

Star of Space 185

Chapter 185 Do you want to change your last name?

Turning his head, he glanced at Liu Yushui with disgust on his face and muttered to himself: This daughter is such a disaster!

"I warned you a long time ago not to be so arrogant about Yu Shui, but you didn't listen. Now it's better, and our whole family has to drink the northwest wind!"

"I....."

Liu Rumei opened her mouth to say something back, but when she thought of her current situation, she could only purse her lips and remain silent.

"Dad, what are you talking about? How have I harmed you? It's obviously the eldest brother...ah!" Before Liu Yushui could finish his words to shirk responsibility, Liu Qingshui slapped him in the face.

"Liu Yushui, if you don't shut up, I'll kill you!" Liu Qingshui glared at her and threatened again.

"you--"

Liu Yushui covered her face and looked at Liu Rumei. Seeing that she didn't speak for him, she could only shut her mouth angrily.

"Dad, there is nothing we can do now. I have just come out of prison. I don't have a single coin on me. If we don't go to Ya Village, we will starve to death on the roadside!"

Liu Qingshui looked at Liu Baixiao and said.

"this....."

Liu Baixiao hesitated for a moment and gritted his teeth.

"What else is this?"

Seeing him like this, Liu Qingshui spoke up again.

"After all, you are my grandma's son, and we are also their grandsons, right? They will definitely not ignore us. At worst, when we return to Yacun, we can change our surname again. Wouldn't it be enough to change our surname to Lin?"

Compared to starving to death on the streets, he felt that changing his last name was nothing.

But after hearing what he said, Liu Rumei stopped and screamed, "What? You want to change your surname? Qingshui, you are my mother's son, how can you change your surname to Lin?"

She gave birth to three children through hard work, so how could she change her surname to Lin?

"No, I don't agree!"

"If you don't agree, mother, just wait to die of hunger." Liu Qingshui glanced at him and said.

"this....."

Thinking that she was penniless, Liu Rumei hesitated.

"Don't worry about them, Qing Shui, Chu Shui. Follow me back to Yacun, whether they want to follow or not." Liu Baixiao was persuaded by his son. He took Liu Qingshui's hand, called Liu Chushui and left.

"Chu Shui, take the baggage."

Liu Chushui looked at the baggage, lowered his head and sighed softly, he had finally reached this point.

...

Yacun, Lin family.

It was almost evening, but there were five people kneeling in the yard. Lin Laojie looked at each of them, and he really didn't know what it felt like.

Looking at them dragging their children back with their mouths, it seems that just as Sangsang expected, Liu Yushui and Liu Qingshui were disliked by the Liu family because of the two things they had done, so they were kicked out, right?

"Dad, I know I was wrong. I really know I was wrong. Please take pity on us and let us stay."

Liu Baixiao cried till he had runny nose and tears. He was so pitiful, but Lin Changfeng and Lin Changyi in the yard didn't even give them a sympathetic look.

"You will not live if you do your own evil."

Lin Changfeng just said six words lightly and continued to go back to his room to read his book. In his opinion, it was not worth wasting his time for these people.

"you....."

When Liu Rumei heard what he said, she almost yelled, but Liu Qingshui pinched her wrist as a warning.

"Mom, if you want to be kicked out, just scold me."

"I....."

She had a bad breath stuck in her throat, and her face turned red with anger.

What's going on now? Can a junior look at her nose, face, or face? But she still can't say a word for herself. What's the point?
