

Star of Space 211

Chapter 211 What are you asking about when you have nothing to do?

...

"There should be some straw at home, I..."

While opening the door, he murmured that he would use straw to make some straw nets so that the ice silkworms could put them on them and wait for them to turn into cocoons and turn into ice butterflies.

However, as soon as he stepped out of the room, he looked up and saw Liu Baixiao, the most disliked person in their family, holding his son Liu Qingshui aside and muttering something unknown.

She looked stern.

"Second uncle, what are you doing?"

"scare!"

Liu Baixiao didn't hear the sound of her opening the door. When he heard someone calling him, he was immediately frightened and almost jumped up from where he was. It took him a while to take a deep breath and come back to his senses.

He turned around and looked at Lin Caisang with a guilty look on his face.

"It's Sangsang. Your grandpa and the others have already gotten up. Why did you just get up? As juniors, we can't be so unfilial."

Lin Caisang: "..."

Is this because he has a guilty conscience and wants to strike first and interrupt her doubts?

Huh, is she the kind of person who can be scared?

"Haha, is that right? I can't be as 'filial' as my second uncle and cousin Qingshui, don't you think?" She sneered, glanced at the two of them with a smile, and said.

"you--"

Liu Qingshui was choked by her words, and the arrogance in her heart suddenly rose. 6

"Clear water."

Seeing that his son was about to get angry, Liu Baixiao quickly spoke up to stop him.

This Lin Caisang is the treasure of the Lin family. If they offend Lin Caisang, what they want to do next will not be so easy. Turning around, she smiled at Lin Caisang again.

"Sang Sang, my second uncle heard that your father bought Menghuang Mountain for you?"

"yes."

Lin Caisang nodded.

"My father bought it for me, but does this have anything to do with you, my second uncle? I'm just asking around for nothing. Why don't you tell me what you have in mind?"

"Well."

Liu Baixiao also choked on her words.

He muttered to himself: He has seen this Lin Caisang several times before, but he has never seen her speak so sharply. She took some magic medicine today to dare to talk to him like this.

"Hehe, hehe, Sangsang is really getting better and better at talking."

"That's right. It is said that one gains wisdom after one has eaten. I was almost buried alive. If I hadn't grown up with some snacks, I would have been taken away by the King of Hell." Lin Caisang shrugged and said as if unintentionally. .

Liu Baixiao: "!!!"

If you say this, how can he answer the question?

Lin Caisang was almost buried alive. It was all the fault of his mother-in-law. Now that Lin Caisang said this, she was just deliberately trying to silence him, right?

"Second uncle, what do you want to do when you come to my house so early in the morning?"

Seeing that he was so embarrassed that he didn't know what to say, Lin Caisang asked again.

"You don't want to come for breakfast, do you? Second uncle, don't you look at what the situation was like last year. How can there be enough food for you at home? As a son, you have to understand the difficulties of grandpa and grandma, right? ?

Besides, it is said that a skinny camel is bigger than a horse. Second uncle has been in the Liu family for so many years, how can he not leave some backup? I'm afraid I have so much money that I won't be able to spend it all in a few lifetimes, right? You have so much money, but you still come to our house to eat and drink. What do people think of you? You have to save some face for yourself, right? "

"I....."

Liu Baixiao opened his mouth, trying to explain that his previous situation in the Liu family was not as good as others thought, but in fact it was very bad.

But how could Lin Caisang give her a chance?
