don't want to go to the mountains, you'll have to do all the work at home, including cooking, washing clothes, etc. Don't leave anything behind!"

She thought about it and felt that it would be fine for her granddaughter, who was always against Sangsang, not to go up to the deserted mountains, but she had to take over the work at home.

She is a thirteen-year-old girl. A girl of this age has long been the leader of the family.
