

Star of Space 176

Chapter 176 It's not like no benefits were given

Liu Rumei chased after him, but before she could catch up to the door, she saw Liu Baixiao running in in a hurry. Her eyes lit up and she rushed over the crowd to him and grabbed him by the collar.

"Where's Lin Changfeng, where's Lin Changfeng, get him over here quickly!"

"I....."

When Liu Baixiao heard her words, his face froze, and a hint of guilt flashed in his eyes.

He was driven out of Yacun. Where could he bring Lin Changfeng? Besides, his parents didn't agree with his method.

"Dad, dad, where is that useless thing Lin Changfeng, and where are the others? Mom said you would bring him, didn't you? Where are the others? Quickly call him out and take the blame for me!"

When Liu Qingshui saw Liu Baixiao, it was as if he had grabbed a life-saving straw in the vast sea. He grabbed the pillar in the corridor without letting go. He didn't care who was around him and shouted directly to Liu Baixiao.

"I....."

Liu Baixiao lowered his head, not daring to say a word.

"laugh."

When the police officer heard what the mother and son said, he sneered and took away Liu Qingshui who was holding on to the pillar.

The people in this family are really nothing. If you want others to take the blame, it is a crime that may very well lead to beheading. His son's life is his life. Will he die if someone else's son dies?

"Liu Baixiao, you useless trash, you can't even do such a small thing, what's the use of my Liu family raising you?!" Liu Rumei pointed at Liu Baixiao and cursed.

After watching her son being taken away without her husband saying a word, she knew what was going on.

"None of you Lin family members are good people, and you won't even help me with this small favor. If anything happens to my son, let's see how I deal with you, the Lin family, who have no conscience! You deserve to be punished for the rest of your life with these immoral things. Mud legs!"

"That's enough, mother, have you had enough trouble?"

Finally, amid Liu Rumei's endless curses, a violent roar came from behind her.

The couple was stunned at the same time, and turned to look at the little boy who was a head lower than the average person. He was looking at them with cold eyes, as if he was trying to carve out a piece of flesh from Liu Baixiao and Liu Rumei's bodies. As if coming.

He is an alternative in the Liu family, Liu Rumei's third child, Liu Chushui.

No one in the Liu family is a good person, from the old man to Liu Yushui, everyone is very mean and mean, but the youngest son Liu Chushui is an upright person.

Liu Chushui is like the clear water in a pot of boiling oil. If the two merge together, the oil will be splashed all over, and it will hurt people.

Therefore, no one in the Liu family liked Liu Chushui, including Liu Baixiao, who felt that this son was the most unreliable.

"You little beast, who are you yelling at?"

Liu Rumei frowned and asked Liu Chushui sharply.

She is already upset enough. This little guy dares to mess with her. Is he just impatient with life?

"I'm talking about you. You can't teach your son well, and you want to harm other people's families. Cousin Changfeng is a scholar and is about to take the imperial examination. Why should I listen to you and blame my elder brother?"

Liu Chushui looked at them with a cold face and asked.

"It's not like I didn't give them any benefits. Isn't it enough to give them fifty taels of silver?" Liu Rumei said with her head held high.

"laugh."

Liu Chushui sneered and looked at Liu Yushui who had just walked out of the corner.
