Chapter 181 Intercede for your Liu family?

Lin Changfeng took a deep breath and turned to look at Lin Laogong who was sitting in the wheelchair. Seeing that his face was also ashen, the two brothers walked over together.

"Grandpa, don't listen to this woman's nonsense. Brother Changfeng didn't just earn enough money to go to the provincial capital. The medicinal materials dug by Nuanfeng haven't been sold out yet. I can also go hunting in the mountains. Besides, what are we doing? Did you take the money from the Liu family?"

Lin Changhong glanced at Liu Rumei with disdain.

This woman is absolutely crazy. Since Liu Baixiao left Yacun so many years ago, as far as he knows, the Liu family has never given out a copper coin to honor his grandpa and grandma.

On the contrary, when Liu Baixiao left, in order to please the Liu family, regardless of the life and death of the family, he stole all the money from his grandfather's room.

In recent years, Liu Rumei and several children have come to the Lin family frequently to ask for food and drink. Every year when the food is ripe, they always ask for it, although grandpa has never given it to them.

"Second Aunt, I heard it too. You came here to make trouble today, right? It's because Liu Yushui's marriage to the Zhou family is ruined, right?" Lin Changfeng looked at Liu Rumei seriously and asked lightly.

"So, because Liu Yushui's 'good' marriage is gone and you can't be a scholar's mother-in-law, you go crazy and come to my house to make trouble? Do you think that if you do this, my grandfather will go to Zhou's house to replace you? Are you interceding with the Liu family?"

"you--"

Liu Rumei was immediately embarrassed when Lin Changfeng directly poked at the central issue.

Yes, that's what she was thinking.

Because the Zhou family broke off the engagement, although the matter was quite tense, in the end it was the Zhou family that owed it to the Lin family and to Lin Caisang. Lin Caisang did not do anything wrong. Instead, it was Zhou Liang who got together with her daughter.

Therefore, as long as Lin Laogan is willing to come forward and put in a good word for her daughter in front of Old Master Zhou, and blame Lin Caisang for the Zhou family's fault for renouncing Lin Caisang, then her daughter can still marry Zhou Liang.

"Liu Rumei, is this why you came to cause trouble?"

Lin Laojie was reminded by Lin Changfeng and thought of this incident. Looking at Liu Rumei sitting on the ground acting playfully, he sneered in his heart.

He must have been kicked in the head by a donkey before he spoke up for the shameless Liu family. Moreover, he would lose his own face and trample the reputation of his precious granddaughter Sangsang to the ground.

"That's right, old man, if you don't help me today, I won't leave and I will keep making trouble here!" Liu Rumei said matter-of-factly when she heard his question.

"My Yu'er is also your granddaughter, right? She caught up with such a good marriage, but was ruined by Lin Changfeng, a little bastard. Your Lin family must pay compensation. If you don't go to the Zhou family to say this, today we It's not over!"

A group of folks watching the theater: "..."

They have finally seen what it means to be "shameless and invincible".

Liu Rumei's shame didn't appear on her face at all. How did she say such shameless words?

Lin Changfeng was also unlucky. He had done nothing wrong and was studying hard at home, but he ended up with such an unreasonable woman. If it were them, they would have been pissed to death.

Hearing this, Lin Laogong took a deep breath.

"You're dreaming!"

"you--"

Liu Rumei didn't expect that even after she had done this, Lin Laogan still didn't agree. Wasn't this pushing her to a dead end?

"You old man, let me tell you, if you don't agree, I will crash to death here today! I'm not having a good time, and no one can even think about it..."
