

Star of Space 230

Chapter 230 Would I lie to you?

"Are you here? There are two more dishes, which will be ready immediately. Wash your hands first and go to the main room. He said this and continued to work in the kitchen.

"Brother, you go to the main room, and I will send the eggs to the kitchen."

Taking the bamboo basket from her eldest brother's hand, she also went to the kitchen and placed the bamboo basket on the table casually.

"What did you get?" Ya Molian asked.

"How dare you come here to eat and drink for free? No, the wild eggs I just brought from the mountain will be more advantageous to you." Lin Caisang shrugged and said, looking left and right.

Ya Molian chuckled, turned around and glanced at the bamboo basket, "There are quite a few."

"Don't worry, I haven't dug out all the eggs on the mountain. I'm keeping some seeds. There will definitely be no shortage of game for the winter." She raised her eyebrows and said.

"Ah."

Ya Molian chuckled again.

"After Liu Chushui returned home, he was beaten up by Liu Baixiao and locked up. It is estimated that no one will rescue him. He will not be able to come out for a day or two, and he will not even be able to eat."

he said.

Hearing this, Lin Caisang turned around and looked at him, frowning.

"real?"

"Would I lie to you?" Ya Molian asked her.

of course!

Lin Caisang answered in his heart, but at the same time he took a deep breath and cursed Liu Baixiao in his heart. He is his own son after all, so why is there such a big difference?

If Liu Chushui is a disobedient, unfilial, and lazy child, he can't blame others for being treated like this by his father.

But it just doesn't happen.

Among Liu Baixiao's three children, Liu Chushui is the only one who looks good, right?

"This world is really unfair. Those who are eloquent, regardless of whether they have virtue or not, can be held in the palm of their hands. It's such a cold world." She sighed and said.

She had no choice but to wait and ask her eldest brother to secretly send Liu Chushui some food.

"You want to take care of him?" Ya Molian turned to look at her and asked.

"Can you ignore it?"

Lin Caisang shrugged and said.

If she was still in the Liu family, then she could ignore everything, and she couldn't care about it anyway.

But now she was in Yacun, where she had broken bones and connected tendons with the Lin family. Could she just watch something happen to Liu Chushui and not care? If you really don't care, how sad would Grandpa and Grandma be?

"He's a sensible kid."

However, it is precisely because Liu Chushui is sensible and obedient that he becomes an alien in Liu Baixiao's eyes, because he is different from Liu Baixiao's family, and they seem incompatible with each other.

In this world, concubines are superior and inferior, elders and young are orderly and so on. I really don't know how many people have been harmed.

Of course, this is inseparable from the partiality of human nature towards people, things and things, and it also has a lot to do with it. Just like when she was in the Zhong family, she saw with her own eyes that the outstanding Zhong You was not taken seriously because Mr. Zhong didn't like it. .

Instead, it was Zhong Yun...

"Oops!"

Suddenly, she secretly screamed something bad and her face turned green.

When she thought of the Zhong family, she thought of Zhong You. She had promised to take him out of the Zhong family before, but she was so busy with family matters that she actually forgot about it!

"Wouldn't that guy Zhong You have been waiting for me at home for a month?!"

"What's wrong?"

Seeing that her expression was different, Ya Molian mentioned another person's name and asked her aloud.

"Who is Zhongyou?"

He was very familiar with Ya Village and the surrounding villages. Not a single family had the surname Zhong. So where did Xiao Sangzi get to know a person named "Zhong You"?

This name sounds... like a man's!
