

Star of Space 194

Chapter 194 You can't change anything in this life

"Dad, I understand. From now on, the second brother will be the second brother, and we will be ours. But if I can help, I will definitely help him.

"Old lady, that's it. You go and tell them." Lin Laogeng looked at Lu Qiubo and said.

...

Soon, Liu Baixiao refused to leave and was driven out by Lu Qiubo with a broom.

However, in order to calm down, she still went to Patriarch Lin to say a few good words and gave Liu Baixiao and his family a place to live. Otherwise, Patriarch Lin would not pay attention to Liu Baixiao.

There was a small courtyard not far from the village, which was very dilapidated. Chief Lin took ten taels of silver from Liu Baixiao.

"Bai Yi, what happened to you just now? She Liu Rumei hurt Chang Feng and Sang Sang so much, why are you begging for them?" Back in his room, Yang Lin stared at his husband with a cold face. .

When she came back that day and heard about Liu Baixiao's visit, she was so angry that she burst into tears and couldn't even eat dinner.

But just now, he actually interceded for Liu Baixiao's family!

"Do you still look like a father?" she asked.

"Are you stupid?"

Lin Baiyi glanced outside through the crack in the door to make sure there was no one in the yard, then lowered his voice and spoke to his wife.

"Why am I so stupid?" Yang Lin was angered by him.

Wouldn't it be foolish not to intercede for that heartless Liu Baixiao? Then the whole Lin family is stupid, but Lin Baiyi is the only one who is smart?

"You still say you're not stupid?"

Lin Baiyi chuckled lightly and looked at his wife angrily.

"Didn't you see that our father just softened up and let the second brother and the others stay? Once what happened to Changfeng happened that day, how could I let Liu Baixiao stay at our house?"

"Then what do you mean?" Yang Lin asked angrily.

"It is indeed wrong for our son to be implicated by innocent people, but it is also very miserable for the second brother and the others to be kicked out by the Liu family. After all, he is my father's son. If my mother can be so ruthless for Sangsang, how can my father be willing to let it go?"

Lin Baiyi snorted lightly.

"Look at He girl's appearance, are you willing to kick her out?"

"I....."

Hearing this, Yang Lin gritted his teeth.

Her unsatisfactory daughter is indeed not decent. No matter how many times she says it, she still behaves like this. In her opinion, she can't change it in this life.

"Then how can it be the same? Sooner or later, He'er will have to get married. How can he still be a girl at home for the rest of his life? However, this girl is really a troublemaker. Liu Yushui is back this time. I'm afraid... .."

"Let's not talk about He girl. Let's talk about just now. If I didn't say this, dad would see that everyone didn't want to see the second brother, and maybe he would start to sympathize with the second brother, but my sympathy is different.

Before, Changfeng was tricked by Second Brother and the others. Dad felt that he was indebted to Changfeng. The more I sympathized with Second Brother and the others, the more I felt sorry for us. He would become harder-hearted towards Second Brother and his family, even if it was just for the sake of If Chang Feng studies hard, he will drive them out. "

Lin Baiyi explained.

"Tsk."

Yang Lin clicked his tongue and looked at her husband with admiration.

"Baiyi, when did you learn to be so smart? How did you come up with this method? You are too stupid, right?"

"Of course, Sangsang taught me." Lin Baiyi said proudly.

Sang Sang had pulled him outside the yard and told him secretly before. He thought it would cause trouble and didn't want to do it, but he didn't expect it to be effective. No, Liu Baixiao and his family were indeed kicked out.
