Chapter 183 Will be kicked out by the Liu family

"Okay, I'll wait.

Lin Caisang grinned and stood up straight.

"Brother, my second aunt is leaving. You can see her off for my grandpa."

"Huh, we're not done with this!"

Liu Rumei saw that there was no benefit here anymore, and Lin Laogan would not agree to go to Zhou's house to intercede, so she could only stand up.

After glaring at Lin Caisang, he walked out of the courtyard.

"Changhong, you don't need to send them away. Just these few people, we can help your family leave the village." Several men who were staring at the Liu family's servants saw this and said to Lin Changhong.

When Liu Rumei comes, no one in the Lin family is in a good mood. They can just get rid of these bastards.

"Thank you guys."

Lin Changhong didn't want to give Liu Rumei anything as a gift. He thanked her and looked at his sister.

"Sangsang, what did you say to her just now? Why did you leave so easily?"

As soon as Sang Sang came, Liu Rumei left. She was still so arrogant just now, saying that she would just stay here and not leave unless grandpa helped Liu Yushui to intercede with the Zhou family.

"Sangsang..."

Lin Laogan also looked at his granddaughter.

He also wanted to know what Sangsang said so that he could use this trick against this shameless woman in the future.

"Actually, it doesn't matter. For Liu Rumei, no matter how important her son or daughter is, they are not as important as herself. Now she is like a clay Buddha crossing the river, and she can't protect herself.

Lin Caisang glanced at them and said.

"What do you mean?" Lin Changhong asked.

"Liu Qingshui's matter has nothing to do with Liu Rumei. Liu Yushui will only be withdrawn from the engagement at most."

None of these things will affect Liu Rumei herself. At most, they will make her feel worse recently. How can she not protect herself?

"How could Mrs. Zhou let them go so easily?"

Lin Caisang shook his head and laughed at his eldest brother's naivety.

"Next, Liu Yushui should find a place to hide, because the Zhou family will definitely cut off all relations with Liu Yushui, and the child in her belly must not be Zhou Liang's."

"Oh, I understand." Lin Changhong nodded.

Lin Changfeng shook his head and sighed, "If I had known this today, why did I do it in the first place?"

Although Liang Guo was quite generous to women who were pregnant before marriage, such a woman would definitely not be tolerated in a family.

"If it were just Liu Yushui, it would be good. At least it was Liu Yushui's fault alone. But the bad thing is that Liu Qingshui was involved in a life lawsuit again. Although it was resolved, as far as I know, In order to save her son, Liu Rumei spent a lot of money from the Liu family. "

Lin Caisang said again.

"Although the Liu family's family fortune is not small, it is not too big either. The money did not fall from the sky, and Liu Rumei is just a daughter of the Liu family. Grandpa, you should understand, right?" She looked at Lin Old joke.

Lin Laogong sighed deeply.

"Sang Sang, do you mean that Liu Rumei's family will be kicked out by the Liu family?" Lin Changhong's eyes widened and he looked at Lin Caisang in disbelief.

Such a family only knows how to spend money and cause trouble, and it is a daughter. With the way the Liu family behaves, it is impossible to keep them at home to harm their own family.

"Isn't that quite normal?" Lin Caisang shrugged and said.

Therefore, after her reminder, Liu Rumei also thought about her current situation, and she had to find a way out for herself before the Liu family had finished everything.

For example, secretly get some silver and hide all the gold and silver jewelry that you had before.
