Chapter 217: Pour dirty water on her

What's more, Liu Chushui has not lived in the countryside since he was a child, so he is no better than the children in the village.

"Get up quickly and come home with me to change clothes."

Now I don't care why Liu Chushui came here to catch fish. It's very cold. If they don't change out of their wet clothes, they will both get sick.

Carrying the bamboo basket on her back, she walked towards home. Liu Chushui glanced at her back carefully, stood up silently, and followed closely.

...

"What's going on here?"

As soon as she arrived at the door of the house, she heard a sharp voice ringing in her ears. Lin Caisang raised her hand, frowned and picked out her ears, and glanced at Liu Rumei, who was staring at her with a reproachful look.

"Lin Caisang, why did my Chu Shui offend you? Do you want to make her like this? Why are you so vicious? It's not enough to harm Yu'er, and now you are harming Chu Shui? You are a house-ruiner, why are you so vicious?" You will have no peace in the Lin family, if I don't beat you to death..."

Seeing her rushing towards him, Lin Caisang pushed hard towards Liu Rumei with his raised hand, pushing her a few steps away.

"Ah, what are you doing? You did something wrong and you dare to push me?"

Liu Rumei was pushed so hard that she almost fell down and stared at Lin Caisang with red eyes.

"Neuropathy!"

Lin Caisang glanced at Liu Rumei lightly and looked at Liu Chushui.

Seeing her son soaked and standing in the cold water, the mother didn't think of asking him to change clothes. He didn't even take off his own coat, but he came to question her immediately!

What is it if it's not a mental illness?

"Come in with me."

"Um."

Liu Chushui glanced at Liu Chushui with cold eyes and followed Lin Caisang into the yard.

"you....."

Liu Rumei watched them enter the yard, and after realizing it, she wanted to follow them in, but was locked out of the yard by Lin Caisang.

"Okay, Lin Caisang, please hand over my Chu Shui right away, or I will never be done with you! Chu Shui, what are you doing in there? Haven't you seen how Lin Caisang treats your mother? Come out quickly!"

"Sangsang, what's going on? How did it happen?"

Lin Changfeng heard the commotion and came out of the room. He frowned when he saw Lin Caisang's clothes were warm and his hair was soaked.

It fell into the water.

"This kid fell into the water. I happened to pass by and rescued him. Brother Changfeng, you go to my brother's place to find some clothes for him to change into. I'll go in and change clothes first."

Lin Caisang explained and hurriedly got into her room. Even if she was fat, she couldn't stand the chill all over her body.

"What?"

Lin Changfeng was even more shocked after hearing her words.

What did he hear? Sangsang jumped into the river and rescued Liu Chushui? Could it be that he was hearing something wrong, or that Sangsang fell into the river and Liu Chushui rescued her?

But.....

He raised his eyes and glanced at Liu Chushui's thin appearance, then thought of Sangsang's figure, and shook his head.

"Chu Shui, come with me."

After coming back to his senses, he took Liu Chushui to Lin Changhong's room.

When Lin Caisang walked out of the room while wiping the water from her hair with a cloth, she saw Liu Rumei still cursing outside the yard. Anyway, he was scolding her as much as he could for throwing dirty water on her.

She shrugged and walked to the kitchen.

"Sangsang, what are you doing?"

Just when she took a piece of ginger and planned to make two bowls of ginger and brown sugar water, Lin Changfeng heard the noise and came over.
