

Star of Space 222

Chapter 222 The person who should correct his position

"Lin Caihe, you——"

"Brother Changfeng, since He'er can do it, let her do it. If you still want to read, don't delay. Go back to the room. Lin Caisang glanced at Lin Caihe with a sharp look, and looked at Lin Changfeng calmly said.

"I....."

Lin Caihe was choked by her words and made a face.

Lin Changfeng, however, turned around, glanced at Lin Caihe, and nodded, "He'er, hurry up and cook. Grandma and the others will be back soon. Brother Mo Lian, you should also eat at our house before going back."

"No, I just want to talk to Xiao Sangzi about something and I have to leave immediately. Ya Molian shook his head, turned around and prepared to leave.

"Brother Mo Lian, what can you do to Sister Sang Sang? I'm cooking today, so you have to stay and try my cooking." Seeing that he was leaving, Lin Caihe quickly pushed Lin Changfeng away and ran away. Get in front of him and prepare to stop him.

He just stretched out his hands, but Ya Molian dodged and took a step back.

"Lin Caihe, please respect yourself."

He frowned slightly and reminded Lin Caihe in a cold voice.

"this....."

Lin Caihe stretched out his hands awkwardly, not knowing how to put them down.

"He'er, what are you doing? Do you girls still know how to take care of your reputation?" Upon seeing this, Lin Changfeng immediately stepped forward and pulled Lin Caihe towards him, looking at Ya Molian apologetically.

"Brother Mo Lian, I'm sorry, Caihe is young and ignorant."

"It's okay, just be careful next time."

Glancing at Lin Caihe with cold eyes, he raised his feet and left.

"Lin Caihe, what are you doing? You don't have any shame, why do you dare to do anything?" After Ya Molian left, Lin Changfeng scolded Lin Caihe with a cold face.

"Why am I so shameless?"

Lin Caihe's face turned red after being scolded, but he didn't feel there was anything wrong with leaving Yamo Lian down for dinner, and refuted Lin Changfeng's words.

"Brother Mo Lian always gives me... food for us. Isn't it okay to let him have a meal? Besides, I just let Brother Mo Lian have a meal and it's shameless. What about Sister Sangsang? She She is always whispering to Brother Mo Lian, I have seen her several times, so what does she mean? "

She raised her hand and pointed at Lin Caisang.

Lin Caisang: "..."

Was she shot while lying down? It's obviously Ya Mo Lian who is staring at her every day, okay?

And, having said that...

"Lin Caihe, when did Brother Mo Lian give you something to eat? He gave it to grandpa and grandma, not to you. You should put yourself in the right position in the future and don't think about messy things!"

Listening to Lin Caihe's words, she wouldn't think that Ya Molian often came to Lin's house these days because he fell in love with her, and some of the things Ya Molian brought from time to time were all given to her in disguise, right?

Thinking of this possibility, her face suddenly turned bad.

"You are the one who should correct your position, right?" Lin Caihe turned towards Lin Caisang.

Regardless of what she looks like, who in the village doesn't think she was reincarnated as a pig and dares to argue with her!

If Brother Mo Lian didn't give her something, could he also give it to Lin Caisang? She is so shameless. Will Brother Mo Lian fall in love with her? It's better to fall in love with a pig!

Lin Caisang: "!!!"

Did she fail to position herself correctly?

She silently lowered her eyes, blinked at the bowl of brown sugar water in her hand, drank it in one gulp, and then put the bowl into Lin Changfeng's hand.

"Brother Changfeng, tell her, I can't tell her!"
