

Star of Space 182

Chapter 182 I will kill you!

"Hey, who wants to die?"

Before she could finish her words, she heard a sarcastic voice coming from outside the yard.

When the villagers watching the theater heard the sound, they immediately made way for them, while Lin Changhong walked out quickly and escorted Lin Caisang in.

"Sang Sang, be careful, this woman is like a mad dog, be careful she pounces on you!"

There was no way, Liu Rumei was acting like a crazy woman now, he had to prevent her from jumping towards his sister.

"Lin Changhong, who do you think is a mad dog?!"

Liu Rumei's eyes widened and she wished she could bite off a piece of meat from Lin Changhong's body.

She actually said she was a mad dog. Is there anyone who would say that to an elder? There is no fear of being struck by lightning. With such a little beast in the Lin family, no wonder they are getting poorer and poorer!

"I'll tell whoever responds."

Lin Changhong glanced at her lightly and replied.

"you--"

"Second Aunt, aren't you looking for death? Why don't you die? Do you think my wall is too dirty? It doesn't matter. There are many big trees outside. It's the same if you hit a tree."

Lin Caisang looked down at Liu Rumei and suggested to her.

"you--"

Liu Rumei was speechless for a moment. She had never thought about actually being killed. She was just trying to scare Lin Laogong. Now that Lin Caisang was talking about it, she glared at Lin Caisang with resentment.

"Lin Caisang, it's all because of you that my Yu'er became so miserable!"

"because I?"

Lin Caisang raised his hand, pointed at the tip of his nose, and chuckled.

"Second Aunt, do you mean that I asked Liu Yushui to seduce Zhou Liang? Or that I asked Liu Yushui to get pregnant before marriage and do things that ruined the family tradition? Or, that I asked Liu Qingshui to do that thing that killed people. Something that doesn't pay for your life?"

"Of course it's you...it's you..."

Liu Rumei took a deep breath, knowing that these things had nothing to do with Lin Caisang, but how could she be so angry.

Now Lin Caisang is fine and has nothing going on, but her daughter got pregnant before she even left the court, and was disowned by her husband's family. Her innocence was completely ruined. Who else will come to propose marriage in the future?

"If you hadn't been clinging to Zhou Liang, and if the Lin family hadn't insisted on withdrawing from the Zhou family, how could the Zhou family hold a grudge against Yu'er? They married her in a sedan chair as early as eight o'clock!"

Lin Caisang: "..."

Why did she talk so much to a madman? It's just playing the piano to a cow, right?

"Second Aunt, I advise you to be kind. If you dare to offend anyone, it will not end well! If I were you, I would not choose to offend grandpa and grandma at this time. Do you think, Will your Liu family still let you rely on me?"

She leaned over and spoke to Liu Rumei in a lowered voice.

"you--"

After hearing her words, Liu Rumei felt a sullen breath stuck in her throat, and she felt dizzy for a while.

The news that her daughter was pregnant before marriage was exposed. The old men of the Liu family had already gotten the news, but because of the marriage between Liu Yushui and Zhou Liang, they naturally didn't say anything.

But now, the marriage has been called off, and something like Liu Qingshui has happened again.

For Liu Qingshui, she went up and down Qianlin County and spent a lot of money, not just a simple one thousand five hundred taels. The old people in the Liu family would definitely get the news.

As a result, her life in the Liu family will definitely not be easy.

After being stunned for a while, she took a deep breath, gritted her teeth, and stared at Lin Caisang with her scarlet eyes, "Lin Caisang, don't be proud, sooner or later, I will kill you!"
